## Giant Pep Rally, Shirt-Tail March Feature Tonight

Activities in Big Gym to Be Yells, Talks and Songs.

### BAND WILL HEAD PARADE

Leaders Ask Particularly That Town Students Take Part in Festivities.

A giant pep rally, beginning in the Frog Fieldhouse and ending with a shirt-tail parade through the downtown district, will be held tonight in preparation for the first conference game of the season, to be played tomorrow.

Activities will open at 7:30 o'clock in the fieldhouse with yells, songs and talks. Cecil Morgan, local attorney, will be the feature speaker of the evening.

Immediately after the rally students will go in cars to the business district. A parade will form at Ninth and Houston Streets as quickly as possible after the pep meeting. The T. C. U. Band will lead the procession through the downtown streets.

The yell leaders, Ben Baxter, Kuyrk Palmer and Jimmie Pate, are particularly eager to have the town students take part in the festivities tonight. All who have cars are requested to help provide transportation for students from the rally to town.

The leaders will make their first public appearance in their new uniforms, purchased last week, at the rally.

## Episcopalians to Form Association

A meeting of all students who are members of the Episcopal Church will be held this evening in Jarvis Hall after the pep rally for the purpose of forming an Episcopal Students Club.

A partial list of Episcopal students registered in the University includes Misses Vera Connell, Ada Louise Denman, Lucile Hatheway, Carolyn Lewis, Margaret Day Trigg, Corrine Lewis and Margaret Hadley, and Frank Bailey, Fred Cassidy, Lee Glasgow, Daie Hardy, Harold Mueller, Clark Rhodes, Frank Shedd, Cabot Stein, James Tucker and Edward Fritz. These and all other Episcopal students are urged to attend this organization meeting.

Invitations have also been extended to Miss Leta B. Bonner, Prof. John W. Ballard and to three rectors of Fort Worth Episcopal churches: Rev. Halsey Weirlein, Jr., Rev. W. W. Daup and Rev. C. G. Fox.

## Official Notices

Both the varsity and freshman football teams have accepted Dean Hall's invitation to attend church Sunday morning. The men will attend the services in a single body. The squads were invited through Johnnie Vaught, captain of the 1932 Frog football machine, and Coach Dutch Meyer, freshman football coach.

All junior girls have been requested by Acting Registrar S. W. Hutton to go by Dean Sadie T. Beckham's office next week to fill out identification and schedule cards. Prof. Hutton stressed the necessity of filling out such a card whether one was filled out last year or not.

Acting Registrar S. W. Hutton has requested that all club and student body officers report to Dean Sadie T. Beckham's office within the next two weeks to make out application blanks for club social activities for the entire first semester. Also registration blanks must be filled out several days before each event and evaluation blanks after.

## To Use Maritime Topic

U. R. F. Theme for Sunday Evening Is "Ships on Sea of Life."

"Ships on the Sea of Life" is to be the theme carried out at the University Religious Fellowship service to be held in the University Auditorium at 7:30 o'clock Sunday evening.

The program has been planned along lines of adventures and discovery to fit in with Columbus Day, Oct. 12. Paul Wassenich, pilot, will preside over the meeting. Miss Clyde Johnson will open the program with a talk, "Setting Sail."

"The Fleet," composed of Misses Anna Puth Denton, Hannah Ann House and Mae Housel, and Alf Roark, Roy O'Brien and Roland Balch, will make short speeches. Misses Evelyn and Elta Rose Franklin will sing a duet, "Sweet Galilee."

## Casts for Play Contest Chosen

Frosh and Soph Productions Will Be Held Oct. 18.

Members of the casts for the freshman and sophomore play contest were chosen last Monday evening at the try-outs held by the T. C. U. Dramatic Club, according to Miss Lucy Mae Merritt, president. The contests will be held Oct. 18.

Doris Zweifel, Mary Ellen Davis, James Newkirk and Alton Boxwell were selected for the freshman play, "The Mayor and the Manicure," a one-act comedy by George Ade. William Gonder will direct the production.

William Gilliland, Anne Lynne Dorsey and Vera Connell compose the cast for the sophomore play, "Good Medicine," by Jack Arnold and Ed-ward Burke. It is to be directed by Miss Corrine Lewis.

