Mr. W. S. Knudsen,
Executive Vice-President,
General Motors Corporation,
General Motors Bldg.,
Detroit, Mich.

Dear Mr. Knudsen:

Enclosed, I am sending you a number of photographs made by the Star-Telegram Staff Photographer during your visit in Fort Worth. One in particular is amusing, which shows Mayor Jarvis, Mr. Grant, you and the writer evidently singing "The Eyes of Texas Are Upon You." Another interesting picture is that of you and Mr. Fisher holding the Indian papooses.

We hope you arrived home safely from your trip in Texas. It was a real pleasure to have had you with us - especially for the little party at Shady Oak Farm - and we hope you will hurry back at the first opportunity.

With best wishes, I am,

Sincerely,

AGC.KD
