Sophs Give Out, Fish Take Over, Frog Kicked Out

Two sophomores in Jarvis Hall were slightly frightened Monday night when they discovered they had a visitor under one of the beds. He was chased around the room for several hours but finally the girls gave up hope of catching him and let him stay.

Several other girls heard the commotion and went down to join in the chase. First he was under the bed and then under the dresser. He even proceeded to flip himself into an open trunk. It looked almost hopeless.

Finally a freshman managed to corner the creature so the evening was saved and the poor little frog was put out the back door.

Weingartner Is Suspended

Clark and Goode Hall Boys Meet to Oppose Action Against Sophomore.

Over 100 men students of the University met in the Amphitheater Monday and Tuesday nights after Victor Weingartner, sophomore from New York, was suspended from school Monday.

The group, composed almost entirely of boys from Goode and Clark Halls, met for the purpose of "seeing what we can do to get Weingartner back in school" as one boy stated at the meeting.

Dean of Men Otto Nielsen was present at the first meeting and discussed the situation. After two hours of discussion Nielsen indicated that he would reconsider Weingartner's case. A second meeting was held Tuesday night but an effort to get Nielsen to attend failed. Dr. Gayle Scott, only representative of the administration present Tuesday, said he would investigate the case further.

Dean Colby D. Hall was notified of the meeting Tuesday and a meeting was held in his office Wednesday afternoon with Weingartner present. As late as Thursday afternoon Weingartner was still suspended from the University and his reinstatement depended upon further developments.

Campus Goes 'Collegiate' With Varsity Show Plans

Show "Biz" goes to college!

That is the idea behind the Horned Frog Varsity Show which will become a reality in the near future. Enthused students have been working hard on the idea, and a real "honest-to-goodness" musical revue will be presented on the lines of "Hellzapoppin", popular Broadway production of the past season. The show will be orginal in every way with scenes, music, lyrics, and costumes being the brainchilds of T. C. U. students.

Stanley Wilson, president of the Senior Class, is putting the ideas together and he will handle the business end of the production. Floyd McRoberts has written most of the show and it will be put to music by George Campbell. McRoberts will also direct the scenes with the assistance of Pat Steel and Hal Gardner. John Goodspeed, junior art student, will design the scenery and will probably help with the costumes.

Miss Betty Davison will have charge of the dance directions, and will take a leading role in the show. Miss Davison was a member of the Casa Manana chorus the past summer.

Bill Haworth, editor of the Skiff, will probably manage the publicity with Vernie Barber assisting him.

"There is a great deal of talent in the school and we want to use it in this revue. I feel certain that the citizens of Fort Worth will be anxious to see any show which T. C. U. puts on," says Wilson.

"We need cooperation from every student in the school, because this is going to be strictly a student affair. It will take lots of hard work but it is all good clean fun and the harder we work the more fun we will have," said McRoberts.

'Sport' Dance Will Be Given In 'Big Gym'

Second Regular Hop of Fall to Be Tomorrow Night at 9 o'clock.

Tariff Is 65 Cents

Ambassadors Will Play — General Note of Informality Will Prevail According to Nicol.

Sport dance!

Where? Tomorrow night in the Basketball Gymnasium! When? From 9 p. m. until midnight! How much? Sixty-five cents.

To the music of the Ambassadors Frog dancers will sway tomorrow night at the second regular dance of the fall. The dance will be a "sport" affair, which simply means that it is more informal than regular dances.

Evening dresses will not be in evidence so much and a general note of informality will prevail. This dance is in line with Dance Manager Jim Nicol's promise of "something different" at every dance.

"We were well pleased with the response to the dance last week," Nicol said. "I hope that the students will continue to patronize student dances here as well in the future."

Over 300 attended the dance last Saturday night. Five dollars was cleared.

As yet the schedule for dances for the remainder of the year has not been made by the Student Council.

New Organization Seeks Members

Prof. Combs, head of the modern language department, and Frank Horak, new instructor of mathematics, will sponsor a new club, the Cosmopolitan Club.

"It is being organized to study the people and customs of the middle European countries, and also astronomy," says Mr. Horak.

Dr. Combs has studied in France and visited in the central part of Europe. Mr. Horak was president of the Czechoslovakian Club for four years at the University of Texas. He was also in charge of the university observatory and has studied the planets. "If you are interested in starting such an organization let either Prof. Combs or myself know, and definite plans will be made," said Mr. Horak.

Mr. Horak further states that "if the management of the dances would like to see some of the native dances of Czechoslovakia, I can arrange with a group who do these dances in costume. They will put on a floor show and give you the original 'Beer Barrel Polka'."

Student Poll Landslide For Trip to Shreveport

The handwriting on the wall, as put there by the student body, spells "Shreveport." It's there in big red letters, too, for the Skiff poll on the student body trip question shows a tremendous majority for the Louisiana town.

American newspaper policy refutes abuse of minorities as the reasons that approximately one-tenth of the students polled gave for choosing either Austin or Waco, the only alternative will be given priority.

There was but a single vote for Waco. It was voiced by James Humphrey whose reason was that "I haven't been there before."

