NUMBER 25

Open Letter to the Administration:

Gentlemen:

Seven weeks from today the 1940-41 school year comes to a close. At that time this Skiff staff and yours truly will lay down the reins and pass from view.

During our stay at the helm of The Skiff, we have advocated better lighting in the Library, elimination of the traffic hazards on University Drive in front of the campus, a celebrities series blanket tax and a Dads' Day. We are sorry to say that thus far none has progressed past the stage of advocacy.

In these ventures, we have not been alone. The Student Council has assisted, some of you have told me personally that you favor certain of the changes, and the students themselves last week voted overwhelmingly in favor of the blanket tax and zoning of University Drive.

Arguments both pro and con on these matters have been presented time and again in the editorial columns of The Skiff, and also debated at our weekly editorial conference as well as at Council meetings. For this reason, we believe that it is inertia rather than a lack of information that has tended to deter action.

In passing but for a brief moment across the T. C. U. stage, we are not attempting to have our names stamped indelibly in the annals of Frogland. However, it is our humble desire to leave our Alma Mater just a little better than we found it. In seeing the aforementioned innovations become realities, we feel that our objective will have been accomplished.

The fate of these proposals rests in your hands. You have the power either to shelve them while we watch helplessly, or to try genuinely to effect them. In the later case, we will be more than glad to assist in any way.

The decision is yours to make. We hopefully await your verdict.

Sophs Who Take

Nationwide Tests

Calling all sophomores! No classes, only tests, next Wednesday and Thursday!

Under the direction of Dr. James H. Dougherty, all sophomore students will take the nationwide "sophomore tests" on April 16-17. They will be excused from all classes on the two days. Tests will be given in Brite College.

These tests are sponsored by the American Council of Education, and are given every year to hundreds of sophomores in colleges over the nation. The purpose is to determine the weakness and strong points of each student, and aid them in determining their majors and minors.

Juniors and seniors who wish to take the tests can do so by seeing Dr. Dougherty. They, too, will be excused from classes.

All students who have 39 semester hours credit, or who will have 54 hours at the end of this semester, are required to take the tests. Upperclassmen who have not taken the tests are eligible and are requested to take them also.

Hutton to Conduct Revival During Easter Holidays

Registrar S. W. Hutton will hold a short revival during the Easter holidays at the First Christian Church at Palo Pinto.

Saved by the Bell—

Students Sigh With Relief, Grades to Be Mailed Late

Yippee! Wow! What a relief! "This is the first time in four years I can go home for a holiday without pangs of dread and fear. I may have a guilty conscience, but no one need know," exclaims grateful Kelly Kellam.

"I might get all those spring clothes I've been yearning for after all," Genevieve Prater gleefully exclaimed.

Don't get alarmed. Everyone is sane but excited. For the first time in many a holiday, T. C. U. eds and coeds can face their parents without building up a super defense against outbursts of disappointment.

That's right. The registrar's office just announced that grades will not be mailed until AFTER the holidays. Maybe there is an Easter Bunny after all!

Gold Medal, \$25 Awards For Winner

Friday night, April 18, marks the 27th anniversary of the Gough Oratorical Contest, to be held at 8 o'clock in the auditorium.

For 27 years Dr. Roy Gough, sponsor of the event, has given a gold medal and \$25 in cash to the young man placing first in the contest.

Roy G. Tomlinson is chairman of the judging committee. He has chosen as judges two previous winners of the contest and one who has served as a judge several times before.

Stewart Hellman, first assistant district attorney of Tarrant County, and Sprousser Wynn, Fort Worth lawyer, are the judges who have been winners in the contest. Judge Walter A. Nelson completes the committee.

"This event proves to be a source of great encouragement to the speaking department and debating group of T. C. U. This year we probably have our finest line of entries. Some of these young men have won outstanding honors in state meets," says Prof. Lew D. Falls.

The contestants and their subjects are: Rufus Garrett, who has chosen to talk of "The Patriotism of a Changing World." At present Rufus is on the traveling debate squad to California.

