## IEWS 'N VIEWPOINTS

By PAUL RIDINGS  
(Editor, The Skiff)  
Open letter to Ernest Pey-

With this issue, I turn over to The Skiff, with 36 years of history and tradition as the official student publication of Texas Christian University. What I can say is only one-thirty-sixth of what should be said to you.

\* \* \*

The Skiff is only a newspaper, is no cure-all, nor propaganda for any group on the campus. You should deem it a success if it accurately portrays student life next year, both the happy and sad side. Make it your aim have all campus news completely and impartially covered.

\* \* \*

Critics from all sides will bat about the "partiality" and "favors" you show certain groups, but never forget that our views are tempered by our own partialities. There is a completely unbiased soul at Texas Christian—your judgment your only guide.

\* \* \*

It is YOUR paper. And since we are preparing for two things: Prepare to take the blame for every mistake that appears in the paper, and prepared to find out who your real friends are.

\* \* \*

Although around 2800 lines (or 30 inches) appear in each issue, we are responsible for each of those 2800 lines. The person who finds something wrong, objects or is otherwise concerned about one line, does not think about the other 2799—you must know all about that line. As to what the students think the other 30 odd students in journalism do, I have never figured that out.

\* \* \*

When you are on the proverbial "hot seat," because some one is "hot" about something in The Skiff, only your real friends will back you. In fact, as the year progresses you will wonder if you are going to have a friend left, for running a newspaper in an attempt to please the various elements of both faculty and students, some are bound to be irritated. It is impossible to please everyone, so please yourself first, and let all see it as you do.

\* \* \*

You might also prepare yourself for nothing but harsh words few, if any, compliments will come your way, no matter how good The Skiff is.

\* \* \*

There has been much talk, pro and con, about the so-called "dirt column" this year. So much, that attempted to eliminate it, but a certain element of the students voted for it, and so what had started out to be a society column replaced it developed into the old "dirt" column.

\* \* \*

The purpose of this column, or any other part of the paper, is not to hurt anyone, but people have been hurt. In fact, unin-

## 'Last Mile' For '38ers

'Thank God for America'  
Will Be Jones' Topic  
for Candidates.

"Thank God for America" will be the subject of the commencement address by Dr. Edgar DeWitt Jones, president of the Federal Council of Churches of America and pastor of the Central Woodward Christian Church, Detroit, Mich., at the 65th annual exercises Monday night.

The exercises will begin with the formation of the procession of graduates in front of the Mary Couts Burnett Library at 7:30 p.m. The group will parade to the scene of the exercises, in front of the arbor between Jarvis Hall and the Administration Building. The band will play "Texas, Our Texas" during the procession.

The invocation then will be read by the Rev. Patrick Henry, Sr., followed by three numbers by the Men's Glee Club—"Song of Thanksgiving," "Adoramus Te," and "Alleluia."

President E. M. Waits will then introduce Dr. Jones. The presentation of classes and the conferring of degrees will follow the address.

The exercises will be broadcast over KTAT, from 8 to 9 o'clock.

The degrees will be conferred by President Waits, with Registrar S. W. Hutton delivering the diplomas. Following this, the graduates' parents will be recognized, and honors and scholarships will be announced. The "Alma Mater Hymn" will be sung, and the exercises closed with the Rev. C. E. Cogswell, Knox City, delivering the benediction.

### Seniors Meet at 10:30 a. m. For Baccalaureate Rites

Seniors will meet in front of the Mary Couts Burnett Library at 10:30 Sunday morning to form the procession to the University Christian Church for the baccalaureate services. Profs. Thomas Prouse and B. A. Crouch will be in charge of the procession.

Standard bearers will be Prof. C. R. Sherer, Drs. M. D. Clubb, J. H. Dougherty and Gayle Scott.

Dr. Clinton Lockhart will open the services, which start at 11 o'clock, with a prayer, with President E. M. Waits presiding in the absence of the Rev. Perry Gresham.

