TEXAS CHRISTIAN UNIVERSITY, FORT WORTH, FRIDAY, APRIL 30, 1915

NUMBER 32

FINE ART STUDENTS ANNOUNCE A SERIES OF RECITALS SOON

Anna McLendon, Grace Moore and Alta Vaughn to Play Next Week

PROGRAMS OPEN TO PUBLIC

Many Splendid Under-Graduate Recitals Will Be Given in Auditorium Before School is Out

Musically inclined and music loving people are looking forward eagerly to the remaining six weeks of school. The easily predicts brilliant recitals to be rendered by the graduating students in piano and violin. The graduates in the school of oratory are splendid entertainers and promise several pleasant evenings.

Annie McLendon opens the series of recitals in her appearance Monday evening, May 3. Alta Vaughn will play in recital Wednesday evening of the same week, and on Friday evening Grace Moore of Mansfield will render a delightful program. The recitals of these three, who are worthy pupils of Carl Adel, will be given in the auditorium. In the near future Hattie Faulk will give her graduating recital in violin. She will be assisted by three student leaders.

It is expected that Nannie Lou Andrews and Tom Paul Sweeney will give joint voice and violin recital. During the latter part of May Moore will appear in her graduating recital in oratory. On another evening Miss Baha will give her interpretation of Dickens' "The Cricket on the Hearth." Mary Sue Darter will read "Within the Law."

Besides these recitals of the fine arts graduates, there will be given many undergraduate programmes by those studying in voice, oratory, and piano. Most likely Gladys Huckabee will give her piano recital during the summer sessions.

ACCEPTS PLACE AS SUPT. AT MEMPHIS

Professor John W. Kinsey, head of Department of Education of the university, has accepted an offer to be in charge of the school system of Memphis, Texas, as city superintendent of instruction. At the time Professor Kinsey tendered his resignation to the board of trustees last month, he intended to take up an advanced course of studies at Columbia University, but when the splendid offer came to him in Memphis, he decided to accept the place.

Twenty other men had made application for the place at Memphis and Professor Kinsey was chosen over all of them.

Professor Kinsey and his wife will move to Memphis as soon as summer school is over and will make their home there. Memphis has a complete and thoroughly modern system of schools and is a rapidly growing town.

Before becoming head of the educational department of T. C. U., Professor Kinsey had held several positions as superintendent of schools. He has had considerable experience in the field of education. He does not intend to give up his plans for further work at Columbia and will attend the university during the summer sessions.

PLANS FOR TRIP TO DALLAS COMPLETED

Special Cars to Carry T. C. U. Delegation to All Day Session

All arrangements have been completed for the trip to the Texas Christian Missionary Convention at Dallas on T. C. U. Day next Thursday.

Special cars will leave Fort Worth Thursday morning at 8 o'clock carrying the T. C. U. organizations and students to the meeting. Dean Hall, who is in charge of the local plans, has announced that those who desire to go should get the 7:30 car from the university. A special rate of 80 cents for the round trip will be made. The T. C. U. delegation will remain for the all day session of the convention.

The program for Education Day includes numbers by the orchestra, the boys' and girls' glee clubs, the Fine Arts faculty and five minute talks by seven ministerial students. The financial report of the university will also be made at the morning session.

The suggestion has been made that the baseball game with Baylor on May 6 be transferred to Dallas and played there. Dr. Gumm and Manager Ledbetter have been working on this plan, but have not been able to complete arrangements.

CHRISTIAN ENDEAVORERS IN MEETING HERE SELECT DELEGATE TO CONVENTION

Herbert N. Calhoun, president of the Christian Endeavor Union of Fort Worth, was elected delegate to the world convention of Christian Endeavor societies in Chicago, July 7-12, at the monthly mass meeting held Monday night in the university auditorium.

Calhoun will leave July 5 on a special train from Fort Worth and Dallas with delegates and others to attend the convention. At Kansas City they will stay a few days, and will be entertained while there by the Christian Endeavor societies of that city.

The meeting Monday night was well attended, over 125 representatives being present. Every society in the city was represented except one.

Besides electing a delegate, an "On to Wixahachie" club was organized to arrange for a large delegation from Fort Worth to attend the state convention in Waxahachie, June 10-13. George S. Adams, superintendent of the Magnolia Avenue Christian Sunday school, was appointed chairman of this committee.

