- Big Social Year in Sight
Need for Something New
All-Campus Show
Up to Students

By STANLEY WILSON President of the Senior Class

We get out of anything just as much as we put into it. The more we study, the better grades we have at the end of the semester.

Social activities on our campus are arranged so that they do not interfere with our scholastic work, and since they are more or less infrequent they should receive the whole-hearted co-operation and support of every student.

Dances usually receive the best of support by the students for the biggest part of the school year, but occasionally interest is lost. Most students feel that there is a need for something new and different to arouse enthusiasm.

The suggestion that I would make, although not an original one, might prove to be the answer to the problem. I think that we should stage an all-college show.

I feel that the show could be as big as hilarious, as successful as you as students would want it to be. Again this calls for your co-operation from start to finish.

I have talked to several members of the senior class. They all seem enthusiastic and eager to sponsor the show. But we want it to include every student on the campus who wants to take part.

Enrollment Hits New High With 1591 Registrations

Enrollment figures hit a new high this week. Registrar S. W. Hutton has filed away 1591 registrations.

Chemical Society to Elect New Secretary Monday

A new secretary will be elected by the T. C. U. student chapter of the American Chemical Society at a meeting at 11 o'clock Monday morning in Room 7 in the Administration Building.

Oct. 19 Is Set For Choosing Official Trip

Students Have Possible Selection Among Baylor, Centenary, Texas.

Ballot to Be Secret

Special Train Will Assure Students of Reduced Rates—Administration to Give Holiday.

Official student body trip for this year will be voted upon Thursday morning, Oct. 19, it was decided by the elections committee yesterday.

Choice this year of the official jaunt lies among three possible places, Shreveport, Waco and Austin, with the Centenary, Baylor and Texas games being played there, respectively.

"Written ballots will be used this year for the voting of the trip," said Rufus Whitley, chairman of the elections committee.

By selecting an official student body trip students assure themselves of special train rates and a holiday from the administration.

Last year the official trip was to Houston for the Rice game. In 1937 the student body went to Shreveport when the Frogs played Centenary.

Business School Lists Employed

Of the 31 graduates of 1939 from the School of Business, 20 are either employed or continuing their studies.

Four of the five graduates are employed as follows: Clyde Scott at the Scott Bros. Grain Co., Dan Lane at the Procter and Gamble Co., Miss Hazel Smith is secretary to Dr. M. H. Crabb and Julius Menzeoff is continuing his studies in T. C. U.

The 17 employed from the 26 June graduates are: Dwight Allen, with the Soil Conservation Service; Allyn Berry, at the Shippers Distributing Co.; Walter Bradley, at Montgomery Ward and Co.; Miss Pauline Ernst, at the Fort Worth Tribune; Bill Ewell, at The Camera Shop; John Grimland, with the Cities Service Oil Co.; Miss Dalila Henley, at the Methodist Hospital.

Jack Maxwell, with the Rosedale Lumber Co.; Francis Mims, in Leonard Brothers credit dept.; Garland Montgomery, at the Western Auto Supply in Ranger; John Shell, with the Community Public Service Co.; Miss Clara Shelton, with Dean Brothers, Fort Worth geologists; Paul Snow, Jr., with the New England Mutual Life Insurance Co.; Houston; Ben F. Stroder, with the First National Bank; Miss Lillian Stuermer, with the Barnes Cotton Co., Brenham, Tex.; and Kenneth Tinkle, with the Terminal Grain Co., James Merritt is attending the Harvard Graduate School of Business for his M.B.A. degree.

Eugene Dawson and Arthur Lee Moseley are continuing to study at T. C. U. towards their M.B.A. degree.

Pres. Waits Speaker At Homiletic Guild

President E. M. Waits was the principal speaker at the first regular meeting of the Homiletic Guild Tuesday. His topic was "Preparations Essential for the Ministry."

The Rev. Patrick Henry, Sr., urged the co-operation of ministerial students on reporting for the church yearbook.

Dr. Allen True will be the principal speaker at the next meeting. He will talk on the war situation.

We'll Meet You on the Goal Line!

DO YOU PLAN TO SEE THE TEXAS A. & M.-FROG GAME HERE SATURDAY, OCT. 21?

No doubt 99 out of every 100 students of the University will be there rooting for the Purple team in its first home game of the season.

WHERE DO YOU PLAN TO SIT? Students who have been here before probably plan to occupy the same seats in the east stands that they have at home games for the past few years, those near the middle of the east stands or around the 50-yard line.

DO YOU KNOW WHERE THE ADMINISTRATION has determined you will sit? If the present-planned seating arrangement is carried out you will sit from the 25-yard line to the goal line.

WHERE ARE STUDENTS ENTITLED TO SIT? When you paid your six dollar activity fee you automatically paid your admission to all home games this fall.

The administration explains that because of the large number of Aggies (about 4000) coming here for the game they are forced to make this shift in seating.

It seems that the spirited Aggies would not lose any enthusiasm over being split into two masses of 2000, each of which is about double our rooting section.

For maximum enjoyment of the game, the first one of the season that most of you will see, most students want to be in the usual student section, that near mid-field.

VOICE YOUR OPINION ON THIS MATTER. LET THE ADMINISTRATION KNOW WHERE YOU WANT TO SIT AND WHERE YOU THINK YOU ARE ENTITLED TO SIT. IT IS YOUR RIGHT.

Twelve New Members Are Added—Lacy Is Chosen to Head Committee.

Jeff Murphy of Baylor University, president of the National Intercollegiate Chamber of Commerce, suggested to the T. C. U. chamber ways of making progress and how to make money at a meeting Tuesday night.

