

FROGS SCUTTLE PIRATES' VESSEL

UNDEFEATED CHAMPIONS OF THE T. I. A. A.

Nine Straight Victories Give Frogs Coveted State Position

The Texas Christian University Horned Frogs have completed a season of thrilling affrays, and above all, a season of gloriously victorious games. The year for T. C. U. has been one of the most exceptionally brilliant in the history of this institution. To those shrewd coaches who sized up every victim far in advance, who drilled the men by the hour on the peculiarities of the opposition, who gave every atom of wit to the end that T. C. U. might turn out the best team in history, belongs the unreserved gratitude of every loyal supporter. To Driver and McKnight is due a large portion of the credit for the great Purple and White successes, and then to the men, every last one of whom is a football player that any school would be proud of. They sacrificed their time and energy for the glory of the school. Every single day they would go out there in the field and roll in the mud and bite in the dust and work and fight, and then at night they would, according to training rules, go straight to bed so as to be in the best of condition. They denied themselves things that they longed to have, and they put everything they had into the uphill fight for athletic supremacy. And then when they were in the game they would fight and fight, with that old never-give-up spirit. And with the finest of spirit they did all for the old school, and T. C. U. is proud of them. Every man did his bit.

From the very first game, that with Durant Normal, they got into the winning stride, sending the Normalites home with a goose egg as compared to T. C. U.'s 20 points. And then came the strong Austin aggregation, who have won considerable laurels this year. T. C. U. defeated them in a good game by the score of 9 to 7. But nobody realized just what kind of a football combination T. C. U. had in 1920 until the Horned Frogs administered a drubbing to Arkansas on their home field with the score of 19 to 2. That woke them up and nobody was surprised when the Trinity Tigers got the axe at the rate of 20-7. Phillips University had a good team and held the Christians to one field goal, but the crowds had a thriller when T. C. U. beat the all-star aggregation from the American School of Osteopathy, score 13 to 3. And then on November 13, the Frog machine spread agony all over Baylor-town when they gave the Bears a severe drubbing, returning home with the large end of a 21 to 9 score. Simmons College passed under the yoke to the tune of 31 to 2. And then came on the eleven from Southwestern University and with its wagon hitched to a star. It ran into another combination consisting of eleven luminaries, and everyone knows the result.

FEMALE GLEE SINGERS PLAN WINTER TOUR

Miss Cooper Has Club in Good Condition for the Trip.

Miss Bertha Ann Cooper has scored a signal success within the past few weeks in getting the Girls' Glee Club in condition for a concert tour, and the result is very pleasing. The club gave several numbers in chapel Wednesday morning, and was forced to respond to repeated encores.

Following its opening concert in the auditorium, Monday evening, December 6, the glee club will start out for its winter tour, opening in Dallas on the 7th. Following is the itinerary as worked out by Dean Carroll C. McKee of the Fine Arts Department: December 8, Waxahatchie; Dec. 9, Ennis; Dec. 10, Corsicana; Dec. 11, Waco, and Dec. 13, Hillsboro.

The organization is said to be in excellent condition for the tour. The program will be varied, and the club numbers will be interspersed with readings, violin and vocal solos. Following is the program which will be given on the opening evening here, and although it is subject to change, it will be substantially the same throughout the tour:

"CHILI" RECOVERING FROM OPERATION.

"Chili" McDaniel has returned to T. C. U. after a serious illness at his home in Plainview, having recently undergone an operation for appendicitis. Although he is forced to use a cane as an aid to locomotion, he is improving rapidly, and is expected to be entirely recovered in a short time. "Chili" is one of the best first basemen that ever covered an initial sack, and it is sincerely hoped that he will be in trim when the baseball season opens.

Rally in Last Four Minutes of Struggle Nets Two Counters

Defeat Turned into 21-16 Victory as Darkness Settles on Panther Park. Fowler's Headwork Features.

With only a few minutes remaining and darkness fast closing in, Jackson gathered in a difficult pass and through a broken field ran the ball fifty yards for a touchdown, turning defeat into victory, saving T. C. U. the glorious record of nine victories and cinching a clear title to the T. I. A. A. championship.

