

EVERYTHING PRIMED FOR BIG ORATORY CONTEST APRIL 21

Everything is primed for a big day in T. C. U. next Friday. Also for a big time Thursday night.

T. C. U. is making extensive preparations to do justice to her reputation for "doing it up brown" when the State Oratorical Association meets here on the 21st.

First Chance in Eight Years.

Since T. C. U. has the opportunity of entertaining the State Association only once in every eight years the local oratorical association is sparing no pains to make the meeting here one long to be remembered by the men who attend from the other colleges of the state. April 21, which is San Jacinto Day, will be a day of celebration and entertainment on the hill.

Program Outlined.

The general program follows:

Thursday night—Big banquet at the Westbrook.

Friday 9 a. m.—Business meeting of delegates.

Friday 10 a. m.—Special exercises in chapel. Address on "Oratory" by Sidney Samuels of Fort Worth. Short pep talks by the orators and delegates and state officers.

Half holiday in afternoon.

Friday 2 p. m.—Tug-of-War between freshmen and sophomores. Dual track meet.

Friday 8:15 p. m.—Annual state oratorical contest.

Big Crowd at Banquet.

It is practically certain that more than one hundred persons will attend the banquet which will be given at the Westbrook in honor of the state orators and delegates. This function will be informal—dress suits will not be necessary. Plates at \$1.50 must be reserved with Willis McGregor by Tuesday.

Friday the Big Day.

Friday will be the busy day. Almost every minute during the entire day will be alive with some sort of activity. The morning will be spent indoors; the special chapel exercises will introduce something new in the way of chapel programs to a T. C. U. audience. The afternoon will be spent outdoors; the freshmen under the leadership of Jo Edens and the sophomores led by "Judge" Ramsey will clash in a mighty combat in the way of a "never say die" tug-of-war to determine which class shall be the possessor of the trophy offered by the Caudle Drug Store.

These afternoon events will be carried out as previously planned by Milton E. Daniel for April 1.

Contest Banner Event.

The banner event of the day and the biggest intellectual or oratorical contest held in T. C. U. in a good many years will be held in the Uni-

WINNER PROHI CONTEST NOT ANNOUNCED; GRADES ON MANUSCRIPTS LATE

The orators who participated in the annual prohibition contest at Trinity University last week are still on edge regarding the result of the speaking. Because the final grades on the manuscripts had not been received at the time of the contest it was impossible to announce the winner of first or second place.

It is understood that Clyde Grissom, who represented T. C. U. in the contest, scored a high ranking in delivery. It will probably be a week or two before the final results will be received, according to word sent Grissom this week.

Showing Our College Hospitality

THE SPIRIT of a college and its students is reflected to a great extent by the hospitality they show their visitors. The students of T. C. U. will have a splendid opportunity to show their appreciation of the best things in college life on the occasion of the meeting of the Texas State Oratorical Association in their midst April 20 and 21.

The honor of entertaining the delegates from the colleges and universities of Texas which comprise the State Oratorical Association and of hearing the choice orators of the Texas colleges in the state contest comes to T. C. U. only once in every eight years and students should take ad-

vantage of the opportunity to listen to the eight best college speakers in Texas, men who have been chosen out of more than thirty original contestants for the privilege of representing their college.

We should extend to these men our heartiest welcome and show them what real college hospitality is.

The opening banquet which the local association will give in honor of their guests will be an affair which those who attend will always remember as one of the most enjoyable experiences of their college life.

The state contest on Friday night will be the banner event of the year at T. C. U. No student should miss his chance to hear the orations which will be delivered here at that time.

VARSIITY WINS TWO STRAIGHTS FROM BOLES' TEAM 5-3 AND 10-3

BY ULMONT JOHNSON

Displaying a team work which their opponents could at no time match, the Varsity nine scored two clean-cut victories over the Trintonians from Waxahachie Thursday and Friday on the local field.

This two-game series comprised the first games which Varsity has played on the home grounds this season. 5 to 3 was the score in the first game. The second game came near being a "rolled in the mud" sort for the Presbyterians; T. C. U. walloped them on a muddy field to the tune of 10 to 3.

Since the two games which T. C. U. and Trinity staged at Waxahachie last week resulting in an even break, one to Varsity and one to Coach Boles' nine, there has been some doubt as to the outcome of this week's contests. Although it was generally expected that the Varsity nine would be victorious, the games were by no means walkaways.

First Game.

Lee pitched the first game for T. C. U. and with everybody hitting had no trouble in winning.

The team played great ball, especially Vaughn and Stangl, who, besides leading in batting pulled several thrillers in the fielding line. Sealy for Trinity was hit hard and given poor support. The home team started with a rush, making two runs in the first inning on hits by Gunter and Nelson and an error by Fincher.

In the second inning T. C. U. again scored as the result of a double by Vaughn and another error by Fincher. In the fifth inning, an error by Nowlin and hits by Vaughn and Stangl scored two more for T. C. U.

Trinity was able to score only once on Lee, when in the fifth inning they got three men on base and Blanton knocked a grounder to McKee, who chose to force a runner at second base. At no other time did they threaten seriously to score.

Second Game.

In spite of the mud and rain, T. C. U. came ack strong in the second game and handed Trinity a 10 to 3 beating. McKee with a double and a triple and Captain Nelson with two singles and a double led in hitting, while Stangl starred in the field accepting four difficult chances and making a fast double play.

Willis, who relieved Edens in the third inning, pitched good ball, allowing only two hits and fanning six. T. C. U. scored in the first inning, when McKee walked, went to second on Gunter's sacrifice, and scored on Nelson's hit. In the third inning Ward dropped Stangl's fly and allowed two men to score.

