Seniors Bid Farewell to Campus

We're going to miss T. C. U. We'll miss those daily classes, the labs we've struggled with for four years. We'll miss those term papers due at inopportune times. We'll miss staying up nights before tests, cramming to make a good show. We'll miss arguing with the professors, and we'll even miss losing those arguments.

We'll find it kinda funny not to hear the campus buzzings, more football game excitement, no more seeing the Frogs at those Longhorns. We can't come to the dances as students any more. This year's Ranch Week is the last one for us, and we'll miss those levis and checked shirts. We'll miss meeting the gang at the Arch, and going over to the Drug during that class we cut. We'll miss the Main Hall in the Ad Building, where we caught up on all the gossip.

But most of all we'll miss the students—the friendly associates we've had these past years. We'll miss the fun of being a Frog. We'll miss all these things, but we'll be happy because we know we've done our job, and had a wonderful time doing it. We're just changing from student Frogs to world Frogs, and we thank the school for just being T. C. U.

Navy V-12 'Graduates' Are to Be Presented at Sunday Exercises

Forty-two V-12 trainees have completed their work at T. C. U. and will be presented at the commencement exercises at 3 p. m. Sunday afternoon. Lt. C. Decker, commanding officer of the unit, will present the trainees.

Gordon G. Singleton, president of the Student Body, will give the commencement address. Dr. M. E. Sadler will preside and will confer the degrees. The degrees for the degrees will be conferred by Deans Ellis M. Cortell, K. Holsapple, Ray A. Smith and Jerome Moore. The degrees will be presented by Sterling P'Pool, assistant dean.

The degrees in medical technology will be presented by Dr. Andujar, candidates for the degree by Dean Smith and honor candidates by Dean McCorckle.

The degrees for the academic program will be conferred by Prof. B. A. Crouch, Thomas Prouse, Prof. John M. Will sing a solo, with Q'Zella Oliver Jeffus at the piano.

Colby D. Hall will give the invocation and President E. M. Waits the benediction. A reception will be held for the graduates.

Barbarett to Take Cross Tour Army Camps

Members of the Cowtown are firmly convinced that they will be a part of Ranch Week.

Barbarett did the fame of their tour. She is already directing the tour for repeat programs. First on the list is a series of tours to the hospitals in the camps.

H. S. Gillette, a director of the Fort Worth Red Cross, contacted Ann and made arrangements for the trips, starting Sunday at Camp Howze and Perrin. They will be followed by Camp Walters, the United States Public Health Farm, Camp and McCloskey General Hospital, Temple.

The kids are all enthusiastic about the prospect of taking the tour to Army camps. Besides, it makes them feel they are doing something toward making the men happier," reports Ann.

Students who are planning to go on the tour include Jake Swinburn, Claude Mathis, Richard Harold Sims, Helen Christy, Louie Loudon, Dorothy Smith, Waltermire, Bettie Leeper, Allison, Dorothy Nuss, Harry Hattie Stanley, Jackie and Miss Barham. Bill will be master of ceremonies.

graduates and their parents in Foster Hall immediately following the Commencement exercises. The senior luncheon will be at 1 p. m. tomorrow at Colonial Country Club.

A donation will be made to the "Service Men's Scholarship Fund" as the class' gift to the school. It was decided at a senior meeting Monday.

All Registration Begins March 5

Registration for the spring semester will start with an assembly for all new students in the Auditorium at 9 a. m. Monday, March 5. At 9:45 a. m. all new students will go to the Library for instruction in the use of the Library facilities. Registration for new students will begin in the Library at 10:30 a. m.

The Library will be closed from 12:30 to 1:30 p. m. All returning students may register in the afternoon until 4:30 p. m. Registration procedure will continue from 9 a. m. to 12:30 p. m. and from 1:30 to 3 p. m. Tuesday, March 6. As soon as students have completed registering in the Library they can go to the Business Office to settle their accounts.

Physical examinations will be given from 3 to 5 p. m. Tuesday. The girls' examinations will be in Foster Hall and the boys' in the Gymnasium.

A get-together for everyone will be held in Foster Hall, starting at 7:30 Tuesday night.

Classes will begin Wednesday and all students must have their "admit to class" cards the first day. It is important that returning students co-operate during registration and register only at the allotted time. This will save a great deal of confusion, Registrar S. W. Hutton announces.

