- Bud Likes Spirit
- Tough Game Ahead
- T. C. U. Has Chance
- Frogs Will Fight

By BUD TAYLOR
Captain of the Frogs

Long before I enrolled at T. C. U. I had heard and read of the fine school spirit out on the hill. Through actual experience I have found every bit of that true. We should be thankful that we go to a school where this spirit is present. It's a pretty nice feeling to walk across the campus and say "hello" to someone and receive the same hearty greeting in return when names cannot be called.

Little can be said to improve the spirit on the T. C. U. campus this year. Our small student body enables us to know nearly everyone personally and have personal feelings toward each other. Although we have been on the short end of the score in our first three games, you still seem to have confidence in us, at least that's the way you express yourselves on our presence. It is very encouraging to know that someone is still pulling for you even though you aren't winning every game.

A. & M. will definitely be gunning for us this week. T. C. U. holds a jinx over the Aggies, losing only one game in the last 14 starts. T. C. U. has won over A. & M. with teams that critics said were inferior to the Aggies. Again this Saturday T. C. U. enters the annual affair as the underdogs. Greater heights can be gained by doing more than is expected rather than ONLY what is expected.

The Frogs are not unbeatable on their home grounds, but they haven't lost a game here since 1935 when they played S. M. U. for the Rose Bowl bid. Winning T. C. U. teams of the past make defeat more bitter now, but you must remember that in 1937 T. C. U. had only one win in its first six starts and then came out second in the conference.

This is no attempt to alibi for losing these first games. Except for a few bad breaks we could have won all three as easily as they were lost. A total of seven points has defeated us. In the words of Coach Dutch Meyer, "Any winning team can go on week after week taking opponents as a habit without a great amount of drive and determination, but it takes a great team to take defeat and then rise to heights. One can be a man much easier winning than when losing. When one realizes his mistakes, corrects them and then comes back to win he has at least a very important quality that makes for success."

You can bet your last rag that the Horned Frogs will be out there Saturday hustling with determination to win from the time of the first whistle until the final gun. Keep up your good spirit and we'll do our best to make you happy Saturday night that you came to T. C. U.

Frogs, Aggies To Jam Gym For 'Big Hop'

Largest Crowd of Year Expected—Admission to Be 65 Cents.

Petty's Band to Play

Council Makes Motion That Type of Dancing Be Left to the Discretion of Students.

The largest crowd of the year is expected tomorrow night in the Basketball Gymnasium when the third regular dance of the fall will begin at 9 o'clock with Jimmy Petty and Orchestra furnishing the music. The tariff is 65 cents.

Attendance to the dance will be swelled by the presence of many A. & M. and T. S. C. W. students who will be here for the game.

Dance Manager Jimmy Nicol is enlarging his personnel staff in order to take care of the crowd. "We are expecting the largest crowd of the year at this dance. Several hundred Aggies and Denton girls will be here and we are eager to make their visit an enjoyable one," Nicol said.

In addition to authorizing the dance tomorrow night, the Student Council made several resolutions and proposals at a meeting Wednesday afternoon.

A motion that "the type of dancing at school dances be left up to the discretion of the students" was made by Councilman Tom Swiley and was approved by the Council.

The newly elected members to the Council, Charles Amyx, Jimmy Woodyard, Miss Anne Hutton and Arthur Mosley, took the oath of office.

The Council made a motion urging the students to get to the game tomorrow early in order to be assured seats.

Yearbook to Use Purple 'n' White

A cover of purple and white with embossed lettering has been chosen by the staff for the 1940 edition of the Horned Frog. The lettering will be purple on a white background and a new technique of color application will be carried out.

Editor Sam Jackson stresses the importance of turning in snapshots to him or some other member of the staff for the yearbook. "They're coming in fine," he said, "but a lot of students are a little bashful about turning in pictures of themselves or their friends. They should remember that it's their book, made for them." He also stressed that all students should have their pictures made before Wednesday.

Joe Ashley Will Return To T. C. U. Next Summer

Joe Ashley, student in T. C. U. last year who is now in California working on a scholarship at the Art Center, plans to return to T. C. U. next summer to do work toward his degree which he plans to get here.

Ugliest, Prettiest Freshmen to Be Elected Thursday

The ugliest freshman boy and the prettiest freshman girl or "queen" of the first-year class will be elected next Wednesday after chapel hour in front of the Auditorium.

The purpose of the election is to have two fresh representatives for the freshman football game with Baylor's Cubs Tuesday night, Oct. 31, at Farrington Field.

The T. C. U. Ex-letterman's Association, sponsors of the game from which they annually build their student loan fund, is backing the stunt as a publicity maneuver for the game.

An effort is being made to get Baylor to elect a similar pair.

The two winners will be presented at half time of the game, the girl on a horse and the boy on a donkey.

T. C. U. Chosen For Conclave

National C. of C. Convention Will Be in Spring-Banquet Plans Made.

Interest is growing steadily in the National Intercollegiate Chamber of Commerce, and the T. C. U. Chamber is taking a leading role. Frogland has been picked as the site for the national convention of the I. C. C. to be held this spring.

Pamphlets are being mailed from Baylor University, publicizing the I. C. C. of 4000 colleges and universities. Harry Hornby, president of the national group, has asked that J. B. Cason, T. C. U. student and member of the national board to receive all mail concerning the national group.

Colgate University will probably be the next member as they have sent in favorable answers to the publicity board.

There will be a broadcast over station WBAP at 9 o'clock Saturday morning given by Baylor University. If the program is favorable with the radio audience, Texas Christian will also broadcast the following Saturday. There will be an attempt to make it a weekly affair.

Erie Powell, T. C. U. president, and his associates are making plans for the coming banquet to be held Tuesday night at 7:30 o'clock in the Alamo room of the Texas Hotel. Homer Tomlinson, Sr., will be the principal speaker.

Graduate Students Form 'Master's Degree' Club

The graduate students in the English department who are working toward their Master's degrees have organized a review group which meets every Thursday afternoon.

Miss Mary Louise Witherspoon, chairman, says that it is for the purpose of quizzing the members so that they may find the weak points and work on them.

Students who are enrolled at present are Misses Frances Harris, Virginia Griggs, Lorene Cunningham, Witherspoon, Mrs. Dorothy Jordan Boren, Mrs. Frances T. Yates and Carl Sutton.

Ampersand Will Sell Chrysanthemums Friday

"Ampersand's chrysanthemum sale will begin at 10 o'clock in the Administration building," says Miss Elizabeth Biser, president. "We will have both A. & M. and T. C. U. colors."

Plans for the sale were completed at a business meeting Oct. 16, at the home of Mrs. Gayle Scott, sponsor. Ampersand honored all new transfer girls with a tea at the home of Pres. E. M. Waits last Sunday.

B. C. C. Club Will Meet To Discuss Problems

Several problems will be discussed at a business meeting of the B. C. C. Club to be held tonight in Brite Chapel, states Eulis Hill, president.

Austin Named Official Trip As 311 Ballot

One-hundred and Eighty Eight Desire Special Train to Shreveport.

Fare Will Be \$3.40

Two-Hundred Tickets Must Be Sold in Order to Assure Excursion to Game With Centenary.

Austin, scene of the Frog-Texas game Nov. 19, was chosen for the official student body trip yesterday when 311 students voted.

Two-hundred and eighty-seven votes were cast for the Austin trip and only 24 for Waco and the Baylor game.

Although Shreveport was not allowed to be considered in the voting 188 students indicated that they would patronize a special train there for the Centenary game next Saturday.

Officials of the Texas & Pacific Railroad said that they would run a special train to Shreveport if as many as 200 tickets were sold. Plans are being made for a train there with the provision that at least 200 students will go.

Tickets will be sold late next week in the hall of the Administration building. However, tickets may be obtained at the downtown ticket office at Seventh and Houston Streets now. The fare is \$3.40 round trip.

The Shreveport special will leave Fort Worth at 7 o'clock Saturday morning and is due there at 12:40 p. m. The time of departure from Shreveport is not known yet.

Yell Scrimmage Tonight At 7:30

Notice all Frog fans! T. C. U. rooters will have a rough and tumble yell scrimmage at 7:30 o'clock tonight in the Basketball Gymnasium.

The pep rally will feature the Swing Band and several new yells, prepared by the yell leaders for the A. & M. T. C. U. game tomorrow afternoon.

"Students this is one of the most important pep rallies we will have this season so let's all turn out and get prepared to do some real yelling tomorrow afternoon. I think you have all heard those Aggies yell so you realize what we are up against," said Head Yell Leader, Duane Kellam.

