

'New York' Times' Reporter Visits Campus, Praises Team, Band, Texas Enthusiasm

By MARGARET CASKEY and MARGARET RAMAGE
Color, excitement, teamwork and fanfare impressed a New Yorker in the press box at the T. C. U.-A. & M. game Saturday. Irving Spiegle, reporter on the New York Times, came down Texas way to see some thrillers on his vacation, and according to his version, he has been overwhelmed with Fort Worth in general and Frogland in particular.

"This Texas enthusiasm at the football games and clam happy-go-lucky attitude in everyday life just slays me!" Spiegle grinned as he chatted with students in the journalism lab Tuesday afternoon.

"This Frog team is really some-

thing. We read all about them in our New York papers, got to see them once in 1937 and now I can say first hand on their own field that they really show the spectators SOME playing!"

The Horned Frog Band came in for its share of praise in good measure. "That band!" ejaculated the New Yorker. "I guess the A. & M. band was O. K., but those swingers from T. C. U. were swell! We don't have such cute formations and pretty majorettes and sweethearts 'up New York way,' and it's good to hear a brass section that can really BLOW!"

Other aspects of the campus caught his eye. He liked being spoken to by every one he met, and expressed it

as being a wonderful part of the astounding friendliness shown here in Texas.

Spiegle liked the grass and commented on the little signs used in the better grounds program. Of chief interest to him was the joy of the fact that T. C. U. is a small enough school to enable one to know every person on the campus and old enough to carry with it some tradition as well as vines on its building.

The Library rated as a beautiful building with him, and he expressed interest in the building program, although he declared that T. C. U. is "just big enough to be homey."

Being a reporter, he was interested in the journalism department, but

registered some disappointment when entering the Skiff office. Among all newspaper! Laughing, he said he'd send one.

Spiegle is a general reporter for the Times. Starting as copy boy on the same paper 17 years ago, he worked his way through high school and college, and up in the journalistic line.

He has "covered" stories from coast to coast, from screen romances to crime murders. During his days as a crime reporter he covered the Lindbergh case. Seeing the first message come off the wire, he called the home office to send men. That was the first night of the case and the Times kept pouring off editions all night.

During the Brooklyn fire he was

on hand, and tells of how police used airplane radio connections to direct the fire-fighters.

Little time lapsed until the New Yorker began praising Texas again. The dialect "simply slays" him, and he is amazed with the sincere "Sure 'nuf!" registered when Texans are interested in a conversation. But the sweetest words to his ears are in the phrase, "Come again!" heard everywhere "down here."

The Texas food is another subject on which he is rampant. He indicated the enormous size of the "delicious steak" he attempted to eat recently and moaned that such a piece would have cost four times that amount "up north."

The huge chocolate malteds are another of his pet likes. He declares that the service in Texas is wonderful. Discovering that each time one presses a light more coffee is served, he got six cups to prove it!

He will defend New York by mentioning its fine museums, tall buildings, subways and bridges, but adds that Texas is the place to settle down peacefully and live a long life.

Thinking in terms of journalism, he added, as he left the campus, "Yes sir, there are plenty of 'stories' worth the writing here in Texas, and many here on your own campus. These students here should realize how lucky they are to be in Texas Christian in Texas!"

the pictures of famous journalists on the walls, not one was from his home

VOLUME 40 2733 FORT WORTH, TEXAS, FRIDAY, OCTOBER 24, 1941 NUMBER 6

The Skipper Sez ---

By MARGARET RAMAGE

"There SHALL Be Light!"—Says Dr. Sadler.

"Yes, we are going to have new lights in the Library this year," stressed Dr. M. E. Sadler to a committee from The Skiff and the Council Monday afternoon.

"I have asked Mr. Wright to get for us reports from two independent light companies. These and the one from the Texas Electric Company will be studied. As soon as we determine the best bid it will be chosen and work will start at the earliest possible time."

Fluorescent lighting is the type being considered. This form is attractive, will give the desired footcandles of light and will be wired more easily. The Library is to have the very best, that this problem of lighting may not arise again for years to come!

For nine years The Skiff, the Student Council and interested individuals have worked untiringly for Library lights by which the students may study.

Laurels and praise to Dr. Sadler and to Mr. Wright whose sincerity and energy are unlimited!

"Peace on Earth!" . . . and the Campus!

Again excitement has come and gone in Frogland. Again it was concerning the A.&M.-T.C.U. game. Again T.C.U. students are experiencing sharing tolerance, democracy.

True, the Frog students were courteous and gave their visitors cherished seats. True, the Aggies were happy over a victory. True, the flag tearing that followed the hilarity of the post-game time was unportsmanlike, unfortunate.

True also that The Skiff has received protests, letters, editorials, all of which are of righteous indignation.

Apologies have been given and accepted by the student who did the act and by the school, and the exchange of correspondence was of the assurance that the school would not be blamed for the action of one excited student but that the flag would be replaced by that university.

In view of these facts T.C.U. is endeavoring to remain tolerant of the situation, remembering that everyone makes mistakes and that perhaps that student and school may make of the occurrence stepping stones to better understanding.

True again, this is T.C.U. Democracy!

Professors Have Works In New Mexico Quarterly

A poem, "No Nearer," by Dr. Haldeen Braddy and a review of Agnes Morley Cleveland's book, "No Life for a Lady," by Dr. Rebecca Smith, were printed in the August issue of the New Mexico Quarterly.

On Friday, Oct. 31, at the Baker Hotel, Dr. Braddy will read a paper on "Chaucer" before the South-Central Modern Language Association, for which he is acting as chairman of the resolutions committee.

Sergeant Forsyth Speaks In Behalf of Air Corps

Sergeant William G. Forsyth of the U. S. Army Recruiting Station spoke Monday in the Auditorium to all young men interested in the Air Corps Preparatory Course.

The course is a one-year college course, the completion of which enables a young man to enter the Army Air Corps without mental examination.

TEXAS ENTHUSIASM

such as this registered by Frogland rooters at the T.C.U.-A.&M. game Saturday evoked cheers from the spectators.

Hockey Stick, Bow Share Honors In Sammis Home

What's this—a violin teacher playing hockey?

That's what Prof. Sammis would have his students believe if they were to see the latest trophy which graces his living room. This isn't Ripley, but, believe it or not, the professor is now the proud possessor of a professional hockey stick which he won at a Civitan Club luncheon recently.

When the manager of the new ice rink in Fort Worth spoke at the luncheon, he gave the stick to the one whose name he pulled out of the proverbial hat, and Prof. Sammis was the "lucky" winner.

"I sure felt funny walking through the hotel lobby with a hockey stick thrown over my shoulder," laughed Prof. Sammis.

More amazed than the lobby spectators was Mrs. Sammis, who wondered if her musician husband had given up his profession and turned to the world of sports in preference to his beloved violin!

"Minister As a Priest" To Be B.C.B. Topic Today

"The Minister As a Priest" is the subject of Dean Colby D. Hall this morning at the B. C. B. chapel program.

Registrar S. W. Hutton has charge of the music. This is the third program of the current series on "The Minister's Task."

From Tuesday through yesterday four persons represented T. C. U. at the Inter-Seminary Meet at the Iliff School of Theology in Denver. Those going were Jack Shirley, Eulis Hill, Marion Turpin and Dr. W. V. Roosa.

Jimmy Robinson to Lead Timothy Club Devotional

Graham Pugh and Marshall Mason will preach at the Timothy Club meeting at 7:15 o'clock Monday night in Brite chapel. The devotional will be led by Jimmy Robinson.

The club's social, scheduled for tonight, has been postponed.

Pres. Sadler Will Speak In Chapel Wednesday

President M. E. Sadler will address students at the regular chapel program Wednesday in the Auditorium.

Dr. W. C. Morro spoke in chapel this week on "The True Place of Religion." W. A. Welsh, Jr., led the devotional.

Texas Writers Meeting Here For Sessions

Poetry, Historical, Fictional Sections Will Be Held Today from 3:30-5 P. M.

"Sectional meetings of the Texas Institute of Letters, which is holding its annual meeting in Fort Worth today and tomorrow, will be held on the campus from 3:30 to 5 p. m. in the Administration Building and will be open to the students," says Dr. Rebecca Smith, president of the Institute.

