## T. C. U. WINS CHAMPIONSHIP IN STATE TENNIS TOURNAMENT

Parks and Parks Win Exciting Match From Thomas and Thomas of Texas University--Six Institutions Represented--Ben Parks is State Champion.

In one of the most hotly contested tennis matches ever seen in this part of the State, the Parks brothers of Texas Christian University won the finals in doubles from Thomas and Thomas of State University.

The match was played on T. C. U. courts Thursday morning and from the time the referee called play until the last stroke ended the contest there were thrills in rapid succession that gave the large crowd of students out to witness the game plenty of material for excitement.

Both teams were evenly balanced and played well together. The Parks boys supported each other in faultless fashion and kept well up to the net most of the time. Ben Parks by his vicious drives and Kirk Parks by his careful placements kept the State boys on the defensive during most of the playing. The Parks brothers were good at drives from the middle of the courts and whenever a lob fell the least bit short they would kill it.

After losing the first game the T. C. U. representatives took the first set handily by the score of 6-3. The second set zigzagged to three all and then the State players took the next three games in quick succession.

It took eighteen games to win the last set.

### BEN PARKS WINS OVER S. THOMAS

Ben Parks, the younger son of Dean Parks, began a winning streak when he first started in the singles, and did not stop until he had disposed of his last and most formidable opponent, Sellers Thomas of Texas University. It took Ben only two sets to establish an undisputed claim to the title of college champion of Texas. In the first set, Thomas displayed some of his old-time form, and Parks was forced to exert himself to win, 6-4. In the second set, Ben played the fast Texan off his feet, and won with

### FLAG POLE WILL BE UP BY FRIDAY EVE.

Will Be Tallest in Fort Worth--\$45  
Flag Will Float Over Campus.

By Friday the tallest flag pole in the city will float over the campus of T. C. U. It will be 106 feet high and will be made of strong steel pipe. The pipe has already been joined together, and a twelve-foot hole has been dug to receive it. Flag-raising exercises will be held on the green in front of the Main building Friday evening.

### LEON SPRINGS MEN LUNCH AT MET. HOTEL

Are Guests of Fort Worth Ad Club--  
Capt. Musgrave Speaks.

The young men who have been accepted for the Officers' Training Camp at Leon Springs gathered around a well-provisioned board in the Metropolitan Hotel as guests of the Fort Worth Ad Club last Wednesday at noon.

Just before lunch was served this crowd of volunteers arose and sang "The Star-Spangled Banner."

Capt. Musgrave Speaks.

Captain Thomas Musgrave, the recruiting officer for the Fort Worth district, was the speaker of the occasion. In a calm, clear, and decisive manner, he outlined what he considered America's present position and duty.

"Shall we send an army to France?" asked the captain. He then answered his own question by asking, "Can we do anything else?"

"Don't be misled by newspapers when they tell you of English and French successes. Trenches are arranged in a manner similar to the tables before me, and when one trench is taken another just as strongly fortified is before the Allies."

"I predict an army will be there

### T. C. U. RANKS THIRD IN PROH. CONTEST

In the State Prohibition Contest held at Baylor University last Friday evening, T. C. U. was awarded third place. First honors went to the Baylor representative, and second to S. M. U. W. L. Thornton of T. C. U. delivered a splendid speech and was given first in delivery.

### BASEBALL GAMES ARE CALLED OFF

Due to the fact that the majority of T. C. U.'s athletes have answered the nation's first call, all athletic events for the remainder of the year are suspended. This took effect last week and resulted in the canceling of the Austin College games in baseball. Practically all the universities and colleges of the nation have taken a similar action.

### The Star Spangled Banner

Oh! say, can you see, by the dawn's early light,  
What so proudly we hail'd at the twilight's last gleaming,  
Whose broad stripes and bright stars thro' the perilous fight,  
O'er the ramparts we watch'd, were so gallantly streaming?  
And the rocket's red glare, the bombs bursting in air,  
Gave proof thro' the night that our flag was still there.  
Oh, say, does that star-spangled banner yet wave  
O'er the land of the free and the home of the brave?

