

THE SKIFF TCU

Your School—Your Paper—And Your News

Presidents Reception

VOL. 27.

FORT WORTH, TEXAS, WEDNESDAY, SEPTEMBER 26, 1928.

NUMBER 1.

AS I SEE IT!

By RAYMOND COPELAND

T. C. U. welcomes its new fish with the same democratic hands that she has welcomed hundreds of other fish in the past.

The fish is an essential part of the institution. The school realizes this, and all it asks is that the fish does not let his own realization of the fact overtake his desire for knowledge.

Here is a little suggestion for the new officers of the class of T. C. U. '29. It has been the custom in T. C. U. for many moons for all fish to wear slime caps until they have become thoroughly acquainted with the campus, etc. So, as a little tip, the sooner those caps appear on the downy domes of the slims, the sooner the slime will assume a rating on the campus... you're welcome.

WHILE we are talking, I want to call attention to two of the most important football games of the year. Both are out of town. One is to be played over across the river at a burg called Dallas with a school called S. M. U.

This other is to be played with a bunch of the finest farmers in Texas down at a place called College Station, where every cadet is a friend of T. C. U.

Down there we will meet the Aggies on Kilo Field and have one of the hottest and hardest fought football games of the season.

And when the time comes for that special occasion, every stude wants to have enough dimes saved up to go down on the special train. You will have the time of your life, and see a real football game. Let's all Hooverize, and see that game.

I guess by this time every fish has decided his purpose in T. C. U. That's good. Just stick by that purpose for four short years and your folks will see the difference when you get home.

THERE is one thing for which T. C. U. has held the highest rung in the S. W. C. ladder for a long time. And we want to make that ladder just a step higher this year, by FIGHTING like frogs. That thing is PEP.

If there is a fish recently enrolled who doesn't know the school fight song by now, He'd BETTER LEARN IT SOON, and while he is learning that, he'd better learn those yell also. And when T. C. U. students yell, they don't whisper, they put it out. So Mr. and Mrs. Slime get those yells down and let us hear you yell.

Geel! there are so many things that fish need to be told, I'm afraid I won't get around to all of them, but any way, Slime don't forget about your pep.

Class Organization Activities Start

Juniors Plan Entertainment—Other Classes Announce Early Meetings.

Bill Rogers was appointed business manager of the Junior class and Miss Vera Turbeville and elected social secretary, to take the place of Miss Virginia Douglas who did not return to school, at a meeting of the class Monday morning. Miss Turbeville will be chairman of the committee which will take care of all junior social activities.

The first of these will be an entertainment for the dormitory juniors to be given by the juniors who live in Fort Worth, the time to be set later for a date in October.

Committees to care for the details of class affairs were appointed, with chairmen as follows: Membership, Lloyd Burnes; social, Vera Turbeville; publicity, Rainey Elliott, ring, R. Z. Dallas.

The first senior class meeting is scheduled for this morning, immediately after chapel.

The sophomore class is expected to hold a meeting within the next few days.

The freshmen class discussed plans for a calendar at a meeting yesterday.

Frogs to Meet Daniel Baker on Next Saturday

Former T. C. U. Star Is Head Hill-Billy Director.

CLARK HAS HEAVY CREW

Frogs Will Be Outweighed, But Full of Fight and Power.

Eager eyes will be centered on the Fighting Frogs when they encounter the Daniel Baker Hill Billies on the T. C. U. gridiron next Saturday.

In the eyes of the coaches the Frogs gave a good account of themselves against the East Texas Teachers last Saturday, but no team can be judged by its first showing of the season.

Herman Clark, star T. C. U. quarterback of the past, and now head coach of the Brownwood institution, was an interested spectator of the initial Frog combat. Nothing would do the young coach more good than to plaster a defeat on the gridiron warriors of his Alma Mater.

The game promises to be thrilling and hard fought, for the Hill Billies have always been a tough assignment for the Frogs. Last year the game ended in a victory for the home team. This fact will be an incentive to the visitors and will spur them on in hope of victory.

Even though the Clarkmen are in the T. I. A. A. it does not indicate that the Purple and White will have an easy time of it. In fact the game should be as good, if not better, than some Southwest Conference games.

Coach Bell has told his men that it would be shameful for the Frogs to allow a young inexperienced coach from a school of a smaller conference to lead his team to victory over the Frogs. This statement has spurred the local boys on and they will be hard to beat.

The Frog mentor was somewhat reticent about giving out information concerning the starting line-up. However, he did say that it was up to the boys and the ones that showed the best in practice would get the call. Never before has the former Centre College star been blessed with the reserve material that he has at the present time. As it looks now it will be largely a matter of decision as to who will start. There are several who are equally as good and it is highly possible that those of equal caliber will play equally as much. It is certain that no one has a monopoly on his respective position, and this fact causes competition to be quite keen.

Showing made by several reserves of last season and some of the sophomores indicates that the so-called regulars will have to step to hold their places. Ody Thompson and Austin Griffin are having a merry battle over the fullback job. Griffith's weight and size will give him a distinct advantage, yet the experience of Thompson will be to the veteran's credit.

It is hard to pick a regular quarterback this early in the season, with such men as Tolar, Grubbs and Sain fighting for the job. The first mentioned is a senior, the next a junior and the latter a sophomore. So far they have shown equal ability. It seems to be more or less a toss up between the other backfield men, but it is likely that the veterans—Morgan, Eddleman and Akers—will share the responsibility.

The ends are a source of worry for the coaches, for none of the prospects are experienced in Southwest Conference competition. However, Robertson, Flynn, Alexander, Walker, Eury and Baxter show promise, and with a little more experience they will be hard to beat. Herstine's lack of weight handicaps him in competing with Atkins at center. Neither have had sufficient experience at the position to warrant a final decision, but it looks like Atkins will do most of the work. Capt. Williams and Barr are hard to beat at tackles, but Clifton Bruce and Red Moore are yet to be heard of. Brumelow, Reynolds and Reid compose the guards. The trio are about equal in caliber.

POPULAR MEMBERS OF THE FRESHMAN CLASS

Mr. John Garnett, staff photographer of the Horned Frog, accomplished a rare feat in photography when he obtained this first picture of the recently elected officers of the freshman class.

Reading from left to right: They are, President Thomas Blanton; vice president, Wendell Schuler; secretary and treasurer, Marjorie Ione Scott. The young lady at the extreme right is Miss Nelda Smith. The photographer was unable to obtain the names of the other members of the group.

Freshman Prom Called Tuesday

Student Body President McDiarmid Introduces New System.

The annual freshman prom was scheduled for 8 o'clock Tuesday night. All arrangements were to be made by Weir McDiarmid, president of the student body, who is in charge of all student body activities.

The prom, which is held during the first week of each school year, is a general get-together for new and old students. Prom programs are used, and students were busy during the early part of the week "singing up."