HIGHSMITH ON CAMPUS

R. A. Highsmith, '14, was a visitor on the campus Tuesday and Wednesday. Highsmith was editor of the Horned Frog last year and has many friends in T. C. U. He is now pastor of the Christian church at Plainview.

When called on by President Kershner to talk in chapel Wednesday, he responded with a speech full of his characteristic witticisms. The splendid talk he made showed that he had learned something by observation as a student in T. C. U.

Viola Coldwell spent the week end with home folks in Garland.

Mary Melton spent Sunday and Monday at her home in Allen.

Margaret Gibson spent Sunday and Monday in the city at the home of Brother McPherson.

VARSIITY LOSES TO AGGIES

T. C. U. lost one of the best intercollegiate games played in the T. I. A. A. this season to A. & M. Wednesday, 2 to 0, on the university field. The game was played on tip-toes and was a fast, spirited exhibition of baseball from the first inning to the last.

The Farmers' first score came in the fourth inning when Berringer hit for two bases, Miller pegged a little too hastily, Nelson fumbled at third and Berringer came home. The other run was made when an overthrow at first let Coleman cross the pan.

Skeeler held the Horned Frogs to two hits, both singles, and struck out twelve men. Crotty pitched a fine game, allowing four hits and a scratch and struck out six men. Skeeler walked two men and Crotty let one pass.

T. C. U.'s five errors were costly. With the exception of making these errors T. C. U. played as good ball as A. and M. The Horned Frogs could not hit when they most needed to, but the Farmers bunched their five hits so as to fill the bases and force men in on overthrows. The features of the game were the two-baggers by Hooker and Berringer, and a double play from Christenberry to Wingo.

The lineup:
A. & M.—
Hooker, cf; Kendrie, lf; Powers, rf; Cherry, 1b; Rigney, ss; Coleman, c; Berringer, 2b; Bralesford, 3b; Skeeler, p
T. C. U.—
Christenberry, rf; Nelson, 3b; Wingo, 1b; Couch, ss; Miller, c; Shelbourne, lf; Brewster, cf; Ramsey, 2b; Crotty, p; Cooper, cf.

Summary—Two-base hits, Hooker, Berringer; scratch out by Skeeler 12; by Crotty, six; bases on balls off Skeeler 2, off Crotty; stolen bases, Shelburne, Nelson, Berringer, Rigney; wild pitch, Skeeler. Umpire Akers. Time of game 1 hour and 35 minutes.

A. & M. beat T. C. U. Thursday after one of the hardest fought games that has been played in college circles. Shorty Vaughn out-pitched Skeeler, who was knocked out of the box by T. C. U. in the first and third innings. Olson, who replaced him, pitched good ball. Shelburne started the game for the locals, but was not in condition to twirl.

Tho' beaten, we outplayed the Farmers and should have won. We outthrew the visitors and also played equally as well in the field. Wingo played big league ball on first; Capt. Gunter made an impossible catch in deep center and

(Continued on second page)

TENNIS TOURNAMENT FOR C.I.A. AND T.C.U. GIRLS

The girl's tennis team will play the C. I. A. team in Denton the first tournament of the season, Monday, May 10. Arrangements were made for bringing the two teams together by Minnie Proctor, manager of the T. C. U. girls and Bessie Guyler, manager of the C. I. A. girls, Monday, when Miss Guyler was visiting in Fort Worth.

The C. I. A. team is the fastest in North Texas and perhaps the best in Texas. T. C. U. has not yet had any matched games, and the girls are anxious to find out what kind of showing they can make against an experienced and well trained team.

Miss Proctor will start a series of games this week to help decide the girls who will make the trip. All girls interested in tennis are asked to come out.

The contract made Monday provides for a return game between the two schools to be played on the T. C. U. courts next year.

BAYLOR BEARS ARE COMING FOR GAMES

But There's Not a Chance of Their Getting Them—Trinity Saturday

T. C. U. and Trinity will meet on the Waxahachie field Saturday afternoon for the second time this season to contend for baseball honors. Three weeks ago the two universities played a good close game which resulted in a 1 to 0 victory for the Presbyterians. This being the best exhibition of baseball either of the teams have played and the fact that the two universities are strong rivals, it is expected that the contest Saturday will be played on tip-toes.

