Students Elect Miss Bundock Head of Team

The yell squad will, for the first time, be balanced off with three girls and two boys. "Bundy" Bundock is the yell queen. Her assistants will be Elayne Henderson—the trickster who stole the show at try-outs with her snappy routine of flips and cartwheels; the "Blond Bomber" Wilma Fay McGlothlin, and two V-12ers, Kenneth Womack and Alastair Gill.

Gill is the candidate who caused a retake on the last election. It was, of course, unintentional and was chiefly the fault of the election committee. Gill won the election in this vote by a write-in which was all legally done by each individual voter.

The squad members will perform for the first time together at the Texas A. & M. football game here Oct. 16. There will be a preliminary yell practice or pep rally prior to the game and the cheerers will get a chance to spread their wings then.

Melvin Dacus Will Sing For Sunday Service

"When Civilization Outruns Religion" will be the topic of the Rev. Granville Walker's sermon at the Sunday morning service, beginning at 10:50 o'clock, at the University Christian Church.

Pvt. Melvin Dacus, ex student now stationed with the Marines at NTAC, will sing "How Lovely Are Thy Dwellings" (Liddle).

At Evensong at 7:30 p. m., Jimmy Tinkle will give the interpretive reading. Johnny Pickering will bring the message. Mrs. Mary Dee Gleason will be soloist.

The Meliorists will meet after Evensong in the upstairs room of the church. "Skipper" Burns, night watchman who was formerly a comedian with the Barnum and Bailey Circus, will present the program.

Dean Colby D. Hall will give the first of a series of lectures on "The Prophets" at the College Class meeting at 9:45 o'clock Sunday morning in the Recital Room of the Administration Building.

The C. Y. F. will not meet Wednesday night due to the performance of "Death Takes a Holiday."

Orchestra and Chorus To Start Joint Rehearsals

The Mixed Chorus will begin joint rehearsals with the orchestra next week on Haydn's "Creation" and "C Major Mass," which will be given during the Haydn Festival, Dec. 5 to 7.

Soloists for the mass will be announced next week, says Prof. William J. Marsh, director of the chorus.

Second Class Arrives For T. C. U. Navy V-5 Unit

Class 44-D of the Navy V-5 unit has come in, Dr. C. K. Holsapple reports, making the second V-5 unit to be stationed at T. C. U.

Classes 43-H, 43-I, 43-J, and 44-A are taking flight instructor courses, and the two V-5 units, 44-C and 44-D are studying elementary courses.

"Varsity Show," T.C.U.'s Prodigy, Is War Orphan

When the final curtain fell at the first Varsity Show on Feb. 21, 1940, students felt that another T. C. U. tradition had been established.

When the final curtain fell on the second Varsity Show, March 6, 1941, they were sure of it.

The original Varsity Show was the Chamber of Commerce's prodigy. It was put over largely through the efforts of Stanley Wilson, president of the senior class, who acted as producer. Plans for the show were well under way before an "angel" for the production was found. It did, however, secure the backing of the Fort Worth Junior Chamber of Commerce.

The first show was a revue-type production. It was composed of seven scenes, including a South American scene, a blackface scene, a dramatic skit and an oriental scene. There was a cast of 135, and original songs were written by George Campbell and Troy Douthitt. The show was given two performances in the Paschal High School auditorium.

The second Varsity Show had a plot, built around an expedition to find a "lost race" in the wilds of Peru. Miss Maria Domina directed the dances, and the Jaycees again backed the show. Leads were taken by Miss Ruth Priest and Melvin Dacus.

Songs for the second show were again composed by George Campbell, who was then in the army, stationed at Camp Bowie. The show's two performances were given at the Municipal Auditorium. Four students in school now were in this production—Miss Virginia Churchill, Miss Elizabeth Epperson, Miss Sara Mae Sandefer and Jack Gipson.

Plans for the third Varsity Show were abandoned in December, 1941, in order that the time which would go into the production might be spent on Red Cross and civilian defense work.

At present, plans are being discussed for a revival of the "tradition," in the form of a show to be used as an entertainment unit for nearby army camps and hospitals. The suggestion was made in a recent Skiff editorial.