Miss Merritt has announced that try-outs for membership in the Dramatic Club will be held Tuesday evening at 7:30 o'clock in Room 304 of the Main Building.

All students interested are invited to attend this meeting. The try-outs will consist of working up a short scene from a play or reading a poem or story. All work must be memorized.

Freshmen and sophomores are eligible to membership in the Dramatic Club provided the executive committee passes on their qualifications.

## Bio-Geo Initiation Soon

Stroud Appoints Committee for Present Session.

A number of committees were appointed by Paul Stroud, president, at a meeting of the Bio-Geo Club Tuesday evening in the biology lab.

The program committee consists of Dave Elias, chairman, Miss Katherine Rose, J. R. Crump and Frank Miller. Elias was also appointed chairman of the entertainment committee. Others on this committee are Miss Mary Bowden, Miss Maxine Edwards and Carl Sain.

The president has announced that all new members will be initiated into the club sometime within the next week or two. Biological facts will be the basis of the initiation.

## Registrars Will Hold Meeting in Fort Worth

The annual convention of the Registrars' Association of Texas will be held in Fort Worth Nov. 11 and 12, according to S. W. Hutton, acting registrar of the University.

The Nov. 11 afternoon session will be held on the T. C. U. campus. Other sessions will be held at the Texas Hotel.

The late Registrar E. R. Tucker of T. C. U. was president of this association at the time of his death last summer.

## Miss Assmann Says That German Football Players Use Their Feet

Laughingly Miss Ada Assmann said, "I can't see why they call it football; the boys carry the ball in their hands most of the time. In Germany I have seen football games, but the players used only their feet."

Her merry brown eyes sparkled as she spoke of viewing an American football game for the first time. "I enjoyed, though, the enthusiasm and zeal shown by the spectators," Fraulein Assmann insisted.

This young German girl has come all the way from Berlin for a year's study at T. C. U. She has a B. A. degree in her own country, but plans to get another with a major in economics while she is here.

Miss Assmann was sent to America to spend a year by the Institute of International Education, which sponsors an exchange of scholarships between American and European universities.

Miss Bita Mae Hall, T. C. U. graduate, is in France at present on a scholarship awarded by this same institution.

"If I could get something to do—teach or tutor—maybe I should stay longer than a year," Fraulein Assmann said. "Everyone is so nice to

me I know I would not get homesick."

She prefers Texas to New York. "Of course I knew I would," she added quickly. "People in my country told me about the friendliness and hospitality of the Southwest."

Heads of universities and colleges in Germany look on feminine smokers in a different aspect than do the authorities here. Recently the 19-year-old girl sat nonchalantly in her dormitory room with a lighted cigarette and spoke to the dean of women. When told by the matron the rule concerning smoking in Jarvis, she said she was not surprised since this was a Christian institution. She was, however, rather amazed at the peculiar manner in which the freshman prom was held.

"Your schools are so different," the German girl said. "You have grammar school, high school and college. We have only one school to which we go thirteen years and receive an equivalent to your B. A. degree."

The fraulein is of the athletic type—tall and sturdy—with a most becoming sun tan, which she acquired on her motor trip from New York to Oklahoma.

## Miss Rowan Is New Sweetheart Of T. C. U. Band

Wharton Girl Selected From Large List of Candidates.

### NEW OFFICERS CHOSEN

Fleming, White, Magoffin and Bacus Elected Leaders at Meeting.

Miss Mary Rowan, a sophomore in T. C. U., from Wharton, was elected sweetheart of the Horned Frog Band at the annual election of officers Tuesday afternoon.

Miss Rowan, who is a blonde and dates, the others of whom also were blondes. They were Misses Louise Briscoe, Bobbie Sue Whitten and Mary Ellen Davis.

Tom Fleming, junior from Weatherford, was elected president of the band. Other officers of the organization are Frank White, vice-president, and Tom Magoffin, secretary-treasurer.

Roy Bacus of Newport, Ark., retiring president of the band, was appointed business manager.

Other officers of last year's band were Charles Caldwell, vice-president, and Cody Sandifer, secretary-treasurer.

A rising vote of appreciation was given the retiring officers for their work in the band last year.

## Shorn Freshmen Really Welcome New Class Caps

Having a green color scheme for the first time since 1929, the freshmen caps, which are distributed each year by the sophomore class, arrived just in time to protect the short-haired freshmen from the cold.