The final score was 21 to 16. In the last quarter, with eight

Christin Thurmmond Sponsor at Game

Miss Christine Thurmmond, the popular sponsor of the undefeated champions, made the first kick-off in the big Thanksgiving Day game. She and her retinue were conducted by the famous T. C. U. pep squad to their special stand on the field, which was decorated in the prettiest colors in the world, Purple and White. Her party consisted in the Misses Audrey Ferguson, Marjorie Glascock, Lena Sherley, Dorene Gee, Leona Crain and Mabel Hel-lums.

minutes to play, the score was 16 to 7 in favor of Southwestern, and nothing short of two touchdowns would turn the trick. The Pirates were confident, and everything looked blue for T. C. U., but the old team with that fighting, never-say-die spirit that has been a terror to more than one football team this season, just couldn't be beaten, and came across with an irresistible rally. They accomplished the miracle, and won the game. "Boob" Fowler was responsible for the touchdown that started T. C. U. on its home stretch for forty yards and carried the pigskin to the Methodists' 2-yard line, from which the hard-hitting Ryan put it over. Fowler was also the man who launched the pass that brought victory in the last few minutes, and when individual honors are being doled out, Fowler certainly has his share coming to him. He played a consistent game, and general-ed his team in good fashion. In the punting department, Wylie Harris had a shade advantage on the Pirate. Rowson was ruled ineligible by President Henley of the T. I. A. A., due to the fact that he registered at A. & M. last year. Douglass played his usual great game, and as captain he kept the team on its toes. He showed up as a pillar of defense, and by his brilliant tackling and alacrity in dopping out even beforehand proved beyond a doubt his right to the center position on the mythical all-Southwest-

ern eleven.

Southwestern University made the first counter early in the first quarter. The Pirates made the kick-off and after three downs, Harris attempted a punt, which was blocked and recovered by the Methodists on T. C. U.'s thirty-yard line, from which position they carried it over by steady gains through the line, and kicked goal. T. C. U.'s touchdown came soon after.

T. C. U. received the kick-off and marched down the field to the one-yard line but there lost the ball. Harris received the Pirate's punt and in a mighty run carried the ball to within one foot of the goal. Ryan put it over. Acker kicked goal, as he also did following both the other touchdowns. Score 7 to 7.

The remainder of the second quarter, although Harris got loose for a forty-yard gain and then gathered in a pretty pass for a twenty-five yard gain, failed to develop any counter. After see-sawing back and forth during the third quarter, the period ended with the Methodists in possession of the ball on the Purple and White ten-yard line. Morse, the luminary of the Southwestern aggregation, carried it across from this point, and goal was kicked. Harris received the kick-off and returned it to his own twenty-yard line. T. C. U. was then penalized to its own ten-yard line. In the next play, Douglass passed low and Jackson recovered his own fumble behind the goal line. Score 16 to 7, and the game nearly over. It was growing dark, and some misinformed fans began to file out of the grandstands, thinking the game was over. But many things were destined to happen in the last few minutes of this quarter, and it will find a place alongside the celebrated fourth quarter comeback in the Osteopathy game, when T. C. U. snatched victory from defeat in a thrilling, spectacular way. The first symptom of the brewing Horned Frog whirlwind came when Fowler galloped through the entire Southwestern eleven for a fifty-yard gain, putting the ball on the 2-yard line, Ryan delivered the necessary 2 yards and Acker kicked goal. Score 16 to 14. T. C. U. resorted to its only possible chance, that of an aerial attack, in spite of the difficulty of seeing the ball. Fowler launched a short left end pass, Jackson gathered it in from the darkness and raced right down the field for the touchdown that meant more than a mere single victory. It meant a clean slate, and championship, and the end of a perfect season. It was the climax of the most successful season Texas Christian University has ever known.

FOX CINCHES POST-SEASON CENTRE GAME

Assistant Athletic Director Visits Camp of Praying Colonels.

P. F. Fox, assistant athletic director, who is responsible for football being placed on such an efficient business basis this season, returned from Danville, Ky., the first of this week after clinching the game with Centre College for January 1. The object of his visit to the home of the Praying Colonels was to bind them to an agreement that they would play no other team than the Horned Frogs in Texas this year. He was even more successful than he hoped for, inasmuch as he secured a game with the Kentuckians not only for 1921 but for 1922 as well.

There were several drawbacks in the way of securing the game with Centre, Mr. Fox says, but these were easily brushed aside by his personal visit to the Colonels' headquarters. They were undecided as to whether it would be better to play the winner of the Texas-A. & M. classic or the winner of the T. I. A. A. from a financial standpoint, but Mr. Fox convinced them that when the Frogs should have gone through the season undefeated, all eyes would be centered on the Christians in the New Year's battle.

