T. C. U. WINS CHAMPIONSHIP.

One of the best, if not the best, record ever made by any team in the State, was made by T. C. U. baseball team this year. We have played eleven association games and only lost one. This game would have resulted otherwise had our regular pitcher pitched the game. Our team went away from home only twice. While away they played four games, winning three. While all members of the team are regular college students, they can play ball.

Our captain, who plays behind the bat, has an eye like that of an eagle and very few men ever steal second. It takes an exceptional runner to make second before the sure throw of Moulden cuts him off. At the bat he is the star of the team and is known to be the greatest amateur slugger in the state. Moulden has four safe batters who come in line before him and when he takes old "Betsy" in his hand some one is almost sure to run in a score. He is a fast runner and is always safe in running bases. He is the best all around player on the team.

Burnett is one of the fastest pitchers known to college players. His delivery is free from all "eagle curves" and and "high dive" points, yet he throws a swift ball with a terrible twist. He has been a very successful batter this season. Like Moulden, he has made several home runs. The first of the season he played in the field and made a number of "star" catches.

Shirley Graves is a man who knows the game. His words of good cheer to the boys during a closely contested game causes them to play with a steady nerve. He is a fine man on first and at the bat he is always most sure to land a safe.

Kinnard, our second baseman, is very quick and by his good playing he is compared with Holloway, the star second baseman of the state. He has made a good record with his little bat, for he is the baby of the team.

Walter Bush, our third baseman, has a powerful wing upon him. The way he picks up hot balls is something that should be commended.

Joe Clark is splendid at short not to have played his position any more than he has. His old place for the past three years has been third base.

Joe is one of the safest batters on the team. He is not known for making for three-base hits, but for his safeties. We have played very few games without him, making from one to three scores.

In speaking of our three fielders, very little can be said of one that cannot be said of all three. Gallaher in the left field, Procter in center field and Wester holding fort in right field are three men who catch a ball as easy as if it fell in a well. As to their batting, they are about the same. Perhaps one of them ranks higher in one respect, while one of the others outclasses him in another.

Bloor, Carpenter and Hendricks are the three subs, yet all three of them have had the pleasure of playing in the match games. When Moulden pitched the game against Georgetown Bloor caught and showed up well. He promises to make a fine all round player.

In summing up the record of the team, this may be said, that every man deserves credit for assisting the team in every possible way. The second team deserves special praise because of their untiring efforts in giving the first team practice.

To the boys who have supported the team in attending the games and giving college yells, thus supporting by your presence and enthusiasm, to you I wish to say the team needed your support and you did nothing but your duty.

The T. C. U. girls are the most loyal girls in the state of Texas and they can yell at a ball game as well as sitting up and looking pretty.

Our Record.

TO THE T. C. U. BOYS

We trust you have had a prosperous year in college, and wish to thank you for the patronage given us through the closing term.

If you will have need of a new Suit, Hat, Shoes, etc. before you start home we will be pleased to show you.

We hope to see you back again next term.

This issue will be the last this year. To you of my friends and patrons who have supported the paper and who have always regarded it as one of the institutions of the University to you, let me express my heart-felt thanks. May each and every student have a pleasant vacation this summer. Eat plenty of cake and other good things, that you may become hungry when away from home.

To the chronic grumbler, I would suggest that you take plenty of sunshine during the summer and season this with the fresh air of early June mornings.

It has been a pleasure for me to give you the news the best I could, and while I admit I have not reported everything just as they should have been given, yet I have done the best I could. It is true that the assistant editor has gotten out the last six issues by himself and it is hoped that all deficiencies will not be charged against the real editor.

It has been a pleasure to me to serve you and I trust that our walks through life may be as agreeable as they have been in the past.

One more week from today and almost all the dull thuds and squeaks of trunks will have passed down the steps. Some will go out into the wide, wide world, others will be consumed like atoms never to hear of them any more. While there are many who will be here when school opens in September.