Baylor will come to Fort Worth next Wednesday and Thursday, May 5 and 6, to play the Horned Frogs. The two games promise to be the best T. C. U. has on her schedule to be played on her home grounds. They will also be the last games our men will play at home. Baylor has a good fast team but the Horned Frogs have a higher batting average and a better infield. The players believe they can take both games and are anxious to meet the Baptists. They can take them both if they receive proper support.

NATURE IS ONLY SCENERY USED BY BEN GREET IN OPEN AIR PERFORMANCES

One of the most interesting events of the summer will be the open air performances of the Ben Greet Woodland Players who will present "Twelfth Night", "Taming the Shrew" and "Merchant of Venice" at Forest Park, May 10 and 11.

The plays will be given with no scenery save Nature's own, of trees and shrubbery. The stage is lighted at night by a battery of powerful calcium lights by means of which all the color effects shown in a theatre, are given. There is a charm and illusion about open air performances that attracts the most jaded theatre-goers. All of the artificialities of the theatre are swept away and simplicity is the keynote of the presentations.

Elsie Herndon Kearns will appear in the principal feminine roles and will be remembered from her fine performances last summer with the Ben Greet Players. She is a graduate of Smith College having begun her stage career during her junior year when she played the title role in "Hamlet." Immediately after her graduation, she was engaged by Mr. Winthrop Ames for prominent parts in the New Theatre Company, New York City. During her three years there she represented the characters in Sister Beatrice; Strife; Castles in the Air; the witch; The Blue Bird; appearing as well in the leading feminine roles in Shakespearean revivals. Since then she has appeared with Marie Tempest in "Vanity Fair", in "The Prodigal Judge" and other plays. She is one of the few young women on the stage who have been successful in serious work, and she has justly won the right to have her name in big type on the posters of the Ben Greet Woodland Players.

The performances of the Ben Greet company are given with all the beauty and simplicity so in keeping with a sylvan setting and everywhere the novelty of the presentation has added much to the pleasure and interest felt in the productions. The plays to be given here have been selected especially for their fitness to out-of-door presentation.

(Continued on last page)

PLANS BEING MADE FOR COMMENCEMENT WEEK, JUNE 6-11

Rev. Hugh McLellan to Deliver Baccalaureate Sermon

BIG CLASS DAY EXERCISES

Hon. Cullen Thomas to Make Address on Morning Diplomas Are Presented to Class

Now that school days are drawing to a close our interests center on thoughts of commencement and the summer vacation.

In preparing to make the commencement days this year, which will last from June 6 to June 11, so enjoyable that they will destroy any bad feelings or disappointments occasioned by the final exams, those who are planning the graduation exercises for commencement week are already outlining a tentative program for the closing exercises of the year.

The first number on the program for the Commencement exercises is to be a joint session of the four college literary societies on Saturday night, June 6. This part of the annual exercises was omitted last year on account of the big homecoming, but Dean Hall expects the societies to make it one of the leading numbers this year. Joint committees have been appointed by the societies to arrange the program.

The baccalaureate sermon will be preached Sunday morning, June 7, by Rev. Hugh McLellan, pastor of the Central Christian Church of San Antonio. Rev. Mr. McLellan is one of the leading preachers in Texas and is a forceful and entertaining speaker.

On Monday a recital by a number of the Fine Arts advanced pupils will be given, and on Tuesday the graduating exercises of the College of Medicine will be observed. The Fine Arts Faculty will give a recital on the same day.

(Continued on last page)

Y. M. - Y. W. C. A. BIG PICNIC MONDAY

The Y. M.-Y. W. C. A. picnic, the greatest event of the year, is to be given Monday, May 3, at Lake Worth. Although it is managed by the Christian Associations, it is not limited to their members: every young man and young woman in the university is invited.

The site of the picnic, Lake Worth, is an ideal place for a summer day's outing, and the summer days are here. No more delightful place could be imagined than the cool green borders of the large lake, and the wooded hills and draws are interesting in the extreme. There are a half dozen perfect camping places along the river, and any number of lovers' nooks and retreats, which are so popular at this season of the year.

It is also rumored that skiffs and motor-boats may be had at reasonable prices. The river above the dam is abnormally wide just at this time, and presents unusual opportunities for boating.

