Only one social function has been outlined for this semester. A party is to be held on Dec. 4. A committee is being appointed to care for all the details.

In the spring, the list of entertainments includes a banquet; a tea by Miss Spragins, the sponsor; a moonlight picnic and hay ride, and a party for the freshmen.

Every Frog Has Stiff Arm But Is Handicapped

"Don't touch my arm!" was the cry of every varsity football man this week as the cold vaccine given them by Miss Leta Bonner, resident nurse, began to take effect.

"We don't want to have a flu epidemic among the players like we had last year just before the Baylor game," Miss Bonner said. She was the center of activity Tuesday morning as those she had vaccinated the day before swarmed about her, shirt sleeves rolled up showing red splashes and all wanting to know when the blimey thing was going to stop hurting?"

Miss Bonner stated that none of the gridiron heroes had fainted during the vaccination but that some of them acted like it pained them immensely and wanted to be excused from classes the day after. But apparently the nurse is a good judge of sickness because none of her patients missed a class on account of her ministrations.

Adolph Dietzel, six feet six in height, had to be scratched in two places, a leg and an arm, it is rumored.

John McDiarmid Wins Tobacco Jar In Tournament at Staten Island

"I won a tobacco jar at Staten Island, New York, and now my father has taken up pipe-smoking instead of his usual cigars," thus spoke Johnny McDiarmid when interviewed concerning his summer's trip to tennis tournaments throughout the country.

He went first to Dallas, where he won the mixed doubles with Miss Ruth Bailey of St. Louis, in the Texas state tournament. He was presented a silver cigarette case. He then went to Wilmington, Del., where he entered the Delaware state tournament.

In the National Intercollegiate at Haverford, Pa., he beat the Canadian intercollegiate champion, Walter Martin, in the second round.

At Montclair, N. J., at the state tournament there, he went to the quarter finals in singles, and to the semi-finals in doubles with Jake Hess of Rice.

In the New York State tournament, held at Syracuse, he was beaten by Frank Shields of New York 6-4, 6-5. Shields went to the finals in National singles in 1930. McDiarmid went to semi-final in doubles with Jake Hess.

Hallowe'en to Be Party Motif At Gym Friday

Organizations Will Be in Charge of Concessions.

ORCHESTRA WILL PLAY

Dramatic Club Members to Give Faculty Impersonations at Entertainment.

A "Chamber of Horrors," which it is rumored, some of the freshmen will not live over, and a faculty take-off impersonating some of the prominent members of the faculty, will be the main stunts of the all-University Collegiate Hallowe'en Carnival to be sponsored by the Y. M. C. A. and the Y. W. C. A. in the big gym Friday night, Oct. 31, at 7:30 o'clock.

The carnival will follow a pep rally which will begin at 7 o'clock.

Anyone who wants to see their favorite or (unfavorite) faculty member impersonated, will find opportunity at the carnival. "It's going to be the biggest Hallowe'en carnival in the history of T. C. U.," says Alf Roark. "There'll be plenty of pop corn and a 'red hot' orchestra will play during the festival."

The concessions will be handled by the various organizations of the school. The organizations who will handle the booths are: B. C. B., peanuts and the "Chamber of Horrors"; Los Hidalgos, balloons; W. A. A., soda pop; T. C. U. Tumbling Trio, noise makers; freshman class, candy; Dramatic Club, pop corn and the faculty take-off; Y. W. C. A., Eskimo pies and the fortune telling booths; and Y. M. C. A. candy.

The students are not required to come in costume or masked, but they are requested to do so if they have a costume or mask. A prize will be given for the best costume.

Committees that are working on the carnival are: Advertising, Alf Roark; Misses Lillian Lundberg, Helen Jenkins, Mary Jean Knight, Adelle Clark, and Karl E. Ashburn; booths, Noel Roberts, Otto Nielson, Dean L. L. Leftwich, Misses Vera Bell Stephenson, Lamoyne Laurence, Jeanne Horsley, and Mrs. Charles R. Sherer; atmosphere, Marion Hicks, Vernon Slocomb, Misses Lyle Spragins, Jessie Hawkins, Polly McCullom, Marie Roberts, Elizabeth Alexander, and Prof. Charles R. Sherer.