Billy Jennings will discuss "Shall We Be Free?"; John Frank Lucas' subject is "Youth and War." Both Jennings and Lucas are students in the public speaking department.

Guy Murphree will speak on "Youth Accepts the Challenge," and Bobby Newkirk of "Dynamic Democracy." Both are members of the Frog Forensic Fraternity. Arthur Norred will speak on "The Fight for Democracy," and W. R. Rucker on "Masters of Our Destiny." Norred and Rucker are also traveling with the debate squad. Throughout the year they have consistently placed high in debate and speech competition.

Picnic Party Is Planned For Varsity Show Cast

The Ernest Allen farm on the Stove Foundry Road has been chosen as the place for the Varsity Show party.

"Those who do not know the way can meet at the Arch at 4 p. m. April 17 and go in a group. Along with food there will be dancing and swimming. All extras, those who were not connected with the cast, will be charged 25 cents, but that doesn't mean we don't want them. It is just to help pay expenses," says Charlie Prior, producer of the show.

10 Journalists To Attend Meet

Nine journalism students and Prof. J. Willard Ridings will leave tomorrow for Abilene, where they will attend the 14th annual convention of the Southwestern Journalism Congress, which meets Friday and Saturday at Hardin-Simmons University.

Those making the trip are Misses Mary Lou Jordan, Lois Jeane Cayce, Martha Mellown, Mildred Smith, Helen Ruth Verheyden and Margaret Ramage, and V. G. Smylie, John Goodspeed and Wallace Fitzgerald.

Prof. Ridings is secretary-treasurer of the Congress. Prof. Herschel Schonley of H.-S. U., president, and Lester Jordan, S. M. U. professor of journalism, vice-president.

State Convention To Hear TCUers

Representatives from T. C. U. will present a program Wednesday night, April 16, for the 55th Annual Convention of Texas Christian Churches which will meet April 14-17 at the First Christian Church in Breckenridge.

President E. M. Waits will give the main address. His subject will be "My 25 Years at T. C. U."

Writers Urged To File Entries

"I want to offer a special invitation to all poets and short story writers on the campus to enter the Bryson Contest and the Short Story Contest," says Dr. Rebecca Smith.

The deadline for all entries is May 1.

In the poetry contest the limit on entries is two. The contestant may turn in a long poem or a group of sonnets on one theme. The total of lines entered must not be more than 200. All entries must be typewritten, not previously published and must be original.

The short story division requires three typewritten copies of the story and from 1000 to 2000 words length.

Petitions Due April 17

Petitions for sophomore, junior and senior class officers will be accepted until noon Thursday, April 17, it was decided yesterday by the Student Council.

Last night only six petitions had been received for the 11 offices which must be filled, four of those being for one office—that of head yell leader. Seeking to be Frogland's No. 1 school spirit man are Roy Mitchell, Arkadelphia, Ark.; Jimmy Robinson, Dallas; and Hardin Killian and Jimmy Moore, both of Fort Worth.

David McKee and Miss Mary

Charlotte Faris have filed for president and secretary-treasurer, respectively, of the class of '43.

Other offices open are the presidency, vice-presidency and secretary-treasurership of the senior and sophomore classes, the vice-presidency of the junior class, and the senior class Council post.

The object in setting the petition deadline up a week, as stated by the Council, is to get several entries in each race and bring about more interest in campus politics. Election dates will be set next week.

He Hath Said "Seek and Find"

Easter, as a religious and sacred season, has been lost in a modern maze, and become a wild and hilarious holiday whoopee.

No longer is it remembered as a significant observance of the greatest event mankind has ever known. The occasion of recalling each year that "the Lord hath risen" has become a commercial and recreational celebration.

The ability to recapture the glory of Eastertide lies within the individual. Only by overlooking the cheap display and looking within the heart is the magnificence of the day to be found.

Are you looking within or without?

Lecturers And Time Will Tell

The majority has spoken that it favors a celebrity series tax. The election did not mean that the proposed levy would or would not be adopted. It was merely a poll to see how the students stood on the situation.