Twelve new members were taken in, and will be received at the next meeting, which will be a social affair with a dinner at some downtown hotel.

For the remainder of the semester, the chamber will hold two meetings a month. One will be a social meeting, and the other a business one.

A new "Business Law" committee was appointed. L. G. Lacy is chairman, and the members are Bill Patton, George Harrison, and James Barnhill. They will sponsor the Business Law Court, and will appoint the characters of the imaginary court.

Plans were discussed for the T. C. U. chamber to sponsor a monthly assembly for the School of Business, at which an outside speaker would be heard.

Natural Science Club Holds Initial Meeting

The Natural Science Club opened its activities for the new school year with a meeting in the Brite College Club Room Tuesday night.

Miss Ethel Bennett gave a talk on the Scandinavian countries. Miss Ruth Ellen Griffith and Heard Carter were appointed as a social committee.

The group also elected Miss Dorothy Rose, Miss Lola Lolar, Rex Howard and Tom Cunningham to publish a science paper once a month.

After adjournment, the stars were viewed through a home made telescope made by Alfred F. Dickey.

Garrett Speaks on War To Civic League Group

Prof. Ralph Garrett of the history department gave his interpretation of the European war situation last Monday at the Forest Hill Civic League meeting at the Forest Hill Presbyterian Church.

8 Frosh Gain Run-Off Set For Thursday

Woodyard, Moore in Final Balloting for Class of '43 President.

Voting Starts at 8:30

Graduate, Sophomore Council Posts to Be Filled—Hightower, Becker Meet for Vice-Presy.

The run-off elections for freshman class officers will be held beginning at 8:30 next Thursday morning in the Auditorium. A graduate Council member and a Council member from the sophomore class will be elected at the same time.

"Petitions for the latter two, signed by at least 15 students, must be turned in to some Council member by noon Tuesday," says Rufus Whitley, chairman of the election committee.

In the first elections held last Friday the following freshmen gained the run-off: president, Jimmy Woodyard, Port Arthur, and James Moore, Fort Worth; vice-president, Harmon Hightower, Fort Worth, and Gene Becker, Kaufman.

Secretary-treasurer: Miss Betty Wray, Washington, D. C., and Joe Campbell, Fort Worth; Council member: Miss Mary Dutton, El Paso, and Miss Anne Hutton, Fort Worth.

Complete results of the voting are as follows: president: Harry Ward, 11, Woodyard, 77, Moore, 63, Lawrence Smithson, 26, and Ralph Frame, 14.

Vice-president: Hightower 77, Ray Boyd, 11, Miss Martha Malone, 13, Dick Listner, 38, Leroy Snipe, 1, Gene Becker 48, and Joe Qualls, 14.

Secretary-treasurer: Miss Ara Belle Ragsdale, 8, Miss Betty Jo Bills, 31, Miss Mary McClelland, 12, Miss Wray, 74, Miss Louise Reynolds, 19, and Campbell, 48.

Council-member: Miss Louise Lackland, 14, Miss Marjorie Capps, 8, Homer Baughman, 19, Miss Dutton, 70, Courtney Wright 15, Miss Betty Simmons, 18, and Miss Hutton, 48.

President Waits to Talk in Decatur, Denton, Waco

Speeches in Decatur, Denton and Waco are scheduled for President E. M. Waits this week.

Wednesday the president will speak to the Decatur Lions' Club, then journey to Denton the following day to deliver the convocation address on "Creative Education" to the students of Texas State College for Women.

Subjects for the talks at Decatur and Waco have not been decided upon yet, but will probably be of an educational nature.

Everitt Gillis, A.B. '36, received a tutorship in the English department at the University of Texas last week.

Watch Out! Air Raid Scheduled for Today

Students of the University have heard much of the terror of air raids in wartorn Europe, but at 11:30 o'clock this morning T. C. U. will be subjected to a "bloodless" air raid.

Two - thousand! "propoganda sheets" will be dropped by Erle Powell, business manager of the Horned Frog, and Bryant McGinney, licensed pilot who is a student here, from a Taylor Cub "bomber."

The purpose of the stunt is to impress upon students the necessity of getting their pictures made for the annual. Freshmen and sophomores are supposed to have their pictures made not later than Oct. 25 and juniors and seniors not later than Nov. 15.

Homecoming Plans Started

New Branch of Ex-Students Formed as 65 Members Meet at Austin

A new branch of the T. C. U. Ex-Students' Association was formed in Austin Tuesday according to Roy Tomlinson, president of the State Association.

"The most extensive publicity campaign ever sponsored by the association is in effect this year," says Mr. Tomlinson in regard to plans for Homecoming Day, at the T. C. U.-S. M. U. game Dec. 2.

"The campaign started Aug. 5, and the staff is working ceaselessly in an attempt to get as many graduates as possible on the campus for the annual celebration."

A gigantic "chain-letter" was sent to 23 towns in Texas and Oklahoma Aug. 15. These letters, which require no donation of any kind from receivers, will be distributed among thousands of T. C. U. graduates before the deadline Nov. 25.

Alumni associations in all Texas towns are concentrating effort on Homecoming Day. The new Austin group is headed by James W. Pate, president; Mrs. Roger Busfield, secretary; John Penninger, first vice-president, and J. W. Townsend, treasurer.

3 Evening Students Receive Scholarships

Three Evening College scholarships were awarded this week, reports Mrs. Alma Bailey.

Mrs. Edna M. Rogers and Mrs. Rubie B. Soule received the scholarships offered by the Business and Professional Women's Club. Mrs. Marcine Trout received the scholarship given by Mrs. R. H. McLarn as an American Association of University Women scholarship in honor of Mrs. Barbara Burke.