Copies of the T. C. U. yells, Fight Song and Alma Mater will be distributed at the pep rally tonight and at the game tomorrow afternoon.

Four Seniors Present At Meeting of Class

A total of four seniors attended the Senior Class meeting last Sunday, it was announced by Stanley Wilson, president.

The meeting was adjourned and postponed until next week. Announcements of the time and place will be posted on the bulletin boards. "All seniors are urged to be present as important plans will be discussed," says Wilson.

Dr. W. J. Hammond Talks In Huntsville Open Forum

"International Relations of Mexico," was the topic when Dr. W. J. Hammond spoke in the Open Forum at Huntsville, Oct. 17.

Dr. Hammond was the guest of J. L. Clark, son of Randolph Clark, one of the founders of T. C. U. Prof. Clark is head of the history department at Sam Houston State Teachers College.

Whitman's Stamp Exhibit Wins Gold Cup at Fair

Dr. J. L. Whitman won a gold loving cup on his exhibit of a complete set of air mail stamps from Guatemala at the State Fair in Dallas.

Ags to 'March' on Frogland

Aggies Land Saturday; Frogs Get Half Holiday

Classes will not meet after 10 a. m. Saturday, according to Dean Colby D. Hall.

"Because of the excitement that will prevail on account of the A. & M. football game, we have decided to give the students half a holiday," said Dean Hall.

Freshmen Are 'Music Minded'

It's a fact—this year's freshmen are definitely musically inclined.

This conclusion was reached—not after watching some drug store jiving, or seeing a couple get hep at the Big Gym, but by actual poll of the freshmen. Among all those typewritten forms filled in by freshmen during registration was one sheet listing all T. C. U. clubs and organizations.

Musical organizations were checked by 166 freshmen. These included the Francis Macmillen Club, Mixed Chorus, Band, Women's Choral Club, Men's Glee Club and Orchestra. Religious organizations came next with 120 prospective freshmen members. Under this heading go the Catholic Club, Baptist Student Union, Brite College of the Bible, Timothy and Meliorist.

Other departmental clubs were checked as follows: Brushes in the art department had 16 candidates for membership; 49 freshmen were interested in English, divided among Sigma Tau Delta, Poetry and Anglist; Chamber of Commerce, 15; Los Hidalgos, 29; Natural Science, 3; Senate 11; and Dana Press, 17.

Among the social clubs, Mavericks was checked by 14 freshmen girls, and Dames by two.

Texas Schools Approve Dr. Rebecca Smith's Book

"Glad Days," by Dr. Rebecca Smith and Mrs. Mamie Whittaker of Henderson, has been approved and placed on the library list for Texas schools.

The book, a rhythmic reader for children, is in many colors. Written in verse, the book is designed for choral reading.

"Its purpose is to encourage creative self expression," says Miss Smith. Mrs. Whittaker is the supervisor of elementary schools in Rusk County.

S. C. A. Freshman Group Has Campfire Discussion

Campfire discussions were featured at a wiener-roast held by Dr. H. R. Mundhenke's freshman group of the S. C. A. in Forest Park last Tuesday night.

The group used as their general topic for discussion, the subject "How to Make Friends."

Wieners and lemonade were served.

Doughnut Sale Nets \$5 For Choral Club Funds

Within two hours last Monday 25 dozen doughnuts were sold by the Women's Choral Club, and \$5 profit was made, to be used to send the girls on the spring concert tour. Miss Frances Nell McGee, business manager, says that 50 dozen would be put on sale Monday, Oct. 30.

Harry Peterson to Speak To Pre-Library Students

Harry N. Peterson, head of the Carnegie Public Library, will speak to the Pre-library Training Group at the public library at 1:30 o'clock Monday afternoon. He will also show them through the library.

Rev. Bert Helm to Speak To Meliorist Club Sunday

Rev. Bert Helm, pastor of the St. John's Evangelical Church, will speak to the Meliorist Club at 8:15 o'clock Sunday evening at University Christian Church.

Lunch to Be Served Cadets In Gymnasium Tomorrow; Dance to Round Out Day

The Aggies are coming! Tomorrow morning approximately 5500 of the 6100-man student body of Texas A. & M. will journey by special train here for the Frog-Aggie game tomorrow afternoon.

The movement of the cadets here is the largest official corps trip in the history of A. & M. The parade the Aggies will stage tomorrow morning when they are all convened downtown will be the longest ever held by any college here.

In addition to the "soldiers" Texas State College for Women will send a delegation of coeds here for the game and the accompanying events. Over 1000 are expected.

Of course, the game is the big attraction of the week-end, but many other entertainments are planned in honor of the visiting students. Tomorrow in the Basketball Gymnasium the administration will serve a lunch for the Aggies.

The Aggies are invited to attend the school dance tomorrow night and many of them and T. S. C. W. girls are expected to be present.

The Student Council took action at its meeting Wednesday to urge all T. C. U. students who could do so to meet the Aggie special trains and after the parade to give rides to them out to the school.

The first special train will arrive at 9:25 tomorrow morning and three others will follow at 15-minute intervals. From the depot the Aggies will march north past the reviewing stand that will be set up in front of the Hotel Texas. The 210-piece A. & M. band will parade.

In the meantime George Campbell has written about six songs for the production, and thinks that "I've Had Enough of You" is his masterpiece. Campbell is putting scene productions written by John Goodspeed, Hal Gardner, and McRoberts to music. Some of the scenes will include "Shakespeare in Swing," an Oriental number, a street scene about a lonely lady featuring Evelyn Woodley and Gardner's "Doctor's Office."

Pat Steel will be one of the leading characters in the show, and will carry on all of the slapstick numbers between the more lavish scenes. Steel also is contributing gags for the show.

Chorus Labelled Surprise Dance director Miss Betty Davidson is getting together a sixteen girl chorus, and it is said to be one of the surprises of the show.

Leading roles of the show will be taken by John Hayes, Goodspeed, Miss Woodley, Steel, Jimmy Petty, Jack Fry, Miss Davidson and Miss Elaine Garrison. There will be no public auditions, but anyone who thinks he or she can sing, dance or act are cordially invited for tryouts.

Time, Place Not Set No definite time or place has been set as yet. The show is scheduled to run three nights if and when the money is obtained. Jack Gordon and Katherine Howard, downtown amusement editors, have pledged their services to the show and will give plenty of space in their columns.

Miss Helen Ruth Verheyden, T. C. U.-Fort Worth Press reporter also is behind the show and has already given the production space in the paper.

Prof. Sammis to Give Recital for Euterpeans

Prof. Claude Sammis will give a violin solo recital before the Euterpean Club Wednesday.

He will illustrate various dance forms on the violin.

Miss Wray Is Band Sweetheart

A self-described blue-eyed blond is Miss Betty Wray, freshman from the Nation's capital, who will be presented by the Horned Frog Band tomorrow afternoon between the halves of the T. C. U.-A. & M. football game.

Miss Wray is the freshman class choice for band sweetheart, winning the election over three other candidates for the honor by a small majority.

Betty feels very honored that her classmates picked her, especially since she has made all of her friends here since she came to school the middle of September, and is thrilled with the prospects of appearing with the Horned Frog Band.

"It's just like the movies. Yes, I think T. C. U. is as much like the colleges in pictures as I have ever seen," she says. "I came here because I knew I would like it. My guardian, Dr. Fred W. Norris of Washington, went here before going to medical school and I first heard about T. C. U. from him."

Betty has had an enviable life to anyone interested in travel. She was born in Des Moines, Iowa, but her family soon moved to a small town near Mexico City where she lived for nine years. In Mexico she went to an English school but all her friends were Mexican children and from them she learned to speak the Spanish language fluently. She attended high school in Oklahoma City and Washington, D. C.

Cooking and sewing are her hobbies and she likes to collect new recipes. Her ambition? She says to figure that out from her major course—home economics. That's her future.

Wilson is Chosen M. C. For Variety Radio Show

Stanley Wilson has been chosen as master of ceremonies for the as yet unnamed T. C. U. variety radio show that will be broadcast over KFJZ weekly at 10:15 p. m. beginning next Wednesday.

Miss Helen Ruth Verheyden will handle the campus gossip department on the program, and Skiff Editor Bill Haworth will conduct a period of sports comment and interviews with notables in the sports world.

The T. C. U. Chamber of Commerce in co-operation with the Fort Worth Chamber of Commerce will furnish speakers for the show. Homer Tomlinson, local publisher, is sched-

uled to talk on the opening show. Music will be provided by the orchestra. "Deep Purple" and "Poem" by Fibich will be featured on the first program, according to Prof. Claude Sammis, director. An octet will sing the alma mater song as theme.

