Letter to Roosevelt  
Some Problems  
15 Reforms  
Administration

BY BYRON B. BUCKERIDGE  
Student Body President

September 17, 1937

Dear President Roosevelt:  
I realize what you are up against; both of us were elected to office by a big majority; both of us came into leadership following many years of do-nothing Republicanism; both of us set up reform programs that the people had long wanted, but long been denied; both of us must fight representatives of the people who have refused to legislate in the interest of the masses; both of us have been branded radicals and communists; both of us have been accused of working behind a brain-trust; both of us have had to combat dried up conservatives, deadhead Republicans, and antique collectors.

We are up against the same problems—only your area is the United States while mine is the T. C. U. campus. Mr. President I have been welcoming some new citizens to our student government; I told them we wanted to fight for reforms in our college life. Some people thought I meant to take up guns and start shooting, but all I really meant was to enthrone and interest these new freshmen in our school democracy.

I wanted to give the students something they have long wanted at T.C.U.—a live, acting, fighting, progressive Student Council. I wanted to live up to what my supporters expected of me—to rid student government of the yes-men, blind men, deaf men, and visionless men. A hundred of my citizens have asked me to get things done around this school, so I asked them what they wished done and this is their answer:

1. New Student Council Advisor.
2. One o'clock Saturday night dates for Jarvis girls.
3. Club room in Administration Building.
4. Optional chapel attendance for seniors.
5. More telephones at Jarvis Hall.
6. Trophy case in Main Hall.
7. Name the football stadium.
8. Sound system for chapel.
9. Re-write the student body constitution.
10. Co-op book exchange by mid-year.
11. Three chapel cuts per semester.
12. Student directory for 1937-38.
13. Office for student officials.
14. Drive for Student Union Building.
15. Dances in the Library.

Sincerely yours,  
B. B.

To the Students:

I know this—that the members of the administration are human. Their job is to represent the school as the Student Council's job is to represent the student body. I have learned that the administration is far from unreasonable toward student requests. In fact, I have found the different members of the administration working harder in behalf of student interests than student representatives in many cases.

Sincerely yours,  
B. B.

## Wanted: Talent In Female Form For KTAT Show

Notice! Girls wanted!  
The staff of KTAT is forming an all-girl unit of entertainers for a variety show program. Auditions will be held Wednesday in the T. C. U. Radio Studio, Room 307.  
Singers, instrumentalists, dramatists and others are all invited to try out for places in the unit. Also, there will be a try-out for a girl announcer of the program.

## Freshman Prom Will Inaugurate Social Calendar

Vaughan's Dictators To Furnish Music Tomorrow Night

Admit Frosh Free

Decorations Are Built Around Bizarre Lighting Effects, Winkler in Charge.

The annual Freshman Prom will open the season's social calendar at 8:30 o'clock tomorrow night in the basketball gymnasium.

The 10 formal proms will be followed by a tag dance. Music will be by Kenneth Vaughan and the Dictators.

Freshmen will be admitted free, but the regular price of 40 cents will be made to upperclassmen.

Activity tickets will be presented at the door. Outsiders must have a permit from the Dean of Women.

Football as Markers

Under the big friend-little friend plan, sponsored by the Y's, prom stations around the floor will be marked by purple footballs with white letters. The boys will find their prom partners under the first letter of her "big sister's" last name.

A list of big and little friends may be found on the bulletin board in the Main Hall.

Decorations will be built around bizarre lighting effects. Carleton Winkler of Casa Manana will be in charge of the lighting, Byron Buckeridge, student body president, has announced.

Committee in Charge  
A dance committee composed of Miss Helen Connor and Truitt Kennedy, Byron Buckeridge, Richard Poll and Abe Walker are in charge of arrangements.

Official chaperons will be Profs. and Misses C. A. True, W. G. Hewatt, and J. W. Ridings, but the entire faculty is invited.

After a consultation with all club presidents, the Student Council gave the Frog Forensic Fraternity the management of the cloak room. The Y's will have charge of the cold drink stand.

## Prof. Sherer Elected Sponsor of Council

Kennedy Made Temporary Dance Manager, Subject to Approval After Prom.

One dollar!  
That will be the penalty imposed on any Student Council member who fails to attend meetings this year. Student Body President Byron Buckeridge announced Monday at the first regular meeting that all provisions of the constitution would be strictly adhered to this year.

In the called meeting Saturday, the opening of the year, the first requirement of the constitution was carried out by electing a Student Council sponsor. Prof. C. R. Sherer was elected to the post.

No permanent committees have been appointed, but Truitt Kennedy was appointed temporary dance manager. His appointment will be subject to approval after the Freshman Prom.

Besides President Buckeridge, other members of the Council are: Abe Walker, vice-president; Miss Ann Day Jarvis, secretary-treasurer; W. A. Welch, C. H. Richards, Richard Poll, and Charles Mosshart, senior representatives; George Cassidy, Pete Becker and John Richards, juniors; and William Black and Woodrow Duckworth, sophomores.

The graduate representative will be elected at the next meeting. The freshman president will also take a council seat after his election.

## New History Course Offered by Dr. True

A course in the study of the early period of Greek and Roman history is being offered for juniors by Dr. Allen True.

This is the first time that a course of this type has been offered.

## Prof. Ridings Calls For Skiff Manager

Miss Jerry Watson, editor-elect of The Skiff, was not able to return to school because of ill health. Because of this, the Student Council has appointed Paul Ridings editor. An election was not called because Paul is the only student in school eligible for the office.