Smoking Ban Poll Shows 6 to 1 Majority Against

Should smoking be banned in the Administration Building? The Skiff conducted a poll this week to test student reaction to the administration's stand on smoking in the halls of the Administration Building.

The survey revealed that the students questioned were opposed to the ban by a six-to-one majority. In answer to the question Miss Joyce Roberson says, "Boys have only five minutes between classes, and if they want a cigarette, they haven't time to run anywhere else. Because of this I think the ban is bad and should be lifted."

Sam Jackson answered, "Yes and no. Yes, I don't even smoke, and no, I don't favor the ban."

Favoring the ban was Miss Lola Lollar. "I'm for it. It's only a few steps outside," she points out.

Miss Margaret Caskey also approved the ban by saying, "For the furthering of the appearance almost any measure would be all right."

"If the boys want to smoke, fix places to put the stubs, and let them go to it," advocates Miss Catherine Dix.

On the other hand, "Chile" McKinney says, "College students are too young to smoke."

Jack Billingsley believes that the administration's ban on smoking is unnecessary and that the present system is not drastically out of line. Vardeman Shultz is also opposed to the ban, asserting that, while he believes in trying to keep the building clean, the students are entitled to smoke if they so desire.

"The smoking ban is a good thing," says Earl Holland, "if everyone would stick with it, but I don't think that it is doing much good at present."

Miss Frances Elizabeth Martin says, "As far as smoking is concerned it doesn't bother me. Cigarette stubs do not mess up the halls any more than candy and gum wrappers."

"I agree with the administration," says Jimmy McGalliard. Henry Swain believes that smoking is all right but states, "Smoking is offensive to a lot of people."

Jack Reedy says, "I'm in favor of the ban. Smoking might not be considered polite in the presence of other people." Oppositely, Brents Wooten says, "I don't smoke but as far as I'm concerned students can smoke wherever they please."

"I think that students should be allowed to smoke in their rooms but not in the halls or classrooms," believes Rudolph Tatch, while Leonard Hoyle thinks that "Students should be allowed to smoke where they wish, especially in the lunch room. I like to smoke after a meal. This is college, not high school, where the administration must think for you."

Petty to Jive For Hep-Cats At First Hop

"Floor-Ruining" Fest to Last From 9 Till 12—Admission to Be 65 Cents.

Employees Okayed

F. F. F. S. C. A. Get Hat Check and Cold Drink Concessions—Future Dances Still Unscheduled.

Frogland will have its first regular dance of the fall starting at 9 o'clock tomorrow night, and lasting until 12. Jimmy Petty's Orchestra will play, and the tariff will be 65 cents per couple or stag.

The dance will be the first one under the direction of Jimmy Nicol, newly-elected dance manager of the campus.

The scheduling of future dances by the Student Council has not been done as yet, but an announcement concerning them is expected sometime next week.

The Frog Forensic Fraternity was awarded the hat-check concession at all dances this year, and the Student Christian Association was given the cold drink stand. Both organizations handled the same concession last year.

Approval of employees and wages at the dances was made at the Council's meeting Tuesday night. Possibilities for the student body trip this year were also discussed.

Present at the meeting were Student Body President Bill Chappell, Miss Margaret Biser, Bob Mecaskey, Leonard Rosenthal, Bill Crossfield, Rufus Whitley and Dick Jay.

Grades Out Soon For Soph Tests

Some 280 students who took the Sophomore achievement tests last year will soon learn the results of their two days of hard work, announces Otto Nielsen, dean of men, under whose supervision the tests were given.

Notices are being mailed to each student who took the tests to call at Mr. Nielsen's office and receive an interpretation of the grades.

The results will show how T. C. U. sophomores of last year compare with others of the nation in word usage, spelling, vocabulary, social studies, literature, fine arts, science and mathematics.

The tests also reveal the students standing in regard to contemporary affairs in sociology, economics, government and politics.

"The tests were intended for the students' benefit," Nielsen said, "and I hope they will feel amply repaid for those two days hard work."

The students may receive some suggestions as to possible majors and minors from their scores, and, too, the tests may suggest some elective courses for their low points of achievement. The tests also might help them make vocational choices.

'Obligation, Inspiration' To Be Gresham's Topic

Rev. Perry E. Gresham will speak on "Obligation and Inspiration" at the 11 o'clock service Sunday morning at University Christian Church.

The anthem will be "The King of Love My Shepherd Is," by Shelley. Preceding the evensong service, Mrs. Q'Zella Oliver Jeffus will give an organ recital chosen from Widore, Yon, and Chopin.

Miss Betty Berry Spain will have a solo, "The Lord Is Mindful of His Own" by Mendelssohn. The topic for the sermon will be "The Undiscovered Presence."

Dr. McGavran to Speak On "Oriental Situation"

"The situation in the Orient" will be the topic and Dr. Donald A. McGavran of India will be the speaker in chapel Wednesday.

Dean Colby D. Hall will preside and the Orchestra will furnish the music.

## Khaki Clad Glamour

There's an enthusiasm and emotionalism characteristic of youth that no amount of reasoning or advice seems to affect. Every generation has the same recklessness, the same optimism as the one before. The "older" generation sits back and sometimes says, "Believe these youngsters are a bit wiser than we are. Perhaps they won't make the same mistakes." They're wrong—human nature doesn't change very much.

If you want a timely example of such history repeating itself, take a look at youth today where the question of war is concerned. Not too many years ago the present older generation marched off to the battle front with a light in their eyes and a march ringing in their ears. After all, there was glamour in being a soldier and going off to fight for the highest ideals, wasn't there?

Well, those same carefree boys came back months later disillusioned, broken, bitter. Just where was the glamour in that khaki now?