The meetings will be on poetry, historical writing and fictional writing.

The section on poetry will be led by Thomas H. McNeal, who is head of the English department at East Texas State Teachers College at Commerce, and whose poetry has been published in Poetry Magazine, Lyric and the New York Herald Tribune.

Walter P. Webb will lead the section on historical writing. He is the University of Texas historian and is the author of "The Great Plains," "The Texas Rangers" and "Divided We Stand."

The fiction writing section will be led by A. D. Cunningham, professor of English at the Texas Technological College in Lubbock. His third mystery story, "The Strange Death of Manny Squares," has recently been published. Other mystery novels by him are "Murder at Deer Lick" and "Murder at the School House."

At 6:30 p. m. tonight the university will give a dinner honoring the Institute members. Miss Mabel Major will be toast mistress. An informal program will be given by Knocky Parker and his boogie woogie music and Dr. Newton Gaines and his cowboy ballads.

Lynn Riggs, American playwright, will be presented at 8 p. m. tonight in the Auditorium by the T. C. U. lecture series honoring the Institute. Riggs will be introduced by John William Rogers, Dallas dramatic critic and playwright.

String Choir Is Organized

A new development in the T. C. U. music department is the organization of the Modern String Choir, a unit composed of the string instruments in the Symphony Orchestra. Under the direction of Prof. Claude Sammis the group will study concert music, light classics and concert versions of varied modern pieces.

"The String Choir will furnish music for campus functions, luncheons, clubs, churches and other local meetings, and a formal concert will be given sometime before Christmas," says Prof. Sammis.

Members of the String Choir are: Violins, Roland Hall, Joe Bob Harris, Polly Gann, Beverly High, Jerry James, Betty Jane Meggs, Frances Murphy, Margaret Warrick and Preston Stedman of Fort Worth, Margaret Hopkins of Cleburne, Georgia Lee Norris of Washington, D. C., and Ellen Ayers Rice of Gordon.

Violas: Fay Faulk, G. L. Robertson and Ann Shipp of Fort Worth. Cellos: Mary Louise Martin, Betty Mae Wright and Blanche Zihlman of Fort Worth and Katherine Renwick of Beaumont. Basses: Ruth Murphree of Fort Worth and Jack Whitehurst of Goliad. Ruth Wyche of Fort Worth is the accompanist.

Dr. Waits Will Speak At Convention in Denison

Dr. E. M. Waits is in Denison today, where he is speaking at the district convention of Christian churches on "Advancing the Church Through T. C. U."

Dr. Waits addressed the district convention here on the same subject Wednesday. He also spoke at a Rotary Club luncheon yesterday on "The Spirit in the Wheel."

He will make an address Sunday at the Morningside Christian Church here.

Baker Is Teacher For Joint Evening Class

Prof. William Baker taught Dr. A. L. Beck's defense courses this week at a joint meeting of personnel administration and office management classes on Monday and Wednesday evenings.

Peace Comes for A. & M., T. C. U. After Apology for Flag Incident

Peace reigns again on the T. C. U. campus and in the relationship between two schools who have been football rivals but friends since 1897.

Frogland added to its share of excitement last week when the post-game hilarity of A. & M. students, having won over the Frogs on the gridiron, resulted in the tearing of the T. C. U. Horned Frog banner from the flag-pole.

The sophomore who did the tearing apologized over the loud-speaker at the campus dance Saturday night.

Late Monday Student Body President Ronnie Brumbaugh received a telegram from Cadet Colonel Tom Gillis, expressing regret for the occurrence and promising the replacement of the flag.

The telegram and letter received

49 Nominated for Ball, Yearbook Favorite Section

Frogs Get Big Send-Off

Students Promise to Cheer Game Over Radios—Players to Return at 10 a. m. Monday

If the Frogs don't take those Rams tomorrow, it ain't cause the yell leaders, the entire student body and the Horned Frog Band didn't try at the big send-off Wednesday at the T. & P. Station.

After showing up the yelling section (don't know which one it was) at the Aggie game, the students will save their lungs and cheer by radios tomorrow. The yell leaders have promised the boys all T. C. U. will be cheering for them away down hyar in Texas, so let's go Frogs!

The train load of victorious Purple and White warriors will come in with a bang Monday morning at 10 o'clock. The band, along with every other Horned Frog booster will be on hand to greet "our team." See ya there, students, huh?

Final Election to Be Held Nov. 5—Six Winners from Each Class Will Be Chosen

By JOHNNIE ELLIS

It will have been a lucky day Wednesday for 49 T. C. U. students who become celebrity nominees for the Presentation Ball and Horned Frog favorite section. There were 619 students who nominated some 366 of their choice in the selection held throughout the student body.

Voting will take place on the morning of Wednesday, Nov. 5. Again the entire student body will mark the ballot for the boy and the girl of his or her choice for each class in the school. Three boys and three girls from each class will be favorites.

Records will be checked in the Registrar's Office and only those students eligible for classes in which they are listed will appear on the ballot sheets.

C. P. T. Course Has New Prof

Ground Work Instructor, Robert Henry, Is Licensed To Teach 7 Courses

Twenty-one year old Robert Henry, fresh from his position as co-ordinator of the government flight center in the Mojave Desert, California, has been appointed as the new instructor of ground work for the Civil Pilot Training courses.

Prof. Henry has government licenses as a pilot, mechanic and instructor. He is licensed to instruct in aerial navigation, meteorology, civil air regulations, engines, aircraft, instruments and parachutes.

He attended the Western Air College, an affiliate of the Pacific Coast University, with a reputation as the "Harvard of the air." Prof. Henry has also been in the army air corps at Kelly Field.

He grew up in Tyler and graduated from high school there.

"Prof. Henry is experienced, competent, and a specialist in each of his fields," says Dr. C. K. Holsapple, co-ordinator for T. C. U.

'Prayers' to Be Sermon Topic

"Prayers That Matter" will be the subject of the Rev. Perry Gresham at the University Christian Church Sunday morning.

The anthem is to be "O, For a Closer Walk With God," by Foster. Mrs. Q'Zella Oliver Jeffus will play an organ solo, "Idyll," by Buck.

As the offertory hymn there will be "Hark, A Voice Sayeth, All Are Mortal," by Bach.

At Evensong a piano and organ recital by Mrs. Jeffus and Miss Judy Dickson will be rendered. Their selections will include "The Swan," by Saint-Saens; "Song of India," by Rimsky-Korsakoff; "Meditations," by Bach-Gounod; "On Wings of Song," by Mendelssohn.

The evening sermon topic is "We Get Bored." Miss Jane Adams will sing a solo, "O Lord, Be Merciful," by Bartlett. Musical reflections will include "Autumn," by Chaminade.

Freshman Class Elects Clifton Oliver Sponsor

Prof. Clifton Oliver was elected freshman class sponsor at the class meeting last week. An executive committee was also appointed to handle the affairs of the class for the balance of the year.

HIGHLIGHTS
By Duane Kellam

Alas and alack! It's happened again!

For the third time in as many seasons the gentlemanly Texas Aggies have licked the Horned Frogs. The Frogs won't forget that in seasons to come.

Emory Nix, the lad who has been coming along so nicely in scrimmages and did a commendable job against the Aggies Saturday, has earned a starting berth in the Purple backfield.

Nix led the Corpus Christi Buccaneers to the state championship in 1938 and the coaches are high on his ability to lead the Frog gridsters.

When the "Yardbirds" rallied around the flagpole after the game Saturday, they came nearer starting a riot and ruining a beautiful friendship than they'll ever know. But they have apologized and are buying a new flag so why not let bygones be bygones?

No alibis are forthcoming from the Frog camp. We just got licked and that's all there is to it. The general opinion is that the Frogs did well to hold the Aggies as well as they did, considering the breaks.

The name of Joltin' Joe Rogers is familiar around the campus now, but after the game tomorrow afternoon it may be a household word.

Joltin' Joe, who has been playing behind the able Capt. Crawford since the season started, will get his chance in the starting forward wall against the Rams.

This is not an alibi, but the new substitution rule may have had a lot to do with the defeat of the Frogs Saturday. Coach Homer Norton kept a fresh and frisky team on the field at all times and wore the Purple to a frazzle. He had plenty of reserves to draw from, and he drew.