This appointment of Ridings as editor leaves the office of business manager of The Skiff vacant. The faculty committee on Publications will meet at 12:30 p. m. tomorrow (Saturday) in Dean Colby D. Hall's office to appoint a manager.

Students interested in applying for the position of business manager should notify Prof. J. Willard Ridings, publications chairman, immediately.

## 55 Applications For Frog Band

Appearance of Group Pleases Director Don Gillis

The swing steps, the trucking music and even the "Susie-Q" will be in the Horned Frog Band's bag of tricks when they make the football trip to New York Oct. 23.

Fifty-five applications for membership in the band have been received by Don Gillis, the director.

"This is the best looking band that we have had and I expect top performance from the entire group," says Gillis.

One public appearance has been made by the band at the football show, held in the stadium, last week, and practice has been started more than two weeks.

With the naming of Tom Barber, clarinet player, as drum major this year, the office of secretary-treasurer was left vacant. An election to fill the position will be held this week.

The scholarship members of the band are Wayne Dunlap, trumpet; Rex Beene, trumpet; Kenneth Vaughan, trumpet and arranger; William Herring, trumpet; Laurence Schink, baritone horn; Jack Wiggins, trombone; Ellis Henderson, trombone.

H. C. Hudson, trombone; Gayle Pond, french horn; Hershall Gibbs, flute; Ellis Mercer, oboe; Robert Glaze, bassoon; Jack Harrell, base; Paul Lipscomb, drums; George Campbell, drums; Jimmy Petty, clarinet; Don Hayes, clarinet; Bob Spencer, clarinet; Bill Douglas, clarinet, and Earl Henderson, trumpet.

The assistant directors are Dunlap and Petty.

## T. C. U. Will Present Dallas Radio Program

The music department will present a program at the Gulf Studios Sunday, Sept. 26, in connection with the Dallas Exposition.

David Montgomery and Wayne Dunlap will be featured on the program. W. J. Marsh will have charge of numbers by Texas composers.

## WELCOME FRESHMEN

BY PRESIDENT E. M. WAITS.

The President, the Board of Trustees, and the Faculty of Texas Christian University extend to the Freshman Class of 1937 their warmest greetings.

You are among the greatly privileged youth of our nation who are to be trained for leadership. Only about 5 per cent of the youth of our nation have the privilege of college training, yet according to the latest edition of "Who's Who" out of that 5 per cent comes 83 per cent of the nation's leadership. Texas Christian University specializes on four fundamental features in its educational program. First, providing the best possible cultural and intellectual training; second, permeating this training through and through with the highest idealism; third, giving competent guidance and practical preparation for the work and the duties of tomorrow; fourth, developing a deeper and fuller appreciation for those values and activities most worth while, so that life may be made richer and more abundant.

A growing and complex civilization calls for trained citizenship, a richer and more effective life. You have chosen the surest road to reach this goal. It will bring you broad vision, genuine wisdom, a fine spirit of democracy with genuine emphasis on character and service. These are the principles that count today as well as tomorrow in the building of a better world. To these privileges and opportunities we bid you welcome.

## T.C.U. Students Will Reach 1500 By Second Week

Evening College Makes Preparation for Increase

1000 In Day School

Transfers Show Pick-up Over Previous Years—Two New Dorms.

Not since 1929 has T. C. U. had as large an enrollment as this semester.

"Three deakers" will make their appearance in the boys' dormitories if the students insist on having a minimum amount of sleep with their studies. The girls have the edge on the sleeping proposition, however, as they have two new houses with brand new mattresses.

Registrar S. W. Hutton reports that the enrollment will be in the neighborhood of one thousand regular students and some five hundred early college students.

The freshman enrollment totals some four hundred, while the number of transfer students shows an increased gain over previous years.

Several new instructors have been added to the teaching staff and more student helpers have been placed in the library to help care for the horde.

## Carter Addresses 1st Fall Chapel

The formal opening chapel of the new school year was held this morning, with President E. M. Waits presiding.

The program was opened with a prelude by the orchestra, followed by the "Alma Mater."

A devotional period of scripture and prayer was conducted. Two special musical numbers followed. David Montgomery, accompanied by Miss Betty Dyer, gave a violin solo. The orchestra, with Prof. Claude Sammis directing, presented "School Days."

Three short addresses were given by prominent Fort Worth citizens. Amon G. Carter, publisher of the Fort Worth Star-Telegram; Jack Hott, secretary of the Chamber of Commerce, and Frank Ogilvie, president of the Ex-Students' Association, spoke.

New faculty members were introduced by President Waits.

While chapel seats have not yet been assigned, Miss Eula Lee Carter, announced that permanent seats will be assigned by the first regular chapel, Wednesday, Sept. 22.

Members of the board of trustees will hold their annual fall meeting following the convocation chapel.

## Bruce Banks' Father Dies in Marshall

Bruce Banks has been delayed in his return to school because of the death of his father, Judge E. Banks of Marshall, who died Monday.

## GOODBY SLINGING SAM

The final goodbye and best wishes to the Frogs' famous Sam Baugh as he left for the professional grid warfare came from Miss Edmonia Smith. The Washington Redskins finally met the all-American quarter's terms, and he was forced to resign from his post as Polliwig coach. To replace Baugh, Walter Roach, captain and star end of the 1936 team, was appointed by the athletic committee of the Board of Trustees.