A new feature was to be introduced this year by President McDiarmid. In previous years partners have had difficulty in finding one another because of the large crowd, McDiarmid planned to eliminate this difficulty by two booths located on the campus to be used as headquarters for the freshman. The new comers were to be divided into groups alphabetically, and assigned to booths. At the end of each prom, partners were to be returned to headquarters.

Another feature was to be the announcement of the number of the prom by bulletin from the band stand.

Chairmen of the committees to be in charge of the event were: Refreshment, Elizabeth Ayers; program, Fred Erisman; music, Stevie Hellman; get-together, Sarah Beth Boggs; decoration, Helen Jenkins; financial, Ralph Sanders. The "Big Sister Program" of the Y. W. C. A. will be in charge of Gladys Simons. Freshman class officers, Lawrence Blanton, president; Wendell Schuler, vice-president; and Marjorie Scott, secretary-treasurer, are aiding in the arrangements.

Music was to be furnished by Russell Ward's Collegians.

Jessie Hawkins Leads First Sunday School

Campus Religious Activities Get Under Way—Four-Fold Life Discussed.

Miss Jessie Hawkins was leader, and Prof. H. L. Pickering in charge of the class period at the first meeting Sunday morning, of the Texas Christian University freshmen Sunday school.

Miss Evelyn Van Kouren gave a talk on "The Four-Fold Life," which was the theme of the lesson and is to be the subject of discussion for the next four Sundays. Miss Marjorie Miller gave a violin solo accompanied by Miss Ruth Baber.

Travis White led the Christian Endeavor program at 7:30 o'clock Sunday evening in the Brite College chapel, on the subject, "The Value of Co-operation in the Business World;" by Miss Myrtle Davis on "The Worth of Individual Co-operation;" and by George Wheeler on "What We Can Do If We Have Co-operation." A general discussion followed.

Officers for the Freshmen Sunday School and Christian Endeavor group will be elected at a later date and installation of the officers will be held about the first Sunday in October.

BAND BOYS MAY PLAY ON TRIP ON GOOD WILL TOUR

According to announcement made by Butler Smiser, \$1,500 was appropriated for the T. C. U. band at a meeting of the board of trustees Friday.

From this sum, two additional scholarships will be awarded, and new equipment bought. The Frog band has been invited to play on the South Plains Good Will tour in October over the Fort Worth & Denver's new line into Lubbock. It is expected that the band will accept the invitation.

Reports from Professor Sammis show that over forty freshmen reported for band practice before any upperclassmen had matriculated. With the addition of last year's members, the band membership should number close to sixty pieces. Sammis also announced that all band uniforms have been cleaned and pressed and are in excellent shape. The trumpet section was thought to have been weakened by the loss of Brint Waggoner and Coy Poy, two of last year's outstanding trumpeteers, until freshman matriculation showed that a completely new trumpet section can be opened.

All other sections of the band, however, have been materially strengthened. Jo Bruce Wilmett will continue as drum major while Walter Hurgt will continue as assistant director.

Simmons Game Will Be Played On New Field

According to dope, our friends out at Breckenridge are expecting a big thing when the Horned Frogs meet the Simmons Cowboys there Oct. 6.

We recall that the Simmons' band and pep gang made quite an impression on Cowtown folks when they were here last year, and with this in mind, the West is looking for a big crowd from Fort Worth, and a whole of a good football game.

The game will be played on the new field which was recently completed at Buckaroo Park and is said by football fans to be among the best in the State. The new steel stadium, just completed assures comfortable seating capacity for 8,000 persons.

The Texas & Pacific Railway has announced a special excursion rate for the game. A rate of \$2 for round trip from Abilene and \$3 from Fort Worth will be in effect. W. S. Cooper of the Breckenridge Chamber of Commerce stated Saturday that two special trains, and probably three, would be operated out of Abilene for the gridiron battle.

Glee Clubs Hold Tryouts

Tryouts for the Boys' Glee Club were scheduled for last Monday afternoon and those for the Girls' Glee Club for yesterday afternoon. Announcement for the selections for the two organizations will be made in next week's Skiff.

WE RISE TO REMARK

It is hoped this year to publish the best Skiff that Texas Christian University has ever had.

This aim can be realized, however, only through co-operation on the part of the student body as a whole.

There are some forty student reporters combing the campus each week for school news. They are not mind readers, however, and can only write for the Skiff such items as you, and you, and you can give them.

Don't complain that "The Skiff never says anything about me, or my organization, or my department, or the activities in which I am interested." We will say something about them if you will see to it that we know about them.

When a Skiff reporter asks you for news, meet him or her half way. If you know of some event, some activity, or some personal item that the staff has overlooked, tell us about it. If you don't know where to find a reporter, come to Room 205, Administration Building, and you will find some one to whom you can give the information.

The Skiff staff and the students in the Journalism Department are going to do their best to put out the sort of a paper that you will want to read. We need your co-operation.

Pays \$100,000 to T. C. U. Endowment

Andrew Sherley Deeds 1000 Acres Land to School.

The acceptance of the payment of Andrew Sherley Deeds \$100,000 endowment note by deeds from 1000 acres of farm land in McCullough and Grayson counties featured the meeting of the Board of Trustees at Texas Christian University Friday afternoon. Mr. Sherley who resides in Anna, Texas, is a member of the Board.

President E. M. Waits, in his annual report to the meeting, pointed out the crowded conditions of the University and stressed the immediate necessity of making plans for expansion.

Upon the recommendation of Business Manager Butler S. Smiser, the board appropriated \$1,500 to be used in expansion for the band. The money will be used for new equipment and for two new scholarships. These scholarships will be effective this year but their holders have not yet been chosen.

Members of the board attending Friday were: Van Zandt Jarvis, Fort Worth; W. L. Cooke, Fort Worth; S. P. Bush, Allen; T. E. Tomlinson, Hillsboro; Andrew Sherley, Anna; H. C. Garrison, Austin; Milton Daniel, Breckenridge; Dan D. Rogers, Dallas; L. D. Anderson, Fort Worth; G. W. Stark, Gainesville. Administrative officers present were Butler Smiser, business manager, and E. M. Waits, president. F. W. O'Malley, Amarillo, advisory member, was also present and C. A. Parker visited the meeting.

Social Calendar to Be Completed Oct. 15

All Programs Must Be Listed With Mrs. Beckham By That Date.

The social calendar committee requests all class organizations and clubs to perfect their social calendar for the first semester and hand a complete list to Mrs. Beckham, the chairman of the social calendar committee, not later than Oct. 15. No program will be permitted without first having a place on the social calendar.

Mrs. Beckham points out the following regulations:

Any T. C. U. student group putting on a public performance in the chapel or elsewhere, shall appoint its own committee on responsibility, to familiarize itself with the program in advance and to be held responsible for its worthiness; if, in the judgment of the faculty, some acts of the program are unworthy, the committee will be subject to suspension, and the participants in the act also subject to suspension.

