Faculty Adds Dr. Fred West

To Come From Yale Nov. 1
As Assistant Professor
Religion—Tennis Champ

Dr. Fred West will join the faculty Nov. 1 as assistant professor of religion, President M. E. Sadler announced this week. Dr. West will come to T. C. U. from Yale University, where he received the Doctor of Philosophy degree in June, doing his research work in the field of "American church history."

He also holds the A. B. degree from Lynchburg College and the Ph. D. from the Yale Divinity School.

A member of the varsity basketball and tennis teams of Lynchburg for four years, Dr. West served as captain of each team. He was college tennis champion for four years and currently holds the title of Virginia singles and doubles champion.

He won the Tew Scholarship in church history while a student at the Yale Divinity School and the Dwight fellowship in Yale for 1941-42.

He has been minister and part-time minister of a number of churches in the East and has also been active in young people's work. Mrs. West is also a graduate of the Yale Divinity School and of Randolph Macon Woman's College. Dr. West will teach required courses in Bible and also one course in Brite College, according to Dean Colby D. Hall.

New English Course To Be Offered in Fall

"The Novel in the Twentieth Century" will be offered in the fall term for students who have completed freshman and sophomore English, Miss Mabel Major reports.

This new course, which has been added to the list of classes since the catalog was printed, will be taught by Miss Lorraine Sherley. The course will emphasize problems in contemporary culture and literary techniques as seen in the significant novels of England, America and other countries.

Other advanced English courses beginning in September are: "American Literature," offered in the Evening College by Mrs. Ruth Angell; "Contemporary British Literature," by Dr. Paul Dinkins; and "Tennyson and Minor Victorian Poets," by Miss Mabel Major.

ASSISTING in the "Dollar Drive Against Infantile Paralysis" are these six students: Front row, left to right, Jimmy Farrar, chairman, Billie Jean Boney, Clyde Foltz; back row, Bettye Flo Baker, Betty Mae Davis, Kathryn Day.

"Death Takes a Holiday"—

Miss Faguy-Cote, Henderson Get Leads in Coming Play

Miss Elizabeth Faguy-Cote and Clinton Henderson will play the leads in "Death Takes a Holiday," Dramatic Club presentation, reports Prof. Arthur Faguy-Cote, who is directing the play in the absence of Mrs. Katherine Norton.

After the final try-outs Wednesday night, the cast was chosen. Besides Miss Faguy-Cote as "Grazia" and Henderson as "Prince Sirki," the cast includes: Miss Ann Barham, "Cora"; Jimmy McNeese, "Fedele"; Bill Snow, "Duke of Lambert"; Miss Pauline Shaw, "Alga"; Miss Dorothy Forrester, "Duchess Stephaine"; Miss Betty Flo Baker, "Princess of San Luca"; Jimmy Tinkle, "Baron Cesarea"; Miss Dorothy Nuss, "Rhoda Fenton"; Bob Matheny, "Eric Fenton"; Arthur Tiexiera, "Corrado"; and Kenneth Womack, "Major Whitehead."

Selection of stage manager, stage hands, production manager, etc., will be made at 7:30 o'clock Tuesday night. Anyone who is interested in stage production and would like to help is invited to attend the meeting.

"The first week in September has been set as the tentative date of production," says Miss Ann Barham, "but if the date interferes with Dead Week or exam week, it will be set up."

"Death Takes a Holiday" is a satire on death. In the mortal body

of Prince Sirki, death comes to an Italian villa for a three day holiday. There he meets Grazia and falls in love with her. No matter how close death approaches, no one can die during these three days. Time stands still. At the end of his holiday, Prince Sirki returns to oblivion, taking Grazia with him.

Free Concert By Macmillen

Francis Macmillen, noted concert violinist, will give a concert at the University Christian Church at 8:30 o'clock, Wednesday night. The public is invited and there will be no admission charge.

Macmillen has, for several seasons past, conducted an annual master class at T. C. U. He is here for that purpose this summer.

It was originally planned that tickets would be sold for the concert, but President M. E. Sadler decided to make it available to the public with no charge.

Seniors May Order Caps, Gowns From Miss McDonald

Seniors may now be measured for their caps and gowns, according to Miss Lillian McDonald. They may see Miss McDonald in her office at any time between 8 a. m. and 4:30 p. m.

Partial Reports Show \$43.10 From Booth, \$35.50 From Foster, \$10 From Goode

By BILLIE JEAN BONEY

Reports from the "Drive Against Infantile Paralysis" committee indicate that the response among students has not been what was expected. The "Drive" was inaugurated after the request was made to several of the Student Council members, and was put into effect on the campus for that reason. President M. E. Sadler indicated that he hoped several hundred dollars would be raised to aid Tarrant County in its fight against this disease. However, from tabulations made yesterday, the fund will not approach this margin.

Sailors Forget Heat as Pay Day Brings 20s, 10

The day of all days—PAY DAY—came to the V-12 unit last Saturday in the form of two 20s and one 10. Hungry-eyed sailors eagerly formed into the pay-line, for once giving not the least attention to the blazing sun. It wasn't the heat that was on their minds!

Departing from the tradition, there was little or no dice-rolling in the barracks. Everyone just smiled a smile of deep contentment as he stuffed the money in his socks.

Men from Fort Worth used the money for bus fare to town; men from Dallas and Waco used the money for a ride home; men from San Francisco used the money!

Roy Tomlinson to Lead Worship at Evensong

Roy Tomlinson is to present the interpretative readings at the Evensong worship at 7:30 p. m. Sunday. Miss Max Helen Pickens will sing, and Miss Rosemary Willeford Davis will accompany.

Jimmy Farrar has charge of the preaching service. Immediately following Evensong, the Meliorist Club will meet on the church lawn. Miss Nina Elliott will be in charge of the closing friendship circle.

Pres. Sadler to Address Harris Nursing Graduates

The graduating class of the Harris School of Nursing will hear President M. E. Sadler when he delivers the commencement address Tuesday.

The exercises will be held at the First Methodist Church. President Sadler has chosen "The Responsibilities of Citizenship Today" as his topic.

The booth subscriptions amounted to \$43.10 at 9 a. m. yesterday. Miss Katy Day, chairman in Foster Hall, reports that she has subscriptions totaling \$35.50 from Foster and earnestly hopes that that amount will be greatly increased. "I would like to see Foster Hall come out with \$134, which is the number of residents in the Hall," she says.

Box in Clark Hall

A box has been placed in the office at Clark Hall and the seal will not be broken until tomorrow, which is the last day of the "Drive." The Navy boys have expressed a desire to co-operate wholeheartedly toward raising this fund and their contributions are expected to swell the total.

Joe Wick, chairman in Goode Hall reports that he has only just begun his personal contacts. He has collected \$10 and promises to try to triple the receipts from Goode by the end of the "Drive." Jarvis Men Co-operate

There has been no report from the officers in Jarvis Hall but they are subscribing their dollars both through the booth and through personal contact within the hall.

A. B. Vera, secretary treasurer of the Tarrant County drive, has expressed his pleasure that the T. C. U. students are attempting to help raise the needed fund.

'God' to Be Sermon Subject Of Rev. J. E. Montgomery

"God" will be the subject of the Rev. J. E. Montgomery's sermon at the 10:50 a. m. service at the University Christian Church Sunday.

Arthur Arney and Melvin Dacus, former T. C. U. students stationed with the Marines at Arlington, will sing a duet from "The Crucifixion," by Stainer.

Dean Colby D. Hall will preside at the worship service.