Life Photog Shoots, Shoots, Shoots

You'd have to be either terribly stupid or terribly sleepy not to know who the little man with the camera was. He kept bobbing up in strange places during Ranch Week. James Laughhead was his name. And his business? Taking pictures for Life Magazine.

Mrs. Laughhead accompanied her husband on the assignment and had much to do with the way the pictures were taken. In fact, she is the person responsible for the whole affair. When she heard that someone was trying to get Life down here, she put in a long distance call to the editorial offices, requesting the assignment. She got it.

Jimmy, as the photographer was affectionately tagged, began by

Gough Contest Has 5 Entries

War Bonds, Stamps Will Be Prizes—Girl Reading Festival Also Planned

Five names were submitted as contestants for the Gough Oratorical Contest this week, according to Prof. Lew D. Fallis, director of the event. Scheduled for May, the 31st annual contest will be preceded by the second annual Reading Festival for girls.

Entered in the Gough contest are Albert Bristol, Ernest Barratt, James Hayes, Merwin Coad and Thomas Russell.

First prize for the contest will be a \$50 war bond. Second prize will be a \$25 war bond. The third place winner will receive \$10 in war stamps. Dr. Roy A. Gough will make the presentations.

Subject matter for the event must be original and limited to 15,000 words or 10 minutes in length.

The All-Girl Reading Festival, founded by Prof. Fallis last year, will include selections from poetry and prose not more than eight minutes long. Winner of this contest will be announced at the Creative Arts Day and will be the second name to be engraved on the Reading Festival loving cup.

Miss Ann Barham and James Fairbrook won the two contests of 1944.

Mrs. Katherine Norton Chosen Council Sponsor

Mrs. Katherine Norton was elected sponsor for the Student Council at the first meeting of the new Council Tuesday. Nineteen members were sworn in by Bob Matheny, retiring vice-president. Three other members who were not present will be sworn in at the first meeting of the new trimester, which will be Tuesday, March 12.

The Council will continue meeting at 12:05 p. m. every Tuesday. Ed Hinson was elected as the Council's parliamentarian.

Waltz, Jitterbug Contests To Be Feature of Evening, Dead Week Notwithstanding

It's the Navy's way of saying good-bye, when they throw their farewell dance tonight for all the V-12ers who are leaving at the end of this trimester. It's a free affair and everyone is invited. The accent will be on food and more food. (Oh boy!) There will be sandwiches, cokes, fritos, olives and all the rest of the trimmings.

Pulitzer Poet To Visit TCU

Robert P. Tristram Coffin To Address Assembly, Confer With Students

Robert P. Tristram Coffin, famous American poet, will visit the campus Wednesday, March 14, for two lectures and conferences with interested students.

He will speak at a campus assembly in the morning on "America Belongs in Ballads." That evening he will give a public lecture on "What Poetry Is." During the afternoon he will hold individual and group conferences with poetry-writing students.

During the week of Mr. Coffin's visit to the campus, the Library will have an exhibit of his books. In 1936 his "Strange Holiness" was awarded the Pulitzer prize for poetry.

'Give Us Our Daily Bread' Walker's Sermon Topic

"Give Us This Day Our Daily Bread" will be the sermon subject of the Rev. Granville Walker Sunday morning at the University Christian Church. For the prelude, Mrs. Q'Zella Oliver Jeffus will play "Andante," by Thome, and for the offertory, "A Poem," by Schubert. The choir will sing, "O For a Closer Walk With God," with Miss Dorothy Nuss as soloist. There will be no Evensong.

Library Will Receive Ernie Pyle Manuscript

The original manuscript of Ernie Pyle's "Brave Men" will be presented to the Library by the Cadmean Club at a tea March 7 at the Woman's Club, reports Mrs. Bertie Mothershead.

Honors Awarded To 12 Champions At Ranch Week

Spurred on by a rodeo crowd of some 400 spectators, cold weather and instructions from a Life magazine photographer, Ranch Week celebrations for 1945 hit a new high in campus activities. Miss Judy Evans, suffering a sprained foot from the covered wagon ride, proved to be the only casualty of the observance.