On the shore, dimly seen thro' the mists of the deep,  
Where the foe's haughty host in dread silence reposes,  
What is that which the breeze, o'er the towering steep,  
As it fitfully blows, half conceals, half discloses?  
Now it catches the gleam of the morning's first beam,  
In full glory reflected, now shines on the stream;  
'Tis the star-spangled banner: Oh, long may it wave  
O'er the land of the free, and the home of the brave.

Oh! thus be it ever when free-men shall stand  
Between their loved homes and wild war's desolation;  
Blest with vict'ry and peace, may the heav'n-rescued land  
Praise the pow'r that hath made and preserved us a nation.  
Then conquer we must, when our cause it is just,  
And this be our motto--"In God is our trust!"  
And the star-spangled banner in triumph shall wave  
O'er the land of the free and the home of the brave.

## CREDIT WILL BE GIVEN TO ALL WHO ANSWER THE CALL

Resolution Passed by Faculty Thursday Makes it Possible for  
Students to Return Later and Complete  
Their School Work

In conformity with a petition presented by under classmen who have enlisted in the Officers' Reserve Training Camp and other branches of the United States military and naval service, the Faculty at its regular meeting on Thursday voted to allow all such men to receive credit in full for the work of the spring term, provided their general standing warrants such action. The actual carrying out of this resolution will rest with the classification committee, and each individual will be dealt with on his merits. The action of the Faculty means that a student enlisting now will be able to return at some future time and take up his work without having to do again the work of this spring term. This solution of a very vexing problem is especially satisfactory to a good many members of the Junior

Class, who faced the possibility of failing to receive a commission from the training camp and at same time being compelled to do an extra term's work before receiving Senior standing next year.

So strong has the demand for suitable material become that many under classmen are being accepted for the Officers' Reserve Training Camp and many T. C. U. men are applying. President Waits reports having received a letter from General Pershing in command of the Southern Department at San Antonio, commending the school for the spirit of loyalty as shown by the number of enlistments. Many students have also enlisted for the navy, for National Guard and for the artillery corps. A reception for the recruits will be held in the parlors of Jarvis Hall on Friday night.

## T. C. U. IS SENDING HER SHARE TO LEON SPRINGS TRAINING CAMP

Group of Seniors and Juniors, and Several Law Students  
Have Been Accepted. A Few Leave Sunday Night,  
but Majority Will be Here Until Wednesday.

### FEW THINGS NEEDED AT TRAINING CAMP

No Trunks or Elaborate Wardrobes  
Will be Necessary.

An interview with the secretary of Captain Musgrave revealed the fact that no one in Fort Worth knows definitely just what should be taken to the camp at Leon Springs. The following information, however, was made known to The Skiff reporter and will prove helpful to the accepted men:

Broad-toed, heavy tan shoes should be procured before leaving Fort Worth and if possible be already "broken in." Any good durable high-topped shoes on a straight last will serve, provided it is tan. Shoes should be close fitting, and above all things, comfortable.

A good supply of underwear, (no especial kind) and closely woven tan socks are necessary. As to the need of civilian clothes, the secretary said, "The suit you wear down there will be all that you will have use for."

Eight men will be assigned to each tent. Transportation and sleeper accommodation should be provided for at once, for a large crowd of recruits will be going down every day from now on. The M. K. & T. is making a special rate of \$5.50 to crowds of 14 or more. Those who are planning to go with the T. C. U. crowd Wednesday night should attend to the matter immediately. Berths will be only \$1 per man where two take one berth, making the fare \$6.50 in all. The government will reimburse the men later.

The uniform and hat will be furnished to the recruit when he arrives at camp. A deposit of \$10 will probably be exacted. The secretary said the expenses at the camp would be very light, about \$30 to \$35 covering the entire three months. Each man will be expected to provide himself with towels, needles and thread, shaving outfit, note book and pencils, comb, soap, etc., before he leaves home.