Prof. Sammis, who has contacted officials at KFJZ, states that they consider the possibilities of T. C. U. putting on a variety show "better than those of the average college." The Auditorium is being wired as a remote broadcasting studio where the shows will be put on, and students will be permitted, "invited," according to Prof. Sammis, to attend.

Stay With Those Frogs

When the Frog football team lost to U.C. L. A., well, that was all right; when they lost to Arkansas, that was pretty bad; but when they lost to Temple last Saturday lots of persons, students not excepted, threw up their hands in despair and said, "The Frogs are washed up! They won't win a game this season!" Don't be sucked in by a fake play!

In the first place, did you ever see a Frog football team that quit fighting before the final gun sounded? Of course not. Hence the name that has become part of the team: "The Fightin' Frogs!" Only three games have been played, only one of which was a conference match. There is still time to make a good showing, and it isn't impossible to win the championship.

In the second place, don't go to this year's game expecting to see last year's team play football. That was the finest team that ever wore the Purple and White on a playing field and everybody knows it. It may be years before T.C.U. gets another group of all-Americans on one team.

It is very improbable that those long passes and those ground-lapping runs are going to continue to be stopped forever on the five-yard line or the one-yard line. Somebody's going to get loose on one of those plays before long and not stop till he runs into the end zone seats.

The law of averages will show that the same team can't be on top year after year, but don't throw the towel into the ring after the third round. Do all you can to make your antagonist come back in the next round and knock the opponent slap-happy. If you're only a "fair weather friend" to your football team, your support doesn't have behind it what really counts—Spirit!

Get out on the field with the Frogs in the rest of their games and don't tell them short. You could be thrown for a loss, you know.

It should be remembered that friendliness is a two-way affair; one person can't establish a friendship.

The students on the campus who have only criticism to offer are always "too busy" to pitch in and help work out a problem.

Voting Is Boring

"Just plain boring" was the attitude taken by freshmen last week as they were asked to vote for class officers, and sophomores, who were to elect a representative to the Student Council.

When only 154 out of about 500 and 58 of more than 300 take part in class elections, who is to blame when class members are not satisfied or interested in later administrative developments?

The freshmen probably have chosen good officers, and the sophomore member may be an aid to the Student Council, but the point is that the minority ruled.

It had been quite a common practice of this campus for elections to be of little interest until last year. Remember the "Progressives" and "Forward T. C. U." campaigns? Who could forget? Most everybody was interested enough to go to the polls in those "good ol' days."

A Problem Solved

Several days ago a popular sophomore was suspended from the University. Because of misunderstanding upon the part of the students, and perhaps the administration, considerable protest was launched in form of a mass meeting by more than 100 boys.

Several representatives of the University were consulted by the students. Excitement ran high on the campus and fast-circulating rumors had the situation twisted into a falsity soon after the occurrence.

Administrative officers, sensing the acuteness of the situation, immediately investigated and interviewed interested and disinterested parties. After much deliberation, officials reinstated the suspended student. The students most concerned over the case, those in the dormitory in which the suspended student lived, pledged future co-operation with administrative officials.

Apparently, the problem has been brought to a satisfactory end for all concerned. The event brought the administration and the students closer together and, during the solving of one problem better understanding was reached on others. The Skiff hopes and believes that the problem has been solved justly, that the students were right in protesting and the administration was right in its solution of the problem.

Censorship

Since the beginning of World War II, there have been cries of "censor the press" in the United States. Evidently the minority who favors this got slighted when the patriotism was being passed around.

America's most important and long-fought for heritage is freedom of speech and of the press, subject only to laws of slander and libel. After 163 years of such freedom, there are those pseudo-Americans who wish to take away this right.

One of the most pitiful objects of the present European war is the fact that Germans are fed a never-changing diet of unadulterated propaganda. If a German happens to get some real news, printed on foreign soil and smuggled into Germany, he reads it with the shadow of the gestapo thrown across the paper.

And yet there are those who want censorship for the United States press. The average American citizen is intelligent enough to discern between the true and the false in what he reads. And the large press syndicates are trustworthy news sources.

Censorship? The very word is dispicable in the eyes of the true United States citizen.

Be Yourself

The nut-houses are full of blokes who tried to be somebody they ain't. Some think they are Napoleons, some think they are Washingtons or Lincolns and some are content to think they are Shirley Temple and sit around cutting out paper dolls.

You can win more friends and influence more people by being what you are than what you think you are. If you're just naturally a bum, a louse or some other lower form of animal life everybody will accept you as such and think more of you than they would if you tried to be Franklin D. Roosevelt or Mickey Mouse. Take Hitler, for example. (The British aren't doing a very good job of it.) If he hadn't tried to be a Golden Calf or something he would still be hanging paper instead of sponsoring "blitzkriegs" all over Europe, and, no doubt, everybody would have liked him better because they wouldn't have known him.

Be yourself on the campus. If you try to be a professor in class you'll probably get a muttered "show it" from the bleachers in the back of the room. And if you are a journalism major and try to write editorials you'll probably turn out something like this and you'll get a headache and start going around in circles and the stuff won't even be printed and you will flunk and then you'll feel like saying "Aw, fudge!"

YOUR Annual

Twenty years from now, when great-grandchildren are looking through your annual, will they find your picture? It will be a priceless book if they find your picture, merely another volume if you are not represented in its pages.

At the first of the year every student pays \$6 for which he receives a copy of The Skiff every week and a copy of the annual. Usually when you pay for something you want the full benefit out of it. Why not get the full benefit out of your annual by having your picture made now?

Around and About

Watch out, fellers! It won't be long now until SADIE HAWKINS DAY and we don't want to see any of you fine fellers caught. Better start taking daily workouts right now cause there's rumors around Jarvis and the "outhouses" that the gals are up by five every a. m. runnin' around the block, working up their leg muscles and their wind so they can pick out their man and go after him.

CHESTAL BROWN jumped the gun and didn't have to start over again cause she caught him and the wedding's goin' to be pretty soon. Mighty good work too, since she was just a freshman and had only been here several weeks. Our ex-editor PAUL OVERTON RIDINGS was also caught by a Wichita Falls pretty that jumped the gun. They will meet the parson tomorrow evening after the game. Lot's of luck to our ex-editor.

Rumors have it that EARLE CLARK and his gal LOUISE DUNAWAY are just about at the end, that is, the quitting end. Maybe it is MARGARET KUNDTS that is causing this, but then it couldn't be. Besides EARL she says DURWARD HORNER, RAY STANDLEY and particularly LINDON BINION are in love with her. Ah, romance! And what a mob, too.

Speaking of JORDAN, though her boy friend C. T. WARE is still hanging around she has been seen mostly with CLARICE RUMPH. Things always go along like that, don't they? DANDY HOLTE keeps on complicating things, now she's dating with a Texas University boy—while JEAN SHOEMAKER prefers a Kappa Sig from Oklahoma U. At least the feeling was mutual enough to spend a Saturday in Dallas.

To make last week end in Dallas a real "All-College" week end T. C. U. had several representatives. BETTY CLAIR PREY, MARY ALICE (962?) AYRES, BEAUTS POTISHMAN, KENNETH GRIFFITH, JACK and BOB SIKES and JIMMY MORRIS let 'em know Cowtown was there, not all in one party, though.

How about KEITH GUTHRIE? Is this the real thing that seems to have smitten the lad between the orbs? Funny, but we'd have sworn that he was immune.

Has WAHOO got the gals around here on the run! Incidentally, we hear she didn't like having her jitterbug dancing stopped last Saturday night. It really is good dancing.

JEAN MONTGOMERY is the lass that has HARRY HITT as well as a few of the other independents running in circles. BILL CROSSFIELD, while getting around, still seems to be re-

membering something. There's something about home town talent.

By now, I suppose that everyone on the campus is aware that either the T. S. C. W. coeds or the A. & M. Ag's are comin'. It depends on the angle from which you look at it. However, nearly everyone has either a direct or indirect interest in the thing. PEGGY GREEN is one of the freshman cuties that's been wandering around with a speculative gleam in the eye. We know a lot of lads that would like to just leave the campus to the visitors this weekend, but they're afraid to leave their favorite skits here without a watchful eye on 'em.

It's "Welcome Aggies" until game time. Then it's every man (and girl) for himself.