However, other students were banged about during the rodeo of Saturday afternoon. When the dust had settled, George Otey had won the wild cow milking contest, Bill Craft had won the calf roping event and Beans Baker walked off with the steer riding honors. Life Photographer Laughhead won honorable mention for arena evocation and fence climbing during the steer riding festivities.

In sports not so vigorous, Hugh Walters copped the beard contest, Hugh Kolter won the tobacco spitting event and Leroy Pasco took the horseshoe pitching crown. Miss Bobbie Landers proved to be the fastest cigaret roller and Miss Polly Jones took precision honors in the same event. Bill Craft and the speedy George Otey won the men's division of the cigaret contest.

During the Thursday night dance, Miss Betty Proctor was voted the most typically dressed cowgirl and James Cooper took honors for the most typically dressed cowboy. In between posing for photographs, the crowd danced.

Tonight's Navy Dance—A Campus Affair

The gesture of the Navy men in making an all-campus affair out of tonight's farewell dance is typical of the recent acts which have served to create a commendable "melting pot" attitude between civilian students and the V-12 group.

In the early days of the unit, the course of relations between the two possible "factions" was problematical. What could have developed is illustrated by the '44 T. C. U.-A. & M. football classic in which

the Aggie V-12 unit formed a formidable Frog cheering section. However, men of the Frog V-12 unit integrated themselves with extracurricular activities of the campus—turning what rivalry that did exist into the friendly type.

Thus, tonight's hop will probably entertain one of the largest party crowds of the school year. Furthermore, it will give the chance for old friends to bid adieu.

Faith Restored—Students Can Co-operate

Ranch Week was proclaimed a great success by most students. Student co-operation, more than any other one thing, can be named as the reason for that success.

In spite of misunderstandings, interruptions and other hindrances, students really co-operated. Not only did they attend all events—whether they were at 7:30 a. m. or they had to travel seven miles on a wagon in cold weather—but they pitched in and did their share of the work.

Naturally, a few students had to take the leadership responsibility. But almost all students worked to make Ranch Week a success. There weren't any slackers; everyone did his part, and did it well.

Surely this is enough encouragement for students to continue such co-operation. In the past, the few leaders were forced to do all the work themselves. Now that students have begun to enter into the working side of campus plans, bigger and better events should be ahead.

PICKED UP PASSING BY

Get Your Picture Made? Invitation to Court Extra Quiet Sunday

"Did you get your picture taken by the Life photographer?" has been the question of the week. Those who did seem to be quite happy over the whole thing—most of them happy enough that they shucked out \$1 for an 8x10 print. Some who didn't are also quite happy—for not everything that happened would have looked good in print, particularly in Life magazine.

Second question, asked by almost everyone, has been, "When will Life use the pictures?" Well, Life may never use the pictures. Of course, there is a better than even chance that it will, but the magazine "covers" probably three times as many events as it is able to find space for. Certain it is, though, that Life could never publish pictures of Ranch Week unless the pictures were first made. So the first step has been taken. Fort Worth news dealers better get a big extra supply of the magazine the week (if and when) the pictures are used.

Miss Bonna McKee's shower was quite exciting to a few of the guests. While playing a fortune telling game with the ribbons which tied Bonna's many presents, Betty Jean Schmuck learned that she is to be the next to carry orange blossoms. Mary Helen Key found that she is slated to be the future mother of 11 children—5 singles and 3 sets of twins! Betty Jean is quite agreeable as to her future (as disclosed by the ribbons), but Mary Helen is not so enthusiastic about her post-war world.

When Hattie Stanley is in a hurry, she's in a hurry—but definitely. She was hurrying (in her car) to school to meet the Life photographer, when a motorcycle cop thoughtlessly interrupted her rendezvous with fame and

Mary Lou Slay Editor and Business Manager

presented her an invitation to court—traffic court. The ticket said she was doing 60 miles in a 30-mile zone. Ranch Week cowgirls should stick to their horses anyway!

La Verne Feeny unconsciously expressed an inborn feminine viewpoint during a recent session of Miss Mable Major's "Browsing" class. The topic of immortality came up and the class turned into an open forum. Finally, Miss Major beiled the question down to, "Is the younger generation concerned about immortality? Do you ever talk about it?" After a moment of thoughtful silence, La Verne voiced, "It all depends on whom you go out with!"