Faculty Members Come, by Degrees, From 60 Different Schools

T. C. U. faculty members hold degrees from 60 different colleges and universities, a study of the catalog listing discloses.

Thirty-seven teachers hold degrees from their Alma Mater. Twelve hold degrees from the University of Texas, nine from the University of Chicago, six from Transylvania University, Lexington, Ky.

Ninety-five faculty members hold 188 degrees. There are 87 Bachelor's degrees of one kind and another, 58 Master's degrees, 23 Doctor's degrees and a sprinkling of special degrees.

Two teachers hold degrees from French universities—Dr. Josiah

H. Combs from the University of Paris and Dr. Gayle Scott from the University of Grenoble. Several others have studied abroad, particularly in the field of music.

Dean Colby D. Hall joined the faculty at the earliest date—1902. Dr. Clinton Lockhart's service dates back to 1906, when he came to the institution as president, which office he filled until 1911.

Another former president is also on the faculty, Dr. E. M. Waits, who was at the head of the University from 1916-41.

Among the other faculty members who have the greatest length of service are Prof. W. M. Winton, 1913; Mrs. Winton, 1916;

Prof. S. P. Ziegler, 1917; Dr. Rebecca Smith and Dr. Gayle Scott, 1919; Prof. F. E. Billington, Prof. F. W. Hogan, Prof. Raymond A. Smith and Dr. John Lord, 1920.

Holders of the largest number of degrees are President M. E. Sadler and Prof. Billington, who have five each. President Sadler can write his name (if he should so choose): M. E. Sadler, A. B., M. A., B. D., Ph. D., D. D. And Prof. Billington: A. B., M. A., B. D., Ph. B., M. R. E.

Individualists on the faculty list—those who have a degree not held by any other teacher—include J. J. Andujar, M. D.; J. W. Woldt, Master of Music; Prof. Billington,

Bachelor of Philosophy and Master of Religious Education; J. Willard Ridings, Bachelor of Journalism.

Thirteen faculty members are on leave of absence: Mrs. Alma Bailey and C. H. Richards, Jr., for graduate study; C. Allen True, in government service; Arthur Witt Blair, Lester Brumbelow, Miss Nettie Jo Cummings, Howard Grubbs, H. J. Jones, Keith Mixson, Clifton Oliver, Jr., Walter Rosch, Rebecca Smith and J. Clark Streett, all in military service.

Twenty-seven of the teachers hold the rank of full professor. Seven are listed as associate professor, 21 as assistant professor,

three as adjunct professor, 27 as instructor and 10 have special titles.

Full professors are Katherine Bailey, F. E. Billington, Josiah H. Combs, Lew D. Falls, Newton Gaines, Colby D. Hall, W. J. Hammond, Willis G. Hewatt, F. W. Hogan, Cortell K. Holsapple, S. W. Hutton, Clinton Lockhart, John Lord, T. Smith McCorkle, Mabel Major, W. J. Marsh, Herbert R. Mundhenke, A. L. Porterfield, J. Willard Ridings, William V. Roosa, Gayle Scott, Charles R. Sherer, Raymond A. Smith, Rebecca W. Smith, C. Allen True, J. Laurence Whitman and W. M. Winton.

College Is "Growing-Up" Place

There is more to college than attending classes. There is more to college than science labs, math problems, English themes, term papers, music concerts, final examinations.

There is more to college than making the grades and getting a degree.

College is a place where youth gains self-confidence, responsibility and, most of all, the ability to learn.

No matter what the major subject is, a student receives a thorough education in the general field. Along with this general education comes the knowledge of getting along with other people.

Club meetings, dances, pep rallies, student body trips, elections, "bull sessions"—all are a vital part of a college student's education.

Most of all, the college graduate knows how to learn. He can fit in and learn a strange job quickly, even though not specifically qualified for such a position.

College adds up to this. Despite faults of various kinds, it is the place where youth grows up to take a place in the world.

"No one will deny that the world today presents a sorry spectacle of international turmoil and domestic uncertainty. But to conclude that we who believe in education and religion are victims of a pleasant delusion seems to me quite unwarranted. Rather would I say that in the past neither education nor religion has had a fair chance to show what it could accomplish for human welfare, and that in the future we shall need more rather than less of both."—Dr. Franklin Bliss Snyder, president, Northwestern University.

Mom, Too, Welcomes Mail Call

Letters from home are one of the most welcome things on the campus. Let three or four days go by with no word from "Mom" and things get pretty blue.

There are two sides to that tale. Ever stop to think about how Mom feels? She's back home wondering and worrying whether you are studying, if you check your laundry list carefully or let half your things get lost, and whether or not you are eating enough.

A letter to Mom means as much as one from her—not only to her but yourself. You can't be thoroughly happy if you live a life where it's all take and no give.

"If you let the fire in the furnace die out it will take some time to get it going again. The study of the liberal arts was the first to be suppressed by Adolf Hitler in Germany. While, unfortunately, we have had to emulate the Germans in many military matters, I believe it most undesirable to copy them by blacking out of the cultural lighthouses of civilization."—Prof. James H. Breasted, University of California.

Flexible Rules Needed

People, like cattle, are of varying qualities. Some are good and some are bad, while yet a third class is a toss between the two. All students may not be measured by the same ruler.

The attempt to make an iron-clad law and swear by it in every situation is nothing if not foolhardy. Each student has his own whims, characteristics, certain inherent traits that no amount of discipline is going to govern.

The student who is fair and honest is the one who has been treated with fairness.

"Liberal education is essential to citizens of a democracy. It is essential to our citizen-soldiers in a war which requires initiative and intelligence. Technical training which is not based on liberal education will produce only robots."—President Robert Maynard Hutchins, University of Chicago.

Victims Are Most Generous

"I will be the first to give my money to the 'Polio Drive' because I have had paralysis." Those are the words of a boy on this campus. He is one of the few who realize the horror and despair of the dreaded disease can paint into a young life.

A victim of infantile paralysis is immune to the disease a second time. The question then arises, why should a boy who has had paralysis be moved to give \$3 when there is no danger to himself? The answer is simple, a victim is the only one who knows enough about it to fear it.

They Served in World War I

M. E. SADLER (One of a Series)

Back in the spring of '18 a lot of boys were feeling just like those of today—tired of waiting to get old enough to join up. President M. E. Sadler and his college roommate at Atlantic Christian College were two of these boys. The only thing they could get into was the S. A. T. C. (Student Army Training Corps), the equivalent of the college training program of today's services.

Phil Weinkrantz, Navy V-12 Man, Musical Genius

North Texas State Teachers College sent Phil Weinkrantz to T. C. U. as a V-12 Navy man. And with him, they sent his ability as a violinist and his knowledge of the duties of a concert master.

Phil was the concert master for the N. T. S. T. C. Symphony Orchestra in 1942-43 and also a member of the school's String Quartet.

Majoring in biology, and minor-ing in music and sociology, Phil is interested in anything musical. He is a member of the Phi Mu Alpha fraternity, national music organization.

Dallas is his home town, and his hobbies include the collection of U. S. postage stamps. Golf, baseball and ping pong are his favorite active sports, and he likes to watch football from the 50-yard line.

"T. C. U. is a grand place. I'm beginning to like it more day by day," he says.

25 Will Receive 'Sports' Awards

Twenty-five girls will receive W. S. A. awards at a dessert party to be held at 1 p. m. in the Mexican Lounge of Foster Hall tomorrow.

A recording made by Mrs. Helen Murphy, sponsor of the Association, who is directing the activities in a USO in Waynesville, Mo., until her return to the campus in November, has been received and will be played at the party.