Today many people are wondering just what youth's reaction will be to future developments in world affairs. College students, particularly, have been active in the last few years in peace movements, but they have not been faced with a real crisis where a decision was necessary.

However, the indication is that when and if the bugles and the drums of the U. S. summon, modern youths will respond with as much enthusiasm as did their fathers. A picture of a group of new army recruits appeared in a local paper recently, and each boy had an ear-to-ear grin. Maybe that means nothing and again it's a possibility that those young fellows are searching again for that khaki-clad glamour—a search as futile as that for the Fountain of Youth.

## Where's That Spirit

Upset! That's what the Frogs' disheartening loss to U. C. L. A. in Los Angeles last week was. The Purple team returned home without alibis, however, and is determined to win its conference-opener against Arkansas tomorrow.

Following a spectacular, national-championship season like the Frog footballers enjoyed in 1938, a defeat at the open of the current season was a severe jolt to many fans and students. In fact, from general campus talk and gossip, one might gather the impression that some are losing school spirit. Some maintain the attitude that the season is lost.

There is one thing to remember when the side you are pulling for engages in any kind of contest. Only one team can win. Last week against U. C. L. A. wasn't the Frogs' time. They played creditable, even impressive football. Because of several circumstances, the chief one of which was a fighting California team, they lost.

However, the 1939 season is by no means yet a disastrous one. There are nine games to be played, and in so far as the Frogs' prestige in the Southwest is concerned, the most important games are to come.

Show the real T. C. U. spirit! Forget the U. C. L. A. game and look forward to Frog victories!

## Didya Know

Did YOU know that YOU have a Student Council on the Campus? Did YOU know that YOU are welcome and invited to attend its meetings? Did YOU know that there were only THREE students present at the last meeting, besides the elected members, and only TWO at the first meeting? Did YOU know that there were only SIX of the 11 elected members present at the last meeting?

Do YOU know anything about the Student Council except that it approved a ban on smoking in the halls by the administration and that there was a discussion as to whether T. C. U. students would sit at one end of the east stands in the stadium at A. & M. T. C. U. football game? Probably not! Well, what do YOU elect the Student Council for?

Probably one out of every 20 upperclassmen on the campus understands how the Student Council works! More than likely not one freshman knows that the Student Council is elected by the student body to represent the students on any matter concerning them! Upperclassmen, shame on you!

What do YOU think about smoking in the halls? What would you think if you had to sit down close to the end zone at a football game? You probably have a good answer "all think up," but you will tell everybody but the right person.

How do you expect YOUR Student Council representative to represent YOU if he doesn't know what YOU want? Each member of the Council can't make a canvass of his constituency every time a question comes up, so why don't YOU go to HIM at the meetings.

You would raise old Billy if a dictatorship were set up on the campus and told you what to do, but you won't get in there and attend to the questions that are bound to arise where there is a concentrated group of people such as are on this campus.

Let's all get in the game and find out what the score is so we won't make an error on the next play. Do YOU want student government? Of course you do! Well, do something about it!

## A Reply to Hanna

(Note: This editorial answers 'Hopeful Hanna's' letter to the editor of last week.)

Dear Hopeful Hanna:

For the first time a newcomer to the campus has made a complaint against the students of frogland on their seeming lack of friendliness. Can it be true that our campus has lost that air of friendliness and democracy that we have always patting ourselves on the back for? Or is the complainer just one of a few who have not yet adjusted themselves to the campus life?

We must take a look at ourselves at once and determine which of these points is true. If we have lost that which we have prided ourselves on for so long let's do something about it at once. Speak to everyone in the classrooms, on the sidewalk between classes, make ourselves known to the strangers in the drug store between classes. We can't lose that reputation that we have made for ourselves, as being the most friendly campus in the Southwest. We can't afford to lose such a reputation that we have valued for so many years.

If the second point is true, let's do something about that too. Help the freshmen and transfer students to make a go of their college life. You have gotten your start, help someone else to get theirs that will mean either four years of happiness or four years of un-friendliness and sorrow. Acquaint yourselves with the new students, introduce them to your friends, take them to your club meetings and interest them in the extra curricular activities; if you are a boy, take the freshman girl to a show. It may seem like an insignificant action to you but it may change the prospects of the next four years for the new student.

Something has to be done for "Hopeful Hanna" and the probable host of "Hopeful Hannas" on the campus. If you failed to read the "Letters to the Editor" in last week's edition of the Skiff, get that edition, read the letter and take it to heart. It is a problem that is vital to every student on the campus whether he is an upperclassman or a freshman or a transfer. Something has to be done, and done at once, for "Hopeful Hanna."

Outside reading is a fine thing for students, but must the teachers assign one book to 45 students of a class? If more books on the subject are not in the Library, and if new ones cannot be bought—then why not just skip it?

## Around and About

You don't need to feel so smug about it—we'll get YOU next week. Don't think we didn't see you Saturday night, parked down at the Stadium.

Speaking of Saturday night—DOTTY STUBBS and JOHN McNEELY thought it was a pretty good party. Meaning the one that was thrown at 3 downtown nite spots. Also among those present were WARREN MESSENGER, JACK LEARY, PAT ROGERS, CHICK BELL and her newly acquired scalp, BILL CAUDLE. That's not counting BOB HORTLE, who forgot to speak English as the evening wore on and became less dry. He spouted French all the way back to the campus. So we hear.

Speaking of hearing things (or were we?), the silence surrounding DIZZY DANDY HOLTE and BILL BOYD is more and more noticeable. Could it be the GREAT DIVIDE?