Barker, Zarafonitis Are Main Timothy Speakers

New Officers Speak At Freshman Meeting

Unity between the dormitory and town students was stressed by President Jimmy Woodyard at the first meeting of the freshman class last Wednesday morning following chapel. Harmon Hightower, vice-president, Miss Betty Wray, secretary-treasurer and Miss Anne Hutton, council member, were introduced to the class, and they made short talks.

"No definite plans have been made for the future," said Woodyard.

The Starduster

There are big doings in Cowtown tonight and tomorrow. With all those Aggies escorting Denton gals and T. C. U.'s own lassies the theaters have prepared for rushes. Show Row is contributing its bit to the festivity by billing some nifty flickers.

The Hollywood tops the list with "HOLLYWOOD CAVALCADE" with Don Ameche and Alice Faye. It depicts the heartbreak and suffering encountered by one on the rise to movie fame. Ameche is well as a "rags to riches" boy.

The Worth is offering a double bill that will interest students. The regular attraction is "FIFTH AVENUE GIRL" with Ginger Rogers. It's a scream. The other feature is "CAVALCADE OF TEXAS" filmed in technicolor.

The Parkway is offering Robert Donat in "GOODBYE MR. CHIPS" with a new heart interest in Greer

Garson. Critics acclaim this show as a masterpiece. The T. C. U. faculty will be the guests of the management.

Starting Sunday at the Tivoli will be the surprise show of the year, "ON BORROWED TIME" starring that grand old man of the screen, Lionel Barrymore and the best child actor in the movies, Bobs Watson.

How can a girl be a mother and still not be one? The solution is given in "BACHELOR GIRL" with Ginger Rogers at the Majestic Sunday and Monday.

The Den, favorite night spot for collegians, opened with a BANG last night. GENE BEECHER and Orchestra lived up to the DEN's tradition of swell music. Later an official T. C. U. night is going to be set, honoring students every week.

New 'Foreign Legion' To Have Outing Sunday

The Foreign Legion, a new organization for boys, will have an outing to Lake Worth next Sunday.

This club corresponds to the Maverick Club for girls and is for boys who do not live in Fort Worth and who are not living in the dormitories. Thurston Schellinger urges all boys who are interested to contact him immediately.

"For T. C. U. so tried and true we pledge

This, the first words of the Purple and White fight song, reflects the true student and T. C. U. backers' feeling despite three straight defeats.

Win or lose the supporters on this page are for the Frogs until the last. The tradition of the T. C. U. Stadium must be kept, so, go on the field tomorrow boys and bring home the Farmers' hide for the T. C. U. trophy case.

Experts think the Frogs have little chance to stop the Aggie Steam Roller, but on other times the Meyermen have upset the dope, so, why not tomorrow. It can be done and we the students and advertisers, are behind you Purple and White 100 per cent until the last gun is sounded.

WITH all the gloom being forecast for the game tomorrow, it might be well to look on the brighter side for a moment. In the first place the Frogs have entered the game as underdogs many times against the Aggies and have come out on the long end of the score more times than they have lost. Another encouraging note is that the Frogs have never been defeated by the Farmers on T. C. U. soil since entering the conference in 1923 and during that time the Ags have only managed to win two games from the Purple on historic Kyle field.

The Frogs have lost three games straight which is almost a record in itself. Only twice since entering the conference, once in 1924 and in 1937, have the Frogs lost three straight games; so maybe the Meyermans will find enough reserve strength to keep the records from showing four straight defeats for the first time since in the early twenties, when the Frogs weren't such a power in football.

Although the Frogs have lost their first three games they are far superior to their opponents in all departments except scoring. A total of seven points has been the Purple in these three games—a margin so small that it hardly seems possible that three defeats could be chalked up.

The records show that in the three games so far this year the Frogs are equal to the 1938 team in almost all respects, and even in some cases show a decided improvement. So far this season the Frogs have rolled over their opponents to a tune of 1024 yards, enough to win several ball games had it been distributed in the right spots. Over half of these yards, 679, were made through the air; only 345 were gained on the ground, so, it appears that the famous Texas Christian University aerial attack has not died yet.

The two Frog bombers, Jack Odle and Rusty Cowart, are passing to the tune of .538, which is a fair average in anybody's league. They have completed 50 passes out of 93 attempted. Woodrow Duckworth attempted two passes and completed one. Rusty's average is slightly higher than Jack's. Cowart has passed 46 times and has connected with his receivers 37 times for an average of .585, while Odle has passed 43 times and hit his mark 23 times for an average of .535.

Favorite pass receiver seems to be Earle Clark, who has been on the receiving end of 15 passes for a total gain of 391 yards. Second best pass snatcher is Don Looney, who has bagged 12 out of a possible 23. Probably the best average is held by Connie Sparks, who has been the intended receiver 8 times and all 5 times he came up with the ball. Logan Ware has caught 9 passes for a total yardage of 146.

Not content with catching more passes than his team-mates, Earle Clark stacked up a total of 67 yards gained on running out of 14 tries for an average of 4.43 yards per carry. Logan Ware has carried the pigskin 28 times for a total gain of 101 yards, an average of 3.43 yards per carry. Figures can't always be wrong, so maybe this Saturday the Aggies will respect the Frog's impressive record and leave the T. C. U. Stadium untarnished by a Farmer victory.

CLARK

Up in Oklahoma the Tulsa grid team is already pointing for the game with the Frogs here Nov. 11. Word from the Golden Hurricane lair indicates that the Tulsa boys are planning on sweet revenge this year. If advance reports can be trusted, the Horned Frogs are going to have their hands full with a lad named Jack Wilson when they tangle with the Baylor Bears in Waco Nov. 4. Wilson, it is claimed, is fast, elusive and a hard blocker. He featured greatly in the Bears 19 to 7 victory over the Porkers last week.

Frogs Make Local Debut With Aggies

Game Time Is 2:30 Tomorrow Afternoon—Farmers in Top Condition.

Ware Definitely Out

Purple in Worst Physical Condition of Year—Gillespie, Looney, Horner Bruised.

By KEITH GUTHRIE

Underdogs! For the first time since early in the 1937 football season the Frogs will not be favored to win on home soil, the main reason being the terrible Farmers from College Station, who, fresh from four victories, seem to be hitting an unbeatable stride.

The Purple, bruised and battered, doesn't seem to offer much opposition to the Cadets on paper, but don't write in the final count yet for the Frogs haven't lost a home game since the day the Rose Bowl-bound Mustangs tripped them in 1935.

The Cadets, spark-plugged by their jarring fullback, John Kimbrough, who has scored five touchdowns this season, are planning on throwing a straight offensive brand of football at the Frogs. Gone will be the famous "double shuffle" and other trick formations that the Aggies used last year. Instead the Cadets will use the single and double wingback formations almost exclusively.

Calling signals for the Farmers will be a North Side boy, Marion Pugh, who has been doing a whale of a job of passing and toting the leather. Last week against Villanova, whom the Aggies defeated 33 to 7, Pugh was the spear-head of the offense, connecting several times with home-run passes.

Barrin last minute changes the starting Aggie line-up will read like this: Ends Herbert Smith and James Sterling; tackles, Ernest Pannell and Joe Boyd; guards, Marshall Robnett and Charles Henke; center, Tommie Vaughn; halfbacks, Derace Moser and James Thompson; fullback, John Kimbrough; quarterback, Marion Pugh.

The Frogs will face the Farmers tomorrow in probably the poorest physical condition that they have been in for any game this year. The Temple game a rough and tough one and hardly a man escaped without some injury. On the other hand reports from College Station indicate that the Aggies are in the peak of physical condition.

However, all of the Frog regulars are expected to be ready to go tomorrow with the exception of Logan Ware, who is suffering from a badly bruised arm. The injury of Kyle Gillespie, Rusty Cowart's substitute, has made it necessary to move Mac "Porky" Best into the tailback post. Mac is looking good and should be able to go if called upon. Durward Horner and Don Looney are also on the bruised list, but both will appear in the starting lineup.

Mozelle Brown Injured In After-Game Wreck

Miss Mozelle Brown, sophomore, escaped serious injury Saturday night when the car in which she was riding overturned on a soft shoulder a few miles north of Waco.

Miss Brown was returning from the Baylor-Arkansas game when the accident occurred. She suffered shock and slight bruises. Her escort was uninjured.

Postponed Steak Fry To Be Held Wednesday

A steak fry for sophomores and their dates will be held Wednesday at a farm 10 miles east of town. The affair has been postponed from last Wednesday.

The committee in charge is Miss Betty Davison, Miss Patricia Rogers and Bonnie Westbrook. Scranton Jones is class president.

Mavericks Have Party At Miss Porterfield's

The Maverick Club held its first party of the year Wednesday night at the home of Miss Rosella Porterfield.