Oct. 20 Election Day for Officers Of Student Body, Classes, Council

Holidays Due Oct. 27—Nov. 1

All Class Registration To Be Held Next Week, Reports Dean Moore

Pre-registration of all students now on the campus will be conducted next week in order to provide free time between semesters.

"If this is done properly, it will give the students a holiday from Oct. 27 to Nov. 1," says Dean Jerome Moore.

Freshmen and sophomores who have not determined their major subject will be registered from 1 to 5 p.m. Tuesday and Wednesday. The student will go to his faculty counselor and have him fill out the course card for the winter semester. Counselors will be in rooms 105, 106, and 107 of the Administration Building.

Navy V-12 men, regardless of classification, will have the course card filled out by their major professors during regular office hours or between 1 and 5 o'clock Tuesday and Wednesday afternoons.

All other students—sophomores, juniors, seniors, and graduates—will have the major professor fill out the course card during regular office hours or between 1 and 5 o'clock Tuesday, Wednesday, Thursday or Friday afternoon.

The registrar will check the course card and deliver it to the business office before Oct. 26. Between Oct. 26 and Nov. 2 the student will settle his account and will be given class admission cards.

Students are asked not to pay bills before Oct. 26. They must be paid by Nov. 2, preferably by Oct. 30. Winter semester classes begin Nov. 1.

Students not now on the campus will register Oct. 29 and 30.

Changing, adding, or dropping of courses will be permitted November 3. Students are requested not to interfere with registration routine by making any changes before that time.

Deadline for Petitions Is Set For Oct. 13—24 Will Take Office for Winter Semester

Elections for four student body officers, 12 Council members and three officers for each class will be held Oct. 20. Deadline for petitions has been set at Oct. 13. Petitions bearing no more nor fewer than 25 student signatures must be submitted to Miss Bonnie Hall or Clyde Foltz not later than Wednesday.

All above named offices will be vacated Oct. 26 and the newly elected officers will assume their duties Nov. 1. Should any student holding one of the offices at the present time desire to remain in office, he or she must submit a petition and run for the office the same as any other candidate.

Those students going into office Nov. 1, will hold office for the four months of the winter semester. At the end of that period, all officers will be elected again.

The qualifications for president of the student body are as follows: He shall have no less than 87 semester hours credit and no more nor less than six semesters college enrollment previous to the semester in which he is elected. He shall have maintained a 1.5 grade index throughout his college enrollment. He shall have had previous experience at T. C. U. as a club president, a class officer, a member of the Student Council or a student body officer.

Qualifications Are Listed

The vice-president shall have at least 60 semester hours credit and no more nor less than four semesters of college enrollment previous to the semester in which he is elected. He must have had a "C" scholarship average throughout his college enrollment.

The secretary of the student body shall be a girl, unless no girl stands for election, in which case a boy may be elected. She shall have had no more nor less than four semesters of college enrollment, and at least 60 semester hours credit previous to the semester in which elected. She must have maintained a "C" average throughout her college enrollment. The same qualifications apply to the treasurer save the clause saying the candidate must be a girl—boys, too, are eligible.

Council Members Total 12

The 12 Council members shall be composed of the president of each class and two councilmen-at-large from the senior, junior and sophomore classes and a Council representative from the freshman class. All must have had a "C" average throughout their college enrollment. The graduate students are entitled to one representative on the Council.

Each class will elect three officers — president, vice-president and secretary-treasurer. Only the members of the class will vote on its officers.

Results of the election will be announced at the discretion of the election committee.

Mrs. Shelburne Dies in Foster

Mrs. Cephas Shelburne, who was house mother in Clark Hall for 10 years, died at 11:30 o'clock Wednesday night. "Mother Shelburne" as she was known to students, came to the campus in 1932 and has remained here ever since.

She was a house mother in Jarvis Hall the summer of 1942 when it was still inhabited by coeds. The fall of that year she moved into her room in Foster and it was there that she lived the last year of her life.

"Mother Shelburne" endeared herself to students with her kindly interest in each of them, and her sweet smile. Before her illness, she cared for a rose garden and cut the flowers to be placed in the Clark and Foster Hall parlors and offices.

The 1938 Horned Frog was dedicated to her, and stands as a symbol of the spirit which she has left at T. C. U.