The fare to Leon Springs from San Antonio is 60 cents.

By the end of next week the number of young men in the Senior and Junior Classes of T. C. U. will be sadly diminished, for a large number have been accepted for the Leon Springs Training Camp. Some of these men must report by the 8th, while others--the majority of them--must be "in harness" by the 10th.

### Registration Ended.

The accepting of men for this camp ended Wednesday evening, May 2nd, when Captain Thos. C. Musgrave received a telegram from General Pershing stating that a sufficient number of men had been signed up.

Following is the list of T. C. U. men accepted:

Willis M. McGregor, Alden A. Evans, Shirley Sweeney, Charles W. Christenberry, Tom Paul Sweeney, Ralph D. Martin, Gayle Scott, Harry Bradford, John C. Nelson, Hugh Brewster, Gus Patison, William R. Snow, Heywood Leveridge, Rayford Hills.

### T. C. U. ALUMNI RESPOND TO CALL

So far seven graduates of T. C. U. have entered the service in the last week, and others are making arrangements to do so in the next few days.

Six of these seven are going to the Leon Springs Officers' Camp. They are Herbert B. Bozeman, Crawford B. Reeder, Joseph W. McNamara, Aubrey Cooper, Virgil Payne and Birge Holt. Thomas Hopkins, well-known athlete of T. C. U. in years gone by, will also enter this camp.

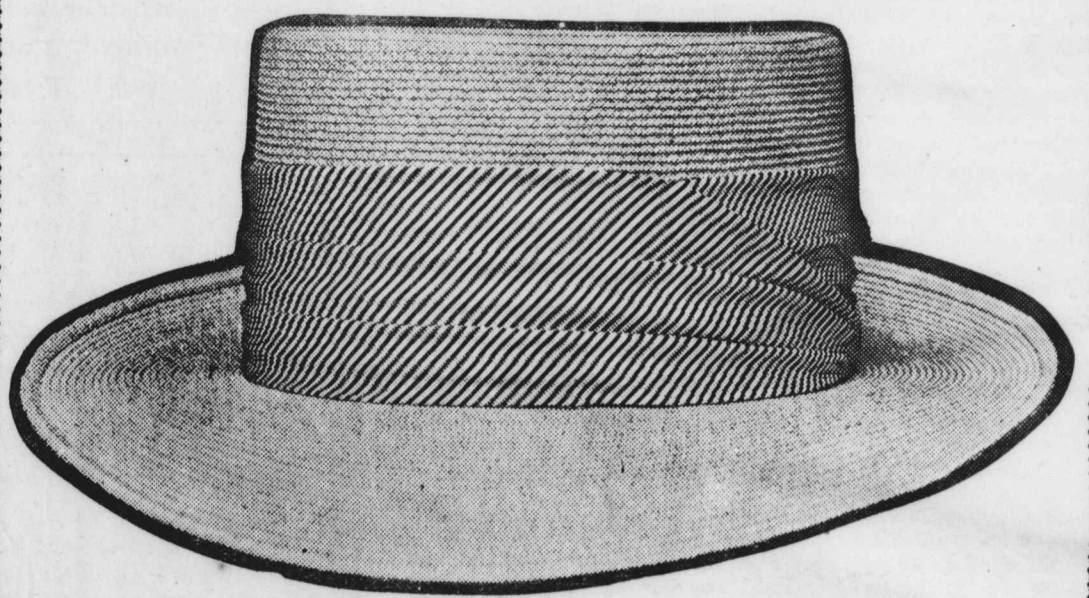

Arran Griffing, '15, is a member of the National Guard.

### CLARK HALL GETS ITS SPRING CLOTHES ON

The windows of Clark Hall have been honored with a new coat of white paint, and then dressed up in brand new screens. The boys' hall now looks like a new building. In spite of the war, Mr. Durrett goes right on "beautifying and renovating."