Guard Leonard Pugh is an all-around man. A sports scribe in Indiana had him playing three positions in the Hoosier-Frog game. First, Pugh was the lad that caught Gillespie's touchdown pass. Further down in the story he was the center who was removed with a twisted knee. Finally Pugh was back at his old guard position and played a fine game. What a man!

Another Sophomore rose from the ranks in the Aggie tilt to make a very strong bid for fame. In fact, it was strong enough to

earn him the No. one spot as center against the Fordham team tomorrow. James Woodfin played a great game against the yardbirds, and with the assistance of Red Odell, should keep the center of the line well protected until the recovery of the experienced Blackstone.

And then there's the story of the halfback who received a dislocated hip trying to circle his own end.

Rumor has it that Coach Dana X. Bible was very unhappy with the way his lads played against the Razorbacks last week. He told them in a little pep talk the first of this week that they would never beat Rice tomorrow playing like that. They just beat poor Arkansas 48 to 14!

Quota for Primary Section Of C.P.T. Changed to 30

"The quota for the primary section of the Civil Pilot Training course has been changed to 30, reports Dr. C. K. Holsapple, co-ordinator. "The former quota was 20."

Because of this change, more applications will be accepted, and those students who are chosen, can begin the course immediately.

Underdog Frogs Face Rams

Emory Nix To Be at Helm Of T.C.U. Club

Injuries Cause Shake-up in Starting Lineup—Fordham East's Best Bowl Bet.

The Horned Frogs, three teams strong, left Wednesday afternoon for New York City where they will attempt to blow the horns off the Fordham Rams at 2 o'clock tomorrow afternoon at the Polo Grounds.

To say that the Frogs are the underdogs is a gross understatement. With Kyle Gillespie, Capt. Bill Crawford, Billy Blackstone and Gus Bierman definitely out of tomorrow's clash, the Frogs aren't given a ghost of a chance at a victory over the Rams. It's rumored that the powerful Fordham team is the strongest in the East and is sighting ahead to the smell of roses in January.

The mess of injuries from the A. & M. game has caused a general shake-up in the backfield. Emory Nix, the sophomore who led the Corpus Christi Buccaneers to the state championship in '38, was moved up to the helm of the starting 11 Monday afternoon. Two other sophomore backs to draw starting roles against the Rams tomorrow are Van Hall of Kaufman, and Frank Medanich of Pecos. Fullback Frank Kring, the Senior who played his heart out against the Farmers, will be the only veteran in the starting secondary.

In the line Joltin' Joe Rogers will start at Crawford's guard post. At the center slot James Woodfin will take over the duties of Blackstone. Woodfin looked a shade better than good against the Aggies, and the boys that know say he will give the Frogs some fine play at center in years to come.

Bruce Alford and Phil Roach at ends, Derrell Palmer and Woodrow Adams at tackles, and Leonard Pugh at the other guard round out the starting forward wall for the Purple.

The big noise in the Ram back-

PRAYING FOR A PASS is quarterback Jim Noble of the Fordham Rams practicing for the game with the Frogs tomorrow. He is the signal caller, pass receiver and safety man on defense.

field this season is Jarrin' Jim Noble, a great blocking back and a smart field general. Beefy Ben Babula, who has the line plunging ability of a Kimbrough, Blackie Blumenstock, voted the most valuable player in the Cotton Bowl, and Steve Filipowicz, whose great passing and punting made him a standout against the Aggies in the Cotton Bowl last January, round out the Fordham backfield.

The Rams are once again the East's best bowl bet. Soft spots in the Rams' armor simply don't show

up. They have a stout defense, three-deep in every position, and an attack that is stepped up in speed and power. To date they have defeated S. M. U., North Carolina and West Virginia in decisive victories.

Seniors Take Lead In "Tag" With 5 Wins

Kirkpatrick, Lander, Haden, Pattee Keeps Juniors In Second Place by Victory.

Scoring almost at will, the two upperclassman intramural tag football teams chalked up easy wins over their lesser brethren Wednesday afternoon, the Juniors taking the first game from a hapless Soph team 41-0, and the Seniors, turning on plenty of "game-style" to win from the Freshmen, 39-25.

"Pitchin' Paul" Lander again sparked the Junior aggregation, throwing three touchdown passes, and climaxing his day with a pay dash. Landers hit Dick Haden in the end zone in the first quarter for the initial tally, Blair Kirkpatrick converting. Another pass from Landers to Kirkpatrick in the second quarter was good for a marker. Dick Haden converted.

Jim Pattee was Landers' target in the third frame for a touchdown and extra point, and in the following quarter it was again Landers passing to Bill Padon, who turned in a neat run following the catch to score.

Late in the game, Landers finished off his afternoon with a short run around left end to end the scoring spree. The Sophs were never able to garner a serious threat.

Jack Odle, Floppy Blackmon and Dick Allen mainsprings the Senior attack, overcoming the good efforts of Freshmen Harvey Glasgow, Windy Pritchard and Bob Sears.

The Seniors scored three times in the opening period, on passes from Blackmon to L. A. Monroe, Odle to Allen, and a runback of an interception by Bill Boren. Odle converted twice to put the Seniors into a long lead.

Allen heaved a long one to Blackmon early in the second for a tally, and three plays later intercepted a Freshman aerial and ran in the clear for another, Odle passing to Blackmon for the conversion.

A stout defense bogged the Seniors down until late in the last period, when Allen again connected with the lanky Blackmon for a touchdown completion.

Harvey Glasgow showed more than a little passing ability in leading the Freshman crew, being on the hurling end of every touchdown. He threw two in the second, one to Windy Pritchard and one to Bill Parker, one in the third to Pritchard, and one in the fourth to Bob Sears, which the latter converted.

Team standings are as follows:
Team— Won Lost Pct.
Seniors 5 0 1000
Juniors 3 2 .666
Sophomores 1 4 .250
Freshmen 1 4 .250

Lorna Culp's sister, Jane, visited her this week-end.

Flying Student Gets 'Big Wind' Over Telephone

Whenever one of the flying students wants to know if the weather is suitable for flying, he usually phones the Fort Worth Municipal Airport and asks for the wind velocity.

The other day student Roger Neely phoned to the tower and said, "Give me the wind, please."

"Just a minute," replied the man at the other end of the wire. Stepping back from the phone, he let out a long—"Woo-oo-oo-oo-oo."

Miss Fannie May Haggard from S. M. U. visited Quincey Haggard last week-end.

Wogs Priming for Last Game As Cubs Limber Up Giant Backfield

After running Fordham plays at the varsity until they left for New York Wednesday, the Wogs finally got down to working on their own plays yesterday for the game Tuesday night with the Baylor Cubs.

It is rumored that the Cubs can put a 200-pound-average backfield in the game against the Wogs. Star of the team is Gene Dalton, from Abilene.

With the injury situation improving, Coach Walter Roach hopes to keep intact his record of never having lost a game since becoming coach of the first year men.

Of course Barney Carroll, operated on for appendicitis, will not play, nor can Pete Click, who is still out with his bad knee. If nothing else happens between now and game time, Shep Lippincott, out with three broken ribs, will be the only other Wog who will not see action.

Billy Hearne, after breaking his nose last week, is back in scrimmage using a helmet with a nose guard. The shoulder wounds of the two Cliff-ton, Patton and Caffey, are better and should not keep either of them from playing.

Horace Scott, moved to full back from half last week, has been showing fine drive at the new position, and with more experience should prove to be a great runner and line plunger.

The game, again sponsored by the Ex-letterman's Association, will be played at Farrington Field beginning at 8 p. m. It will be the last home appearance of the Wogs, and the only home game of any kind for T. C. U. fans until the varsity plays Rice on Nov. 22. Students will again be admitted on their activity books.

Probable starting lineup for the Wogs will be:
Ends—Hearne and James Ditto
Tackles—Patton and Punk Smith
Guards—Easy Wilkins and Kenny Baker
Center—Emmett Sherrod
Tailback—Ralph Porter
Halfbacks—Glenn Chadwick and Billy Houtchens
Fullback—Scott

Center—Emmett Sherrod
Tailback—Ralph Porter
Halfbacks—Glenn Chadwick and Billy Houtchens
Fullback—Scott

25,000 See Frogs Defeated By Aggie Passes, 14 to 0

Mighty Texas A. & M. rushed out of the south end of T. C. U. Stadium Saturday and hung a haymaker on the Horned Frogs that they may never recover from this season.