There has been a lack of loyalty among the students, which should not exist in a school like this. All students should be loyal to the school and to her institutions.

With the best of wishes and success for the future managers of The Skiff, and trusting that their rowing may be through the peaceful waters of the Elysian Fields, may their success be crowned with branches of the "wild olives of peace."

T. C. U. VS. BAYLOR.

One of the crowning features of the Convention was the baseball game on Friday afternoon. After a continual of sessions, which had lasted all day and almost to eleven o'clock at night, the delegates, together with the student body, were very proud to make the welkin ring with their voices in cheering our boys on to victory. Even Baylor kicked up a terrible hollabaloo at the beginning of the game, but their wild bazoo was soon hushed by the cheers of the victorious champion team.

Baylor was down in the mouth some because she even had the audacity to think that she could hold T. C. U. down to a close game. It must have been an off day for Baylor (?) as she did not play as good a game as

she did the first game of the season.

And how T. C. U. boys landed on Fisher's balls was a shame. In the beginning of the ninth inning Baylor put Scott in the box, but our team had already won the game and his star (?) pitching was no more effective than that of Fisher's. Burnet, our home team pitcher, did excellent work in the box. Moulden made several fine catches and was at home again when he had old "Betsy" in his hands. Our boys did better work at the bat than at any previous game.

Friday was a holiday and the game was well attended. Many of the citizens of Waco came out to see a close game but failed to see Baylor put up a close fight. Baylor must learn how to hold balls before she attempts to lay T. C. U. in the shade, but I fear that will never be, as T. C. U. is now on top and she expects to remain there.

MUSIC RECITALS.

Two of the best music recitals ever given in our chapel were given last Monday and Wednesday night.

Miss Zenna Miller has been in school two years under Prof. Schockey. She is well adapted to music and we predict that she has a bright future before her. Before the star which shall crown her success shall have set, we feel sure that she will accomplish great things in the music world.

Mr. Barry Sympson gave his music recital on Wednesday evening. His program was one of the heaviest and best programs ever rendered. He has an excellent talent for music, and while he is very young, has a lifetime before him to accomplish greater things than even the modern Paderewski.

The flowers and kind words received by their many friends was only a faint expression of our appreciation of their wonderful talent.

John Welch returned to his home last Monday.

Misses Sudie J. Stuart and Maud Densmon of Durango are now visiting friends at the University.

The chief tower of the main building will soon be completed.

Misses Summers Hudson and Lela Nichols returned to their home at Anson Saturday.

Mr. B. M. Edwards returned Monday from a short visit at his home in Paradise.

Shave at the St. Charles Barber Shop.

Miss Mattie Young, of Benjamin, who has been visiting Miss Myra Bengé for the past few days, returned to her home.

Laird, the college barber, always gives satisfaction.

Mr. Elster M. Haile has accepted the call of the Manor Christian church.

T. C. U. baseball team played her last game of ball Thursday, May 25th.

Mr. Tom Gallaher has been visiting out of the city for the past few days.

Call once at the St. Charles Barber Shop and they will do your barber work for ever. You'll sure be pleased.

Prospects are more favorable this year than ever before for a winning football team this coming season. Most all the old men on last year's team will return to school on September.

See LeMay for our special on photos.—Thompson.

Examinations are now in progress. Tuesday will be the last recitation day.

The last social on Tuesday evening was made memorable by it being a rainy evening.

The Junior and Senior reception given by President Zollars on Friday evening was enjoyed to the fullest extent.

Quite a number of students have returned to their homes.

T. C. U. has at last received the long looked for pipe organ.

Entertainments are now being given daily in the chapel.

Did you ever take a bath—at the St. Charles Barber Shop?

Everybody is invited to attend the Granville Jones contest on Monday evening.

Mr. Brown, after several days visit at the University, returned Monday to his home in Graham.

Mr. W. O. Dallas, who won the State Prohibition contest, will go to Lincoln, Nebraska, as the delegate from Texas on June 20th.

