T. C. U. Defeats Baylor

Varsity Thoroughly Wallops Her Old Rival on Carroll Field Saturday. Score Nine to Nothing.

Saturday afternoon before a thousand students and a host of supporters for both sides, T. C. U. defeated Baylor in their first game of the year with a score of 9 to 0. Baylor's sure hope of victory as exemplified in her much display and boasting before the game was doomed to sad disappointment when the referee called time out in the last half. At the end of the game T. C. U. believed right jubilantly that she had a good team, worthy of any foe. Baylor left the field with considerable doubt about her team. The game had been anticipated with great interest by both colleges and the townspeople, and much excitement prevailed when the purple and the white came away with a great victory perched upon their shoulders. The stars for T. C. U. were Baldwin, Rattan and Thomas, while for Baylor Fouts, Robertson and Grissom did all that was at all commendable for the opponents. With the exception of one time Baylor was never able to make any gains worth counting. At this time they were able thru the efforts of several successive downs to get within four feet of the coveted goal but were unable to make the goal at three downs. The most wonderful holding ever exhibited anywhere was when T. C. U. held them for three downs with only the goal to be made. For T. C. U.

Fields, Daniels were especially good in gains thru the line. Baylor did her best work on forward passes. Thomas at quarter handled the team with remarkable skill and showed Baylor just what she had witnessed in him before. His punting was excellent and his return of 40 yards was one of the features of the game. Rattan at end was fast in going down on punts and made some excellent tackles. Also his run of 30 yards was one of the best gains made by T. C. U. Baldwin at end was the brilliant star of the day in receiving punts and forward passes, going down each time for good gains. Baldwin's catch of Baylor's inside kick and going down 65 yards for the brilliant touch down was the feature of the whole game. Fields was the greatest tackle of the day, never failing to make good gains when he was called on. Massey at center played with his usual fine ability and had it not been for the wind would have added three more scores to the list already accumulated. His place goal kick made the first score for T. C. U. Tyson and Mullican played good game. Pete Wright thruout the whole game was closely watched and guarded by Baylor men because they knew him of old and despite their careful watching he was able to make good gains at times.

The Day at Hillsboro

Bussey, walking out from breakfast to the square: "Is that Crow Bros. laundry?"

A Bystander: "No, sir; that is the county court house."

It was 10 o'clock. "Dorie" Hulsey was in an auto. A horse became frightened. "Dorie" leaps out to the rescue. Stops horse. Relieves fears of driver, a lady. A few moments later the lady showers her thanks upon him in profusion. He blushes; bows. Dorie says he is a life preserver, and not a coquette.

Hulsey on the way to the train: "Bateman, I don't see what makes Riter and Zachary hurry so fast. I can hardly walk."

Leron Gough at Mr. Zachary's after

supper, says, "Well, I am sorry to be forced to leave such good company, but I promised Dr. Gough (?) that I would come by and see him before train time."

Gough rushes into the station: "Where is the fellow that phoned me that the train left at 9 o'clock? I want to set them up to him. And I want to know what 'bone-heads' gave nine rahs for me last night? I wasn't there. I was four blocks away at Dr. Gough's." ? ? ? ?

Extracts from Battalion

"For fifty minutes the A. & M. and Texas Christian University teams bucked and kicked in a fruitless attempt to cross the winning line."

"On the whole the ball was played on mutual grounds."

"For the visitors the team work was the feature. The stars were Baldwin, Thomas and Rattan—each of these showing up well in tackling and swiftness of work."

"Tell me not in cheerful accents School is but a place for fun,
For the one is flunked who idles
And his grades are never won.

"College life is real and earnest,
But the grades are not the goal,
Nor to skin thru every lesson
And receive at last a roll."

Then let us be up and studying,
With a lesson for every day
Never kicking, never flunking
With the sunshine making hay.

"Father calls me William,
Sister calls me Will,
Mother calls me Willie,
But the fellers call me Bill."