Another feature of the ceremony will be the presentation of the officers for the year. These were elected by secret vote last May and have not been made public.

A purple blanket embossed with a white "T" will be presented to Mrs. Webb. She is the only member to receive this award symbolic of four years in the W. S. A. Four girls will receive white sweaters with purple "T"s on them which stand for three years of loyal service.

The other girls will receive a purple, felt "T", the award for one year in the association, and small gold "T" pins, for two years of service.

Miss Winnie Crump was honored with a birthday party Wednesday night in Clark Hall.

Football practice starts Monday!

That will be another war-time record, for never have the Horned Frogs gathered for gridiron tactics as early as Aug. 9.

At least 23 men are expected to report, according to Coach Dutch Meyer. There may be one or two others, and there will definitely be four or five freshmen who will join the squad early in September.

"Classes for the freshmen will not begin until mid-September, but we are going to invite them to join the squad Sept. 1, so that they will not be too far behind the other players," Coach Meyer says.

A program of tag football, passing, kicking and similar light work will be carried on during August, Meyer reports. Heavy work will not start until around the first of September.

Since the Frogs do not have a game until Oct. 2, there will be no need to push the work too fast, Meyer points out.

The 23 men that Coach Meyer lists include Capt. Clyde Flowers, two-letter tackle, eight T. C. U. men who will be competing with the varsity for the first time and 14 transfers from 11 schools.

"The way it looks on paper, we are pretty strong in the line and rather weak in the backfield," Dutch reports.

"As the workouts develop there will undoubtedly be a good deal of shifting positions. I believe we can field a team that will go very well against our opposition, because every school has the same problem—a group of men who, however good they may be individually, have never worked together."

The 23 men who are expected to report for Monday's first grid session, their positions (tentatively) and the school last attended:

- Ends—George Gartner (TCU), James McGhee (McMurry), Bill Marshall (TCU), Arthur Teixeira (Santa Maria, Calif., Jr. Col.)
- Tackles—Capt. Clyde Flowers (TCU), Charles Moore (TCU), Cecil Roberts (TCU), Dick Smith (SMU)
- Guards—Tony Collette (NTSTC), Bill Gaffney (SMU), Walter Harrison (TCU), Rafael Marmolejo (Hardin-Simmons), Norman Morrill (San Francisco Jr. Col.)
- Centers—Frank Gardner (Edison H. S., Miami, Fla.), Harry Gardner (SMU), Billy Hale (Texas Tech), A. B. Hunter (ACC), Owen Lense (Santa Barbara, Calif., State)
- Backs—Douglas Carter (Baylor), Royal James (ACC), Quentin Lawrence (Baylor), James Lucas (TCU), Ray Wood (TCU)

Back to the T. C. U. campus, Bob Savage, the wizard softball pitcher, was named on the Major City League Press "All-Star" softball team which engaged the minor leagues stars Tuesday night. Bob, though, was unable to participate because of circumstantial reasons.

Bob is organizing a T. C. U. softball team that is to enter the city tournament at an early date. Behind his pitching and with the support of such men as Frank Benton, Gene Hicks, Robert Pesek, Oscar Lindermann, Richard Heerd, and Upton Giles, this tentative team could play havoc with some of the city's best.

The Navy boys' morale was knocked looping this week, when on doctor's orders, the all-American football game was forbidden at physical training periods.

The game which combined football, basketball, soccer and rugby caused too many minor injuries. However, if the boys had their choice, they would probably play the game at every gym period.

And a parting note to Coach Meyer. Wouldn't you like for 75 boys to report for football as happened down at Georgia Tech.

Word from Texas Tech is that the Raiders will participate in intercollegiate football this fall. Up until this announcement, Tech had been undecided. About 27 boys are expected to report there. The Frogs play Tech here Nov. 6.

The announcement by Pat Neff, president of Baylor University, that the Bears would play football this fall if Army trainees are permitted to participate, came as quite a surprise. That the Bears were even contemplating entry in the conference race this fall was not thought of. Previously Neff had said the Bears would drop all sports for the duration.

However, the Baylor cause looks hopeless from the Army standpoint, as Louisiana State University, another Army school, received her like word from Washington that the Army had reiterated its stand against permitting trainees to take part in intercollegiate athletics.

Miss Hanrahan enters City Tennis Tournament

A six-time county meet winner, Miss Joleen Hanrahan in entering the city tennis tournament which is being staged over the next three weeks. "Jo" entered county meet tournaments during her two years in Cisco Junior High School and her four years at Cisco High School. She won the title all six years.

Two years, Jo went to the district meet. In 1940 she reached the quarterfinals and in 1942 was defeated in the final round.

In the summer of 1942 she entered the Eastland city tournament and emerged victor in both the women's singles and doubles contests.

Jo's first opponent in the city meet has not been named as yet. The games will be played at the Sycamore and Capps parks. Miss Mary Lee Parsons is tournament director.

Frog Grid Team In World War I Was Army Show

Football at T. C. U. during the fall of 1918—World War I—was strictly an Army show.

Then the Frog football team was made up primarily of Army privates of the Student Army Training Corps. The Army in 1918 permitted its future officers to participate freely in football or any other extra curricular activity.

Thirteen members of the squad of September and November, 1918, were S. A. T. C. members. Eleven of these 13 constituted the first team. And to quote a bit of the sports column in the Sept. 27, 1918, issue of The Skiff—"It looks like we will have the best scoring team in the history of the school."

Bryan B. Miller of Cleburne was captain and quarterback that year.

The schedule in 1918 consisted of seven games, those being with Texas University, Carruthers Field (a service team), Southern Methodist University, Southwestern University, North Texas State Normal, Austin College and Baylor University.

Arch enemy of the Purple and White was Baylor, whom they defeated. A recapitulation shows that the Christians won four games, lost two, and forfeited one—to S. M. U.

With the Armistice and the immediate disbanding of the S. A. T. C., T. C. U. lost many of its stars, but a "war" year of football had been completed, and, from a November issue of The Skiff—"great success."

A six-time county meet winner, Miss Joleen Hanrahan in entering the city tennis tournament which is being staged over the next three weeks. "Jo" entered county meet tournaments during her two years in Cisco Junior High School and her four years at Cisco High School. She won the title all six years.

Two years, Jo went to the district meet. In 1940 she reached the quarterfinals and in 1942 was defeated in the final round.

In the summer of 1942 she entered the Eastland city tournament and emerged victor in both the women's singles and doubles contests.

Jo's first opponent in the city meet has not been named as yet. The games will be played at the Sycamore and Capps parks. Miss Mary Lee Parsons is tournament director.

Band to Give 'Pop' Program

To Play Thursday Night To Inaugurate Outdoor Summer Music Series

A concert will be given by the T. C. U. Symphonic Band from 7:30 until 8:30 o'clock Thursday evening. The band will play under its new director, Prof. J. W. Woldt. The program will be given in front of the Administration Building.

In spite of the man-power shortage, the University has a well balanced 40-piece band in which a number of V-12 men, regular men and women students and some special guests are participating, reports Dr. T. Smith McCorkle.

This is the first of a series of outdoor programs which the music department is planning for the remainder of the summer and the early fall.

Library Force Invites Students to Take Tour

A tour of the Library could not be included in the first week's work this year, so students are invited to give the staff the opportunity of showing them the collection of books. Points of interest are the Southwest Room and the Disciples' Room.

In order that the books may be used wisely and carefully, a copy of the rules governing the Library may be found at the main desk.