Austin was not quite so snowed under. Miss Mary Linn chose the capital city "because it is the best place to have a good time," Miss Helen Jane Thomas "because I can't go to Shreveport anyway," Don Ver Duin because he thinks "this game would be of more importance to the students because it is a conference game" and Russell Whatley and Harry Rex Davis want to see "the best ball game" because they are only going to see one road game.

The majority gave "everybody's going to Waco and Austin anyhow" as the reason for making Shreveport the official student body trip. Other persons and reasons were Jack Billingsley, "because it is further"; George Petta, "to go anywhere else would break T. C. U. tradition"; Jack Fry, "they really are hospitable".

Milton Atkinson, parrying with, "Why not? They always give us a good game"; Ross Vanderkolk, "I'd like to see Louisiana." Bill Trust, "the farther away, the better I'll like it"; Tom Evans, enigmatically with "because of the lack of proximity."

Miss Marcella Bus, "so we can get out of the state (this being stated with a travelitch twist and not from a one-jump-ahead-of-the-sheriff viewpoint)"; Erle Powell, "we could have more fun there than at any of the Texas places."

Miss Florrie Buckinham, "it makes no difference now to me (musically), but Shreveport is the logical place"; Miss Irene Arnold, with the thought-provoking "I don't know why; I just do"; Floyd McRoberts, "one can have such fun at Shreveport."

Chapel to Hear Combs, Gaines

Featuring Dr. Josiah H. Combs, singing French ballads, and Dr. Newton Gaines playing his guitar and singing cowboy songs, the Bryson Club will have charge of the chapel program Wednesday. Miss Mabel Major will preside.

"We hope to present ballads of all kinds so that everyone will enjoy the program," says Miss Lorraine Sherley, sponsor of the club.

Preliminaries Considered For Oratorical Contest

Plans are being considered for several preliminary contests this fall and winter, the winners of which would compete in the final Gough Oratorical Contest next spring, according to Prof. Lew D. Fallis, speech instructor.

"Increased interest in the Gough Contest has rendered it too long and cumbersome to be given all in one evening," Prof. Fallis further stated, "and the introduction of these preliminaries may be necessary."

The election for the sweetheart to be presented by the Horned Frog Band at the A. & M. game will be held at 11:00 o'clock Monday morning in front of the Auditorium. The names of these four girls will be on a printed ballot to be voted on by the members of the freshman class only.

Forty-four freshman girls' names appeared on the 170 nominations. Miss Bills received the most with 26 nominations, Miss Hutton was second with 24 and Misses Maxon and Betty Wray ran third and fourth with 13 and 12 nominations.

Student Trip Not Permitted To Centenary

Action Taken by President's Cabinet to Limit Jaunt to Conference.

Vote to Be Thursday

If Enough Students Want Shreveport Trip Railroad Officials Will Provide Special

The Centenary game and trip to Shreveport will not be allowed as official student body trip this year, according to a statement issued by the president's cabinet to the Student Council Wednesday night.

The action was taken to confine official student body trips to member schools of the Southwest Conference as a matter of courtesy to them according to the statement, which was submitted to Councilman Rufus Whitley.

Voting upon the student body trip will be conducted from 8:30 to 12:30 o'clock next Thursday morning in front of the Auditorium by written ballot. Centenary will probably be included upon the ballot although even if it is favored by a majority of students it will not be allowed as an official trip.

Students will be allowed to vote upon Centenary, however, in order to give railroad officials some assurance of enough patronage to warrant a special train to Shreveport, if the students want a special there.

Student Body President Bill Chappell was appointed by the Council as a delegate to College Station to officially welcome the Texas A. & M. students to the campus next Saturday for their corps trip and the Aggie--Frog game. Bill Crossfield was appointed as delegate to Denton to welcome the students of Texas State College for Women for the game.

Present at the meeting were Miss Margaret Biser, Chappell, Whitley, Crossfield, Bob Mecaskey, Dick Jay, Bill Douglas and Leonard Rosenthal. Absent were Tom Swiley, Buster Reynolds and Woodrow Duckworth.

Meeting time for future Council meetings was changed to 1 o'clock Wednesday afternoons.

"If you can give as much as one hour a week to coach a boy or girl or a group in art, music, public speaking, dramatics, crafts, nature study, or to leading a neighborhood group in any capacity, see one of the group leaders," said Dr. A. L. Porterfield. Student leaders are Miss Elma Cudlipp and Chester Gleason. Faculty sponsors are Dr. and Mrs. Porterfield and Mr. and Mrs. V. A. Leonard.

Let's Have a Varsity Show

Resolved: That T.C.U. should put on a Varsity Show.

Other schools, no larger than ours, have met with great success with this idea, so, why can't we as students get behind this idea that has already been started and help put it over in a big way.

An undertaking as large as this would require the undivided support and pep of every student in the University, for not only would there have to be actors to take part in the show, but there will have to be backers who won't stop until the job is completed. There would have to be a certain amount of free will work put in on the preparation of the stage and scenes. Money would have to be raised to take care of the incidental expenses incurred before the show was put on. There will be a thousand and one opportunities for everyone to help, providing that a show is put on, but the big job at the present is to talk the idea up and arouse interest in everyone and see that the show gets a chance.

So, if everyone will lend a little moral support to the originators of the idea, his plan should prove to be a lot of fun for everyone.