Chess Club Is Organized

Dr. Combs to Organize Student and Faculty Club.

Dr. Josiah H. Combs, head of the modern language department, urges all students and faculty members who are interested in the Chess Club to turn in their names to him. At present he has not received any names.

Dr. Combs is trying to revive the faculty Chess Club of last year. He has been asked by several students to try to organize a chess club among the students.

All interested should see Dr. Combs at once because already he is receiving challenges from other cities.

Dr. Elliott Speaks To Friendship Class

Dr. Edwin A. Elliott spoke to the Friendship Class of the First Christian Church Sunday morning. Dr. Elliott talked on the parable of the Good Samaritan.

This is a co-ed class and many T. C. U. students are members of it. John Hirstine, senior in T. C. U., is president of the class.

Pharr Lectures Here

Speaks on "Virgil and His Relation to Christianity."

Dr. Clyde Pharr of Vanderbilt University lectured on "Virgil and His Relation to Christianity" Wednesday morning at chapel.

Dr. Pharr was introduced by Prof. Newton Gaines, who is chairman of the lecture committee.

The theme of the lecture was the influence of the works of Virgil on Christianity. Scholars the world over are celebrating this year the 2000th anniversary of the birth of Virgil.

Dr. Clyde Pharr Lectures on Wonders of Modern Archaeology

Dr. Clyde Pharr of Vanderbilt University, Nashville, Tenn., lectured on "The Wonders of Modern Archaeology" last Wednesday evening at 8:15 o'clock in the T. C. U. auditorium.

Dr. Pharr brought first hand information on excavations in Greece and the Near East, where he has made recent travels and directed excavations of many ancient ruins. The lecture was illustrated by lantern slides from photographs made by Dr. Pharr on these expeditions.

"Man is the only animal interested in his ancestors," Dr. Pharr said in beginning. "Our physical ancestors come from Northern Europe. Our intellectual and spiritual ancestors come from Southern Europe." Dr. Pharr said that modern archaeology has shown that myths, thought to be wholly legendary, have some element of truth in them.

He also said that archaeologists were not looking for statues and works of art, although they were delighted to find such, but that they were trying to uncover, by digging these excavations, ancient civilizations that were the basis of our modern culture.

In the last twenty years, he added, archaeologists have reconstructed a great civilization—that of ancient Troy that preceded the great classical period. This civilization was destroyed by the Greeks but has been preserved in ruins.

Dr. Pharr said that archaeologists considered the tomb excavations as one of the best sources of knowledge, as there are so well preserved. These tombs are found in the sides of hills or mounds. A doorway opens into a channel that leads to a central chamber, which is usually 40 feet across and about 30 or 40 feet high. Here in this chamber is the place where offerings were made to the dead. Another channel leads off to the side from this central chamber to another chamber where the dead were placed.

The chambers in these tombs were highly decorated with gold or gilded material. Dr. Pharr said in connection with this that the Greeks were artistic, so highly artistic that they spent a great deal of time in decorating and ornamenting.

The source of knowledge that Dr. Pharr considers the best is the inscriptions found on the walls. Here much is learned of the laws, customs and problems of the ancient people by translating these writings.

Dr. Pharr remarked that one thing that he was surprised to find was a bathtub, and he showed a slide of one that could be dated back as far as 2500 B. C. The Greeks had a sewage corresponding to our modern system.

If one should go to Greece, he would be disappointed in the ruins found on the ground today, Dr. Pharr said, for they are indeed crude and uncouth.

In concluding, Dr. Pharr said that the true purpose of modern archaeologists was to find the actual remains out of which we reconstruct the past.

Dr. Pharr spoke to the freshmen and sophomores Wednesday morning at the chapel hour on "Virgil and Christianity."

Prof. Newton Gaines, chairman of the lecture committee, introduced Dr. Pharr at the chapel program, and Dr. Josiah H. Combs, professor of modern languages, introduced him at the evening lecture.

Faculty Prepares Play

Annotated Edition of "Zaragoza" Made by Spanish

An edition of the Spanish play, "Zaragoza," with additional notes, and which was prepared by the members of the modern language faculty, is now being printed.