The cap this year has a green crown with a purple bill and white numerals and button, while the cap for the two preceding years has been purple with a green bill. The sophomore class is selling the caps for 75 cents.

Of the 10 dozen ordered, approximately 75 have been sold. A large majority of the dormitory students have bought caps, but few have been sold to the town students, according to Judy Truelson, vice-president of the sophomore class.

Edythe Black is distributing the caps in Jarvis Hall, and Judy Truelson is handling them in the boys' dormitories.

## Dean Hall Will Deliver Address

Dean Colby D. Hall, pastor of the University Christian Church for October, will deliver his address to the congregation Sunday morning at 11 o'clock in the Main Auditorium on the subject of "The Blessings That Follow the Immortal Hope."

This sermon, which is a companion to the one he gave last Sunday on "The Assurance of Immortality," is to put it in common phraseology, "Suppose the personality does not persist in another life, what difference does that make for you in this life?"

Dean Hall has issued a special invitation to the University students to attend these Sunday morning services on the campus.

## Annual Reports Are Approved by Trustees

The regular September meeting of the University Board of Trustees was held recently in the office of President E. M. Waits. At the meeting the board passed on the annual auditors, president and business manager reports.

Members present at the meeting were: President Waits; H. W. Stark, Gainesville; M. E. Daniel, Breckenridge; Dan Rogers, Dallas; C. A. Wheeler, L. D. Anderson, W. S. Cooke, Van Zandt Jarvis and E. E. Bewley, all of Fort Worth.

## Dickey Wants Aid In Hunt for Good Luck Rabbit Foot

Rabbit's foot, rabbit's foot! Who has Billie Dickey's rabbit's foot?

Billie has been unable to find any clues in order to solve the mysterious disappearance of his luck piece, which he has not seen since late Monday night.

There could be no mistaken identity in recognizing his rabbit's foot as there is a red cord of extra good quality attached to the end of it.

Here is what this fetish idea has brought to Billie. Gibson Randle gave it to him as a parting gift on senior class day of last year, when Gibson gave his office of class president to Billie.

Then exam time came along in June, and Billie was quite confident that without his rabbit's foot he would never have pulled through those finals. Through the summer, Billie met with no grave misfortunes. Without his rabbit's foot he might have run into "ole man Trouble."

So far this year, Billie has been taking it pretty good, but now he feels that he is in grave danger without his luck piece.

He asks his friends to help him by finding his rabbit's foot.

## Socialist Is To Speak

Thomas Will Address Freshmen and Sophomores.

Norman Thomas, Socialist candidate for president and internationally famous lecturer and author, will address the freshman-sophomore chapel group Monday, Oct. 17, on the subject, "Unemployment, Its Cause and Cure."

An alternate subject will be, "The Socialist Christian." Thomas' only appearance in Fort Worth will be on the T. C. U. campus.

Immediately following the lecture, a forum will be held in which Thomas will answer questions concerning the subject discussed. Several classes will be dismissed, so that students may remain for the forum.

Thomas is brought to the campus by the student Y. M. C. A., which has voted to attend his address in Dallas in a body the night of Oct. 17. He is the first of a number of lecturers to be presented by the "Y" forum group this year.

## Student 'Y' Begins Membership Drive

The student Y. M. C. A. held its first meeting of the year in the chapel Thursday, Sept. 29, for the purpose of beginning a membership drive and discussing plans for continuing its forums this year. Marion Hicks, president of the organization, was in charge of the meeting.

It was decided to hold the forums on the first and third Mondays of each month. They will be held in the Brite clubroom at 7:30 p. m. The forums were formerly held weekly in the afternoons.

A membership committee composed of Fred Miller, Frank Ward and Bud Taylor was appointed to secure new members for the coming year. Members voted to pay a fee of 5 cents per week to help finance the organization.

Approximately 30 students attended the meeting and secured membership cards for the coming year.

## Former Student in Kansas

Miss Hazel Wales, alumna of Texas Christian University, is teaching school at Hutchinson, Kan. Besides her teaching work, she has the management of a book store where she is interested in book reviewing.