Let's Talk

To live in Goode Hall and to have an important telephone call to make at a certain time during the evening is one of the most harrassing thing on the T. C. U. campus. One must stand in line for as long as thirty minutes, at times, and then find that the called number is busy or it is too noisy outside to talk. The same situation arises when one is expecting a call; the line is always busy for the person calling in, because the boys calling out keep the line monopolized for at least two and a half hours each evening after six o'clock.

If a resident of this dormitory finds it necessary to make a long distance call, he must go out of the building either to the drug store or to Clark where there is a booth telephone. This is usually done because extreme quiet is desired when one is calling long distance and the system now in operation in Goode is far from quiet.

To give the boys this additional service and advantages which commonly go with dormitory life an installation charge of $3.50 would be necessary to put the private booth in operation. After this there are no expenses if the telephone takes in an average of fifteen cents a day on local calls. If the amount received exceeds the fifteen-cent-a-day average 25% of the excess goes to the school to pay on telephone bills during the slow months. It is entirely probable that out of approximately 100 residents, three will, in the course of a day, decide to make a call.

The booth telephones in Clark and Jarvis have aided greatly in reducing the rush for telephones common every evening between six and nine o'clock. Why can't Goode rate as well as the others?

Fight for Grades

Here, senior boys, is your chance to receive a diploma without sleeping through those boring classes, cramming for those dreaded exams and then straining your eyes and neck muscles to see your neighbor's paper to pass the hateful tests.

Go to war! Yes, indeedy.

It is a T. C. U. "custom" to grant half a grade to underclassmen and a diploma to seniors in case the boys are called "over there" during the second semester of the school year.

Course there is a slight catch to it. You boys must face Germans, Russians and possibly Italians whom you have never seen before, say "Phooey on you," shoot 'em, stab 'em, beat 'em over the head, most anything to make one less of them and then run for your lives—literally.

You must listen to bullets whizz over you day and night, while one brain says, "Hope it misses;" another craves food, which you probably haven't seen for days, and another (exaggeration) scowls at the mud and muck in which your body is compressed.

After all, isn't it better to have eyes for sleeping, cramming and copying and a mouth for snoring, mumbling and whispering in Ye Old Alma Mater than to have your head shot off on a battlefield? Who's craving war and half of a grade skipped?

Are You Active Or Passive?

The freshmen have been getting a lot of advice these last few weeks—good or bad, and in one form or another. But these words are aimed at every student in T. C. U., and may they not miss the mark altogether!

T. C. U. has two types of students—the active and the passive. The first type is the student who runs the college activities and campus clubs because the responsibility is thrown on him, and because he has the interests of his organization at heart.

The passive student is the one who never adds anything to a club to which he belongs, or who has never gotten up enough interest to join anything. He may be quite as capable as the "active student" but he has no willingness to work.

The organizations of T. C. U. are for all the students. They are run by a few students, because the majority is too passive to take some of the work off their over-loaded shoulders. That's why the Senior section of the annual looks off-blance every year—all the honors are grouped by the pictures of a few students, while other students have nothing by their pictures because they did nothing for four years.

Pick out a club that fosters interests that appeal to you. Join the club and serve on a committee when you're asked, and it won't be long before you're an active instead of a passive student.

This is no success story in one easy lesson; neither does it give tips on how to get your name in Who's Who. But it does tell you how to get a little more interest out of school than you may be getting at the present—and if you follow directions, it absolutely guarantees to get rid of that tattle-tale blank space beside your annual picture when you're a Senior.

T. C. U. Welcome

Next week the entire student body of Texas A. & M. and a large per cent of the students in Texas State College for Women will be guests on the T. C. U. campus.

Although there is friction over the seating arrangement for T. C. U. students for the fracas next Saturday with A. & M., The Skiff wants to remind you students that you are to act as host to the visiting delegation.

And acting as host means being courteous as well as gracious to the visitors. Most of the students will be here for the week-end, and it is your place to see that there are accommodations for each individual and that they are made to feel welcome and 'at home' on this campus.

So, Frogs, show your democratic spirit!

T. C. U. may not have anyone as good as the speed king, Sir Malcolm Campbell, but we have plenty of contenders to the title who practice daily on the street behind the campus.

Around and About

Freshman girls beware!

Here's a little tip for those of you who might find yourself in the same predicament as one freshman coed, namely MARY DUTTON. Seems she enjoys golfing now and then but she made the mistake of mixing her game on the golf course with a little flirting. Of course, there is certainly nothing wrong with that, provided the one you are flirting with doesn't turn out to be PROF. TOM PROUSE.

Don't get TOM SWILEY wrong. The cute blonde he has been seen with lately is his cousin, ODELL CLIFFORD; he has not been giving anyone the sneak though he has dropped the roll of a "steady." Word comes from the houses that VINETA WORTHINGTON has received that "little band" for her finger. The boy is a student at the college across town. Along in the same nature, but just the opposite—FROSTY READ and TOM KING have called it quits.

BEAUTS POTISHMAN'S super-special party last week surely entitles her to the name of "Elsa Maxwell of Frogland." Guest list at the party given at her country home reads like the student directory — footballers CAPT. BUD TAYLOR, JACK ODLE, SPUD TAYLOR, SUPPERTIME WOFFORD, KILE GILLESPIE, PHIL ROACH, A. J. HUFFMAN—HELEN CONNOR, ANN GOODNER, JIMMY MORRIS, KEN GRIFFITH, BETTY DAVISON, AL SHEPPARD, BETTY WILLIAMS, BETTY PUTNAM, JANE MANNING, BONNY WESTBROOK, B. DOUG, HELEN RUTH VERHEYDEN, JULIUS MENZEZOFF, JEW GIDEON, BILLY TOM STEWART, RUSSELL CAVINESS, are only a few that were there.