The Skiff believes a desirable program can be presented. Not programs of all name with naught behind them, but programs that are interesting, with names big enough to draw can be had.

The point is this—enough students have shown that they are tired of second-rate authors and authoresses, furloughed missionaries and barnstorming professors; that something should be done.

Will the desire of the students be recognized, ignored, or given a polite no?

It's No Wonder You Wonder

The seniors are now asking themselves the same question the freshmen will be asking four years from now—Why did we come to college? What is there for use when we get out?

When spoken in short breaths, unaccented syllables and with a punch-drunk stare, these queries are likely to bring charges of defeatism. It is true. Why not? The days of the romantic pioneer are past.

The first question is not hard to answer and varies with individuals. One either comes to prepare for a profession or because college is merely a matter of course after high school.

The reasons why most persons come to college are probably self-centered and with an eye for personal gains.

The second question is hard

to answer and is the same for everyone. In fact, it is unanswerable. No one can tell what the future holds. That's something they can't teach in classrooms.

But whatever happens, upon the educated persons will rest the responsibility of preserving civilization in the present world crisis.

Editor The Skiff: The election of Wilson Baugh as vice-president of the student body seems to me to be an indication of the value of the T. C. U. Chamber of Commerce.

Now I am not one to go about lauding the Chamber of Commerce, but I think that the election of Baugh, a little known transfer student who lives in town and works in the afternoon, proves the worth of the Chamber as a body to improve relations between town and dormitory students.

The other student officers elected after any kind of contest were mostly elected either by a large dormitory or town majority. This condition has been bewailed before, but nothing to cement dormitory and town sentiment has been conscientiously accomplished.

Purple Seeks First Victory from Visiting Owls at 2:30

Victoryless after four consecutive starts, the Horned Frog baseballers will attempt to make their fifth go their best one this afternoon against the Rice Owls on the Purple field. The game starts at 2:30 o'clock and will be the last contest for the Frogs after the Easter holidays. The Owls have fared only slightly better than the Frogs. They lost their opening encounter against the Baylor Bears, but have won two to the Aggies. The Purple team is led by pitcher Walter Roach, ace sophomore pitcher, or Fred Pepper, veteran, who will be on the mound for the Purple. The Owls are led by pitcher Walter Roach, ace sophomore pitcher, or Fred Pepper, veteran, who will be on the mound for the Purple.

The Frogs enter the Rice game not in the best of physical condition. Ralph Tankersley, first string catcher, is bothered with a bruised arm and may miss the game altogether. Connie Sparks will don the mask and protector in this case. The Frogs came oh so close to gaining not one but two victories over the highly favored Texas Longhorns last week-end. In the first game the Purple jumped to a 7-run lead in the first two innings, only to see the Steers come back and cop the game 18 to 8. The Frog pitching blew up in this fray and bases on balls proved the downfall of three pitchers. A. J. Brumbaugh took the hill for the Purple the next day and pitched a fine game for seven innings, holding the enemy to four runs while his mates got five. Here again, however, wildness cost the Frogs and when the smoke of the eighth inning cleared the Steers had nine runs to the Purple's five.

Nothing Short of Tempest To Stop Softball Contest

If it doesn't rain, hail, sleet or snow, the intramural softball league will continue its contests this afternoon. With Big Don Ver Duin slinging the apple for the Seniors and racking up 13 strikeouts, it looks as though the rest of the league will have a little trouble. The Senior's biggest obstacle will be the powerful Soph squad that downed the hapless Fresh last week.

By JACK BILLINGSLEY Leading figure in the Horned Frog baseball games thus far has been Gus Bierman, the speedy sophomore from Handley. Gus has more hits than any of the Frog baseballers and has proven more valuable afield than he has at the plate. The only trouble Coach Walter Roach has had with the fast fellow has been to place him in a position that will utilize his great speed. In the last game with Texas, Gus really found himself when put into center field. He covered acres of territory and came up with balls that were labeled sure extra base blows. The "finding" of Bierman as an outfielder gives the Frogs two of the best defensive gardeners in the conference. Over in left field is Dennis Tankersley, who has been filling in in center until Gus was put there. Dennis is the perfect outfielder—he can throw, run and hit. Together, these two boys cover everything from the Stadium to the golf course.