The prerequisites for the trip are simple: the girls are expected to prepare a dainty but adequate repast, while the boys are asked to donate only

MOTHER'S DAY

Sunday, May 9, will be observed by the University church as "Go-to-church-for-your-mother" day. This day has been adopted by all the churches of the city as "Mother's Day," and most of the pastors will preach special sermons in honor of the occasion. It has become an annual custom for sons and daughters to wear flowers in honor of their mother—a white one for the living and a red one for the dead.

This day should appeal especially to the students in the university, most of whom are away from home and mother. Every boy and girl in T. C. U. should observe the day in memory of his mother by going to church and showing honor to the memory of his mother.

WHY SNEER AT ADVICE?

Most college students nowadays are inclined to sneer at the advice of older and more experienced men and women. Somehow or other the idea has crept into the college atmosphere that the man who offers advice is not to be taken seriously, and very seldom does the student pay any heed to his counsel.

The significant statement of Randolph Clark that "I would like to swap off fifty years of my life to a boy who has nothing to do but smoke cigarettes and hunt jobs" should cause many young men to stop and wonder why. Little difficulty would be met in determining the reason for his utterance.

Although the warning to "take stock of yourself" has been made thousands of times, it is still timely and in place. A little introspection might help in understanding why Mr. Clark would like to make somebody else's life worth something to the world.

CAST OF GIRLS ONLY GIVE MERCHANT OF VENICE

(By College Press.)

C. I. A. April 28.—"The Merchant of Venice" was presented at the college auditorium Monday night, April 26, by the girls of the Middle Class. Every role was well taken, and the audience showed their appreciation by the cheer which they gave each actor.

Miss S. Justina Smith, head of the Department of Expression directed the play. The Middle Class presented her with a handsome book case in appreciation of the time and work which she gave them.

CHALMERS McPHERSON TO LECTURE AT THREE PLACES

Chalmers McPherson's popularity as a lecturer was again demonstrated last week when he received invitations to make three addresses next week.

He is billed for an address at the Lillian High School Monday, one at the State convention at Dallas on Wednesday, and another, by invitation of the Bowie Mother's Club, Sunday, on "Our Fathers."

Miss Vera Morton of C. I. A. was the guest of Gladys Huckabee the first of last week.

Get one of the pictures of the university and the student body to remember T. C. U. and your friends here by.

Fine Arts Notes

Bettie Hart, of Eastland, a Brush of former years, is visiting her old friends again.

Ray Camp, A. B. '15, was in Fort Worth this week. He is teaching in Midland College, but expects to attend the Art Institute in Chicago next year.

Mrs. Cahoon, with Mrs. Dan Brown, contralto, accompanied by Mr. Guy Pitner, will render a programme at high noon, May 5, at the River Crest country club.

The Glee Club will appear in Weatherford and Mineral Wells this week.

Discusses Apocrypha

Discussing what he termed the "driest of all dry themes," Dr. Clinton Lockhart, Professor of Greek and Hebrew, gave a very live and illuminating talk on the Apocryphal books of the Old Testament in chapel Tuesday morning. His recent addresses on various informational subjects concerning the Bible have been well received by the student body.

Mrs. Willis of Burk-Burnett spent several days with Cora Lee during the week.

Masal Jeffers was the guest of friends in Dallas the first of the week.

Pay your subscription to the Skiff.

IRONOCLASM

Bruce Knight

The Senior's "presentation exercises" seem to have given a great impetus to the "ivy movement" on the campus.

Prof.—James, what ushered in the period of enlightenment?
James—The invention of the electric light.

We are opposed to the installation of electric gongs in Clark Hall. Hitherto we could cut classes without our conscience hurting us.

The difference between the above burst of enthusiasm and the other paragraphs is that it is not even supposed to be a joke.

We heard the girls were to have their privileges taken from them because a few had violated regulations. According to this, when one soldier deserts they ought to shoot the whole army.

On account of the gas shortage, they could not send to town for light bread.

Why do the women want the ballot? A survey of the campus any evening shows that they already rule supreme.

Several of our boys have become advertising agents for the B. V. D. company. Anyhow, that's what that shirt-tail parade up from the Trinity river looked like.

A suspicion is afloat that Messrs. Faris and Ford had something to do with cutting off the gas.

