'Dirt' Ready For Banquet

Business Queen To Be Named At Tonight's Affair.

The queen of the School of Business banquet has been elected and will be crowned at the affair tonight at 6:45 o'clock at the Woman's Club. Her identity will not be revealed until that time. Any girl in the department was eligible for the position.

According to the latest reports from the program committee of the banquet there are several "scandalous tales" which will be revealed tonight. It has always been the custom in past years to let this feature make up the largest portion of the program.

"We have sold approximately 150 tickets and everything indicates an enjoyable evening for the seniors," stated "Roastmaster" James Merritt.

The Ambassadors will play for the customary dance following the banquet.

Sophomore Tests To Be May 1-2

Don't look now, but more exams are soon to come. The annual nation-wide sophomore tests are to be given May 1 and 2 from 8 to 12 a. m. Dr. J. H. Daugherty is in charge of arrangements.

All sophomores will be required to take the tests, but any upperclassmen may get permission to take them by applying at the testing guidance office in the Administration Building.

A list of the students who must take the tests will be posted on bulletin boards in the Administration Building. All sophomore classes will be suspended on the days of the tests, but students not reporting to take the tests will be given cuts.

These pre-junior achievement examinations have been carried on in T. C. U. since 1929. No credit is given the student on the examination. The information is merely used to help him select his future studies.

Band Lets Audience Select Program

An unusual concert, helmed by Don Gillis to be the first ever tried by a band in this part of the country, was presented by the Horned Frog Band last Tuesday night when the director submitted a list of 40 selections of the band's repertoire to the audience with the request that they select the program for the concert.

"This was done not only to give the audience a chance to hear the selections they liked best but also as a test for the members of the band," Gillis said after the concert. "They didn't know what they were to play next and in some cases they had to sight read."

The band played 12 numbers in the hour and a half concert, including "Deep Purple," "Elsa's Procession to the Cathedral" and "Introduction" to the "Third Act of Lohengrin," which were chosen by the audience as the three most popular, and the "Finale" from Tchaikowsky's "Fourth Symphony" and the "Finale" from Dvorak's "New World Symphony."

New Instructor To Teach Biology

James Clark Street, Jr., Ph. D. Princeton, '39 will replace Dr. Herbert W. Graham as instructor in the biology department next September.

Dr. Graham, who is a marine biologist, has resigned to go to Mills College, California in order to work near the Pacific Ocean. He will remain at T. C. U. for the summer session.

Week-End Meet Has 39 Events

Thirty-nine literary and athletic events are scheduled for the annual meet of District No. 10 of the University Interscholastic League, which will be held on the campus today and tomorrow.

The League is composed of the cities of Fort Worth and Cleburne, and the counties of Tarrant, Cooke, Denton, Parker, Hood, Wise and Somerville. Prof. B. A. Crouch is general director of the meet.

About 20 students will act as judges for the various events. Included among those who will act in this capacity are: Misses Isabel Hill, Constance Clark, Wrenella McAfee, Evelyn Saunders, Laura Campbell, Jean Lipps, Elwyn Espy, Jewell Thomas, Ruby Faye Jones, Hazel Smith, Louise Craven, Elizabeth Storey, Jess Van Horn, Jewell Leftwich, Rebecca Taylor, Edna Erle Bryson, Anita Jane Stewart, Nancy Barnes and Mary Porter; and Eugene Haley and Samuel J. Easley.

Gillis' Compositions To Be Featured

As a preview to the next concert of the Horned Frog Band, which will feature music by Texas composers, next Sunday night's "Backstage With the Horned Frog Band" broadcast will feature two of Don Gillis' original compositions.

The first to be played is "Panhandle Suite." This is a descriptive symphonic number of the part of the state its name implies, and its movements describe the picturesque western land. Movements included are the "Cattle Gate," "Dance of the Dry Bones" and "Night Rider."

The second number is "Woolly Worm Wiggle," a humorous musical sketch that has been presented by the band on several concerts.

"Seniors Must Get Rings By May 5"—Wilkinson

"Senior rings cannot be ordered later than May 5 and have them delivered before graduation," says Ward Wilkinson. "This deadline cannot be extended because three weeks are required to fill the orders."

"All those who have not made their orders should see me as soon as possible," warns Wilkinson.

Plans are being discussed for a picnic to be held on Lake Worth in the immediate future but nothing definite has been disclosed.

Waits, Hall to Attend Indianapolis Meeting

President E. M. Waits and Dean Colby D. Hall will attend the annual meeting of the Association of Colleges of the Disciples of Christ at Indianapolis Tuesday and Wednesday. The meeting will be April 17 to 19.