The 14-to-0 Aggie triumph was executed before a capacity crowd of 25,000 football fans, the majority of them being Aggies.

The Aggies got an early break in the ball game and blocked a punt on the Christian six-yard line, knocked out T. C. U.'s one-man brain trust, Kyle Gillespie, and plunked home a nine-yard pass for a touchdown, all in three minutes.

The vaunted Farmers haven't made a first down till yet through the big Purple line, but they passed the Frogs out of their own back yard. Maybe the Frogs wanted to win this one too much. They were keyed to the point where their own errors made it easier for the Aggies, who did well enough on their own.

The Frogs could never get started after that first stunning blow and it was all they could do to hold their own against the relentless flow of manpower, speed, passes and power that the College Station lads kept hurling at them.

With the game practically on ice and most of the fans leaving the stadium, the Aggies tore up another 30 yards of Howard Grubb's turf for their final tally to erase the last Frog hope of a miracle and a tie. Another pass, this one for 14 yards, did the trick.

The Frogs lost more than a ball game—they lost Kyle Gillespie for at least three weeks. Capt. Bill Crawford, after worrying along with his weak knee all season, left the game with a knocked-down shoulder.

To say that the Frogs were "off" takes nothing from the Aggie victory. It was A. & M. all the way and they deserved to win. They passed the Frogs to death by hurling the leather 34 times for 14 completions, both touchdowns and 114 yards in net gains.

A blocked punt set up the first quarter score. The Aggies threatened most of the second period and a Frog drive in the third quarter to

the Aggie 30-yard stripe was the nearest the Christians came to pay-dirt.

During the game the red-shirted Aggies missed attempts at three field goals, something very unusual for their place-kicker, Jake Webster.

When the game ending gun sounded it found the Frogs digging in again on their own 23-yard line and an Aggie up the flag pole.

Homiletic Guild to Hear Address by Dr. Sadler

President M. E. Sadler will speak on "The Goals of the Church" at the meeting of the Homiletic Guild at 12 noon Tuesday in the "Y" room.

Dick Crews will preside over the luncheon-meeting. Harrell Rhea is program chairman.

Student Hits Hole-in-One On Local Golf Course

Drummer Boy Pitts Crudgington got in a solid lick at Worth Hills Golf Course Tuesday when he pulled out his seven iron and sank a hole-in-one on number 17 green.

Dick Haden was among the dubbers who were witnesses to Pitts' shot.

'Snaps' Penalize Good Students

Johnny took a difficult course in college, under teachers that demanded excellent work. Because of the high standards of the courses, Johnny never made "A," as it was reserved for work beyond any student's capabilities.

Bill went to the same school. He picked his teachers and courses with an eye to getting by easily. He majored in a department called a snap by everybody and took care to stay away from hard courses. Bill got only a superficial knowledge of what was going on, but because he chose his studies so successfully, he made "A" in nearly everything.

When the time came for graduation, Bill was highest in the class, and Johnny was not even listed as an honor student. Yet, if the two boys had been measured by the same standards, Johnny would have been found to be highly superior in concept and knowledge. But it was Bill who got the honors and the scholarship.

Students learn easily how different departments score and people interested only in the grades pick accordingly, while those wanting real learning are penalized. The unfortunate student desiring a genuine education has to compete against all the snap hunters in the university.

Bill isn't to be blamed for taking advantage of short-sighted professors. The blame should be placed on the teacher's system of giving inferior students grades they do not deserve. Some professors are notoriously susceptible to appeasement, while others give high marks to gain popularity with their pupils.

Scholarship honors are based on grades, and unless the grading system is uniform, there will be inequality in selection.

The practical solution to this problem would lie in drawing grade curves of all the professors. This means that one man's "A" would not be an "A" if it came out of a class of a great many similar grades. On the other hand, a "C" in a stiff course requiring much work might become an "A" when placed on the curve.

Thus, the median of the entire university would determine the grades, giving a mathematical value to each. And Johnny would be rewarded for being a superior student.

Spirit and Fight Wins Games

FAILURE will be the ultimate result, if the student body fails to rally around our gridmen in future games.

RUE will be the answer, if all of the Frog supporters desert our cause.

OPPORTUNITY is now at hand, for the students to take over and help the Frogs come out of their slump.

GIVE with all you've got, for the grid-iron warriors appreciate the spirit of the student body.

SUPPORT them and they in turn will support T. C. U. in the games to come.

FIGHT is the spirit and with this comes rally, the by-word.

IF THE coaches and trainer can patch up injured players; you can do the same to your spirit.

GIVE up has often been the case of former student bodies, when their Frogs did not win them all games.

HANG on to the end, for the Frogs are far from being counted out at this stage of the game.

TRUMP can be the result, if the Student Body spirit revives; if Frog followers show every one that the old school spirit and fight is still behind the team.

Girls to Start Tennis Rounds

Elimination Contests Set For Varsity This Week, Six Members to Be Picked

Aspirants for places on the first T. C. U. girls' varsity tennis team will begin the first round of the elimination tournament this week.

There will be six members on the team after the members are placed, a captain will be elected.

"Plans include matches with S. M. U., T. W. C. Weatherford Junior College and N. T. A. C. and any more that can be arranged. Prof. Tom Prouse will be the sponsor of the team," says Manager of Tennis Martha Mellow.

"The chances of the team are good, as approximately 18 girls have had a great deal of experience in tournament play. They know the strokes and the game very well," says Prof. Prouse.

The team will keep strict training rules and practice on the courts daily. Awards or sweaters will be given the members of the varsity team.

The matches scheduled this week are: Margaret Annis vs. Georgia Andrews; Clem Baker vs. Betty Bechtol; Marybelle Campbell vs. Sue Conner; Ethel Rae Cheatham vs. Patty Downs; Alice Gensbacher vs. Elizabeth Glass; Nadine Godfrey vs. Mary Rowland; Joy Moore vs. Norma Hoffman; Freda Mixon vs. Bobbie Porter; Caroline Roberts vs. Patey Russell; Beverly Wade vs. Connie Howard; Jessie Lee Roark vs. Mary Virginia Sharp; Elenor Schwartz vs. Elwyn Roberson; Virginia Smith vs. Virginia Thaxton; Connie Powell vs. Jessie Fay Puckett; Betty Bowman vs. Pauline Snyder; Martha Mellow vs. Blanch Zihlman; Ruth Ball vs. Patsy Gilmore; Alice Linton vs. Wilma Miller; Helen Mixon vs. Vesta Lee Newsome; Natalie Houtchens vs. Mary Ramsell and Margie Ribble vs. Gerry Sharp.

Jack Bingham, a graduate of last year, is now in the army and is working in the quartermasters department in Camp Wolters out at Mineral Wells.

T. C. U. ... In the Service

By JIM MAHLIE

With the National Defense program well under way, and with it the Selective Service Act, many of the Frog ex-students are now serving Uncle Sam in one way or another.

They are spread out over the United States from California to Florida.

Charlton "Chile" McKinney, last year's Senior class president, is now in the Naval Air Reserve stationed down in Corpus Christi. J. B. Cason, a graduate of last year, is also stationed there.

A. J. Brumbaugh is in the Naval Air Reserve and is stationed over in Pensacola, Florida.

Jimmy Roberts, the Kentucky boy, has won his silver wings at Brooks Field and is now stationed with the Air Corps in the Panama Canal Zone.

Clarice Rumph, who attended T.C.U., and was president of the Dana Press Club one year, is scheduled to go to an advanced Air School for the last stages of training. He had his primary training in Lakeland, Florida, and his basic work at Gunter Field, Montgomery, Alabama.

Bobby Childers, a former Frog and a member of the basketball team, is supposed to have finished his basic work at Gardner Field in Taft, California, and to have gone to an advanced field for his final 10 weeks of training.

Jack Bingham, a graduate of last year, is now in the army and is working in the quartermasters department in Camp Wolters out at Mineral Wells.