The University Christian Church choir, under the direction of Arthur Faguy-Cote, will sing Mozart's "Gloria," from the "Twelfth Mass."

Dr. M. E. Sadler, pastor of the Central Christian Church of Austin, will deliver the baccalaureate address and Prof. R. E. Smith will give the benediction. President Waits, Dr. Lockhart, Prof. Smith and Dr. Sadler will march behind the seniors in the procession and the recessional.

### Dick Crews to Assist Gresham This Summer

Dick Crews will assist the Rev. Perry Gresham with his work at the University Christian Church this summer and will take over the duties of an assistant pastor, it was announced this week.

## Commencement Figures

Dr. Edgar DeWitt Jones, pastor of the Central Woodward Christian Church of Detroit, Mich., will deliver the commencement address Monday night. He will also be presented with an honorary degree. Dr. M. E. Sadler, pastor of the First Christian Church of Austin, will deliver the Baccalaureate sermon Sunday. Charles Mossart is president of the class.

## T.C.U. to Honor 3 with Degrees

Three honorary degrees will be conferred at the commencement exercises Monday evening, President E. M. Waits has announced.

The Rev. Edgar DeWitt Jones, who will deliver the commencement address, will receive the degree of Doctor of Literature. He has done outstanding work as a historical writer, particularly concerning the life of Abraham Lincoln. He is pastor of the Central Woodward Christian Church of Detroit, Mich.

Prof. Tommie M. Clark, associated with Addison and Randolph Clark in the founding of Add-Ran College, will receive the degree of Doctor of Laws. He has taught in the field of fine arts and modern languages and directed his own private school.

He is now retired and lives at Portland, Texas.

The degree of Doctor of Science will be awarded to Major John B. Hawley of Fort Worth, lecturer in science and business administration at T. C. U. Major Hawley has gained international fame as an engineer in water projects and has aided several T. C. U. graduates in pursuing their advanced study.

### Harrell Is Named Head Of Horned Frog Band

Jack Harrell will head the Horned Frog Band next year in the capacity of president of the organization.

Bob Glaze was elected vice-president and Bill Douglas was elected secretary-treasurer.

## '38 Class Will Give New Stage Curtain

Members of the senior class will give the University new curtains for the stage in the Auditorium as their class gift, it was announced at the annual Senior Day exercises.

The present officers of the senior class—Charles Mossart, president; Harrell Rea, vice-president; and Miss Mary Cogswell, secretary-treasurer—were elected permanent class officers.

The incoming officers of the student body—Guy Daniel, I. B. Hale and Miss Janis Stephens—were installed by the retiring president, Richard Poll. The incoming presidents of all classes were also installed by the retiring class officers.

## Last Hop, Sad, 'Bye '38 Grads.

"Good-bye to Texas (Christian) University!"

The Farewell Dance, beginning at 9 o'clock tomorrow night, features something dear to ever college boy—a 25-cent admission charge per couple.

Seniors will be admitted free, Vincent Ziegler has announced. Stags will be charged 40 cents.

The Dictators' enlarged orchestra will play for the hop. Eleven pieces instead of the usual nine will be on the band-stand.

**Gresham Gives Baccalaureate**  
The Rev. Perry Gresham will deliver the baccalaureate address for the graduates of Masonic Home Sunday morning.

## 'War' Rages Over 'Frog'

Student Opinions Vary  
About Features of  
'38 Annual.

By PAUL RIDINGS

Student opinion is involved in a "civil war" concerning the 1938 Horned Frog. Reactions of the students to the book that was issued last Saturday are decidedly mixed.

Some call it the "best book, I have seen," while others feel that the new annual does not come up to the standard of past Horned Frogs.

Only agreement seems to be that the cover is the "best ever." As Ed Etier put it, "The cover is tops" or as Miss Beverly Vaughn put it for the most severe critics, "The outside appearance is the only improvement over last year."

Other bouquets are tossed by Miss Ferne Duckworth, "I like especially the caricature page;" Miss Betty Lu Boyd, "The most pictures of any yearbook I have ever seen;" Miss Sue Davis, "There is plenty of room to sign your name."