There is no doubt that anti-establishmentarianism is quite a word. But it can't compare with the one recently discovered on the blackboard in Prof. C. H. Richards' government classroom. This word is chlorohonzylfomaldylaminoxysulphoramide. A student who appears to know defines it as a mouth wash. The Skiff wouldn't know. It's a matter for the chemistry department. The spelling may not even be right!

Sunday is reported to have been the quietest day of the year in Foster Hall. Doors were closed, radios were silent, bridge games had ceased—peace descended upon the dormitory. All the girls were catching up on lost sleep and resting sore feet after Ranch Week activities. "I didn't know a bed could be so comfortable!" one coed reports.

Pageant Cast Is Announced

Cast of "The Everlasting Dream," religious pageant to be given during the Pan-American program series, has been chosen, according to Mrs. Katherine Norton. To be given at the University Christian Church, the presentation will take place sometime in March.

Members of the cast are "Joseph," Bob Matheny; "Mary," Miss Ann Barham; "Joanna, a child," Miss Marjorie Black; "Joanna, an adult," Miss Betty Jo Gamble; "John," Bob Buschman; "Mary of Bethany," Miss Vida Bevil; "James, the child," John Sieber; "James, the adult," Roy Joe Cates; and "The Shadowy Mother," Miss Beverly Taylor.

"Angels of the Nativity" will be portrayed by Misses Betty Jean Schmuck, Jane Franklin and Betty Jo Thompson. "Angels of the Passion" will be Misses Alice Loudon, Polly Terril and Mrs. Elizabeth Epperson Donoho. Misses Ellen Becker, Grada Lindsay and Marylou Miller will take the parts of "Angels of the Resurrection."

David Moake, Merwin Coad and Jimmy Tinkle are cast as kings.

Sgt. Gilbert L. Jackson, B. S. in Commerce '40, was one of the American prisoners freed in the Philippines. He served with an Army medical detachment and had been a prisoner of the Japanese since the fall of Bataan.

David Burl Alexander, ex '36, torpedoman's mate third class, is on duty on a destroyer-escort with the Pacific Fleet. He recently visited his wife and daughter in Fort Worth.

Pfc. Gilbert Hester, ex '43, was wounded in Germany Jan. 7.

Ensign Jack Gunter, V-12 ex '44, is stationed in Norfolk, Va.

Ensign Stuart Erlanger, V-12 ex '44, has received his commission from Northwestern and is on an L. S. M.

Jerold Phelps, V-12 ex '44, is in medical school in Galveston.

Bill Burnette, Joe Painter, Marian Ford and Paul Dyer, all V-12 ex '44, are in school at Louisiana Tech in Ruston, La.

Lt. Mel Summers, B. B. A. '32, is on a baby aircraft carrier in the Pacific.

Ensign Milton Pearson, ex '44, is in the South Pacific.

Paul Leonard, ex '44, is in the Army at Gulfport, Miss.

Jimmy Duke, V-12 ex '44, is in the Atlantic.

Duke Bolen, ex '44, is somewhere in the Pacific.

Ensign Dan Jarvis, A. B. '41, visited the campus while on leave recently.

Lt. Ed Etier, A. B. '40, is stationed at San Antonio.

Ensign Willis B. Smith, ex '42, visited the campus last week after serving in active duty as a signal officer on an aircraft carrier.

Glenn Parker, V-12 ex '44, is attending preflight school at Iowa City, Ia.

S 1/c Jack McDermitt, V-12 '44, is in the South Pacific on LCI. He is expecting leave soon.

S 2/c Robert Maxey, ex '42, studying in the Navy Fire Control School in San Diego.

Pfc. Elmer Tidwell, ex '42, visited the campus during the Week after having seen service in England, France, Belgium, Holland and Germany. Tidwell returned to the States Jan. 21 after six months of duty with the infantry. He is now stationed at Broome General Hospital, San Antonio.

Lt. (jg) Earl Dyess, A. B. '41, visited the campus after six months of duty on an aircraft carrier in the Pacific. One of the dive bomber pilots on the ship, Dyess was acting signal officer during the invasion of Palau, Leyte, the second battle of the Philippines, the battles of Luzon and Mindanao. Aviation Machinist's Mate 1st Class A. Vanderkolk, B. S. in Education '41, visited the campus last week. Now stationed in Jacksonville, he is awaiting further duty on the South Pacific.