Seems the dance Saturday night was a little too calm for some of the boys so VIRGIL CLOER, GEORGE HARRISON, GEORGE PETTA and PAT STEEL climaxed the evening with a visit to Kirby's on the Lake Worth road.

For the boys who don't know. JAYNE MAXON and PEGGY GREEN were the two freshman yell leaders at the Wog-Weatherford game. If things like that keep up the freshman games are going to become more popular than the varsity scuffles. We hope that the Amarillo flash, BILL THOMPSON, is as good as he says he is. If he is right we ought to have a championship team the three years he will play varsity.

In trying to get the lowdown on the BOB BALLINGER — DOLLY RUTH NEALE hitching, it was reported by his little bud, MAX, that the destination of the couple's honeymoon was unknown. They simply went "pfft" (to quote MAX) after the ceremony and haven't been heard from since. The only data available as to the refreshments served was that everybody present was on a liquid diet, and were kept happy merely by the spirits of the affair.

JIMMIE ROBERTS visited the barber three times in one day and emerged with a new-fangled shingle resembling a porcupine. His head is so bare now that they say he will have to wash behind his ears twice a year.

The choicest way of slipping out of chapel was demonstrated Wednesday by MONROE BICKNELL when he dropped out of one of the dressing room windows and had a freshman take care of his books and instrument he had been playing in orchestra. Now that the charm of LADY KATRINE FINE is again gracing the druggeries, professors report a definite increase in class cuts. Speaking of the druggeries, here are the top recordings for the alligators (too much jive for jitterbugs), "Boogie Woogie" with Count Basie, "Traffic Jam" with Artie Shaw and "Honkey Tonk Train Blues" with Lux Lewis are getting the most play.

HARRY HITT seems to be continuing his romance with DOTTIE STUBBS from last year despite the occasional interference especially from GEORGE LOUDEN. Here's a last warning to you girls, but this time to the upperclassmen — watch out for your boy friends when Freshmen JUSTINE MOORE, JANIS WARREN, HARRIET KNOWLES, BILLIE MARIE WARREN and BETTY JANE JONES are around—they're not what you would call dangerous just yet, but they will learn soon enough from you upperclassmen.

★ ★ The ★ Starduster ★ ★

Showgoers are really in for a full program of entertainment this week-end. All of the cinema houses seem to have their best pictures at the same time. So to avoid missing anything of interest it is advisable to see all of the current attractions.

The Worth tops the list with the first stage show of the fall season, featuring a top flight group of entertainers headed by SEGER ELLIS AND HIS BAND. Ellis has been rapidly climbing the ladder of fame and today is one of the top dance bands of the country, and his music will make you forget your troubles. Accompanying this grand show is a hilarious comedy starring Franchot Tone and Ann Southern, "FAST AND FURIOUS."

Showing at the Hollywood will be an exciting drama that will thrill you as well as chill you. It depicts the trials and tribulations encountered by members of the submarine fleet. Wallace Beery has the leading role. THUNDER AFLOAT starts Friday.

The Tivoli, starting Sunday, presents George Raft and Claire Trevor in "I STOLE A MILLION". On the same bill is that "March of Time" that you have heard so much about, "Soldiers with Wings. Tonight at 11:30 the double-feature horror show will give to those who can't take it a free ambulance ride. THE BRIDE OF FRANKENSTEIN AND DRACULA'S DAUGHTER will be the features.

HORNED FROG Tracks

By KEITH GUTHRIE

HARDEST man to block, one of the best pass receivers, good down field blocker, plenty of drive and determination. Praise such as this isn't exactly idle praise, especially when it falls from the lips of teammates. The blunt of all these flowery phrases is for none other than that 196-pound end from Polly, Durward Horner. When praise is usually dished out Horner comes in for only a small part because he isn't a show ball player, but a steady, slow player who always gets his man and is in the right spot at the right time.

HORNER

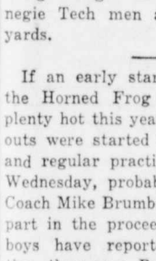
Horner was on the receiving end of 16 passes last year for two touches, which is quite a few pigskins to snatch out of the air. Durward won his starting berth along in the middle of his sophomore year and since that time he has been in there as a starter all of the time, except when injured, which has been seldom. Last week against the Porkers Horner got more than his share of the tackles and several times he undressed the interference and went on through to spear the ball carrier for a loss.

Appearing in the Oct. 24 issue of the Look magazine is an article by John S. (Wrong Down) Getchell which should be of interest to Frog fans. Featured in his story of the famous "Wrong Down" decision is a full page picture showing John Hall being brought down by three Carnegie Tech men after gaining five yards.

