VIEWPOINTS

BY JOSE LUIS ANDERSON R. (Senior From Ecuador)

Several columns would not suffice if I were to express all my views and viewpoints on T. C. U. A few things, however, I should like to say in this column, keeping the rest for another

toward improving the dancing situa-Three short years have rolled by tion in T. C. U., complaints are often since I first set foot on this, your heard that the students do not cowonderful campus; three years that operate and that their interest in have made me fully aware not only furthering the school dances, instead of the value of the American system of increasing, is waning. This is of education but also of the fine chartrue, but there is a reason. To my acter of American students and of thinking, the "tag" system would their attitudes toward school life so work out if all the girls were popdifferent indeed from ours in South ular; unfortunately this is far from

If I may be frank, unaccustomed as I was to American college manners, I was shocked, to say the least, at some of them, not realizing that you had not been brought up under the unbearable formality of South American schools and colleges. Your utter familiarity with one another, your freedom to be yourselves and to stand for your rights at any cost, your lively and keen sense of humor, your close contacts with your professors, even your nonchalant and carefree way of addressing them, were among the many things that caught my attention then and that now endear Americans to me.

Many a time have I wondered why a whole piece without being inter- Mary Porter it is that the same spirit does not rupted. exist in our schools. To use the slang expression, "What have they got that we haven't got?" I have asked myself several times, and I believe that after these few years of having lived in your midst I am qualified to give an answer. You simply have what we haven't-yet: the most democratic spirit rooted in your very souls; American demoracy is reflecting itself in your every word, in your every action.

in-American dances are not known Now, after having pointed out quite a few of your good qualities I in T. C. U. as yet. know you won't mind my pointing titude toward chapel. It strikes me long ago a friend of mine from in chapel. out to you a shortcoming. Your atas very odd that you who can take Ecuador came to visit T. C. U. and anything, even the most torrential on going in the Library he enthus-rain at a football game—brave peo-iastically exclaimed "Boy, what a Men's Room anything, even the most torrential on going in the Library he enthusple you are-and make the best of it, place to study; even the laziest per cannot take thirty or forty minutes son would feel like studying here!" of chapel and make the best of it Indeed, its cathedral-like silence, its as well. Certainly, you would not irreproachable service and its majesfrown upon attending chapel once a tic simplicity in structure make of it week if you had had to attend one the most inviting place for studying. every day, as is customary in most And speaking of the Library who could forget to mention its most South American colleges.

Will Take Part of Sleeping Princess in Annual Presentation.

Wins Chapel Vote

Martha Ceil Graves Will Be Seen in Ballet Numbers- Don Gillis in Charge of Music.

Miss Emilie Mae Bass has been being possible and, being so, the other elected to represent the "sleeping girls, good dancers and beautiful beauty" in the annual pageant to be though they are, do not get a square given by the physical education department May 7.

The presentation is to be based on I need not comment on how em- a fairy story, first recorded by Perbarrassing it is for both the girl and jault, in which the fairy princess the boy to get "stuck." There is no pricks her finger and falls asleep for way out unless one wants to show a hundred years, until awakened by his utter unpoliteness by leaving the the kiss of the fairy prince.

Mrs. Helen Murphy saw the story presented as a ballet in New York and is adapting it for presentation as a pageant.

"So far as I know this is the first time it has ever been given in this other well enough to enjoy dancing form," she says.

Other nominees were Misses Susan and the school dances would be more Earhart, Christine Smith, Elwyn Espy, Florrie Buckingham, Hazel Thompson, Virginia Lawrence and

> Miss Martha Ceil Graves will take the ballet parts. Rehearsals for fairy dances of the 15th century and peasant dances of the 16th, covering the hundred years the princess slept, have already begun. Don Gillis will have charge of the music

> Miss Mary Paige Covey was chosen to be "Music" in last year's exhibition depicting "The Spirit of Music." Mrs. Lela Rogers, who wrote the story orginally for her daughter, Ginger Rogers, revised it for the T. C. U. show. The Dictators played, and 174 students took part.

Miss Bass was elected Wednesday after all candidates were introduced
