Mustangs Want TCU As Champs; Are Out to Win

If a team wants to win a football game, that's not news, but it S. M. U. wants to win from Rice for T. C. U., that is news-in fact very good news for Frogland.

Said Pete Acker, who captained the Mustangs against the Frogs "I only hope that we are able to oblige you next Saturday."

But not only do Matty Bell's football men want to beat Rice, the Dallas campus wants Texas Christian rather than Rice Institute to have the title.

O. K. King, Jr., editor of The Campus, says, "The Mustang student body would far prefer the Frogs to the Owls."

The Red and Blue scribe ever added that if the Purple could lend them O'Brien, Hale and Aldrich that they would beat Rice, or any other team in the country, for us.

Or course, everyone knows that a victory for the Mustangs tomorrow will give the Horned Frogs the title, while a tie would mean that Rice and the Frogs would tie for the title.

Little Davey O'Brien, T. C. U.'s 'Oaken Knot," can certainly lay claim to being the busiest individual this season that any Southwestern Conference team ever had. The Frogs, in their 10 games, ran 730 plays from scrimmage (runs, passes, punts, field goal attempts). O'Brien was either the ball-carrier, the passer or the kicker on 486 of these, almost exactly two-thirds of the plays run. Davey carried the ball 166 times, passed it 234 times, kicked 83 times and attempted three field goals, making two of them.