Dr. Josiah H. Combs, head of the modern language department, contributed his article, "Broadcasting in Pronunciation," to the June number of the American Speech magazine.

Also, Dr. Combs' article, "The Language of Our Southern Highlanders," has been accepted by the publications of the Modern Language Association.

Band Members Are Initiated

24 Men Are Officially Installed at Meeting in Gym.

Initiation of 24 band members was held recently in the old gymnasium. Several members experienced for the first time the grand old game of riding the goat. Although the band inherited a goat at the Fat Stock Show last year it was still too small to use as the subject of such rough treatment, so a "horse" was used instead with the support of the upperclassmen.

All means of initiation are held as a secret by the band, so no details were given out. After the initiation was finished, the upperclassmen bought ice cream sodas for the candidates at the drug store.

Frogs to Meet Tech Matadors Here Saturday

Special Train Leaves Lubbock Tonight With Rooters.

BUSINESS MEN BACK TRIP

This Years Grid Battle Marks Fifth Tilt Between Two Schools.

The champion Frogs, led by Capt. Noble Atkins, will meet a weakened Texas Tech football team tomorrow afternoon on the new Christian gridiron. The Frogs, fresh from a victory over the Texas Aggies, will depend upon the second and third string teams to vie with the Matadors.

The Tech student body will be represented at the contest by between 800 and 1000 students, most of whom will make the trip on a special train operated over the Fort Worth and Denver. The train is due to leave Lubbock tonight at 9:30 o'clock and will arrive in Fort Worth tomorrow morning at 8 o'clock. The returning train will leave here at 11:50 p. m. and arrive in the Matador city at 10:20 o'clock Sunday morning. The football team will arrive this morning and work out at the new stadium this afternoon.

The Lubbock business men are backing the trip and are expecting the largest crowd ever to follow a Tech team out of the city to accompany the team to Fort Worth.

The Frogs and Matadors have met four times on the gridiron, all in the last four football seasons. The first three games were played on Clark Field, and last year the Christians journeyed to the Panhandle for the tilt. In 1926, when the teams met for the first time, the Matadors held the Frogs to a standstill during the first half, but the superior power of Coach Bell's team proved too much for the Bullfighters, and they were turned back, 28 to 16.

The following year, 500 fans followed the cardinal-clad players to Fort Worth to see their team defeated, 16 to 6. Pickett, Tech backfield ace, recovered a fumble in the last quarter and raced 85 yards for the lone Matador marker.

In 1928 Ransome Walker raced 80 yards for a Tech touchdown, which was the first time the Frog goal line had been crossed during the season. The Tech team was downed, 28 to 6.

Last year, Cy Leland made a return trip to the high school from which he graduated and scored two touchdowns against the Tech gridiron. On the opening kickoff, the Frog flyer received the ball and ran across the Matador goal but was called back by officials to midfield where it was claimed he stepped out of bounds. The final score was 22 to 0, three touchdowns and a safety being scored during the tilt.

Freshmen Carry Papers on Hill

Football Players Make Expenses While Attending School.

Fifteen freshman football players are earning their expenses at T.C.U. by carrying Record-Telegram and Star-Telegram routes.

While most of the students are getting their best sleep, these boys are distributing their morning papers. They begin about 4:30 o'clock in the morning and finish about 6 o'clock.

They begin with the Star-Telegram about 3:30 o'clock in the afternoon and finish about 5:30 o'clock. Practically all of the routes are in the T.C.U. vicinity.

Their motive is to give better service by placing each paper on the customer's porch. These boys are not allowed to throw the papers from a car but must deliver each paper on foot. They do all of their collecting, and average about \$43 pay a month.

The following boys have paper routes: Daniel Peyton of Cleburne, Bud Taylor of Austin, James Pate of Carthage, Warren Rives of Lockney, Hershel Kinzey of Marshall, Jack Kennedy of Bonham, Newell Black of Jacksboro, Wilson Moon of Holland, Lester Ringgenberg of Graham, Joe Lester Bass of Athens, Frank Lane of Greenville, Guy Stephens of Commerce, Robert Bradford of Lewisville, and Elbert Walker of Ralls.

