TEXAS CHRISTIAN UNIVERSITY, FORT WORTH, TEXAS, FRIDAY, SEPTEMBER 22, 1916

NUMBER 1

LIVE SPEECHES MARK PROGRAM ON COLLEGE NIGHT

**Dr. Cockrell Makes Splendid
Speech; Yell Leader
Elected.**

The annual "College Night" meeting was held in the University Chapel Saturday evening, and was well attended by the entire student body and the faculty members. Willis McGregor, president of the student body, called the house to order immediately after a rendition by the orchestra, and in a few brief remarks laid before the house the cause and purpose of the meeting.

Following his address of welcome to the new students, nominations were entertained for the important office of College Yell-leader, and those elected for that office were: Jesse Martin, a student prominent in many college activities, and Gertrude Davies and Charles Christenberry his assistants. A few popular yells were then had to impress the new students and to give evidence of Mr. Martin's ability as Yell-leader-in-chief.

The presidents of the College Literary Societies were called upon to address the new students, and Mr. Gayle Scott, president of the Add-Ran Literary Society, made a brief speech in which he set before the audience the purposes of his society and the advantages to be obtained from a membership in such an organization. Mr. B. S. Smiser, president of the Shirley Literary Society, made an impressive address disclosing the potentialities of the Shirleys, and giving a harmless and amusing rallery to the "down-dog," meaning the Add-Rans.

Shirley Sweeney, Editor-in-chief of the Horned Frog, gave in a brief, effective manner the purposes and aims of the College Annual, and explained in detail the plan of payments, etc.

Coach M. E. Daniel made a stirring address in which he made known his hopes, and in which he disclosed the character of the material with which and out of which he intends to whip out a successful team or "accept the blame."

REV. EDWARD McSHAIN WAITS NEW T. C. U. PRESIDENT

**FORMER PASTOR OF MAGNOLIA AVENUE CHRISTIAN CHURCH ACCEPTS PLACE ONLY
AFTER REPEATED OFFERS FROM BOARD—UNIVERSITY HAS BEEN
WITHOUT PRESIDENT FOR NEARLY A YEAR.**

At a meeting of the board of directors last Wednesday afternoon, Rev. Edward McShain Waits, pastor for the last ten years of the Magnolia Avenue Christian Church, was elected president of Texas Christian University. This position has been repeatedly offered to Rev. Waits, who refused it each time, as he preferred to continue in his chosen work in the ministry. He has recently resigned as pastor of the Magnolia Church to

accept the pastorate of a Christian Church in Los Angeles, California. A special effort will be made by the board to secure the new president's release.

Rev. Waits accepted this responsible position only after he was made to feel that it was for the good of Christian education in the southwest, and for the best interests of the Church. The president-elect has always been a hard and earnest worker

for T. C. U. He is a member of the board, and was one of the leaders of a team which aided in raising the \$200,000 endowment fund for T. C. U. and the other affiliated Christian colleges.

With Waits as head of T. C. U., Fort Worth will rally stronger than ever before behind the University, as he has not only been for the last ten

(Continued on page 3)

INTERESTING PROGRAM GIVEN IN CHAPEL AT FORMAL OPENING

**Hon. R. D. Gage, President Cat-
lemen's Trust Co., Makes
Practical Address.**

The formal opening of the forty-third annual session of T. C. U. was held in the University chapel at 10 A. M. Tuesday. This most auspicious occasion was attended by five hundred students, the faculty, and their friends. Many members of the board of trustees were present.

Rev. J. W. Holsapple of Sherman opened the services with a prayer.

Prof. Carl Rupp Doering rendered a most pleasing piano solo.

The speaker of the morning was Hon. R. D. Gage, of Fort Worth, who delivered an inspiring and practical address. Mr. Gage spoke of success, and made the statement that "the man who succeeds is the man who has a burden on his shoulders, a man who gets under something and bears a load of responsibility." "Any man who has attained success has gone back to the primitive roots to find the meaning of a thing."

"Life in its broader meaning is correspondent to environment. You have a chance to do things, the way is open. It is a man's job to make a living. There should be no spendthriftiness in your life."

Mr. Gage submitted statistics showing the relative success of 100 men, average American citizens, beginning at their twenty-fifth year. From this can be seen the number of men successful in commercial and industrial life.

From twenty-fifth to thirty-fifth years: 5 had died; 10 were independent; 10 were wealthy; 40 were in moderate means; 35 were barely self-supporting.