Leaders by Air and Land

EARLE CLARK, HALF-T.C.U.

LOGAN WARE, HALF-T.C.U.

Leading ground gainer for the Frogs is Logan Ware, right half, who has carried the leather 28 times in the first three games and rolled up a total of 101 yards gain. Best pass snatcher is Earle Clark, left half, who has snagged 15 out of 25 passes that have come his way to date, by which maneuver he advanced the ball down field for 391 yards. One of the passes went for a touchdown.

Second Team Slams Wogs

Bill Wright, Frosh Guard, Gets Bad Head Injury As Wogs Lose 20-7.

Coach Walter Roach's Polliwog football players were bounced 20-7 in a regular game with a mixture of the second and third string Varsity team last Monday. The cockiness with which the Freshmen held the first string Varsity eleven last week was not so much in evidence in the game against the scrubs.

"We looked about as good as expected," said Coach Roach, "and the boys still look like they want to play football."

Bill Wright, fast stepping guard for the Frosh received a severe head injury in the game and may be out for the rest of the season. Otherwise, the team is in pretty good shape and is looking forward to the game with the Baylor Freshmen on Halloween at Farrington Field.

Since Monday the Wogs have been running A. & M. formations and plays against the Varsity.

Coach Roach said replacements in the Frosh line are pretty weak and the first-stringers will have to carry most of the load for the rest of the season. However, from previous showings, the lads will be able to do this nicely, he said.

Next week's workouts for the Freshmen will consist of fundamental plays and polishing up on offense and defense. The team is about at its peak and only enough work to sustain that peak will be given them. The game with the Baylor Frosh

Polliwogs Have Six Named 'Bill' On 1939 Squad

A sports reporter walked out on the Freshman playing field the other day and yelled "Hey, Bill!" and immediately was smothered under 1082 pounds of Frosh football players. When the pile-up was straightened out the reporter retrieved his smashed hat and said, "What's the matter with you guys? Which one of you is Bill?"

"I am," the six huskies said all at once. By that time Coach Walter Roach had reached the scene and finding out what the trouble was ironed it out right away.

He explained to the bruised reporter that there were six members of the Wog team named Bill: Billy Blackstone, 195-pound tackle from Hearne; Bill Ferguson, 187-pound center from Dallas; Bill Wright, 170-pound guard from Vernon; Bill Thompson, 180-pound back from Amarillo; Bill Ramsey, 185-pound back from Breckenridge and Billy Sherman, 165-pound center from Dallas.

The reporter forgot who he wanted and walked off the field picking grass-burrs from the seat of his pants.

Miss Betty Giles of Anna, former T. C. U. student, will be a visitor on the campus this week-end.

will be sponsored by the Ex-Lettermen's Association of T. C. U. and plans have been made to provide entertainment during the half. The Frog band is scheduled to give a performance up and down the field at the half-time period.

Sophs, Seniors Top Intramural

By JACK BILLINGSLEY

The Sophomores and the Seniors took the lead in the intramural tag football race this week. The Seniors downed the Juniors 12 to 0. This is the second consecutive loss that the Juniors have suffered, their first setbacks in two years. The Sophomores ran over the Freshmen 60 to 7.

The Senior-Junior fray was, as usual, a very rough affair. Both teams were throwing blocks at each other with such force that flareups and arguments were often.

John Estill, Senior back, ran through the entire Junior team for the first touchdown in the second quarter. Cason's drop-kick was blocked. Early in the fourth quarter Bill Sinclair intercepted a Junior pass and lateraled to Ben Abney who went 50 yards to score.

The Juniors never threatened until the closing moments of the game when they scored a touchdown only to have it nullified by an offside penalty.

In the first two minutes of play the Sophs scored two touchdowns and from then until the final whistle it was a scorekeeper's nightmare. Herman Hoover, Rom Orgain, Earl Dyess, Leslie Hightower scored two touchdowns each and Richard Allen kicked six extra points for the Sophomores while Ed Walker passed to L. H. McDaniel for the only Frosh score. The Freshmen claim a moral victory because of their one touchdown. This is the first score in three games.

Leadership in the race will be at stake next Wednesday when the Sophomores and the Seniors tangle. The Juniors, still with a chance to win their third straight championship, meet the Freshmen who are still looking for their first victory.

Girls' Golf Class Attends River Crest Tournament

Several members of the girls' golf class attended the annual Texas Women's Open Tournament held at River Crest Country Club over the week-end.

The members of the class had an opportunity to see some of the country's best women golfers in action and picked up some of the fine points of the game.

Aggies, Frogs In 33rd Game

Ancient Rivals Played First Contest in 1897—Farmers Hold Edge.

Back in 1897 a fellow by the name of Joe G. Field, who had formed a football team for the first time at Add Ran College in Waco, wrote to Charlie Taylor who was in charge of the team at Texas A. & M. College, and suggested that it would be a good idea if the teams from the two colleges played a game of football. The two mentors got together on a date and a place and thus began the rivalry between Texas A. & M. College and Texas Christian University, the successor of Add Ran when it moved to Fort Worth.

In the 42 years the battle has been going on the Aggies and Horned Frogs have met 32 times with the Aggies holding the advantage with 17 victories to 11 defeats while they split even 4 times. Ten of the T. C. U. victories, two of the defeats and three of the ties resulted after T. C. U. entered the Southwest Conference. Last year the Frogs dumped the Aggies, 34-6, and that defeat will be the one Cadets are out to even up when they play here tomorrow.

Here is the all-time record:

I. R. C. Members to Talk At First Christian Church

Members of the I. R. C. will speak at 6:30 o'clock Sunday evening at the First Christian Church for the Christian Endeavor.

Misses Mary Simpson, Mary Margaret Womack, Hal Siro, V. G. Smylie and Leonard Rosenthal will be the guest speakers.

Miss Jewel Dillinger, vice-president will preside over the discussion which will be the "World Situation." "I. R. C. will meet at 7 o'clock Wednesday evening," President Rawlins Cherryhomes has announced.

Dean Hall, Hay, Gresham Go to Disciple Convention

Dean Colby D. Hall, Kenneth Hay, alumni secretary and the Rev. Perry Gresham left Thursday for Richmond, Va., where they will attend the International Convention of the Disciples of Christ.

President E. M. Waits was also scheduled to make the trip, but decided to stay here and work on the financial end of the building campaign.

'Hen Tracks' on Stadium Deciphered by Dr. Lord

"CREDE QUOD HABEAS ET HABES"

No, this isn't the password to the Royal Order of Empty Skulls, but it is the motto of T. C. U.'s athletes, even though more than two-thirds of them, past or present, couldn't tell you what it means.

This motto is engraved in gold over the entrance of the ticket office of the Frog Stadium. Around at the side entrance "MENS SANA IN CORPORE SANO" greets the student or patron from above the door.

No one seemed to know what these phrases meant. A freshman footballer, when questioned, said:

"Gosh, I don't know. I thought maybe the guy that was working on that side of the Stadium got drunk and started hacking at the wall with a hatchet, or sump'n."

Even the coaches were baffled. One

Bill Stern Calls Davey O'Brien 'Man of Hour'

"Tonight we are to present that T. C. U. flash now burning up the gridiron for the Philadelphia Eagles."

That was the introduction given David O'Brien Sunday night on Bill Stern's national football radio broadcast. Stern also introduced Davey as the 150 pounds of dynamite, the man of the hour.

From the interview came an untold story of how Davey started his football career. To quote him, "My mother used to send me to the grocery store for a loaf of bread. There was always a bunch of kids that chased me on the way home and I had to throw the bread around and in the air. I guess the idea of passing and running with something under my arm got me."

Davey said his happiest and yet saddest game was the Carnegie Tech game in the Sugar Bowl last year. He was happy because his team won but he was sad because it was his last college game. According to him, he met the toughest man in football in that game, George Muha of Carnegie Tech.

Professional football is a lot harder to play than college ball he says, but he enjoys playing it more because of the lenient rules.

When asked by Stern if he had a girl, Davey reminded the announcer that the girl he brought with him to the studio "isn't my mother." To be specific, the girl was Frances Buster, who attended the game in Philadelphia last Saturday between T. C. U. and Temple and went on to New York City Sunday to see Davey play with the Philadelphia Eagles.

Roy Oliver to Speak To Chemical Society

The T. C. U. Student Affiliate Chapter of The American Chemical Society will present Roy L. Oliver, B. S. '32, of the Dearborn Chemical Co., as its first outside speaker of the new school year.