Jack Jay, the senior who left T.C.U. a couple of weeks ago, is in Magnolia Camp, Magnolia, Arkansas, where he is now doing work in surveying.

Sam Palmer, Guy Murphree and Linden Binion are all in the Air Corps doing one of the three stages of training leading to commissions.

W. F. "Dub" Rankin is stationed in Moffet Field, California, where upon completion of his basic work, hopes to go to the advanced flying field in Arizona to do pursuit work.

Dick Jay, the senior who left T.C.U. a couple of weeks ago, is in Magnolia Camp, Magnolia, Arkansas, where he is now doing work in surveying.

Sam Palmer, Guy Murphree and Linden Binion are all in the Air Corps doing one of the three stages of training leading to commissions.

Air-Minded Frogs Use Aerial Attack In Passing, Flying

"Those air-minded Frogs" is a frequent expression of sports writers and radio announcers when talking about the passing attack of the Horned Frog football team.

This same expression may be applied to a number of the players in another way, for seven of them are now enrolled in the primary section of the Civil Pilot Training courses.

Two players, Woodrow Adams and Joe Rogers, are planning to take the course as soon as they lose enough weight to pass the physical exam, while another, Bill Ramsey, has already completed the primary course.

Learning to fly now are Ronnie Brumbaugh, Phil Roach, Leonard Pugh, Kyle Gillespie, Frank Kring, Dee and Don Ezell.

Three footballers scheduled to come back this year, but who quit in order to devote their time to flying are James Mocaskey, A. J. Brumbaugh, and Harmon Hightower.

Howard Rector to Take Aircraft Course in England

Lt. Howard Rector, '40, has informed his Fort Worth friends he will fly to England soon to receive technical training in operating an aircraft detecting device. The course will last six months.

Howard was home on furlough last week to see his family and friends before going back to Ft. Monmouth, N. J., Monday. In New Jersey he will train for three weeks before going to England.

Howard went to the army in November, 1940, as a clarinetist in the band, 111 Medical Regiment, but later enlisted in the United States Army Air Corps. Then he was sent to Chanute Field, Ill., where he studied aircraft mechanics. He received his commission as a Second Lieutenant in the Signal Corps Reserve in September.

His appointment was based on his knowledge of mathematics and physics. He was a major in physics.

S. W. Hutton Is Attending San Antonio Convention

Registrar S. W. Hutton is attending the Texas Association of Collegiate Registrars convention today and tomorrow in San Antonio. This is the 21st convention of the association.

Mr. Hutton will participate today in a panel discussion on "Uniform Opening and Closing Dates for Texas Colleges."

Rosenthal Speaks Sunday To Vesper Service Group

Leonard Rosenthal, '41, spoke Sunday at the Wesley vesper service of First Methodist Church to a meeting of young adults. He spoke on "A Sign of the Times."

Rosenthal was an orator and a student council member while at T.C.U.

Football Festives To Feature Fun, Flips By Frosh

"A flash of color and a dash of glory" is to be the motto of the freshman yell squad when the 1945 Froshes lead their classmates in a series of yells both old and new as the Wogs meet the Baylor Cubs Tuesday night.

Farrington Field is expected to be alive with frosh and their enthusiasts. Freshman class meetings have lasted long after the supposed closing time, so intent are the first year students on making a success of their second venture on the gridiron.

Flip-turning will be featured by Boy Yell Leaders Winston Pitchard, Mason Cox and Harvey Glasgow. At the successive yell practices the boys and their team girls, Miss Bobbie Holmes and Miss June Dameron, rehearsed new yells written especially for the Wog game by the leaders themselves.

"We are just bubbling over with enthusiasm," grins Glasgow, "and we know all the rest of the school will be out there to help us cheer the Wog-gies on to victory!"

There is dancing in the army when Fred Astaire is with the company, as he is in "You'll Never Get Rich" starting Sunday at the HOLLYWOOD Theater. In the supporting cast are Rita Hayworth, Robert Benchley, John Hubbard, Osa Massen and others.

"Oh, dear me, which?" is Ginger's problem when she chooses from "Tom, Dick and Harry" at the PARKWAY Sunday and Monday. Ginger Rogers is starred with George Murphy as Tom, Alan Marshall as Dick, and Burgess Meredith in the role of Harry.

Jack Benny has more than radio gags and heckling to complicate matters when he plays the part of "Charley's Aunt," starting at the TIVOLI Sunday. Kay Francis becomes the amour of Charley and the picture and other leads are taken by Reginald Owen, James Ellison and Richard Haydn.

Joyce Bush entertained Miss Margaret Younger, Nancy Bush, Josephine Smith, Mary Ann Barlow, and Katherine Caldwell, all of McKinney, last week-end.

Plays for Contest To Be Announced

Names of plays and casts for the Freshman-Sophomore Play Contest will be announced next week by Miss Rosella Porterfield, dramatic club president.

Initiated at the club's formal ceremony Monday in the parlor of Jarvis Hall were Misses Doris Rogers, Harriet Rung, Gloria Petta, Nancy Keller, Doris Ann Cooley, Doris Huddleston, Lorna Patton, Elaine Ward, Jean Badgett, Lucille Montgomery, Frances Stearns, Helen Mixon, Bonnie Hall, Virginia Thaxton, Joy Moore, Betty Jane Gilbert, Mrs. Edna Faye Age, William Burton Roosa, George Miller, Bill Welsh, Jimmy Hooper and Bill Hall.

New members of the dramatics club presented their try-out skits as program for the Meliorist Club Sunday night.

Those appearing were David Phillips, and Misses Bronson High, Mary Louise Waldron, Charlotte Garza, Royanne Olmsted and Ann Barham.

Three Chemistry Grads Do Research, Graduate Work

Two graduates from the department of chemistry are doing research work and another is employed as a research chemist, according to reports received by Dr. J. L. Whitman.

Colby D. Hall, Jr., who received his M. S. degree in June is working on a \$600 fellowship grant at Northwestern University.

Tom Evans, who took his A. B. in chemistry in the spring, has been granted a \$350 fellowship at Rice Institute.

Louis Hoblit was employed by the Pacific Coast Borax Company at Boron, Calif. He is now a chemist with the Standard Oil Co. in California.

Music Teachers Group Honors Hall, Marsh

Dear Colby D. Hall and Prof. William J. Marsh were elected honorary members of the Texas Music Teachers Association at its state convention recently at Wichita Falls.

Dean Hall, who is the only college administrator in Texas ever to be so honored was selected for membership because of his valuable contributions to music as an educator. Prof. Marsh was honored because of his numerous compositions, among which is the state song, "Texas, Our Texas."

Miss Eunice Jones stayed with her sister Elsie Mae after the football game.

VERSE Or Worse

By David McKee

Light-headed talk: Hearts will break and you can make The dearest dumb fellow reason Let your hair be flaxen fair And label it "Bottled in Blood!"

Honey, if you'd like to leave me, Do it now and get it through, I'd forgive you now, believe me, For I'd like to leave you too.

Tickets were too high: Hear us out? Was it us? We sat and choke with sorrow, Only the team and not the band Will play the Rams tomorrow.

More of the same: They really liked to hear us play, Our music almost floored 'em The Rams are up and now the say They really can't a Fordham.

I suppose I will forget you When a day or two is past, But until now I never knew How long a day could last.

Alas! Not a dog should be left in the shape we are in. I hope they are giving them hell in Berlin.

Aggie Spirits: They went to the Aggie dance, So he thought she should have some fair poses. He went out for flowers and stayed out for hours, and brought her back her four roses.

Perhaps I leave you glad, Perhaps I leave you crying, But I have tried, my lad, So thumbs up! Keep 'em flying!

Meliorist Club to Have Quiz Program, Music

A quiz program and special music will compose the program of the Meliorist Club after Evensong Sunday night at the University Christian Church.

Miss Mary Charlotte Faris is in charge of the program.

General plans for the year were made last Tuesday afternoon at the regular meeting of the All-College class and the Meliorist council at the University Church.

Students learn easily how different departments score and people interested only in the grades pick accordingly, while those wanting real learning are penalized. The unfortunate student desiring a genuine education has to compete against all the snap hunters in the university.

