## Frogs Preparing For Cowboy Tilt Next Saturday

### Stiff Battle Looms at Breckenridge With Simmons Team.

#### CHRISTIANS SHOW PUNCH 61-to-0 Win Over Billies Points to Great Offensive Club—Coaches Pleased.

Highly elated and more than pleased over their showing last Saturday against the last year's champion Daniel Baker Hill Billies, Coach Francis Schmidt's Horned Frogs are dashing through hard workouts this week in preparation for their next game, scheduled for Saturday at Breckenridge with the Cowboy eleven from Simmons University, Abilene.

Loath to take too much for granted, Schmidt is warning his men of the dangers of over confidence in any football game, and he points out the fact that their showing against Daniel Baker is no fair indication of great strength on the Frogs' part, but rather an indication of weak opposition on the part of the Brownwood team. The coaches and players alike are agreed that the Hill Billies have nothing like the team that Herman Clark brought down here last year, and even though all of them are enthused over their crushing victory, none of them are inclined to gloat over the fact.

Likewise, they are agreed that the coming game against the Simmons eleven is not going to be any "soft soap" affair. No game against a team coached by the tricky Frank Bridges who once guided the destinies of the Baylor Bears, is ever such. (It was difficult to tell Saturday just when the Frogs were strongest. Every man on the squad broke into the lineup and not one of them looked bad. The backs especially were doing their stuff in almost equal fashion, though the play of the streaking Cy Leland, "Football" Moore, and Ed Sain was the most outstanding. Leland demonstrated to perfection why he is called "football's fastest human," scoring two touchdowns and getting away repeatedly for long gains. Moore did not get away for any scores, but he thrilled the stands a number of times by his spectacular dashes off tackle and around ends for long gains. Sain made the longest run of the afternoon when he fumbled a kickoff on the five yard line, recovered and dashed through a broken field for a 70-yard gain. He almost got loose for a touchdown on the play but was brought down from behind.

The passing of Woolwine, Hinton, and Grubbs also featured the Frog offense, 12 of their passes being completed for 227 yards. Griffith and Green demonstrated much ability on power plays through center. Griffith scoring the first Frog touchdown, and Green going over for two markers, besides kicking two goals on the try for point. Grubbs, Buckley, Sain, and Snow scored a touchdown each.

None of the linemen were any more outstanding than the others. Every man that played carried out his assignments, and the fact that the Billies made only one first down, and that on a pass, speaks for the line play of the Frogs.

In the game against Simmons, Schmidt will get his first chance to really test the strength of the team. Reports inform us that the Cowboys will have one of the strongest teams in the Texas Conference this year, and it is a known fact that Coach Frank Bridges will put as much or more effort into beating a Southwest Conference team as in winning over one of the teams in his own conference. He will be doubly anxious to avenge the 19 to 3 defeat at the hands of the Christians a year ago.

The Cowboys defeated the Texas University "E" team last Saturday in Abilene 3 to 0, winning only after they had repeatedly held the Longhorn second team for downs on their own goal line, and after Sanders' goal from placement in the first period proved to be the only score of the contest.

## Here's How One Co-ed Saw Last Saturday's Game

All Frogland turned out for the game Saturday, not only to see the Frogs down the Hill Billies but also, and this is from a co-ed's viewpoint, to see new fall "riggins" who had a date with whom and to see old students.

Emma Nell Handley, last year's band sponsor, sat with the band boys in front of the stand. She is not attending school this year.

There was a noticeable lack of color during the half. In years before the purple and white clad pep squad has entertained spectators. This year everyone either gossiped or went after a coke.

Louise Montgomery appeared with some out-of-town date.

Charlotte Housel, now Mrs. Fred Scott, came in with Elizabeth Ayres and Helen Boren.

And "Babe and Rags," officially Mr. and Mrs. Raymond Matthews, sat with the students.

Of course Leo Hubert wouldn't be contradictory or anything like that but she did call several people slackers because they were not standing up. And when they stood, she sat down to eat peanuts!