### FAREWELL RECEPTION TENDERED YOUNG MEN

The young ladies of Jarvis Hall will tender to the boys registered for the Officers' Training Camp a farewell reception in their parlors Friday evening at 7:45. Elaborate arrangements are being made to make the young men remember the occasion as a bright spot in their college lives.

## STAFF THIS WEEK.

Dr. W. H. Batson, Prof. J. A. Crain, Ruby Douglas, Vestal Tompkins, M. E. Daniel, Karl Broadley, F. M. Cahoon, Inez Hudgins and Thos. Hamilton.

"The Star-Spangled Banner" is published in this issue in order that no student will have a valid excuse for not knowing it next time it is sung in chapel. If you are too lazy to learn it, cut it out and carry it around with you.

The Faculty resolution which gives academic credit for the term to all those of good standing in T. C. U. who enlist in any branch of national service is further evidence that T. C. U. educators are ready and willing to "do their bit" for their country.

However, this action of our Faculty must not be taken by the under classmen as a sign that they are being encouraged to rush into the army or navy before school is out. The call has been made for Seniors and upper classmen, but as yet America is not in a situation so serious that under classmen must drop their school work and enlist. It is not unpatriotic to wait until the government shows you where you will be of the most use. Pursue your studies until June, then go home and talk the matter over with your parents.

T. C. U. can say without boasting that she has the highest flag pole of any college in Texas. "Old Glory," from its point of vantage 106 feet from Mother Earth, lends a patriotic atmosphere to our campus. And the flag was hoisted before the boys left for Leon Springs. Verily, the best laid plans of mice and men do not always go wrong, do they?

T. C. U. and Texas University of Austin have enjoyed some tough scraps this year. In the State Oratorical, Texas won first place and T. C. U. second. In baseball, Texas beat us in two games by the narrow margin of one score. Now in the State Tennis Tournament, the Purple and White again fights it out with the Orange and White, and this time T. C. U. comes out on top. Soon T. C. U. and Texas will be given a class by themselves.

Now that a great majority of the young men of the upper classmen are leaving to serve their country, student body positions and "jobs" will be left to the ministerial students and to the young ladies—and, yes, to the married students. It is easy to see where the heavy end of the burden will fall. (Get to work, young ladies; you're the goats).

Too much should not be expected of the students during these unsettled times. With a large number leaving soon for the Officers' Training Camp and others off for the navy or light artillery; with the German submarines becoming a greater menace each day; and a conscription plan already being perfected, who could be expected to quietly and serenely read history or ethics and latin?

Our new concrete band stand is proving to be more than just an ornament for the campus. The weekly concerts on Friday evenings are thoroughly appreciated by the students and furnish a most enjoyable entertainment for the campus strollers.

Virgil Payne of Esteline, one of last year's graduates, is visiting T. C. U. He has entered the Officers' Training Camp.

Clyde Tomlinson, '16, visited his friends on the Hill last week.

The father and mother of Gayle Scott were up from Lufkin for a few days last week.

## SKIFF WILL HAVE FIVE NEW EDITORS

The present pilot of The Skiff will leave Tuesday for the Leon Springs Training Camp. The Skiff, however, will continue to float. It will be edited each week by a member of the staff. The students who will act in the capacity of editors are: William Jones, Morgan J. Davis, Paul Pirkle, Karl Broadley, and Miss Lillian Randle.

There are other members of the staff who would prove equal to the occasion, but who are already deep in other duties that prevent them from taking the responsibility. The departing editor feels confident that the subscribers will be furnished with a better paper during these last few weeks.

The regular staff is requested to aid these issue editors in every way possible. A list of those whom the editor has found dependable and capable reporters is given here for the benefit of the special editors:

- W. L. Thornton—Errata.
- Ruby Douglas—Jarvis Hall.
- Karl Broadley—Chapel.