President Zollars will preach the baccalaureate sermon Sunday morning in our chapel.

Messrs. Gordon B. Hall and Mart Gary Smith have been elected by the faculty as editor and business manager of The Skiff for the coming year.

Mr. Robert Williams has been chosen as business manager of the Collegian.

This issue will be the last issue of The Skiff that will be gotten out under the present management.

The Junior reception proved to be a joke on the Seniors.

Mr. Lewis Coffman visited his sister, Miss Bessie, on Tuesday.

Mr. Thedford left Wednesday night for his home at Throckmorton.

Miss Lee, of Seymour, is now visiting friends at the University.

Misses Bryant, of Rogers, have been visiting their brother for the past few days.

President Zollars returned Thursday evening from a three-days visit to Carlton College, Bonham. Carlton has been contemplating becoming a part of Texas Christian University.

Every one was elated over the thirty thousand dollars raised for Texas Christian University on Educational Day.

FOOTBALL.

Prospects Very Bright for the '05 Team.

Howell Knight, captain of the baseball team, gives the following report of the prospects of the '05 team:

Never before in the history of T. C. U. have the prospects been so bright for a winning football team. By turning defeat into victory and taking the Thanksgiving game from Baylor last fall football enthusiasm has been stimulated, and I feel sure the team will be loyally supported this fall by the students. Heretofore the team has had many difficulties and discouragements and consequently has not made a very good record as far as victories are concerned. We are going to follow up our baseball victories this fall with as many football victories, and the time has come when Baylor colors will trail the dust and she will see her finish this fall—defeat.

Jack Muse, a terror to Baylor and a wonder to A. & M., and the pride of all T. C. U. students, will be back.

Texas Christian University
WACO, TEXAS,

is the largest and most thoroughly equipped school belonging to the brotherhood in all the Southwest. More than 30 professors, teachers and officers are in charge of the various features of the school work. Last year there were enrolled as follows: College of Arts and Sciences, 102; College of the Bible, 37; College of Business, 110; College of Music, 127; College of Oratory, 39; College of Art, 108; Preparatory College, 188. The leading Universities and Conservatories of America and Europe are represented in the Faculty. Well equipped libraries, laboratories and studios are at the disposal of the students. A large number of the new upright pianos, three grand pianos, a pipe organ and a full set of band instruments constitute the musical equipment. No school has better pianos for practice purposes. We use largely the Starr and Knabe, which are supplemented by the Emerson, Ivers and Pond, and Chickering. Graduating pupils practice on Chickering and Knabe full concert grand pianos. The Church Parsons system of Kindergarten music is taught by a graduate of the system.

Muse is possibly the best tackler in football, will be here again. Wade the state. Martin, who has made himself famous as a center, will be with us again. Loy Wright, who has developed into a splendid guard, will play for his old position. Bonner Frizzell, who is possibly the grittiest man on the team, and who made some of our best runs last season, will probably be used behind the line this fall. Bloor, the best allround player and athlete on the team, will be back. Clyde Burnett, the 125-pound cowboy wonder, and famous as quarterback and end, will fourfoot Texas football players on the gridiron for us again. Guy Wood, the famous tackler of '03, and Stewart, the young giant who played guard so admirably the first part of last season, will both be on the gridiron in September. Chas. Ashmore, who has been a fixture on our team for the last three years, and who plays as clean football as any man that ever donned a moleskin, will be back. Obenchain, a man that has been valuable as a halfback for three years, will play for his old position. Harbour, who developed into a splendid half, will probably be back. Brayant and Cady, who played good

Shumate, who played on the '02 team, will probably be back. Geo. Wright famous as a full back and punter, will drive the pigskin for us again. Among the second team men who did good work last fall and that will be back are Copeland, Girrard, Wade, Lavender, Miller, White and Epperson. Among the new material are Shelby, Thedford and Jack Hill, and we expect much from them. It is very gratifying to know that most of the old men will be back and I predict a winning team and season for T. C. U.