## 6 Lights Bought For Decorations

Carleton Winkler to Advise During Installation

The administrative committee yesterday approved the purchasing of six colored flood lights to be used as permanent decorations at the Baseball Gymnasium for all the school dances. The lights will be installed in time for the Freshman Prom.

Carleton Winkler, who is in charge of the lighting effects of the Casa Manana Revue, will supervise the installation. The lights are the same type that are used in Casa Manana.

The football colors of the Southwest Conference will be blended so that they will hide the rafters and seats in the building. The lights will be placed one in each corner and one on the front and back walls. They will be connected to two circuits so that a more varied combination of colors can be made.

If the lights do not operate as they should the Student Council and administrative committee will cancel the order and use the \$125 for other things they deem necessary.

## Crowded Condition Of Jarvis Reduced

Dormitory Now Has One Student Over Capacity—Assistant Hostess Is Named.

The crowded conditions of Jarvis Hall have been reduced from seven students over capacity to only one.

This year there are 70 freshmen, 32 sophomores, 15 transfer juniors and several other upperclassmen who have attended the University before, living in Jarvis.

Mrs. Beulah Boggess is an assistant hostess at the girls' dormitory. This is her third return to Jarvis Hall. During the last 23 years Mrs. Boggess has acted as a matron in college dormitories and Y. W. C. A.'s.

During the summer the floors were varnished and the walls repainted in all the rooms. Miss Shelburne has refurnished her suite.

Miss Leta Bonner has completely renovated the infirmary. She carried out a brown and white color scheme in her selection of curtains, bedspreads and comfortable chairs. This year Miss Bonner has as her assistant Miss Elma Cudlipp.

## Evening Classes Hold First Meeting of Year

The initial meeting of all Evening College classes was held last night. Students assembled in the Auditorium at 7 o'clock for a general program, and then went to classes at 8 o'clock.

Dr. A. L. Boeck, Evening College director, reports that an enrollment of more than four hundred is expected. Forty faculty members are offering 50 courses in 16 departments.

## President Waits To Speak Sunday

President E. M. Waits will be the principal speaker at the convocation services Sunday at the University Christian Church, the Rev. Perry Gresham, pastor, has announced.

Mrs. Jack H. Bailey, director of music, and Mrs. J. E. McKinney, soprano soloist, will be presented in a duet.

## "Mud-Slingin'" Is Menu Next Week

Frosh Petitions Should Be in by Wednesday Noon

Freshmen get their first chance at campus politics next week. Petitions for class officers are to be secured.

The freshmen election will be held under the 1935 election law, which requires that candidates for all offices must present petitions signed by 20 members of the class.

The deadline for frosh petitions has been set for next Wednesday noon. No candidate will be eligible for election if his petition is not in the hands of either Byron Buckeridge, student body president, or Miss Ann Day Jarvis, student body secretary by that time.

Members of the class of 1941 had the election procedure explained to them by Buckeridge at a special meeting Wednesday. This was the first class meeting of the school year.

Buckeridge emphasized the value of electing progressive, capable leaders rather than popular leaders. He also stressed a thorough campaign.

Officers to be elected are president, vice-president and secretary. The voting date, which must be two weeks after the petition deadline according to the election law, will be announced in the next Skiff.

## Pep Rally Is Planned As Send-off for Team

The first pep rally of the year will be held at 5:30 p. m. Wednesday at the T. & P. Railroad Station, Jack Murphy, head yell leader, has announced.

The football team will leave at 6 o'clock for Columbus, Ohio and the Ohio State game.

The T. C. U. Swing Band will be present and Amon G. Carter, publisher of the Star-Telegram, will speak. Coaches Dutch Meyer and Mike Brumblow, and Capt. Mason Mayne and Co-Capt. Glyn Rogers will also speak.

Jack Murphy and his assistants, John Stanley and Stanley Wilson, will be in charge of the rally.

Murphy said that town students will go in their cars and that special busses will be provided for dormitory students.

## Two Are Named To Take Classes Of "Prof. Mac"

Courses to Be Taught By Dr. Porterfield, Rev. Gresham

Memorial Rites Held

Waits, Hall, Gresham Eulogize McDiarmid as "Teacher and Scholar."

The Rev. Perry E. Gresham and Dr. Austin L. Porterfield will take over the duties of the late Prof. E. W. McDiarmid in the department of philosophy, but it is doubtful if anyone will ever fill his place on the campus as a man.

The passing of his great life at 11:20 a. m., Sept. 5, was not only a great loss to T. C. U. but to the Southwest Conference as well, for Prof. McDiarmid guided the conference well in his two years as its head.

When Prof. McDiarmid was eulogized in a public service of tribute at University Christian Church at 5 o'clock last Sunday evening, it was revealed that he had almost completed a book on philosophy, which he had said was to be his masterpiece.

Because his long service as professor has contributed much to the advancement of T. C. U. as an educational institution, and

Because his advocacy of sports and good sportsmanship has been an invaluable aid to athletics in T. C. U., and

Because his friendship and advice to young people has endeared him to the student body of T. C. U. down through the years, and

Because his passing has deprived the campus of that manifold assistance which he so freely gave, therefore be it

Resolved, that the student council of Texas Christian University, on this thirteenth day of September, 1937, go on record in behalf of the student body as expressing extreme gratitude for the contributions of the late Professor E. W. McDiarmid and its deepest sympathy to those who survive him.

Byron Buckeridge, President  
Ann Day Jarvis, Secretary

pleted a book on philosophy, which he had said was to be his masterpiece. The Rev. Mr. Gresham stated that he himself hoped to complete the manuscript and publish it.