Who wrote it? The lines have for a long time been attributed to the poet with a three-story name, James Whitcomb Riley, but there comes one now and denies that the above poet was the author of the lines. They should be attributed to the late loved "Poet Laureate" of the children, Eugene Field. What boots it anyway? The fellers will still call him Bill.

A paper called the Baker says that the people of Siberia buy their milk frozen, and for convenience it is allowed to freeze about a stick, which forms a handle to carry it by. The milkman leaves one chunk or two as the case may be at the homes of his customers. The children of Siberia do not cry for a drink of milk, but for a bite of milk. The people do not say to their children "do not spill the milk," but they say "do not break the milk."

What a pity that Mike could not invent a system whereby he might freeze the milk and we poor children of T. C. U. could cry to the economical cooks "give me a bite of milk" and we would get a bite of the delicious aforesaid and the same without having to drink three pints of artesian water to get one drop of milk.

For the Magnetic Survey

The Carnegie Institution of Washington has awarded a contract for the construction of a craft for the magnetic survey. She is to be constructed without the use of iron or steel or any other magnetic metal. The purpose of the institution is to make with her an accurate magnetic study of all the oceans. The propelling engines, machinery, and other parts of metal of the craft will be chiefly bronze. Manganese metal and gun metal will also be employed. Every bolt, nail, bar and brace in the vessel will be of this material. All the machinery will be of bronze, and the anchors as well, but there is yet some doubt as to whether the crank shaft of the engine can be constructed of that material.—Scientific American.

I will be glad To C. U. at any time.
Thompson, the Photographer.

Foreign Comment

Chas. W. Morse, who was sentenced last November to fifteen years penal servitude, was released from Bail last July and since his release has acquired \$7,500,000. He has made thru business channels this amount. During his three and a half months of freedom he has cancelled all his past indebtedness. In 1907 he was worth \$18,000,000 and was known as a "wizard of finance."

Dr. Frederick A. Cook was given a great reception by the authorities of the District of Columbia.

The G. & C. Marriam Company of Springfield, Mass., have just issued Webster's New International Dictionary, based on the International of 1890 and 1900. The revision has been so radical and complete as to constitute a new book. The work has been in active preparation for many years, by a large staff of experts, assisted by the contributions of eminent specialists, under the general supervision of Dr. W. T. Harris, recent U. S. Commissioner of Education. The number of words and phrases defined has been greatly increased, mainly from the fresh coinage of recent years both in popular speech and in the various arts and sciences. The revival of early English studies is recognized by such an inclusion of obsolete words as to give a key to English literature from its earliest period. The title-words in the vocabulary are more than doubled in comparison with the old International, now exceeding 400,000. The number of illustrations is increased to over 6000. The book contains more than 2700 pages. But the publishers desire to emphasize the quality rather than the quantity of the work, calling attention especially to the thorough scholarship in all departments and the fullness of information under important titles. By ingenious methods of typography and arrangement, the increased amount of matter is contained within a single volume, not perceptibly larger than its predecessor, and no less convenient for the hand and eye.

Resolutions of Respect

Resolved
Whereas, we, the Sophomore Class of Texas Christian University, having lost one of our strongest and best members, Mary Wilson, and

Whereas, she had worked faithfully in order to be with us in the class of '12.

We feel our loss deeply, and wish to extend to the bereaved mother and loved ones our heartfelt sympathy.

Signed: SOPHOMORE CLASS.

Resolutions of the Clark Society
For when the morn came dim and sad And chill with early showers Her quiet eyelids closed; She had another morn than ours.

Whereas, Mary Wilson, one of the most faithful and devoted members of the Clark Literary Society, has been taken from us in the flower of her youth.

We the members of the Clark Literary Society do extend to the bereaved mother and family our deepest sympathy and love.

And be it resolved, furthermore, that a copy of these resolutions be sent to The Skiff, and to the bereaved family.

Signed: THE CLARK LITERARY SOCIETY.

Oratory Notes
Miss Jeffie Britton, oratory 09, will appear in a recital at Hewitt Friday, 22nd. The occasion being a literary recital given by a Literary Club of that place

Miss Louise Baker has re-entered the department of oratory.