Hospital Attendant 3rd Class, Pat Hogan, ex '45, is stationed in San Diego. He has more weeks to go on quarantine. Ensign H. E. Evans, ex '41, completing his first year in the Water Transport Division of the Army. He has just returned from South America and visited the campus this week.

S 2/c Lon Fishback, ex '41, on the campus last week before departing to San Diego, where he is working with the welfare branch of the Navy. He is scheduled for overseas duty, where he will be in charge of entertainment on a Pacific island.

Frog Flashes

Frogs Whip Baylor 55-25 to Tie for 3d In Conference Loop

Coach Hub McQuillan's Purple and White basketeers cinched third place in the Southwest Conference standings Wednesday night at Waco in trouncing Baylor's cellar Bears, 55 to 25. The Frogs were never extended and loafed through the last half after gaining a 35-to-6 lead at halftime.

The Frogs started fast and showed their fine midseason form in pouring the ball through the mesh from all angles. Leroy Pasco and Merle Gibson got the scoring parade off to a flying start, and T. C. U. was away for good.

The Bears made but two field goals during the first half.

In the second half, McQuillan allowed his reserves to play all but five minutes, and it was only at this point that the Bears were able to do anything with the Frogs' tight zone defense.

Marlin Hicks, the Bears' tall center, began to find the range with his shots in the last half and the Bears outscored the Frog second stringers by 4 points.

Pasco paced individual scorers for the game, with 16 points. Hicks led Baylor, with 13 points. Gibson counted 12 points for runner-up honors for the Frogs.

T. C. U. played minus the services of M. J. Baker, Norman Cox and Jack Davis, Baker and Davis were ill and Cox was forced to stay behind because of his studies.

Trimesters to Continue Until June '46, Dean Says

T. C. U. will continue on the trimester plan until June, 1946, Dean Jerome Moore says. Plans for the summer-fall trimester will be announced in the summer-fall bulletin which went to the printers this week.

The summer-fall trimester will be from July 2 to Oct. 23, divided into an eight-week summer term, July 2 to Aug. 28, and a fall term, Aug. 29 to Oct. 23.

Mrs. Ruth Angell's class in "American Literature" exercised the age-old prerogative of beefing about outside reading, so Mrs. Angell tried to lessen their self pity about having to read "Moby Dick" by telling them that her little nephew read "every whale of it" last summer. Mrs. Angell admitted, however, that she herself skipped a whale here and there.

CPO Rex Clark, ex '36, is stationed with the Sea Bees in the Aleutian Islands.

March 7 Is Open House

Four Events Planned Are Boxing, Wrestling, Basketball, Water Polo

Final plans for the 1945 Intramural Open House were completed this week. Wednesday, March 7, has been selected as the date for the meet. The date was changed because of the conflicting Stock Show and Texas Basketball Tourney dates.

Four events—water polo, mixed basketball, boxing and wrestling—will make up the evening's program. The water polo game and basketball contest will start the Open House concurrently, at 7 p. m. Bill Smith will conduct the water sport.

Prof. Tom Prouse, director, has organized a cage game between girls in the physical training classes and football players. The boys will be required to wear boxing gloves and play under girls' rules. Miss Jean Smith will captain the girls' sextet.

Both events will take place in the Gymnasium.

At 8 p. m., the boxing and wrestling bouts will begin. Dick Gobb is forming a boxing and wrestling team from Goode Hall. The civilian eight will meet a similar group from the Naval unit, in the Basketball Gymnasium.

Prouse has sent out a last call for all wrestlers and boxers to report to him immediately. He desires to pair the boys off several days ahead of the tourney.

As usual, admission to the Open House will be free.

LOST: Brown leather wallet, containing valuable pictures, papers. Reward. Return to Book Store. Hattie Stanley.

Fast Sooner Aggies Last Frog Opponents

The unpredictable Horned Frogs, an up-and-down club all year, bows out of basketball for 1945 tomorrow night in Oklahoma City against Oklahoma A. & M., ranked as the second best college team in the nation.

