VARSITY SHUTS OUT BAYLOR.

In Fast Game Monday Afternoon—The
Score 5 to 0.

In the first game of the season with the local rivals, Varsity rolled up five to a goose-egg. The game was played Monday at Katy Park before a large crowd of students from each university and a good number of Wacoites. The game was virtually a battle royal between the pitchers, Burnett coming out in the lead with less hits. Cole pitched a clean game and deserved much credit. Each man has ten strike-outs to his credit, and a number of assists by good fielding of position. Cole's work merited much better support than he received. Baylor's teamwork was ragged and erratic at times, several costly errors letting in runs against them.

On the other hand, T. C. U.'s teamwork was fast and snappy; good support was given Burnett in every stage of the game, only one error being made. No individual player starred, but consistent work by each one together marked the game throughout. Carnes and Bush led in hitting; Carnes' single in a pinch was a feature for T.C.U., causing easier breathing among the purple and white occupants of the bleachers.

The first inning starts off with a strike-out by Clark and a fly by Gallaher to McKay. Bush singles and Moulden retires the side by a fly to Buster, who makes a pretty run for it.

One assist by Clark and two put-outs by Procter set Baylor down the first time.

In the second T. C. U. made fine headway at first, getting the bases full. It looked like Cole was going to pull himself out of a bad hole, but a costly error by Byrd in center allowed scores by Kinnard and Procter. Baylor was retired by Wiley's and Byrd's strike-outs and an assist by Burnett.

Bush singles in the third, is advanced by Moulden's free passage, but is out on fielders choice on Kinnard's ball. Procter gets to first on Wilkerson's error, advancing Moulden. Carnes gets in a splendid pinch hit, scoring Moulden and Kinnard, and after Procter is caught out on second, steals, but Shirley is out to Wilkerson, retiring the side. Three strike-outs account for Baylor in this inning. T. C. U. is put out quickly in the

next. Baylor on a single gets the first glimpse of first base, but is doomed to remain there.

Moulden's single in the fifth followed by a steal and advancements on fielder's choice and Procter's fly scores him. Byrd gets a single for Baylor but is out from Moulden to Shirley, being caught off the base.

Two strike-outs and an assist retires T. C. U. in the next. Baylor fares better, getting the first and only man to second after singles by Wilkerson and Womble. Third base was foreign land to Baylor, no one getting a look at it in the game.

Gallaher singles in the seventh, but gets no farther than second. Moulden and Kinnard are out to infield and Bush fans. For Baylor, Byrd gets to first on Kinnard's error, but is forced out at second by Newton's infield ball. Newton on attempted steal to second is out by Moulden's throw. Punchard goes to first on Clark's wild throw, but side is retired by McKay.

T. C. U. is retired after Procter's out to Cole and foul fly by Shirley and Burnett, both caught by Punchard. Carnes singles but remains on first. Cole is out from Kinnard and Womble and Wilkerson strike out for Baylor.

In the ninth Clark, after an error by Newton and a steal to second, attempts a steal in home, but is out after a splendid run and slide. Kinnard's two assists and Byrd's strike-out ends the game.

MISS CLAUDIA PAGE'S RECITAL.

Wednesday, April 18—Great Musical Event of City.

Miss Claudia Page, T. C. U.'s gifted young violinist, will give a concert in the T. C. U. Auditorium Wednesday evening. This announcement will please the many admirers of this artist in the university and in the city, as she has always had the unrivalled reputation of a most superior entertainer.

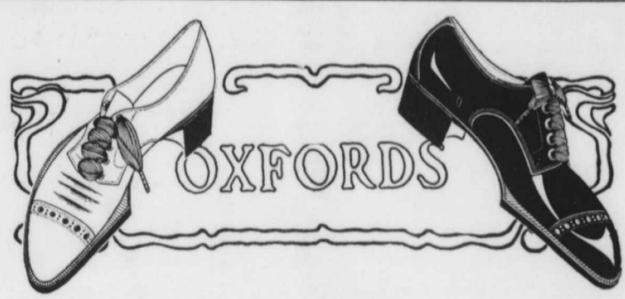

This will doubtless be considered the musical event of T. C. U. and of Waco, as well, when we reflect that the performer is only 13 years of age and without question the most gifted violinist of her age in the union. Her performance is the playing of no mere child, but that of a mature artist. Her phrasing, temperament and interpretation stamp her as such, her bowing is full of care and grace and her technic is astounding with these combined qualities. An entertainment of the highest grade will be afforded to her admirers on this coming performance as unusual preparation has been made for its excellency. The program is as follows:

- Sonata—Haendel.
- Fantairie de Ballet—DeBeriot.
- Caratine—J. Raff.
- Serenade—Kolling.
- Fourth Symphonie—Danila.
- Schlaf mein kind—Bohm.
- Orioso—Haendel.
- Mashka—Hauser.
- Simple Oven—Langer.
- Cadenza from 22d Concerto—Viotti.
- Spanish Dance—Sarasate.