Margaret Pitts would come out in a stunning brown hat to remind the rest of us that fall had "come" and we had nothing to wear.

The Billies had a pep squad but the girls stayed in the stands to lead the others in rooting and did not perform on the field.

Certain people nearby howled for a coke for 30 minutes until finally the vendor came by. And soon as he passed three others followed him. They were so angry that they drank two apiece.

## Tranquil West Is Enjoyed After Spending Three Years In India

Fort Worth, "Where the West Begins," won't seem at all wild to Dr. William C. Smith, now head of the sociology department, because he has spent three years in educational work in the Naga hills of India and Ragoon, Burma. He spent three years in teaching and social research in the Hawaiian Islands. Dr. Smith taught at the University of Southern California for six years.

"But perhaps the event of greatest importance to T. C. U. students is the fact that I played football against the University of Nebraska the year before Coach Schmidt graduated. On that particular afternoon there must have been something wrong with the scorekeeper for he chalked all the scores in the "Cornhusker" column—quite evidently he didn't see that one had been provided for us. This seemed most unfair, especially since we had made as many runs as the "Cornhuskers." Of course we were the lighter team and since we were the visitors in the Nebraska fellows were kind and obliging and carried the ball most of the time, thus relieving us of this responsibility on a blistering hot September day," Dr. Smith said.

Dr. Smith was born in a log cabin in Minnesota; reared in the cornfields of Nebraska, and received his A.B. degree at the University of Nebraska and his M.A. and Ph.D. degrees at the University of Chicago. He has done high school teaching in western Nebraska, St. Paul, Minn., and northern California.

In 1925 the Macmillan Company of London published "The Ao Naga Tribe of Assam: A Study in Ethnology and Sociology" by Dr. Smith.

## Freshmen Will Elect Officers

Are Expected to Help Entertain 3000 A.&M. Cadets Oct. 19.

The latter part of the chapel hour on next Monday has been set apart for the organization of the freshman class, Hugh Buck, student president, has announced.

"It would be well for the freshmen to look around among their number for some one who will make them a real leader," Buck says.

"We are expecting the first-year men to co-operate in the furnishing of the labor necessary to decorate the stadium, to care for the parking of the hundreds of cars, and to see that a thousand and one other tasks are performed for Oct. 19.

"Upperclass girls will be expected to enlist cars for the transportation of the cadets to the campus. Stickers will be made with the words, "Hop In, Aggie," on them.

"Freshmen girls will be expected to help in the serving of the dinner at the gymnasium that day. We are planning a special section in which all freshmen will sit that day, and we hope they will make more noise than all the rest of the school put together. And the rest of the school is going to make some noise!"

## Aviation School May Open Here

Texas Flying Service to Offer Course to Students.

The Texas Flying Service School is planning to open a class for students in the university who are interested in aviation. A representative of the flying school Ray Jones, will meet all students who are interested in studying aviation in the parlor at Goode Hall tomorrow night at 7 o'clock.

The plans are to find a landing field near the campus to which an airplane may be brought each day so that students may receive instructions near the campus without losing time from their studies in the university. If as many as ten students will join the class a plane will be brought out each day of good flying weather, according to Jones who was on the campus Monday to talk about plans for the course. He also said that the same instructor would be sent out each day and that the students would receive personal instruction. Both cabin and open planes will be used by the instructor. The class will be given a course in primary aviation but students can be given training up to the point of receiving a transport license if they so desire.

Seth Barwise, a local lawyer, is president of the Texas Flying Service and Henry Woods is vice president.

## 3,000 Aggies to Invade Frogland For Game Oct. 19

Three Special Trains to Bring Cadet Corps, 100-piece Band.

SENIORS DECIDE ON TRIP Plans for Day Include Parade, Barbecue and Dance, Says Hugh Buck.

"Not a cadet left in Aggie land on Oct. 19!"