## Miss Guhl's Mother Dies

Mrs. C. R. Guhl, mother of Miss Loree Guhl, a student in the University, died suddenly at her home, 1521 East Roberts, Monday at 12:15 p. m. Funeral services were held Tuesday in Gordon, Texas.

## Band Sweetheart

Courtesy Fort Worth Press. Miss Mary Rowan, a blonde and a sophomore from Wharton, who was this week selected by members of the Horned Frog Band to be the sweetheart of that organization for 1932-33.

## Skiff Reporters Are Experienced

First Year Students Have Past Journalistic Records.

Students of journalism, who publish The Skiff every week, are not beginners by any means. Ten of them have had experience on high school publications and city dailies, and the juniors and seniors have had experience on The Skiff that is of utmost value to them.

### Miss Scott Is Experienced

Leading the list in experience is Miss Ernestine Scott, the editor, who attended high school at Pine Bluff, Ark. Miss Scott was editor of The Pine Cone, school publication, and has served on the Skiff staff for two years, being society editor of The Skiff last year. She has also been a member of the Horned Frog staff.

Paul Martin came to The Skiff from North Side, where he was editor of the Lariat, school publication. He also did some advertising in Chickasaw, Okla., before coming to Fort Worth. He has been on the reportorial staff the past two years and is now assistant editor to Miss Scott.

Miss Young Attended O. U. Miss Maudallen Young, exchange editor, had high school experience as assistant advertising manager at Junior High School and then at Central High School in 1929. Spending the greater part of her time writing features, Miss Young was on The Skiff staff last fall semester. In the spring semester she attended the University of Oklahoma, where she was a reporter on the staff of The Daily Oklahoman.

Joe Sargent was editor of the Pantherette, Central High School publication, in 1930, and won third place in the journalism contest in the International Journalism Congress his senior year. He was on the reportorial staff of The Skiff last year, and is typographical technician now.

Charles Casper began his journalism work at T. C. U. with previous experience on the San Antonio Light. He is at present assistant sports editor to Ben Boswell.

Miss Puckett Worked in Summer. Miss Helen Puckett, feature editor, edited a miniature newspaper, "Prattle and Piffle," last year for the (Continued on Page Three)

## Freshman Photos Now Being Made

Picture making season of the Horned Frog is in full swing and L. O. Dallas, editor, requests that all freshmen have their pictures made as soon as possible.

The price for freshman pictures is \$1, a reduction of 75 cents from last year's price. The pictures are being made in Brite College room 104 between the hours of 10 and 4.

The freshmen will be allowed only one more week in which to be photographed. All members of the class are urged to have their pictures made, so that the class will be well represented in the Horned Frog.

## Students Vote To Make Annual Trip to Houston

Fort Worth Lion's Club Will Sponsor A. & M. Special Train.

### HOLIDAY FOR OWL GAME

Excursions Will Be Sponsored for Both Aggie and Rice Tilts.

Members of the T. C. U. student body voted overwhelmingly in favor of making the annual football trip this year to Rice Institute in Houston, according to Marion Hicks, president of the Student Body Association.

Out of the 464 votes cast by those students desiring to make such a trip this year, 435 were in favor of Rice. The remaining 29 votes were in favor of a trip to A. & M. at College Station.

The junior-senior chapel gave Rice a 171 to 20 majority, while the freshman and sophomores voted a 264 to 9 majority. Those students in each chapel who did not intend to make either trip did not cast a vote.

The Student Body Association, which is sponsoring the Rice trip on Nov. 19, has arranged for a special train to accommodate those going. An official holiday will be granted on the part of the administration, and special prices to the game are being made to T. C. U. students.

The Lion's Club and A. & M. alumni of Fort Worth will sponsor a special to College Station on Oct. 15 for the game there between T. C. U. and A. & M. Cuts will be given to those students making this trip. Many students are planning to make both trips.

## Sammis Studies During Summer

Claude Sammis, director of the T. C. U. Band and Orchestra and head of the department of violin, returned Sept. 1 from New Haven, Conn., and New York City, where he studied with Prof. Paul Stoeving, international figure in the music world.

Sammis has the honor of having studied the Stoeving compositions with the composer himself. He also played his original compositions at a party given in his honor by Stoeving and was accompanied by Mrs. Stoeving, who was formerly a concert pianist. While at the New Haven School of Music, Sammis played in a string quartet at the commencement exercises.