Miss Williamson Has 13 in Penmanship Class

Miss Williamson has also been giving instruction in penmanship to the class in Methods of Teaching. There has been much improvement in writing already, according to Prof. J. W. Ballard.

BY VIRGINIA LOU SAUNDERS

The freshman girls in Jarvis Hall are excited over their new privilege. Dean Sadie Beckham has promised open dates to the freshman girls for each conference game won by the Horned Frogs. This is the first time such a privilege has been allowed in T. C. U. The first open date will be Saturday, Oct. 25, for the 3-to-0 victory over the Aggies. The freshman are not only allowed open dates but also allowed to come in at the same hour as the upperclassmen. T. C. U. has four more conference games and the freshmen will probably yell louder than ever since the victory will have a double significance for them.

### Campus Postoffice Is Busy Institution After Aggie Trip

The T. C. U. postoffice will be a busy institution during the rest of the year for the girls who made the trip to College Station will be receiving a letter or two each day from an Aggie or maybe several Aggies.

The Aggies have a lot of time to spend in letter writing. Outside of studying and drilling the boys spend most of their time in the dormitories, and from now on they will put this time to good advantage.

During the stay at A. & M., most of the T. C. U. boys were considerate of the Farmers and gave up their girl friends. Some few, however, were unwilling and kept their girls, but this was the unusual rather than the usual.

The Cadets were very gentlemanly and did not attempt to take a girl away from a T. C. U. man. When an Aggie did see a girl without an escort, it was a matter of but a few minutes until the two were walking down the street together. The uniforms seemed to catch the eyes of the co-eds. A lot of co-eds are now singing "Dream Train, Please Carry Me Back to Aggie-land."

If there is anything to tradition, there will be a few T. C. U. girls who are carried back on the that dream train, along with a few thousand letters from the co-eds who remain in Fort Worth.

It was the senior girls' last chance. They either had to get an Aggie this time or never, and as a rule it "wasn't never." The other girls have a chance when the Farmers come to Fort Worth next year on their biennial corps trip to Frogland. Even with another chance or two, most of the girls didn't waste anything.

### Summer Camp in Colorado Headed By Prof. Sherer

The most interesting part of my work was a week's trip through Yellowstone National Park," said Prof. Charles R. Sherer, who was director of Camp Momobino for girls near Boulder, Colo., this past summer.

This camp, located in the "wilds of the Rocky Mountains," is for girls from the ages of 12 to 18. There were 23 girls at the camp which lasted eight weeks beginning the last week in June.

Prof. Sherer was head of all camp activities which included horseback riding, boating, hiking, swimming, nature study, arts and crafts, folk dancing, music, dramatics and story telling.

"Many trips were taken high up into the mountains," said Prof. Sherer. "The girls climbed many of the mountains near the camp. The Arapahoe Glacier and Isabelle were included among our hikes. These are typical glaciers and afforded interesting lessons in physical geology."

The camp is owned and managed by C. C. Foster and J. H. Foster. C. C. Foster is a Fort Worth man. Mrs. Sherer was with Prof. Sherer at the camp.

### Miss Armstrong Spends Summer Touring Abroad

A mixture of jazz, oriental and sacred music was heard by Miss Edith Armstrong, assistant in the violin department, on her trip last summer through parts of Europe, Asia and Africa. Among the countries that she visited were England, France, Germany, Italy, Switzerland, Greece, Turkey, Syria, Belgium, Palestine and Egypt. In practically all the countries, the music had some peculiarity when compared with the music of the United States.

"Perhaps the most amusing incident that I saw on my trip was a group of Scotchmen dressed in kilts and playing the bagpipe on the streets of Montreal," Miss Armstrong said. "In London classical music is played by the hour on the streets whether the men are paid or not. It does not matter whether there is a listener or not, for the men play right on."

"In nearly all the countries where jazz is heard, the music is played by a trio consisting of the piano, violin and drums instead of the entire instrumentation of the orchestra as in the United States."

In Syria, Greece, Turkey and Egypt music is oriental and the plectrum instruments are used. Miss Armstrong heard a Syrian love song that lasted 45 minutes. This was sung by a Syrian girl. The music in Palestine is Western in nature. "Sonny Boy" and "Rio Rita" were just being introduced to Palestine when Miss Armstrong was there.