That is the slogan on the campus of Texas A. & M. just now, looking forward to the Aggie-Frog football game here on that date.

The A. & M. cadet corps had the choice this year of a trip to Houston for the Rice game or one to Fort Worth for the T. C. U. game. The matter was left to a vote of the senior class, and the decision was unanimous for the T. C. U. trip.

"Everybody on the Aggie campus is talking about the trip," says Hugh Buck, student president, who made a trip to College Station last week-end to extend an official invitation to the A. & M. student body to come to Fort Worth.

"The students and faculty are still praising T. C. U. for the reception given them two years ago," Buck reports.

Preliminary plans call for three special trains, leaving College Station at 5 a. m. on the morning of Oct. 19, carrying the 3,000 A. & M. students. The 100-piece Cadet Band will arrive on the first special.

The Horned Frog Band, together with many of our student body, will meet the special when they arrive at the T. & P. station here, between 10 and 11 o'clock that morning. After all the trains are in there will be a parade through the downtown section.

Following the parade the Aggie visitors will be brought to the T. C. U. campus, where a barbecued dinner will be served from 12 to 1 o'clock.

After the game Saturday evening the A. & M. alumni and ex-students who live in Fort Worth will entertain the cadets with a dance at the Texas Hotel.

More detailed arrangements for the day will be announced later, according to Buck, as the program for the day is perfected.

## Comment on Skiff

Last time for the first time since anyone around the university can remember, The Skiff put out a football extra with the first three quarters of the Daniel Baker-T. C. U. game written up play-by-play. Several people on the campus voiced opinions on the paper. These opinions follow:

"I think it was a very fine thing. It is what you might call 'red-hot news' and the fact that The Skiff printed three quarters of the game and got their news out to the game before the city papers speaks for itself. These play-by-play write-ups also help keep a permanent record of the happenings of each game."—Coach Francis Schmidt.

"The Skiff staff should be congratulated on the way they handled the football game Saturday. It was a big surprise to most everybody and has caused much favorable comment. As for myself, it was a surprise and thrill to leave the field after the game and be greeted by the school paper with three quarters of the game written play-by-play."—Lester Brumbe-low, captain of 1929 Frogs.

"It was mighty tricky to get out a play-by-play report of the game in an extra edition, and get it there before the game was over."—Helen Jenkins, band sweetheart, and Vera Turbeville, senior class secretary.

"I think it was O. K. and a good idea. It made me feel that The Skiff is a real part of the school life by taking such an interest in the game. It put our paper before the people of Fort Worth, too. I know that my mother and dad hardly ever read The Skiff, but this time they read it through."—Betty Southwell, graduate student of T. C. U.

"Writing up a report of the game was very interesting, and I enjoyed both the game and The Skiff."—Billie Hinckley, freshman, Watonga Okla.

The T. C. U. rooting section at the Daniel Baker game was good but according to the T. C. U. pep leaders there is a lot of room for improvement and the coming pep meetings will be concentrated on a system to produce more noise from the T. C. U. students during the rest of the season.

Tyler Dean head yell leader, had planned to have the freshmen in the front, the upperclass boys and upper-class girls divided, directly behind them. But when the students swarmed into their section there was no such formation taken and this form of rooting section is still to be tried.

At the end of the game many freshman boys swarmed the field to carry off the victorious Horned Frog warriors.

## Old-New Girl Wedding Is Held

### Y.W.C.A. Entertains by Honeysuckle Arbor in Tradition.

Among the outstanding social events of the year was the Y. W. C. A. Old Girl-New Girl wedding on Tuesday night, Oct. 1, at 7 o'clock, in which Miss New Girl, Miss Elizabeth Alexander, became the bride of Mr. Old Girl, Miss Mary Gene Knight.

The wedding was held in front of the honeysuckle arbor of the campus. The altar was covered in white and decorated with clematis, palms and lilies.

Immediately preceding the entrance of the wedding party Miss Mota Mae Shaw sang "At Dawning," accompanied on the piano by Miss Doris Shaw. Miss Alish Reever played the wedding march.