Miss Frances Withers, "The sepia-colored building pictures are the high-spot;" Miss Natalie Harper, "The dormitory pages are more true to life;" Dick Crews, "The pictures of University Christian Church are what I like best." Practically every annual was centered on the "Texas Courting University" double spread the first day.

Main "knocks" center on the neglect of minor sports, the overplay of the band and the lack of copy or "labels" for the snapshots.

The criticism of the lack of sports pictures doesn't come from athletes. Jimmy Morris said "The annual didn't have enough sports pictures;" Lon Davis pointed out, "More intramural and minor sports should have been included;" and Walter Bradley put it, "Why tell us how they made an annual cover, and ignore sports?"

Practically everyone pointed out that the band got eight pages, and objected to the failure to "label" or identify the snapshots.

But, Joe Russo was the severest critic. He said frankly, "I don't think it is so good. There are too many mistakes in it, particularly in the football pictures in the advertising section."

## Sonata Program Is Summer Radio Plan

A series of programs of sonatas will be broadcast from the campus studio this summer, beginning June 12. The programs will be presented jointly by Mrs. Q'Zella Oliver Jeffus and David Montgomery. The series will run for 10 weeks, ending Aug. 14.

## Views and Viewpoints

(Continued from Page 1)  
tentionally, the factors that "holler" for a dirt column were hurt recently—so now, perhaps, the students are ready for The Skiff to take the creed, "If you cannot say something nice about a person, don't say anything." I hope so.

\* \* \*

Space being limited (which is another thing that all overlook—they cannot understand why you cannot just devote the whole paper, or as much as they want, to their interests), I want to use what's left to thank my staff as a whole for the way that they have co-operated and worked.

\* \* \*

Particularly, though, do I want to thank you and Clarice Rumph for aiding me by reading page proof and helping distribute The Skiff; James Matthews because he and his car have always been at the disposal of The Skiff; Frances Taylor for her fine reportorial work (I think her the best society editor The Skiff ever had); and Bill Haworth for the extra effort he has put forth for The Skiff.

\* \* \*

Now that I am graduating (I hope) and can say this so my professors can hear it—take and love The Skiff enough that you place it ahead of everything, yourself, your studies, your social life or anything. Thirty-six editors before you have done this.

No Payee—No Eatee,  
Says Class Treasurer

"It looks as if next year's senior class won't eat, at least at the Junior-Senior Banquet," says Miss Anne Whitley, junior secretary-treasurer.

"We went 'in the red' on this year's banquet, and unless those who haven't paid the 50 cents assessed, we can't eat gratis next year."

"The money is payable through next Wednesday, and I hope that the class isn't disappointed next year."

## Skiff Snooper Sights Sad Senior Shake-Ups

By SKIFF SNOOPER

TEXAS Christian University confers some 129 degrees (if nothing happens) next Monday, but who has given a thought to the degrees that Texas Courting University, so well publicized by the Horned Frog and yours truly, will confer . . . a glance down the senior section of the yearbook reveals that at least 28 should be awarded that M. C. (master of courting) degree.

Honor students of this class should certainly be Mr. and Mrs. KENNETH VAUGHN . . . two years at the "lovebug's" school, and this pair went down the middle aisle together . . . she was once ELIZABETH CRADDOCK, remember?

THREE more couples will go down the graduation aisle together . . . but they will be linked only by diplomas . . . However GRETCHEN KAHN and ELLIS MERCER might have been linked better if they had won The Skiff's dream date contest . . . they submitted a plan for spending the \$5 on getting married . . . JOHN STANLEY and CLEMENCE CLARK (on whom the Snooper pulled a scoop—announcing them as being engaged, when they say they are not) are another senior couple . . . and so are FLORENCE PARKS and BYRON BUCKERIDGE.