At 45 years of age: 11 had died; 63 were self-supporting, and all but six were in poor means. Of these six, three were wealthy and three were fairly well-to-do.

At 55 years: 4 more dead; 46 barely making a living; 28 dependent; 3 wealthy; 3 well-to-do.

(Continued on page 3)

Dr. Cockrell, one of our most beloved faculty-members, gave a lengthy address in which he outlined all the possibilities and advantages derived from college training. He pictured in his characteristic way, his own life, showing the results of a dream of his father, and telling what might have been if he had had a realization of his own dream when a youth, thus teaching the lesson of obedience and submission to the superior wisdom of our parents.

Music was furnished throughout the meeting by the University Orchestra—an organization which has had an appreciable increase by the addition of a few more real artists.

SCRIMMAGE WORK ON THE GRIDIRON BEGAN THIS WEEK

**Football Material Looks 20 Per
Cent Better Than Last Year.
Coach Daniel Is Popular.**

Watching the football candidates get into shape under the trained eye and fighting system employed by Coach Daniel, is one of the most interesting sights on the campus at present. There are now thirty-seven huskies trying out for places on the squad, and among this number are

found fast ends and halves, three or four good kickers, and a large bunch of heavy, aggressive linemen.

Most of the material this year for Daniel to turn out a winning team from is made up of new men, and mostly high school material. The high school men, however, are some of the best in the state, and among the new men there are four or five giants who tip the scales over 200 pounds. Among these "bulls" are: R. D. Owens, a former Polytechnic football man, who, in spite of his weight, is extremely fast; "Pug" Calvert, of Amarillo, another big man who is far from slow, who can punt well, and who cannot be beat in line-plunging; "Big" Bond, a 250-opunder of last year's Bryant School; Carl Broadly, 225-pound man with plenty of fight and life; and "Ox" Kornegay, of last year's T. C. U. eleven, who will undoubtedly be one of the best linemen in the state of Texas this season.

From Vernon High, there are four good men. Berry, Wright, Liles, and Childress all look like first-class team material; Wright as a lineman, and Liles, Childress and Berry as back field men, bid fair to crowd all candidates. Berry is fast and will probably make one of the halves.

At quarter, Liles and Ogilvie are both showing class. Liles is fast and

(Continued on page 2)

PARKS BROTHERS WIN CHAMPIONSHIPS OF CITY IN TENNIS

**T. C. U. Boys Win With Com-
parative Ease in Both the
Doubles and Singles.**

In the annual city tennis tournament of Fort Worth, held week before last, Ben and Kirk Parks of T. C. U. won the city championship in doubles, and Ben Parks won in singles.

In doubles the Parks Brothers defeated several of the best tennis teams in the city. Among those defeated were Peterson and White of the star Polytechnic team, who lost two straight sets after winning the first in the most spectacular games of the tournament, the score being 12-10. After this the Parks boys had easy sailing, winning in a walk from Blume and Martin, another Poly team, and then in finals defeating Collins and Reynolds; the score in finals was 6-3, 6-2, 6-2. This series of sets proved to be a sensation, as Collins has the hardest serve and smash of any player in the southwest; but by steady and consistent playing, Ben and Kirk let them have

(Continued on page 4)

TO THE FACULTY AND STUDENT BODY OF T. C. U.

TED ROBINSON

This is the first chance I have had to submit a communication to the Skiff. This statement will be accepted as an obviously true one for the reason that with this issue, the Skiff makes its first voyage this year on what newspaper men call "A Sea of Journalism." I take this means to welcome the faculty and the student body back to Fort Worth once more, and to extend that welcome so as to embrace the young ladies and gentlemen who are to constitute additions to our student body.

It gives me great pleasure that I am privileged to deliver this address through your valuable columns at your "regular advertising rates," because having made previous donations, I have acquired the habit. Then again, I am always ready to contribute my small mite to the achievement always worthy of our good old T. C. U. Come to think of it, it is not as old as it might be nor is it as old as it will be, for the T. C. U. has not only found an abiding place in the hearts of the faculty and of the student body, but in the hearts of the good people of Fort Worth and in this part of the country at large. Therefore, it will grow in its good works and achievements that will make us all increase in pride for it, as the years shall go on and grow in number.

In delivering this address, which I would make longer but for limited space "and a lean pocket-book," let me as an outsider but well wisher, admonish you to develop the institutional and college spirit. This much I have dared to say for the reason I know your chances for success over ambitious rivals in college athletics were never better, for with the material which we have for our Football Team, we will make the wearers of the "good old Purple and White" be proud of us. Our prospects were never better for a winning team and with the old college spirit that always prevails at T. C. U. and the proper backing of the student body, we will defeat all our rivals, ESPECIALLY BAYLOR.