The bridesmaids and groomsmen came down opposite aisles, met and crossed at the altar to opposite sides, forming a line.

Miss Jo Doris Hooper, maid of honor, wore a satin and tulle evening dress in orchid. The tulle on the skirt shaded from pale lavender at the waist into deep purple around the bottom. The low neckline was trimmed in pink flowers. She carried pink bride's roses. Miss Hooper entered with Miss Evelyn Courtney impersonating best man.

The bridesmaids were dressed in pink and green and carried pink bride's roses. The bridesmaids and the girls with whom they entered, impersonating groomsmen, were as follows: Miss Mozelle Bryant with Miss Nell Russell, Miss Mary Jane Ridgeway with Miss Virginia Wyatt, Miss Mary Louise Wadley with Miss Bernice Austin, Miss Rose Sweet with Miss Elizabeth Newsom, Miss Floy Edmondson with Miss Pauline Smith and Miss Doris Moshart with Miss Elizabeth Harris.

Misses Jean Curry and Patsy McWilliams were flower girls. The bride entered on the arm of Miss Edna May Beck, who impersonated the father. Miss Alexander wore a gown of white taffeta, made bou-

### Campaign to Last From Oct. 3 to 10—Last Meeting Will Be Thursday.

The "Y" campaign for new members will be October 3 to 10. The opening of this drive begins with a meeting to be held at the Brite College club rooms at 4:30 o'clock Thursday, Oct. 3. All girls who wish to become members of this organization are invited to be present.

Miss Jessie Ruth Drake, president of the Y. W. C. A. at T. W. C. and Southwest representative of the National Council will be present at this meeting.

Miss Maxine Russell will be in charge of the information desk in the main hall of the Administration building for all town girls who wish to become members of the "Y," and Misses Mary Jean Knight and Margaret Johnson will be in charge of the membership drive in Jarvis Hall.

fant style. Her bridal veil was of real lace, fitting over her head cap shape and caught with orange blossoms. She carried six-arm bouquet of lilies of the valley and white roses.

The wedding rites were read by Miss Gladys Ziegler, impersonating the minister.

The first two rows of seats of the center section were reserved for Mrs. Sadie Beckham and Mrs. Beulah Boggess, supervisors of women in Jarvis Hall; Miss Adele Clark, Miss Lyde Spragins and Mrs. Charles Sherer, Y. W. C. A. advisors; Miss Sarah Beth Boggess and Miss Maxine Russell, Y. W. C. A. cabinet members, and Mr. and Mrs. Earnest Alexander, parents of the bride, Miss Lamar Griffing, impersonating the mother of the bride, was on the front row.

Immediately following the ceremony a reception was held. Miss Helen Jenkins was in charge of the wedding, Miss Margaret Johnson in charge of the reception, Miss Misses Wilma Spratt, Dorothy Conklin and Lamoine Lawrence in charge of the decorations.

## SNOOPY SUE

Snoopy saw Jimmie Preston and Irvin Hyde, two of the biggest freshmen on the football team, come in the Modern Cafe Monday evening and sit up at the counter as though they were ready to eat two steaks and a loaf of bread and any thing else available. Then Snoopy sat closely by to hear the order just to make sure, and what do you suppose they ordered? Well—each one ordered a glass of milk!

Snoopy heard that Doyle Goodwin was having just a terrible time trying to make Frances Lewis believe that he really thought she was beautiful this week. Give him a chance Frances goodness that's no way to treat him. He means well.

Doesn't Rusty Veale look adorable in Green? Snoopy thinks she is just about the most individual girl on the campus. Skeet thinks so, too, and he is ever faithful! Can't blame him though.

Does anyone know who the freshmen boys were that slipped out of the dormitory last week at 1 o'clock at night and went over to the drug store in their pajamas? That's all right

boys, Snoopy is not going to tell. It seems that Helen Jenkins, the band sweetheart, might be trifling on the band. Snoopy saw her tonight with Jack Shackelford. That would be a real thrill for a freshman, wouldn't it?

