The Southwest in T.C.U.

The Southwest is rich in thrilling history, noble traditions and unique culture, as well as in natural resources. Texas Christian University, as a product of the Southwest and a contributor to its unique spirit is aware of its obligation to cherish these ideals, interpret them and pass them on to society. In more ways than most of us realize this is being done. Today's program will make us more aware of our privileges in this field.

Hymn: "America the Beautiful"

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America! God shed his grace
on thee,
And crown thy good with brotherhood
From sea to shining sea!

O beautiful for pilgrim feet,
Whose stern, impassioned stress
A thoroughfare for freedom beat
Across the wilderness!
America! America! God mend thy ev'ry
flaw,
Confirm thy soul in self-control,
Thy liberty in law!

what lies dimly at a distance, but to do
what lies clearly at hand.