The management of The Horned Frog earnestly desire that every one pay now for their annual. They must have the money on hand before the books can be gotten from the printers. Quite a sum has already been paid, but much more is due. Remember that the managers are at present very busy with getting out the books and would be gratified if those who owe would bring their money rather than have to be looked up. They request that everyone endeavor to pay up this week.

DUAL TRACK MEET.

The dual track meet was held between Baylor and T. C. U. on Baylor campus Saturday evening, May 20.

T. C. U. showed up well not to have any more practice. Capt. Smith had the boys under about two weeks training, and as Baylor had been under training ever since September, it is a wonder that our boys came off with any honors. Richard Swicegood wins first place in the half mile run; time, 2:26 2-5.

J. Muse and L. C. Wright win second and third places in throwing the sixteen-pound shot; distance, 31 1-2.

Tom Copeland wins second honors in the 120 yard high hurdle race; time, 21 seconds.

R. Muse wins second place in the one hundred yard dash; time, a little over ten seconds.

P. G. Burnett wins second place in the running broad jump; distance, 18.9 1-2 feet.

H. G. Knight wins second place in the half mile run; time, 5:42 1-2.

Low hurdle race, Roger Muse of T. C. U. wins third place.

Harrison Scales wins second place in the vaulting contest, height 8 feet.

On account of the short practice of the T. C. U. team, Baylor won very near all the points. We have the material if we will only begin next year in time to develop it. The boys should take more interest in this outdoor sport.

THE SKIFF

A WEEKLY NEWSPAPER: PUBLISHED UNDER THE AUSPICES OF THE STUDENT BODY AND ALUMNI OF TEXAS CHRISTIAN UNIVERSITY.

VOL. IV.

WACO, TEXAS, SEPTEMBER 9, 1905.

NUMBER 1.

WELCOME

To T. C. U., to Waco and to Waco's
Most Popular Store

We respectfully request you to call and see us. We have the right goods, we make the right prices and we will do everything to please you.

THE OPENING.

The thirty-second year of Texas Christian University opens with an outlook not anticipated in both number of students and enthusiasm. The enrollment, which began on Monday, is still progressing and promises to go far beyond that of previous years. Never has there been such an earnest and enthusiastic body of students in the University. Wednesday afternoon was the time appointed for the formal opening exercises. At two o'clock the auditorium was filled with a splendid concourse of students, visitors and friends. On the platform were members of the Faculty, and representatives of the city's business interests, and other prominent visitors. The welcome addresses from the several speakers were enjoyed very much by all present. They abounded in good cheer, and plainly showed that Texas Christian University has the sympathy of many of our most prominent men.

The program was opened by devotional exercises by President Zollars. Prof. Techau, the new piano director, and Prof. Dyksterhuis, the instructor of violin, then pleased the audience by their exceptionally brilliant playing. Addresses of welcome were then made by Mayor Baker, Congressman Henry, representing the city and Central Texas, followed by Mr. Robinson, editor of the Times-Herald, on behalf of the newspapers; Rev. Ingram, on behalf of the religious bodies; Mr. Hunter, on behalf of the Y. M. C. A.; Mr. Homer D. Wade, secretary of the Business Men's Club of Waco, and Mr. Sam Sanger delivered their message

of welcome as coming from the business men of the "Athens of Texas;" Mr. G. Lyle Smith and Mr. E. C. Boynton, representing the Christian churches at Waco and the University, made short talks. The "Bill Nye" of Waco, Capt. Davis, in his peculiarly characteristic manner, pleased the audience by his short but cheerful address.

The new teachers were introduced by President Zollars and short talks were made by some of them.

After these addresses President Zollars expressed his thanks for the cooperation and sympathy which had been extended to the University by the citizens of Waco. His praise of them was of the highest order. He spoke at length of the bright future of Texas, which aroused the loyalty of every Texan.