Saw Sara Beth Boggess running across the campus today. Snoopy doesn't know for sure but she will guess that she was doing something for the "Y."

Jean Knight, alas, is not effected by "sophomoreitis" as Snoopy thought. She was casually eating an ice cream cone Monday—yes, it had a cherry on it, and was walking with Freshman Annie McLean. Snoopy suggests this was a good time to be nonchalant.

Mary Elizabeth Bacon sat down on and broke "Where the Sweet Forget-me-nots Remember" and, most grieved herself to death. She said she would have to wait ages to ever afford another record. Oh yes, Mary Elizabeth said she just hated to be kissed on the neck!

Let's see, who has been together recently. Oh yes, Harvey Gates and Mozelle Bryant Winona Brock and Clyde Robinson, and Mildred Woodley and Arthur Heady, of course. He might just as well move nearer the campus and save car fare.

Miss Jo Doris Hooper spent the week-end in her home in Dallas.

Mr. and Mrs. U. A. Saunders were the guests of their daughter, Miss Virginia Saunders, Sunday in Jarvis Hall.

Miss Julia Maxwell spent the week-end with her sister, Mrs. Dan McAlester, in Denton.

Lenetta Neilson, who is attending T. W. C., spent Sunday with Bette Ellis of Jarvis Hall.

The former Miss Polly Hollingsworth, now Mrs. Newton Riggs of Borger, is visiting her parents, Mr. and Mrs. H. G. Hollingsworth, 2505 Rogers street. Both Mr. and Mrs. Riggs are former students of Texas Christian University.

## Open Forum

Dear Editor:  
There has been some talk on the campus about changing the emblem of our athletic teams, the Horned Frog, according to some writer in last week's Skiff who signs himself "A Dissatisfied Frog."

T. C. U.'s teams are known over the Southwest Conference not merely as the Frogs, but as the Fightin' Frogs—and if there is a sports reader or writer in Texas who has not used the name no one ever heard of him. The teams have fought for this title, won it, and are justly proud of it.

The ex-students of the university would regret bitterly of changing of the name. To them, as to the faculty, friends, upperclassmen and already the freshmen, that name is distinctly not "a pusillanimous little animal" as the "Dissatisfied Frog" put it but a symbol. Associations and memories evoked by it are precious. To change the name would not be merely a matter of saying "Presto" but would mean confusion, disunion, debates, arguments and hard feelings. Besides it would be at least six years before use of the new name became prevalent.

There is something to be said about sticking to a thing once it is decided. To change our name now would doubtless mean change it a few years later if the new name did not happen to suit everyone.

The writer last week mentioned the strength, the stamina, suggested by the Bears of Baylor, the Mustangs of S. M. U. and the Texas Steers. Endurance should count for something. What Mustang ever lived for 35 years in a block of stone, without food or air? And if anyone has any doubts, let him visit Eastland!

## Autumn of '79

WHILE Yale and Princeton were battling to a tie at Hoboken, New Jersey, a small group of scientists, directed by Thomas A. Edison, was busy at Menlo Park, only a few miles away. On October 21, their work resulted in the first practical incandescent lamp.

Few realized what fifty years would mean to both electric lighting and football. The handful who watched Yale and Princeton then has grown to tens of thousands to-day. And the lamp that glowed for forty hours in Edison's little laboratory made possible to-day's billions of candle power of electric light. In honor of the pioneer achievement, and of lighting progress, the nation this year observes Light's Golden Jubilee.

Much of this progress in lighting has been the achievement of college-trained men employed by General Electric.

# SPORT WAVES

BY JAY WILLIAMS

T. C. U. 61—Daniel Baker 0! Hundreds of fans throughout the conference probably blinked their eyes twice or thrice when they read that one line flung across the sport pages last Sunday morning. Not at all like the score of a Horned Frog game, they probably thought. Well, it isn't what we have been accustomed to, but—times have changed—and the Frogs have changed.