VARSITY LOSES BOTH GAMES TO FARMERS

(Continued from first page)

Christenberry accepted six flies without a bobble. Nelson showed up well at the bat. In fact the whole team batted hard, and showed the T. C. U. rooters that Baylor will meet her match next week.

The lineup:
A. & M.—
Hooker, cf; Minier, lf; Powers, rf; Cherry, lb; Rigney, ss; Russell, c; Bringer, 2b; Brailsford, 3b; W. J. Skeelinger, p; Olson, p; Coleman, batted for Minier.

T. C. U.—
Christenberry, rf; Nelson, 3b; Wingo, lb; Gunter, cf; Miller, c; Couch, ss; Bloom, lf; Ramsey, 2b; Shelburn, p; Vaughn, p.

Sisk to the Rescue

Joe Sisk, the famous print shop phenomenon of former years, helped the Skiff through the floods and the print shop force through their exams this week by making up the paper.

Although Joe is a schoolteacher when he's out in Parker county, he is an A1 printer when he comes to T. C. U.

Order one of the big campus pictures on exhibition in the library.

Mr. Dabbs has furnished the parlors of Clark Hall with many tables upon which the boys may play dominoes. He has also furnished two tables with checker boards and checkers. Clark Hall seems more and more like home each day. The boys of the hall are very grateful to Mr. Dabbs for his thoughtfulness and untiring energy.

Should an angel come where I walk alone
And stealing beside me say,
"Kingdoms or castles, riches or power,
What will you have to-day?
Wisdom or cunning, or charm or art?"
I would cast them all away.

Glitter of gold and precious stones,
Diamond, ruby, pearl—
What is the glint of a wealthy world?
The pomp of a duke or earl?
I would let them go for some eyes
I know
And the love of a pretty girl.

Since this is the age in which we are supposed to use our heads, we call it the "Bone Age."

Since hearing the Shirley Society's "Imported Quartette" Monday morning, we have decided in favor of a high protective tariff.

The many friends of Bethany Overmier are glad to know that she is recovering rapidly and it is hoped that she will soon be seen on the campus again.

Miss Ruth Humphrey underwent a successful operation at St. Joseph's the first of the week and is reported doing nicely. Her father from Janesville, Wis., is with her.

Leo Johnson, a student in the University last year, and his bride, were visitors on the campus Wednesday.

Joe Sisk, a student of the university last year, was out visiting friends here this week.

Dr. Kershner went to Mt. Vernon Saturday and preached the baccalaureate sermon of the high school there Sunday.

Y. M. - Y. W. C. A. PICNIC MONDAY

(Continued from first page)

twenty-five cents to the cause.
Jitneys have been arranged for
from Main Street. They go all the
way out to the dam.

Several have already signified their
intention of going, and a large crowd
is anticipated. It will be necessary for
all those who contemplate going to
notify some member of the committee
before Saturday noon.

If it is necessary to call the picnic off
on account of bad weather, it will be
given at a later date.

Miss Hattie Lou West of Cleburne
has entered school for the remainder
of the spring term.

PLAN PICNIC

Prof. Myatt addressed the Ministerial
Association Thursday evening. His
subject was "Practical Christianity."
The speaker emphasized the fact, that
a life well lived was the highest type of
preaching.

Those present were: J. W. Shockley,
Wm. Jones, Claude Grady, John Luck,
Boyd Clayton, M. A. Buhler, W. I.
Stevenson, Ben Hearn, Boyd Milburn,
Earl Walker, and W. B. Higgins.

The Association decided to have their
"Big Annual Picnic" sometime in the
second week of May.

Mrs. Batson's mother, Mrs. Cramer,
who has been visiting here for several
weeks, has returned to her home in
Ohio.

MISS GALLAHER GIVES POLY CLUB RECEPTION

The Polytechnic Club was entertained
by Miss Percy Gallaher at her home on
Summit Avenue last Monday evening.
The crowd began to assemble at Miss
Gallaher's residence about seven thirty
and adjourned just in time to catch the
last car for T. C. U. A very delightful
evening was spent playing forty-two,
hearts and dominoes. After the table
games the entire party gathered around
the piano and sang popular songs.