Miss Ethel Webb has renewed her oratory work. She assisted her brother in the evangelistic field during the summer.

Mr. Roy Tomlinson and Grady Twyman are doing special work in this department, preparing for the Add-Ran-Shirley Contest which will take place soon.

Miss Evelyn Cruzan has enrolled in this department.

Miss Stella Smytham will read at the annual reception of Library Club at Walnut Springs Friday, 21st.

Prof. Egbert R. Cockrell made a few remarks in chapel Thursday morning concerning Literary Society work which were freighted with good advice. "Every student," he said, "should engage in society work." Four literary societies in the school, all of them first class, do not have on their rolls an aggregate of one-fifth of the student body. Think about this, student, and take the first opportunity to join one of these flourishing societies.

Mortuary
Miss Mary Wilson, a dearly beloved student in the University, died Monday, October 1, at the Sanitarium to which place she had been moved during her illness. Miss Wilson was a favorite in school and numbered every one as her friend. Funeral services were held at 1611 Herring avenue. Memorial services were held one hour later in the chapel of T. C. U. by Rev. W. B. Parks and Dr. J. B. Eskridge.

Feast
Wednesday evening a few boys were called into the room of Mr. Bateman just as the lights were expiring and by him treated to a magnificent feast. It consisted of fried chicken, boiled ham, cakes, and other things almost forgotten in a school boy's vocabulary. Those present at the invitation of their genial host were Messrs. Hall, Abernathy, Hackney, Wise, McCormick, Hulsey, McFarland, Baldwin, Riter, Duke, Beal and Ferguson.

Prof. Kinsey: What is the difference between the soul and mind?
Mr. Pyburn: The soul is on the foot, and the mind is in the head.

Prof. Kinsey: What is character?
Mr. Pyburn: It is what we fool people with.

MISTROT'S

The Record On Poe

In Horace Greeley's "Recollections of a Busy Life," he says:

"A gushing youth once wrote me to this effect: Dear Sir: Among your literary treasures, you have doubtless preserved several autographs of our country's late lamented poet, Edgar Allan Poe. If so, and you can spare one, please enclose in to me and receive the thanks of yours truly."

I promptly responded as follows: "Dear Sir: Among my literary treasures, there happens to be exactly one autograph of our country's late lamented poet, Edgar A. Poe. It is his note of hand for fifty dollars with my endorsement across the back. It cost me exactly \$50.75 (including profit), and you may have it for half that amount. Yours respectfully."

"That autograph, I regret to say, remains on my hands and is still for sale at first cost despite the lapse of time and the depreciation of currency."

Bertram H. Bloor, '09

Bertram H. Bloor of the class of '09 was a welcome visitor at the University Saturday and Sunday. He came down to see the game between Baylor and T. C. U. He said that he had not missed a game of this kind in four years and we know it to be a fact for we have watched him in many a game. play full back on Varsity and help wallow old Baylor in the sand. He played on Varsity for four years. Bloor was not only a hero on the gridiron but was prominent in all other phases of college life. He was a strong debated and orator, representing his society well in many contests. He held his membership with the great old Add-Ran Literary Society and was an efficient member. During his Senior year he was business manager and associate editor of the Horned Frog, editor-in-chief of the Collegian and class historian. Many other honors were bestowed upon him on account of his worthiness and faithfulness to any trust. Come again, Bertram, you will always find a welcome.

Second Team vs. Culberson Select School

Last Monday morning the second team journeyed to Hillsboro to play Culberson Select School a game of football and in the act piled up a score of 16 to 6 against the Select School. It was the first trip for the second team and was attended with so few mishaps and with such great success that it is hoped that the faculty will see fit to allow them to journey more in search of scalps. The game was full of interest and well played from start to finish. The second team showed superior training and coaching. The Culberson team, having a big name, that of a famous senator, yet were with it all unable to make anything off of the T. C. U. team. The ablest part of the Culberson team lay in their individual players and not in successful team work. Nearly all the gains were made by a few individual players, such as Cox, Wright and Herring. Sweeney made an onside kick from T. C. U. and going 55 yards for a touchdown.