Or any group may request the "special committee" to inspect and censor the proposed performance. This committee shall consist of the president of each class, the president of the student body and the chairman of the social committee. Anyone putting on a feature not approved by the committee will be subject to suspension.

Rehearsal for benefit of the "special or selected committee" must be three days previous to the performance.

Hand in all requests for entertainment Oct. 15.

T.C.U. Starts on Biggest Year in School's History

Calendar Increased; 15 Faculty Members Are Added.

CLASS ROOMS DECORATED

Fall Semester Ends Jan. 31—1929 Commencement Will Be June 3.

According to campus information, a big year is in store for T. C. U.

If you don't believe that the campus chatter is correct, just take into consideration some of the listed improvements that T. C. U. has witnessed over the summer, as well as the addition of the many new professors.

Even the calendar for the year has increased, and shows "plenty" activities for the general student body.

Classrooms at T. C. U. have been cleaned, painted and redecorated during the vacation period. Several departmental offices have been enlarged and new office furniture supplied. In short, T. C. U. is starting out on the biggest year the school has ever had.

New Faculty Members. Additions to the faculty number 15, seven of these having the Doctor of Philosophy degree.

An important step forward by the school is the employment of a full-time dean of men in the person of Dr. L. L. Leftwich, who will devote his entire time to his duties as dean and vocational adviser for the men students of T. C. U.

Dr. J. A. Glaze will head the new department of psychology. Heretofore psychology and philosophy have constituted one department.

Chapel Opening Friday. The department of mathematics will be headed this year by Dr. Charles R. Scherer, Dr. J. L. Whitman is the new head of the chemistry department.

Dr. Margaretta Ascher has been added to the modern language department as professor of German. The department of government has been increased by the addition of Dr. Robert M. Duncan.

An additional professorship in history has been established and will be filled by Dr. Raymond L. Welty. Dr. Charles Ivan Alexander has returned to T. C. U. from his graduate work at Princeton University to teach geology. The convocation sermon is scheduled for Sunday morning, Sept. 23. The annual president's reception will be held at 8 p. m. on Friday, Sept. 28.

Calendar for School Year.

The calendar for the school year schedules midsemester examinations for Nov. 21 and 22. This will be followed closely by the Thanksgiving holidays, Nov. 29, 30 and 31. The Christmas holidays will extend from Friday, Dec. 21 to Tuesday, Jan. 1. Final examinations for the Fall semester will be held from Jan. 28 to 31.

Enrollment for the Spring semester at T. C. U. will be held Jan. 28 to 31, with classes meeting for the first time on Feb. 1. The annual meeting of the board of trustees will be held on Thursday, Feb. 14.

The Easter vacation period will include March 29, 30 and April 1. Midsemester examinations for the Spring term are scheduled for April 10 and 11.

The 1929 commencement week will extend from May 27 to June 3. Senior recitals will be held during the week of May 22, June 1, Saturday, June 1, will be class day and the baccalaureate sermon will be preached on Sunday, June 2. Commencement exercises will be held at 7 p. m. on Monday, June 3, with the ex-students' Spring reunion scheduled for the day.

Play Contest Planned

Dramatic Club Announces Tryouts for Annual Contest.

The Dramatic Club of T. C. U. held its first meeting Monday night, with some 20 freshmen in attendance, in addition to old members.

Tryouts for the freshman-sophomore play contest were announced for 7:45 o'clock next Monday evening, in Room 304. The Dramatic Club will hold a meeting at 7:15 o'clock, just preceding the tryouts.

THE SKIFF

Entered as second-class mailing matter at the postoffice in Fort Worth, Texas.

BOB CONKLING Miller Robertson	BUSINESS MANAGER Advertising Manager
RAYMOND H. COPELAND Phillys Pope Wade Hawkins Pauline Barnes	EDITOR Assistant Editor Sports Editor Society Editor
Stewart Hellman Frank Hughes William Balch	Special Reporter Special Reporter Fine Arts Features

Department of Journalism Students.

EDITORIAL

FOR the first time in the history of T. C. U., the Skiff is being published by students of Journalism.

New students will not appreciate the fact, perhaps, as much as those who are older in the institution. To give one an idea about the new order of things a little explanation is in order.

In the first place, T. C. U. is now graced with a department of Journalism under the direction of J. Willard Ridings, from the University of Missouri. Through the work of Ridings, the new order has been established, with the co-operation of the faculty and student body.

AND under the new order, the editor of the Skiff will be selected annually as has been the custom in the past. However, the selection will be from a list of candidates approved of by the Publications Committee. At least one year's work on the Skiff is necessary before a person can become a candidate for editor.

The editor will receive as a salary, his tuition, and six hours credit in Journalism.

These are a few of the tid bits about the new order of things that the editor thought might be of interest. It is not necessary to say that the editor of the Skiff this year highly favors the new order, and is going to do his best to give you the best of the student news.

THE paper is yours, it is your news, and you make the news. If you have any opinions to offer and ideas to advance, or even any non-dryable jokes, or in short, anything of interest to the rest of the students, the Skiff will be glad to publish any or all of them.

The editorial offices of the Skiff are located in the Department of Journalism, and there will always be some one there to take your staff.

Let us have any you want printed.

John McDiarmid Knocks 'Em Cold On Tennis Tour

Texas and Texas Christian University contributed an interesting phase to tennis tournaments in the Middle West this summer when John McDiarmid, son of Prof. E. W. McDiarmid of the T. C. U. philosophy department, felt the urge of adventure and, armed with nothing more than his tennis racquet, an extra shirt and a stout heart, journeyed forth in search of opponents.

"The boy from Texas captured the imagination of the galleries as he swept through the opening round of the tournament, defeating with ease veteran players twice his age." Thus ran the Cincinnati inquirer in so many words. John was having a great summer.

Getting a ride into Oklahoma with friends, Johnny, after some waiting, was reduced by a slight despondency. Sitting on a bridge by the roadside, he was astonished and delighted to hear his name spoken. The speaker was Miss Katherine Williams, T. C. U. freshman last year, who was on her way home. John was among friends, and when he departed from Miss Williams' company he was in St. Louis, a good 700 miles from his starting point.

Beating his way through Illinois, Johnny played matches here and there. Posing on into Kentucky he visited his grandmother, but again the wanderlust seized him and he was off into West Virginia. At Charleston he entered the Southern West Virginia tennis meet. From there he passed on into Tennessee and pulled up at Nashville. Here he entered the Tennessee State Meet.

Columbus, Ohio, was his next port of call where his name appeared in

Speaks on "Truth"

Rev. Finnell Gives Address at Opening Chapel.

"Education is profiting from our experience and contacts with great men and women about whom we read in books and with whom we come in contact in the class room," said the Rev. Leslie Finnell in an address at the opening chapel exercises of the school last Friday morning.

Mr. Finnell spoke on the general subject of "Truth."

The exercises were presided over by Presidents Waits, with music by the orchestra. A few words of greeting were spoken by Van Zandt Jarvis, president of the board of trustees of T. C. U.