She is survived by her daughter, Miss Elizabeth Shelburne, dean of women; one son, Richard of Sherman, and a sister, Mrs. R. E. L. Abbott of Roanoke, Va.

The funeral will be held at 11 o'clock this morning with President Emeritus E. M. Waits and the Rev. Granville Walker officiating.

Meyer, Sadler Made Real 'Arkansas Travelers'

Pres. M. E. Sadler and Coach L. D. Meyer were commissioned "Arkansas Travelers" by the governor of Arkansas in a special ceremony before the game with the University of Arkansas Saturday.

"They gave us the commissions so we would feel good," says Pres. Sadler, "because they knew they were going to beat us. I saw the governor after the game, and he didn't ask for the commissions back."

2 E. S. M. W. T. Classes To Begin Monday Night

Two classes of E. S. M. W. T. will begin at 7 p. m. Monday, Dr. C. K. Holsapple announces.

A class in "Advanced Cost Accounting" will be taught by L. T. Miller, Jr., and will meet in Room 1 of the Administration Building. A class in "Personnel Management" will be taught by Jack D. Brown in Room 218.

Dean Hall Teaches Course At San Angelo Church

Dean Colby D. Hall has been teaching a course in "The Prophets" in a teacher training course at the First Christian Church in San Angelo this week.

See Steer Game Free

You'll be wanting to go to Austin for the T. C. U.-Texas game. And you would go—if only you could afford it!

How about letting The Skiff pay your expenses? Not only your expenses, but those of the girl—or boy—friend.

That's right. The Skiff will award two all-expense trips to Austin—railroad fares, meals, two tickets to the game—to the student, boy or girl, who will put forth a little effort.

The Skiff will publish next Friday an advertisement wishing "Good Luck to Coach Dutch Meyer and the 1943 Horned Frogs" in their first home game, against the Aggies. To the student who sells the most signatures—individuals and business firms—for that advertisement will go the two free trips to Austin.

But this is no usual contest, for there will be no losers. All those who enter, (other than the first-prize winner) and sell at least five signatures will receive a cash commission of 15 per cent.

Prof. J. Willard Ridings and Miss Billie Jean Boney are in charge of the contest. No member of The Skiff staff may compete. All students entering the contest must signify their intention of doing so to either Prof. Ridings or Miss Boney. They must secure official rules and an official receipt book from Prof. Ridings.

The contest opens today, Friday, Oct. 8, and closes at 12 o'clock noon Thursday, Oct. 14.

Be seein' you at the Texas game in Austin!

"Hi 'Ya, Pal!"

"Friendship, friendship, just a perfect blendship."

T. C. U. is probably one of the friendliest campuses in the country. Why? Because everybody's happy and wants to know everybody else and wants to like everybody else.

Very few people go around saying "I don't like so-and-so." Why? Because they would soon become outcasts, with no friends at all.

Everybody speaks to everybody else, whether they know them or not. "Hi 'ya" is the general password.

No matter where a T. C. U. student may roam, he will usually run into another person who will say "Say, that's my Alma Mater, too!" And there they are—two friends with a common background.

Maybe a student meets his wife, or husband, or a best friend during four years on the campus. Even if he's an old sourpuss and never meets anybody, he'll remember the school years as the best of his life.

Campus Club Sets the Pace

In normal times it was the thing to do to have picnics, dances and what-not for entertainment. But these are not normal times. T. C. U. has gone to war and her clubs and organizations are going to have to go to war with her.

More organizations should follow the example being set by the Campus Club. Soldier entertainment and U. S. O. work are activities befitting a war-time group. The Campus Club was organized for this specific purpose and therefore had to start from scratch. Other clubs on the campus were already functioning and could merely change the rhythm of the inner workings and be doing just as much.

So it's thumbs up to the Campus Club and other groups which have adapted themselves to the current need, and thumbs down to those which are standing idly by.

As a passing thought, couldn't a patriotic club like the Campus Club do swell with a service Varsity Show?

The Frogs e in Harry rdner and ly Hale two the best line- kers in the nference. se two boys med to have and in on al- st every kle Saturday. rdner was the y 60-minute man, although Hale yed 57 minutes.

GARDNER

Gardner's blocking was some- ng to see. The former Mus- g center had the Hog linebacker reeling from his terrific blocks, ich could at times be heard on bench.