Chapel Talks.

The student body has been fortunate in having the opportunity of hearing two splendid chapel addresses this week. For the third time in the past three weeks, Rev. Homer T. Wilson favored us with a short address Thursday afternoon. He has increased his popularity as a pleasing and instructive entertainer upon every visit and every student desires that he will visit Chapel again before departing from the city.

On Wednesday afternoon the National president of the Prohibition League, Mr. Calvin was the speaker. He delivered a helpful address along prohibition lines which was well received by the students. A deeper interest was manifestly taken in the work of the local Prohibition League after hearing this speech and better results are expected because of his coming to T. C. U.

DR. THOS. E. GREEN'S LECTURE.

Interesting and Instructive Lecture on
Monday Evening.

The last number of the Y. M. C. A. star course in the form of a lecture by Dr. Thos. E. Green proved to be one of the very best features of the entire season's course.

The speaker's theme was the "Key to the Twentieth Century." It was well delivered and pronounced by the audience as very interesting and instructive. He laid the foundation of his lecture on a condensed history of the nations, finally drawing up to the time when America assumed the supremacy among the civilized countries. In his remarks upon America Dr. Green was undoubtedly at his best. He pictured the Union in its true greatness, illustrating its great development and the influence of its broad possibilities. He declared that America was destined to lead the world and when in the march of civilization she took the leadership it was truly placed in the predestined place.

Dr. Green won many admirers in Waco and a return of this eloquent and interesting lecturer will be applauded with delight.

T. C. U. SUMMER SESSION.

Begins June 11, Ends July 21—Faculty Chosen.

The Skiff was in error last week when it announced that the T. C. U. Summer School would not continue this summer but that it would be supplanted by the Teacher's Normal to be held at the University. The summer term will be conducted as heretofore beginning on June 11, and continuing to July 21.

A formal announcement of the session will be made at an early date. The faculty as selected will consist of Prof. E. C. Snow, Prof. B. McCulley, Prof. W. B. Parks, and Prof. J. A. Dacus. Miss Harriet Smith will give a Kindergarten course in the musical normal.

VARSITY SUFFERS DEFEAT FROM AUSTIN COLLEGE.

Game a Hotly Contested One—Wild Throws Lose Game.

The strong aggregation of Austin College players came up to Waco Wednesday under the chaperonage of "Prof." Cy Mulkey and administered a defeat to Varsity by the close score of 3 to 2. Wild throws by both teams permitted the scores. Barring these costly errors the game was fast and closely contested.

Neither side was able to bunch hits effectively or secure telling ones.

The elements favored the game, the day being an ideal one for baseball but Dame B. B. Fortune did not present herself to Varsity.

The crowd was large considering that there was only one school in the main, from which to draw. Some good yelling was done by the T. C. U. supporters, but none deserves the praise that should be accorded the girls who were up and doing thro thick and thin.

Procter, unaccustomed to working on the rubber, did not have sufficient control, allowed frequent walks and made one costly wild throw. Otherwise, he pitched a good game after he settled down to steady work, allowing only scattered hits and getting many strike-outs. When it is considered that Procter battled one of the strongest teams in the state, and that he is unexperienced in slab work, he did remarkably well.

The team work supporting him was always fast and snappy. No fault can be found from that source. The inability to bunch hits on Fulton is the true secret of Austin College's success.

Fulton, although allowing Varsity to find the ball, kept an enchantment on it that suffered it to stay within reach of his fine support. The teamwork behind him was very good and at times remarkably fast. A swift double play is credited to them. Morrell shot several beauties across from third; Bell's wing was always true to second, Lang, in center made several

The Texas State Oratorical Contest for 1906 takes place at Georgetown under the auspices of the Southwestern University Oratorical Association on next Friday, April 20. Orators from Austin College, Baylor University, Fort Worth University, Trinity University, Georgetown University, and Texas Christian University will compete for honors, the winner, besides receiving a handsome sum to enter the Southern Oratorical Contest as the Texas representative. Each orator will be accompanied to Georgetown by a strong delegation to support him in the contest. Some time ago Mr. W. O. Dallas won the preliminary contest in T. C. U., which awarded him the honor to represent this University in the state contest. This preliminary was considered the best ever held at T. C. U. The interest and spirit shown in it bespoke a good showing in the more important meet next week.