Mr. Cahoon is to be congratulated and thanked by the student body for his untiring efforts in gathering together the splendid material for a Championship Football Team. Coach Daniels' knowledge of the game and ability to handle the men needs no comment. Then again, with such men as dear old Captain Gish Martin, a heavy line and a fast back field, we are bound to win.

Wishing you one and all a happy, prosperous and victorious year, I will close with these few remarks: "We must beat BAYLOR."

TED ROBINSON.

ANNUAL FEAST
OF CLARKS HELD

When Clark meets Clark, the occasion is always a joyful one, and when that meeting is directly concerned with providing "nourishment" for T. C. U.'s new girls, there is simply bound to be a good time. Late Saturday night the historic bell summoned all "new girls" to the annual Clark Feast, which was spread in the center of the Jarvis Hall parlors, leaving just enough room around the edge for everyone to find her plate of 'goodies' and a place to sit.

As the chief decoration, the C. L. S. monogram spelled out in fruit proved a decided and novel hit. Before the jolly crowd had settled down to eating, however, the quartette was heard outside, and music overcame appetite. Perhaps the boys sang from hunger, for a "hand-out" from the spread seemed to quiet them instead of arousing them to further efforts, as the girls had hoped.

During the repast Miss Inez Hudgens and Miss Alva Lee Mars furnished music, and afterward friendships were formed, and short talks were made by Miss Una Stark and Miss Bernice Holmes. At a late hour the party broke up amid expressions of appreciation on the part of the new girls, and general congratulations from all on the success of the evening.

CLARK HALL MONITOR
INTRODUCED TO BOYS

At a meeting of the Clark Hall men last week, Dean Parks and Mr. John Anthony, the new proctor, outlined the plans and rules of conduct upon which the Hall will be managed this year.

Mr. Anthony, in his talk to the boys, showed that he understands and loves boys, and that he wishes the roomers of Clark Hall to look upon him as a friend, and not a "boss." He stressed the importance of clean rooms and the punctual keeping of the study hour. Mr. Anthony also appealed to the upper-classmen to aid him in making Clark Hall a true home, telling them that he expected as much of them as he did of himself.

The University is indeed fortunate in securing the services of this man, as he is thoroughly acquainted with the conditions and needs of young men in a boarding school. Mr. Anthony has been a student in the Texas Normal, and last year completed Junior law work at Texas University at Austin.

Dean Parks, in introducing the new proctor to the young men, stated that Mr. Anthony comes to T. C. U. highly recommended, and that he was selected over several worthy applicants.

CO-ED ALMOST KILLED;
SAVED BY T. C. U. SENIOR

J. B. Nedham, a senior this year, is doing his part for T. C. U. One of the most loyal acts he has done so far is to persuade one of Fort Worth's fairest young ladies to change her college plans and come to Texas Christian University instead of attending Baylor. He may have done this for selfish reasons, but T. C. U. is benefited just the same. Nedham is taking first year medical work in addition to his courses toward his degree.

SCRIMMAGE WORK
ON THE GRIDIRON

(Continued from page 1)

a sure tackler, and Ogilvie is famed for his heady playing.

With such big linemen as are mentioned above out for the line, and also such men as Hawes (174 lbs.), Stangl (166), Vaughn (192), Greines (205), Douglas (172), the Purple and White line this season should average about 185 pounds.

Indications at present point to a fast, but rather light, set of halves and ends. Criss Elliott, Dutton, Shady Hale, "Shorty" Vaughn, Murray, and Bob Whittington are all showing speed on the ends. Whittington, of Bryant School, is showing special class. At halves Daniel has been working nearly every one of his fast men off and on. Barry and Nelson look sure to be two on the backfield squad, and Dillar, of Albany, and Myers also show up well. Nelson is playing better football than ever before, and, if he keeps up through the season the playing he is doing in scrimmage work now, he will be an all-state man. Gish Martin (capt.) has been unable to scrimmage lately, as he threw his knee out of place last week, and it is giving him serious trouble. He is having a brace made, and hopes to be in old time form before long. However, he may not be able to play in the first few games.

Coach Daniel is giving the boys strenuous workouts every day. Scrimmaging has been in order since Monday. "Dan" is well liked by every man on the field, and has the personality which puts pep and fight in a team.