The play of Capt. Clyde Flow- was outstanding as usual. It s through his position that cas set off on his long jaunt. e "Cap" also made his share of tackles.

Bill Marshall broke through ice in the last half, to toss the kansas passer for long losses attempted passes.

HALE

The low punting average of Coach John Tomlin's eleven could be laid to the hard rushing of the Frog line. The Arkansas kicker got off only one good punt the entire engagement. Two of the Hogs' cks were partially blocked.

Coach Meyer had to send in a bstitute for Hale when the "Ole en" got a little too hot and nded in the fourth period. Bill marked at the bench, "That's hat I get for not being in shape." e went back in two minutes later, owever, and finished the game.

Lucas Stars in Season Opener As Frogs Beat Porkers, 13—0

Triple-Threat Pecos Back Leads Drive—Stout Line Play, Hard Blocking Mark Game

By RICHARD MOORE

Two red-headed Frogs, Harry Gardner and Clyde Flowers, and a little 160-pound triple-threat back, James Lucas, paced the Texas Christian eleven to a 13-to-0 decision over the University of Arkansas Saturday before 10,000 spectators that nearly filled the Little Rock High School Stadium. It was the opening conference game.

With Gardner and Flowers opening wide holes for the backs to romp through—besides knocking down all plays that came their way—with Lucas doing some marvelous hip-shaking running and excellent kicking, the Frogs crushed all hopes of the Razorbacks to win their first conference victory in three years.

Both Frog touchdowns came in the third period, after the two teams had battled to a stalemate during the first half.

T. C. U. kicked off to begin the second half, and took over on its own 41-yard stripe after the return Arkansas boot. On the first play, Lucas took the ball on a direct snap, dashed through a hole over right tackle and threaded his way 50 yards through the Arkansas secondary to the Hogs' 9-yard line before being pulled down from behind.

Carter Makes Touchdown

On third down, after two trys by Lucas and Doug Carter and aided by a holding penalty that put the ball on the one-yard stripe, Carter sliced over tackle for the Frogs' first touchdown. Frank Medanich, kicking specialist, failed to convert.

Eight minutes later, the little man from Pecos intercepted a Hog heave, cut to the sideline and, behind beautiful blocking, raced 40 yards for another score. Not a hand was laid on him by a red-shirted player. Medanich added the extra point.

The Frogs were content to play mostly defensive ball after this touch, although near the end of play Carter intercepted a Razorback pass and got to the opponents' 20-yard line. There the drive fizzled as three line drives netted but seven yards, and a field goal attempt failed.

Except for these two quick touchdowns, neither side threatened to score. Fumbles and penalties hurt scoring chances of both elevens.

Whereas it was expected that the Christians would move by air and the Razorbacks would go by ground, the game was just the opposite.

Line Play Stands Out

The Frog line, from end to end, stood out. George Gartner and Bill Marshall, both playing their first varsity game, turned in good ball at the end posts. Flowers and Dick Smith played bang-up games at the tackle positions, with Norman Morrill and Walter Harrison making their quota of tackles at the guard holes. Billy Hale played long and hard at the center spot.

In the backfield, Lucas was ably assisted by Carter, Royal James and Gardner.

New Bible Prof Is Tennis Champ

Dr. Fred West, who becomes assistant professor of Bible Nov. 1, recently won the Blue Grass singles and doubles championships of Virginia for the second consecutive year. Dr. West has also won many other tournaments in the Virginia area.

Dr. West established a new record for the Virginia tournament by eliminating his finals opponent, a fellow minister, in straight sets, 6-0, 6-0, 6-0. He was seeded No. 1 in both the doubles and singles contests.

Initial Gridiron Showing Of Band At Aggie Game

The Horned Frog Band will make its first appearance in support of the Frogs when it marches at the A. & M. game here Oct. 16.

"The band will march on the field at the half," says Prof. J. W. Woldt. "Also, our drum major and majorettes will be on hand."

The band gave a concert at the Fort Worth Army Air Field Tuesday night. Transportation to and from the concert were furnished by the field personnel.

Slingin' Sam Baugh Has Second Heir to Fame

That happy look on Coach Dutch Meyer's face the other day was because of the good news that he may have another Sammy Baugh to attend T. C. U. and pitch passes for the famous Frogs—that's about 18 years hence.