The question now presents itself to every loyal student of T. C. U.—do you intend to allow that interest and spirit to die or will you kindle it afresh and send Dallas to Georgetown with a representation that will support him in the contest, as well as make a creditable showing for our alma mater. It is now left to you—will T. C. U. be in the foremost ranks at Georgetown with a large delegation of backers to encourage and support our speaker or will she be represented by a speaker and the two appointed delegates and scarcely he heard from as far as support is concerned? Will or will not the purple and white be forsaken?

A revival of the school city government has taken place and all reckless and disobedient citizens are being looked after and made to suffer for the acts committed contrary to the law. This interest waned in the municipality for a short time but it is now being demonstrated that the law must be strictly obeyed. The undertaking altogether has been a decided movement for better discipline and the school should be congratulated upon its progressive spirit in this line.

Austin College has the advantage over us by not given us a return game. It is nothing but right that we should have another game with our victors before the close of the season. We will be satisfied if they can repeat their work of Wednesday, but not until then. Can it not be arranged to play another game this season?

Varsity has played four inter-collegiate games this season and suffered only one defeat. Two games are scheduled for Friday and Saturday to be played at Waco, after which Varsity will play a majority of the games on the list away from home. We must count on Varsity's power alone to come out victorious when visitors, but a part of the work remains for the students to do when the team is playing at home. We must help Varsity win the balance of our games at home. The chances are with us and with the proper support of the entire student body, T. C. U. will be a formidable rival for the state championship again this year.

Austin College has made a record unsurpassed by any team in the state so far and if her spurt is not checked the boys from Sherman will have an easy thing of the championship. It therefore behooves every man of T. C. U. to back Varsity and win the remainder of the games of the season and make our record as good as our previous ones.

Mr. Andrew Carnegie not ridding himself of his millions fast enough to please himself has lately undertaken a novel plan by which he hopes to expend more of it in a manner helpful to all English speaking people. Mr. Carnegie is energetically putting forth efforts to simplify the world's orthography. The critics are spending much time and space in a perusal of the millionaire's movement to simplify spelling. Whether it will be a successful work or not a completion of the spelling board will only suffice to tell. However excellent the difficulties in spelling may be mastered, the "fonetic" system, if it comes into general use will doubtless be treated cruelly at first even by advanced scholars. It is usually easier to learn a new system than to unlearn an old one.

The Carnegie spelling board has been in almost continuous session for some time and has lately issued its second circular demonstrating the changes wished to be brought about. Following is a list of the classes into which fall the words, whose orthography the board wants to change.

1. Words spelled with ae, ae (diphthong) or e. Rule: Choose e. Ex.: Anesthetic, esthetic, medieval, etc.

2. Words spelled with -dgement or -dgment. Rule: Omit e. Ex.: Abridgment, acknowledgment, judgment, lodgment.

4. Words spelled with -ence or -ense (Latin -ens-a). Choose -ense. Ex.: Defonse, offense, pretense.

5. Words spelled with -ette or -et. Rule: Omit -te. Ex.: Coquet, epaulet, etiquet, omelet, etc.

6. Words spelled with gh or f. Rule: Choose f. Ex.: Draft.

7. Words spelled with -gh or without. (1) -ough or -ow. Rule: Choose ow. Ex.: Plow (2) -ough or -o. Rule: Choose -o. Ex.: Altho (Bunyan), tho (Bunyan), thoro, -boro (in place names).

A Frigorifical Excuse.

The world looks dark and dull today,
I have a cold;

The air is chill, the skies are gray,
I have a cold;

The outlook's dismal, shivery, drear,
The future promises no cheer,

There's no more joy in life, I fear,
I have a cold;

My friends all say that I am cross,
I have a cold;

If I should die 'twould be no loss,
I have a cold;

No single part of me feels right,
I've lost my usual appetite,

I'm almost cross enough to bite,
I have a cold;

Don't tell me anything to take!
I have a cold;

Let me alone, for Heaven's sake!
I have a cold!

I want no friends—my sole desire
Is just to sit here by the fire.

I'm looking better? YOU'RE A LIAR!

pretty runs for long flies with success.

The game was started with a rush by Varsity and when the cloud had blown away from a couple of wild throws by A. C. two scores were marked up to T. C. U. Errors by Merrill and Evans following a single account for these runs.

