Mr. Amon Carter
Hotel Texas
Forth Worth, Texas

Dear Mr. Carter:

I want to take this opportunity to thank you for your kind comments following the informal report that I made on the Johnson report to the Advisory Airport Committee in Miami recently.

It was very gratifying to see the sincere manner in which you participated in the various meetings. My only regret is that there are not many more men of your caliber who take such a genuine interest in aviation problems.

I hope that I shall have the pleasure of talking to you again in the very near future.

Sincerely,

Nicholas Zapple