## NORTH SIDE WINS THE DECLAMATION CONTEST

Contest Held by T. C. U. Interscholastic League Proves Close.

Miss Rena Hutchinson, representing North Side High, won the first prize of \$15, with the subject, "Our National Flag;" and Miss Eglantine Dacus, representing Central High, won the second prize of \$5, giving, "America, a World Power," in the declamatory contest among the High Schools of Tarrant County, held last Saturday night in the Auditorium of T. C. U., under the T. C. U. Interscholastic League. The prizes were furnished by the T. C. U. Oratorical Association. A few schools that had promised to enter did not do so on account of closing out before the time for the contest. This, we believe, is the beginning of a great movement towards the extension work of the University, which will benefit both T. C. U. and the schools in general.

T. C. U. is glad that the Committee on Public Speaking saw fit to start this plan, and we are very much indebted to professor Cantrell, chairman of the League, who has spared no means to make the movement a success.

In addition to making this an annual event, it is purposed next year to add debating, essay writing and various athletic features.

## THE LENGTH OF THE CONFLICT.

It is argued by a few hesitating students that the T. C. U. students who are planning to enter this training camp are acting hastily, that probably the war will be over in a year, or less than a year, and their services will not be needed; or, if they are needed, they can go later, after school is out.

To those who hold these views, we wish to remind that the United States is actually at war, and will remain actively so until the cause of the Allied forces is triumphant. We are not on the defensive. The great foreign minister, Balfour, had hardly set foot on the American continent before he said: "The Americans must not for one moment believe that they are entering a bloodless war." President Wilson has not, by a single act, left the impression that we are to enter the war half-heartedly. All our vast resources are to be at the disposal of the Allies, and armies will be sent to the European battle front. Decisive, wholehearted action on America's part is absolutely necessary to end the war as quickly as possible. Furthermore, America must feed the Allied nations, and if she allows the war to drag on for several years by a defensive and unresponsive attitude, a world famine will likely be faced, and defeat for the democracies might follow.

If you still cannot realize that we as a nation are entering seriously and gravely into a terrible fight that may last as long as five or six years, read this editorial from The Houston Post:

Spain is taking care of the interests of almost every one of the belligerent countries and Spain knows more of the actual conditions than any other nation can know. Senor Gimeno, Spanish minister for foreign affairs, has no reason for any endeavor to mislead any of the powers in the conflict. On the contrary, we trust him to express the actual condition of affairs as he views them. And Senor Gimeno says the war's end may come next year but "even that is a matter of doubt."

The United States is in the war and will be in it to the end. And it is best that the people of the United States realize now the gravity of the circumstances which have been forced upon them by the acts of Germany.

We are entered directly into the middle of a war which, in the opinion of the best informed, will surely last two years and which may not be ended within five years. We are facing conditions amounting to actual famine among some of our most valuable allies. Should we supply their needs—with only present supplies available—we will, ourselves, suffer the pangs of actual hunger.

The problem of war munitions—excepting food only—has been solved. We shall have plenty of guns, plenty of ammunition and plenty of transportation facilities. But without food for ourselves and for the European nations with whom our interests are now identical, these other munitions will avail us nothing.

We must prepare immediately to feed ourselves and fully a like number of the people of France and England and Italy and Portugal. This is a matter in which all the people have a part—and the people must do the work now. Every day that passes is making it more difficult to adequately prepare for a monster 1917 crop of foodstuffs. But this year is not the end of our need. We must have bumper crops in each of the succeeding years—or we shall fail in our duty to ourselves and to the world. Food and yet more food will be the cry during every year of this war—and the farmers of the United States must be ready to meet the need.

## STUDENTS ENJOY PLAYLETS COACHED BY SENIORS IN ORATORY

On Wednesday evening the Footlights once more very delightfully entertained a good sized audience with two playlets, "A Pan of Fudge," and "Not a Man in the House."