The game was delayed in the sixth inning on account of rain. When play was resumed, T. C. U. scored five runs on a succession of hits and walks and errors. To make the work sure, in the eighth inning McKee tripled, Gunter doubled and Nelson got his third hit, netting two more runs.

Trinity scored in the third, when Edens walked four men, and Willis, who replaced him, hit a batter. In the ninth, after two were out, a hit, a walk, and two hit batsmen allowed Trinity to score once more.

Vance Favor of Knox City has been visiting friends on the hill this week.

Special Car Will Carry Rooters to Game at S.M.U.

The baseball team is planning to go to Dallas to play off the postponed game with Southern Methodist University some day next week. Coach Cahoon also expects to arrange for a Glee Club concert on the same day in Dallas; if he succeeds, a special interurban car will be chartered, so that the Glee Clubbers, the band, and a crowd of T. C. U. rooters may all accompany the Horned Frogs and aid them in beating the Methodists.

Strong Rivalry.

Every effort will be made to take this game, for it will not be long before the rivalry between T. C. U. and S. M. U. will be as keen as it now is between T. C. U. and Baylor (if such a thing is possible). It will be Dallas against Fort Worth. Later in the season (May 16), the S. M. U. team will play a return game on our grounds.

Two Medics Out.

"Peanuts" McKee and Bob Baker, two medical students, are now out regularly, and add materially to the strength of the club. McKee is a classy infielder and Baker is a star of the outer garden.

Lose to Panthers.

Varsity played the Fort Worth Panthers a practice game last Monday, and pulled the little end of a 16 to 1 score. This was not discouraging, however, as "The Panthers" are one of the strongest clubs in the Texas league. Coach Freeland has made several shake-ups on the nine this week which have added much to the offensive strength of the Purple and White representatives.

Sick Men Back.

Harry Lee and "Red" Willis are now off the sick list, and are rapidly getting into shape for mound

T. C. U. GETS NEXT PRESS CONVENTION EVANS PRESIDENT

Because delegates from Stamford college to the Texas Intercollegiate Press Association convention at Abilene last week said that their school could not handle the meeting next year, the 1917 convention reverts to T. C. U., the next school in rotation.

T. C. U. Men Officers.

Three T. C. U. men were elected to office for the ensuing year. Alden Evans, publicity agent for the University and a member of The Fort Worth Record staff, was unanimously elected president on nomination of J. H. Monk, delegate from T. C. U. B. S. Smiser was chosen corresponding secretary and J. H. Monk was elected to fill the office of publicity secretary, which was created at the meeting at Abilene. These men have all served on The Skiff during the past two years.

Other officers selected at the meeting at Simmons College are William H. Sealy, Trinity, vice president; Ethel Thomas, Simmons, recording secretary; Jessie Wilson, Baylor, treasurer.

Monk Has Big Time.

J. H. Monk, T. C. U. delegate to the convention, returned with an enthusiastic story of the entertainment accorded the visitors at Simmons College during the two days they were there. Each of the delegates was called on for a short talk at chapel and was extended every courtesy that could be shown by college students.

Skiff Plan Praised.

During a discussion of college journalism in Texas it was decided that the idea put into practice by The Skiff this year of serving both as a newspaper and a magazine for literary material was the best plan for the college papers to follow when it was only possible for them to have one publication.

Monk gave a toast on "The Sword or the Pen" at the banquet held in connection with the meeting. His was one of the most popular speeches made at the banquet.

"The Texas Intercollegian," published annually by the State Association, will contain the minutes and program of the meeting and the prize poem, story and essay. Baylor won the prizes offered for the story and essay and C. I. A. won the prize for the best poem.

T. C. U. Student Awarded Dress-Up Week Prize

Miss Lola Edwards, student under Mrs. Cockrell in the art department, won the prize which was offered for the best dressed woman in Fort Worth during dress-up week. Miss Edwards also established a record by selling more tags to raise funds for Belgian relief than any other person in the city.

STUDENTS AND FACULTY ADOPT RESOLUTIONS ON DEATH OF PROF HAMNER

Resolutions on the death of Prof. W. T. Hamner, former member of the English faculty in T. C. U. and proctor of Clark hall, were adopted by both the faculty and student body last week after news of his death in Kansas City was received here.

Special services were also conducted in chapel in honor of his memory. Prof. Colby D. Hall and Prof. C. I. Alexander, who were fellow students of Professor Hamner in T. C. U. and were also on the faculty at the same time he was, spoke on the life of Professor Hamner and how much his work had meant to the University.

Copies of the resolutions were forwarded to his sisters.

Band Plays in Parade

The University band under the direction of Frederick Cahoon played in the parade which was held prior to the opening baseball game of the season in Fort Worth between the Panthers and Waco, Wednesday. The band added a good deal of zest to the occasion. The band members attended the game after the parade.

STUDENTS ATTEND SUPPER

More than thirty students attended the German supper given at the home of Carl Schilder on East Weatherford street by the Sons of Hermann Wednesday afternoon. They report that they had the best feast that has greeted their appetites in a long time. Mrs. Wirtz of Jarvis Hall stirred up considerable interest in the affair.

Homer Tomlinson, business manager of The Skiff, spent Sunday in Dallas.

GLEE CLUB TO SING AT GIRLS SCHOOL APRIL 15

According to word received from F. M. Bralley, president of the College of Industrial Arts at Denton, the students are looking forward to the appearance of the T. C. U. Glee Club there Saturday night with great joy.

The Glee Clubbers, after twelve days spent on the campus attending classes and catching up with their back work, will give their only concert of the week in the C. I. A. auditorium Saturday evening. The girls are preparing to give the boys a hospitable reception when they arrive.

They will return Sunday morning.