In the second Austin College ties the score after two free transportations to first and singles by Nesbitt and Bell. The winning score is made in the next inning on a wild throw by Procter to third. The remainder of the game passed without many men on bases, neither side allowing a score. The 1-2-3 order prevailed almost regularly.

Burnett secured a pretty double in the seventh but was compelled to stay on second. Gallaher's hits were the most frequent of the game but he could get no advancement.

Varsity Defeats Farmers.

Best Game of Season—Pitcher's Battle Ends 3 to 1.

In the best and most exciting game that Varsity has played for several seasons A. and M. was defeated yesterday by a score of 3 to 1. It was a pitcher's battle from beginning to end. T. C. U. tied the score in the ninth and won the game in the eleventh.

The "Farmers" had been "saving up" for Varsity. Smith, the renowned, had been preserved in alcohol for several weeks to defeat T. C. U. with his great twirling powers. That he would not have failed in his purpose had he received good support is a well known fact. He pitched a remarkable game, but in the eleventh a walk and a pass ball ended his spurt. What few chances the team had to support him were not accepted frequently which ultimately caused the defeat of the Farmers.

Burnett swelled his previous good reputation by phenomenal work in the box. Altho' not having so many strike-outs to his credit he suffered only scattered hits and allowed no free passages of any calibre. Excepting the seventh innig when Varsity made several dumb plays, his support was excellent. Every man was in the game all of the time and stayed there until the last of the eleventh.

The first six innings were played in apple pie order, but few men reaching bases and strike-outs frequent. Hackney for A. and M. got as far as second in the second after his single, but was forced to remain there. Burnett singles in the third but gets no farther than first. Hackney gets on base again in the fourth on Kinnard's error but stays at the initial sack. In the fifth Carnes takes first on Kelley's error, but gets out on attempted steal to second. The same play is made by T. C. U. Williams gets to first on Bush's wild throw but is out on attempted steal to second from Moulden to Kinnard. Clark singles in the sixth to no purpose. Huff dittoes. T. C.

U. almost scores in the seventh. Moulden singles and steals to third but on Kinnard's bunt to Kelley is out in home. This was one of the prettiest pieces of work in the game.

T. C. U. makes a bunch of errors in the seventh and A. and M. scores. Clark's error allows Wessendorf to take first; Beverly gets fielder's choice but Wessendorf gets second on Kinnard's error. Penner follows on Bush's error and Williams on Gallaher's error, which scores Wessendorf. T. C. U. is retired quickly.

In the eighth A. and M. can do nothing after two singles. T. C. U. in the next ties the score. Gallaher who is hit by ball, advances to third on Bush's single and scores on a pass ball. Then the intense excitement begins.

Both sides are set down in quick order in the tenth. In the next, however, T. C. U. gets in its running work and cinches the game. Clark gets to first on Penner's error, steals second, and takes third on Bush's out. Smith is afraid of Moulden and gladly give him a free pass. Kinnard puts a pretty line drive through Williams on second, letting Clark and Moulden score. A. and M. is retired by put-outs by Procter and Gallaher and an assist by Kinnard.

The Revival.

The revival is continuing at the Central Christian Church with zeal unabated. Large crowds are nightly in attendance and are more than ever pleased with the strong discourses of Rev. Wilson. On account of limited accommodations at the church the Sunday evening services will be held at the Auditorium. Rev. Wilson will deliver one of his strongest sermons and special music has been arranged for the occasion.

Inter-Collegiate Baseball Results.

Trinity increased her percentage by taking two games from A. and M. at Waxahachie this week. The scores were 7 to 5, and 6 to 0. Austin College defeated A. and M.

To the Incoming Staff of the Collegian, Skiff and Horned Frog:

We have endeavored to serve the outgoing Staff of these Journals faithfully and promptly in printing the publications of Texas Christian University. We have purchased much new material for these journals, and believe we have been successful in delivering the best looking papers in the South (so we are informed by those in charge of the publications.) We will be still better equipped by next season. At the present writing there is no office in Waco which can duplicate the class of work we are turning out, so don't waste your time hunting a cheap printer, but come to see us and make your contracts before you leave for home, and then be ready for business when schools opens up in September.

at Sherman Monday by a score of 3 to 1.

A. and M. won a 3 to 0 game from Polytechnic this week.

Austin College kept its winning streak intact Wednesday by its victory over T. C. U. Eight games have been played by that team and no loss has been met yet. The Sherman boys look formidable rivals for the championship of '06.

Trinity took a double-header from Baylor Friday and Saturday.