Bill isn't to be blamed for taking advantage of short-sighted professors. The blame should be placed on the teacher's system of giving inferior students grades they do not deserve. Some professors are notoriously susceptible to appeasement, while others give high marks to gain popularity with their pupils.

Scholarship honors are based on grades, and unless the grading system is uniform, there will be inequality in selection.

The practical solution to this problem would lie in drawing grade curves of all the professors. This means that one man's "A" would not be an "A" if it came out of a class of a great many similar grades. On the other hand, a "C" in a stiff course requiring much work might become an "A" when placed on the curve.

Thus, the median of the entire university would determine the grades, giving a mathematical value to each. And Johnny would be rewarded for being a superior student.

SPORTS

HIGHLIGHTS

By Duane Kellam

Alas and alack! It's happened again!

For the third time in as many seasons the gentlemanly Texas Aggies have licked the Horned Frogs. The Frogs won't forget that in seasons to come.

Emory Nix, the lad who has been coming along so nicely in scrimmages and did a commendable job against the Aggies Saturday, has earned a starting berth in the Purple line backfield.

Nix

Nix led the Corpus Christi Buccaneers to the state championship in 1938 and the coaches are high on his ability to lead the Frog gridsters.

When the "Yardbirds" rallied around the flagpole after the game Saturday, they came nearer starting a riot and ruining a beautiful friendship than they'll ever know. But they have apologized and are buying a new flag so why not let bygones be bygones?

No alibis are forthcoming from the Frog camp. We just got licked and that's all there is to it. The general opinion is that the Frogs did well to hold the Aggies as well as they did, considering the breaks.

The name of Joltin' Joe Rogers is familiar around the campus now, but after the game tomorrow afternoon it may be a household word.

Joltin' Joe, who has been playing behind the able Capt. Crawford since the season started, will get his chance in the starting forward wall against the Rams.

This is not an alibi, but the new substitution rule may have had a lot to do with the defeat of the Frogs Saturday. Coach Homer Norton kept a fresh and frisky team on the field at all times and wore the Purple to a frazzle. He had plenty of reserves to draw from, and he drew.

Guard Leonard Pugh is an all-around man. A sports scribe in Indiana had him playing three positions in the Hoosier-Frog game. First, Pugh was the lad that caught Gillespie's touchdown pass. Further down in the story he was the center who was removed with a twisted knee. Finally Pugh was back at his old guard position and played a fine game. What a man!

Another Sophomore rose from the ranks in the Aggie tilt to make a very strong bid for fame. In fact, it was strong enough to earn him the No. one spot as center against the Fordham team tomorrow, James Woodfin played a great game against the yardbirds, and with the assistance of Red Odell, should keep the center of the line well protected until the recovery of the experienced Blackstone.

PUGH

And then there's the story of the halfback who received a dislocated hip trying to circle his own end. Rumor has it that Coach Dana X. Bible was very unhappy with the way his lads played against the Razorbacks last week. He told them in a little pep talk the first of this week that they would never beat Rice tomorrow playing like that. They just beat poor Arkansas 48 to 14!

And then there's the story of the halfback who received a dislocated hip trying to circle his own end. Rumor has it that Coach Dana X. Bible was very unhappy with the way his lads played against the Razorbacks last week. Quota for Primary Section Of C.P.T. Changed to 30

The quota for the primary section of the Civil Pilot Training course has been changed to 30, reports Dr. C. K. Hoisapple, co-ordinator. "The former quota was 20."

Because of this change, more applications will be accepted, and those students who are chosen, can begin the course immediately.

Underdog Frogs Face Rams

Emory Nix To Be at Helm Of T.C.U. Club

Injuries Cause Shake-up in Starting Lineup—Fordham East's Best Bowl Bet.

The Horned Frogs, three teams strong, left Wednesday afternoon for New York City where they will attempt to blow the horns off the Fordham Rams at 2 o'clock tomorrow afternoon at the Polo Grounds.

To say that the Frogs are the underdogs is a gross understatement. With Kyle Gillespie, Capt. Bill Crawford, Billy Blackstone and Gus Bierman definitely out of tomorrow's clash, the Frogs aren't given a ghost of a chance at a victory over the Rams. It's rumored that the powerful Fordham team is the strongest in the East and is sighting ahead to the smell of roses in January.

The mess of injuries from the A. & M. game has caused a general shake-up in the backfield. Emory Nix, the sophomore who led the Corpus Christi Buccaneers to the state championship in '38, was moved up to the helm of the starting 11 Monday afternoon. Two other sophomore backs to draw starting roles against the Rams tomorrow are Van Hall of Kaufman, and Frank Medaniel of Pecos. Fullback Frank Kring, the Senior who played his heart out against the Farmers, will be the only veteran in the starting secondary.

In the line Joltin' Joe Rogers will start at Crawford's guard post. At the center slot James Woodfin will take over the duties of Blackstone. Woodfin looked a shade better than good against the Aggies, and the boys that know say he will give the Frogs some fine play at center in years to come.

Bruce Alford and Phil Roach at ends, Derrill Palmer and Woodrow Adams at tackles, and Leonard Pugh at the other guard round out the starting forward wall for the Purple.

The big noise in the Ram back-

PRAYING FOR A PASS

is quarterback Jim Noble of the Fordham Rams practicing for the game with the Frogs tomorrow. He is the signal caller, pass receiver and safety man on defense.

field this season is Jarin' Jim Noble, a great blocking back and a smart field general. Beefy Ben Babula, who has the line plugging ability of a Kimbrough. Blackie Blumenstock, voted the most valuable player in the Cotton Bowl, and Steve Filipowicz, whose great passing and punting made him a standout against the Aggies in the Cotton Bowl last January, round out the Fordham backfield.

The Rams are once again the East's best bowl bet. Soft spots in the Rams' armor simply don't show up. They have a stout defense, three-deep in every position, and an attack that is stepped up in speed and power. To date they have defeated S. M. U., North Carolina and West Virginia in decisive victories.

A crowd of around 35,000 is being predicted for the Frog-Ram game. The contest is the only major grid affair in the city tomorrow and shares top billing for the day with games involving Army and Columbia at West Point, and Navy and Harvard at Boston.

Seniors Take Lead In "Tag" With 5 Wins

Kirkpatrick, Lander, Haden, Pattee Keeps Juniors In Second Place by Victory.

Scoring almost at will, the two upperclassman intramural tag football teams chalked up easy wins over their lesser brethren Wednesday afternoon, the Juniors taking the first game from a hapless Soph team 41-0, and the Seniors turning on plenty of "game-style" to win from the Freshmen, 39-25.

"Pitchin' Paul" Lander again sparked the Junior aggregation, throwing three touchdown passes, and climaxing his day with a pay dash. Landers hit Dick Haden in the end zone in the first quarter for the initial tally, Blair Kirkpatrick converting. Another pass from Landers to Kirkpatrick in the second quarter was good for a marker. Dick Haden converted.

Jim Pattee was Landers' target in the third frame for a touchdown and extra point, and in the following quarter it was again Landers passing to Bill Padon, who turned in a neat run following the catch to score.

Late in the game, Landers finished off his afternoon with a short run around left end to end the scoring spree. The Sophs were never able to garner a serious threat.

Jack Odle, Floppy Blackmon and Dick Allen mainsprings the Senior attack, overcoming the good efforts of Freshmen Harvey Glasgow, Windy Pritchard and Bob Sears.

The Seniors scored three times in the opening period, on passes from Blackmon to L. A. Monroe, Odle to Allen, and a runback of an interception by Bill Boren. Odle converted twice to put the Seniors into a long lead.

Allen heaved a long one to Blackmon early in the second for a tally, and three plays later intercepted a Freshman aerial and ran in the clear for another. Odle passing to Blackmon for the conversion.

A stout defense bogged the Seniors down until late in the last period, when Allen again connected with the lanky Blackmon for a touchdown completion.

Harvey Glasgow showed more than a little passing ability in leading the Freshman crew, being on the hurling end of every touchdown. He threw two in the second, one to Windy Pritchard and one to Bill Parker, one in the third to Pritchard, and one in the fourth to Bob Sears, which the latter converted.

Team standings are as follows: Seniors 5 0 1000, Juniors 3 2 666, Sophomores 1 4 250, Freshmen 1 4 250.