For the second team Swink played a matchless game at full, making for his share two touchdowns. Riter at quarter played a cool, level-headed game and inspired the team with confidence as led the headwork. McCormick and Churchill made decided gains on forward passes. T. C. U. started off rather slow and after exchange of punts Culberson was able to carry the ball within ten yards of the goal but were held for downs. The ball going over was advanced rapidly down the field by end runs and forward passes beworked with skill and precision and from the five yard line was bucked over by Swink. Swink then failed to kick goal.

Culberson kicked off to T. C. U. who advanced the ball to 55 yard line where Riter tried an outside kick but was blocked, Upchurch for Culberson getting the ball and going the 55 yards for a touchdown.

In the second half T. C. U. bucked considerably and after a few minutes of play was able to place the pigskin within ten yards of Culberson's goal, from which point Riter made a touchdown on an end run. Swink failed to kick goal. Culberson, at this point, began to weaken and after good gains by Tomlinson, Gough and Cartwright on end runs and Churchill and McCormick on forward passes, T. C. U. advanced to Culberson's two yard line, from which point Swink went over for a touchdown. Tomlinson kicked goal. In a few minutes time was called with T. C. U. in possession of the ball on Culberson's thirty yard line.

The line-up was as follows:

A meeting was held after chapel Wednesday at which officers were elected for the year. The following were chosen:

President, Collie Wright.

Secretary, Howard Dabbs.

Corresponding Secretary, Sue Webb.

Press Secretary, J. R. Langley.

The china exhibit from this department has been a feature at the State Fair at Dallas. Besides receiving a great deal of general favorable comment, two artists of note sent personal congratulations to Mrs. Cockrell praising the work of herself and her students.

If the Brushes have any fixed ideas that of having "something to eat" once in awhile is the most prominent. The prospect of a "feed" brings to mind a picture more rosy than any combination of colors of the palette.

Mr. Bailey's Retort

A Topeka man, old enough to know better, but who doesn't "give a whoop" so far as that is concerned, tells us that he wrote the following letter to Senator Joseph W. Bailey, of Texas, after reading in the Capital about his speech and vote against free iron ore:

"Dear Sir: I write this to inform you that I consider you a humbug."

Not many days after, the Topeka man says, he got his letter back with the following added in the handwriting of Senator Bailey:

"Dear Sir: I write this to inform you that I consider you a fool."

The Topeka man chuckles over this correspondence, all on one sheet, which he cherishes as a valued historic souvenir to be handed down to his posterity.—Topeka Capital.

J. B. Frizzell, '09, Coaching Hereford College Eleven
 The following dispatch taken from Sunday's Dallas News shows that J. B. Frizzell, a leading member of the graduating class of last year, is making himself useful in other ways than "teaching the young idea how to shoot."
Football at Hereford College
 Hereford, Tex., Oct. 23.—Interest is being aroused here over the opening of the local football season. The Hereford College team will line up against the Amarillo High School, Oct. 30. The home boys have been handicapped somewhat for want of proper training quarters, but this need has been filled and the work is being pushed rapidly. J. B. Frizzell, formerly of the Texas Christian University at Waco, has charge of the team, and, although the sport is new to most of the boys, the outlook is bright. Mr. Frizzell states that games will probably be arranged with Goodnight College, Canadian Academy, Clarendon College and the New Mexico Military Institute.

 Teacher: Do animals have their social customs and institutions?
 Ambitious Freshman: I have no doubt, Professor, but that many geese trace their ancestry to the "cacklers who saved Rome."

That Austin Game
 Our great team leaves tonight for Austin to play the State University. Our team goes to meet the famous "Long Horns" but our record makes us hopeful. We have defeated some of the largest Universities in the State and have not been defeated a single time. The State had better watch out or the goblins will get them, sure.