Miss Armstrong Reads at S.M.U.

Miss De Rue Armstrong entertained the Sigma Kappa sorority of Southern Methodist University at Dallas Monday evening with a reading of her senior recital number, "Smilin' Through."

the entries of the Central Ohio Tennis Tournament. The junior tennis title of Ohio is in Texas this year as a result of the meet. He was also runner up in the men's division, both in singles and doubles.

He then journeyed to Cincinnati, where he rested on his laurels until the arrival of Prof. McDiarmid, who was on a tour of the Middle West. He came home with the family.

Besides several medals, cups and other trophies, Johnnie brings back tales of highway beating, strange beds and unfamiliar faces. He will be a member of the Frog tennis team this year. Being only a sophomore this year, much is expected of the young star in the years remaining at T. C. U. Maybe a second Wilmer Allison?

Yes, We Have No Chapel Excuses; Attend, or Else!

Everybody, including seniors, will have to attend chapel at Texas Christian University this year, according to Registrar E. P. Tucker. In the past, seniors have been excused from compulsory chapel attendance because of the crowded conditions of the university chapel auditorium, but this year an alternate system is being used whereby freshmen and sophomores go to chapel on Mondays and Wednesdays, and Juniors and Seniors attend on Fridays.

Owing to the trouble that the registrar and the chapel monitors have had in the past with excuses for absences from the assembly, a list of excuses that will not be acceptable for failure to attend has been posted at the university.

The following are some of the excuses that will not be accepted and suggestions as to how to remedy the situation:

Excuse, "I had to study." Suggestion, "Study at other hours."

"I was taking a quiz." Take quizzes at other hours.

"I was sitting with a friend." Sit in your own seat only.

"Someone had my seat." Politely ask them to move; if they do not ask the monitor where to sit.

"I got there late and sat in the rear." Get there on time.

Some other much heard excuses and the answers which will greet them are:

"I was not absent." Monitor's mistake. Monitors are expected to be accurate.

"A teacher kept me for a conference." Tell the teacher you have to go to chapel.

"I had car trouble." Start earlier or get a new bus.

"I had out-of-town visitors." Take them to chapel or see them later.

"I had a long distance call." Handle such calls at other hours.

"I was on the program." If so, get excuse card and have same verified by teacher in charge of program.

"I had to go to town." Go to town at other hours.

"I had to meet an appointment." Make appointments at other hours.

"I had to take the car to the garage." Take it some other time.

Band "Sweetheart" Named Tomorrow

Initiation of New Members Also Scheduled for Thursday Meeting.

Candidates for the "Sweetheart" of the Texas Christian University band will be nominated at a meeting of the music makers of the school in the band room Tuesday afternoon. Each year a "Sweetheart" is chosen who wears the band colors and parades with the drum-major at the football games and other activities.

The presentation of the nominees and election will take place on Thursday. Thursday night the official initiation of the new members of the band will take place. There will be new faces in the group this year, and Prof. Claude Sammis, instructor, will have one of the largest squads in recent years.

At a meeting of the Board of Trustees of the University last week, \$1,500 was appropriated for the expansion of the band. The money will be used for new equipment and for two new scholarships. These scholarships will be in effect this year but the holders have not yet been selected.

Invitations for the Frog Musicians to participate in activities over the state are already coming in, according to Professor Sammis. The City of Fort Worth has purposed that the organization make a trade trip to North and West Texas about Nov. 1.

New members who will be initiated into the band Thursday are:

Faculty Members Motor 40,000 Miles During Summer Months

Faculty members of Texas Christian University and their families traveled a total of more than 40,000 miles by automobile this summer, according to information gathered from those who made various overland trips throughout many of the states.

Dr. John Lord, professor of government, Mrs. Lord, Dr. Josiah Combs, professor of modern languages, and Mrs. Combs, spent the summer in the Allegheny Mountains in Kentucky, traveling 3600 miles during their absence.

S. P. Ziegler, head of the art department, drove to St. Louis, Kansas City, Philadelphia, Buffalo and Niagara Falls, covering around 4700 miles.

Dr. W. C. Morro, professor of New Testament, joined his family at Crystal-Lake near Frankfort, Mich. in August and returned with them overland through Eastern Tennessee, where they visited Miss Katherine Morro who is teaching at Livingston Academy, a trip which totaled 3600 miles.

J. W. Ballard, professor of business administration, with Mrs. Ballard and their children, visited in Eureka Springs, Ark., driving about 1000 miles. Prof. R. A. Smith, head of the School of Education, Mrs. Smith, F. E. Billington, professor of Christian ministries, and Mrs. Billington, also drove to Eureka Springs, covering 1066 miles.

E. W. McDiarmid, professor of philosophy, with Mrs. McDiarmid and their family motored to Cincinnati, Ohio, and back by way of Kentucky, making a 2400 mile trip.

Spent Summer In Colorado.

Dr. Herbert L. Hughes, professor of English, and Mrs. Hughes drove to Boulder and Colorado Springs, Colo., and returned by way of Santa Fe, N. M., in time for the Fiesta, a total of 3900 miles.

Carl D. Wells, associate professor of sociology, Mrs. Wells, and little daughter, drove to California and back, a trip of over 4000 miles. Prof. Wells attended the university of Southern California, where he also has leave of absence from T. C. U. for the second semester to return for work on a Ph. D. degree.

Miss Eula Lee Carter, assistant professor in Spanish, after teaching at the East Texas State Teachers' College summer school, drove to Colorado with friends.

F. G. Jones, professor of secondary education, made an automobile trip to Abilene and other points in West Texas.

Members of the music faculty of T. C. U. toured various cities in the East, visiting music schools and getting ideas for their winter's work at T. C. U. Dr. H. D. Guelick, head of the department, with Mrs. Guelick, went by auto to Chicago, Cincinnati, Ohio, through Wisconsin, and to St. Louis, a 3500 mile journey. Prof. Paul T. Klingstedt, head of the department of voice, with Mrs. Klingstedt, drove to Chicago, Indianapolis, Cleveland, Columbus, Lake Canton and Turkeyfoot Lake, Ohio, Buffalo, Niagara Falls and Chautauqua Lake, N. Y. They toured ten states of the East and Prof. Klingstedt filled recital dates at several of the above places. Their tour covered about 4200 miles.

Sammis Visits In East.

Prof. Claude Sammis, head of the department of violin and director of and orchestra, visited at his home in New Haven, Conn., and in New York City, Buffalo, Niagara Falls, Boston, Philadelphia and Washington, D. C.

Prof. J. Willard Ridings, head of the journalism department, probably covered the most territory during the summer months with a record of 9000 miles, to Missouri and return, including many side trips from Columbia, where he was stationed as a member of the Missouri University faculty. Prof. and Mrs. Ridings made ten trips from Columbia to St. Louis, four to

Kansas City and several to Linneus, Mo., doing research work in newspaper organization.