Withal, the occasion was a most happy one, abounding in good cheer and fellowship, a good beginning and premonition of a grander ending.

THE TEACHERS.

There are several new teachers in our midst this year. They have made an impression on the student body as a result of their enthusiasm and earnestness. The Skiff is glad to welcome them and wish that great success may crown their labors among us.

Prof. A. C. Elliott comes to the institution from Gatesville, where he was superintendent of Schools. He succeeds Prof. D. A. Leak to a chair in the Preparatory Department. Prof. S. H. Horne, who takes the place of Prof. Lee Clark in the Preparatory Department,

has been engaged in school work for a number of years, the last place being at Plano. He was graduated from the National Normal of Illinois, and has since been in the University of Texas pursuing a course in history and science. He was a member of the Board of Examiners under Superintendent Cousins this summer. This Department should be congratulated upon securing the services of these strongly qualified teachers. Polk C. Webb, '04, needs no introduction, as it is useless to say that he has the confidence and esteem of the student body. He succeeds Miss Schaper in the Primary Department. Miss Tyler Wilkinson, who has assistant to Mrs. Taliaferro last year, has shown by the manner in which she has taken charge of her duties, that she will fill the position of Lady Principal with exceptional ability. Her assistant, Mrs. Ida Stuart, likewise possesses the qualification necessary for such a position. Mrs. Riggs, who comes from Kentucky, has proven herself to be an ideal dining room matron. Her congenial and hospitable manners have won for her the highest esteem of the student body.

Professors McCulley, Marshall and Hamner, and President Zollars have spent a great part of the summer in the North and West, and returned with a store of Dr. Pepper's vim, vigor and vitality. Prof. Kori spent the summer attending the Summer School of the University of Chicago. Prof. Ross has been at his home in Oklahoma City. On account of his task of rocking the future President, he did not succeed in securing much rest. Mrs. Gibbons enjoyed a delightful vacation in the Blue Grass. Professors Snow, Parks and Dacus remained at the Summer School. For the most part of the vacation Prof. Eskridge was occupied in conducting meetings in different parts of the State.

The Department of Music has been greatly strengthened since securing the services of Prof. Tehau, who has made a reputation seldom equalled in this part of the country by his exceptionally fine piano playing. Prof. Techau, although having spent the last fourteen years in studying and teaching in Germany, is a native of San Francisco. He comes direct to the University from Germany with latest methods used in his department. Prof. Dyksterhuis spent his vacation in Germany and Belgium. His reputation as an instructor in the violin department of rare ability is well known. Miss Smith has been pursuing a course of study under Sherwood in New York and also at the Lake Chautauqua. Miss Smith Ward was also in New York studying under direction of Edmund J. Meyer, and A. Y. Cornell. She remained at her home in Fayette, Mo., for a short time before returning to the University.

The faculty as a whole, report having spent a most pleasant vacation, and have returned with renewed strength in their various lines of work. Prof. Anderson and Mr. Douglass Shirley have only to report that there is no rest for the wicked.

Improvements.

The completion of the work on the exterior of the building, lends much to its beauty. The work on the portico and towers was begun before the end of last session and furnished during

the summer. Appreciative words, to the donors, the citizens of Waco, are spoken by everyone, who return delighted with this improvement.

Many changes have been made in the recitation rooms that are of great benefit to all. Several student's rooms have been made into recitation rooms, for the enlargement of the Preparatory department. The college of Business has been greatly enlarged until now it presents an appearance equal to any in the state. It is large, cool and the desks and offices are well arranged.

The bookstore has been moved and is now connected with the Treasurer's office. It will be managed by Messrs. Shirley and Clark. The office of the Registrar, Miss M. Knight Miller presents a neat and inviting appearance. It occupies the room made vacant by the removal of the Primary Department. President Zollars' private office is in the room which the book-store occupied last year. The room with its new fixtures and furniture is pleasant to gaze upon.