Of special interest to the Navy students are a number of new books. These include "The Blue-jacket's Manual U. S. N.," by Agerton; "Military and Naval Recognition Book," by Bunkley; "Naval Reserve Guide," by Forster; "Student Pilot Handbook," by Hunt; and "The Navy Has Wings," by Pratt.

Several new periodicals have been received. These include Aeronautics, Engineering News Record, el Power and Diesel Transportation, Engineering News Record, General Electric Review, Iron Age, and Power.

Miss Gloria Graham has gone home this week due to illness.

Mr. and Mrs. C. W. Slay were visitors on the campus Tuesday.

First Company Wins On Fault

Second Ten Go AWOL, Fail to Show Up For Scheduled Softball Game

Maybe it was the hot weather. Maybe it was "cold feet," but, anyway, the scheduled softball game between the First and Second companies Wednesday afternoon did not take place.

The First Company did show up, but the Second Company went A. W. O. L. and thus the First ten was awarded a forfeit. However, the members of the First Company put in an hour's work practicing for the coming city softball tournament, which they may enter.

It seems though that there will be little chance of any more softball games between the two companies as foot ball practice begins next week. Most of the men who participated in the first game last week will report for football.

5 Music Groups Plan Programs

Five music organizations are active on the campus this summer. They are the band, the orchestra, the Woman's Choral Club, the Men's Glee Club and the Mixed Chorus.

The Band is under the direction of John William Woldt. It is now rehearsing in the Auditorium at 1 p. m. Monday, Tuesday, Wednesday, and Thursday. There are about 40 members in the band, with a number of the V-12 men taking part.

According to Dr. T. S. McCorkle, the band is exceptionally well balanced this year.

The orchestra, directed by Dr. McCorkle, is larger than ever before and has a more complete instrumentation. The orchestra rehearses at 1:45 p. m. each Monday, Tuesday, Wednesday and Thursday.

Both the orchestra and the band plan outdoor concerts in August and formal concerts in October.

The Woman's Choral Club, under the direction of Prof. W. J. Marsh, has one of the largest enrollments in its history.

The Men's Glee Club is larger than it was last year. V-12 men are in the club, too. The Glee Club and the Mixed Chorus are also directed by Prof. Marsh.

They also plan to give programs in August and October.

Misses Martha Burnham, "Littie" Day and Maxine Middleton spent Thursday in Dallas.

"Steaks for the Captain"—

4 Clark Men Perfect System For Avoiding Room Demerits

Room 219, Clark Hall, claims a significant first! As students in the hall well know, every week each room has a specified room captain, who is in charge of the appearance and general cleanliness of the room.

Demerits are hard items to stem, so in order to insure even more protection against the flow of this system, the four occupants of Room 219 this week have installed a "completely original method, a sure-fire remedy for any further demerits."

"It can't miss," say Apprentice Seaman Jack James, erstwhile captain of the aforementioned

room. "It goes something like this: Any sailor in the room who fails to 'do his part,' leaves articles adrift, the deck dirty, towels untidy and receives more subsequent demerits than any other of his roommates during the week must, with no exception, buy the captain and the other members of the room a pineapple sundae come Sunday night!"

Strange as it seems, no one has yet raised any objections, and the "Steaks for the Captain" method is rapidly catching on, other rooms are following the example set by the men in Room 219.

From The Crow's Nest

By Virginia Churchill

Well, as I sit here with my feet propped up and a coke bottle stuck in my fist, I can think of nothing better than to dig out all the newsy stuff going on. Really hasn't so much happened when you sit down to think about it, but somebody's always doing something, or hadn't you noticed. Queer things go on around here, and all the dirtiest dirt seems to be very unprintable, so here's for the things that can be printed . . .

The idea these days seems to be to see who can eat the most, and who can keep the coolest. Not a bad idea, especially the cool part, and when fried chicken is concerned the other isn't a bad idea either. Nothing but snacks are allowed in Foster; so JEAN ENGLEMAN, MAIDEL and MARNEL WRIGHT, BERNICE BELL, BARBARA HENDERSON, BETTY PETTY, MIRIAM CLARK, JOYCE BUSH, BETTY WALDROP, and MARY ANEE ABEL "snacked" around the other night with fried chicken and all the trimmings.

It is reported that BOB MATHENY is getting along fine after his operation. Is he going to get razed about arguing theology with the nurse while he was under the anesthetic!

RUTH BALL is now wearing a gold cross that Lieut. BOB McCASKEY sent her . . . "TOAD" PORTER, PETE CLICK and ROSS STAVELY were here all spick and span from CAMP MAXEY last week-end; so were MELVIN DACUS, PRESTON STEDMAN, and ARTHUR ARNEY from N. T. A. C. . . . DUNNY and BETTY JANE SIMS are visiting in Dallas this week.

CLYDE FOLTZ is expecting a girl friend from Temple for a visit this week-end . . . MARTHA BURNHAM will entertain MARTHA BAKER from L. S. U.

At the operetta Saturday night we saw KATHERINE WITTMAYER, JANET and HELEN ANDERSON, BEN WHITE with BETTY JO GAMBLE, seeing "Roberta."

There's a certain somebody on the campus who thinks WILMA FAYE McGLOTHIN is a replica of Lana Turner . . . Congrats to LAURA KIRK and JOHN CARLSON for making up . . . KIRBY ELLIS and MARGARET McKENNON have made it a "steady" affair.

Too bad, coke's all gone and it's time to rush down to the "Caf" and see about the eats, so we'll be seein' you around for more news next week.

Miss Cayce's Wedding Tomorrow Night

Miss Lois Jeane Cayce will be married at 8:30 o'clock tomorrow night to Lieut. Charles H. Davis at the South Side Church of Christ.

Mrs. W. H. Carlson will play the wedding music and Pvt. Melvin Dacus will sing.

The bride will be given in marriage by her father, Lieut.-Col. W. B. Cayce.

Mary Lou Slay Heads Leti

Miss Mary Lou Slay was made president of the Leti Club when officers were elected Sunday night. Miss Joan Gardner is vice-president and Miss Laura Kirk, secretary-treasurer.

Initiation possibilities were discussed and members decided to begin immediately. However, a formal initiation week will not be held until September.

3 California Men To Be Honored

Honoring Charles Goebel, Bob Olsen and Buddy Carpenter, Miss Alice Inskeep will give a triple birthday party at her home, 2622 Highview Street, at 8 o'clock tomorrow night.

The three V-12 men all celebrate their birthdays between Aug. 6 and Aug. 16. Miss Betty Brock also celebrates her birthday Aug. 16, so will be included among the honorees. None of the boys has ever spent his birthday away from home before. All are from California.

Those attending will be Tom Connolly, Bill Mooser, Al Levi, Don Gregory, Jack Cederlund, Milton Persson and Misses Monett Brock, Lora Dell Harwood, Jackie Howell, Tommye Dent, Hattie Stanley, the hostess and honorees.

A Navy theme will be carried out in decorations. Cake, ice-cream and coca colas will be served on the lawn.

New Recital Hall Inaugurated

The new Recital Hall was inaugurated Monday night at a senior piano recital given by Mrs. Rosemary Willeford Davis Monday night. The hall seats 110 people and contains a Steinway piano and a Zenith combination radio and phonograph. The walls are decorated with paintings done by Prof. S. P. Ziegler.

The hall will be used by the music and dramatic departments and for art exhibitions. It will also be loaned to other departments as needed, when not otherwise scheduled. The English department has been using the hall for one of the freshman English classes to listen to some recordings.