A second son was born into the family of Samuel Adrian Baugh last Friday afternoon in Sweetwater. Name of the all-American's son was not announced.

The couple have another son who was named Todd in honor of the former Texas Aggies great grid man, Dick Todd, who was a former teammate of Baugh's on the professional Washington Redskins team.

Play to Go On Oct. 13, Finally

Death's long-postponed holiday will finally take place when the Dramatic Club presents "Death Takes a Holiday" Wednesday night in the Auditorium.

Sets for the play are on the way and will probably be in place by Monday. Only thing to cause uneasiness is the fact that the production will be on Oct. 13, with 13 members in the cast.

"We are pretty sure that the play will really go off on schedule this time," says Miss Ann Barham, stage director.

Mrs. Kiber to Teach Freshman English Course

Mrs. John Kiber has been added to the staff of the English department to teach Freshman English, Miss Mabel Major reports. Mrs. Kiber attended T. C. U., receiving her A. B. degree in 1938 and her A. M. in 1942. She has been teaching freshman English in the Evening College.

Mrs. John William Waits has resigned from the English staff to join her husband, who is in the Army, stationed in North Carolina.

Mrs. Alma Louise Bailey is on leave of absence for graduate work on a scholarship at the University of Texas. While working toward her doctor's degree, Mrs. Bailey will teach two classes of freshman English.

Pre-Med Tests Slated For Biology Lab Oct. 29

The Association of American Medical Colleges' aptitude test will be given at 2 p. m. Oct 29 in the biology laboratory, Dr. Willis G. Hewatt announces.

"It is important that all pre-medical students, including freshmen, take this examination," says Dr. Hewatt. "It may not be given again for some time, and no special exams will be given in the future," he adds.

Those planning to take the test should make application to Mrs. Lena Needham, biology secretary. A fee of $1 is required.

Frogs Eager For Aggie Tilt

Lucas, Half-Pint Guards Impressive in Play Against Bigger Arkansas

The Horned Frog players took a deep breath Monday afternoon, and then began preparations for the coming Texas Aggie battle, Oct. 16. This week's work will be light, however, to give the Frog starting team a much needed rest after the hard battle Saturday.

Monday, besides giving out new plays, Coach Dutch Meyer spent considerable time in pointing out mistakes that were made against the Razorbacks.

Coach Meyer was pleased with the work of his line against the Porkers' offense. He also had a few words of praise for the punting and running of his No. 1 tailback, Jim Lucas.

The biggest surprise to Meyer, however, was the way his two lightweight guards, N. B. Thomas and Shirley Anderson, stood up against their heavier opponents. These two little men weigh but 311 pounds together, which is considerably under the regular weight for conference guards.

Spud Cason in Semifinals At Worth Hills Tourney

Charles 'Spud' Cason, captain of the Frog golf team, advanced to the semifinals of the Worth Hills golf tournament by defeating R. W. Untank, a Californian who is a Marine trainee at NTAC. Cason, defending champion of this tournament, defeated the Marine, 1-up.

His semifinals opponent will be Hugh Ardoyne, who shot a one-over-par 72, to down the medalist of the tournament, Don Mahan, 1-up.

Miss Audrey Naas is visiting her parents in Minneapolis, Minn., this week.

From The Crow's Nest

By HATTIE STANLEY

While the Frogs are resting after their victory over Arkansas, and gaining strength for the big clash with the Aggies, gossip and tales still fly around the campus. Any changes in incidents written here are purely a matter of time, and of coincidence.

My, my, the parties that T. C. U.ites took part in last Saturday night. The Casino was the stomping grounds for quite a few of them.

KATHERING LIGHT and her flame, SWAYNE "BUDDY" CUMMINGS having cake and everything, to celebrate their making up. MITZI TUCKER, LEE WEBB, and FRANCIS COULTER giving the V-5s a run for their money. PAT FINCHER, DON GREGORY and BOB OLSON telling about the fun they had at Pat's house on the lake.

Speculation is running high over the reason why CARLIE CURRIE isn't seen with BILL DAMERON anymore. Some say it's because of a blonde named WILLIAMS from Dallas.