Then of course there's HELEN JANE THOMAS after a show date with ALLAN KYRAR. Her mother wakes up in the middle of the night to find HELEN JANE hitting her in the face. Cracks H. J. when she wakes up: "Gee, I didn't know I was hitting you. ALLAN told me to do it."

Then there's the new club on the campus, called the Navahoe Club, because the members take blankets to their meetings held in Trinity Park and sit around and talk (?). President of the organization is CHARLIE PRIOR with FRANCES STEVENS acting as vice-president and BOBBIE BUNNELL elected sergeant-at-arms (cop watcher.) Other members are STUBBS again, SUZAN EARHART, HELEN GAMBLE, "L I T T L E F O O T S" WHITE, WORD JARVIS and WALLACE FITZGERALD. Seven other members who have applied for membership will be initiated one of these nights. Probably tonight. MOST probably tonight. Oh, yes, we forgot to tell you about the Certificates of Membership. Anyway, they have them, but we can't find out what. Maybe they're copies of that old, old musical favorite, "Pettin' in the Park . . . !!"

In case you're wondering about the accident that left MARCELLA BUS, erstwhile fiancée of JACK SHERLEY, with bandaged foot and on crutches . . . she stepped on a broken bottle thrown out of BRITE. 'Tis said the bottle was a member of an old Scotch family . . . (No reflections intended.)

PHARIS CICERO TAYLOR and CORNELL BARNARD had a time Saturday night trying to lure ED ETIER'S date, an ex, away from

him. They gave up when P. C. decided it was his bedtime. He's in training for next track season you know. (Got in at 3 a. m., Poss.)

Well, watch your conduct. We're still around and about!

## The Starduster

At last the big moment has come! JAN GARBER is in town and his music that has thrilled thousands of dancers will again float across the moonlit waters of Lake Worth at the CASINO. The idol of the airlines

### Jan Garber

will raise the baton at 9 o'clock and will continue the "downbeat" until the wee hour of two. Don't miss this opportunity. See you at the CASINO. All "jitterbugs" and "alligators" will not want to miss the big show

starting at the Worth Saturday. Artie Shaw and his band have come to the movies at last and all students will get to hear him jam and jive for seven minutes on one piece! Artie is just one of the attractions for Lana Turner is also in the picture and she has really got what it takes. The name of the show is "Dancing Coed."

The Tivoli continues to produce the goods as far as novelties are concerned and to prove it they have a double bill scheduled for the midnight show on Friday, 13th, that will even scare the operator. You will not want to miss this and meet these two lovely ladies: THE BRIDE OF FRANKENSTEIN & DRACULA'S DAUGHTER.

Starting at the Hollywood today is another swell show "Dust Be My Destiny" starring John Garfield and Priscilla Lane. It is a fine show and as always the stars turn in splendid performances. A tip—girls be sure and take your hankies.

The Parkway continues to bring back those swell pictures that are good enough to see again, and this week we will be going to see Tyrone Power and Sonja Henie in their latest, "Second Fiddle."

The Majestic will be showing what some of the critics call the best picture of the year. Robert Donat (you remember his four star performance in "The Citadel") continues his career as one of the best by playing lovable Mr. Chips in "GOOD-BYE MR. CHIPS."

TOP honors for amusing incidents on the California trip go to Dutch Meyer and Red Palmer. The boys who were warming the bench during the trying moments while the ball was on the 5-yard line tell this on Dutch. The Dutchman fondly refers to Connie Sparks as "The Big Train," so when Connie plowed into the line Dutch began to go "Chug, chug, chug" out loud with all the motions of an engineer, in an effort to help Connie over. Each time Connie hit the line and failed Dutch's hat was reduced to a smaller ball, until at the end of four tries it was somewhat of a weather-beaten mass.

On the way out the boys were about to go to sleep, so Red Palmer, student manager, decided to live up to the crowd. Poss Clark and Red conspired to scare the negro porter. Poss told the porter Red had running fits and bit people and in the meantime Red had filled his mouth with Alka Seltzer, which produced a plentiful supply of froth, and started after the Negro. The porter was scared so bad that the boys had to get a new man to make up their beds. Afterwards Dutch tried to sign him up to play football, because anyone who could run that fast would never be touched.

A valuable man was lost to the Frogs this week when Melville Ehlers went down in scrimmage with a twisted knee. After examination, the doctor placed the knee in a cast and advised Dutch to give up the idea of football for a long time. Dutch was quite an asset to the ball club and his absence will be felt in the reserve strength.

EHLERS

Joe Russo, the long haired Yankee from New York, came out this week with a very bold statement. Joe swears that he can beat any and all in a game of handball. He even threatens to spot some kids as many as 20 points. If he is as good as his hair is long, maybe no one should accept the challenge, but Prof. Tom Prouse claims he can be beat, so if interested see the Henrietta Butterball, Troy Douthitt, Joe's manager, for engagement dates.

When the Frogs line-up against the Hogs tomorrow it will be their first game in the Razorback's new stadium. Built last year at the cost of \$300,000 it will seat 12,500. It was named Baily Stadium after an Arkansas governor. Last year the Frogs were on the short end of a basketball score when they helped the Hogs dedicate their new field house.

The record number of freshmen who reported to Walter Roach the first day of practice has dwindled until there are only 47 boys out. The first day there were about 67, but it didn't take some of the boys long to realize that football as the Frogs play it is a pretty tough dose.

While dishing out praise to Jack Odle and marveling over the U. C. L. A. colored twins, sight must not be lost of the boys who did the mail carrying for the Frogs. Leading in this department was Logan Ware. Logan was the most consistent ground gainer on the field for the Frogs and only once was he stopped at the line of scrimmage for no gain. Last year Ware averaged 4.20 yards per carry. He rolled up 50 yards in 14 tries against the Uclans.