It is impossible to mention every good man out for the squad. The whole bunch looks 20 per cent better than last year's material.

INTERESTING PROGRAM
GIVEN IN CHAPEL
AT FORMAL OPENING

(Continued from page 1)

At 65 years: Total of 36 deaths; 4 wealthy; 1 extremely wealthy; 6 self-supporting; 53 dependent on charities.

At 75 years: Total dead 63; of these, 60 left no estate; two have lost their fortunes; only three are rich, and 64 dependent. Thus, 97 out of 100 swim a while and go down. Three out of 100 secure and hold wealth.

"Take life as you find it and bend it to your will."

"Practise real, genuine self-denial."

"Live within your means and never put on a front not in harmony with your means."

"Beware of the temptation of letting wealth overshadow and overwhelm life itself."

These three great postulates were recommended by the speaker:

- 1st, Faith in God;
- 2nd, Belief in the immortality of the soul;
- 3rd, Freedom of will.

Following the address, a vocal solo was listened to, with violin obligato by Prof. Frederic M. Cahoon.

Mr. T. E. Tomlinson, President of the Board of Trustees made a brief, interesting talk in conclusion.

Rev. A. E. Ewell of Palestine, pronounced the benediction.

WELCOME HOME

We take this opportunity of extending to you our greetings for the coming season, and express to the students who have traded with us in the past our thanks for their patronage. To those who are not acquainted with us, we wish to say that we are this season better prepared than ever before, having added a special Misses, Junior and Girls Department, devoted exclusively to wearing apparel for the school girl. We are the sole agents in Fort Worth for the "Betty Wales" and "Radimaw" dresses. Garments known all over the world for their serviceable and at the same time good qualities.

We trust you will again favor us with your patronage, which will at all times have our most careful and prompt attention.

years a great social worker in the city but has always heartily co-operated in every progressive movement of the city. He is a builder and an organizer, the type of man Texas Christian University needs. Before coming to Fort Worth, Rev. Waits built a \$50,000 church, and drew to it a large and splendidly organized congregation. Since coming to the Panther City, he has in the last decade built the Magnolia Avenue Church, one of the city's largest houses of

worship, with a membership of considerably over a thousand.

Besides being a man of great executive ability, Rev. Waits is an able writer. Sympathetic and broad-minded, he is a man who is peculiarly fitted to act as a leader in college life.

ATTENTION, STUDENTS!

The SKIFF is the mouth-piece of the STUDENT BODY. It is your publication. Have you paid your dollar subscription? If not, see the editor at once.

Have you been out to see the football men work out? Yes, we're going to have a great team, and it's up to each student to back the boys.

BAR ASSOCIATION ELECTS OFFICERS FOR FALL TERM

The Bar Association met last Friday afternoon in Dr. Cockrell's class room on the second floor of the main building. Several new members were admitted.

As the president of last year's Bar Association is not in T. C. U. this year, Jesse Martin was elected temporary chairman, and the election of officers for this year took place.

The following men were elected: Jesse Martin President; Ralph Martin, Vice-President; J. A. Raley, Secretary; and J. N. Baldwin, Treasurer.

The Bar Association will give a banquet in honor of the new law students at the Westbrook some time in the near future. They have also planned an "Opossum" hunt for this fall. Various committees were appointed by the President to arrange for the banquet and other events.

The law department is looking forward to a very successful year. Many new students have enrolled, and most of the old students have returned.

NEW STUDENTS ENTERTAINED BY OLD STUDENTS

Reception Held in Jarvis Hall.
 Tongue Dance Feature of the Program.

On Tuesday evening, September 19, the "Old Students' Reception" proved to be the occasion of much merry-making in the parlors of Jarvis Hall and the surrounding territory.

With the Seniors formally bedecked, and the under-classmen of last year doing their best to appear dignified before the new students, quite a variety of personality was witnessed. However, the first few moments of newness had worn off for the "Fish," and the upper-classmen became aware of the fact that their dignity was passing unnoticed, the atmosphere assumed more the density (or should it be 'rareness') of a family reunion.

The parlors were appropriately decorated, and convenient bowls of punch were kept in the hall. The University orchestra was on hand as usual and contributed appreciably to the evening's enjoyment.

One of the peculiar—yet pleasing—features of this year's reception was the most hearty participation of the new students. The early receptions of the collegiate year are usually looked on with just a bit of awe by the new Freshmen, but this time they were in the very heart of the enjoyment. This spirit denotes the growing of that element of Democracy that T. C. U. has been so proud of in the past, and shows that we are making rapid strides in the abolishment of "college clans."