Of course, the Hill Billies are not the best team that we have seen on Clark Field, and they are not the team that they were a year ago, but we cannot help but feel just a little bit proud of the Frogs—and of our new coaches, Schmidt and Wolf, because they have kept their promise.

We are bold enough to make the assertion that T. C. U.'s athletic teams are through being the "underdog;" that no longer will we have to sit in the stands and watch the Frogs make those traditional "last stands" in the shadows of her own goal posts; that no longer will we watch them content to hold that line and wait for a break; but that we will watch them as they march to the line of battle and shout defiantly and with spirit, "Look out, we're coming!" instead of, "Come on, we're ready." May we all hail those Fightin' Frogs as the feared and not the fearful.

The Frogs reeled off 26 first downs as to a single first down for the Hill Billies. They completed 12 of 32 forward passes tried for a gain of 227 yards, while Daniel Baker completed only two of 21 tried. The Billies' only first down resulted from one of the completed passes. Woolwine and Hinton punted for an average of 42 yards for the Frogs, a fact which deserves consideration.

All of which means that from what we know of the Daniel Baker game the Frogs in being drilled long and profoundly on the offense, did not lose any power on the defense. We believe that the offense ought to come first of all, since it takes points to win games, but it is also necessary that a team have defense. The Frogs exhibited plenty of both in the game against Daniel Baker.

Another eye-opener game played Saturday, and one that was of special interest to T. C. U. was A. & M.'s startling 54 to 7 victory over the Southwestern University Pirates. Fifty-four points for a Bell-coached team sounds as unusual and as astounding as a 61-point victory for the Horned Frogs. Another unusual feature of the game was Southwestern's 7 points—against the "Bell defense." Perhaps Matty is sacrificing a little of his defensive tactics for a stronger offense.

For the second time in two weeks S. M. U.'s Mustangs have barely averted a defeat at the hands of a lower conference team. As in her first game Saturday before last, the Mustangs had to resort to aerial methods in the final quarter to score two touchdowns and gain a tie with Howard Payne. Something to worry about for Coach Ray Morrison.

## T. C. U. to Play Simmon's Cowboys

### No Holiday but Over 500 Students Will Attend Game Saturday.

T. C. U. students and fans, instilled with a hunger for more football after witnessing the 61 to 0 victory of the Frogs over the Daniel Baker Hill Billies last Saturday, are looking forward now to the second game on the 1929 Frog schedule, carded for Saturday afternoon at Breckenridge. The Frog opponents will be Frank Bridges' Simmons University Cowboys of the Texas Conference.

University officials will not declare a school holiday, but that fact will not keep many students from making the trip, since Breckenridge is only a three and one-half or four-hour drive by automobile, and it will be possible to leave Fort Worth around noon and get there in time for the game. It is expected that at least 500 students will arrange to make the trip. Dormitory girls going to the game must get permission from home, according to Dean Hall.

Hundreds of Fort Worth fans will make the trip by automobile to see the Frogs meet the Cowboys in West Texas' "football classic," and will be among the thousands who will be there from all over that section of the state. They will have a chance to see and hear two of the best college bands in Texas—the T. C. U. Horned Frog Band and the nationally known Cowboy Band of Simmons University.

No special trains will be run from Fort Worth, but busses will be available to all those who want to go. The band, with Jo Brice Wilmeth, drum major, and Helen Jenkins, new band sweetheart, will be conveyed in special busses. It will leave early Saturday morning, in time to stage parades in some of the towns on the way to Breckenridge, and will stage a demonstration before game time in Breckenridge.

Last year an overflow crowd, one of the largest in West Texas football history, saw the Frogs down the Cowboys on the Breckenridge field, 19 to 3, and plans have been made to take care of another huge crowd that will be there to watch the Frogs in their efforts to make history repeat itself and to watch the Cowboys in their efforts to avenge the defeat of a year ago.