RESERVES DEFEAT ST. BASIL

Score 21 to 0
 On last Monday Capt. McCormick took his Reserves over the way to play St. Basil a game of football. Many boys and girls from T. C. U. thinking that it would be fun to watch the priest play went over to witness the game and expecting to root some for the Reserves. The game was very interesting as both teams played to their utmost. The first touchdown made by the Reserves was made by Grits playing at quarter; the second was made by the same little quarter; the third was made by Cartwright and the fourth was brought in by Graves playing at quarter just as time was being called up for the close of the game. Many of the other boys played splendid ball, especially Carr, Swink, Tomlinson and Gough. Line bucking was the feature of the game. The Catholics were good on forward passes and made their best gains in this way. They were in fact unable to buck the Reserves' line for any good. Tomlinson for T. C. U. failed at his goal kicks. Cartwright kicked goal following the last touchdown. Bussey was good at line plunges. Lavender made good on his gains. Hulsey made guard and a good one, too. Tennel played effective ball. E. Anderson played center with good head. Churchill was almost a star in his work.
 The line-up was as follows:
 T. C. U. St. Basil.
 Drake Tomlinson

Ed S. McKinney, '04

A pleasant visitor at the University last week was Rev. Ed S. McKinney of the class of '04. He was a student of the University for several years and active in religious and society organizations. He was one of the most deserving boys that ever went thru this University, making his way by the dint of individual persistence. His later success has proven that it was not all in vain.
 After graduation he accepted the pastorate of the Woodward Christian church in Oklahoma and in three years had made it the leading church in that city. He has lately accepted a call to the First Christian church at Childress, Texas.
 In the line of literature he has achieved some distinction. His graduation thesis, "Shelley, the Poet," was one of the most notable that has been submitted to the faculty.
 He has the nice distinction of being the founder of the Skiff, the publication which the present editor and writer is trying to keep alive. For this achievement Mr. McKinney should always be remembered by the student body of T. C. U. He also wrote the "Legend of Lover's Leap," which all students have delighted to read after visiting that romantic spot. He founded the Skiff in the year of 1902.

Miss Logan at St. Basil game, accompanied by Coach Langley, saw the Catholic coach approaching the field, said: "I am crazy about the coach." Langley: "Which one, fair maid?"

Difficult Exams

Apologies of examinations and their terrors, A. E. Palmer, secretary of the department of education of New York, told at a recent dinner an odd story of a young African prince.
 "This prince," said Mr. Palmer, "entered Yale or Harvard—I forget which—and amused himself with motor cars and bull dogs till examination time drew near. Examination time frightened the young prince horribly.
 He began to study and cabled home to the king, his father: 'Examination next week. Most difficult. Implore aid of gods in my behalf.'
 A few days later this reply came back from the barbarous West Coast monarch:
 "Rites performed. Fourteen picked youths, all sons of nobles, have been sacrificed. Omen propitious."
 "Yet, would you believe it," Mr. Palmer concluded, "the young prince flunked."—Argonaut.

AUSTIN COLLEGE DEFEATED

Another Scalp For T. C. U.

Last Saturday T. C. U. met on her own campus and defeated Austin College in a loosely played game in a score of 18 to 3. For some reason Varsity failed to play up to her standard and thus it was that Austin College scored on us, they being the first college in the state to do so after a series of four games.
 Many reasons might be given for the failure of the T. C. U. team to play up to her usual standard, but the fact that they defeated A. C. by a handsome majority the crime may be mitigated to some extent; but it was a crime for them to allow A. C. to score on them after having refused Baylor, Polytechnic and A. & M. the same privilege. Varsity showed favoritism in this doing.

Despite it all some plays worthy of comment were made on both sides. Fields, Tyson, Daniels and Baldwin did good work. Fields was effective in line bucking, becoming a terror to the opposing team Daniels' line plunging was a feature. Tyson received a forward pass from A. C. very nicely, going 30 yards for a touch down was a feature. Daniels and Fields shared in the touch downs. Rattan's work was commendable, making at one time a spectacular run. Massie's record of a 40 yard punt and his goal kicking were stellar plays.