Petition Deadline Set for Wednesday

'Jew' Revives Progressives

Campus 'Politicizing' Starts As Deadline For Petitions Set

The revival this week of last year's Progressive Party marked the start of another political campaign on the campus.

Shortly after Student President Guy Daniel officially opened the spring political season with an explanation in chapel of election rules and customs, it was announced that Leroy "Jew" Gideon will head the re-organization of the Progressive Party.

The party was organized on the campus last year with Vincent Ziegler as its head. Purpose of the party, as announced by Ziegler, was to "get all the students to vote and to elect a Council and student officers that will have constant, solid support of the students at all times." Gideon says that this year's party will "use essentially the same platform."

The deadline for all petitions for student body and Council officers has been set as next Wednesday noon by Ernest Peyton, chairman of the student elections committee.

Offices to be filled in the spring elections include student body president, vice-president and secretary-treasurer; editor of The Skiff; head yell leader; and six councilmen-at-large. Three class representatives are to be chosen later at class elections.

To be eligible for the office of student body president, Peyton says, candidates must have a grade index of 1.5 and must have 72 semester hours at the time of candidacy. Candidates for other student body offices also must have 72 hours credit at the time of election. The six councilmen-at-large will be chosen from the present classes—two from each. Places 1 and 2 are open to present juniors—student having 72 hours credit. Candidates for Places 3 and 4 must have between 42 and 72 hours, and those running for Places 5 and 6 must have between 12 and 42 hours.

All candidates for office must present petitions, signed by at least 30 persons, to Peyton by next Wednesday noon, it has been announced.

Peyton reports that one petition has already been turned in—that of Bill Haworth for editor of The Skiff.

Stormy Weather

With the scholastic barometer falling by leaps and bounds, it's time for the college student to start preparing for weathering conditions ahead.

With the clouds of professors' themes, reports, lectures, quizzes and homework assignments blowing all over the place, it is quite certain that April's crop of term themes and term notebook assignments will be halting down upon collegians. Don't jump on your absent-minded, un-labeled brain and ride off in all directions, but get under the shelter of the Library and while you're there prepare for these "soon-due" reports. The April storms will soon disappear unnoticed.

"April showers bring May flowers," but, if the student has neglected to prepare April's assignments, when May arrives he will be overburdened with past due term themes and projects... not to mention final examinations.

Quality

The efficiency of the faculty of T. C. U. has been recognized by associations and clubs all over the nation by electing them to important positions in various organizations.

Two of Texas Christian's latest honorary positions have been filled by Dr. Gayle Scott, professor of geology, and Miss Elizabeth Shelburne, dean of women. Just recently, Dr. Scott was elected president of the Society of Economic Paleontologists and Mineralogists and previous to this election he held the office of secretary-treasurer.

The first of this month Miss Shelburne was elected secretary of the North Texas Regional Association of Deans of Women and Advisors of Girls.

The faculty of T. C. U. has for many years been called upon to fulfill important positions in clubs and societies as well as make appearances on numerous programs. This is sufficient proof that the Texas Christian University faculty is ready and capable of taking the lead in furthering education and culture.

Purple-White

Between September, 1938, and January 1939, the T. C. U. football squad spread the name of Fort Worth and Texas all over the nation. The states of Louisiana, Wisconsin and Pennsylvania saw the Frogs, but because the "Purple and White Avalanche" was covering everything in its path, the whole nation was quite aware of this popular color scheme.

The Fort Worth Chamber of Commerce is conducting a campaign to have the 1940 automobile license tags colored purple and white in honor of the 1938 football achievements.

Just recently, Carlos Halcomb, Jaycee president, in a letter to the State Highway Commission said that "due to the fact that Texas Christian University brought a world of publicity to the State of Tex-

as, we feel the University rightfully deserves to be honored in such a manner."

Whether such cities as Dallas, Waco and Houston will stand for such an honor to be bestowed on Fort Worth and T. C. U. is yet to be seen—but, nevertheless, the Jaycees are doing their part in trying to give T. C. U. the honor she "rightfully deserves."

Odd World

Can You Imagine

... a college where no grades are kept, no class attendance is kept and the student can take his examinations whenever he feels he is capable? No credit—no marks—no grades—no nothing!!!

Robert M. Hutchins, president of the University of Chicago has such a plan in operation... and it is working. Mr. Hutchins says that "high schools cannot make up their minds whether they are preparing students for life or for college." The 33-year-old University of Chicago president's plan is to send only those to university who are fitted to go.

It is true that everyone is entitled to an education... but, only education for those whose talents and tastes fit him. There are trade schools and vocational institutes for those who are bored with the classics of Milton and Shakespeare.

Bob Hutchins has an answer for every question. Some of his more skeptical friends asked him—"Will it help the college student to make money," and he answers them:

"Money is not what we need most. What the world needs is understanding... it doesn't do much good to have a silk shirt in 1929 and no shirt in 1932."