President E. M. Waits, who was one of the professor's three closest friends to take part in the services Sunday, said, "For 19 years my soul and that of Prof. McDiarmid were linked in a friendship like that of David and Jonathan. He was a man of brilliant mind, of superb scholarship and of a rare, winsome, resourceful and abounding personality."

Dean Colby D. Hall, who also paid tribute along with President Waits and Rev. Gresham, referred to Prof. McDiarmid as "The Teacher and Scholar."

The Rev. Mr. Gresham will take over "Mr. Mac's" duties in teaching the "Introduction of Philosophy" and "History of Philosophy," while Dr. Porterfield has been assigned to teach "Ethics." Those students enrolled in the seminar class have been transferred to "Interrelation of the Arts," under Dr. Clubb.

Prof. McDiarmid's successor on the faculty will not be named until next year. Dr. Gayle Scott has been elected as chairman of the Athletic Committee of T. C. U. to fill this vacancy.

**The Skiff, Your Paper**  
"The SKIFF, Official Student Publication of Texas Christian University."

The name-plate on the front page states best the policy which will govern The Skiff this year. It is the same principle which has guided its publication for the last 35 years.

At the outset of the 36th year, you should remember that The Skiff is your paper. If things are published which you do not like, or things which you want to not appear, speak to a staff member.

The "Open Forum," a feature familiar to old students, will again be available to those who want to express their opinions to all. The authors of these opinions will still be able to remain unidentified if they so desire.

The editorial policy will be at all times to uphold student interests, desires and rights.

There will be no attempt to glorify campus life. In its limited space, The Skiff will tell the true story of 1937-38 impartially.

**Campus Calendar**

Friday, Sept. 17.

**More Than \$30,000 Spent On Campus**

**New Heating Systems Installed—2 Girls' Dormitories Opened**

When the carpenter, the painter, and the plumber departed from the campus this week, they left behind them a good summer's work and improvements totaling over \$30,000.

The installation of a new heating system, the opening of two girls' dormitories, and replastering and repainting the interior of all campus buildings were the most noticeable improvements.

Individual gas furnaces will heat the campus buildings this year in place of the old centralized heating system. Five new hot water heaters and tanks have been installed in the Administration Building, the Gymnasium, and Jarvis, Clark and Goode halls.

The two new girls' dormitories, Sterling House and Camp House, are for senior and junior co-eds respectively. The senior house, which is newly furnished throughout, accommodates 18 girls. Camp house, where 14 junior girls are rooming, is a remodeled two-story brick structure.

Goode Hall has been graced with a new rock tile floor and modernistic furniture for the parlor, as well as new cement steps to replace the old wooden front steps. The lounge furniture in Clark Hall has been reupholstered. Both of the boys' dormitories have considerable new furniture in the rooms.

The Gymnasium has been replastered and repainted throughout, as well as re-roofed; while the Basketball Gym has been repainted on the outside.

All rooms in the Main Building have been freshened and many new arm chairs installed, with more yet to come, according to Superintendent L. L. Dees.

**TOADS' TUX**  
By HERMAN

Beautiful co-eds keep transferring to T. C. U. from Texas Tech. First, it was HAZEL SMITH, then, CAROLINE McCLESKEY, and now, ROBERTA LEE HANSON, all from Big Spring, and the top performer is "ROLLIE." She can wake the dead with her whistling.

Just exactly what does MARY COGSWELL mean when she says she spent a "most luscious" time on the campus this summer?

Our secret agent reports that VIRGINIA EDE'S time was fairly evenly divided between that Ozona ranch and her summer lodge at Christoval.

Reason why EMILIE MAE BASS goes around with a worried look on her face: JACK HENCKELS and SUE YEAGER are both going to the same school in California. GEORGE POLLARD had better check into this, too, whether friend or enemy.

Although there were no Windsor triumphs on FLORENCE ACKERS' European trip, there has been some talk about an Italian in Venice. Is there anything to that, FLORENCE?

And will someone please tell TOM BARBER that BEN DYESS is not exactly a freshman? BEN might be called a five-year senior, BARBER.

What a break for someone! From West Texas comes the report that HARRELL REA is no longer engaged. Girls, the room is 106 Clark.

Flash! LULU ASHLEY is doing better than most of the football squad. She's jumped from fourth string to first string fullback.

What's this about PAUL CLAUNCH being slightly indignant because HARRELL REA beat him to the punch with a date with LAVERDA SESSIONS for the Freshman Prom?

JOSEPHINE WALKER has enrolled in school again this fall. She's taking "Music Appreciation," which will be very useful in the Blackstone Nite Spot.

**Belzner Names Staff Members**

**18 Appointed to Assist Editor With 1938 Horned Frog**

Eighteen members of the Horned Frog staff have been appointed by the editor, Bob Belzner. Those placed on the staff are Joseph Ashley, Marvin Coleman, Miss Lu Ellen Evans, Sam C. Jackson, Miss Gwendolyn MacSweeney, James N. Matthews, Miss Kathryn Melton, Ellis Mercer, Miss Florence Parks, Paul Ridings, Miss Janis Stephens, Miss Dorothy Stubbs, Miss Helen Stubbs, Miss Frances Wand, Miss Ann Whitley, Bill Wilson, Vincent Ziegler and Harrell Rea.

A reduction in prices for the annual pictures has been made this year under last year's. This year it will be \$1 for all students besides seniors, who will pay \$1.75 for two sittings. The pictures will be made at Organ's Studio at 400 1/2 Main Street.