The following were present: Misses
Lucille Wessendorf, Lilla Belle Wessen-
dorf, Auma Betts, Ina Williams, Bur-
mah Pressley, Ethylene Swick, Myrtle
Goforth, Vestal Tompkins, Irene Car-
son and Percy Gallaher; Messrs. Owen
Jones, Roy Jones, Paul Geiger, Claude
Miller, Claude Kornegay, Jessie Martin,
Ivan Allen, Frank Hightower, Charles
Christenberry, Thomas Markley, Ger-
ald Folbre and Alden Evans.

"Whale Oil Gus" Folger Tells Tales of Sea Life

On Saturday night April 24, Whale
Oil Gus, a retired whale fisherman,
gave a lecture in the auditorium on his
experience in the work. He exhibited
a number of the instruments which are
used in hunting and catching whales.
He told of the great danger to which a
whaler was continually subjected. The
sea would often be very stormy, and
they would have to brave these savage
waters in little oar boats which carry
only a few men.

He sang a few songs using many
gestures to illustrate the kind of songs
which sailors sing. These songs to a
certain degree portray the feelings and
emotions of a sailor's life. He said that
the sailors had to be very careful about
making any noise with the oars for the
whales had a very keen hearing. The
ears of a whale are not much larger
than the end of ones finger yet they can
hear a slight sound many miles away.

PROF. AXSON OF RICE IN CHAPEL ADDRESS

Doctor Stockton Axson, Professor of
English Literature in Rice Institute, de-
livered an interesting address to the
student body Saturday morning on
"Why We Attend College."

"So often," Dr. Axson said, "The
question is asked concerning the four
years spent in college, 'What is it all
for, anyway?' Many people question
the wisdom of the young man spending
four years in college instead of spend-
ing this time in learning some vocation
or trade. And there is something in
that. The young man who completes
college is usually behind the man who
has spent the four years in business.
But after 15 years, statistics will show
that the college man has outstripped
the non college man by far."

The speaker showed that a college
education is not simply to prepare the
students to earn a living, but to pre-
pare them to become true and worthy
citizens. He admitted that there were
many college men who failed in life;
but this he showed was the fault of the
student, and not the college. "The
young man is not in college simply to
pass, and thus stay in college; he is
there because the United States ex-
pects him to be prepared to do his duty
in life as a good and useful citizen."

MISS DURRETT ENTERTAINS IN HONOR OF MISS OUSLEY

Miss Clare Ousley of the College of
Industrial Arts, who was the guest of
Miss Lucile Durrett from Saturday to
Wednesday, was honored by a recep-
tion at Miss Durrett's home Tuesday
night. Progressive games were played
during the evening.

Those who were present for the oc-
casion were Misses Clare Ousley, Helen
Walker, Ruby Frances, Mora Moore,
Vista Woods, Margaret Gibson, Alice
Long, Una Stark, Alta Vaughn, Mary
Kate McDougal, Genice Calhoun, Vivi-
an Calhoun, Blanche McVeigh, Lucille
Durrett, Florence Durrett and Lillie
Durrett; Messrs. Loy Ledbetter, Dean
Waller, Harvey Kerrighan, Clyde El-
bert, Crawford Reeder, Ewell McKnight,
Clyde Grissom, Aaron Griffing, John
Keith, Joe McKenna, A. Spencer and
Griffin.

run-in with Art Hofman, Manager Lee
Magee of the Brook-feds placed Cooper

on first base where he has done great
work. Claude's timely hitting has been
a big factor in keeping the Tip Tops at
the head of the Federal league percent-
age column.

His brother, Aubrey Cooper, is a
T. C. U. student.

Ida Jarvis Hendricks spent Sunday
and Monday with her aunt in the city.

Mrs. Lamberson of Royse City spent
several days last week in Jarvis Hall
with her daughter, Bernice.

NATURE AIDS BEN GREET PLAYERS

(Continued from first page)

sentation and nothing lovelier can be
imagined than plays of the great mas-
ter being given in Nature's setting for
which so many of his plays were origi-
nally written. The night effect on the
woodland stage is weirdly beautiful.
The lights and shadows on the trees in
the background produce an almost un-
real aspect, so fantastic are the shad-
ows cast on the scene.