Minister's Wives Club To Meet Monday

The Minister's Wives will hold the first business meeting of the year at 8 p. m., Monday at the home of Mrs. Frank Scofield, 3005 Green Street.

The officers, elected last May, are Mrs. Mary Dee Gleason, president; Mrs. Dorothy Pugh, vice-president and Mrs. Doris Fairbrook, secretary.

Poetry Club Plans Reorganization

A meeting for reorganization of the Poetry Club will be held at the home of Miss Mabel Major, 2814 West Lowden Street, at 8 p. m. Monday.

"Anyone who is interested in either reading or writing poetry is invited to attend," says Franklin Adkins, president.

Miss Farmer, Ex '33, Weds Lieut. Emory

Miss Dora Evangeline Farmer, A. B. '33, was married last Friday to Lieut. Lee C. Emory, ex '42. Lieut. Emory is stationed at Camp Wheeler, Macon, Ga. Mrs. Wheeler will live in Austin temporarily.

Classes, Music Keep Jack Busy

Radio artist Jack Gipson is a busy man these days. Besides his regular scholastic activities, he sings on the "Variety in Rhythm" show over KGKO at 4 p. m. every Tuesday and Thursday. He is also on the same program at 5:30 p. m. Sunday over WBAP. Jack is featured vocalist.

A music major, Jack plans to keep up with his radio work. He is a voice pupil of John Brigham and is a soloist in the Central Methodist Church choir.

On inactive duty in the Naval Reserves, he is subject to call at any time. When he was on active duty in the Navy, he saw action in the South Pacific.

Five feet, eight inches tall, with dark hair and blue eyes, Jack is extremely interested in anything musical or Navy. He proves his interest by being active in the band, orchestra and Glee Club.

Like any other college student, Jack is interested in football. He has followed the games of the Southwest Conference as far back as he can remember. Softball and tennis interest him too.

Alice Gallant Boasts One Inch Finger Nail

Billy DeBeck's character, Barney Google, has nothing on Miss Alice Gallant, sophomore, when it comes to long fingernails.

If you recall, some years ago, the above mentioned Mr. Google had a fingernail some two or three feet long on his little finger—that is, until some poor creature came along and cut it off.

Although the fingernail on Alice's little finger isn't quite that long, it does measure fully to one inch, if not more. And it only took the 30 days of June to grow such a specimen.

The other nails will soon be serious competitors to the small finger.

"They do present a problem," Alice says.

What to do with them when she starts to dial a telephone, or when she's in a terrible rush and has to put on the one and only pair of nylons are two leading problems.

They are convenient, however, for, ordinarily, people are less prone to argue when she flashes her scarlet nails.

Music Department Gets Two New Baldwin Pianos

Two new Baldwin pianos arrived for the music department Monday afternoon. They will be kept in two of the studios and used for teaching purposes.

As a result of the records the music department has been accumulating, four phonographs are busy constantly. As soon as the weather is cooler some recitals of recorded music will be given in the Recital Hall.

Gwendolyn Mann Weds Lieut. Taft

Miss Gwendolyn Mann, A. B. '40, was married, Tuesday at the University Christian Church to Lieut. Harold Henry Taft of the Army Air Force. Dean Colby D. Hall performed the ceremony. Lieut. and Mrs. Taft will live at Pecos for the present.

Miss Hazel Hackett To Wed Sept. 5

Miss Hazel Jane Hackett, T. C. U. student, will be married Sept. 5 to William E. Jones, flying instructor at Hicks and Curtis Fields.

Rodger Meier, Airline Agent, Dines With Star

When one sees a Delta Airlines uniform strolling about the campus, he may be sure the boy behind it is Rodger Meier, sophomore from Webster Groves, Mo.

Rodger is proud of that uniform, too, for after classes, when he does it he becomes "Reservation Agent" for the airlines.

"One thing I like about my work so much," he says, "is that I have an opportunity to meet people. "One day, I can't say when because of Army regulations, I had dinner with Miss Carole Landis, screen star, when she stopped en route to army camps. Now, that's the life!"

A business administration major, "Rodge," as he is known to his friends, also finds time to play ice hockey, his favorite sport. Harry James and dancing are also on his hit parade of favorites, and in his off moments, one is sure to find him with that dish of pork chops.

Before coming to Texas and T. C. U., Rodge kept baseball statistics for Bob Elison, Mutual Network's sports announcer. He also attended the Washington University, St. Louis.

He likes Texas fine, and the Texas girls are all right too, he says, "especially blonde, brunettes, and redheads."

Farrar, Sociology Major, Has Time for All Activities

Jimmy Farrar, vice-president of the student body, is a junior in sociology and active in all student activities.

President of the Youth Fellowship Club of the University Christian Church, member of B. C. B., Timothy Club, Student Christian Association and the Meliorist Club, Jimmy also finds time for his courses which include sociology, public speaking and Bible.

A graduate of the Highland Park High School in Dallas, he counts the collection of fine books as his hobby.

"This collection includes world affairs, current novels and religious education books," Jimmy says. Tennis is his favorite sport, but he likes to play softball and baseball. After graduation, he plans to enter Theological School.

"I'd like to enter Yale, but I guess I'll stay at T. C. U.," he says smilingly.

Five feet, seven inches tall, with black hair and blue eyes, Jimmy is a prestidigitator.

"An amateur magician to you," he explains.

Sadler to Corpus Christi On University Business

President M. E. Sadler left for Corpus Christi yesterday, where he will have a series of personal conference with University board members and other friends of the University who reside in that area.

President Sadler will address the morning services of the First Christian Church Sunday. His topic will be "How to Maintain the American Way of Life."

Mrs. Gleason to Lead Youth Discussion

Mrs. Mary Dee Gleason will lead a panel discussion on "The Christian Home" at the College Youth Fellowship in the church parlor at 7:30 p. m. Wednesday.

Gilbert Grady will present the devotional.

This is the second in a series of programs for the college students. Joe Wick led a discussion last week on "Campus Courtship."

257 Students On Honor Roll

Spring List Has Names of 68 Seniors, 65 Juniors, 64 Freshmen

Names of 257 students on the Honor Roll for the semester, it was announced Registrar S. W. Hutton this morning. There are 68 seniors on the roll, 65 juniors, 60 sophomores and 64 freshmen.

Twenty-six students made a perfect record of all "A's." These are Harry B. Apetz, Bennett, Wilma Brown, Cain, Melvin Dacus, Nina Elliott, Marilyn Louise Ellis, Regina Lewis, Robert L. Moffin, James B. Moore, Mrs. Morgan, Miller Moseley, Lee Newsome, Patricia Anterson, Betty Pecor, Mozelle Kin, Caroline Roberts, Elaine flett, Dorothy Sinex, Audrey Smith, Mrs. Marcia Mills, Karl Wyatt Tuttle, Janetha ton, Dixie Williams, Kate Wittmayer and Bart Woolridge.

To be included on the Honor Roll, a student must be carrying at least nine hours and must have a "B" average on all work.

Six Graduates Now Chaplains

Six T. C. U. graduates have recently entered the armed service as chaplains, four with the Army and two with the Navy.

Three members of the class of '43 are included in the enlistment. These are Bill Wright and Clayborne, both of whom entered the Navy, and James Moudy, who is serving with the Army.

Kenneth Hay, B. D. '39, minister of the Central Christian Church, Dallas, and former alumni secretary for T. C. U., enlisted as an Army chaplain.

James Duvall, A. B. '38, pastor of the Christian Church at Greenville, will also serve with the Army.