Also a new system has been devised as to when pictures can be made. This year students can go any time until the final deadline.

Details as to the time and place of the nominations for the Popularity Revue will be announced later.

**What's Where**

"The Tale of Two Cities"—correction it's the battle of two theaters for the headline spot on this week's film calendar. It'll be the Worth vs. the Hollywood.

Last night with all the flurry of a premier, which included the Frog Swing Band's first appearance, "Stella Dallas" was brought to the Hollywood. It's one of those heart-breakers to which it's advisable to take several handkerchiefs, hayfever or not.

Moving in at the Worth tomorrow is "Varsity Show." You know the

(Editors Note: The following students by presenting any form of identification at the box office of the Parkway this week will receive a free pass to the show. There will be 10 more students listed in each coming issue.)

Miss Connie Clark  
W. O. DeWees, Jr.  
Miss Cordelia Carter  
Miss Caville Moore  
Clyde Scott  
Sloan Gentry  
Miss Nancy Barnes  
Robert Carr Bass  
Miss Linda Anderson  
Patrick Steele

movies conception of campus rah-rah life, and students will enjoy the picture and wish school was like that. It's got a star-studded cast and packs a world of entertainment. Fred Waring's band is featured.

And at the Majestic—where the prices particularly suit the students' pocketbook—there'll be James Cagney in the clean-up role starting tomorrow. No, it's not a baseball story. Cagney, in typical Cagney style, cleans a city of its crooked politicians.

**Forget Politics.**

Today in "Views 'n' Viewpoints" Student Body President Byron Buckeridge launches his 15-point reform program. All of these 15 reforms are feasible and possible.

The students stand behind the president in his efforts to secure for them things that have long been desired. Then, it is asked, what holds up the program?

The immediate conclusion is "the administration," but such is not the case. "The administration" shoulders the responsibility of the school and does it fairly. It merely needs to be shown that the students want and will benefit from these 15 points.

The real hold-up is a group of student councilmen who are placing politics before the students' interest. In the past the Student Council has fallen into a "shoot the bull" society and has done little as an organ of student government.

At the last election there were promises of greater things this year. Those promises should not be forgotten. The students placed Buckeridge at the helm of the government. He is doing his part to carry out the will and desire of the students. But he can do no good if he does not have co-operation from the Student Council and the students as a whole.

The Skiff makes a plea for unity. Will the 1937-38 Student Council be a "sewing-bee" or an organ of student government?

**Dramatic Club Plans New Fall Program**

**Pitchford Announces Reception, Presentation of Plays and Frosh-Soph Contest.**

The annual Freshman-Sophomore play contest, several one-act plays and a three-act play will be presented by members of the Dramatic Club this fall, according to Louis Pitchford, president.

The play contest will be held in about four weeks and the other programs will be given before Christmas, Pitchford said.

A reception next week for all students interested in joining the Dramatic Club was also announced.

The club, together with the English department, plans to present a medieval play next spring.

**Jack Murphy Names Two Cheer Leaders**

Head Yell Leader Jack Murphy, Ft. Worth, appointed John Stanley of Grinnell, Ia., as his assistants early this week.

The first pep rally was held Tuesday night in Clark Hall, opening the parlor meeting.

**Looking Better**

No more shivering. During these past scorching hot summer days, while most students were thinking of nothing but keeping cool, Business Manager L. C. Wright and Superintendent L. L. Dees have been getting a new heating system installed for the University to provide perfect comfort as well as everlasting hot running water.

A sum upwards of \$30,000 has been spent improving the buildings and campus since last June. The improvements include the new heating facilities, redecorating and repainting the interior of all buildings, and new furniture in dormitories and classrooms.

T. C. U.'s buildings are in the best condition they've been in since they were new. There are no nicks or holes in the plastering and no writing on the walls. Students should help to keep them this way.

"Hi, Freshman!"  
Hi, Freshmen!  
No, we didn't say welcome! After a week on the campus you should already feel at home.

There's no need for the "welcome." It's certain that you have already gotten your "welcome" for T. C. U. has the reputation of being the most democratic school in the Southwest. There are no cliques, no "society class." Instead we are all one—one big happy family.

Your football team and swing band have focused the eyes of a nation on our campus. Your school publications, the annual and paper, have won national honors. Your clubs are well known and have won regional and national offices and brought conventions here.

This has been done at Frogland. The future is up to you. Find your place and do your part.

RIDINGS FITINGS

By PAUL (SCOOP) RIDINGS
It's a real pleasure to take pen in hand and begin to assemble a sports column at the start of the 42nd year of football at T. C. U. and the 36th year of The Skiff...

The most recent flash on Samuel Adrian Baugh cheered Miss Edmonia Smith (the girl he left behind). The Washington Redskins impose a fine of \$10 per night when a player is not in bed by 11 p. m. Sam works out twice a day, and last night his team tangled with the New York Giants...

To take Baugh's place as freshman coach, the school hired Walter Roach, captain of the 1937 Cotton Bowl Champions...

ROACH

Coach Francis Schmidt, quoted in a football story in the Ohio State Journal: "We have eight tough games on our schedule, and if there is such a thing as pointing, we're pointing for the first game..."

Coach Francis Schmidt, quoted in a football story in the Ohio State Journal: "We have eight tough games on our schedule, and if there is such a thing as pointing, we're pointing for the first game..."

