Austin, Texas, Nov. 30.—Resignation of Amon G. Carter, as a member of the board of directors of the West Texas Technological college was requested in a letter today by Governor Miriam A. Ferguson.

The letter assures the task is unpleasant to the governor and states that she is informed that in December last year Carter "fitted up a buildnig owned or controlled by you (perhaps a garage building) in the old fashioned barroo mway, providnig a bar with the foot rail and the sawdust on the floor and behind the bar you had a man dressed in the old fashioned bartender white apron style" for the oil men's association in Fort Worth.

"To this place Iam informed tha tyou invited some two or three hundred guests and to those who came, you dispendsed drinks that were t osay the least stimulating and that you caused to be given away souvenir canes in which there is a hidden vial some thirty inches in length that contained approximately one pint of beverage," the letter reads. "I have one of the canes in my possession which I am reliably informed came from your place. I am also informed tha tat said reception given by you many became stimulated and others were under the influence of an invigorating decoction and tha tyou in company with your guests participated in hte consumption of the beverage."

Cheered for Moody.