Coach Hub McQuillan's group will again assume the role of underdogs, and an upset of the high-riding Cowboys would shock the entire cage world. Only recently the Cowpokes were edged out by De Paul, a standout in basketball for many years, 48 to 46.

A squad of 10 and the coach will entrain for Oklahoma City tomorrow morning and will return Sunday morning. The game will be part of a double-header in the Municipal Coliseum in Oklahoma City.

Leroy Pasco, Ron Pearson, Merle Gibson, George Sauer and Howard Overbeck will form the starting team for the Frogs.

Coach Hank Iba's club centers around 7-foot Bob Kurland, one of the greatest centers in the country. "Foot Hills" is a definite all-American nominee this season.

A. & M. already holds victories over Rice, the 1945 conference champion, and Arkansas, the runner-up. However, the Razorbacks edged out the Cowboys also, several weeks ago in Arkansas.

The tilt will end the longest schedule of any conference team this year—29 games, with the playing sites stretched from Houston to New York City.

Dean Cortell K. Holsapple spoke Tuesday night at a meeting of the Fort Worth chapter of the National Association of Office Managers at the Worth Hotel. His subject was "Ideas of Value for Our Day."

Horton's Five Takes Crown

Blue League Champs Go On to Win Intramural Basketball Championship

Joe Horton Tuesday piloted his Blue League quintet to a 37-to-13 victory over the Blue League team of O. H. Lamkin, to win the intramural basketball crown.

The championship game was preceded by Thursday night play-offs between the Red League team of Red Hadaway and the Blue League crew of Lamkin. The 34-to-20 dubbing taken by Hadaway's cagers was their first defeat in the 1945 set up.

Friday night's affray between the teams of R. G. Basanko and Horton set up Horton and Lamkin as the top teams of the season. At the final whistle, Horton's men had rung up 42 tallies to the 17 of Basanko's crew.

When a wheel of the covered wagon came off during the Ranch Week parade and spilled riders over the lower end of Commerce Street, perhaps most surprised of all was Sadie Beth Tevis. Sadie says the first thing she saw after hitting the pavement was the outstretched arms of Dean Elizabeth Shelburne, coming to her aid. Foster residents cite the incident as one more demonstration of an on-the-job dean of women. Dean Elizabeth Shelburne says she just happened to be standing in the right spot at the right time.

Radio Gunner J. P. Baze, B. S. in Commerce '42, is stationed with the Eighth Air Force in England.

The Baylor Bears are going to take up football again next fall. Consider when they're going to take up basketball again!

The Frogs finished the season in a tie for third place in conference standings, which is something of a habit. They wound up in the same spot in 1942 and 1944. In 1943, they topped fourth place. In gaining a tie for third this season, however, they hung up their best record since Hub McQuillan has been coaching—7 won and 5 lost. The conference record for Coach Hub's four seasons at the helm is 24 won and 24 lost.

Not since 1934, when they took the title with 10 games won and 10 lost, have the Frogs done as well as they did this season. In the seven seasons between 1934 and 1942, T. C. U. won but seven conference games, finished in the cellar most of the time. Many fans are saying that, with one of the tallest players of the type of Bill Rice or George Kok of Kansas, the Frogs would have a fine chance to cop the flag this year.

Tom Prouse has arranged a girls vs. boys basketball contest for the Open House festivities March 7. The boys will be handicapped by being required to wear boxing gloves and to play under women's rules. Such a contest was staged at the Open House a few years back and it was the spotlight event of the night. Even with boxing gloves, the boys scored enough points to win.

Leroy Pasco wound up the conference season as the Frogs' leading scorer, with 41 field goals and 113 free throws for a total of 113 points. Merle Gibson was second, with 94 points. Ron Pearson got Howard Overbeck 51, George Sauer 35, Jordan Rothbart, Max Binko and Norman Cox 27 each.

If the new ODT manifesto on athletic travel is correctly interpreted in newspaper stories, there may have to be a couple of changes in T. C. U.'s 1945 grid schedule. ODT, according to reports, has said that games must be played on the home field of one of the competing schools. T. C. U. is booked to play the University of Kansas (Lawrence, Kansas) in Kansas City, Mo., and to meet the University of Oklahoma (Norman, Okla.) at Oklahoma City.