With the exception of VIRGINIA CLARK and MEGE MCCLINTON, only campus courtiers and affairs deserve M. C.'s . . . but since CLARK is one of those gals that Santa brought an engagement ring to . . . and since MEGE'S courtship with Steve has been carried on all over the campus, even in front of the drugstore, and is to be climaxed by a July marriage . . . these gals deserve degrees.

VIRGINIA EDE, MARY COGSWELL and CHARLES MOSS-HART have all been without their former campus companions this year . . . but for consistent courtship in years gone by they should be rewarded . . . and big surprise is that the lure of campus courtship couldn't stir them from their original choices, VIC, RONALD and LUCY BESS.

Another who saw his girl "quit" before he did was BILL WILSON . . . But HELEN STUBBS came back to aid as assistant registrar . . . consequently they reigned as king and queen of the campus couples . . . winning the honor from a field of 51 couples.

GEORGE GARRETT will also be forced to leave JANIS STEPHENS behind, so all she will be able to do is rush DICK CREWS some more . . . ABE WALKER'S big loss will be that huge car . . . WILLIS LOWE leaves behind his 25 per cent interest in ELIZABETH ANN JORDAN . . . and BOB BELZNER parts company with GWEN MCSWEENEY, although the latter affair seems to be already pretty well broken up by another senior, NADINE KEITH . . . incidentally the latter deserves a degree on her own for her sessions with

COTTON HARRISON.

DON HAYES and NED JAMES will leave DOROTHY FARRINGTON and ROBERTA LEE HANSEN rings to remember them by . . . MASON MAYNE leaves EMILIE MAE BASS a gold football, and he must leave that car . . . and PAUL RIDINGS leaves a pin with MARTHA MAJORS. ELLEN NEWMAN'S only consolation will be that she can still sleep with PAUL TANKERSLEY'S picture . . . the campus benches will be lonesome as BARRY HILL graduates from CALLIE MAE CANADA . . . LU ELIAN EVANS parts company with ERNEST JONES . . . KATY PIPKIN has to wait another year for JAMES MERRIT . . . JAY SMITH should wait three for BETTYE SEATON (but will he?) . . . and so the nightwatchmen will lose 28 of his best charges as Texas Courting University graduates its class . . . all qualified to be professors of osculation.

### Mrs. Helen Cahoon To Go to New York

Mrs. Helen Fouts Cahoon will leave for New York City next week to start private teaching, it was announced today.

Mrs. Cahoon recently resigned her position here as a professor of voice in order to be with her daughter there.

## May Toss Shot Again

National Collegiate Meet  
Sends Clark Bid for  
Cook and Erwin.

These two top-notch shot putters of the Frogs Puss Erwin and Bob Cook, may not be through tossing the iron ball around yet! A questionnaire from National Collegiate Track Meet officials came in yesterday to Coach Poss Clark Tuesday extending an invitation to the outstanding Frog shot tossing pair.

The University of Minnesota, host of the meet, which will come this year June 17 and 18, is the expense of the nation's best performers in each event. It believes the marks Erwin and Cook have made this year land them a place.

Erwin holds the best mark of the season, 48 feet, 6½ inches, which he established at the Texas conference meet, 48 feet, 6 inches.

Clark had planned to see the set before the invitation came, so plans to be a member of a teaching school in Minneapolis this summer.

## Exes to Meet, Eat, Hear Wolf

Raymond "Bear" Wolf former athletic director and line coach of the Horned Frog football team and now head coach at the University of North Carolina, will make the principal address at the Students' Association annual banquet Monday.

Members of the Association will meet in the Cafeteria at 7:20 o'clock Monday night. Frank Odlie, president of the organization, will be toastmaster.

A plaque will be given to the student judged most valuable during the last year. Last year, the honor went to Dan D. Rogers, Dallas.

Coach and Mrs. Wolf will be honored at an open house from 7 to 9 p.m. Sunday, at the home of Dr. and Mrs. S. D. Terrell. The class of '30 will have a private reunion in order to discuss the student loan fund, and the "Big Ten" organization of '29 will meet to discuss their tenth meeting for next year.