The stars in JEANIE GRACEY's eyes are put there by a fellow named BAYLOR LOOPER. JEANIE is going to visit him soon, which will make one STANFORD DARST most unhappy. And what about that major named JOE, JEANIE?

HARLEY WEBB and PHIL WEINKRANTZ are both trying desperately to catch LORA DELL HARWOOD. But LORA's sister, MARY LOUISE is still going steady with CLARENCE WESTAPHER.

Romances that held over from the Freshman Prom include the triangle between LORETTA KNIGHT, ALICE GALLANT and DUKE "WOLF MAN" BOLEN. Also JIMMY ROBERTS, GEORGE VAUGHN AND MARGARET SLAGLE.

All the Navy men are crying their eyes out because ESTELLE SOUTHWICK sees only GILBERT GRADY. Spanish classes are sitting up and taking notice because RODRIQUEZ GARCIA is visiting them.

Deeply engrossed in "For Whom the Bell Tolls" were FRANCIS HALL AND BILL SAUNDERS. Also GERLYNE SCHMIDT and her marine, VAN HALL.

BILL HORN seems to think that going fishing with the professors is fun. But, when one of them fell in the lake, well, it ceased being so enjoyable.

If you were to ask a bunch of girls who was the most popular man on the campus, you'd find that MR. DUNAGAN, of the business office, would win thumbs up. Tell us the secret of your popularity, MR. DUNAGAN.

Take a girl, says BETTIMAE McGONAGILL, then take two good friends, say MALCOLM WILSON and JIM BOB PAXTON, mix these well with a little outside competition, says CLYDE FOLTZ and you'll find that all you have is a conglomeration. Who came out on top, BETTY?

How 'bout LYMAN SPERRY traveling all the way to Shreveport to see his girl—and not having heard from her since?

And a gal from New York parking on the Clark Hall steps refusing to leave until "LEMONADE" came down to talk to her—and he came!

Miss Ruth White is the new president of the Fort Worth Library Club and presided at the first meeting of the club at the home of Mrs. Roy Robertson recently.

Campus Club Elects Officers, Initiates

Officers were elected and new members initiated at a meeting of the Campus Club Monday.

The officers are: president, Miss Addie Ruth Fulkerson; vice-president, Miss June Dameron; secretary, Miss Bonnie Hall; corresponding secretary, Miss Betty Petty; treasurer, Miss Helen Ziegler.

A social was given in honor of the new members by Mrs. Gayle Scott at her home Tuesday.

Miss Dorothy Forrester sang and Miss Betty Flo Baker gave a recitation. Refreshments were served.

S. C. A. Group Hears Social Worker

The S. C. A. entertained all its members with a party Tuesday night, at the bandstand. After Miss Evelyn Watkins, member of the Social Workers Agency, spoke, a sing-song was held, and games played. Jimmy Tinkle was in charge of entertainment.

Misses June Dameron, Bettymae McGonagill, Jimmy Farrar and Ed Cornelius had charge of refreshments.

All September freshmen at the party organized a group, under the direction of Dr. H. R. Mundhenke. Miss Janice Conley and Joe Wick are group leaders.

Plans for Year Made By Home Ec Club

Plans for the year were made by the Home Economics Club when its members met yesterday.

"We also discussed changing the name of our organization," says Miss Ruth Tucker, "but we have reached no definite conclusion yet."

Campus Club to Use "Autumn" Theme

"Autumn" will be the theme of the Campus Club dance at 8:30 o'clock tomorrow night at the Elks Club.

The dance will be formal and music will be provided by a juke box.

Dr. Sadler Postpones Faculty Party

The faculty party scheduled for Saturday night at Foster Hall has been postponed because of the death of Mrs. Cephas Shelburne, President M. E. Sadler reports.

New plans concerning the party will be announced later.

Leti to Honor V-12ers With Open House

Open house will be held for the Navy V-12 unit by the Leti Club from 8 to 10 o'clock Tuesday night, Oct. 19. There will be dancing and refreshments in the Mexican Lounge of Foster Hall.

Sigma Tau Initiates 11 Members

Initiation was held by Sigma Tau recently. After the initiation, Sigma Tau and the Poetry Club held a joint meeting. Mrs. Mabel McKinney Weir, Fort Worth poet and winner of several poetry prizes, talked and read some of her poetry. She was introduced by Miss Mable Major.