Coach Francis Schmidt, quoted in a football story in the Ohio State Journal: "We have eight tough games on our schedule, and if there is such a thing as pointing, we're pointing for the first game..."

Win or lose, Line Coach Mike Brumbelow has something to say: "Did you ever notice that when a team wins, everybody talks about the great backfield; when a team loses, then everybody remarks what great work the line did?"

And then there's this story going the rounds about the freshman girl who wanted a date with Coach Duch Meyer because she heard that he had the best line in the Southwest Conference.

Eddie Miller, 185 pounds of swell backfield material, who showed up on the campus unheralded although he may not be here when this paper comes out, is not the only transfer grid star in school...

From all appearances, Baylor scribes are starting this year as friendly as ever to the Frogs. Elton Miller, new publicity director and ex-sports editor of their paper, climbs far out on the limb by picking the Purple eleven to finish LAST. He picks his Bruins to finish third.

David O'Brien has a better record than Sam Baugh as a sophomore passer. His experience wasn't as extensive as Sam's, but the cold figures are good enough to back up the belief that Davey will deliver the goods...

For the "never knew till now" department: This scribe just found out that in 1882 a football team could make a first down either by gaining five yards or losing 20. Parting thought: What a potent first-down club this would make Baylor!!!

Two Regulars, 16 Lettermen On Squad of 53

Aldrich, Hale Only Ones of '36 Starters Back for '37 Season

Fullback Fight Seen

Backfield Stars Show Speed in Early Scrimmages—Guard, Tackle Positions Set.

Two regulars! Sixteen lettermen! Squad of 53! That is what Coaches Meyer and Brumbelow have to build a team from this year which is to make T. C. U.'s debut in both the East and Middle West.

Although only two regulars are returning, every position other than the two wings is blessed with the return of one or more lettermen.

In the two regulars, Ki Aldrich and I. B. Hale, it's obvious that the Christians have an all-conference center and tackle on the "37" team if they both play as well as they did last year.

The Horned Frogs are noted for the fine centers they have produced in Atkins, Townsend, and All-American Lester. Now, "Ki, the Killer," is predicted by many experts to surpass the honor bestowed upon his predecessor, Lester, by making the national mythical eleven in his junior year.

Fullback Battle Seen

Big I. B. Hale is the fellow whom Weldon Hart, sports editor of the Austin-American, placed on his all-conference team last year, stating he would probably be the only scribe doing so since it was out of the ordinary for sophomores to be on the mythical eleven.

At the close of last season, it seemed that the fullback slot would deal the coaches as much worry as that of the ends. However, Linson Blackmon is back in school with the written permission of his parents to play the game, after doctors reported that would be necessary due to a head injury he received in spring practice.

With Blackmon the tailback slot is well fortified and probably will prove to be the No. 1 battle for a first string berth. "Blackie" and Lacy McClanahan, now running on the first team, are the leading contenders for the regular assignment.

Hensch Moved to End

With the transferring of Russell Hensch from tackle to end, the wings are gifted with a total of one letterman. Along with Hensch, the Frogs have bright hopes for another Dietzel in tree-tall Charlie Mabry. It looks as if these two will get the starting calls at the beginning of the season next week.

The guards and tackle positions appear to be set with Captain Mayne and Sub-Captain Rogers at guards, with Hale and Kline or White at tackles.

For once, the positions at which the 'purple and white' have usually lacked good reserve strength are to be well supplied. At center, which, until last two years, always lacked a capable reserve, Jack Tittle will be ready to step in and play a good game as he did in the Sugar Bowl game of 1935, when he first proved his ability.

The backfield berths are three deep in good men, which is certainly not a regular occurrence on the Horned Frog squad. It appears that any man on the second of third string backfields now might wind up the season as a first-stringer.

Coaches, Frogs Off Wednesday For Ohio State

Coaches L. R. Meyer and Mike Brumbelow, with a traveling squad of about 30 men, will entrain at 6 p. m. Wednesday at the T. & P. Station for Columbia, O.

The train is scheduled to arrive in St. Louis at 11:30 o'clock Thursday morning. The team will work out that afternoon at Walsh Stadium, St. Louis University, before departing for Columbus at 6 p. m.

The Horned Frogs are due to arrive in Columbus Friday morning and scheduled for another practice there that afternoon.

From ticket sales, it is expected that about fifty ardent fans will follow the Christians.

Great Year Seen For Intramurals

Fourteen Sports to Be Included in Athletic Program

Fourteen sports will be included in the intramural-athletic program this year. They are tag football, basketball, baseball, track and field, swimming, hand ball, boxing, fencing, horse-shoe pitching, badminton, tennis, golf, ping pong, and volleyball.

Prof. Thomas Prouse and Olin Jones, intramural manager, foresee the largest student participation in intramural athletics of many years.

"With the large freshman class that we now have and the widespread program that we have thoroughly organized, this should be a great year for intramurals in T. C. U.," Prof. Prouse said.

Competition in tag football will start next Wednesday afternoon. Travis Griffith, light-heavyweight boxing champion at Texas University last year, will instruct the boxing classes.

46 in Invitation Class

Dr. Clubb Will Instruct Picked English Pupils This Year.

Forty-six freshmen have been invited to join the freshman invitation English class this year, it has been announced.

Dr. M. D. Clubb will be the instructor of the class, which meets at 9 o'clock Monday, Wednesday and Friday.