Arkansas plays the Aggies in Fayetteville tonight and tomorrow night, to wind up the 1944 season. The Razorbacks will play in both the contests, leaving the final conference standings like this:

Team	W	L	Pct.
Texas	12	0	1.000
Arkansas	9	3	.750
T. C. U.	7	5	.583
M. U.	7	5	.583
Texas	5	7	.417
A. & M.	2	10	.167
Baylor	0	12	.000

Conference baseball is only five weeks off. The diamond Frogs begin the season at home with Rice today, March 30. The campus had no baseball since 1942 and the fans are looking forward to having a major spring sport again.

Jobs a-Plenty Waiting For February Grads

With graduation just around the corner and caps and gowns tucked under every senior's arm, the question of the week seems to be, "What are the seniors going to do out in the cold, cruel world?"

HOMER SALLEY finds an answer in more education. He will attend the Baptist Theological Seminary at Louisville, Ky., and begin work on his Ph.D. degree.

English Major J. B. BLUNK will remain at T. C. U. to do his graduate work, as will MRS. EULA HARDESTY, who is majoring in education and minoring in business. EUGENIA KRAFT is another student who will continue her schooling in the business field.

BOBBIE CHUMBLEY is going to put her biology major to work as an assistant in the T. C. U. biology lab.

"Staying over" another term is DORIS MAHON'S post-graduation decision. She will take part in a play the Dramatic Club will give some time in March or April. Doris is president of the club and plans to organize a community theater.

JERRY TURNER will teach English literature as she continues her studies for an A. M. degree. DORIS HAMPTON, however, plans to lay her teaching aside for a while to become a housewife.

Ambitious VIRGINIA MASON is going to work on her "doctors"—Navy doctors, not degree. (Nice work if you can get it!)

Try this one for speed: MRS. BLANCHE TERRELL will graduate from two universities in less than six months—T. C. U. next week and the University of Texas Medical Branch at Galveston in June.

MRS. THELMA SIMPSON plans to direct a high school orchestra and chorus after graduation, and to continue teaching piano lessons, too.

JAMES RHODES is going to continue his work as supervisor of parochial schools. JARY HUNNICUT is another student who'll keep working at "the old job."

Psychology Major ADELINE DANIELS says she's gonna use psychology in selling shoes to people in her father's shoe business.

MAYME CONNER will do personnel work with a local firm after she gets her sheep-skin. Becoming an airline hostess is LA VERNE FEENEY'S ambition for the future.

HAROLD HUNT, a V-12 trainee, will come over from Dallas, where he has been attending Southwestern Medical Foundation, for the graduation ceremonies. Receiving his degree "in absentia" will be FLOYD ("ZEKE") CHRONISTER, who left in December to go to work for the Dow Chemical Company.

C. F. SPARGER and POLLY RUTH GEAN will not make it back for graduation either. Polly is now Mrs. William Jennings and is busily keeping house for her husband in Everett, Wash.

Still another graduate who will be "conspicuous for his absence" is WILLIAM B. COOKE. He recently recovered from an eye operation and is now attending Xenia Bible Institute in Pittsburgh.

CHERRY KEMBLE and DENA LOU COX are going to put their business majors into active duty after graduation. Cherry will work for the Emperor Oil Company, and Dena Lou will return home to Comanche, to become head bookkeeper for the Higginbotham Motor Company.

MRS. MARGARET LONG plans to enter social work of some kind, but first she will take a vacation. (Did someone say, lucky?)

Also vacation-minded is CLYDE FLOWERS, who will return home to Perryton for a few days and then trek to Houston for a short visit. Clyde will coach at Plain-

view High School beginning in April.

BETH SCHIELE will leave soon for her home near Chicago, where she will rest before taking up her duties as a medical technologist.

President of the Natural Science Club BEVERLY BERRY has been awarded a Kellogg Foundation scholarship for medical technology training at Harris Memorial Methodist Hospital. FRANCES ARMSTRONG, who for the past year has been continuing her medical technology studies at the same hospital, will become an assistant hemotologist there.

Medical technology seems to have a corner on the graduate market. Other "med. tech." majors are WANDA McCULLOH, who will work in a hospital in Dallas;

MARY ANN MASSEY, who plans to work in New Orleans; DANA HUDSON and BETTY SWITZER, who will go to a San Antonio hospital. Betty is planning to work until her fiance FRANK NUSS comes home and the wedding bells ring.

