Dear Mrs. Deakins -

Just a note, written here at school, to let you know that I received a card yesterday, from Aaron. It was dated Dec. 28 and on it he said that he spent most of the time trying to keep warm. Also, that he'd rec'd 44 letters from me - That's such a few to the number I've written

but I'm thankful
his received some au
way.
His last sentence
was, "I'll be in Ky.
soon". So, here's hoping
that soon, he can be
liberated, if he hasn't
already.
Am terribly busy.
But thought perhaps
it would give you
all some comfort,
you're probably heard
by now, too. Do hope so
Sincerely.