A number of rooms in the Girl's Home and Townsend Hall have been papered and refitted. The large parlor has been clothed in a coat of rich wallpaper and a soft and ticklish carpet.

Located as she is, on an elevation, overlooking the city of Waco, three miles distant, with all the advantages to be gained by that fact, with all the new improvements and equipments that she possesses, with such a loyal and earnest body of students, whose watchword is purity and cleanliness, Texas Christian University rivals any of the first-class institutions in the Southwest.

Miss Siegel, our efficient teacher in the Art Department is in the North enjoying a vacation on the Lakes. While there she is taking advantage of her surroundings by studying in the line of her profession. She will return to the university in about two weeks.

Texas Christian University Band.

The military band which we prized so much last session has commenced its work in a manner that allows the Skiff to predict something to be derived from that source that will be an honor to Texas Christian University. Prof. Chas. V. Kirkpatrick, the capable director of the band, merits the highest praise for his excellent leadership of the band last year in placing it on so high a plane. This year it starts out with a promise of an increased number of members over that of last year. Taking into consideration the rapid progress made by the band last year we should feel confident of reaching near to the height of perfection before the session ends. Prof. Kirkpatrick accepted the position of band director in November, 1904. Under his direction the band was developed in instrumentation and efficiency far beyond the expectation of the director or anyone concerned. More than forty members were enrolled during the year. He has taken, during the vacation months, a very complete course in military band work with Professor J. D. Llewellyn, of Chicago, first cornetist, in Theodore Thomas's Orchestra. With this advanced course, he is more able to carry the work forth to the highest degree of proficiency.

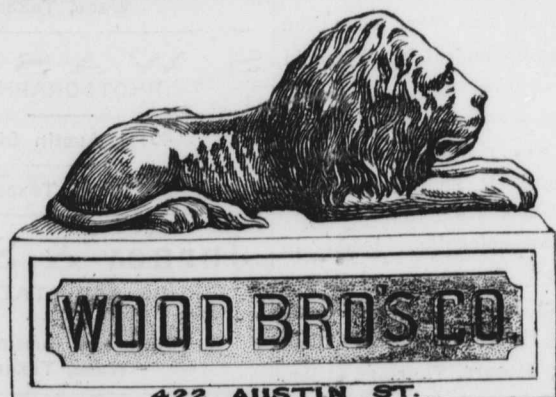

The student body as a whole should encourage the band and assist them to attain a place at the top in this department of music which, as shown by their earnest efforts, is the goal for which they are fastly climbing.

The Ministerial Association.

This organization will meet next Friday at 7:30 p. m. All preachers are invited to be present. We will meet in Dr. Marshall's room on the first floor.

The purpose of this society is to bring each preacher into closer fellowship with his fellow-man, and let his life radiate an influence for spiritual development in our university.

C. A. THORPE, President.

DUAL TRACK MEET.

The dual track meet was held between Baylor and T. C. U. on Baylor campus Saturday evening, May 20.

T. C. U. showed up well not to have any more practice. Capt. Smith had the boys under about two weeks training, and as Baylor had been under training ever since September, it is a wonder that our boys came off with any honors. Richard Swicegood wins first place in the half mile run; time, 2:26 2-5.

J. Muse and L. C. Wright win second and third places in throwing the sixteen-pound shot; distance, 31 1-2.

Tom Copeland wins second honors in the 120 yard high hurdle race; time, 21 seconds.

R. Muse wins second place in the one hundred yard dash; time, a little over ten seconds.

P. G. Burnett wins second place in the running broad jump; distance, 18.9 1-2 feet.

H. G. Knight wins second place in the half mile run; time, 5:42 1-2.

Low hurdle race, Roger Muse of T. C. U. wins third place.

Harrison Scales wins second place in the vaulting contest, height 8 feet.

On account of the short practice of the T. C. U. team, Baylor won very near all the points. We have the material if we will only begin next year in time to develop it. The boys should take more interest in this outdoor sport.