MRS. DOROTHY MONTGOMERY will continue teaching at her dancing studio and waiting for BEECHER to come home from the South Pacific.

Another graduate who is waiting for her husband to return from service with Patton's Third Army in Germany is MRS. MYRTLE HAMILTON, who plans to take up the time by teaching school.

MRS. ELIZABETH DONOHO claims she couldn't go to work after she graduates if she wanted to—seems her 7-month-old son is going to keep her pretty busy.

S/Sgt. Emmett Sherrod, ex '43, is stationed in the South Pacific.

Miss Polly Ruth Gean Weds Lt. Jennings

Miss Polly Ruth Gean became the bride of Lt. William Bryan Jennings II in a double ring ceremony performed by the Rev. Perry Gresham in Arlington, Wash., on Feb. 5.

Mrs. Jennings will receive her degree Sunday. Lt. Jennings graduated from T. C. U. in 1941.

Lt. and Mrs. Jennings are living at present in Everett, Wash. He is stationed with the U. S. Navy Auxiliary Air Station at Arlington as assistant operations officer and photographic officer for the field.

Miss Henry Given Birthday Party

Honoring Miss Barbara Henry on her 29th birthday, Misses Ellen Becker and Nancy Barnard entertained with a surprise party Feb. 13 in their Foster Hall room. Those attending were Misses Dena Lou Cox, Polly Terrill, Joan Gardner, Betty Jean Schmuck, Nancy Shackelford, Vida Bevil, Becker, Barnard, Henry and Mrs. Patsy Davis.

10 Fosterites Honor Janet Kroll

Miss Janet Kroll was entertained recently with a birthday party by her room mate and suite mates in Foster Hall. Guests were Misses Pat Waldrop, June Chamlee, Mary Sue Rogers, Beth Jackson, Betty Jean Haasis, Snoozie Smyth, Jean Smith, Bobby Landers, Bobby Anderson and Chris Holder.

Miss Louise Spalding Weds Ensign

Miss Louise Spalding, ex '44, was married Friday to Ensign John Milton Hollis at St. John's Episcopal Church in Albuquerque, N. M. Miss Helen Anderson, A. B. '44, was maid of honor. Ensign Hollis will report to duty, while Mrs. Hollis will remain in Albuquerque, where she is an assistant aircraft communicator with the C. A. A.

Dean and Mrs. T. S. McCorkle will give a lecture recital for the Lawyers Wives Club of Dallas Wednesday.

Profiles

DOROTHY MONTGOMERY

President of the February graduating class is Mrs. Dorothy Montgomery. Dorothy has dark hair and dark eyes. When she was a freshman she was band sweetheart. And she was a class favorite for three years.

Besides being president of the senior class, she is vice-president of Bryson Club, and a member of W. S. A., Los Hidaigos, the Dramatic Club and the Student Council. Dorothy is a physical education major.

Dorothy's husband, Lt. Beecher Montgomery of the Marine Corps and former Frog football star, is in the South Pacific. Dorothy and Beecher have been married one year and eight months. (To be exact.)

In the way of likes, she lists (besides Beecher) eating, sleeping, getting letters, people and the colors red and white. She likes to cook too, and banana cream pie is her specialty.

In addition to going to school, getting married, etc., she has taught dancing for five years. Doty has had her own dance studio for two years. Evidence of her good work is the way she directed the dances in the Ranch Week show. She likes this work and plans to continue it after graduation.

Ask those who know her, and they will tell you Dorothy Montgomery is a mighty swell person to know with her friendly laugh and good humor. Profile of an active student.

Meliorist Club will have a pancake supper at 7 o'clock Sunday night at the University Christian Church.

New Schedule For Program

Inter-American Week to Be Held as Series of Several Spring Events

"Inter-American Week," originally scheduled for the last part of March has been changed to a series of inter-American programs to be held on different dates during the spring. This change has been made since the different departments participating in the events were unable to obtain consecutive dates on which to give their programs.

The first thing on the schedule will be the annual meeting of the Lone Star Chapter of the American Association of Teachers of Spanish, to be held on the campus March 24.

Enrico Verissimo, Brazilian novelist and lecturer, will speak on the campus April 17.