She heard the opera "Rigletto" in Paris, "Lohengrin" in Munich, and "The Barber of Seville" and "Pagliacci" in Rome.

Miss Armstrong was one of the entertainers on a program given on board ship in the Mediterranean on the Fourth of July. The prince of India was also on the boat and sang songs from India.

"In Palestine I visited an English church. The services and songs were in Arabic, but many of the tunes were those that are used in the Anglican churches," stated Miss Armstrong. She received her bachelor of music degree from T. C. U. last June, and is now working on her A. B. degree.

### SPORT WAVES

By JACK BELZNER.

Capt. Schmidt's 1929 Southwest Conference champions will meet the Texas Tech Matadors tomorrow afternoon in the second game to be played at the new stadium. Pete Cawthorn is head mentor of the Cardinal team and it will be remembered by T. C. U. supporters that he was referee in the T. C. U.-S. M. U. game last year. Pictures proved that Harlos Green took the ball over the Pony goal with room to spare but, Cawthorn ruled that the Christians were stopped on the six-inch line.

Tomorrow's game will be the fifth meeting of the two teams and the Frogs have won all of the games played to date. Last year was the first time that the Matadors did not cross the Purple goal line. The other games were won by substantial margins but sometimes during each contest a Matador back would get away for a long run and a touch-down after the Frogs had seceded up the game.

Coaches Schmidt and Wolf will send their reserve charges against the West Texans. It is probable that the first team will not enter the tilt but they may play enough to get loosened up. However, Schmidt says, "If my reserves hadn't proved themselves just about as strong and effective as the men who started last week I wouldn't be throwing them into this coming game."

This afternoon on Clark Field, Coach Meyer's Polliwogs will play the John Tarleton Plowboys. The Farmers have a strong team this year and a host of backers will follow them to Fort Worth to see the game. Tarleton is the largest junior college in the world and has a larger enrollment than T. C. U. The starting freshman lineup will probably include: Ends, Langdon and Peyton; tackles, Wilkerson and Kinzy; guards, Brown and Taylor; center, Bryant; quarterback, Clyne; halfbacks, Jordan and Meyers and fullback, Kitchen.

Much newspaper space was given to the fact that Cy Leland was stopped completely by the Aggies last Saturday but statistics reveal that he and "Grassy" Hinton both gained more ground than the entire Aggie team. Following is a comparison of Hinton, Leland and the Aggie team in yards gained during the game.

Scrimmage	41	63	23
Returned on passes	34	0	15
Gain of block	0	25	0
End punt	45	11	22
Punts returned	120	99	60
Total	120	99	60

Several of the leading football teams that played undefeated during last season have been stopped this season. Only six remain on the list of undefeated teams for last year and this year: T. C. U., Notre Dame, Utah, Western Maryland, Ohio University and Fordham being on the list. T. C. U. and Texas University are the only two Southwest Conference teams that have not been defeated this year. Texas University handed the Frogs their last loss on Nov. 20, 1929.

In the other games in which conference teams will be playing are: Texas vs. Rice at Houston; A. & M. plays Arkansas at Little Rock; S. M. U. meets Indiana in Dallas and Baylor journeys to Shreveport to play Centenary. Texas is hoped to beat the Owls in the Bayou City game because of their play against Oklahoma last Saturday and Rice's down-fall at Fayetteville. Baylor should beat the Centenary Gents. Although the Shreveport team held Texas 0 to 0 it was on a muddy field, and if a clear day prevails in the Louisiana city, the Bears will just about have things their way.

Indiana University will run a special train to Dallas for the Mustang game. Last week end the Hoosiers were stopped by Minnesota by a 7-10-0 score at Minneapolis. The Hoosier 108-piece band and about 200 students and supporters are due to arrive this afternoon in Dallas. Preference is given the Mustangs in the game and it is generally accepted that the Ponies will be on the long end of the score even after their tie game with Baylor last week. The Aggies should defeat the Razorbacks on the neutral field in Little Rock. The Farmer showing against the Porkers. The Razorbacks will have a stronger team on the field this week than they have been able to present so far this year.