While the football team was off on its week-end excursion, the track team started its work-outs. Already Gail Smith, P. C. Taylor and Jim Nicol have started running across country races in an effort to build up their legs. Gail plans to enter the annual cross country run that is held each fall at A. & M., if he is able to get in shape that soon.

Norther Hits, Frogs Smell Fresh Bacon'

Heavy Forwards Cause Hogs to Discard Passing Attack for Running Game.

Line Averages 216

Report Says Porker Stars Are on Injured List—Christians Remain in Good Spirits, Despite Loss.

By KEITH GUTHRIE

The first norther has hit the campus, bringing with it the desire for fresh bacon in T. C. U.'s football smoke house. Will they get it, or will they go hungry the rest of the season? Only tomorrow will tell, when the Frogs tangle with the Arkansas Razorbacks at Fayetteville in the new Bailey Stadium and attempt to erase their defeat of last week.

Arkansas, up until this year, has always been considered a team with as many passes as T. C. U., but this year dope seems to have it that the Razorbacks are changing their style of play in favor of a running attack, with few passes. The reason for this sudden change on Coach Fred Thomson's part is a line that averages 216 pounds.

Arkansas Line-up Given.

The probable starting line-up for Arkansas will be: At ends, Howard Hickey, 205, and Maurice Britt, 202; tackles, Dudley Mays, 209, and Saul Singer, 251; guards, Milton Simington, 223, and Wilfred Thorpe, 208; center, Zeylon Holly, 202. In the backfield there will be co-capt. Kay Eakin, Joe Sealet, co-capt. Ray Cole and Ralph Atwood.

Last year Arkansas was able to win only two games, but most of the players were sophomores. This year their players are well seasoned. With such lads as Kay Eakin and Ralph Atwood, who Howard Grubbs says is almost as fast as Jackie Robinson, doing the running and with their mammoth line clearing the way, the Razorbacks are likely to do some scoring of their own. Last year the Arkansas club scored two touchdowns on the Frogs, something no other club was able to do.

Recent word from the Ozarks lists several of their stars on the injured list, but they will probably see service tomorrow if needed. Howard Hickey, end, and John Freiberger, six-foot-eight end reserve, who caught a touchdown pass against the Frogs last year, are among the injured.

No Injuries for Frogs

The Frogs returned from the coast in an excellent frame of mind, despite the loss, with only one thought, that being to take it out on the Razorbacks. Only a few minor injuries showed up as a result of the game and, barring last minute accidents, everyone should be in top shape for the game. Bobby Sherrod managed to get through without re-injuring his shoulder and Bob Cook reports that the special shoulder brace makes him as good as new.

The Frog-Razorback series started back in 1920. Since that time the two teams have met 15 times, with the Frogs winning 10 and the Hogs four. In 1937 the game ended in a 7-to-7 tie.

Mr. and Mrs. Henry Ayres and daughter, Miss Callie Ann, of Paris, spent Sunday with their daughter, Miss Mary Alice Ayres.

Juniors Leading Intramural Race

With two victories under their belts, the Junior intramural football team took an early lead in the football race this week. Their second victory came Wednesday over the hapless Freshmen, 36 to 0.

However, the Senior-Sophomore game was the real thriller. Losers last week to the Juniors by one point, the Seniors came back and nosed out the Sophs by the same scant margin, 40 to 39.

The Senior-Soph melee was a close battle all the way. Although the Seniors were always ahead, they never had more than a six-point lead. Perry Gandy scored two touchdowns for the Seniors but it was Horack who scored the all-important extra point on a pass from Spud Cason. Ed Revercomb led the Sophs with two six-pointers. However Rom Orgain's passes proved important to the second yearmen.

Working with smooth precision that would do justice to a well coached team, the Juniors easily rolled over the Frosh. Robert Groselose led the Junior's offensive by scoring two touchdowns while Howard, Stevenson, Sorrels, Crossfield, and others smothered the Freshman attempts to score.

Tennis Meet Set For Next Week

The annual fall tennis tournament, held each year by the intramural sports department, will start some time next week. All boys desiring to enter should sign up at the Gymnasium by tomorrow.

"Any boy interested in tennis should enter," Prof. Thomas Prouse says. "This year all varsity tennis players are ineligible to play in this tournament. Another will be held for them later in the month."

Last year's winner, Jack Billingsley, will not enter as he is now a varsity player. However, Phil Mahaffey, runner-up to Billingsley, will probably be seeded No. 1.

Matches will not be scheduled at any certain time, but will be played at the convenience of the players.

Wogs Defeat Coyotes 24-0 Before 1500

Weatherford Makes Only 3 First Downs, Never Seriously Threaten.

Thompson Scores 2

Fine Line Play by Wright, Harter Blackstone and Lewis Feature Defensive Play.

Led by Wild Bill Thompson and Dean Bagley, the Frosh unleashed a surprising amount of power and deception to down the Weatherford Coyotes 24 to 0 yesterday afternoon before a crowd of about 1500.

It was the Wogs game all the way with the Coyotes never seriously threatening their goal line. The Wogs got off to a flying start in the first quarter when Bill Ramsey raced 30 yards to the 20. From there Bill Ramsey bucked the line once then Thompson carried it over standing up.

The fine line play of Bill Wright, Mike Harter, Billy Blackstone and Billy Lewis was a strong factor in the Coyotes making only three first downs against 13 for the Wogs. Time after time one of these boys broke through the Weatherford line to throw the Coyotes for losses.