T. C. U. stands a wonderful chance of holding the mighty Colonels to a close score, and many fans go so far as to wonder if the Kentuckians are not in danger of defeat. The Horned Frogs have played phenomenal football this season, demonstrating their ability to win against odds. At all events, an interesting game is promised gridiron enthusiasts.

RUBY WALKER DOING WELL AFTER OPERATION

Miss Ruby Walker, one of the most popular of the new students, is reported recovering rapidly from an operation for appendicitis, performed several days ago at St. Joseph's Infirmary. Friends of the young lady hope to see her pretty face on the campus again soon.

Panther Park this season turned out to see the Turkey Day battle, and they were fully entertained by the cleverest pep squad in the state. The pyramid drill made by the pep squad between halves is something new in this line.

DR. SOUTHWICK DELIGHTS MANY WITH ARTISTRY

Eminent Reader Gives "The Rivals" Before Large Audience.

Dr. Henry L. Southwick, president of the Emerson School of Oratory, Boston, Mass., charmed a large audience composed of students and Fort Worth patrons in the auditorium Tuesday evening with a masterful interpretation of the comedy, "The Rivals." This play is said to be the eminent entertainer's masterpiece, and his execution of the clever comedy here did not belie his reputation.

Following his physician's advice, Dr. Southwick remained seated during the greater part of the performance, a circumstance which made his interpretation at once more difficult and more remarkable, for he so completely lost himself in his parts that he made his audience see stage setting, action, and everything within the small space of four square feet. The reader portrayed his characters so faithfully and with such attention to detail that it was little trouble to follow his quick changes without an introduction.

After the reading of the play, Dr. Southwick was entertained with a reception in the Art Rooms by the Woman's Club of the University. He greeted very cordially the interested persons who followed him upstairs for the privilege of meeting him, and told a story which was greatly enjoyed by the guests.

The Oratorical Association, led by J. Quincy Biggs, head of the Department of Public Speaking, was responsible for the appearance of the great educator here, and Mr. Biggs says that the venture was a financial success, justifying the confidence of Dr. Southwick in coming to Fort Worth without a stipulated guarantee. Dr. Southwick was here last year, and delighted two audiences with his charming interpretations.

The athletic field at Cornell University is equipped with a lighting system in order that practice may be carried on after dark.

Devoted to the promotion of a wholesome spirit of co-operation within the walls of Texas Christian University first, last, and all the time. Pledged to the support of high ideals. Committed to the task of reflecting the progress of the school in such a way that the outside world may be convinced that T. C. U. is the center of real and broadening culture.

PLAYING FOR TIME.

We don't bet. But if we did, we would wager a small sum that the Southwestern Pirates went back to the wreckage of their dismantled vessel sadder and wiser cut-throats. They had paid a costly penalty for losing sight of the goal and playing for time. They had played for time when their two points margin should have cried out, "Play for the goal!" They had played for time and allowed a touchdown when a touchdown meant defeat. They had played for time when playing for time meant the sacrifice of a championship.

On the other hand, the Frogs were fighting with nothing but the goal in sight, and that only figuratively, for the failing light defied the eyesight. They played for a touchdown when a touchdown looked as improbable as snow in mid-summer. They played for a touchdown when a touchdown meant a season of unbroken victory. They played for a touchdown when a touchdown meant the T. I. A. A. championship. They played for a touch-

down because they deserved nothing less than victory. And they made it. When "Boob" Fowler tossed that oval into the air in the general direction of Jackson, he must have done it with the aid of the mythical sixth sense, and when Jackson gathered it in from the darkness, he might have been aided by the light which shone from his own stellar football personality. But they made it. They played for a touchdown and they made it.

The tragedy of playing for time is enacted over and over again, and is not confined to the athletic stage. The student who jogs along, playing for time, content with a "C", satisfied just to get by, often wakes up to find that Failure has sailed around him for a touchdown. The business man who builds up a measure of success in his field, then becomes a player for time, and thinks to deceive the public with half-way service, is on the road to bankruptcy. The physician becomes a player for time, allows the undertaker to cover up a few of his mistakes, and if he is fortunate enough to escape the penitentiary where he belongs, he is overtaken by Old Age and downed on the line of Mediocrity and Quackery. The same is true of every other profession. On the other hand, the man in any walk of life who plays for the touchdown, despite the fact that he knows that the whistle will go any second, despite the fact that he can't see his fingers before his face, is the man who emerges from the scrimmage victorious.