Seth Glascock, Jr., the son of the 1897 T. C. U. quarterback, is being prepared by his father, Seth, Sr., to bark signals for the Horned Frogs along about 1935. The younger Glascock is now playing halfback for San Marcos High School and he is rated as one of the best halfbacks in District 22.

Noble Atkins Valuable Man in A. & M. Game. Noble Atkins, captain and center of the football team, was unanimously voted as the most valuable man in the A. & M. game. It was Atkins who booted the field goal that meant victory for his school.

In addition to kicking the winning points, he was a power at stopping the Aggie backs at the line of scrimmage and preventing them from registering a single first down. This is Atkins' last year on the team.

### '3-Point' Atkins Wins and Leads Team to Victory

### Aggies Are Held to No First Downs on Kyle Field.

### DEFENSES ARE STRONG

### Leland and Hinton Gain Much Yardage on Scrimmage Against Farmers.

By JACK BELZNER. KYLE FIELD, College Station, Oct. 18.—Capt. Noble Atkins, 300-pound all-conference center, defeated Matty Bell's Texas Aggies, 3 to 0 Saturday when he booted the ball through the uprights for a field goal in the middle of last quarter.

The conference champions played true to form all during the game with but one exception, and that was when the Bell line held the Frogs four straight downs on the A. & M. two-yard line.

The Farmers were stopped in every department. They gained only 23 yards on running plays and 15 on passes. The Christians netted 151 yards on scrimmage plays and added 54 on passes. The Frogs made 14 first downs and the Aggies failed to push over a single one.

Credit for the victory cannot be given to any one of the Frogs, but Captain Atkins' field goal was the outstanding play of the tilt. He also stopped the A. & M. running plays at the line and threw several Cadets for losses.

Hinton and Leland made 99 and 95 yards respectively on scrimmage plays and running back punts. Leland was in the game little more than half the time and although he made two fumbles, figured prominently in the victory. Hinton played a great defensive game and his passing and running were hard for the Aggies to solve.

The Aggies did not have the ball in T. C. U. territory except once, when Leland dropped a punt and it was recovered by McFadden on the Frog 10-yard line.

Summary. First Downs—T. C. U. 14; A. & M. 0.

Passing—T. C. U. passed 24 times for 54 yards, 7 complete, 13 incomplete and 4 intercepted. A. & M. passed 21 times for 15 yards, 3 complete, 15 incomplete and 3 intercepted.

Punting—T. C. U. punted 11 times for an average of 37 yards. A. & M. punted 15 times for a 40-yard average.

Penalties—T. C. U. was penalized 25 yards and A. & M. 40 yards.

Yards Gained on Scrimmage Plays—T. C. U. gained 151 yards on 46 plays. A. & M. gained 23 yards on 27 plays.

The lineups: T. C. U. Position A. & M. Martin, lg. Tracy Boswell, lt. Magrill Butler, lg. Lloyd Atkins (c), c. Nolan Vaught, rg. Christian Howell, rt. Moulton Salkeld, re. Malone Hinton, q. Aston Phillips Spearman, th. McFadden Griffith, f. Wolf

Officials: Referee, Boynton (Williams and Mary); umpire, Minton (Indiana); head linesman, Forts (Baylor); field judge, Sears (Kentucky Normal).

### Frog Power Twins

GREEN - FULLBACK ■ ■ GRIFFITH - FULLBACK

These two brilliant line-smashing artists have done their share in making the Christian backfield one of the hardest running in the country. While Leland, Dennis, Hinton, Oliver and others furnish speed and shiftiness, Green and Griffith generate the drive that has been so effective on power plays. Green got his chance last season when Griffith was injured, and now the two are alternating at the fullback post. Green is perhaps the best of the two in line-plunging and blocking, while Griffith has no peer in the Southwest as a defensive back. Griffith is playing his final year, while Green is a junior.

### Fred Cahoon Recalls Football Teams and Players of Past Years

Football coaches have often been known to teach such subjects as economics, commercial law and other practical courses, but it is an unusual thing to have a football coach who is also head of the music department. The two wouldn't seem to mix as a general rule, but they did in 1913 and 1917 when Fred Cahoon, then head of the music department, took over the coaching of the Horned Frogs. And he made a good job of it.