Besides visiting his parents in Bridgeport, Conn., Sammis visited in Washington, D. C., accompanied by Stoeving.

## New Picture Received

Napoleon's Portrait Loaned to Library by Gaines' Father.

S. M. Gaines, father of Dr. Newton Gaines, has loaned the Mary Couts Burnett Library, a portrait of Napoleon by the French portrait painter, Francois Gerard.

The picture is an original which Gaines found in New Orleans. It formerly belonged to one of the oldest French families in America.

Napoleon was 28 at the time the portrait was painted and is wearing his best coronation robes. This is considered one of the best likenesses that is to be found of the emperor.

According to Gaines, the picture in its present position, is hung too high for the lighting to bring out its best features. Gerard is one of the most distinguished of French painters. He was a great favorite at the court of Napoleon, where he painted the emperor many times as well as his wives and children.

## Shall We Decorate for Homecoming Day?

Friday, Nov. 11, has been set aside as Homecoming Day at Texas Christian. On that day the Horned Frog grid warriors will meet the Longhorns of the University of Texas. This game promises to be one of the major ones of the current season, as critics have predicted a close race between the two teams for the championship.

How about the homecoming and what does it mean to T. C. U.? Will there be, or should there be, any "Welcome" signs painted? And should the campus be decorated?

Last fall when the Frogs went to Fayetteville to play the University of Arkansas, the little college town was covered with decorations and welcome signs. It made everyone, even the T. C. U. visitors, happy. Though the Razorbacks were defeated, their Homecoming Day was a success.

Why should not the various organizations at T. C. U. hold a joint meeting and discuss similar plans for Nov. 11? There are enough campus organizations at T. C. U. to decorate the campus without throwing too much work on any one group.

Dr. Edwin A. Elliott, president of the organization of Texas Christian University Ex-students has announced that literature regarding the homecoming has been mailed to each ex-student, and he expects one of the largest gatherings in the history of the group. Coming on a holiday, the homecoming should be attended by all. For the sake of convenience the luncheon will be held in the University cafeteria instead of downtown.

Let all T. C. U. join in and make this the biggest and most successful Homecoming Day in the history of the University.

## A Mountain Out of a Molehill

When the University of Arkansas comes to play T. C. U. Saturday, the freshman boys are scheduled to put on a stunt between halves, and they are going to make an impression on those visitors not so much by their performance as by their shaven heads. Those Arkansas people will know by that stunt that the present student body has regained some of that spirit for which T. C. U. in years past has been noted.

It is to be admitted that hazing can be carried too far. However, it is not believed that the upperclassmen of this year have taken it to an extreme. If such mild forms of hazing as shaving heads and wearing dress hats were ignored on the part of the administration, extreme cases of hazing would not develop. If the upperclassmen can have their fun in the open, they are not going to sneak around and commit such acts as beating the freshmen with coat hangers. There is always the double thrill in doing something that is forbidden.

So let the smoldering fire alone, lest by stirring it, it shall burst into flames.

## Why Not in T. C. U.?

When the football boys returned from L. S. U., every one of them declared that their reception in Baton Rouge was the most royal one they had ever had on a trip anywhere. So the boys wish to take this opportunity of extending their thanks to the Pelican Club of Louisiana State, which was responsible for the many courtesies shown them while there.

The Pelicans were on the job the entire time. When the squad arrived in Baton Rouge, members of this organization met them and provided transportation to the hotel. In the mornings, about time for the boys to arise, Pelicans visited the individual rooms to inquire if there was anything they wanted, and also saw to it that papers were distributed both morning and evening. A theater party for the team and managers was arranged by the club.

Throughout the entire game two Pelicans sat on the bench with the T. C. U. squad. During the contest resin for the Horned Frogs was lost, and it was a Pelican that went after some and paid for it. Following the game, Pelicans served sandwiches, milk, ice cream and apples to the boys in the locker rooms. These were just a few of the multitude of hospitalities extended the Horned Frogs during their stay at Baton Rouge.

The Pelican Club is organized for the express purpose of entertaining visiting teams. Members are distinguished by their white sweaters with pelicans on them. Although it is a volunteer organization, membership is based on invitation.

Why not a club of like purpose in T. C. U.?