Mrs. O'Brien Returns

Mrs. Ella Mae Keith O'Brien returned to the campus Wednesday night to read "Kiss the Boys Good-bye," a comedy.

The Evening College Student Council sponsored the program, which was given in the Auditorium.

HOW TO TIE A TIE

1. Arrow, makers of famed Arrow shirts... now make neckties. And here tells you how to tie them. First, put the wide end over and under narrow end... thus...
2. Then form a preliminary knot, by bringing wide end over narrow end and up through opening at collar. Smooth out the preliminary knot.
3. Next, put the wide end through the loop—loosely—and smooth out again. Keeping the knot smooth is important.
4. Now make a groove lengthwise in the wide end by pinching the sides together. This groove—when you pull the tie tight—forms a dimple beneath knot. Arrow Ties, because of their rich fabrics, achieve this drape easily.
5. The finished job looks like this. Knot not too big — and not so tight it screeches. Tie one of our Arrow Ties in this manner and you have the last word in necktie smartness.

\$1 and \$1.50. That's all Arrow Ties cost. Fine fabrics. Beautiful tailoring. They hold their shape through a resilient feature, tie neatly, wear long. See your Arrow dealer.

Frogs, Steers Play at 3

Horner Will Probably Hurl Today—Duckworth Will Start Tomorrow.

Little chance is given the Frog nine against Uncle Billy Disch's high-flying University Longhorns this afternoon and tomorrow when they clash here this afternoon and tomorrow at 3 o'clock.

(Undefeated in conference play, the Steers are well on top in the league standings and appear headed toward their twentieth loop championship in the 29 years Disch has piloted them.

Coach Howard Grubbs is hoping for a split, which is about the most the young Purple nine can probably do. Of course, the Steers will be favorites to sweep the two-game series.

Grubbs will probably send Durwood Horner on the hill this afternoon and Woodrow Duckworth tomorrow, although he is not definitely decided and the order may be reversed. Jack Odle, Rex Culbertson and Ben Abney will be ready to lend a hand.

Next Wednesday S. M. U. comes here for a game and one week from tomorrow the Frogs travel to Austin for their third game with Texas.

Frosh 9 Trims Varsity 7-1

The Frosh baseball team registered their initial win of the current season last Tuesday afternoon, a 7-to-1 triumph over the varsity nine. However, they received no little help from the veterans, as Durward Horner, Rusty Cowart and Clarence Alexander aided their forces in the game. Horner pitched creditable ball for the first-year men, while Alexander on first and Cowart at short played heads-up ball.

The Wogs were on a batting spree, and chased varsity pitcher, Ben Abney, from the mound with a barrage of base knocks. Abney's successor, Woodrow Duckworth, fared only a little better, as the Freshmen kept an unerring eye on the ball. Every member of the Pollwog nine hit safely at least once, but the stickwork of Ruel Hoffman, Ronnie Brumbaugh and Rom Orgain stood out. Jack Odle also pitched one inning for the Frosh.

With the beginning of high school baseball training this week, Coach Walter Roach expects to play several games. Games with Riverside and Paschal are assured, and most likely others of the schools will be met.

Baseballers Lose to Baylor

Too much Fine! Those words will describe the Frog nine double defeat at the hands of the Baylor club last Saturday.

The Bruins started their ace pitcher, Tommy Fine, against the Frogs in the first game and in the four innings that he worked he had fanned 10 men allowing but two hits. Ben Abney started the first game for the Purple but was relieved by Jack Odle after walking two men in the first inning. Odle ran into trouble in the sixth and was taken out in favor of Rex Culbertson who finished the game. The final score being 15 to 1.

The Grubbsmen got off to a better start in the second game with Durward Horner doing the mound work and it looked for a while that the Purple sluggers had found their range but then Tommy Fine took over and the Frogs hit the dust again, this time 6 to 5.

Don Looney led in batting honors for the day collecting four safeties in nine trips to the plate.

Sophs, Seniors Win Twin Bills

Behind the effective twirling of Jack Billingsley and Don Ver Duin the Sophs took both ends of their double header to hold their lead in the softball race.

In the first game Jack let the Frosh down with five hits while his teammates were effective enough at bat to make the final score 17 to 8. Ver Duin put on an even better pitching show giving up only three hits to the Juniors in the second game. The final score was 6 to 3.

With Bobby Bass doing some good pitching in the clutches the Seniors also tucked away two victories. The first was over the Frosh 9 to 7 and the second was at the expense of the Juniors 11 to 7.

Frog Tracksters Slated To Win Dual Meet Today

This afternoon at 2 o'clock the Frog track and field men will compete for the fourth time this season, but for the first time as favorites.