Nimmo Goldston, pastor of Christian Church at Greenville, former instructor in Bible, entered the Army's school for chaplains at Harvard University June 1. Goldston received the A. B. degree of the class of '26.

Elizabeth Epperson Gets Gifts From North Africa

Miss Elizabeth Epperson is due to get a wardrobe from North Africa, if past happenings are indication.

That new red handbag, genuine leather, too, that Elizabeth is showing to everyone is of fine workmanship, and was sent her from Africa by Lieut. Verula Lee Wood, a high school friend. Lieut. Wood has also sent her a scimitar-shaped pin made in North Africa.

"He said if I would tell him the right sizes," says Elizabeth, "he would send me some other things including shoes, whenever he could." "The red handbag reminded me of me, he said, so he got it for me."

Evening College Board Discusses New Program

Ways to improve the evening college and enrichment program were discussed when the Evening College Board met Tuesday night.

Galan McKinney is chairman of the board and Marshall F. and W. S. Cooke assist him. They are of Fort Worth.

First Holidays Start Aug. 28

Classes to Be Dismissed For 4 Days; V-12 Men Will Remain On Duty

Aug. 28 through Aug. 31 will be days of grace as far as civilian students are concerned. Exams are scheduled to run through Aug. 26 and 27. All exams will be administered during the regular class periods.

"Regular classes will be dismissed for four days," says Dean Colby Hall, "however the navy students will receive some special training during that period." The officers have stated that the navy boys will be on duty as usual during those four days.

The graduating seniors will receive their examinations prior to Aug. 26 and will have their grades turned into the registrar's office by that date.

"All students should see that they are properly registered for the semester beginning Sept. 1 before they leave for this brief vacation," says Registrar S. W. Hutton.

Council Appoints Election Group

An election committee was appointed by the Student Council Monday. It consists of Misses Elaine Ward, Nina Elliott and Mary Louise Waldron.

The work of this committee is to attend to the paper work in connection with elections. It was decided that the next elections will be held until November.

A report on the progress made in the recent polio drive was given by Jimmy Farrar. A committee was also appointed to discuss the clean-up of the Drug. However, since the Drug has been attended to, this committee has disbanded unless further need of it is later evidenced.

"Spanish Civilization" To Be Offered In Fall

"Because a sufficient number of requests have been made, 'Spanish Civilization' will be offered in the fall semester," reports Miss Lieut. Vera Lee Carter, who will teach the course.

This course is a study of the contributions of Spain to literature, art, thought, and culture in general. Most of the reading will be from Spanish texts. Class time will be at 11 o'clock daily.

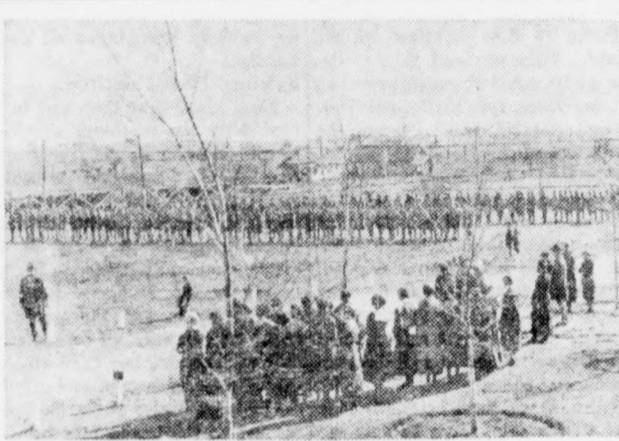

"The Nineteenth Century Novel" will also be offered, at 10 o'clock daily. This course includes the novel of the nineteenth century, with such authors as Galdos, Valera, Ibanez, Alarcon, Peneda, Bazan and others. Only students who have completed second year college Spanish may enroll. Miss Carter will teach the class.

Rev. Lindley to Speak At University Church

Rev. D. Ray Lindley, professor at Brite College who has been studying at Yale, will speak at the morning worship service, 10:50 a. m. Sunday at the University Christian Church. The anthem will be "Lovely Appear" from "The Redemption," by Gounod.

Miss Max Helen Pickens will sing the incidental solos.

SATC UNIT OF 1918 is shown drilling on the front lawn. In World War I T. C. U. was an army school and khaki was as familiar a sight as the navy whites are today. The trainees are being reviewed by Lieut. A. V. Kemble.

First Drill Voluntary in 1918— Last War Saw Army Khakis On Hill; Uniform's Old Story

Uniforms on the T. C. U. campus are not new. The color, however, is new, because in the last war there were army khakis instead of the navy white seen today.

The first military training for the boys on the campus in World War I, was voluntary drill two afternoons a week for an hour each afternoon. This drill started in December, 1917. Classes were also taught from the military manual. One hundred twenty-five men volunteered for the training at first, but as the number began to drop off, the school officials made the training compulsory for all the boys who were not working their way through school.

Uniforms were not worn for the first few months. Lieut. A. V. Kemble came from Camp Bowie and drilled the men from 5 o'clock

to 6 o'clock on Tuesday and Thursday afternoons. There was a special school on Saturdays from 4 o'clock to 6 o'clock in the afternoon for those boys who wished to become non-commissioned officers. Men were chosen from this group to take charge of the drills on Monday, Wednesday and Friday. Lieut. Kemble and other officers from Camp Bowie had charge of the special training.

The Student Army Training Corps didn't become recognized by the government until September, 1918. The boys were inducted into the regular army on Sept. 19. They received regular army pay and uniforms and their tuitions were paid by the government. They remained in the regular army until they were discharged Dec. 19, 1918.

McCorkle Is New Music Head at Hemphill Church

Dr. T. Smith McCorkle has been made director of music for the Hemphill Presbyterian Church, succeeding the late Sam Losh in that position. Dr. McCorkle will begin his work at the Hemphill Church Sept. 1.

M. E. Sadler to Address San Marcos Graduates

President M. E. Sadler will give the Commencement address at the San Marcos Teachers College, Sunday. His subject will be "Religion Can Help."

It's "Presente" or "Dinero" For Spanish Students

Miss Eula Lee Carter has the system.

What professor can imagine a class that has no absentees (unexcused) nor any late-comers? It's almost a dream come true, but Miss Carter says that so far her idea has worked remarkably well.

Every time one of her "children" misses a bus or oversleeps because the alarm didn't go off on time, or any of the other various reasons that are given, they donate to a fund or provide chewing gum or candy to the entire class. There have been few late-comers.

Student Body Okay Needed to Boost Effort To Get Picture Shows

The need for entertainment on the campus has been the core of many conferences between members of the Student Council, faculty and Lieut. George Decker, commanding officer of the Naval V-12 unit.

A picture show on the campus has been proposed and approved by the Council, faculty and Lieut. Decker. The question which remains is whether or not the student body as a group is interested in a campus movie.

Polio Funds Total \$272.37

USS Clark Subscribes \$107.02; Sherer Terms "Drive" as Successful

The "Dollar Drive Against Infantile Paralysis" which was inaugurated on this campus during last week, has been termed "extremely successful" by Prof. C. R. Sherer, faculty supervisor of the "Drive." Subscriptions for the polio fund amounted to \$272.37 with every dormitory making a showing.

The USS Clark went over the top with the highest showing on the campus. Ed Cornelius, chairman of the Clark Hall "Drive," reports that \$107.02 may be attributed to the V-12ers. Booth subscriptions were next in rank. The receipts were \$59.19, however, all this may not be attributed to the Booth alone. Many of the Foster Hall girls and a number of the naval officers made their donations through the Booth rather than through the home plan.