Another lad who showed his true value to the Frogs is Rusty Cowart, the little short stop. Out of the first two games because of illness, Rusty had to sit on the bench and watch the young Frog infield come apart at the seams and lose two games that should have gone to the Purple. In the Texas games Rusty was back in there, and the infield worked like a well-oiled big league unit. At the plate, too, Rusty did his part. On his first time at bat this year he touched Melvin Deutsch, Steer ace, for a clean single to right.

Busiest man on the campus today likely will be Benton Beasley, the little fellow from Ennis who plays No. 2 on the golf team. (Continued on Page 4)

Frogs Will Tilt Mustangs on SMU Courts April 17

The Frog netters are preparing for their conference match, M. U. in Dallas April 17, after beating a strong Texas Tech team for their first victory of the season. The Frogs dropped only one Monday while defeating the Mustangs 5 to 1. Robert Glaze, playing in the No. 1 position, fell in the steady stroking of Red Lower. The No. 2 match, Dick Vickery easily over Jack Lovelace, 6-2. Jack Billingsley beat Foot-Jack Shanks, 6-2, 8-6. Joe

Russo won his match with Lloyd Brunson, 6-4, 7-5. Prouse's pupils came from behind in the doubles matches to win both. Billingsley and Vickery downed Hightower and Lovelace, 4-6, 6-3 and 6-1. Glaze and Russo downed Shanks and Brunson, 4-6, 6-2 and 6-3. The strong Mustang netmen will be favored to down the Frogs in Thursday's match. Led by Fred Higginbotham and Billy Wilkins, they recently defeated the Oklahoma Sooners, 4 to 3. The Oklahomans downed the Frogs by the same score.

Texas Tech Niblic Weilders to Swap Shots With Frogs

The Frog golfers will meet a useful Texas Tech team here today. Led by Melvin Best, the returning letterman, the Raiders will be out to revenge last week's defeat at the hands of the Purple. Little is known about the Tech team. Besides Best, Ford Sturdivant, who lettered in 1939, is on the squad. The other two places will be filled by either Jack Walker, Jim Brigham or Dan McCammon. The Frogs meet their first conference opponent, the S. M. U. Mustangs, here today. The match will be returned in Dallas April

Games Are Scheduled; Now Wogs Need Team

There's a coach and a schedule—all that's lacking now is a freshman baseball team. Coach Don Looney and his handful of Wog baseballers have been forced to work out with the varsity squad because of a shortage in membership since the season opened. University freshman clubs and several Fort Worth high school teams are slated to meet the potential Polliwog nine.

North Side Wins Play Day Trophy

Presentation of the silver trophy to the girls from North Side High School by Mrs. Helen Murphy in the Basketball Gymnasium Saturday climaxed the W. S. A.'s first Play Day. Approximately 250 girls registered. Each was given a color and swimmers of the events were given the same color instead of from the same school. After a picnic supper at 5 o'clock the girls went to the Basketball Gymnasium for the announcement of the winners in all the events. The yellow team captured the basketball championship. Miss Dorothy Copeland of Poly High School won first in archery. Badminton winners were Misses Mary Lou Stevens and Jean Reichenstein of Central High School. In the tennis event, honors went to Misses Virginia Thaxton and Dorothy Royal of Poly in the doubles, and Miss Geneva Moore of North Side in the singles. A mixed-color team defeated a green color team by a 16-to-9 score in the baseball title. Miss Marietta Goss of Amon G. Carter High School took the relay and side-rope honors in swimming, while Veola Adams of North Side

High School won the dash in the same event. After the introduction of the winners and the presenting of the trophy, the girls and the public watched a demonstration of various types of dances, given by groups from the high schools and T. C. U. President E. M. Waits will speak to the Lions Club in Cleburne Friday. Miss Margaret Jane Biser, A.B. '40, of Dallas, was a guest in Gibson House over the weekend.