Baylor University will provide the opposition in the dual meet in which the Christians are big favorites. The Frogs won last year's meet between the two schools, 96 to 40.

Although Coach Poss Clark's men will miss Bob Cook in the weight events, the Purple runners are expected to pile up enough points on the cinders to put them on top. The Bears have little strength in the weights, anyway.

Gail Smith is expected to pace the Frogs this afternoon. The lanky junior is practically a cinch

to win any of the middle-distance events he competes in, which will probably be the 880 and 1 mile run.

Capt. Johnny Hall and Robert Groseclose are being counted upon to garner a wad of points. Hall will be a favorite in the quarter and discus and Groseclose is expected to ring up tallies in the hurdles and jumps.

As predicted, the Frogs finished second in the quadrangular meet with Texas, S. M. U. and Baylor at Waco last Wednesday. The Clarkmen scored 36 points. Texas won with 95 and Baylor and the Mustangs tied for third place with 20 each.

Smith was high point man for the meet with 10 1/4 points. He won the mile and looked great breaking

the tape on the 880.

Groseclose scored seven points in the hurdles and broad jump. Hall was third in the 440 and fourth in the discus. Lee Dunivant gained second place in the pole vault; Ward Wilkinson did the same in the javelin.

Cook was runnerup in the shot put but doubtlessly could have won if he had not have been weak from his recent attack of pneumonia. Floyd McRoberts scored in the broad jump and high hurdles and P. C. Taylor looked good winning fourth place in the two mile run.

Tuesday the Denton Teachers with their famous Blaine and Wayne Rideout come here for a triangular meet with S. M. U. and the Frogs.

A picnic for members of the Bryson Club was held last night at Mosque Point, Lake Worth.

For Dinner Tonight Plenty of 'Dirt Dishing'

It seems that toward the end of school everyone suddenly discovers that they haven't seen enough of their fellowman. To remedy the situation they do the first thing they think of, which seems to be have a banquet.

One of the most looked-forward-to events of the year takes place tonight at 6:45 p. m. at the Woman's Club. That is the School of Business banquet, to which you go if you can possibly rake up the necessary amount of money. If for nothing else—and this accounts for the most part for the large attendance—you go to hear the "dirt" on everybody since school started.

James Merritt will hold the coveted post of "roastmaster," which means he tries to spoil your dinner, for the "dirt" reading goes on while you eat. Paul Snow will assist him, which, we understand means that he gives the low-down on Jimmy.

The big surprise of the evening is the announcement of the School of Business queen. Two or three people who counted the votes are the only persons who know her identity. They go around with that smug expression which means wild horses couldn't drag the secret from them. Even the girl herself will be surprised.

The W. S. A.'s annual dinner-dance will be next Thursday night. Since the dance precedes the pageant so closely, Mrs. Helen Murphy has decided the girls will not elect the usual W. S. A. queen, as has been the custom.

The dinner will be a progressive affair. The cocktail will be served at the home of Kay Spearman, the main course will be at Loretta Houtchens', and the final

course and dance will take place at the home of Anita Stewart.

B. S. U. Will Have Annual Banquet

The annual formal Spring B. S. U. Banquet will be held at 7 o'clock on Thursday night, April 27, at the University Baptist Church.

Miss Ruth Eleanor Storm, student secretary of the T. C. U. division of the B. S. U., will be the mistress of ceremonies and Dr. D. W. Hudgins, pastor of the Broadway Baptist Church, will be the speaker of the evening. The installation of the officers for the coming year will take place during the banquet.

"All students are invited to come for only 35 cents each. Tickets may be obtained in Prof. B. A. Crouch's office or from me," Miss Kathryn Johnson, president, announces.

Sunday School Class To Give Picnic

The All-College Sunday School Class will give a picnic and hike in Forest Park at 6 o'clock Wednesday evening.

Wedding bells rang for three students and one ex-student during the Easter holidays.

Miss Jane Berry was married Friday in Cleburne to Wayne Reynolds of Pittsburg and Fort Worth. The bride transferred to T. C. U. this year from Hendrix College in Conway, Ark. The bridegroom is a senior at T. W. C.

The marriage of Miss Louise Shillingburg to Don A. Cowan Jr. took place Thursday morning at Broadway Presbyterian Church. Miss Carolyn Webster sang the pre-nuptial solo. The couple is at home at 3118 University Drive after a short trip.

John Preston Shell Jr., senior, married Miss Huggetta Harris Friday at the home of his parents. After a trip to San Antonio they are at home at 1515 May Street.

The former Miss Cordelia Carter, who attended school here last year, was married Easter Sunday in Dallas to Francis William Johnson. The bride's home was in Birmingham, Ala. She is a former Casa Manana show girl.