Other faculty members spent their summer vacations either teaching in the T. C. U. summer school, visiting friends or relatives, or studying in the larger universities of the country.

Dean Colby D. Hall went to Lake George, N. Y., where he attended a conference as guest of its dean, W. W. White. Dr. Clinton Lockhart, professor of Old Testament, visited at his old home in Missouri, the first time he had been back in 50 years.

W. M. Winton, professor of biology and geology, took a group of advanced students on a geology field trip through West Texas, and Gayle Scott, professor of biology and geology, taught at the San Marcus State Teachers' College summer school. Mrs. Scott, English instructor, joined him there for a visit at the end of the summer.

Miss Mary Virginia Coleman, assistant professor in French, visited at her home in Murray, Ky., while F. Woodall Hogan, professor of chemistry, spent the summer at his home in Nashville, Tenn.

Prof. Avery L. Carlson of the business administration department taught in the University of Iowa and J. K. Bently of the history department conducted a revival meeting in Dawson County after teaching in the T. C. U. summer term.

Dr. E. Barton Howé, associate professor of English, spent his vacation months in New York, other Eastern states and Canada. Riley Aiken, assistant professor in modern languages, toured Old Mexico and the border country on foot, for the purpose of collecting data for a research thesis.

Several Do Graduate Study.

Among those who did graduate study work included: Miss Rebecca Smith of the English department, at University of Chicago; Miss Mable Major, also of the English department, at University of California; Miss Lorene Shirley, English department, at University of Texas; Miss Adele Clark, Spanish instructor, Columbia University; Prof. Newton Gaines of the physics department, University of Texas; H. L. Pickering, professor of religious education, University of Chicago, and Edwin A. Elliott, associate professor in economics, University of Texas. Professor-Elliott also

went to East Bernard, Texas, after Fort Worth for the summer with the close of the summer session to exception of a week spent in Chicago, visit relatives and to do research work on a Ph. D. thesis. President E. M. Waits remained in and presidents.

Electricity

opens a new era of ocean travel

Miraculously quiet and vibrationless, luxurious and swift, the new electrically operated S. S. California, largest American-built passenger ship, has opened a new era in ocean travel.

Electricity drives the California so efficiently that the fuel bill for the initial coast-to-coast trip was even less than the Canal tolls. Electricity mans the winches, bakes the bread, makes the ice, polishes the silver. And electricity cools the cabins and provides passengers with the comforts found in the finest hotels.

Complete electrification makes the California an engineering marvel and a commercial success; it is booked far in advance, a sister ship has just been launched, and another is under construction.

On sea or land, in every walk of life, electricity is in the van of progress. Undreamed of yesterday, the electric ship is a symbol of the electrical industry's part in modern civilization and a prophecy of even greater accomplishment.

Frog FLASHES

By WADE HAWKINS.

A GAIN the gridiron season was opened with a victory for the Purple and White. Not many games have been dropped by the Frogs on the opening day though, if you recall.

It was pleasing to all Frog fans and supporters to see the way in which the Fighting Frogs held up their name and sent the Lions away with the little end of the score. The score would have undoubtedly been larger had the boys been greeted with a dry field, for Coach Bell was going to turn his men loose with instructions to "shoot the wad."

The way that Sausage Griffith conducted himself was a sight to sore eyes. It looks as though he will be that plunging, driving fullback that Coach Bell has been looking for.

Never before has there been keener competition on the Frog squad as there is this season, and this fact sounds good.

MAKE that Breckenridge trip! Special rates over the Texas and Pacific for \$3 round trip. The Frogs play Simmons that day and it promises to be a real battle, for Frank Bridges, former Baylor University mentor, is leading the Cowboys this season.

The eyes of the nation will be turned to West Point-Southern Methodist clash in New York early next month. We hope that the Mustangs win in order to hold up the honor of the Southwest, but for S. M. U. we hope that the Cadets triumph.

Freshmen get right! Get that old Fighting Frog spirit!

BO McMILLAN, friend and teammate of Matty Bell's while at Centre College, is coaching the Kansas Aggies this year, and we wish him well. "Bo" will be remembered by his visit to T. C. U. last year when he made a very spirited talk in chapel.

Southwest Conference football will not seem the same with such men as Mann, Hunt, Matthews, Sikes, Higgins and others gone. Their places will be hard to fill, yet like many other stars in history they will soon be forgotten by the majority of fans.

LITTLE has been said about the championship of the Southwest for the 1928 season, for they all look strong on paper and there will be a merry scramble for the flag. It will depend largely on the fighting spirit and determination shown. It was the old fight and "never say die" spirit that caused the Aggies to beat S. M. U. and win the '27 crown.

At last T. C. U. has a real hymn that does credit to the university and the student body. The pep song is also good. The good part about them is that they are original.

Get hot at these games and show these boys on the field that you are really back of them and that you are for them.

Class in Boxing Is To Be Organized

Graham, Estes Will Instruct Students Who Are Interested.

Graham Estes, head of Intermural Athletics, announced Tuesday that a class in boxing was being planned, and that if sufficient interest is shown, complete equipment will be

CAPTAIN JAKE WILLIAMS SMASHES THROUGH

Jake Williams, captain of the Fighting Frogs, is cutting through the line to take Griffith, speedy sophomore back, for a down. Williams showed the boys how it is supposed to be done, and in the game last Saturday, they kinda did the work. Jake must be a pretty good teacher.

Teachers Fight, But Fail to Score

Frogs Do Good Water Tricks to Foil First Foe.

It was pleasing to Frog followers to see the T. C. U. aggregation take the measure on the East Texas State Teachers last Saturday.

The outstanding feature of the game was the credible showing made by several sophomores. Whether or not the sophomores would produce has been a source of considerable comment on the part of T. C. U. followers. It was especially pleasing to see the way Austin Griffith, husky fullback, held up the honor of the 31 class. The sturdy Dallas youth filled his place well and did what he was supposed to do when he was called upon.

Quarterback Ed Sain, who has a junior and a senior to compete against, gave a fair account of himself during the short period of time he was in the game. It looks as though Clyde Roberson will be hard to keep off the first eleven. He turned in a good defensive game. Cyrus Leland, fleetfooted halfback, did not get a chance to show his heels to the Lions due to the wet field. "However, he is capable of doing some fast stepping."

Red Edleman, Ody Thompson, Merlin Tolar, Howard Grubbs, Virgil Roberts and Buzz Morgan, along with the above mentioned sophomores, showed up well and its looks as if T. C. U. will have a real offense.

All in all the showing made by the Bellmen was pleasing to the coaches and spectators, however, they did not

bought and regular classes organized. The matter was presented to, Pete Wright who favored the idea to the extent of buying the necessary equipment, provided enough interest is maintained.

Estes, who at present holds the unchallenged city heavy weight championship, will instruct the class. He has had training under the once famous Jo Ferry, and recently, under Sully Montgomery and Tex Ray Smith.