Lorna Culp's sister, Jane, visited her this week-end.

Flying Student Gets 'Big Wind' Over Telephone

Whenever one of the flying students wants to know if the weather is suitable for flying, he usually phones the Fort Worth Municipal Airport and asks for the wind velocity.

The other day student Roger Neely phoned to the tower and said, "Give me the wind, please."

"Just a minute," replied the man at the other end of the wire. Stepping back from the phone, he let out a long—"Woo-oo-oo-oo-o."

Miss Fannie May Haggard from S. M. U. visited Quincey Haggard last week-end.

Wogs Priming for Last Game As Cubs Limber Up Giant Backfield

After running Fordham plays at the varsity until they left for New York Wednesday, the Wogs finally got down to working on their own plays yesterday for the game Tuesday night with the Baylor Cubs.

It is rumored that the Cubs can put a 200-pound-average backfield in the game against the Wogs. Star of the team is Gene Dalton, from Abilene.

With the injury situation improving, Coach Walter Roach hopes to keep intact his record of never having lost a game since becoming coach of the first year men.

Of course Barney Carroll, operated on for appendicitis, will not play, nor can Pete Click, who is still out with his bad knee. If nothing else happens between now and game time, Shep Lippincott, out with three broken ribs, will be the only other Wog who will not see action.

Billy Hearne, after breaking his nose last week, is back in scrimmages using a helmet with a nose guard. The shoulder wounds of the two Cliftons, Patton and Caffey, are better and should not keep either of them from playing.

Horace Scott, moved to full back from half last week, has been showing fine drive at the new position, and with more experience should prove to be a great runner and line plunger.

The game, again sponsored by the Ex-letterman's Association, will be played at Farrington Field beginning at 8 p. m. It will be the last home appearance of the Wogs, and the only home game of any kind for T. C. U. fans until the varsity plays Rice on Nov. 22. Students will again be admitted on their activity books.

Probable starting lineup for the Wogs will be: Ends—Hearne and James Ditto; Tackles—Patton and Punk Smith; Guards—Easy Wilkins and Kenny Baker; Center—Emmett Sherrod; Tailback—Ralph Porter; Halfbacks—Glenn Chadwick and Billy Houtchens; Fullback—Scott.

25,000 See Frogs Defeated By Aggie Passes, 14 to 0

Mighty Texas A. & M. rushed out of the south end of T. C. U. Stadium Saturday and hung a haymaker on the Horned Frogs that they may never recover from this season.

The 14-to-0 Aggie triumph was executed before a capacity crowd of 25,000 football fans, the majority of them being Aggies.

The Aggies got an early break in the ball game and blocked a punt on the Christian six-yard line, knocked out T. C. U.'s one-man brain trust, Kyle Gillespie, and plunked home a nine-yard pass for a touchdown, all in three minutes.

The vaunted Farmers haven't made a first down till yet through the big Purple line, but they passed the Frogs out of their own back yard. Maybe the Frogs wanted to win this one too much. They were keyed to the point where their own errors made it easier for the Aggies, who did well enough on their own.

The Frogs could never get started after that first stunning blow and it was all they could do to hold their own against the relentless flow of manpower, speed, passes and power that the College Station lads kept hurling at them.

With the game practically on ice and most of the fans leaving the stadium, the Aggies tore up another 30 yards of Howard Grubb's turf for their final tally to erase the last Frog hope of a miracle and a tie. Another pass, this one for 14 yards, did the trick.

The Frogs lost more than a ball game—they lost Kyle Gillespie for at least three weeks. Capt. Bill Crawford, after worrying along with his weak knee all season, left the game with a knocked-down shoulder.

To say that the Frogs were "off" takes nothing from the Aggie victory. It was A. & M. all the way and they deserved to win. They passed the Frogs to death by hurling the leather 34 times for 14 completions, both touchdowns and 114 yards in net gains.

A blocked punt set up the first quarter score. The Aggies threatened most of the second period and a Frog drive in the third quarter to

the Aggie 30-yard stripe was the nearest the Christians came to pay-dirt.

During the game the red-shirted Aggies missed attempts at three field goals, something very unusual for their place-kicker, Jake Webster.

When the game ending gun sounded it found the Frogs digging in again on their own 23-yard line and an Aggie up the flag pole.

Homiletic Guild to Hear Address by Dr. Sadler

President M. E. Sadler will speak on "The Goals of the Church" at the meeting of the Homiletic Guild at 12 noon Tuesday in the "V" room.

Dick Crews will preside over the luncheon-meeting. Harrell Rhea is program chairman.

Student Hits Hole-in-One On Local Golf Course

Drummer Boy Pitts Crudgington got in a solid lick at Worth Hills Golf Course Tuesday when he pulled out his seven iron and sank a hole-in-one on number 17 green.

Dick Haden was among the dubbers who were witnesses to Pitts' shot.

Goblins, Cubs Invade T. C. U. As Frogs Take 'New Yawk'

BY
LOIS JEANNE CAYCE and
VIRGINIA TOMME

The storm has passed. The lull is here. Ah yes, this seems to be the week for memories, heartbreaks, forgiveness, forgetting . . . My, oh my, pardon us while we ramble on.

Lights in the Basketball Gymnasium won't be flickering this week-end. Dance Manager Towles says "no dance" this week. So, diversion will have to be found elsewhere tomorrow night.

Where? What? We'll leave that problem up to you.

Tomorrow afternoon is another time for a radio party. Don't forget to tune in to see how our Frogs get along in the big Yankee city. We are counting on them to make a good showing as usual.

More news from the sports front! The Polliwogs play the Baylor Cubs Tuesday night at Farrington Field. Follow their games as well as the varsity. After all, they're the purple and white warriors of the future.

The current spotlight is turned toward hobboblins, spooks and ghosts of all descriptions which will invade the campus next week.

Be particularly careful of black cats, ladders and the like 'cause old man Halloween is out to get you.

Several organizations are planning get-togethers to meet the spirits. Among these is the S. C. A. which is planning a gigantic ghost rally in the Basketball Gymnasium a week from tonight.

So if Susie looks a little different from usual when you meet her some night, just figure she's going to a Halloween party and let it go at that.

On the style front! Crocheted beanies are literally taking the place by rage. You can get them in any color—from the brightest red to the most subdued pink. You can select them with either a pom-pom or tassel and be up with the styles. To keep in step with Miss Coed of 1941, dress up those oxford with shoestrings the color of your outfit. It's smart.

Oh, well, enough prattle for now. So long until this time next week.

Baylor C. of C. Extends Luncheon Invitation

Representatives from Baylor University Chamber of Commerce visited here Tuesday and extended an invitation to the T. C. U. Chamber of Commerce to attend a luncheon Nov. 1, at the Raleigh Hotel in Waco.

The luncheon is to honor ex-members of the Baylor Chamber of Commerce and T. C. U. members that attend the T. C. U.-Baylor Homecoming game.

Parabola Members Hear Whitman

"The Application of Mathematics to Chemistry" was the subject discussed by Dr. J. L. Whitman at a business meeting of the Parabola Club last night.

The members also made plans for a social to be held Nov. 6.

B. & P. W. Club to Plan Luncheon Today

Plans for a luncheon are to be discussed in a business meeting of the Collegiate B. and P. W. Club at 12 o'clock today in Room 1, announces Miss Alma Bailey, sponsor.

New Yearbook Is Issued To Faculty Women's Club

The 1941-'42 yearbook of the Faculty Women's Club was issued to 67 members attending the luncheon Tuesday at the Fort Worth Woman's Club.

New features of the book are a list of past presidents of the club and a list of gifts made by the club to the university. A list of the officers, committees and the social calendar is also in the new book, says Mrs. Artemisia Bryson, president.

Mrs. Bryson presided at the luncheon and new members were introduced.

The String Quartet furnished the luncheon music. The quartet is composed of Preston Stedman, G. L. Robertson, Miss Mary Louise Martin and Miss Frances Murphy.

Next social activity of the club will be a tea Nov. 18 in Jarvis Hall honoring Mrs. M. E. Sadler, says Mrs. Bryson.

Compliments of

SHUR-FIT

22 Short Courses To Start Monday

The Short Course Division of the Evening College, with no entrance requirements and offering no college credit, will begin at 7 p. m. Monday. There will be no advance registration, all will be completed on the opening night.

