**ENROLLMENT EXCEEDS 6000**

Filing Date

In Elections Is Scheduled

Filing date for the fall elections has been set for tomorrow. Prospective candidates may pick up filing forms and copies of the election rules at the Information Desk of the Student Center any three days prior to the filing meeting.

5:00 p.m. tomorrow, two weeks prior to the primary, all candidates will meet in the Student Center Room 207. At this time each candidate shall present his filing form to the election committee chairman. The election committee chairman shall distribute copies of the election procedure and explain election rules fully. Every candidate must be present or have a representa-

Candidates shall be required to pay a $10 filing fee. The fee will be collected prior to the filing of the election to candidates who complied with all election rules. Failure to comply with the rules shall result in disqualification of the candidate and in loss of the filing fee.

The candidates shall be requested to submit six two by three inch pictures of himself to the election committee at the time of the filing meeting. These pictures will be used in the publicity put out by the election committee. This is not mandatory, but the pictures must be included in each candidate’s expense account.

Each class will elect a presi- dent, vice president, secretary and treasurer. Freshmen also will choose representatives to the Homecoming Queen. All classes will vote for the 1960 Homecoming Queen. Only the class presidents and the freshman class representatives will be members of Student Congress. Class presidents must have a minimum of a 2.2 grade point index overall and on the last three semesters. Freshman class representatives must have a minimum of a 2.0 grade point index on the last long semester. Nominations for Homecoming Queen can be made by any student.

blown about being from home is not getting to

Miss Cynthia Lillie, 1960 Howdy Week Queen, is a versatile girl whose interests range from cooking to tumbling. An art major who plans to go into interior decorating, Cynthia likes all spectator sports, especially football.

Cynthia is the daughter of Dr. and Mrs. G. V. Lillie of Houston. Honors are nothing new for Cynthia. While attending school at Lamar High she was chosen cheerleader, most attractive and Lamar sweetheart at A&M. She was also a member of the Chorallettes, a musical group and the Mirabellas, a service league for girls.

One of Cynthia’s favorite hobbies is cooking. Her younger brother and sister, Randy and Patsy, especially like her choco-

**Testing Conference Planned**

Applications are being ac-

The United Religious Council will hold a retreat for its del-

The purpose of the retreat is to give the delegates a chance to get acquainted. The council also will use the opportunity to discuss the coming year’s program, evaluate First Call and discuss a theme for Religious Emphasis Week.

The council will plan for the retreat, to be open to the two delegates from each religious organization on campus.

Applications for the 1960-61 academic year should be postmarked before Oct. 15. Applications may be obtained from the sponsoring group or from the Office of Student Life, 101 Milam Bldg., Houston 2, Texas.

Misses Mary Elizabeth Foust and Barbara Elaine Gaddy received the United Methodist Woman’s Award for the 1959-60 session to applicants under 35 years of age who have not previously lived on the campus.

Cannibal or Clothier

We see by the paper that a man in Wisconsin has complained that the magazines publish too many jokes about cannibals. He points out that there are very few cannibals left, and that most African natives wouldn't dream of eating you, even if you were a missionary.

Sometimes we feel the same about jokes about clothing salesmen, another popular subject for cartoon treatment. In these the salesman is always grabbing the suit at the back and insisting that it fits well and it looks nice, although he knows it looks terrible.

At CCUS you will find that the salesman won't sell you the wrong size even if you want to buy it.

Sir Isaac Newton is struck by another great idea!

"IT'S WHAT'S UP FRONT THAT COUNTS"

As sure as little apples, Newton knew that what goes up must come down.

But when it comes down to a really pleasantable filter cigarette, it's what goes up— in front of the filter, that is—that makes the difference!

And there's where Winston had an inspired idea—Filter-Blend! Winston specially selects choice, mild tobaccos, then specially processes them for filter smoking. The result: Filter-Blend up front of a modern filter. That's what makes Winston a complete filter cigarette.

Filter-Blend also makes Winston America's best-selling, best-tasting filter cigarette. Take it from Sir Isaac:

"You don't have to be hit on the head to know that Winston tastes good like a cigarette should!"
Ceylon University, Ceylon Dr Bagjerly lectured to International Geophysical Year. During his three-year stay in Ceylon, Dr. Baggerly lectured to over 100 high school science clubs and worked on the continuous recording of the cosmic ray. He pointed out that many students favored those marriages because they did not prepare them for choosing a mate. The purpose of the Fulbright program is to help to further understanding among the nations that participate in this program. Dr. Baggerly believes that the usual one-year scholarship is insufficient time for the student to become acquainted with the program. He believes that his three-year stay in Ceylon enabled him to accomplish the purpose of the program.

The new physics professor has to cope with the problem of living out of a suitcase. During his three-year stay in Ceylon, the student's baggage is en route to Fort Worth. Now that the airplane was used to fly to Fort Worth immediately after the game, the student's baggage had to be stored for the duration of the strike. The strike is over, his baggage is en route to Fort Worth and should arrive before Thanksgiving.

Lots of dance parties are scheduled. Many of them are sponsored by the new students' groups. The cost of transportation will be $12.35 per person, round trip. Deadline for reservations is Thursday.
**Frogs Favored to Down Hogs**

By Jack Harkrider

"Those people are crazy, picking SMU to win the Southwest Conference when TCU has a team like it does."

Such were the words of Max Fulger, LSU's All-America center, who is a cinch to repeat with the honors this year.

"That was one of the hardest games I've ever played. I don't think we will ever play a tighter game," he went on to say.

Fulger was full of praise for the Frog team, pointing out Don Floyd and Robert Lilly for their outstanding performances.

"That Floyd is really a great football player. He played a real fine game. He hits you harder every time he goes after you." "And what's that other tackle's name, Lilly? Man, that son of a gun is as big as a mountain. He's one of the best football players I've ever seen."

According to Fulger, Billy Cannon can run the 100-yard dash in 9.4 seconds and will travel to the upcoming Olympic trials to compete in the 60-yard event.

Fulger went on to say Cannon would have made a touchdown on an intercepted pass, late in the fourth quarter, had it not been for a pulled leg muscle.

As Fulger continued, it became obvious Cannon could run the hundred in less than ten seconds with both legs broken.

**BALLIN’ THE JACK**

By ERNEST WHITE

The Purple-cladmen travel to Hogland Friday with the intention of righting the wrong done them in 1957.

The Frogs will have some tough competition at Fayetteville the following afternoon, in their first conference tilt of the season, since the Razorbacks have already beaten Tulsa and Oklahoma State.

And will be out to add the Frogs' scalp to their collection.

The Hogs will have their attack on the talents of Jim Monty, a 175-pound halfback, and Jim Monroe, an unpressible but consistent quarterback.

Monty has been turning in All-America performances and is hailed as the best backfield man since Clyde Scott, who Razorback's All-America halfback in 1948.

Cox didn't develop as the team pilot until spring training and since then, has turned in a better than average performance.

A twist of fate got Curtis Cox, sophomore halfback, a chance to show his talents, when he took over for Joe Paul Albert, the regular starter who was out with an injury in the Oklahoma State game.

During spring training, Coach Frank Broyles and Cox couldn't develop until mid-season. However, with his showing in the last game, Cox is destined to be a threat in the Frogs' side.

Adding more fuel to the fire, the Razorbacks have free gained ends, heralded as the finest in the school's history. Led by Billy Butler, GIT of the conference's top pass receivers, the Hogs will give TCU's secondary a good workout.