The following were initiated into Sigma Tau: Misses Johnie Ruth Bowers, Nita Carrington, Nell Nettles, Fay Gardner, Caroline McGown, Jane Lauderdale, Mary Lou Morrow, Pauline Snyder and Peggy Hancock, and Ellison Oster and Jack W. Wilmeth.

Mavericks Give Tea, Elect New Officers

New members of the Mavericks were honored with a tea recently at the home of Mrs. Artemisia Bryson.

Miss Janice Conley was elected president of the organization. Other officers are: vice-president, Miss Mary Gene Carter, and secretary-treasurer, Miss Mary Elizabeth Routledge.

Students eligible for membership are asked to leave their names with Mrs. Bryson in the English office.

Ampersand Purchases $100 War Bond

A $100 war bond has been purchased by the members of Ampersand with funds accumulated over a period of years, reports Mrs. Gayle Scott, sponsor of the club.

Mrs. Colby D. Hall, member of the board of advisors of the club, gave a tea Sunday afternoon at her home, 2624 University Drive, honoring new and transfer students who can meet the qualifications of membership.

Brigham Will Present Students in Recital

Students who are voice pupils of Prof. John Brigham will be presented in a recital Tuesday, Oct. 12.

The program will be held at 8:15 p. m. in the new Recital Hall.

A. C. S. Holds Picnic In Forest Park

The annual fall picnic of the T. C. U. branch of the American Chemical Society was held Wednesday afternoon in Forest Park. The picnic was for old members and prospective new ones.

Personals

The Men's Glee Club sang at a banquet for delegates to a Texas and Oklahoma district meeting of the Kiwanis Club at Hotel Texas Wednesday night.

Miss Eula Lee Carter spoke at the Delta Kappa Gamma meeting in Hillsboro last Saturday evening. She was also general chairman of the Altrusa meeting over the weekend.

Clinton Wins Title of Build-Up Man, Grows Two Inches

"Who says that it's easy to be a great lover?" asks bewildered Clinton Henderson.

Clinton is playing the romantic lead in the Dramatic Club presentation "Death Takes a Holiday," and he feels that all is not fair in love and war. He has pretty Miss Elizabeth Faguy-Cote for his leading lady, and Miss Pauline Shaw feels the strength of his wooing too. He gets the girls away from Navy Man Alfred Jones, and defeats every turn his rivals make to keep him from Elizabeth.

Yes, his bed of roses is plenty soft. But one little matter bothers him. His shoes had to be built up two inches to make him tall enough. And everyone knows that it hurts a man's vanity to have to be built up!

Library's 'Lend-Lease' Shelf Displays Variety of Books

One of the most popular spots in the Library is merely a table. On the table are books—books of travel, books of adventure, biographies, fiction. The authors are well known authors and writers who aren't so well known.

This table is the "lend-lease shelf," as Mrs. Bertie Mothershead calls it. Every few weeks the books are changed, and new ones appear. Best sellers and the works of Shakespeare mix, and a book on Japan sits next to the autobiography of a great Russian diplomat.

Most popular books which are kept on the "shelf" week after week, on popular demand, include: "The Story of Dr. Wassell," by James Hilton; "George Washington Carver," by Holt; Eve Curie's new book, "Journey Among Warriors"; Sinclair Lewis's "Gideon Planish"; John Steinbeck's "Bombs Away"; Barry Benefield's "Eddie and the Archangel Mike"; Maurois' "I Remember, I Remember"; and Jan Fortune's "Elizabeth Ney."

Navy Nickles Relate Tale of Sailor Thoughts

Nothing could show the presence of the Navy trainees around the campus more readily than a short stay in Horned Frog Drug Store.

For instance, there is the amazing number of times "Anchors Aweigh" grabs all the nickles that head for the juke-box.

Then there are the poor souls, who, after a visit to the Post office, seek the Drug to "plunk" rather forlornly or angrily, as the case may be, their well earned five-cent pieces of "No Letter Today."

"Honey, I'm In Love With You" is also quite popular with—but that's where the trouble starts. No one seems to know whether it's the Navy playing it for the girl or the girl for the Navy.