Oliver will speak on "Chemistry and the Railroads" and will give various experiments.

The meeting will be held at 7:30 next Thursday evening in the Men's Club Room.

Transportation will be furnished to the meeting of the Ft. Worth-Dallas section of the A. C. S. to be held in Denton tonight where A. S. Sandifer, of Swift and Co., will speak on "Bacteriology and Chemistry in the Packing, Dairy and Poultry Industry."

Visitors are invited to both meetings.

Assyrian Class Started By Missionary Students

One teacher and two students. These are the ingredients that make up the smallest class on the campus—a class in Assyrian.

For the first time, through the combined efforts of Olan Hicks and Everett H. Vivian, two students from the Baptist Theological Seminary, this fall this remote language was added to the Brite College curriculum for advanced students. It is being taught by Dr. Clinton Lockhart.

"Assyrian will prove particularly useful to these young men who intend to enter the missionary field," says Dr. Lockhart.

Miss Mary Lew Stephens of Dallas will be the week-end guest of Miss Jane Chilton.

Miss Mary Frances Armor visited last week-end in Dallas.

Jive, Classics Will Be Aired By Frog Band

"Backstage" Broadcasts Will Originate in Studios of Station WBAP.

Series Starts Nov. 5

"Fight Song" to Be New Theme on Sunday Night Programs—25 Swingsters to Be Used.

"The Horned Frog Band Backstage!"

For the fourth consecutive year this will be the cue for T. C. U.'s famous Horned Frog Band to take to the air with both swing and classical music. During the 1936 and 1937 football season the band was featured on a sponsored radio show and last year the Swingsters were given a thirty minute sustaining broadcast over station WBAP that originated from the Bandhouse.

This year the Band will broadcast from the studios of WBAP from 10:45 till 11:15 o'clock every Sunday night. The Band personnel will be decreased this year to around twenty-five pieces, resulting in a better balance of programs.

The first broadcast will be Sunday night, Nov. 5; the band will play one symphonic number, several classical numbers and a swing arrangement by George Campbell. The programs this year will include as many novelties as the members will have time to work up during their busy fall season.

At the station manager's request the theme for the weekly series will be the T. C. U. "Fight Song." The movement from Peter De Rose's "Deep Purple" that was used last year has now become the popular piece "Lilacs in the Rain." The announcer for the program has not yet been announced but it is fairly certain that Nelson Olmstead, the popular announcer that handled last year's "Backstage" programs, will not be able to be on the broadcasts.

Director Don Gillis believes that the band will achieve better results this year by broadcasting from the studio with a picked band. The selections for the members has not yet been determined but Gillis says that it will be a great honor for those selected.

Cagers Start Fall Practice

Eleven Basketballers Report With Eye Toward Climbing Out of "Cellar."

By MILTON ATKINSON

Vowing that they will climb out of the cellar in the conference race this season, 11 basketballers climbed into practice trunks Wednesday afternoon to begin training for this year's round-ball race.

Four of the six returning lettermen went to work Wednesday: Jack Billingsley, Ben Abney, Dennis Tankersley and Robert Groselose. Woodrow Duckworth and Mac "Porky" Best are still out for football and will not be available till after the football season is over. Best was elected to captain the cagers this year.

Two Squadmen Return

Ross Vanderkolk and Ralph Tankersley are two returning squadmen that also suited out Wednesday.

L. A. Monroe, Buddy Barron and Herman Hoover are three lads up from last year's Freshman team that are expected to help the Frogs on their climb this season.

Two junior college transfers will also bolster the Frogs' cage team this year. Leonard Cannady, six-feet, four-inch player, transferred from Tyler Junior College, and Guy Holt is the other transfer who comes from Hutchinson Junior College at Hutchinson, Kan.

Regular workout will begin next Wednesday and will continue four afternoons a week until after football season. The workouts will be held at 4 o'clock in the afternoon. Capt. Mac Best, Woodrow Duckworth and Bobby Childers won't be able to take part in the sessions until after football season.

The Frog cagers will journey to Oklahoma during the Christmas holidays to take part in the annual tourney that is held in Oklahoma City. They will also go to Shreveport for a game with the Centenary Gents during the holidays.

Brumelow Has Hopes

"I haven't seen the boys work this fall," says Coach Mike Brumelow, "because I've been too busy with football, but they looked good in spring training last year and I believe we're headed for a much more successful season than last year."

War Keeps Prof. Horak From Study at Prague

A clipped accent, sandy hair, medium height and a professor in the mathematics department are the distinguishing features of Prof. Frank A. Horak.

Prof. Horak has both a B. A. and M. A. from Texas University. He majored in math and minored in physics for his Bachelor's degree and inverted the process of majoring and minoring for his Master's degree. To top this off, he lacks only about one year's work on his Ph.D. with a double major in math and physics.

Prof. Horak's father moved to the United States when he, the father, was 12 years old. Had not the world crisis affected the international situation so, T. C. U. would not have had such an outstanding personality on its faculty, because Horak had planned to enter the University of Prague. The reason for this is that this university has one of the best math departments in the world.

Prof. Horak has been an assistant in the math department at Texas University for the past five years. For the last two years he has been an assistant in physics.

While he was in college, he captained a team of intramural athletes to the campus championship two years in succession. His last year at Texas he was voted the best All-around intramural athlete in school. Incidentally, there are approximately 8000

boys participating in the intramural sports there.

Prof. Horak can speak fluently Spanish, English, German, Czechoslovakian and is studying French now. He is intending on getting his Ph.D. from either California Tech or Harvard University at Cambridge.

Baseball is his first love in sports. While he was in high school, he led his district in batting and didn't commit an error all year. Following that he played semi-pro ball and led the league in batting with a cool .555.

Prof. Horak says that it is much easier to teach students here than any where else he has been because the classes are smaller and give the professor a chance to know his students personally. Also, he said that the Texas Christian University campus is the friendliest campus he had ever been on.

Hammond Receives Grant For Continuing Program

Dr. W. J. Hammond has just received a further grant of \$325 which will permit the continuation of the radio survey program he is heading for the Federal Security Agency.

"This further grant will permit the project to be carried out two more months," says Dr. Hammond. The project is known as the Federal Educational Radio Forum.

(Note: The Skiff will print letters from students on any topic in this column. Letters must be signed, however, if the author of a letter desires, his or her name will be withheld, but unsigned letters cannot be printed. Give letters to the editor or mail to The Skiff.)

Dear Editor:

Having come from a long way off, this section of the country is new to me. Many of the customs are different and many are as funny as they are different. It was a little over two years ago that I first stepped foot on the campus of Texas Christian University, as I look back on that occasion I remember it was a very happy one indeed, and the best part of it is that the longer I have been here the better I like it. The first day here of course brought out my northern accent and I was labeled a "damn Yankee." I got a big kick out of the boys telling me that they were fourteen years old before they knew that those were two separate words. It made me think that they were awfully dumb. Well, just as culture is accumulative, so are names. After one is on campus a few days a little more is known about him, this, too, was the case with me. By the end of the first month I had added "damn Preacher" to my three "D's." This name didn't sit quite so good. The preaching profession is to my way of thinking the most honorable of all professions open to man. I felt quite bad about this name for a while but now I believe and hope that the boys were doing more teasing than anything else. Time went on and it looked like I would have to be satisfied with just two "D's." But last spring I was blessed with the third. It was my good fortune to be appointed to the personnel staff under the dean of men. This afforded me an excellent opportunity to get better acquainted with the boys, it gave me an opportunity to be of service to the other men in the dormitory. It also gave me the opportunity to fulfill prophecy that everything comes in threes. I acquired my third "D." I am now known as a "damn monitor."

In closing I might say that I don't mind in the least being called two of these "D's." I do, though, quite resent the second. I have rather enjoyed being called by many "parson" or "chaplain," but just off hand I don't believe "DAMN" and "PREACHER" go very good together. I believe by saying this that I express the opinion of not only the ministerial students on the campus but many other who are more thoughtful and courteous.

'Fair' Deal? Sure! Date Fixer-uppers Know Aggie Taste

You want a date, Aggie?

Come one, come all to the date bureau at The Fair Store Saturday morning!

The kahki clad men from down College Station way will be well taken care of when The Fair department store sponsors a 'get together' bureau for the Aggies and the T. S. C. W. girls who also will turn out in a body.

Yes, it probably sounds impossible but this bureau will attempt to 'couple' 5000 Farmers with the 3000 girls from Denton. Of course, there will be an overlap of about 2000 but there is nothing like a few 'reserves.'