If an early start means anything the Horned Frog cagers should be plenty hot this year. Unofficial workouts were started about a week ago and regular practice will begin next Wednesday, probably at night so as Coach Mike Brumbelow can take some part in the proceedings. So far six boys have reported out for practice, they are: Buddy Baron, L. A. Monroe, Jack Billingsley, Herman Hoover, Leonard Cannady and Guy Holt. The boys who are out for football will take little dish in the early season work-outs for some time. Capt. Mac Best will meet with the boys Wednesday and decide upon definite work-out plans.

Official statistics released this week through the league's official board show that the Frogs have completed 30 out of 64 passes with Odle second in individual honors with a completion average of 571. Leading pass receivers show Looney and Ware out in front of the race having caught 10 and 7, respectively.

Earle Clark is third in yards gained on running plays with an average of 5.58 yards per carry. He carried the ball 12 times and gained 67 yards.



COWART

Just a prediction: Watch Rusty Cowart go. He may have the stuff to make T. C. U. another great little quarterback. Rusty has been handicaped all of his playing career by having to play behind great ball players. When in high school at Sunset in Dallas, Cowart was understudy to the one and only David O'Brien then he followed in Davey's footsteps to college and played one year behind David and Odle. This year it seemed certain that Odle was headed for a great year, therefore, shifting Rusty back to the second slot, but fate has shoved this 156 pound lad into the No. 1 hole. Can he go? Only a couple of games will tell.

Here goes for another sound oral whipping. The Skiff's sports staff sees the outcome of the Temple game like this. Jack Billingsley 14-0, Jimmy Morris 13-0 and Keith Guthrie 13-7. Dutch's boys will win —We hope.

Frogs Carry Determination Against Owls

Purple Still Out for Initial Victory of 1939 Gridiron Campaign.

Temple Line Heavy

New Coach Swan Has Altered Play of Eastern School—Davey Will Assist Meyer.

By KEITH GUTHRIE.

With a grim determination born out of two narrow-margin defeats, the Purple and White lads will attempt to pick the Temple Owls clean tomorrow and break into the win column.

The new Owl mentor, Fred Swan, seems to have other plans, however, backed by a powerful forward wall that averages well over 200 pounds per man. The spear head of the Temple defense will be headed by a big 210-pound tackle, Ed Kolman. Last week Kolman was a thorn in Carnegie Tech's side when the Skibos defeated the Owls 7 to 0.

Owl Play Altered.

The Owls have altered their play somewhat from last year, running mostly from single wing formations, with an occasional double wing deployment. Their plays are usually of the fast-breaking type with such speedy backs as Al Juralewicz and Ed Schwope doing the carrying. The starting line-up for the Owls will be: Walters and Rushton, ends; Kolman and Watson, tackles; Krulis and McGee, guards; Brunski, center; Juralewicz and Schwope, backs; Bowles, fullback; McCracken, quarterback.

Odle's Thumb Broken.

The Frogs' passing attack suffered a severe blow when it was discovered Wednesday that Jack Odle had suffered a broken thumb in the Arkansas game. Jack will be out for about four weeks. This unexpected event will shift Rusty Cowart, the lad who did a fine job up at Arkansas last week after Odle was injured, into the tail-back post. Other Frog cripples include Ray Standley, who was left at home because of a twisted ankle, and Dutch Ehlers, who has a twisted knee. Fred Shook reported to practice Tuesday with an O. K. on his stomach disorder, so, he should be ready to go if needed.

Broadcast to Be Direct.

The game will be broadcast direct from the field at Temple by KGKO. Cy Leland will bring the play by play report starting at 1:20 p. m. Fort Worth time.

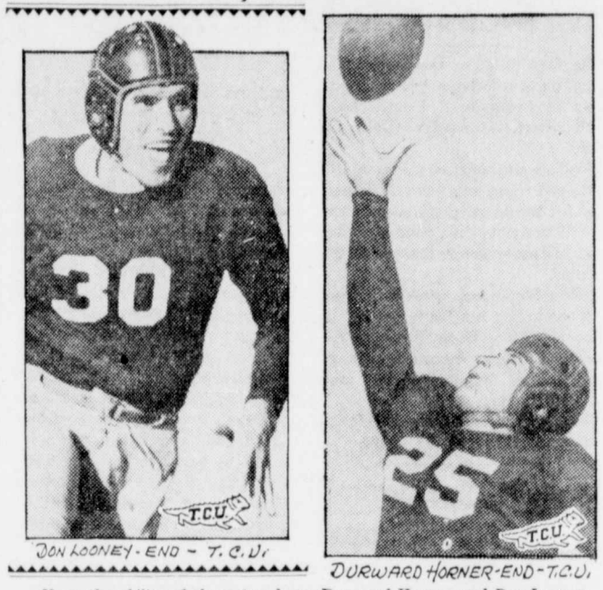
The Frogs have spent the entire week polishing up on their offense and from indications it seems probable that their attack won't bog up close to the goal line tomorrow. The starting line-up is likely to see some other changes due to minor injuries to the first stringers. Capt. Bud Taylor is still limping from an injury received in the Arkansas game. If Bud isn't able to start, Bill Crawford will take his place.

O'Brien Scouts Eagles.

Temple's attack will not be exactly a secret to the Frogs as David O'Brien, who is playing pro ball with the Philadelphia Eagles, has scouted the Owls in their last two encounters and will be on hand to aid Coach Meyer and the T. C. U. aggregation.