The naval officers in Jarvis Hall were not all contacted but those who were raised the total by \$40. Ensign Bill Vick was in charge of donations. Foster Hall contributions totaled \$45.66. Miss Katy Day was chairman of the girls' dormitory "Drive." Joe Wick reports that \$20.05 was received in Goode Hall. "I am pleased with the showing which we have made here and want to thank everybody for cooperating in the 'Drive.' The money will be turned over to A. B. Vera to help buy respirators and iron lungs," says Jimmy Farrar, chairman of the entire "Drive."

Miss Barbara Bundock, as chairman of the student body social committee, and Clyde Foltz are investigating the possibilities of procuring a projector and sound machine for use on the campus. There are several sources from which first-rate films may be obtained if the necessary equipment for showing the films may be found.

During the poliomyelitis epidemic it is urged that all students remain on the campus. This is an unfavorable request when there is no entertainment and it is for that reason, as much as any other, that the Student Council is eager to procure the necessary movie equipment.

If this movie plan is favorable with you as a member of the student body, talk it up with your Council representative. The movie is planned for the entire student body and not for the V-12 unit. The navy men see educational films, produced by the navy department, but they do not have access to first-rate shows.

The Council must have student body backing before it can make any definite arrangements for the movie. The administration has stated that it will be impossible to show the movies if only 50 or 60 students are interested. Discuss this matter with Council representatives and let them know your views on the subject and when you want the movie to be shown if you favor the idea.

Females Manage Airplanes—Why Not Plan Dances?

If females can weld, fly planes, make airplane motors and drive jeeps, why can't they manage dances? The Student Council has spent a great deal of energy trying to 'draft' a dance manager and every effort has failed.

A gal seems born to manage anyhow so why not let the lady wear the trousers once more? There is no heavy work involved and if a good dance isn't just compensation the lady can anticipate the pay which goes with the job.

Any coed interested in the job of dance manager may file her petition with either Miss Billie Jean Boney in Foster Hall or Clyde Foltz.

Scofield to Enter Army As Chaplain In September

Frank R. Scofield, who will receive the Bachelor of Arts degree at the August commencement exercises, will enter the army as a chaplain. He has been serving as minister of the Arlington Christian Church while a student in T. C. U.

Check of Frog War Fund Reveals Bankroll of \$233.35 Still on Deposit

A check of the present status of the Frog War Fund reveals that there is \$233.35 now on deposit. Last spring \$100 of the fund was sent to the World Student Service Fund. The rest is to be divided between the American Red Cross and the buying of war bonds for the University.

In past years this fund has been disposed of in the spring, however, many matters were left unsettled because of the changing University set-up.

The war fund was one of the leading activities of the student body last year. The proceeds from the all girl football game was one of the biggest contributions to the fund. Five per cent of all the money made at the campus dances and other campus activities last year was given to the fund.

Plans will probably be made later to provide some new methods for raising money this year. The student body fell short of the

goal set for last year, but they will try to do better this time.

Miss Billie Jean Boney, chairman of the committee has expressed a desire to begin work on the disposal of the fund immediately. Part of it has already been used to add stars to the service flag.

Other members of the committee who will work to swell the fund are Miss Betty Mae McGonagill, Ben White, Jim Brown, Bob Brown and Clyde Foltz.

From The Crow's Nest

By Virginia Churchill

Well, as I sit here with my feet propped up and a coke bottle stuck in my fist, I can think of nothing better than to dig out all the newsy stuff going on. Really hasn't so much happened when you sit down to think about it, but somebody's always doing something, or hadn't you noticed. Queer things go on around here, and all the dirtiest dirt seems to be very unprintable, so here's for the things that can be printed . . .

The idea these days seems to be to see who can eat the most, and who can keep the coolest. Not a bad idea, especially the cool part, and when fried chicken is concerned the other isn't a bad idea either. Nothing but snacks are allowed in Foster; so JEAN ENGLEMAN, MAIDEL and MARNEL WRIGHT, BERNICE BELL, BARBARA HENDERSON, BETTY PETTY, MIRIAM CLARK, JOYCE BUSH, BETTY WALDROP, and MARY ANEE ABEL "snacked" around the other night with fried chicken and all the trimmings.

It is reported that BOB MATHENY is getting along fine after his operation. Is he going to get razzed about arguing theology with the nurse while he was under the anesthetic!

RUTH BALL is now wearing a gold cross that Lieut. BOB McCASKEY sent her . . . "TOAD" PORTER, PETE CLICK and ROSS STAVELY were here all spick and span from CAMP MAXEY last week-end; so were MELVIN DACUS, PRESTON STEDMAN, and ARTHUR ARNEY from N. T. A. C. . . . DUNNY and BETTY JANE SIMS are visiting in Dallas this week.

CLYDE FOLTZ is expecting a girl friend from Temple for a visit this week-end . . . MARTHA BURNHAM will entertain MARTHA BAKER from L. S. U.

At the operetta Saturday night we saw KATHERINE WITTMAYER, JANET and HELEN ANDERSON, BEN WHITE with BETTY JO GAMBLE, seeing "Roberta."

There's a certain somebody on the campus who thinks WILMA FAYE MCGLOTHIN is a replica of Lana Turner . . . Congrats to LAURA KIRK and JOHN CARLSON for making up . . . KIRBY ELLIS and MARGARET MCKENNON have made it a "steady" affair.

Too bad, coke's all gone and it's time to rush down to the "Caf" and see about the eats, so we'll be seein' you around for more news next week.

Miss Cayce's Wedding Tomorrow Night

Miss Lois Jeane Cayce will be married at 8:30 o'clock tomorrow night to Lieut. Charles H. Davis at the South Side Church of Christ.

Mrs. W. H. Carlson will play the wedding music and Pvt. Melvin Dacus will sing.

The bride will be given in marriage by her father, Lieut.-Col. W. B. Cayce.

Mary Lou Slay Heads Leti

Miss Mary Lou Slay was made president of the Leti Club when officers were elected Sunday night. Miss Joan Gardner is vice-president and Miss Laura Kirk, secretary-treasurer.

Initiation possibilities were discussed and members decided to begin immediately. However, a formal initiation week will not be held until September.

3 California Men To Be Honored

Honoring Charles Goebel, Bob Olsen and Buddy Carpenter, Miss Alice Inskeep will give a triple birthday party at her home, 2622 Highview Street, at 8 o'clock tomorrow night.

The three V-12 men all celebrate their birthdays between Aug. 6 and Aug. 16. Miss Betty Brock also celebrates her birthday Aug. 16, so will be included among the honorees. None of the boys has ever spent his birthday away from home before. All are from California.

Those attending will be Tom Connolly, Bill Mooser, Al Levi, Don Gregory, Jack Cederlund, Milton Persson and Misses Monett Brock, Lora Dell Harwood, Jackie Howell, Tommye Dent, Hattie Stanley, the hostess and honorees.

A Navy theme will be carried out in decorations. Cake, ice-cream and coca colas will be served on the lawn.

New Recital Hall Inaugurated

The new Recital Hall was inaugurated Monday night at a senior piano recital given by Mrs. Rosemary Willeford Davis Monday night. The hall seats 110 people and contains a Steinway piano and a Zenith combination radio and phonograph. The walls are decorated with paintings done by Prof. S. P. Ziegler.

The hall will be used by the music and dramatic departments and for art exhibitions. It will also be loaned to other departments as needed, when not otherwise scheduled. The English department has been using the hall for one of the freshman English classes to listen to some recordings.