All students who are interested in such a class in boxing can learn further details by calling by the Math offices and speaking with Estes.

Dorsey Good at A. & M. Is Star Performer in First Game Played on Kyle Field in '28.

Big Heebie Dorsey from Fort Worth Central High was the star performer in the Tiger-Farmer battle at College Station Saturday.

Dorsey is a big brother of little Heebie, who was at T. C. U. last year. Coach Bible used every man on his squad in the course of the game. Reserve strength shown by the Aggie back field was one of the most encouraging features to the A. & M. rooters.

The work of Dorsey at quarter Zarafonitis at half and Burgess at fullback seemed to promise a strong offensive team. Dorsey not only ran the Aggie eleven cleverly, but, also made many impressive runs himself, leading his teammates in yards gained. Zarafonitis and Mills shared honors for long runs, the former chalking up 35 yards on each of two long sprints, and Mills registering one 30-yard gain. In the meantime, Burgess repeatedly gained through the line. Conover, who scored the first touchdown, was forced from the game by a leg injury.

have a chance to show what they could really do on account of the rain. Different things would have taken place on a dry field.

All the Frogs that served in the line lived up to expectations by showing equally as well on the offensive as on the defense. From the showing made in the game it looks as though Reid, Brimblelow and Reynolds will divide the time at guard positions. Reid, a reserve of last season, made one of the Frog touchdowns possible by brilliant play on the defense when he blocked and recovered a Lion punt. Atkins, center, looks like a different man from last year when he did not participate in a single contest. This year he is slated to be an outstanding center. His passing back of the slippery pigskin would have done credit to any veteran center. Capt. Williams and Buck Barr, tackles and lettermen, were pushed for honors by Clifton Bruce and Red Moore. Red broke through the enemy line on several occasions to throw them for considerable loss. Red possesses probably the best built physique of anyone on the squad and much is expected of him this year.

The ends had little opportunity to show their wares, for Coach Bell was shooting in all the ends he had in order to get a line on their possibilities.

Prof's From Denton Score on Mustangs

Hume Is Still Biggest Cog in Fighting Crew of Methodist.

Looking over the results of Saturday's Southwestern Football contest shows S. M. U. defeating Southwestern Teachers College of Denton by 33 to 6.

Hume was the star performer for the Mustangs, and it looks as if Hume will be the Mustang football team this year.

Denton's lone touchdown was the result of a beautiful pass, York to Browning. Hume was the star of the game, breaking away repeatedly for long broken field runs.

The fact that their goal line had been crossed in the first game of the season seemed to spur the Methodists into midseason form. Talking the ball on their 46-yard line, Fincher ran 14 yards and Hume 10. A fumble gave S. M. U. the ball on the 13-yard line and three plays, by Hume, Hopper and Love, drove it across.

Before the Teachers could set themselves after this rapid-fire touchdown, Hume sprinted 52 yards to the 16-yard line. When a pass failed to cross the goal line, Hume drove through for his team's fourth touchdown. Three plays later the same player caught a punt on his own 43-yard line and ran 57 yards for the final touchdown.

S. M. U. rooters were dismayed at the ease with which Cowley, the visitor's chief ground gainer, found holes in the line that will face West Point.

Fine Arts Ads Profs Four New Instructors Are Aid in Fallis' Work.

Texas University Public Speaking Department is looking forward to one of its best years in all lines of work. The personnel has been augmented in such a way that Professor Lew Fallis, the head of the department, is very enthusiastic for this year's plans.

Besides the regular classes, for both groups and individuals, there is to be a special class for all of those interested in the art of Acting and Public Reading. Children over ten years of age, but not out of high school, will be able to do Public Speaking work every Saturday morning at 11 o'clock, according to Professor Fallis' present plans. This is an advantage offered the children of Fort Worth and vicinity to partake of studies under such heads as the department offers.

Additions to the staff include Miss Catherine Moore, a graduate of Ward-Belmont and holder of a teacher's diploma from the Curry School of Expression at Boston. Miss Moore taught Public Speaking at Cumberland University Law School previous to her coming to T. C. U., where she made a great success. Miss Hazel Carter, a Fort Worth girl, and holder of a Public Reader's diploma from the Curry School at Boston, is another addition. Miss Carter recently coached two productions for the Junior Women's Little Theatre. Miss Drue Armstrong, T. C. U. graduate of 1928, with a Public Speaking Major, and Mr. Hugh Buck, student assistant, complete the new staff. Professor Fallis, one of Curry School's most competent graduates, promises many faculty and senior recitals during the coming season.

38 Students Join Church

Thirty-eight T. C. U. students put their membership in the University Christian Church last Sunday morning and the Sunday previous. Sept. 16 was Freshman Sunday and last Sunday was opening convocation day.

1928 Freshman Squad Contains Several Stars

High School Records of Frosh Are Impressive.

Little is known of the possibilities and capabilities of the forty-three T. C. U. freshmen which reported to Coach "Dutch" Meyer and Assistant Coach Raymond Wolfe for the initial workout last Thursday. However, several of the applicants for positions have fine records back of them in high school and junior college.

Temple contributes Stanford Lambert, outstanding lineman of the 1927 season. North Texas Junior Aggies are represented by Mark Boswell, Fort Worth, and Ray McCulloch, Bryan. Boswell is a guard and McCulloch is an end.

J. W. Hinton, back, and Gordon McMahon, guard, are out to hold up the name they received last year at Cleburne as stars. T. C. U. was again selected by two outstanding players of the 1927 Dallas aggregations, as it was by Griffith, Baxter and Hopkins. Robert Pollard, Oak Cliff, and "Football" Moore, Sunset, reported.

Fort Worth is well represented on the squad by John Lowe, Hal Wright, Earnest Ivey, Richard Oliver, "Skillet" Carruth, Oliver Morey, J. Frank Norris, Raymond Rutherford, Millard Higgins, Harlos Green, Mark Boswell and Vance Woolwine. Little is known of the Fort Worth group other than "Red" Oliver, who performed so brilliantly at Polytechnic, and Mark Boswell, Harlos Green and Vance Woolwine, who were star North Side High men.

A. D. Weatherly, Pone; Kenneth Moore, Dallas; Hunter Hill, Lockhart; T. W. Carpenter, Waco; Ray McCulloch, Bryan; Aubrey Elkins, Waco; J. W. Hinton, Cleburne; Robert Pollard, Dallas; Harlos Green, Fort Worth; Mark Boswell, Fort Worth; Standard Lambert, Temple; Vance Woolwine, Fort Worth; Charles Cooper, Ranger; Richard Ragland, Handley; Millard Higgins, Fort Worth; John Clark, Wolfe City; Jack Wetzel, Breckenridge; Hugh Boren, Snyder; Raymond Rutherford, Fort Worth; L. A. Doyle, Post; Lee Dorn, Colorado, Texas; Max Hoffman, Dublin; Bill Vale, Breckenridge; E. R. Smith, Ralls; Leroy Collins, Olney; Littlefield Camp, Theodale; C. L. Mitchell, Temple; Reeves Cothes, Seminole; R. L. Phillips, Ranger; "Red" Whitaker, Carthage; Jack Williams, Longview; Price Rumph, Fort Worth; Ned Harris, Royce City; Oliver Morey, Fort Worth; J. Frank Norris, Fort Worth; Skillet Carruth, Fort Worth; Ollis Walker, Bethany, Neb.; Paul Snow, Winstboro; Richard Oliver, Fort Worth; Ernest Ivey, Fort Worth; Hal Wright, Fort Worth; John Lowe, Fort Worth; and Jack Dempsey, Fort Worth. The above is the complete list of candidates.