Miss Johanna Wollner, daughter of Mr. and Mrs. Carl Wollner of 2315 Mistletoe Drive, will leave via the Braniff Airline today for Houston where she will stay at the Rice Hotel for the week-end.

They Catch 'em



DON LOONEY - END - T. C. U. DURWARD HORNER-END-T.C.U.

Upon the ability of these two boys, Durward Horner and Don Looney, to catch Rusty Cowart's aerial heaves may rest the Purple's changes for victory tomorrow.

Juniors Drop First Contest

Sophs Defeat Defending Title Holders 13 to 6 to Tie Up Race.

The Junior intramural football team lost a game last Wednesday afternoon. Usually this would not be of such great importance, but this brought to an end probably the longest winning streak that this campus has ever seen. The Juniors had not lost a game since they had been playing together. For the past two years they were undefeated champions.

The Sophomores were the boys who finally turned the trick. The score was 13 to 6, but this does not begin to tell what a hard fought game it was.

The Sophs scored in the early moments of the game on a double pass from Bill Allen to Leslie Hightower to Herman Hoover. The Juniors came righ back to even the count when Bill Trust swept wide around end and then lobbed a pass to Robert Groseclose in the end zone.

There was no more scoring during the first half although the Juniors had the ball on the Soph's one yard line when the half ended.

The game was fast and furious throughout the third period and part of the fourth. However, with only five minutes to play, Allen, of the Sophomores, flipped a high pass to Ed Revercomb, who in turn tossed to Hooser, who again scored six points. Rom Orgain passed to Allen for the extra point.

The Juniors fought hard to score during the few remaining minutes, but the Sophs knocked down their long passes until the whistle sounded.

Every man in the Sophomore lineup played hard, hustling every minute. Allen, Hoover, Thompson, Nicks, played brilliantly. The Juniors played their usual smooth game, but the Sophs played as if they were inspired. However, Paul Sorrels, Bill Trust, and Rex Howard were outstanding.

In the other game the Seniors swamped the Freshmen 36 to 0. This is the second successive game that the Frosh have failed to score in, which is some sort of a record in itself.

John Estill led the Seniors in scoring with two touchdown, while Bob Parker, Eulis Hill, Joe Russo, and Tom Bronw each scored once, Ed Walker was the ace of the hapless Freshmen.

Gibson House had five deserters and one visitor last week-end. Miss Ann Goodner attended the game in Arkansas and Miss Martha Singer also left the state to visit a friend in Oklahoma City. Misses Ruth Claitor and Clauda Jones were at their homes in Temple and Miss Mary Frances Armer went to Denton to see friends at T. S. C. W.

Porkers, Heat Defeat Frogs

Yardage, First Downs Favor Meyermen—End Around Proves Fotal, 14-13.

By JIMMY MORRIS

"It certainly was hot," remarked about 20 Frogs after the T. C. U.-Arkansas game last Saturday. "We just didn't have any pep and hustle," said several others.

As a result, the tall Razorbacks came up with a 14-13 victory over the Horned Frogs last Saturday. Once again the only edge the Frog opponents had was in the score. The Purple made one more first down than the Hogs and outgained them 142 yards.

Unlike the U. C. L. A. game, the Frogs didn't drive within the 10 yard line but twice and then they didn't score but on one of those attempts. The first Frog tally was a result of a 20 yard pass by Jack Odle and a brilliant catch and 25 yard run by Durward Horner. The other came after Logan Ware received one of little Rusty Cowart's tosses on the Frog 40 and ran all the way to the Aransas one yard line before he was downed. Frank Kring then took it over on the first attempt. Earl Clark attempted both conversions but missed the second which proved fatal to the Frogs.

The Razorbacks scored twice on end plays around the Frogs' right end with Adams carrying the ball both times. The first score resulted from a series of passes that placed the ball on the Purple eight yard line. From there the big end circled wide around his own left end for the score. Then early in the fourth period with the ball on the Frog five yard stripe with O'Neil Adams carrying the ball both times, first score resulted from Milt Simington, 230-pound guard, kicked both goals.

Coach Fred Thomsen of the Razorbacks used practically every man on his squad to stop the Frogs' aerial and ground attacks. Still the Purple reverses worked well all afternoon and the Frogs completed 18 of 39 passes for 284 yards. The Porkers didn't attempt but 17 passes and completed 10 for little more than 100 yards.

One thing that was pleasing to Coach Meyer was the work of his reserves who were mostly sophomores. Phil Roach, Woodrow Adams, Bill Crawford and Frank Kring were the boys who were especially effective in replacing the first stringers. Durward Horner played his usual game at end and Logan Ware was once again the outstanding Frog on the field. For the Porkers Kay Eakin was practically the entire offense and was helped tremendously by the tall ends Adams, Britt and Southerland.

"Say, cutie, let me have the hen-house." "Help, let me out!" "Throw me out honey!" "Say good-lookin' what ya doin' tonight?"

You guessed it—a sample of the working life of a switch-board operator.

For your information the hen house is Jarvis, and when "throw me out" comes over the wire, the party wants outside. Simple?

Miss Elizabeth Biser, head operator wants everyone to get some of the new rules just passed. "This year we are not putting through any long distant calls or telegrams on the switchboard. Students will have to use the pay phones in the dormitories. Also, there are not visitors allowed and we have only six outside lines."