For Austin College McDaniels was easily the best man on the team. Adamson and Corley did very effective work. These latter two were splendid tacklers, never failing to get their man and to get him low. McDaniels, the quarter, would be a star on any team.

In general there was too much squabbling, loose play and indifference to results on both sides. The sad feature of the game was that A. C. did not expect to win and T. C. U. felt too confident and went about the work as an easy and indifferent task. This is not censure, but remarks germane to the subject at hand.

The game in detail was as follows:

First Half

Austin College wins toss up and defends east goal. Massie kicks 40 and McDaniels returns 10. Ball brought back on account of T. C. U. being off-side. Massie kicks 50 to Adamson who returns 15. McDaniels punts 35 and Riter returns 10. Wright takes 4, Tyson 10 and Daniels 4. T. C. U. off-side. Baldwin takes 5, Fields 10. Daniels punts 40 and Massie recovering on A. C.'s 10 yard line. Tyson takes 3, Wright 2 and Fields follows with 5 and a touchdown. Massie kicks goal. Score 6 to 0. Time 6 minutes.
 McDaniels kicks 45 to Tyson who

returns 5. Baldwin 2 and Daniels 3. T. C. U. off-side. Daniels punts 30 with no return. McDaniels punts 20 off-side. Rattan makes 20, followed by Wright 4, while Baldwin loses 3. Daniels punts 25 and ball goes to T. C. U. on account of A. C. holding. Tyson fails to gain. Fields takes one for his share. Daniels punts 35, with McDaniels returning 15. The latter punts and as the ball is blocked, T. C. U. has opportunity to cover. Daniels forces 3, Tyson adds to it 12. T. C. U. fumbles and A. C. quickly covers. McDaniels makes 15 on fake punt. He follows this by punting 35 with no return. Baldwin secures 15, Wright 5 and Massie fails on place kick from 45 yard line. McDaniels receives and instantly takes 10. This is followed by McDaniels punting 45 with no return. Fields makes 6, Daniels 3, 2, and 8 respectively. Braus 4 and Fields again takes 6. T. C. U. fumbles and Sherman covers. McDaniels punts 25 with Riter returning 10. Tyson takes 10, Wright 3 and Daniels follows with 2 yards for a touchdown and then follows the old, old story, "Massie kicks goal."

Austin College kicks off 45 with Baldwin returning 25. Tyson makes 8, and T. C. U. loses 6 on an attempted forward pass. Daniels punts 20 with no return. Time up, first half. Score, T. C. U. 12 to A. C. 0.

Second Half

(Wade relieves Massie at center.) Austin College kicks off 40 with Braus returning 20. Tyson no gain. T. C. U. penalized 15 yards for falling on forward pass. Daniels punts 40 with no return. Adamson makes 10 and Slayton 1. (Morrow goes to tackle and Parker to half.) McDaniels punts 35 with Riter returning 15. Daniels punts 40 with A. C. off-side. Braus makes 7, Daniels 1 and Fields 3. A. C. off-side. Tyson manages for 2 and Daniels 1. Daniels punts 30 with McDaniels returning 3. Parker takes 2 with A. C. off-side. McDaniels punts 45 with no return. Tyson 1, Braus failing. Daniels punts 45, no return. Tyson receives forward pass from A. C. and goes 30 for a touchdown. Daniels kicked goal.

A. C. kicked off 40 with Braus returning 20. (Anderson relieves Riter at quarter.) T. C. U. fails on forward pass and A. C. covering ball. Moore makes 15 on a forward pass. Morrow makes 5. Wright causes quarter to fumble and covers ball. Daniels punts 40 with no return. A. C. fails on a forward pass. McDaniels punts 40 with Tennel returns but ball goes over on account of holding. A. C. makes 5 on a forward pass. Corley 5, McDaniels 2, Parker losing 12. McDaniels comes in with a drop kick from the 30

