The president, the faculty and Board of Trustees extend to you our heartiest greetings. We are glad you are here and the privileges of this great institution are yours and we are at your service.

For more than 100 years Texas has demonstrated its predominating belief in education by the tremendous sacrifices its citizens have made to provide schools within its far stretched boundaries. Texas needs every cent of this two and a half billion dollars worth of youth. It needs their strength, their courage, their talents, their genius and their spirit of adventure to insure its future and -your future. Thrice welcome to you who have chosen T. C. U. as the training ground for your future achievements and conquests. We believe you have chosen both wisely and well.

T. C. U. presents superior opportunities for close association with outstanding teachers-to prepare for effective Christian service-to contact the masters of knowledge through a library of 50,000 volumes to enjoy the benefits of a democratic social program-to secure thorough training in modern business practices-to develop selfconfidence and leadership through a well-balanced program of extracurricular activities-for self-government through a Student Council -to gain journalistic experience through study and practice-for men to participate in intercollegiate athletics-for women to earn awards in a diversified sports program-to play in the nationally famous Horned Frog Band-to develop poise and personality through participation in forensics and dramatics-to sing with an outstanding Men's Glee Club-to secure sound pre-professional training in medicine and law-to attend a University whose work is fully accredited by the highest rating agencies.

A growing and complex civilization calls for trained citizenship, a richer and more effective life. You have chosen the surest road to reach this goal. It will bring you broad vision, genuine wisdom, a fine spirit of democracy with genuine emphasis on character and These are the principles that count today as well as tomorrow in the building of a better world. Word drifts our way that one FRESHMAN CHARLIE AMYX is on the lookout for his prom date. It seems that if she doesn't measure up to his vaulted ideals, he's arranged to get an urgent telegram from Dallas telling him of the demise of his pet aunt, or something. Hadn't someone orter speak to MR. AMYX . . . or have they?

Will the SKIFF READERS please be generous and not too critical over a last-minute column? We'll try to have more spot news next week-not this canned stuff.

And as a parting thought (if we're not imposing), where, oh where did BILLY TOM STEWART pick up the attractive and appropriate handle "SNOOKS"?

on The Skiff is going to be a real pleasure this year, chiefly because the Frogs figure to have improved teams in all four major sports. It's easy and a lot of fun to talk or write about a winning team in any sport, and it's twice as easy when that team is the Horned Frogs.

King Football reigns now here in Froggieland, as it does on all other campuses at this time of the year and it is not surprising to find all true Frog fans in quite a dither over the Purple eleven. This year gridinterest is running to a new high in these parts, for it looks as if the Frogs will be one of the nation's topranking teams again this fall.

With an abundance of capable, well-seasoned gridders on hand and a schedule which is tough but not as tough as last year's, the Frogs are in a position to rise to new heights for Purple teams in the world of sport. Picked by experts as the favorites in the Southwest Conference race this year, placed high in all pre-season ratings and acclaimed on every side as having what it takes, it really looks as if the Frogs will make a lot of football history this year.

The A. & M. game is still three weeks off but an incident occur this week which makes the subject timely. Johnny Hall, who has looke like a million in practice and who is certain to be one of the conference's best ball-carriers, received a little "present" from those playful Aggies
which might have some effect upon
his playing against the Farmers.

17 Men Weigh Well Over 190
Pounds—24 Gridders are his playing against the Farmers.

The present consisted of a small package. Neatly wrapped inside was a tiny horned frog. On the box was written, "This is the size you will be when we get through with you at College Station Oct. 15."

Oct. 15. The squad members who are learned that 24 of them were backnot tied up with football practice will field men begin daily workouts then without the direction of Coach Mike Brumbelow, who will be busy with his linemen.

This corner gives a big welcome James, guard off of last year's team and a smart and conscientious boy who should fill the bill. In a talk to the freshman squad at their first drill Monday, Varsity Line Coach Brumbelow tabbed James as "one of the smartest fundamentalists" he had ever coached.

'Gents' to Send Football Special

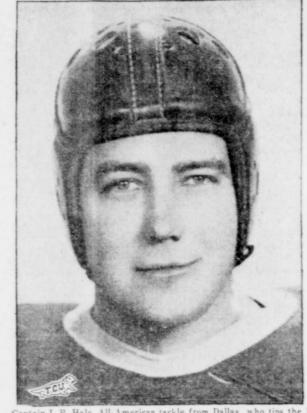

Centenary's football team will not be without support when it tackles the Horned Frogs here tomorrow. Word from Shreveport came yesterday announcing that the school band the Marcon Jackets (girls' pep squad) and several hundred Gent fans will arrive by special train at 1:45 p. m.

A letter from Centenary's head yell leader, Miss Edna Earle Richardson of Fort Worth, to head yell leader Tom Swiley of the Frogs indicated that interest was running high over the game in the Louisians school and spoke of "good ole T. C. U. hospitality.

The Centenary football squad will arrive at 1:45 this afternoon and will make headquarters at the Hotel Texas after working out on the Frogs field this afternoon.

Go to Randolph Field, young men! Someone must have told them that, because Carmen Schenck and Linnon Blackmon are leaving for there early next month. Appointments have been received, and Carmen leaves Oct. 10 Linnon Oct. 15.

Talk O' The Town 🖡

by Helen Ruth

Perhaps it's seeing all these green caps sprinkled 'round on the campus that makes us feel like Spring again—or maybe it's just that old elated feeling that descends upon us before the

Freshman Prom . . . the first football game . . . the first campus romances. But with that bubbly, bouncy spirit comes a desire to do new things, see new things, wear new things. So we've made a tour of the town, jotting down memoranda while we made our snoop scoops (see? Even poetry!), and now we're hoping that you can use our footnotes . . .

TO DO'S FOR TODAY:

go to WELDON'S, 210 W. 7th, to see something fetching, foolish and flattering . . . you'll find your own Little Doll Hat . . .

JACKIE LEARNED

in Eco to buy from the JACKSON CORNER SHOP (Seventh at Threekmorton) . . "just right" date dresses for the week's Big Moments . . . only \$17.95 . . .

FOR MEN ONLY!

of course we know all the gals are reading this, but that's all right because it's your girl-friends who insist that you wear those match-ing ARROW shirt and tie sets pictured else-where in The Skiff . . . You'll find them in your favorite colors at STONESTREET & DAVIS, 901 Main . . .

CURRENT JOKE:

Miss Shirley (admiringly): Why, your stories just flow from your

Helen Connor: (looking at old fountain pen): Yeh! Sometimes the whole blamed story comes out at once! . . . She should have one of the Sheaffer Fountain Pen and Pencils sets at DAICHES' for only \$3.95 (and up) . . . 809 Houston . . .

TO DYE OR NOT

to dye is no longer a question—ZINKE'S settles it by tinting your evening sandals any desired shade . . . 702 Houston . . .

HEY, "FOOTS" WHITE!

We suggest a pair of JARMAN'S crepe sole, square-toed "barges" for your dainty feet . . . and for all your masculine class-mates . . . Look at the sporty JARMAN shoes the yell leaders are wearing . . .