Miss Betty Wray and Miller Mosley are the new operators this year. Misses Ruth White and Bettye Seaton also work on the switchboard.

Miss Mary Alice Ayres will be among those to attend the Texas-O. U. game in Dallas this week-end.

Plans for Musical Show Being Made on Campus

By LOIS HERZ

There seems to be a strange malady that hits the campus about this time every year. It affects almost everybody differently—some people go around humming little tunes to themselves, others go through a few experimental tap steps in their spare time.

The artistic souls busy themselves with theatrical-looking sketches and the business-minded compile long lines of itemized figures.

In case you haven't guessed, the Varsity Show bug is at work again.

Enthusiasm is definitely in evidence, too, and if ideas continue to pop up as fast as they did in a special meeting last Wednesday night, the show should really go into production.

The basic plan so far is for a musical show that will be arranged by the students—talent, music, stage settings, production and everything.

Of course plans are not whipped into shape and there is no official O.K. as yet, but student enthusiasm is brimming over.

According to the present idea, the show, if and when produced, will be under the sponsorship of the senior class.

Now, people, after this build-up, don't blame us if your favorite girl friend starts dieting and taking tap lessons or if that special boy trys his favorite gag lines when you go on dates. Maybe you'll be able to say someday, "I knew him when—."

Those Glee Club girls are ingenious, anyway. That doughnut sale that they'll have next week is to raise some of the money to go on a trip to New Orleans next Spring. That's one way to get dough, isn't it? ('Cuse it, please.)

While you're waiting for that long-anticipated home football game, you can dress up in those snappy sport clothes you haven't had a chance to wear and chug over to the Sport Dance tomorrow night in the Gym.

The Ambassadors will hold forth on the bandstand this week-end.

Ampersand to Give Annual Tea

Ampersand will give its annual tea for all new transfer girls Sunday at 4 p. m. at the home of President Waits, 2929 Princeton.

Miss Julia Cabiness was given a brief initation last Tuesday night at the home of Mrs. Gayle Scott, sponsor.

Members present for the initation were: Misses Dorothy Ridings, Gene Roberts, Alma Burkett, Charlotte Zihlman, Elizabeth Biser and Charlotte Loe.

Definite plans for the chrysanthemum sale before the A. & M. game will be discussed at a business meeting Monday morning at 11 o'clock at Mrs. Scott's home.

Church Group Plans "Bad Luck" Party

"Be lucky on this unlucky night," says John Frank Lucas, president of the All-College Sunday School Class, "and attend the 'Bad Luck' Party at the University Christian Church at 7:30."

Black cats, umbrellas, horse shoes, step-ladders and many other "superstitious" articles have been collected by Lucas and his crew of freshmen to be used at the party.

Miss Margaret Jane Biser is in charge of the entertainment.

Clark, Jarvis to Hold Party Wednesday

A. J. Huffman, chairman of the Clark Hall social committee, announced this week that the Jarvis Hall-Clark Hall party will be held Wednesday in the basketball gym.

The committee has provided for entertainment in the forms of dancing and other amusements.

Chairman Huffman believes that the gathering will do much toward making the students better acquainted.

Dick Isaacs was named president, David McKee, vice-president, Pat Warner, secretary-treasurer, and Eugene Horwitz, reporter. A committee composed of the officers will plan the activities of the club and plans will be submitted to the club members at the next meeting.

Dr. Haldeen Braddy and Mrs. Ruth Angell, sponsors, share the opinion that the club shows great promise in literary accomplishment for the coming year.

Reunion Party Held In Gibson Saturday

A reunion party of the Gibson girls of last year was held last Saturday at Gibson House. The girls listened to a broadcast of the football game, and were served dinner afterwards.

Among those attending were Misses Betty Lou Martin, of Graham, sophomore here last year and honor guest, Mary Frances Watson, Elizabeth Biser, Margaret Jane Biser, Ruth White, Evelyn Watkins, Jewel Dillinger, Vineta Worthington, Ann Goodner, Mildred Ross, and the housemother, Mrs. S. H. Jenkins and her grandson, Ivan Alexander of Tyler.

11 Members Join Dramatic Club

Eleven new members were admitted to the Dramatic Club as a result of the tryouts held Tuesday night and the remaining aspirants will have their chance in additional tryouts to be held at a call meeting of the club next Tuesday night in room 304 in the Administration Building.

New members of the club are Misses Marinel Carson, Betty Belle Hunter, Peggy Greene, Jean Bloodworth, Laura Jane Smith, Sara Anne Cabbell, Janis Warren, Coy Pepple, Peggy Lewis and Jimmie Langford and David McKee.

"Did you ever do any Dutch-dating?" This was the question asked on the Abilene Christian College campus and one fast-learning freshman answered, "Well—I don't, but I don't think I have ever dated a Dutchman." From a survey gathered by the ACC Optimist, one campus lovely replied in answer to the question, "I'd feel insulted if asked to pay my way.' Others remarked sarcastically, "I had just as soon go by myself."

One girl whose opinion is almost revered said, "I consider it very damaging to the boy's pride—if he has any." Most boys answered, "Aye" to the question, however, there was one old-fashioned boy who dreamed of a girl who would be answering, "Yes" to the proper question someday, says, "I don't approve at all. In fact if a girl should suggest such a thing to me, I'm afraid I'd be forced to ask her to look up another date. I'm sorry but I couldn't let my pride down so much."

