Mr. Amon G. Carter,
Fort Worth Star Telegram,
Fort Worth, Texas.

Dear Mr. Carter:

A reminiscence with Col. Hardwick who is home on a short leave, and whom you met in England, prompts me to thank you for the message you sent from England on Hardwick, and also at this belated time to express my interest in and anxiety over Amon, Jr. Knowing of your great pride in this son and having my only two sons in the service, I know how your heart is torn with worry and anxiety. I sincerely hope some day he will return home safe and sound.

Sincerely yours,

D. A. Bandeen

B/L

General Manager.