Courses to be offered are: advanced weaving; attractive home interiors; business arithmetic; civil service secretarial examinations; clinical shorthand for medical stenographers; conversational Spanish; creative writing; effective business letter writing; filling; interrelation of the arts; introduction to weaving; law for the laymen; literature of the Southwest; music appreciation and history; Photography as a hobby; psychology in everyday life; public speaking for business men and women; salesmanship and sales psychology; social security law and record keeping; technical stenography; the appreciation of poetry, and typing.

Tuition is payable at the time of registration, and no later than the second class meeting. The amount of tuition varies from \$5 to \$10 on different courses. There will be no refund of tuition except for illness, or transfer out of Ft. Worth, and then only on written certification of physician or employer and payment of a service charge of \$1.

Although no credit is granted, enrollees may obtain a Certificate of Attendance on payment of \$1 at the last class meeting.

Meetings will be held either on the campus or 609 Taylor Street.

"Offering short courses as a part of the Evening College is a new field, and was first begun by the University of Washington at St. Louis," says Prof. Clifton Oliver.

SCA Conference To Meet Dec. 6-7

Plans for the north Texas area conference Dec. 6-7 at Glen Rose were formulated at the S. C. A. area council Saturday in Dallas. Joe Timmons represented T. C. U. at the meeting.

The central theme of the conference is to be "Christian Faith for Social Reconstruction," in preparation for the National Student Assembly, Dec. 27-Jan. 2 in Oxford, O.

Tickets for the all-S. C. A. Halloween party are being sold by group leaders this week.

"All members should pay their dues now in order that the budget for the year can be worked out soon," says Timmons.

T. C. U. Musicians Miss Chance on Kate Smith Hour

Horned Frog musicians ALMOST had an opportunity to air vocal or instrumental numbers over Kate Smith's program tonight, but a mere matter of \$600 kept them from it.

Here's how it happened: "When the Moon Comes Over the Mountain" program manager telegraphed Prof. Claude Sammis asking for a T. C. U. musical group to be guests of Kate Smith Oct. 17 as a publicity precedence to the T. C. U.-Fordham game which is to be played Oct. 25 in New York.

However, lack of funds prevented any group from making its appearance on the program. If the financial situation improves . . . maybe the Purple and White can take advantage of such a nation wide network invitation next time the Frogs play the Rams.

BAND SWEETIE AND PREXIE are "sitting on the edge of their seats" as the Frogs make a gain in the T. C. U. and A. & M. game Saturday. Yes, you're right, it's Melvin Dacus and Dorothy Bryant.

HILLTOPICS

By
Virginia Tomme
and
Lois Jeanne Cayce

Another week-end has gone but is far from forgotten by many coeds whose hearts and thoughts were turned over to a lot of khaki-clad fellows.

And the boys on the Hill aren't forgetting how they were left out as the Aggie army took over.

Things are going about as normal now, though.

ENIS KERLEE, A.B. '41, and DOROTHY SUMMERS said their "I do's" last Friday night. ENIS played with the Frogs for three years.

New twosome seen about is that of JANE ADAMS and DICK CREWS.

JIMMY MOORE is doing all right in the radio world. He's now taking part in the play, "We, Who Are Young."

LLOYD WEAVER is very, very happy this week. Why? THE girl friend, VIRGINIA ECHOLS of A. C. C., is coming in for the week-end.

NICKIE BLEDSOE is engaged to a fellow in the Navy. Since he can't see her often, he sends her records on which he talks to her and so on. Unique, isn't it?

Luncheon companions — MAMIE SHAW and EMMAGENE McBRIDE. DOROTHY GARNER is sporting a diamond on THE finger. "He's" serving Uncle Sam in Michigan now.

Some left-over romances from last year are still going strong. Among them are those of DOROTHY SINEX and JIM MAHLIE; MARY LOUISE WALDRON and PITTS CRUDGINGTON; VIRGINIA WILLIAMS and DICK COWLING.

Game gab — BETTY CLAIRE PRAY in an all red outfit with her steady, JACK TUNSTALL . . . Exes BOB GLAZE and ELTINGE PORTERFIELD playing in the Band.

Other exes there—"YO" AYRES, CLEO HOLSTEAD, BETTY SIMMONS, MAXINE BENDER, JUSTINE MOORE, MARTHA JEAN WALKER, MARY ALYCE SMITH, MARY FRANCES FITZGERALD,

"LEFTY" and ELMA ALEXANDER, BOB and EARLINE WARD and many others.

ANN FARIS renewed acquaintance with an old friend from Aggie land . . . And CHARLIE HOGUE was with her steady from A. & M.

Among the numerous Frog feds who were with Aggies Saturday were WANDA YARDANOFF, MARY JO WARD, GERRY BROWDER, HELEN ZIEGLER, MARGARET HORAN.

We wonder if MARY ALICE PIER was knocked out by her date Saturday night, for she reports a star-gazing good time!

That's all the food for thought this week.

Music Students to Give Recital Wednesday Night

The first of a series of recitals of T. C. U. music students will be presented at 7:45 p. m. Wednesday in the Auditorium. The students are taking voice, piano and violin, and 14 will be in it.

Those participating are Jack Bronson, Gerry Bronson, Roland Hall, Margaret Hopkins, Betty Pecor, Melvin Dacus, Mary Alice Pier, Elaine Russell, Elizabeth Faguy-Cote, Edna Louise Jones, Georgia Lee Norris, Virginia Ulrickson, Mary Louise Harwood and Lonye Marie Wade.

Glee Club Holding Contest In Selling Concert Tickets

Two sides, the Purple and the White, have been chosen by the Glee Club to compete in the selling of tickets for the Don Cossack Concert. The Purple is composed of Jean Albrecht and Jim Kent and the White of Gerry Sharp and Dunny Sims. The winning team will be given a party by the Glee Club.

"Tubbaby" Teaches Profs, Students To Jive 'n' Jam

Play a little bit of boogie-woogie, a soft waltz melody, a tango, or even a conga, and Luise Lackland (better known as "Tubbaby") can dance to the strains.

This bouncing little blond will be included in any list of the ten best dancers anywhere. She has been dancing ever since she can remember, and she has been teaching as long as she has known how to execute the steps.

If you walk down the main streets of Fort Worth or around the campus, you will find "Tubbaby" speaking to small children who have to attend dancing school, old men who try to keep up with the times, fat ladies who try to reduce the rhumba way, high school and college students who want the latest jive, and even the coaches and professors take dancing from Luise. Asked whom she was greeting she will smile and say, "One of my pupils." If you look back and see the pupil, most likely you will think, "I'd hate to push that around!" But this vivacious "teach" loves every minute of it.

She is full of pep, energy and smiles, but she has to be with her overcrowded schedule. She has classes every afternoon and night, but still manages to be on hand at every school activity and make the honor roll.

Surprisingly enough, her ambition is to be a librarian and not a dancing teacher. She loves to dance, but thinks she will settle down soon and do it for fun only. If she does, a lot of soldiers (she gives exhibitions at the army camps) will be disappointed and the studio will suffer a decline in pupils. For, believe it or not, she receives fan mail, gifts of all kinds, and invitations to go everywhere, even on vacation trips with the families of kiddies who love dancing the way "T" does.

Sadler to Speak To Baptist Union

"Personal Devotions in a Student's Life" will be the topic of Pres. M. E. Sadler when he speaks at the Baptist Student Union meeting at 7:30 p. m. Monday in Brite Chapel.

"Everyone is invited to attend the B. S. U. meetings," says President Mary Lou Jordan.

November 10 is the date of the next meeting, and the group plans to entertain the Rice Institute B. S. U. after the T. C. U.-Rice game Nov. 22.

Miss Wilma Rutherford, Nat. Wilson, Jr., and Miss Mary Lou Jordan gave reports of the state B. S. U. convention at the prayer service of University Baptist Church Wednesday.

Faguy-Cote, Gresham To Be on Club Program

Prof. Arthur Faguy-Cote will sing "All Points West" and the Rev. Perry Gresham will speak on the Dallas Athenaeum Club program next Friday. The meeting will be held at the Highland Park Town Hall of Dallas.