Cowboys Beat Baptist

Simmons Team Plays in Newly Finished Stadium.

The Simmons Cowboys got off to a good start Saturday when they defeated Decatur Baptist 6 to 0. It was the first game to be played in the new Simmons stadium.

T. C. U. plays Simmons on the new field in October, and if the Cowboys keep up their winning pace, will give the Frogs quite a scrap.

Due to the rain and the consequent slickness of the ball, there was constant fumbling. During the latter stages both teams resorted to punting. The lone count of the game came in the third period, when Quarterback Sims of the Cowboys intercepted a pass and Sanders hurried a 40-yard pass to Hyde, who had substituted for Davenport. Hyde took in the pass and raced the remaining distance of the field for a touchdown.

The punting of Boley was a feature for the visitors, his boots being well placed in practically every case. Decatur threatened the Cowboys' goal in the second period, but two passes went wild. Decatur also threatened in the fourth period on a backward pass, but a penalty nullified the gain. The playing of the Simmons line was the feature of the game.

Football Books Sold

From the books of the early sale of T. C. U.'s annual sale on football books, there will be plenty folks out to see the home games.

Herman Gartner, who was in charge of the books has sold all but a very few which are on sale at the Worth Cigar Store.

The books for T. C. U.'s six home games, including contests with Texas and Baylor Universities, were placed on sale last Monday. The sale was closed Thursday and only a few books remain to be disposed of.

This year's bargain sale of the books was the most successful since the inaugural of the event. Tickets to T. C. U.'s home games for \$10 was the bargain offered.

Shoemen Welcome Frosh Gang Tells Story of Easy Walking on Owens'

Just a couple—no—a pair of tramps are Porter Owens, and Clyde Mays, of the Owens' Bostonian Shoe Store down on West 6th Street where some of the T. C. U. gang hang out.

And why are the boys such good cards? "Easy to answer," says the gang, "It's because they sell shoes that make these 'hot-dates' easy walking."

Just ask any of the fellows, and they'll every one pull that ole gag about the SHE making them walk home, and that's where their Owens' Bostonians come in handy.

Porter and Clyde welcome the new fellows down, and want to see the old ones back.

SOUTHWEST CONFERENCE SCHEDULE

DATE	A. & M.	TEXAS U.	S. M. U.	T. C. U.	BAYLOR	RICE	ARKANSAS

Chapel Lecture Series Planned

Waits Gives First of Series of Nine Talks.

A series of nine chapel lectures was announced this week. The lectures will be given each Monday morning. The first lecture was given by President E. M. Waits last Monday on the subject "Objectives of College Training."

Subjects for the other eight lectures have been announced by Registrar E. R. Tucker, although the person who is to give the lecture has not, in every case, been announced yet.

"The History of T. C. U." will be the title of a lecture by Dean Colby D. Hall on Oct. 1. "Student Activities" is the title of the next lecture, person to be announced later.

Dr. John Sewell, T. C. U. physician, will have supervision of the next two lectures, on the subjects "Causes of Disease" and "General and Personal Hygiene."

"Manners" is the next topic to be discussed, with the lecturer yet to be named.

Dr. Herbert L. Hughes will lecture on "The College Man's Reading" as the seventh in the series. "The College Man's Religion" is the subject assigned to Dr. W. C. Morro for the following Monday.

The series of nine lectures will be concluded by Butler S. Smiser on the subject of "Business Obligations."

Attendance in the lectures is compulsory for freshmen and sophomores and an examination will be given covering the series of lectures, according to Mr. Tucker.

The aim of the series is to aid in the orientation of the underclass students.

SLIMY SLIPS

Hear Maxine Russel had a date with a boy from Pennsylvania, the other night.

James Parker recently applied at the Psychology Office for a course in "Campusology." This course was recommended by Marcus Rieners, Fr.

It is not our intention to cast any reflections on anyone but, we can not refrain from wondering if President Blanton's character was carefully investigated, previous to electing him for leadership of the Class of '32."

Oliver Morey declares unto all men, women and children, that he fears not for even an eye lash, as he will always be in the company of a senior.

Lily Mae Dini... Are you serious? Bob Conrod; No, Dutch.

We hope "Red" Oliver didn't over exert himself last Saturday while assisting upperclassmen in locating

Senior: Are you not ashamed of the diabolical tales of your misconduct? George Massey: Not if I can have them syndicated.

We hear the enlightened freshman, Gib Randle, believes in predetermination and reincarnation.

For various reasons, we hear of students entering college; for instance, A. M. Montfort aspires to be sartorial leader of his class.

Recently a senior remarked, "It isn't raining 'slimes' to me, it's raining coeds, when he gazed upon Doris Richardson.

Sam Elliston, although you are a lowly freshman, we wish you much success in attaining the dizzy heights of fame, on the boys' pep squad.

Weldon Milton: I like grass widens but not green ones.

E. L. Leftwich Is New Dean of Men; Likes Golf, Tennis

Lacey Lee Leftwich, new dean of men at Texas Christian University, began his college career at William Jewell College, located at Liberty, Mo. He continued in the Baptist school for two years, until 1917, when he taught for a year in the public schools of Liberty.

In 1918 he entered the army and served for one year at Eagle Pass, Texas. He returned to college in 1919, this time to Culver-Stockton in Canton, Mo. He took an A.B. degree from this institution in 1922.

The next four years were spent at the University of Chicago, where he took an M.A. degree in 1924 and an B.D. in 1925. He will be a candidate for the Ph.D. degree in 1929. While at Chicago, Mr. Leftwich was assistant to the dean, having charge of groups of students and aiding in the personnel work of the school.

In the fall of 1926 he went to Colner University, Lincoln, Neb., where he was head of the psychology and religious education department. Here both the dean and Mrs. Leftwich taught until transferred to T. C. U. Mrs. Leftwich will be an instructor in sight singing and public school music here. She holds the A.B. degree from Culver-Stockton, 1915, and has done graduate work at Northwestern University and the Quincy College of Music.

Mr. Leftwich is the first full time dean of men at T. C. U. He will have charge of the personal work and of

the vocational direction for the boys of the school.