Those who have been asked to the class are: LaVerne Beck, Jarrell Chandler Brown, Thomas Hale Capers, Rosa Frances Carper, Margaret Sterrett Caskey, Billie Mildred Darter, Tom Dodson, John Pittman Eddleman, Tom Evans, Louise Flack, Betty Giles, Robert Emerson Glaze, John Frazier Goodspeed, Harry Newman Harris, Luther Andrews Henderson, George Holman Hill, Mary Grace Hollis, Jeannette Hopkins, Daniel Jarvis, Mary Sam Locke, Madeleine McCarty, Carol Patricia Mackey, Mary Leavell Mood, George Petta, Carl William Poll, Vernon Porterfield, Glen Don Reeder, Jo Ann Roberts, Margaret Florine Rosenfelder, Leonard Joe Rosenthal, Marilyn Ryfle, Elizabeth Fabian Sanders, Geraldine Sheffield, Gordon William Smith, Elizabeth Gordon Stanbrough, Gerald Pat Steel, Frances Stevens, George William Stroud, Lottie Jo Townes, Mozelle Veale, Jo A. Wallis, Vivian Doris Wharton, Betty Lou Wiley and Julia Sue Florence.

Nine New Faculty Members Take Places Among Professors

Nine persons have been added to the faculty for the present school year.

The English department leads in numbers, with four additions.

Mrs. Ruth Spear Angell will teach freshman and sophomore English. Mrs. Angell received her B. S. degree at Texas State College for Women, her B. A. degree at the University of Texas and her M. A. degree at Columbia University.

Instructor Paul Dinkins, who will also teach freshman and sophomore English, received his B. A. and M. A. degrees at the University of Southern California.

Mrs. Pat Henry, Jr., will be an instructor in English and Miss Marjorie Sewalt will fill the position of graduate assistant.

Dr. Austin L. Porterfield, who will be professor of sociology, received his

B. A. degree at Oklahoma City University, his M. A. degree at Drake University, his B. D. degree at Phillips University and his Ph. D. degree at Duke University.

Dr. William V. Roosa, associate professor of Old Testament, will teach courses in beginning Hebrew, undergraduate Old Testament, and some of the graduate courses with Dr. Clinton Lockhart. Dr. Roosa received his B. A. degree at Drake University and his M. A. and Ph. D. degrees at the University of Chicago.

Dr. James H. Dougherty, associate professor of education, is considered an authority on elementary education and will have charge of courses in that department. Dr. Dougherty received his B. S. degree at Northeast Missouri State Teachers' College, and his M. A. and Ph. D. degrees at the University of Missouri.

Johann J. Hinrichs, instructor in German and French, has studied in the German Universities of Kiel, Rostock and Munich. He received his M. A. degree at the University of Texas, and has been working on his Ph. D. at the University of Wisconsin.

Dr. H. R. Mundhenke, who will be acting head of the economics department, received his B. A. degree at Lawrence College, his M. A. degree at the University of Illinois and his Ph. D. degree at the University of Iowa.

Dean Colby D. Hall has announced that, while there will be no one replacing Professor E. W. McDiarmid in the philosophy department, the Rev. Perry Gresham, pastor of the University Christian Church, and Dr. Porterfield will conduct the courses in philosophy.

Others not returning to the faculty this year include: Dr. Alpheus R. Marshall, former professor of economics, who has resigned; Dr. Margarettha Ascher, former associate professor of German and Spanish, who has retired; and Robert C. Perry, former English instructor, who resigned to fill a U. S. army appointment.

Miss Evans Announces W. A. A. Fall Program

Open House and Membership Drive First on Activity List.

Announcement of the fall program and managers of the women's sports have been made by Miss Lu Ellen Evans, president of the Women's Athletic Association.

The program for the coming semester includes: a membership drive beginning Tuesday, open house for new members Sept. 28 and completion of initiation Oct. 12. Managers in charge of the various sports include: Misses Mary Frances Hutton, ping pong; Ruth Loughridge, outing; Emmajean Haggard, hiking; Anita Stewart, skating; Rosanna Powell, basketball; Katherine Pipkin, swimming; Jessie Van Horn, baseball and volleyball; Fenton Clark, tennis; Emily Taylor, archery; Thelma Culbertson, horseback riding; May Helen Ede, golf; and Clemence Clark, in charge of publicity.

Clark Hall Holds Meeting On Rules

Appointment of 7 Monitors for Two Men Dormitories Announced.

Rules of dormitory life were stressed in the parlor meeting in Clark Hall Friday night. Monitors for the year are: Charles Mosshart, proctor; Arthur Lee Moseley, second floor; Dick Crews, third floor; and Woodrow Jones, supervisor of janitors.

Herman Pittman has been appointed head monitor in Goode Hall. He will have as assistants Walter Becker, second floor; and Guy Daniel, third floor. No meetings have been held as yet in Goode.

### Grey Downs Glamours Prom, To Swing With Footballers

BY FRANCES TAYLOR.

Oh, for the life of a student body president! More than one freshman will pause in his mad career tomorrow night at the Freshman Prom to dream of that glowing moment when he will be president.

And what will be the cause of the strain of thinking on the part of a freshman? Prepare for anything. Nothing else but the entrance of Texas Sweetheart, Miss Grey Downs, and her escort, Byron Buckridge.

Miss Downs' prom card has been competently filled by a line-up that would make any maiden sigh with envy—the starting line-up for the Ohio State game.