In so many of the later day presenta-
tions of Shakespeare too much stress is
laid on the mounting of the plays with
theatre scenery and unnecessary gor-
geous costumes. The result seems to
give the impression of a tremendous
stage setting encompassing the actors,
when one is to read the plays carefully,
it seems that Shakespeare's idea was
a company of actors surrounded with
as natural scenery as possible to help

the imagination of the auditors. In
giving his plays out-of-doors, Nature's
own background of shrubbery and trees
is restful to the senses without obtrud-
ing and does in no way detract from
the plays themselves, adding much to
their charm.

PLANS BEING MADE FOR COMMENC. WEEK

(Continued from first page)

Senior Class Day will be celebrated
Wednesday. Special class exercises
will be held during the morning by the
members of the Senior class. This is
supposed to be one of the most impor-
tant days in all the history of Senior-
dom, and they are expected to make
the most of it. At 4 p. m. the Art de-
partment will give a reception to al-
students and visitors. The reception
will be closed by a lawn concert by the
band and Glee Club.

The annual alumni banquet will be
held Wednesday night.

After 10 a. m. Thursday, June 11,
the now dignified Seniors will no longer
be Seniors but bona fide college grad-
uates, for at that hour they will receive
the sheepskin which bears witness to
the fact that they hold the Bachelor of
Arts degree from Texas Christian Uni-
versity.

Immediately following the general
graduating exercises at which the
presentation of the diplomas will take
place, Hon. Cullen F. Thomas of Dal-
las, will deliver an address.

Invitations to the commencement ex-
ercises have been issued by the Uni-
versity to many friends of the school.
The honorary scholarships which are
offered to the valedictorian of each af-
filiated high school have been sent out,
and the principals of the schools have
been asked to send a list of this year's
graduates. A catalogue will be sent to
every one of these students this sum-
mer in an effort to get them to come
to T. C. U. next year.

FINE ARTS STUDENTS ANNOUNCE RECITALS

(Continued from first page)

mer term.
Such a brilliant series shows a great
number of talented artists. Most of
those who will appear on the programs
are already popular, and their ability
to please and entertain will be reward-
ed by large and appreciative audiences.
The programs for the three recitals
for next week follow:

ANNA McLENDON

Sonata in E minor Op. 90.....
(1st Movement).....Beethoven
Nocturne in E flat.....Chopin
Etude in C minor.....Chopin
Scherzo in B flat.....Chopin
Novellette.....Carl Beutel
Papillons.....Ole Olson
Mazurka.....Lechetzky
Rhapsodie in G minor.....Brahms
Hungarian Rhapsodie No. 13.....Liszt

ALTA VAUGHAN

Wednesday Evening, May 5 at 8 o'clock
Sonata in E minor.....Grieg

Straw Hat Time at WASHERS

Yacht and Soft Shapes

Priced \$2 to \$5

Washer Bros.

LEON GROSS, Pres.

Minuetto Allegro ma non Troppo.
Nocturne in G major.....Chopin
Etude in E flat.....Henselt
Ballade in A flat.....Chopin
Sous Bois.....Staub
La Coquette.....Beutel
Polonaise.....MacDowell
Hungarian Rhapsodie No. 12.....Liszt

and general arrangement that has ever
been issued by the school. Editor Bent-
ley has given a great part of his time
to the work all during the year in pre-
paring the material for the Frog and
deserves special commendation for his
earnest labors in the interest of the
publication.

SATURDAY LAST DAY TO GET TICKET FOR FROG

Saturday will be the last day on
which students can get the blue tickets
which entitle them to a copy of the
Horned Frog for 1915.

The tickets have been on sale for sev-
eral days this week, and Manager Reed-
er has announced that just as many
books will be ordered from the printer
as tickets are sold, and no more. This
means that those who do not procure a
ticket can not get one of the annuals.

The Horned Frog will be off the press
and ready for distribution by the middle
of May. A few students outside of the
Senior class have seen part of the annu-
al and say that it is the best in make-up

\$12,000 PIPE ORGAN IS GIVEN TO FIRST CHURCH

A \$12,000 pipe organ, the gift of Capt.
S. Burk Burnett, is to be installed in
the new First Christian church which is
being erected at Sixth and Throckmor-
ton streets in the city.

The new organ will be the largest in
Texas with the exception of the one in
the Scottish Rite Cathedral in Dallas.
The one to be put in here has as large
a range as the other.

"They're building a fine church build-
ing and they ought to have a fine organ
in it," was the comment of Burnett in
regard to his gift.