To you freshmen who are about "all in" from being servants now for nearly a month, try taking daily doses of liquid gelatin. S. M. U. athletes find it beneficial for maintaining endurance.

Several O. U. co-eds have hit upon a new plan for making football trips. They sing for it. Once the title "Soonerland's Sweetest Songster" is attained the winner is given a free trip to the oncoming game with all expenses paid. One lovely lass was able to see Oklahoma beat Northwestern through this new avenue of expense deferring.

Girls on the third floor of Willard Hall at Oklahoma A & M are answering the telephone something like this: "Willard Heaven, third cloud layer—To which angel do you wish to speak?

Breathes there no man with soul so dead
Who hath never stopped and turned his head
And to himself hath softly said
"NOT BAD!!!!

Malvin Stevenson, president, urges everyone to pay his fee to one of the following before noon Tuesday: Bill Crossfield, George Stroud, Stevenson, Miss Florrie Buckingham or Miss Elizabeth Hager.

Charles Zlatkovich, newly elected sponsor will chaperon the party.

Norris to Speak At Next Chapel

Wogs Tackle Baylor Oct. 31

Coaches Pleased With Showing of Team Against Weatherford.

Coach Walter Roach is drilling his freshman footballers on plays and blocking, making preparation for the Hallowe'en tilt with the Baylor freshmen which is to be played Oct. 31 at Farrington Field. It will be a night game and is to be sponsored by Ex-Letterman Association members.

Pleased by the Wogs' victory over the Weatherford Junior College Coyotes in the Frog Stadium last Thursday, Coach Roach said the boys played good ball in spots but they would have to be better to beat the Baylor Frosh. The Coyotes were outclassed all the way in Thursday's match by the powerful Wog eleven and were on the shy end of a 24-0 score.

The play of the first-year men is smoothing out as the season progresses and they are geting valuable defense experience in scrimmages against the Varsity team. The Wogs' offense has been pretty ragged so far but it shows signs of improvement in every practice session.

"Our offense play is smoothing out," says Coach Roach, "but the boys still need a lot of work on blocking; in the line, in the open field and giving better protection to the passer."

The freshman coaches, Roach and Lacy McClanahan, are adding a few more plays to the Wogs' repertoire in order to give the offense more balance.

When the Polliwogs entertain the Baylor Freshmen the affair is due to be quite a colorful affair. Advance dope says that the Ex-Lettermen's Association members are arranging an entertainment on the field during the half.

Coach Roach hopes that the Hallowe'en spooks don't snatch up some of his players right in the middle of a play and give them a ride with a broom. The Varsity players will do that if the Frosh don't win the game.

Choral Club to Sell Doughnuts

Those delicious fumes you will smell Monday about noon in the Administration halls will not be coming from the cafeteria alone. Here's why. The girls in the Choral Club are sponsoring a sale of doughnuts, the proceeds of which will help send all the girls on the spring tour.

Geraldine Sharp, vice-president, is in charge of the sale.

Name Wanted For Radio Show

An original name is all that is lacking in the plans for a 30-minute T. C. U. variety radio show every Wednesday night. The program is scheduled to start Oct. 25 at 10:15 P. M. "We need a new and different name for the show," Prof. Claude Sammis, originator of the idea, stated Wednesday, "and I would appreciate students' suggestions mailed to me during the next two weeks."

The show will have an outlet to some 20 stations in the Texas State Network through facilities of KFJZ and will be broadcast from the Auditorium or the Administration Building radio studio.

Tryouts for the show are open to all students of T. C. U. The show will feature music by the orchestra, a weekly sports resume, campus gossip, news about ex-students and occasional talks by the faculty.

Miss Katherine Moore, radio technique instructor will supervise the writing of the continuity, choose a master of ceremonies and act as talent scout.

Students submitting names for the show should mail them by card or letter to Prof. Sammis, P. O. Box 295, T. C. U.

Miss Mary Porter, graduate of last year, spent the week-end visiting friends on the campus. Miss Porter is teaching in the school at Blooming Grove.

40 Spanish Students Attend Open House

Forty Spanish students attended the annual Los Hidalgos open house, which was held last Wednesday evening in Brite College of the Bible.

Music and refreshments, consisting of punch and sherbert were featured. Guests were greeted by the club's officers, and Miss Eula Lee Carter.

The next activity of the club will be to choose about 25 new members. "Anyone who has had two years of Spanish, or is taking it here is eligible to join," says Miss Adale Reiger, president.

Miss Jane Chilton will have as her guests this week-end at her home in Marlin, Misses Martha Singer, Mildred Ross and Katherine Childress.

Mrs. Mitchell and her daughter, Mrs. Jane Templeton, of Wichita Falls spent Tuesday visiting Miss Betty Mitchell.

Misses May Anna Duncan, Jean Sisson and Susan Earhart will spend the week-end in Anna visiting Miss Betty Giles, former T. C. U. student.

Ed Brooke, of Dallas, sophomore here last year, spent several days here last week finishing up his school work. Ed is attending S. M. U. this year.

Miss Peggy Giles of Anna, Texas, was visiting friends on the campus last week. Miss Giles was a freshman here last year.