## Haworth Is Appointed As Student Assistant

Bill Haworth has been appointed student assistant in the department of journalism for next year, Prof. J. Willard Ridings announced this week.

## SMU-TCU Battle To Be Renewed Over Air Waves

Once more the score board will say: T. C. U. vs. S. M. U.

At 8:30 o'clock Sunday evening, over KTAT, teams of five students from each school will compete in the Question Bee conducted by the station. The T. C. U. team is composed of Miss Ann Day Jarvis, Miss Miriam Glaze, Miss Frances Wand, Landon Colquitt, Dan Jarvis and Dick Poll, alternate.

Sunday afternoon's "Personality" broadcast at 6 o'clock over KTAT will honor Prof. Will McClain Winton, who will be eulogized by Howard Carrell. The Riverside Junior High School chorus, directed by Miss Mary Colquitt, will be guest artists. Rex Beene will play several cornet solo selections and H. C. Hudson will play trombone solos.

## Track Record Best Of 4 Spring Sports

By BILL HAWORTH

Of the four spring sports—track, golf, baseball and tennis—the success of the Frog teams in each must be ranked in that order. The Frog tracksters enjoyed one of their most successful years, the golfers were inconsistent but turned in some well-earned victories, the baseballers beat Rice three times to keep out of the cellar and the tennis team defeated Trinity to keep from being shut out for the season.

The track team made history by winning for the first time more than one meet in a season. The Frogs defeated Baylor in a dual meet and S. M. U. and Baylor in a triangular meet.

Other track results were: Stock Show Meet, scored 21 points to finish third; triangular meet with S. M. U. and Denton, second, 44 points; triangular meet with S. M. U. and Baylor, first, 83½ points; dual meet with Baylor, first, 96 points.

Quadrangular meet with S. M. U., Texas and Baylor, second, 39 points; quadrangular meet with S. M. U., Baylor and A. & M., second, 51 points; triangular meet with East Texas, second, 58 points; Conference meet, fourth, 16 points.

The Purple golfers, like the track team, had the best season of any group of Frog linksmen. They defeated the fine S. M. U. team, 4 to 2 and Trinity by the same score.

Ties were played with T. W. C. and Texas Tech, 3 to 3 in each match. The golfers lost to A. & M., 2 to 4. Bob Jordan and Lacy McLanahan teamed up in the doubles to win and Gilbert Jackson turned in a victory for the other Frog point.

The Frog nine won three and lost 11 of its conference games. All of the victories were at the expense of the Rice Owls.

The scores for the season were: Frogs . . . . 4 S. M. U. . . . 5 Frogs . . . . 0 S. M. U. . . . 4 Frogs . . . . 0 S. M. U. . . . 2 Frogs . . . . 2 Texas . . . . 21 Frogs . . . . 5 Texas . . . . 13 Frogs . . . . 0 Texas . . . . 3 Frogs . . . . 1 Baylor . . . . 10 Frogs . . . . 0 Baylor . . . . 6 Frogs . . . . 2 A. & M. . . . 5 Frogs . . . . 2 A. & M. . . . 12 Frogs . . . . 2 A. & M. . . . 9 Frogs . . . . 6 Rice . . . . 0 Frogs . . . . 4 Rice . . . . 3 Frogs . . . . 5 Rice . . . . 0

The Purple netters defeated Trinity, 5 to 1, for their only victory. However, they lose only one man, Capt. Bobby Bass, off of this year's team and are expected to improve their showing in 1939. They lost to some of the sector's strongest squads this spring, including Oklahoma U., S. M. U., Austin College, Texas, Baylor and East Texas.

Vic Montgomery, student last year, is visiting friends on the campus this week.

## MAJESTIC

Clifford May Receive Revived Track Award

Award of the Kenneth McCorkle trophy given several years ago to the Frog track man scoring the highest number of points during the season, may be revived this year, according to Poss Clark.

Capt. Pat Clifford was high-point man for the season this year. Clark said Wednesday that McCorkle, founder of the award and one-time famous Frog sprinter and teammate of his, had been approached upon the subject and that he expected to hear definitely within the next few days as to whether the trophy will be presented this year.