"A Pan of Fudge" was a winning little play with the familiar setting of the room of the college girl. Some fine bits of work were done by Gladys Richards and Lucille Routh. Other members of the cast were Marion Allen, Mamie Watson, Beatrice Rabe, and George Keach Payne. The play was admirably coached by Ruby Walker, Senior in Oratory.

"Not a Man in the House" was a clever little drama of unusual interest. Mrs. Maria Bings—Thelma Smith—insists that a man is an absolutely unnecessary "article" to have in the house, and bravely she kills the mouse and efficiently repairs the leak. But between her younger unmarried sister, Lucy (Izetta Allen), her pretty niece, Jessie (Carrie Crisp), and Aunt Belinda (Ruth Duncan), and the incorrigible Kate (Ireta Robinson), who had a "second cousin policeman," she was forced to break her rigid rule and admit that a man was rather necessary at times. Masal Jeffers coached this play.

## HORNED FROG SOON WILL BE OFF PRESS

The University Annual, "The Horned Frog," will be off the press in about two weeks, and the entire college year may be reviewed from artistic pictures in one sitting.

Both Shirley Sweeney and Willis McGregor are rushing the work in order to complete everything before they leave for the Officers' Training Camp. Sweeney has already received most of the proofs, and from those the editor of The Skiff has seen, T. C. U. will have the best annual in many years.

The final payment has been due for some time, and those who have neglected to pay should see one of these two men as soon as possible.

## Music Notes

Last Tuesday a company of Mrs. Cahoon's former pupils from Dallas spent the day with her, and in the afternoon a musicale was given in which each one took part. Those present from Dallas were Mrs. W. C. Padgett and daughter, Miss Marie; Miss Myrtle Roach, Mrs. Will Lawther and Miss Mabel Cranfill. Others taking part in the program were Miss Inez Hudgins, who played, and Misses Una Stark and Vestal Tompkins, who sang.

Miss Katherine Bailey of Dallas is to give a recital under the auspices of the Music Study Club on Monday, May 14th, for the benefit of the bandstand fund. An admission fee of 25 and 35 cents will be charged. The program will appear in these columns next week. Miss Bailey is a pianist of much distinction, having appeared twice in concert with the Chicago Symphony Orchestra. She studied with Harold von Mickwit in Chicago.

Wednesday night Mrs. Cahoon is to sing at the City Temple in Dallas before the Federated Music Clubs of Texas, the accompaniments to be furnished by Guy Richardson Pitner. She will sing Cadman's "Call Me No More"; Carey's "Spring Morning," and the Staccato Aria from the "Magic Flute."

Friday night, May 11th, a graduating recital in piano will be given by Miss Inez Hudgins, a pupil of Carl Doering. She will give the following program:

- I.
  - (a) Bach—English Suite in A Minor, Prelude.
  - (b) Beethoven—Sonata Opus 14, No. 1.
- II.
  - (a) Schumann—Novelette No. 5.
  - (b) Schumann—Romance in F Sharp.
  - (c) Liszt—Soiree de Vienne.
  - (d) Liszt—Consolation No. 3.
  - (e) Liszt—Dance of the Gnomes.
- III.
  - Glazounow—Theme and Variations, Opus 72.

Look for a calendar in this paper giving dates for all Fine Arts recitals.

#### TO T. C. U.'s SOLDIERS.

Tuesday night, May 8, some ten or fifteen of the leaders in the student life of T. C. U. answer the call to the colors and entrain for Leon Springs Camp. Lubin's Clothes Shop wishes for every one a most successful training. In this time of national crises Lubin's joins with the University and the friends of these men who are first to answer the call to the front, in rejoicing that it is the College Men and the best in T. C. U. that are going to fight for the colors.

We would like to see all of you in our store before leaving. If there is anything we can do to serve you, let us know.

While at the Camp, if you need anything in our line, just drop us a card and it will be our pleasure to fill your order by return mail.