The year before Cahoon came to T. C. U. the team had been thrown out of the T. A. A. conference because of the failure to observe some of the conference rules. No preparation had been made for a team, so Cahoon took it over in his spare time. In Cahoon's own words: "I came to T. C. U. just after the school had been thrown out of the Texas conference but we behaved so nicely that the following year we were right back in the conference. "I had the honor of coaching the only T. C. U. football team that was ever beaten by a high school," Cahoon said. "In 1914 Central's team, with Gish Martin, Shorty Vaughn, Bugs Pate, Claunch, Slang and others, gave us a good licking, and I want to say that they would have trimmed any team in Texas. These athletes all came to T. C. U. the following year and their name in T.C.U. football history speaks for itself. "In the days when Cahoon was coach at T. C. U., the colleges used to have to go out and get their team. One time when the outlook was bad as far as a team was concerned, Cahoon went out to West Texas and came back with a team. He says of his trips: "My most pleasant memory of the athletic work at T. C. U. recalls the way Milton Daniel and I used to drive that Ford over West Texas and comb that great country for athletes. Speaking of Daniels, he was the greatest of all coaches and the war kept him from winning a conference title for T. C. U."

### Meyermen Play Plowboys Today

### Strong Tarleton Team Meets Frosh on Clark Field.

Coach Dutch Meyer expects his Polliwog squad to meet stiff opposition this afternoon when they encounter the John Tarleton Plowboys here on Clark Field at 2:30 o'clock. The Plowboys are exceptionally strong for a junior college team, since they have such a host of material to pick from.

According to Coach Meyer, his first-year men look good. He has an exceptionally good line-men but has a host of good ends and backs, and with two complete backfields, expects to give the Plowboys a stiff battle.

Five of the Polliwogs were ruled ineligible Tuesday, and will not get to play this year. Dave and Mark Boswell, Hyde, Stell, and Winters played on last year's freshman squad but failed to pass the required number of hours to become eligible for varsity competition. They were also declared ineligible for freshman competition.

For the convenience of the fans who wish to learn something of the new players, Coach Meyer has arranged to have programs distributed free of charge, with the players' names, numbers, weights, positions and hometowns. Coach Meyer states that he will give every man a chance to demonstrate his wares Friday afternoon.

Following is the probable starting lineup, as announced by Meyer: Langdon, left end; Wilkerson, left tackle; Brown, left guard; Bryant, center; Taylor, right guard; Kinzy, right tackle; Peyton, right end; Clyne, quarter; Jordan, left half; Meyers, right half; Kitchen, fullback.

1917, it consisted mostly of the men in the army post, and they played against army men from other posts. However, Cahoon carries a little gold football that is an outstanding mark in the year 1917. "I carry a football that I am plenty proud of that shows that we defeated Baylor 34 to 0. The honor almost slipped away when the wonderful team of 1929 got Baylor for a 34 to 7 score. Our score still holds the record."

Cahoon recalled with pleasant memories some of the men who made "All-State" team between 1913 and 1919. Such men as Abe Greines, John Nelson, B. Miller, Paul Lockman, Squabby Parker, Robert Bradford, Felmie Prenting, "Dutch" Meyers, John Cox, Charles Bosher, "Boob" Fowler, Bill Acker, Joe Edens, Bill Berry, and A. Douglas are all among the men who Cahoon thinks were great players in their time.

### Arlington Downs Races Scheduled Nov. 1-11

One hundred and fifty blooded horses are already in the stables and are working out daily at Arlington Downs, according to reports from the Texas Jockey Club. More than 300 horses have been entered in the nine-day meet there scheduled for Nov. 1 to 11. More than one-third of the horses are Texas owned.

W. T. Waggoner, multimillionaire owner of the Three D stables and Arlington Downs, will enter 12 of his own horses in the races, running these against the visitors, for the prizes of \$35,000 which he is putting up himself. Among Waggoner's entries will be the famous Pansy Walkers, considered the most noted three-year-old filly in the country today.