The program of the evening consisted of sixteen "tongue dances," and at the termination of the last dance, "most everybody had met and enjoyed most everybody," and the reception was pronounced the best in recent years. It is hoped that the new students now feel more at home, and that this annual affair will cause as close a feeling between these two classes of students in the future as it has on the present occasion.

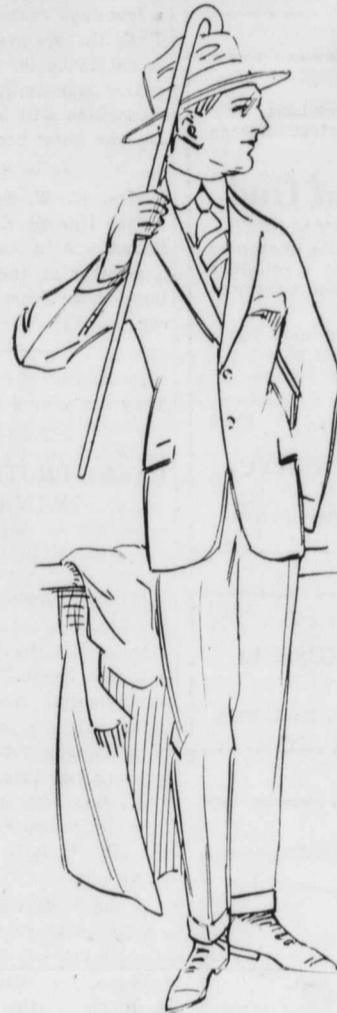

The Official T. C. U. Drug Store

Welcomes all of you back again. We know the "Old" students will all come in to see us. We want the New ones to also make themselves at home this year at Renfro's. Whether you need anything we sell or not, come make your downtown headquarters here.

**FRIENDS OF BIVINS
GIVEN BIG SURPRISE**

Surprising news was recently received of the marriage of Julian Bivins to Miss Berneta Wilson, both of Amarillo. This union took place on the 18th of August, although the relatives and friends have been denied the privilege of knowing it until now. Mr. and Mrs. Bivins left Sunday for Colorado, and, to quote Jude, "to stay until folks get through talking about it." All the same, we wish these two young people all the happiness and blessings that true old T. C. U. friends can wish.

Bethany Overmier, of Aledo, spent a few days visiting her old friends in T. C. U. We are all sorry that Beth is not to be in the University this year. Her smiling face and happy disposition will be greatly missed by all who knew her.

Mrs. H. W. Stark, of Gainesville, visited Una Stark this week while the Board was in session. Mr. Stark is a member of the Board. They motored down from Gainesville in their car.

Patronize SKIFF advertisers. They are your friends.

**PARKS BROTHERS
WIN CHAMPIONSHIP**

(Continued from page 1)

only seven games out of the twenty-five played.

In singles the T. C. U. boys again led the bunch. Both players won every match until they met each other. In one set Kirk allowed one of his opponents only a few points, winning two love sets. In the semi-finals Ben demonstrated his old style form by defeating his older brother 6-1, 6-1. Usually these two play just about even.

In the finals Ben won from Collins, always being on the safe side. The score as 6-1, 6-2, 4-6, 6-2.

These two tennis phenoms will be in T. C. U. this coming year, and have demonstrated their ability to hold the college championship won last year by Tomlinson and Pirkle. The city tournament always includes some of the best players in North Texas, and T. C. U. is justly proud of the boys who, for the first time, won the handsome loving cups for the University. These two cups are given by Alta Vista Creamery of Fort Worth. The runner-up in singles was awarded a fall hat by the Lubin Clothes Shop.

Indications at this time point to an unusually strong tennis team this year, and Coach Cahoon expects to arrange several interesting matches with Texas colleges. The two new courts will soon be completed, and tennis sharks will be given a chance to make the team. With such old men back as Pirkle, Faulkner, Smiser, Crain, and Munday, and such new netmen here as Elliott, Hale, Ramsauer, Popinoe, Brooks, Jagoda, and others, nothing less than a first-class tournament is looked forward to.

In a few days the Tennis Association will be formally organized and all new men are cordially invited to enter as members.

ANNOUNCEMENT.

Monday evening, at 8 o'clock, the Annual opening joint program of the Shirley-Walton Literary Societies will be given. You are cordially invited.