PATRONIZE SKIFF ADVERTISERS.

It is nearing Christmas time. Have you thought of gifts yet? At this time of the year naturally our minds turn in this direction, but this year let us all be loyal in purchasing our gifts and our clothes that we are going to wear home Christmas by buying from Skiff advertisers and from

them only. Next week in the Skiff there will appear a classified list of Skiff advertisers, and from this list pick your places to purchase your Christmas things. It is as disloyal for T. C. U. students to trade at houses that do not support us as it would be for a member of the pep squad or a football man to lie down on the job at a game, and so let's all notice who are our advertisers and patronize them. They are back of the old University and are all interested in T. C. U. The firms that do advertise with the Skiff should have T. C. U. trade.

A STANDARDIZED EXISTENCE.

A visitor at large, I stand,
Beneath a standard sky—
Where everything is standardized
To please the standard eye.

Each tree is of a standard height,
Each building is the same;
Each man is uniform in weight,
And has a standard name.

Above there is a standard star
Beside a standard cloud,
And standard weather here prevails
To please the standard crowd.

The airplanes, motor cars and trains
Are standard to a T—
And only boats of standard make
Can sail the standard sea.

In standard moonlight lovers flout
Their standardized delight;
With standard cats meow about
With standards boots in sight.

Such perfect uniformity
Exists throughout the land,
That birth itself is standardized
To meet the great demand.

With standard joy, and standard gain,
The standard people live;
And if there is one bit of pain,
'Tis such that standards give.

And when with pallid, measured art
The undertakers come,
The standard spirits all depart
To standard spirit-dom.

Miss Todhunter Will Present "Experience"

Miss Elliott Todhunter Popular and Efficient Head of the School of the Spoken Word Will Read "Experience"

Much pleased comment has been aroused by the announcement that Miss Elliott Todhunter, director of the School of the Spoken Word, will deliver a cutting of George V. Hobart's famous play, "Experience," on the University stage, Wednesday evening, December 1. According to Miss Todhunter, the time of the presentation of the play as she has cut it will be seventy minutes. She declares that "Experience" is an example of the most intricate technique known to the playwright, and that it is for this reason that she has determined to give it. Due to the large number and variety of the characters portrayed, she points out, it is extremely difficult for one actor to interpret all without introducing each speech, but that is just what Miss Todhunter will endeavor to do. Those who have heard the director in some of her other difficult readings believe that she is quite equal to the task of being any one of the characters of "Experience" with ease and credit.

An interesting thing in connection with the great morality play, which has taken its place among the half dozen of the most successful plays ever produced, is the fact that "Experience" played to exactly \$12.75 at its second performance in New York City several years ago. In the face of adverse criticism and the natural tendency of the public to shy at anything approaching a morality drama, its managers, by dint of nerve and perseverance, finally enlisted the endorsement and the aid of the ministers of the great city, and made "Experience" the foundation of more than one fabulous fortune. Thus it may be seen that it is impossible to anticipate the tastes of the public, when a play, written originally in one act to entertain members of the Lambs' Club at their Gambol, becomes the favorite production of a nation.

Miss Todhunter comes from the famous Leland Powers School of the Spoken Word, of Boston, Mass., and is introducing the Powers system in T. C. U. The system is recognized as the most effective in existence, inasmuch as it is designed to develop the individuality in the student rather than to encourage imitation and this, Miss Todhunter declares, is absolutely essential to effective interpretation of literature. Under her direction, the School of the Spoken Word is steadily growing with the increasing understanding of the meaning of the term, and is at present one of the best organized departments of the College of Fine Arts.

MONDAY IS T. C. U. DAY AT HIPPODROME

Through the efforts of the Horned Frog Staff the Hippodrome theatre has been secured next Monday all day as T. C. U. day. Thursday of the same week is to be T. W. C. day, and a prize of \$50.00 is to be given to the school having the largest attendance. This money is to be used toward building up the athletic section of the Horned Frog, a section that has always heretofore been neglected. The house will open at twelve o'clock and remain open until eleven in the evening. It is the duty of every T. C. U. student to hold Monday open and go to the Hippodrome. Not only will you see the best picture in town but you will be doing something worth while.

The story is that of an old tramp, "Honest Hutch," the laziest man in the world, who does nothing but fish all the time. He finds a pack of money, fifty one-thousand-dollar bills to be exact and has to go to work to be able to bank the money. It is a farce from the beginning to the end, and if you want to really see a good picture with Will Rogers playing, don't fail to go Monday to the Hippodrome.