Bertram H. Bloor, '09

Bertram H. Bloor of the class of '09 was a welcome visitor at the University Saturday and Sunday. He came down to see the game between Baylor and T. C. U. He said that he had not missed a game of this kind in four years and we know it to be a fact for we have watched him in many a game. play full back on Varsity and help wallow old Baylor in the sand. He played on Varsity for four years. Bloor was not only a hero on the gridiron but was prominent in all other phases of college life. He was a strong debated and orator, representing his society well in many contests. He held his membership with the great old Add-Ran Literary Society and was an efficient member. During his Senior year he was business manager and associate editor of the Horned Frog, editor-in-chief of the Collegian and class historian. Many other honors were bestowed upon him on account of his worthiness and faithfulness to any trust. Come again, Bertram, you will always find a welcome.

Second Team vs. Culberson Select School

Last Monday morning the second team journeyed to Hillsboro to play Culberson Select School a game of football and in the act piled up a score of 16 to 6 against the Select School. It was the first trip for the second team and was attended with so few mishaps and with such great success that it is hoped that the faculty will see fit to allow them to journey more in search of scalps. The game was full of interest and well played from start to finish. The second team showed superior training and coaching. The Culberson team, having a big name, that of a famous senator, yet were with it all unable to make anything off of the T. C. U. team. The ablest part of the Culberson team lay in their individual players and not in successful team work. Nearly all the gains were made by a few individual players, such as Cox, Wright and Herring. Sweeney made an onside kick from T. C. U. and going 55 yards for a touchdown.

For the second team Swink played a matchless game at full, making for his share two touchdowns. Riter at quarter played a cool, level-headed game and inspired the team with confidence as led the headwork. McCormick and Churchill made decided gains on forward passes. T. C. U. started off rather slow and after exchange of punts Culberson was able to carry the ball within ten yards of the goal but were held for downs. The ball going over was advanced rapidly down the field by end runs and forward passes beworked with skill and precision and from the five yard line was bucked over by Swink. Swink then failed to kick goal.

Culberson kicked off to T. C. U. who advanced the ball to 55 yard line where Riter tried an outside kick but was blocked, Upchurch for Culberson getting the ball and going the 55 yards for a touchdown.

In the second half T. C. U. bucked considerably and after a few minutes of play was able to place the pigskin within ten yards of Culberson's goal, from which point Riter made a touchdown on an end run. Swink failed to kick goal. Culberson, at this point, began to weaken and after good gains by Tomlinson, Gough and Cartwright on end runs and Churchill and McCormick on forward passes, T. C. U. advanced to Culberson's two yard line, from which point Swink went over for a touchdown. Tomlinson kicked goal. In a few minutes time was called with T. C. U. in possession of the ball on Culberson's thirty yard line.

The line-up was as follows:

Davis Hulsey, Farmer

Wright Churchill

The Brushes

A meeting was held after chapel Wednesday at which officers were elected for the year. The following were chosen:

President, Collie Wright.
Secretary, Howard Dabbs.
Corresponding Secretary, Sue Webb.
Treasurer, Joe Murray.
Press Secretary, J. R. Langley.

The china exhibit from this department has been a feature at the State Fair at Dallas. Besides receiving a great deal of general favorable comment, two artists of note sent personal congratulations to Mrs. Cockrell praising the work of herself and her students.

If the Brushes have any fixed ideas that of having "something to eat" once in awhile is the most prominent. The prospect of a "feed" brings to mind a picture more rosy than any combination of colors of the palette.

Mr. Bailey's Retort

A Topeka man, old enough to know better, but who doesn't "give a whoop" so far as that is concerned, tells us that he wrote the following letter to Senator Joseph W. Bailey, of Texas, after reading in the Capital about his speech and vote against free iron ore:

"Dear Sir: I write this to inform you that I consider you a humbug."

Not many days after, the Topeka man says, he got his letter back with the following added in the handwriting of Senator Bailey:

"Dear Sir: I write this to inform you that I consider you a fool."

The Topeka man chuckles over this correspondence, all on one sheet, which he cherishes as a valued historic souvenir to be handed down to his posterity.—Topeka Capital.