Under a barrage of spot lights that blend all the Southwest Conference School colors, Capt. Mason Mayne, Co-Capt. Glenn Rogers, David O'Brien, Russell Hensch, Pat Clifford, Lary McClanahan, I. R. Eise, K. Aldrich, Johnny Hall, and Capt. Mason Mayne again, will dance with Miss Downs to the music of Kenneth Vaughan and the Dictators.

The lighting effects are under the management of the famous lighting technician, Carlton Winkler, Billy Ross's right-hand man.

The colors will change with the music as the freshmen dance out their night to the tunes of "Star-dust," "I Know Now," "So Rare," "Caravan," "First Time I Saw You," "Cuban Pete," "Whisper in the Dark," "That Old Feeling," "The Star," "Me, Myself and I," "Yours and Mine," and "Jazzboogey."

Remember the old days when up-classes were admitted free to the freshman prom and the dance lost money? This year, however, the boys dig down in their jeans and produce the regular 49 cents.

This is the third year that big sisters and brothers have taken over the job of making the prom something for the freshmen to remember. It's their first college dance. The night belongs to them. We say (with apologies to Winchell), orchids to these big sisters and brothers. Through their efforts the machinery will run smoothly with no indication of the time and work on their part.

So, seniors of 1941, this is your prom, and your chance to have someone humming under his breath "The First Time I Saw You." Best of luck!

### Parabola Committee To Plan for Year

The executive committee of Parabola will hold a meeting next Thursday to make plans for the year's activities. Those on the committee are Miss Marjorie Volkel, president; Miss Lillian Young, vice-president; Landon Colquitt, secretary-treasurer and Charles Robinson, program chairman. The club will have a business meeting and a social every month.

No invitations for membership in the club will be given out until mid-year when honor freshman mathematics students will be invited to join.

### Bryson Club to Meet Thursday Night

The first meeting of the Bryson Club will be at 1:30 o'clock next Thursday night at the home of Miss Lorraine Sherley, 2654 Leland.

Only one officer, Florence Arkers, has returned to school. The other officers will be elected Thursday.

### Timothy to Hear Black, Housel

Arthur Black and David Housel will preach at the Timothy Club's weekly meeting at 7 p. m. Monday in the Brite Chapel.

Dean Colby D. Hill held a discussion of the history and development of the club and what it offers to its members at the first meeting of the club last Monday night. Prof. F. E. Billington is the faculty sponsor.

### Baptist Union Has Picnic

The Baptist Students' Union entertained all Baptist students at T. C. U. with a picnic at Lake Worth last night.

### Date for Reception Is Announced

The annual president's reception will be held at the Mary Coats Burnett Library at 8 p. m. next Friday. Parents and friends of students are invited.

The entire faculty will compose the receiving line. Further details will be found in next week's Skiff.

### Social Calendars Wanted

Club presidents are urged by Miss Elizabeth Shelburne, chairman of the social calendar committee, to make arrangements for the year's socials.

At the present time only the Dana Press Club has made any plans for the coming year on the social calendar.

### Juniors Will Elect Secretary-Treasurer

The junior class' first meeting will be for the purpose of electing a new secretary-treasurer. The office was vacated by Miss Barbara Anne Arnold, who did not return to school. Dick Crews, president, has not yet set a date for the election.

### Two Classes Tie For Honor Roll

Freshman, Seniors Each Place 58—Juniors 2nd With 53

The freshman and senior classes, with 58 members each, lead the student body on the honor roll for the spring semester, as announced by Registrar S. W. Hutton this week.

The junior class was second with 53, while the sophomore placed 45.

The 17 students with all-A records are: Landon Colquitt, William Colquitt, Miss Pauline Goodson, Charles Harness, Kenneth Hay, Meyer Jacobson, Miss Ann Day Jarvis, A. D. Rhee, Jr., Miss Dorothy Ridings, Miss Marjorie Sewall, Ralph Smith, Miss Helen Stubbs, Miss Nancy Jane Vance, Miss Evelyn Watkins, Don West, and Charles Zlatkovich.

The list of 214 students on the honor roll will be in the next Skiff.

### Japan, China, Peaceful At Baylor University

Odd? Yes it is. That two natives of the vigorously fighting countries of Japan and China should find each other's company agreeable but they have done just that at Baylor University, where Akira Chiba of Tokyo and Philip Moy of Canton room together.

Moy is a senior specializing in music, while Chiba is a graduate student.

### Men's Glee Club To Meet Tonight

The Men's Glee Club will hold its first meeting of the new year at 7 o'clock tonight. Charles Moshart, president, has announced.

"This will be an introduction and organization meeting. All interested in joining the Club should report today to Mrs. Helen Fouts Cahoon in her studio on the third floor of the Administration building," Moshart said.

Harrell Rea, business manager, announced that plans are being made for early appearances of the Glee Club and "we are looking forward to another successful spring tour."

### Ft. Worth Conservatory Names Montgomery Aid

David Montgomery, music student majoring in violin, has been elected as a teacher at the Fort Worth Conservatory for this year.

### Orchestra Appears Initial Time Today

Rehearsals to Be Held at 1 p. m. Tuesday, Thursday and Friday in Auditorium.

The orchestra made its initial appearance in the auditorium during the chapel program today.

The first rehearsal was held last Tuesday, according to Prof. Claude Sammis, director.

"Regular rehearsals will be held Tuesday, Thursday, and Friday at 1 p. m.," he stated.

### Movies to Be Made By Gresham Sunday

The Rev. Perry Gresham, pastor of the University Christian Church, has announced that next Sunday he will take motion pictures of the members of the Sunday school class he teaches. All University students are invited to join.