"I have not tried to make any changes yet," said Dean Leftwich, "I am just looking around and getting an idea of the lay of the land." As soon as his department is organized he anticipates further development and investigation. He will have charge of Clark and Goode halls, the men's dormitories.

"I expect to do a great deal of research in the future, and will co-ordinate with the social science department in the work. I am just feeling my way at present."

Dean Leftwich unhesitatingly admits that he has hobbies, among them being tennis, basketball and golf. He was delighted to find numerous tennis courts, two basketball courts, and a municipal golf links within two blocks of the school.

the alumni association, and ex-students are looking forward to the construction of several new buildings on the campus which will take care of the growing conditions.

A new University Christian Church is planned which will be located at the north end of the campus. New dormitories, science buildings, and administration buildings are also included in present plans. One of the outstanding constructions to be built will be a new bowl stadium. The new football stadium which will replace the one now in use, and which is fast becoming too small for T. C. U. football crowds, will be built west of the present Administration building.

It is felt that with these improvements, the University will be able to amply house the very rapidly increasing attendance each year.

Fall Enrollment Is Largest Ever

450 Freshmen Enter to Swell Total Figures

With the enrollment of more than 450 freshmen, the total number of students enrolled at T. C. U. this year will probably soar close to the 1,550 mark.

For the past three years, the enrollment at T. C. U. has been growing by leaps and bounds. Each year, it has been necessary to make general improvements in order to take care of the growing student body.

SAVE THE DIFFERENCE

B. B. A. Notations

WELCOME! view B. B. A's. Looks like a big year for the B. B. A's. Had to create two sections of Commerce 22—New section on M. W. F. at 11.

Some new B. B. A's. are Red Oliver from Polytechnic and Dutch Winters from North Side.

C. C. Peters, Jr., ex-B. B. A., was the proud owner of a new Ford. Now it is an old Ford. See C. C. as to details of wreck Saturday night. They say it shook C. C. up quite a bit. Can you imagine that?

Ray Wolf, B. B. A., 1928, is now assistant athletic manager of T. C. U. Congratulations, Ray. Also a married man, girls.

Bill Atkinson, B. B. A. 1928, married this summer and is with the Fort Worth Tribune.

C. A. Rogers, B. B. A. 1924, is now treasurer of the Texas Air Transport, Inc. He has his office at the Airport.

Kenneth McCorkle, B. B. A. 1928, is cashier with the Humble Oil Company at McCamey, Texas.

John Washmon, B. B. A. 1927, and known all over the Southwest as "3 point Washmon" is now in the Accounting Department of the Ford Motor Company, Dallas, Texas.

Herman Clark, B. B. A. 1927, is now coach at Daniel Baker. Also teaching there.

Come to the President's Reception in the library on Friday evening, Sept. 28. Bring your parents so as to meet the faculty.

Following is the news of B. B. A's. in 1928: Ralph Caldwell with Texas-Louisiana Power and Light Company; Harold Danielson with Armour and Company; Preston McNeely with Rhea Mortgage Company; Lowell Parrish coach at Estelline; R. L. Pettit with Fort Worth Power and Light Company.

They say the reason they put the cage in the inner office of the gym is to keep the "Wolf" in a cage.

F. F. Pendergras, assistant manager of Bella Vista, Ark., is taking some special work in the B. B. A. department this year.

"Bob" Conkling, business manager of the Skiff and a B. B. A. student, plans to put out a real Skiff this year, he says.

Here's some things for all B. B. A's. to remember:

- (1) B. B. A. Chapel, Nov. 11.
(2) B. B. A. Skating Party.
(3) B. B. A. Banquet.
(4) B. B. A. Picnic.
Ask those who were there last year.

Prof. Avery L. Carlson taught at the University of Iowa this summer. Ruth Williamson and Mr. Ballard spent most of the summer in the office, with the aid of a new fan and some ice water. Miss Williamson spent her vacation in Mexia, Corsicana, and Groesbeck and Mr. Ballard went to Eureka Springs, Ark.

Jake Williams, captain of the football team this year, is a B. B. A. student. So was Blackie Williams, captain last year, John Washmon in 1925, and Herman Clarke in 1925.

B. B. A's. are glad to hear that

T. C. U. FOOTBALL SQUAD FOR 1928

Table with columns: Name, Nick Name, Home, Age, Wgt., Hgt., Pos., Yrs. on Team. Lists 40 players including Austin Griffin, Aaron Hays, John Hammond, etc.

Pep Squad Girls Made Good Show

Audience Well Pleased With Flashy Work Displayed.

Off like a shot, that's our pep gang this year.

They were out to that game Saturday, and made the audience swallow with pride as they flashed their sporty stuff for the first time this year.

"Mrs. Murphey has put the pick of the crowd to work, and her "picking" was pretty fair." One fish was heard to say, and he isn't far from right.

Superiority in health, posture and scholarship are required of those girls who are members of the Pep Squad.

Freshman girls selected include: Elizabeth Ruff, Brownsville; Marjorie Scott, Ennis; Lillian Eylers, Shreveport, La.; Bettie Ellis, West; Mamie Hair, Big Springs; Mary Jane Bowden, Dublin; Elizabeth Fiedler, Albany; Edna Lowry, Mt. Vernon; Beulah Griffin, Breckenridge; and Harriett Copeland, Charlotte Huntington Louisiana; Frances Griggs, Ella Nell Handy, Mary Jo McGonagill, Amelia Gibson, Katherine Pittenger, Lena Dougherty, Ruth Bucher, Elizabeth Stokes, Mary Nell Holmes, Marjorie Brown, Dorothy Decker, Louise Knox and Marguerite Grayes all of Fort Worth.

Ten alternates were named as follows: Dorothy Ratcliff, Midland; Marie Cline, Houston; Florine Reynolds, Albany; Mona Robinson Rotan; and Marion Smith, Madeline Ripps, Avis Roach, Phyllis Austin, Cathryn Hall and Mary Armstrong, all of Fort Worth.

Matty Bell is married. Many of the older students remember the telegram the now Mrs. Bell sent him at the B. B. A. banquet last year.

R. B. Luker and Pat Dooley, B. B. A's, were visitors here this summer. They have an accounting firm in Sweetwater.

First Convocation Held

President Waits Talks on "The College Man's Religion."

Opening convocation exercises for T. C. U. were held Sunday morning in the chapel. President E. M. Waits preached the sermon on the subject "The College Man's Religion."

Special music for convocation was arranged by Prof. Paul T. Klingstedt, the choir singing "Come and Rest," by Heysler.

The Rev. Preston Gray, new pastor of the University Christian Church, was presented to the congregation at the services. Mr. Gray will preach his initial sermon for the church next Sunday.

Lester Prothro will Real Silk Company in Houston.

Roy Reynolds with Washer Bros. Jessie Seay with Baker Ice Machine Company.

George Ed Stowe with Humble Oil Company at Pyote.

Hunter Vaughan with Montgomery Ward Company.

Jack Bailey, who received his B. B. A. last year, is now fellow in economics.