The Wogs drew the second blood of the game when Thompson cut in-

We Beat 'Em, Says Looney

Don Thinks Frogs Superior in Every Department Except Score-Making

"We beat them but they won." Thus Sub-Capt. Don Looney summed up the Frogs' defeat last Friday night at the hands of the U. C. L. A. Bruins.

The Purple and White machine did everything right except cross the Uclan goal line. They piled up impressive majorities in the statistics column, but the score-keeper ignored these and chalked the final score up as 6 to 2 in the Californians' favor.

'Co-edquette' Discussed By S. C. A. Frosh Groups

"Co-edquette" was the topic discussed by the four Student Christian Association freshmen groups at their first meeting this week. Each freshman group is sponsored by a faculty member and two upperclassmen.

The two upperclass discussion groups of the S.C.A. talked on the "International Situation" at this week's meeting, reports Miss Evelyn Watkins, president. Last week the social service group met at the home of Dr. and Mrs. A. L. Porterfield. Projects that the members will work on this year were assigned.

ther, in fact, he was satisfied with the Frogs' showing. Especially was the coach high over the showing of Jack Odle, whom he has been booming for almost two years with the statement that he would be better than either Baugh or O'Brien. Jack attempted 27 passes and completed 15 for an average of .555, which is rather good to start the season.

Bruins Score on Long Drive. The Bruins made their touchdown on one long, unbroken drive down the field from their own 30-yard line. Their colored twins, Washington and Robinson, did most of the ball-carrying, using their deceptive hidden ball play. This play is much the same play that A. & M. used on the Frogs last year to score a touchdown.

The Frogs' safety came when the entire T. C. U. line swarmed the Bruin kicker who was attempting to boot out from behind his goal line.

Selwyn "Beans" Browning has dropped out of school. He plans to attend night classes at Centenary College.

### Campus Gets in Groove To Tune of Petty Gang

By LOIS HERZ  
Campus cavortings are getting back in that ole groove again this week-end. Now that the social preliminaries, the Prom and the Reception, have had their share of the limelight, we can start looking forward to those football dances (victory hops, we hope). Nothing like giving the tonsils a rest on the dance floor after a hard game, you know, and tomorrow night is a fine time to get in practice.

New Dance Manager Jimmy Nicol will be conservative this week and serve it up plain vanilla. He's saving those goulashes, vice-versas and stuff for a little later.

This week's "slack sleuthing" expedition, if nothing else, goes to prove that the male of the species is unpredictable when it comes to his opinions concerning the opposite sex.

Contrary to our expectations, the boys seem to like the idea of girls wearing slacks on the campus. The girls were considerably less enthusiastic over the idea.

One fellow went so far as to say, "I think it is a swell style. I, as a male, would be highly pleased and flattered to see the girls coming out in like attire."

(Having satisfied our curiosity on the subject, we conclude the investigation.)

ORCHIDS: To Prof. Claude Sammis and the T. C. U. Orchestra for putting some melodious variety into chapel with their popular arrangements this week.

Some more purty flowers to the Parabola Club for thinking up a new variation of that old stand-by, the wiener roast. They are going in for a "Stew Party" tonight. (No, not stewed.) Old-fashioned stew will be the piece de resistance, and everybody has to bring his own bowl and spoon.

### Los Hidalgos to Hold Open House

All students of Spanish will be honored at the Los Hidalgos open house to be held at 7:30 next Wednesday in Brite College of the Bible. Guests will be met by a receiving line made up of Adale Reiger, president, other officers and Miss Eula Lee Carter, sponsor. Music and refreshments will be on the program.

The new officers were chosen at a meeting Monday. Miss Isabel Hill was named first vice-president, and Keith Guthrie, treasurer.

About thirty new members will be chosen by the club's membership committee sometime after the open house," says Miss Reiger.

### Informal Party Held by Miss Mulkey

Miss Ruth Mulkey entertained a group of students with an informal dinner party at her home Friday night preceding the football game.

Ping Pong and dancing followed the dinner. Coffee was served preceding the game.

Those attending the party were: Misses Clara Lee Jones, Margaret Frost, Rosella Porterfield and Faye Faulk, and Tom Evans, Vernie Barber, Maxey Kirkpatrick, George King, and Tom Cunningham.

### Student Entertains For Team, Band

Honoring members of the football team and the Horned Frog band, Miss Beatts Potishman entertained at her home on the White Settlement Road with a barbecue last night.

The guests went to the T. and P. station following the party, for the pep rally and Arkansas train departure.

Misses Betty Bob Williams, Patricia Rogers, Jean Lipps and Betty Davison assisted the hostess.

### Dramatic Tryouts To be Wednesday

Students aspiring to be members of the Dramatic Club should be prepared to give three to four-minute skits Wednesday in Brite Club Room, according to Miss Betty Putnam, president.

The skits can be given alone or with another person, but above all, they must be memorized, Miss Putnam says.

### Colonial Club Hears Instrumental Trio

An instrumental trio consisting of Misses Eileen Gillis, Betty Dyer and Jane Puryear played Wednesday at a luncheon for the members at the Colonial Club.

Miss Ann Coles was the vocal soloist.

### Catholic Club Elects New Officers Today

New officers will be elected at the first meeting of the Catholic Club at 11 o'clock today in the amphitheater. Julius Menzeroff, retiring president will preside.

### Waits Calls Reception 'Most Successful'

"One of the most successful ever" was the way President E. M. Waits termed the 1939 edition of the President's Reception, held Wednesday night in Mary Couts Burnett Library.

For two hours, starting at 8 p. m., an unbroken chain of visitors passed the receiving line, which was made up of faculty members and their wives. At times this chain extended out as far as University Drive.