For these fair ladies there will be chrysanthemums on the third floor and cokes to all on the first floor while the 'datin' up' place will be on the fourth floor.

The idea is to show the ole' Fort Worth hospitality and to help these students get acquainted, but on the other side, as one FROG-MAN said, "Who ever saw an Aggie who couldn't get a date by himself?"

Miss Ruth Claitor will entertain Misses Elizabeth Croson, Shirley Day and Katharine Charille of T. S. C. W. this week-end.

Misses Martha Singer, Catherine Childress and Mildred Ross were guests of Miss Jane Chilton at Jane's home in Marlin last week-end.

WHO...

—at 64, is England's Man of the Hour?

—scented the Nazi danger from the start and became the implacable enemy of Britain's policy of "appeasement"?

—was so feared for his brilliance they said, "There will hardly be room for him in Parliament at 30 or in England at 40"?

—fought in Cuba, India, Egypt and South Africa; became a world hero at 25 for his daring escape from a prison camp?

—bottled up Germany in 1914 by mobilizing Britain's Navy, on his own initiative, before the official declaration of war?

—personally took the blame for Britain's disastrous expedition against the Dardanelles?

—was once tabbed "too clever to be trusted," and yet now is the one man in whom the whole Empire puts its faith?

For years he has been the greatest single force in English political life. But how well do you know him as a person? An American friend and noted commentator brings you a memorable and intimate portrait of him in this week's Post

SAIL HALF A SHIP TO PORT? FANTASTIC!

On the nine millionth wave the freighter *Flora Watt* split in two, leaving John Orde with only the jagged bow of a ship to command!... If you like sea yarns, turn to Richard Howell's story, *Half a Ship*, in this week's Post.

NEWEST TRICK IN FOOTBALL

Are those kicks that suddenly bounce out of bounds in the coffin corner sheer luck? No, sir! Football's slyest trick is making 'em bounce out. Here's the story of the system that is putting *The Foot Back in Football*. Franny Murray, former Penn star, tells the story.

A FIGHTIN' PARSON GOES TO WAR

Roaring, red-headed Rev. Praxiteles Swan was a mighty bad spot. Only the musketry stabbing red in the night showed him the position of those Yankees. *The Preacher Goes to War*, a story by Col. John W. Thomason, Jr.

CATTLE ROUNDUP—1940 STYLE

Don't let the movies lead you that cattle roundups mean wild-eyed steers stampeding ahead of yelping cowboys. Donald Hough, author of this article, *Beef Comes From the Hills*, takes you with him on a roundup in Montana and tells you what a steer's life is really like before he becomes steak.

MR. ENOCH SETS HIS CAP FOR REVENGE

Mr. Enoch, the gaudy gnome in Room 607, certainly looked like a fugitive from a chain-gang picture. So Mr. Caldwell, the new hotel manager, decided to oops him out. A riotous story, *Clothes Make the Man*, by Nunnally Johnson.

GENTLEMEN PREFER HOOPSKIRTS

Della used enough chicken fencing in building her hoopskirt to take care of twenty brooders. But it was worth it. Wasn't she to meet a polished gentleman—with a fine black beard and a gold tooth in his smile? M. G. Chute brings you the romantic story of *The Lady and the Guinea Hen*.

What happens when a family comes from Europe to make its fortune in America? How do the children, and the children's children, rate as citizens? Louis Adamio traces a significant history of one such family, in *The Woman From Croatia*.

Romeo Piker Compared To Heartbreaking Aggies

By LOIS HERZ

Quote. And a foreign army invaded the land of Texas-Christiana for two days and when the invaders departed, they took with them the hearts of all the fair maidens in the kingdom, and there was great sadness among the young knights. Unquote.

That's the way they might have said it back in the days of medieval romance, but now we just say, "The Aggies came." Of course, all this is just a preview of the coming week-end.

There's a disappointment in store for our coeds, though. Only about 3500 instead of 6000 uniforms are expected to make their appearance in these parts, according to The Battalion. That's a major feminine tragedy, no less.

What's more, the T. S. C. W. student body is due to give our damsels some stiff competition with the 3500 that are coming.

A downtown department store is determined that the Aggies shall not lack feminine company and has established a date bureau for bringing the Denton girls and the College Station boys together. Both the boys and the girls fill in date blanks giving their name, class, age, height, weight, complexion and preference (blonde or brunette) and the store matches them up.

Misses Ann Goodner, Helen Connor

and Elizabeth Hager are doing their part as hostesses by aiding arrangements.

PRESCRIPTION for the unhappy gentlemen who have girls with aggieitis: Don't aggravate the condition by talking about it. Also don't try to compete with it by dragging out your old R. O. T. C. suit or your dad's overseas cap. The uniform will probably hit you about the knees and put you at a definite disadvantage. Above all, be patient. Aggieitis is just like colic—everybody has it at least once.

Record Club Listens To New Set

Members of the Record Club heard records played for the first time on the new combination radio-phonograph set at their meeting Wednesday in the band house. The set was given to the club by the "Interrelations of the Arts" class, taught by Miss Lorraine Sherley, and the "Music History" class, taught by Don Gillis.

"All students are invited to attend the weekly meetings of the Record Club," says Don Gillis, sponsor. The next meeting will be held in Room 304.

Murray Gillespi visited friends on the campus here last Saturday. He is attending Oklahoma University this year.

Bryson Club Plans Halloween Party

Plans for a Halloween party were completed at the business meeting of the Bryson Club Tuesday.

Misses Elwyn Espy, Elizabeth Hager, Bob Johnson, Bob Parker and Charlie Williams are on the entertainment committee.

New members accepted at the Tuesday meeting are Misses Helen Hale, Evelyn Woodley, Doris King, Mildred Strong, Mary Anna Duncan and Ethel Rae Cheatham.

Other new members accepted are Misses Laura Jones, Sally Barnard, Elaine Garrison, Elizabeth Story, Bess Saunders, Bill Douglas, Wiley Alliston, Hosmer Stuck, Melville Ehlers, Kyle Gillespie, Bob Mecaskey, Max Ballanger, Heard Carter, Owen Cobb, Robert Moss, Carl Anderson, George Loudon, Logan Ware, Bill Chappell and Connie Sparks.

Dramatic Club Admits 13 New Members

Thirteen new members were admitted to the Dramatic Club after the second tryout session Tuesday night.

The club will hold its formal initiation of new members and reception next Tuesday at 7:30 p. m. in Jarvis Hall, according to Miss Katherine Moore, sponsor.

New members admitted as a result of the tryouts are Misses Nelross Heister, Lois Meador, Kathryn DeVol, Lois Noble, Wilma Rutherford, Marilyn Sue Smith, Neelene Paul, Frances Coates and Gene Reynolds.

Miss Wanda Gordon and Scranton Jones, Robert Milling, James Moore and Harry Jennings were automatically admitted for their participation in the freshman-sophomore play contest.

T.C.U. Woman's Club Holds Meeting

Twenty-four new members of the T. C. U. Woman's Club were the guests of honor at a luncheon at the Colonial Hills Country Club Tuesday. This was the first meeting of the year.

The officers for the coming year are: Mrs. Dora B. Cockrell, president; Mrs. Gayle Scott, vice-president; Mrs. J. H. Dougherty, secretary; Miss Lillian McDonald, treasurer, and Mrs. H. R. Mundhenke.

Los Hidalgos to Hold Initiations for 25

The formal initiation of new members of Los Hidalgos will be held at 8 p. m. Wednesday in Brite College of the Bible.

About 25 members will be initiated, and a program will be held in connection.

A call meeting of old members was held last Wednesday to choose the new members, and bids were sent out by President Adale Reiger.

Sigma Tau Delta Initiations Set

Initiation of new members of the Sigma Tau Delta will be held next Thursday night at the home of Miss Yvonne Buster, president, at 2508 Lubbock.

Prof. Granville Walker will speak and Miss Ceville Moore will give a reading.

Charles Cope resigned as president of the club because he will be unable to attend any of the meetings.

Miss Mabel Major To Have Guests

Miss Mabel Major will have as her house guests this week-end Dr. and Mrs. Al B. Nelson, former students in T. C. U. from A. & M. and Dr. and Mrs. C. E. Norman of T. S. C. W. Dr. Rebecca Smith will entertain the guests with a dinner tomorrow night after the game.

Leti to Meet Sunday To Elect Officers

The Leti Club will hold an organization meeting at 10 p. m. Sunday in Jarvis Hall to elect officers for 1939-40.

Miss Gerry Sharp is temporary chairman and will be in charge of the meeting. The club is composed of sophomore girls who reside in Jarvis Hall.