Minister's Wives Club To Meet Monday

The Minister's Wives will hold the first business meeting of the year at 8 p. m., Monday at the home of Mrs. Frank Scofield, 3005 Green Street.

The officers, elected last May, are Mrs. Mary Dee Gleason, president; Mrs. Dorothy Pugh, vice-president and Mrs. Doris Fairbrook, secretary.

Poetry Club Plans Reorganization

A meeting for reorganization of the Poetry Club will be held at the home of Miss Mabel Major, 2814 West Lowden Street, at 8 p. m. Monday.

"Anyone who is interested in either reading or writing poetry is invited to attend," says Franklin Adkins, president.

Miss Farmer, Ex '33, Weds Lieut. Emory

Miss Dora Evangeline Farmer, A. B. '33, was married last Friday to Lieut. Lee C. Emory, ex '42. Lieut. Emory is stationed at Camp Wheeler, Macon, Ga. Mrs. Wheeler will live in Austin temporarily.

Classes, Music Keep Jack Busy

Radio artist Jack Gipson is a busy man these days. Besides his regular scholastic activities, he sings on the "Variety in Rhythm" show over KGKO at 4 p. m. every Tuesday and Thursday. He is also on the same program at 5:30 p. m. Sunday over WBAP. Jack is featured vocalist.

A music major, Jack plans to keep up with his radio work. He is a voice pupil of John Brigham and is a soloist in the Central Methodist Church choir.

On inactive duty in the Naval Reserves, he is subject to call at any time. When he was on active duty in the Navy, he saw action in the South Pacific.

Five feet, eight inches tall, with dark hair and blue eyes, Jack is extremely interested in anything musical or Navy. He proves his interest by being active in the band, orchestra and Glee Club.

Like any other college student, Jack is interested in football. He has followed the games of the Southwest Conference as far back as he can remember. Softball and tennis interest him too.

Alice Gallant Boasts One Inch Finger Nail

Billy DeBeck's character, Barney Google, has nothing on Miss Alice Gallant, sophomore, when it comes to long fingernails.

If you recall, some years ago, the above mentioned Mr. Google had a fingernail some two or three feet long on his little finger—that is, until some poor creature came along and cut it off.

Although the fingernail on Alice's little finger isn't quite that long, it does measure fully to one inch, if not more. And it only took the 30 days of June to grow such a specimen.

The other nails will soon be serious competitors to the small finger.

"They do present a problem," Alice says.

What to do with them when she starts to dial a telephone, or when she's in a terrible rush and has to put on the one and only pair of nylons are two leading problems.

They are convenient, however, for, ordinarily, people are less prone to argue when she flashes her scarlet nails.

Music Department Gets Two New Baldwin Pianos

Two new Baldwin pianos arrived for the music department Monday afternoon. They will be kept in two of the studios and used for teaching purposes.

As a result of the records the music department has been accumulating, four phonographs are busy constantly. As soon as the weather is cooler some recitals of recorded music will be given in the Recital Hall.

Gwendolyn Mann Weds Lieut. Taft

Miss Gwendolyn Mann, A. B. '40, was married Tuesday at the University Christian Church to Lieut. Harold Henry Taft of the Army Air Force. Dean Colby D. Hall performed the ceremony. Lieut. and Mrs. Taft will live at Pecos for the present.

Miss Hazel Hackett To Wed Sept. 5

Miss Hazel Jane Hackett, T. C. U. student, will be married Sept. 5 to William E. Jones, flying instructor at Hicks and Curtis Fields.

Rodger Meier, Airline Agent, Dines With Star

When one sees a Delta Airlines' uniform strolling about the campus, he may be sure the boy behind it is Rodger Meier, sophomore from Webster Groves, Mo.

Rodger is proud of that uniform, too, for after classes, when he does it he becomes "Reservation Agent" for the airlines.

"One thing I like about my work so much," he says, "is that I have an opportunity to meet people."

"One day, I can't say when because of Army regulations, I had dinner with Miss Carole Landis, screen star, when she stopped en route to army camps. Now, that's the life!"

A business administration major, "Rodge," as he is known to his friends, also finds time to play ice hockey, his favorite sport. Harry James and dancing are also on his hit parade of favorites, and in his off moments, one is sure to find him with that dish of pork chops.

Before coming to Texas and T. C. U., Rodge kept baseball statistics for Bob Elson, Mutual Network's sports announcer. He also attended the Washington University, St. Louis.

He likes Texas fine, and the Texas girls are all right too, he says, "especially blonde, brunettes, and redheads."

Farrar, Sociology Major, Has Time for All Activities

Jimmy Farrar, vice-president of the student body, is a junior in sociology and active in all student activities.

President of the Youth Fellowship Club of the University Christian Church, member of B. C. B., Timothy Club, Student Christian Association and the Meliorist Club, Jimmy also finds time for his courses which include sociology, public speaking and Bible.

A graduate of the Highland Park High School in Dallas, he counts the collection of fine books as his hobby.

"This collection includes world affairs, current novels and religious education books," Jimmy says. Tennis is his favorite sport, but he likes to play softball and baseball. After graduation, he plans to enter Theological School.

"I'd like to enter Yale, but I guess I'll stay at T. C. U.," he says smilingly.

Five feet, seven inches tall, with black hair and blue eyes, Jimmy is a prestidigitator.

"An amateur magician to you," he explains.

Sadler to Corpus Christi On University Business

President M. E. Sadler left for Corpus Christi yesterday, where he will have a series of personal conference with University board members and other friends of the University who reside in that area.

President Sadler will address the morning services of the First Christian Church Sunday. His topic will be "How to Maintain the American Way of Life."

Mrs. Gleason to Lead Youth Discussion

Mrs. Mary Dee Gleason will lead a panel discussion on "The Christian Home" at the College Youth Fellowship in the church parlor at 7:30 p. m. Wednesday.

Gilbert Grady will present the devotional.

This is the second in a series of programs for the college students. Joe Wick led a discussion last week on "Campus Courtship."

Six Graduates Now Chaplains

Six T. C. U. graduates have recently entered the armed services as chaplains, four with the Army and two with the Navy.

Three members of the class of '43 are included in the enlistment. These are Bill Wright and De Clayborne, both of whom entered the Navy, and James Moudy, who is serving with the Army.

Kenneth Hay, B. D. '39, minister of the Central Christian Church, Dallas, and former alumni secretary for T. C. U., enlisted as an Army chaplain.

James Duvall, A. B. '38, pastor of the Christian Church at Emory, will also serve with the Army.

Nimmo Goldston, pastor of Christian Church at Greenville, former instructor in Bible, entered the Army's school for chaplains at Harvard University June 1. Goldston received the A. B. degree in the class of '26.

Elizabeth Epperson Gets Gifts From North Africa

Miss Elizabeth Epperson is due to get a wardrobe from North Africa, if past happenings are indication.

That new red handbag, genuine leather, too, that Elizabeth is showing to everyone is of workmanship, and was sent her from Africa by Lieut. Wood, a high school friend. Lieut. Wood has also sent her a scimitar-shaped pin made in Africa.

"He said if I would tell him the right sizes," says Elizabeth, "he would send me some other things including shoes, whenever he could."

"The red handbag reminded me of me, he said, so he got it for me."

Evening College Board Discusses New Program

Ways to improve the enrichment and enrichment program were discussed when the Evening College Board met Tuesday.

Galan McKinney is chairman of the board and Marshall and W. S. Cooke assist him in the work of Fort Worth.