It is not known whether or not Simmons officials will declare a holiday for the game, but it is almost certain that the Cowboy eleven will be accompanied by not only the Cowboy Band, by the Girls' Pep Squad and by hundreds of students and fans of the university.

The game with Simmons will be the last that T. C. U. students will get to witness until the Frogs meet A. & M. in Fort Worth on Oct. 19, since a week from Saturday the Frogs journey to Shreveport, La., where they will meet the Centenary College Gentlemen.

Miss Doris Sellers and Miss Mae Housel spent the week-end with Mrs. H. L. Barber of Fort Worth.

### Conference Games

Following is a list of games scheduled for Southwest Conference members on Saturday, Oct. 5:

- T. C. U. vs. Simmons University, at Breckenridge.
- Texas University vs. Centenary, at Austin.
- S. M. U. vs. Nebraska, at Lincoln, Neb.
- Texas A. & M. vs. Tulane, at New Orleans.
- Baylor vs. Trinity, at Waco.
- Arkansas vs. Henderson-Brown, at Fayetteville.
- Rice vs. Sam Houston Teachers, at Houston.

### Griffith May Be Out All Season

#### Frog Chances Hurt by Fullback's Injury Saturday.

T. C. U.'s chances for a Southwest Conference championship received a severe setback Monday with the announcement that Austin Griffith, Frog candidate for all-conference fullback, would be out for at least half and probably all of the season. Griffith suffered a shoulder injury on the first play of the game last Saturday but remained in the game long enough to plunge over for the first touchdown, after which he left the game.

Until Monday it was thought that the injury was only a slight one, but an examination revealed a small piece of bone chipped off the shoulder where the arm fits into the socket, and Griffith will have to wear his arm and shoulder in a special brace for two or three weeks. It is doubtful that the big line-backer will play any more this season.

Griffith's injury is the first that has appeared in the Horned Frog camp, and his loss will be greatly felt. He is one of the greatest defensive fullbacks the conference has ever seen, and last year was one of the leading scorers in Southwest football. To take his place Schmidt has three men, Harlos Green, a sophomore who scored two of the Frog touchdowns against Daniel Baker; Virgil Roberts, former John Tarlton's star who was injured during last year; and John Hammond who served a year on the squad last year.

Of the three, Green is probably the best because he is a strong defensive man besides possessing power on running plays and being a good man for interference running. Roberts can carry the ball on line plays almost as well as Griffith, but he hasn't learned to play defense as he should. Hammond has looked good most of the time but lacks experience.

### Chancey, Russell, Magee Return

Among the girls in Jarvis Hall who returned to continue their studies after dropping out of school for one year are: Dorothy Chancey of Balingier, who is a junior and is majoring in music; Nell Russell also of Balingier, who is a second term sophomore and is working for a B. A. degree, and Bina Magee of Electra. Miss Magee is also a second term sophomore and is working for a B. A. degree.

### T. C. U. Radio Season Opens

T. C. U. radio season was opened Tuesday evening in station WBAP at 8 o'clock. The program consisted of Numbers by Prof. Claude Sammis, violinist; Miss Elsie Willis, pianist, and Miss Edith Kelsey, soprano. The second program will be given at 6 o'clock Thursday evening.

Miss Gwendolyn Montgomery, formerly of C. I. A., has entered T. C. U. for the coming term.

### Pre-Law Group to Meet

## PAUSE AND REFRESH YOURSELF

ONE SOUL WITH BUT A SINGLE THOUGHT—TO PAUSE AND REFRESH HIMSELF AND NOT EVEN A GLANCE FROM THE STAG LINE

Enough's enough and too much is not necessary. Work hard enough at anything and you've got to stop. That's where Coca-Cola comes in. Happily, there's always a cool and cheerful place around the corner from anywhere. And an ice-cold Coca-Cola, with that delicious taste and cool after-sense of refreshment, leaves no argument about when, where—and how—to pause and refresh yourself.