W. S. A. to Have Table For Dues Payment

The W. S. A. will provide a table in the hall of the Administration Building between 8 and 10 o'clock next Tuesday morning for the payment of dues. "We urge all members to pay their dollar now," says Miss Fenton Clark, president.

Miss Joyce Rogers, of Sweetwater, spent the week-end visiting friends on the campus. Miss Rogers was a freshman student here last year.

Ford Jarvis, Cecil White and Les Smyth visited Charles Prior at his home in Palestine last week-end.

Mrs. Hopkins Back in T.C.U.

Graduate of Add-Ran College Feels at Home as Hostess for Sherley.

Mrs. Alpha Saunders Hopkins, the new house mother at Sherley Cottage, says that being at T. C. U. is "just like being at home."

Mrs. Hopkins who attended Add-Ran College in Thorp Spring remembers Dean Hall, C. I. Alexander and Franklin Jones, a former instructor in the present T. C. U., as upperclassmen. Also Mrs. Beulah Boggess and Mrs. E. E. Cox were classmates of Mrs. Hopkins.

An interest in young people has been a hobby with Mrs. Hopkins for many years. In 1921 she organized a chapter of the Children of the Confederacy in Texarkana which is a branch of the Daughters of the Confederacy.

"All of my work," she says, "whether civic or church has been indirectly connected with children." Having two sons and two daughters, Mrs. Hopkins says that she felt it her duty to keep up with civic affairs in Dallas, which has been her home for 10 years, so that she would be able to hold the interest of her children.

She is a member of the Delphians, the Daughters of the American Revolution, The Daughters of the Confederacy and has done extensive church work both in Dallas and Texarkana.

Mrs. Hopkins sums up the difference in college people of today and those of yesterday by saying, "College people of today are busy creating their world while those of yesterday merely accepted one."

26 States Represented In Record Enrollment

From Conneautville, Pa., Palos Verdes, Calif., Kenosha, Wis., and Goose Creek they came this year to study at Frogland, announces Registrar S. W. Hutton as the largest registration in the history of the school is recorded.

Twenty-six states are represented by the 1280 students enrolled in day classes, with Texas having an overwhelming majority of 1204. Other leaders among the states ranked in the following order: Oklahoma and Arkansas, 9 each; Louisiana, 5; and Oklahoma, Ohio and Tennessee, 4 each. Washington, D. C., is called home by six.

Fort Worth led the cities with 625 while Dallas was second with 19 and

Houston third with 14. Wichita Falls with 10, Panhandle, 9; Cleburne, 8 and McKinney, Sulphur Springs and Amarillo followed the leaders.

The Christian Church proved to be the students' choice among the 14 denominations named as 355 claimed membership. The Methodist Church was named by 249, the Baptist by 209 and the Presbyterians polled 93. Others that ranked high were the Catholic, 42; Episcopal, 39 and Church of Christ, 36. No preference was voiced by 102.

The good old American name Smith is the favorite in Frogland as 16 students bear it. The Jones boys and girls number 12, closely followed by Moore, 10; Martin, 9; Roberts, 8 and Williams, 7.

Bryson Ballad Program 'Aimed to Suit Everyone'

Postponed last week so that Dr. J. Frank Norris might speak, the Bryson Club program on ballads will be presented in chapel Wednesday.

"Our program will feature Dr. Josiah H. Combs singing French ballads and Dr. Newton Gaines playing his guitar and singing cowboy ballads. We hope to present ballads to suit everyone's taste sometime during the program," says Miss Lorraine Sherley, sponsor of the club.

Miss Arnold to Address Endeavor on 'Personality'

"Interviewing Your Personality" will be the subject of the program to be led by Miss Irene Arnold at the University Church Christian Endeavor at 6:30 p. m. Sunday.

Alpha Phi Omega to Meet Monday to Discuss Plans

Plans for the organization of a chapter of Alpha Phi Omega, national social service fraternity, on the campus will be discussed at a meeting of a group of interested boys at 7 o'clock Monday night in the Men's Club Room.

Bill Caudle will have charge of the meeting. Organization will be the primary topic of discussion at the first meeting.

Dr. Morro to Address Timothy Club Monday

Dr. W. C. Morro will speak on the topic, "Sermon Preparations," at the Monday meeting of the Timothy Club in the new Brite chapel. This is one of the first in a series of monthly educational programs for the group.

W. S. A. Representatives To Attend State Meet

Misses Fenton Clark and Kitty Earnest will leave for San Marcos Thursday where they will attend a state-wide W. S. A. meet.

The girls will meet with representatives from other colleges in the state and exchange ideas for the betterment of the W. S. A. organization.

The delegates will attend the annual banquet Thursday night. Many lectures and activities are planned for Friday.

Miss Clark is the president and Miss Earnest is the vice-president of the T. C. U. W. S. A. organization.

Kampus Keyhole

By Helen Ruth

LIFE sure goes on 'round this campus, doesn't it? For instance there's JOHN GOODSPEED whispering sweet nothings into the ear of LOIS MEADOR at Saturday night's dance. DOTTY STUBBS looking calf-eyed when HARRY HITT'S name is mentioned. . . a rival of MARGARET KUNTZ remarking: "Well, she just uses her dates as stepping stones to make the grade with EARL CLARK (meow!)" . . . WALTER SPILLSBURY watching BEN PENDARVIS take over the option on PAT ROGERS. . . Yep, life sure goes on and on. . .

Things will be happening in a big way at the DEN opening tonight which will be staged to the strains of GENE BEECHER'S orchestra. Life, love and laughter will enter into the singing of tiny LORRAINE ELLIOTT, vocalist, who warbles with the band and has the prettiest smile we've seen around. . . Too bad BEAUTS POTTISHMAN and KEN GRIFFITH not only blew the flame out but stamped down the ashes, 'cause they would have enjoyed dancing in the newly remodeled DEN, Hotel Texas. . . However, there's always JORDAN JONES, who doesn't play first violin, if you know what we mean. . .

"Why don't you guys wear your coats when you have your pictures made?" asks SAM JACKSON, annual maestro. And, then: "Why don't you have your pictures made?" Think how you'll feel when the annual comes out and nobody can find your smiling mug. You have until Wednesday at ORGAIN'S, 400 1/2 Main. . .

Of course now that SALLY BARNARD has ARTHUR MOSELEY definitely in hand, she doesn't have to worry about wooing the masculine population, but she might have an AGGIE who'll see her this week-end or a DALLAS MAN who'll be over sometime soon. . . Anyway, SALLY should take a look at the lipstick red formal GANS is suggesting for enticing a man away from the T. S. C. W. gals. It's of file crepe, has a full skirt, tight tucked bodice and a big bow on one shoulder. It looks like a million and sells for \$13.95. . . There's another one, too—a double-duty frock with bolero jacket of peacock blue. See them at 610 Houston. . .

Know what's so nice about BETTY WRAY, freshman band sweet-heart? She's NATURAL looking—no kinky hairdos, no riot of make-up. R. E. LEONARD'S BEAUTY SHOP, 815 Houston, will do the trick.

PAUL'S, 606 Houston, has some grand ideas about style and footwear. . . ELIZABETH ANN JORDAN who accomplishes what every gal longs to do—lunches with a different guy every day—will like the knobbed toe pump or oxford of brown varnished oxford cloth trimmed in genuine alligator. RAY MACK'S new girl-friend from S. M. U. will like the same style in grey with lizard trim. Both femmes will want zipper bags to match in novel styles. . . end fastenings, oyx handles, pouch or under-arm type. . .

Say, FRESHMAN GIRLS, you're not really IN 'til you own a "PORKY PIE" hat from HAT LAND, 507 Houston. . . It's a snap brim that looks like angora and has a perky feather of all colors. . . Get it right away for only \$1.00. . .

All we have to say is, if you pass by that green plaid woolen frock in CHENEY'S window, then you're not really human. . . We stood and looked at it for an hour and then got up enough courage to ask the price. Well! It wasn't NEAR so expensive as we thought, so we're spreading the word around. PEGGY LEWIS who was seen rattling down the street in JOHN HAYES' jalopy last Sunday, will like the three-quarter length green swaggar coat that matches. . . or any of the other collegiate clothes that are low-priced, 602 Houston. . .

Nope, AGGIES and FROGS, we didn't leave you out of this. . . we found really gorgeous corsages for you to give your girl-friends for the dance tomorrow night. . . at 807 Lamar, for \$1.00 up. . . Ask DUANE KELLAM, T. C. U. representative, about them or phone 2-3119. BAKER'S FLORAL. . .

Time Out..