Inter-collegiate boxing contests are being arranged between some of the Eastern schools. Boxing is a coming college sport. Will T. C. U. fall in line when the new gym is completed?

Not a Dissipater.

A small henpecked, worried-looking man was about to take an examination for life insurance.

"You don't dissipate, do you?" asked the doctor, as he made ready for the tests; "not a fast liver, or anything of that sort?"

The little man hesitated a moment, looked a bit frightened, then replied in a small, piping voice:

"I sometimes chew a little gum."

It is interesting to note that

the Austin College men didn't stage such a walkover down at Trinity yesterday as some had expected, the score being 21 to 9. The Tigers chalked up two more points on the Kangaroos than they made against the Frogs, at that.

Girls' Glee Club Is in Splendid Condition for Successful Winter Tour

T. C. U. is fortunate this year in having some of the best musical organizations in her history. Not the least of them is the Girls' Glee Club, a likeness of which group is reproduced

above. The club will give its first program in the auditorium, Monday evening, December 6, and will leave immediately for its winter tour. The club is un-

der the able direction of Miss Bertha Ann Cooper, head of the Department of Voice. Reading from left to right, the members of the club are: Top row, Pinker-

ton, Garrett, Robison, Mantooth, Pettey, Leaverton, Barron, Conklin, Allen. Bottom row: Tobin, Miller, Payne, Reagan, Big-

From the Saturday Evening Post Story of Garrett Smith

MONDAY IS T. C. U. DAY!

The student body and Alumni of T. C. U. are all going to the "get together meeting" to be held at the Hippodrome all day. Try to get in early and don't forget the best girl.

Wednesday—"It's a Great Life."

Sport Dope.
Last Saturday put the finishing touches into the gridiron seasons of the North and East.

With winter coming on early, most of the squads arranged their final games for the Saturday preceding Thanksgiving.

Harvard administered the K. O. to Yale, and claims the Eastern championship, in spite of the fact that Princeton held them to a tie. Likewise, the University of California defeated Stanford University in their annual game and fell heir to the title of the far-West. Harvard and California will meet in a New Year's day battle at sunny Pasadena, in an inter-sectional game of nation wide interest. Last year when the inter-sectional was set, Harvard defeated the University of Oregon by a comfortable margin.

The Oklahoma Sooners have, according to general concession, in spite of the fact that the Kansas Aggies held them to a 7 to 7 tie, the strongest team in the Missouri Valley conference. Arrangements are being made for the Sooners to meet the Ohio State Buckeyes, Big Ben champs in a post-season set-to. It has not been decided where this game will be played.

With all these games being arranged between the title holders over the country, what is the matter with a grid battle between State University and T. C. U.? Coach Driver has already signified his willingness for such a match, and it can hardly be argued that T. C. U. hasn't the caliber of team to meet said winners. From a pecuniary point of view this game would certainly be a drawing card. Can it be possible that they are afraid of the Horned Frogs?

Merein in a suggestive way, the Skiff thinks that it would be only befitting that the student body of T. C. U. in recognition of the glory and honor that its football warriors have brought to the school, should tender a magnificent banquet in honor of the best football team in the South (of course, it is meant, south of the Northpole). A remarkable showing deserves a remarkable recognition. Let's show the world how proud we are of the football heroes, who by their tenacity and spirit, have come out on top in nine difficult battles.

With all the Turkey Day bat-

les now over and the gridiron season of 1920 completed, the sporting editors and other critics have turned their attention to the choosing of mythical elevens. It is expected that T. C. U. with a record of nine victories, and no defeats, no ties, will place several of these honorary combinations. Chief among the contenders for all-Southern are Douglass and Rowson. Of all-State caliber are Spiller, Acker, Fowler, Meyer, Harris, Ryan and Jackson. It is not too much to claim that every man in the Frog line-up is good enough man for a place on one of the all-State teams, either first, second, or third.

Exchanges.

The soccer football season has started at Iowa State University.

The students of Northwestern University have dedicated a bronze memorial tablet in honor of the World War veterans and also those who gave their lives for the cause.

Pennsylvania has 67 institutions of higher education, this being a larger number than any other state can boast. Illinois is second with 59. New York has 54, Ohio 53, and Missouri 41.

The Eastern Inter-collegiate

Basket ball League, including Yale, Princeton, Columbia, Cornell, Pennsylvania, and Dartmouth, have received application for admission from Syracuse and Harvard.