Intramural Jackets Are Presented to 10

Prof. Tom Prouse presented the intramural jackets to eight winners and two managers last Tuesday afternoon.

First-place winners in the recent intramural track meet were presented medals.

## Mege Exposes Seniors 10 Years From Now

Where will the seniors be 10 years from now? Miss Mege McClinton dares to predict where in a rhymed class prophecy which was presented at The Senior Day exercises. She picks television as a means of finding them.

Round and round the world we go.

Where we'll stop nobody knows—Oregon.

Who is that motley crew?

One, two, three, four, five—whew!

The first's Bob Belzner—a rich oil man.

And Jimmy McBride, the old golf-hand.

Well, there's Abe Walker, couldn't be cuter.

Wonder if he's still the champion train-tooter?

And Bill Farley—a good engineer;

There's Clifton Cowan bringin' up the rear.

Then the wandering televisioner finds herself "plum out of money" and enters a Fort Worth bank to borrow "some dough."

And much to our delight as we opened the door

Was old prexy Mossart ascrubbin' the floor.

Would they lend us any money?

Is that what you ask?

Ha! they knew we were in the '38 class!

### Class Gives Present To Miss Sherley

Miss Lorraine Sherley was presented with a gift by her sophomore English class yesterday afternoon at the examination period.

Those in the charge of the present selection were Gordon Fitzgerald and Misses Mary Louise Childress, Olive Thomas and Lenora Salmon.

### Jarvis Tea to Honor Grads, Parents

T. C. U. graduates and their parents will be honored with a tea by the University from 5 to 6 p. m. Sunday in Jarvis Hall parlors.

Miss Elizabeth Shelburne is in charge of arrangements. Mrs. Sadie Beckham and Mrs. Dura Cockrell will pour. A harp solo will be presented by Miss Mary Frances Bibb. The faculty and trustees of the University have been invited.

## Personality of the Week

Charles Mossart

After all his illustrious four years of college, you would think Charles Mossart would look back on such things as accepting the senior presidency or, further back, the vice presidency of the freshman class. But he doesn't. The thing he will miss most will be his association with his four-year friends.

Mossart is a business administration major and his ambitions to be an executive. His plans include a job at the Morris Plan Bank, in the collection department, which will begin June 1.

In reference to his experience as senior president, he admits, "Seniors are sure hard to get together but it's lots of fun to work with them." He adds, with a sigh, "I'll hate to leave it."

In high school, Charles went out for athletics. His favorite sport at present is tennis. Other things he likes are steaks, Lucy Bess Wester (remember?), crowds of young people and french fried potatoes.

He has taken a deep interest in the Glee Club and has served both as vice-president and president of the organization. With three more boys, he likes to harmonize on bathtub ditties.

This last year he has been proctor in Clark Hall, which means he is Dean Otto Nielsen's assistant. He has also made the honor roll for four years.

Charles says emphatically: "I'm coming back and hang around as much as I can."

Any time, Charlie. You're always welcome.

### Campus Elections Over; Snow Council Member

Campus elections were wound last Friday, as next year's junior elected three officers and seniors elected a Council member. This made the political set-up next year complete.

Paul Snow beat Landon Colquitt 32 to 9 for the senior class Council post, as next year's seniors went to the polls in the regular manner to decide the Council race, which was a hung-over from the general election.

Gail Smith was named vice-president; Wilbur "Bud" Taylor, secretary-treasurer; and Marie Coleman, business manager, at a meeting of the class of '38 Friday.

### Glee Club Will Present Three More Concerts

The Men's Glee Club will make three appearances next week terminating a season of concerts throughout the city and the state.

Colby D. Hall, Jr., was named president of the club for next year at a meeting of the organization Wednesday night. Bob Parker was selected as vice-president and Harrell Rea was re-elected business manager. Named as first and second assistants, respectively, were Hartford Johnson and Jack Sherley. J. C. Smith was made secretary-librarian.