President Waits was particularly pleased with the fine student turnout. The undergraduates who assisted also drew words of praise from the president.

The string trio, composed of Misses Betty Magoffin and Jeanette Hopkins and Chadwick Vandervoort, furnished music for the occasion.

### Bob Ballenger to Wed Dollie Ruth Neal

Miss Dollie Ruth Neal and Bob Ballenger will be married Saturday evening at the First Christian Church in San Angelo.

Misses Mary Lois Springer and Mildred Strong left yesterday to take part in the ceremony, as did Max Ballenger, Bob Johnston and Bob Parker. Guy Daniel and Russell Hensch, June graduates, will also be in the wedding.

Miss Neal was a sophomore here last year, and Ballenger graduated in '39.

Miss Elizabeth Hager will visit in San Angelo this week-end and will attend the wedding.

### 'Miss Laredo' Leaves For Fair Today

Miss Isabel Hill will leave today with her parents, Mr. and Mrs. Frank Y. Hill of Laredo, for Dallas. She will spend the week-end there, participating in the opening of the State Fair, as the Laredo "Queen."

Following the pageant and parade of 50 girls selected from over the state, judges will select the "Bluebonnet Queen" of Texas.

Miss Florrie Buckingham will accompany Miss Hill.

### Parabola Features Stew at Picnic

A kettle of stew on a campfire will be the chief attraction at the Parabola Club picnic in Forest Park at 5 p. m. this afternoon.

"Each person must bring a bowl and spoon," says President Retha Hughes, "and we hope everyone will enjoy this new type of meeting."

Two new members have been admitted to the club. They are Joe Campbell and Mrs. Carlie Bogart.

### Clark Hall Boys Plan Party for Girls

Plans for a party, to be held in one of the gyms with the Jarvisites as their guests, are being discussed by Clark Hall boys.

No dates will be allowed so that more of the students will have an opportunity to become acquainted. Dancing and card games will be featured by the entertainment committee.

### Orchestra Has New Officers

George Campbell, president, Monroe Bicknell, vice-president, and Betty Dyer, secretary-treasurer, are the newly elected officers of the Orchestra.

Director Claude Sammis reports that the Orchestra will play hit tunes of the week on the regular chapel program beginning Oct. 18.

### Brysons to Honor Faculty Monday

The Bryson Club will have a reception honoring the faculty at 8 o'clock Monday night at the Colonial Club.

Charlie Williams, president, also announced that there would be a business meeting at 8 p. m. Tuesday. Miss Lorraine Sherley is sponsor.

### Timothy Club Has Wiener Roast

Eighteen members and guests attended the Timothy Club vespers and wiener roast in Forest Park last Monday night. Lamar Hocker spoke on "Our Magnificent Obsession." Dr. Newton Gaines, entertained with cowboy ballads.

### Home Ec Club Holds Buffet Supper

A buffet supper was held at the first meeting of the Home Ec Club yesterday afternoon in the parlors of Jarvis Hall.

### Prof. Sammis to Attend Music Board Meeting

Prof. Claude Sammis, newly appointed chairman of the board to write a constitution for the Texas Association of Music Schools, will go to Dallas tomorrow to attend a meeting of the board of directors of the association and to superintend the framing of a constitution.

The meeting is at the Adolphus Hotel.

Miss Bettye Claire Praye will attend the Oklahoma University-Texas game in Dallas Oct. 14.

### Dews Heads Council Meet

50 Classes Represented in Evening College Group at 7:30 Tonight.

Omer Dews, first vice-president of last year's Council, will preside at the first meeting of the Student Council of the Evening College at 7:30 o'clock tonight in Room 1 of the Administration Building.

Each of the 50 classes has elected a representative and an alternative to the Council. From this group officers and committees will be named to function this fall.

Committees will be named for socials, publicity, constitution, improvement, employment and finance.

A nomination committee will also be named for the recommendation of officers.

Dr. A. L. Boeck, director, has announced that registration has already passed 475 and is expected to exceed 500 when registration is completed this week.

Boeck also announced the addition of four new classes to the schedule of the evening school. Two new sociology courses in advanced finger print identification and the social problems of Fort Worth, an art course in sculpturing and a business administration course in the law of credits and collections are the new courses.

### Reception to Be Held in Sterling House

A reception will be held Oct. 19, honoring transfer students living in Sterling House. Miss Katherine Morrow is in charge of refreshments. Mrs. Dura-Brokaw Cockrell, hostess at Sterling, invites the faculty and students to call between 8 and 10 p. m.

### Mavericks to Have Party Oct. 13

The Maverick Club will have a party next Friday night at the home of Miss Rosella Porterfield, vice-president, 2900 Rogers Street.

The meeting last week was a get-acquainted affair.

### Camera Sharks, Here Is Chance To Catch Capers

Attention candid camera sharks and photographic experts!

The Administrator is seeking all 16 m.m. movie films available portraying campus life as well as shots of the campus, to be loaned to different Christian Churches for use on programs.

"If any of the students have such pictures, we would be glad to hear about and use them," says President E. M. Waits.

### V. A. Leonard to Speak To Meliorists Sunday

V. A. Leonard, formerly with the bureau of identification of the Fort Worth Police department, will speak on finger printing to the members of the Meliorist Club at their meeting at 8:15 o'clock Sunday night at the University Christian Church.

Another feature will be the showing of pictures made of the members and also pictures taken on the Rev. Perry E. Gresham's trip this past summer.

### Dr. Smith Will Discuss Biography of Franklin

Dr. Rebecca Smith will speak before the Democratic Women's Club Monday in the Danish Room of the Adolphus Hotel in Dallas. She will discuss Carl Van Doren's recent biography of Benjamin Franklin.