## Broken Bottles Are Dangerous

A girl stumbling on a stadium step—a hand thrust out to break the fall—a cry as a severely cut and bleeding hand is held up—all the result of a broken bottle. The tripping on the step would have been of little consequence if the hand had not been badly cut on the many pieces of glass scattered about. Since this same accident occurred to two girls at a recent football game played on our own field, a plea is being made to those who throw or kick soda pop bottles at the games to refrain from so doing.

Doubtless those who threw or kicked the bottles did so in a moment of fun and thoughtlessness. They were sent on their downward journey merely to hear them bobble and pop as they rolled from step to step. Yet the danger of broken glass is a great price to pay for a little fun. So, students, at the next game take care not to kick over the empty pop bottles that are found here and there, on the steps and above, all do not throw any. Broken bottles are dangerous as well as wanton destruction.

Speaking of irresistible forces and immovable objects—did you ever hear two women talking?

## George Cohan Makes Vitaphone Debut In "The Phantom President" at Worth

George M. Cohan, who has not been on the screen since 1918, makes his talking picture debut in "The Phantom President," which comes to the Worth Theater Saturday. This Paramount production portrays a comedy campaign that is a scream from beginning to end. Nevertheless, the Phantom President mediates with the sea and the whole country sings "The Country Has a Plan."

In the supporting cast are Claudette Colbert, Jimmy Durante, George Barbier, Sidney Toler, Louise Mackintosh and Roscoe Thomas.

## OTHER CAMPUSOLOGY

At the Palace Theater, Edward G. Robinson and Richard Arlen head the cast of "Tiger Shark," the stirring and emotional epic of the sea which comes to the Palace Theater for an opening performance Sunday, Oct. 9.

The Fine National picture portrays these two famous screen stars, playing together for the first time in life among fishermen. Arlen, who takes the role of a mate on Robinson's fishing boat, gets his nickname from his ability to sing rollicking songs of the sea. This is Arlen's initial appearance in singing over the telephone.

Another member of the cast is Elza Zeman, the talented Hungarian actress who has only recently come over to this country to enter motion pictures.

Just as a matter of passing interest, Vernon Fenley and his 10-passenger 2 o'clock bus—Opal Longan and her 2 o'clock escape—Eliza Zeman and her magnificent escape—Gela and Kathryn Kelley are NOT twins—and C. C. Converse is NOT a footman—Paul Packard got a job and quit school—Phyllis Duman's turned-up nose.

—And here is one in our DEAR EDITOR: Moments of the past: KELLER BALLEE HAD A CRUSH ON ERNESTINE SCOTT last year. It is rumored that George Cherry, some, Jackson's own "play boy," was called over the telephone the other night by Ray Lang, KFTL announcer, who wanted to test both the speaking and the singing voice of our freshman aspirant. We wonder how he came out. Will he make the girls forget Bing Crosby?

## FISH FINS

By RINDA VAN ZANT.

Well, folks, winter is here. The wind sure whistles around these shaven heads of the fresh. These dear old heads will be combed with knowledge by '36. Another sign of winter is Eagle Ellis in long studies in the gym.

Upperclassmen are learning that the fish are not so dumb. Elythe Black has just about decided to do her own shaving because Marion Honey left the print of the iron on her dress when she ironed it the other day. Yes, these fish are not so dumb!

Who was the flaming youth that Mary Ellen Davis waited so long for in the library the other day? The Clark Gable of T. C. U. is said to be Joe Coleman. If fresh fail to admit this, "Little Joe" takes pains to convert them to the idea.

The wonderful yell (which showed upperclassmen how) was led last Tuesday night by Tom Pickett, Johnny Knowles and Rinda Van Zant.

If you see two fish trying to balance books on their "fin," said heads it is probably Keller Mine and Darrel Lester.

Clifton Nugent has shaved his beard just recently. For a while he let it run a race with his shaven head. The object was to see which one would grow the faster.

The freshman president, Johnny Knowles, hails from Houston. Just the other day he received a perfumed letter from a girl there, but the funny part of it, was that the letter was addressed to Jarvis Hall. This wasn't far wrong because Johnny is over there several times each day. We congratulate you, Johnny, and now we pass you on to the upperclassmen for their congratulations.

The latest report shows that the boys have sold 84 fish hats, while the girls have sold only 19. Maybe the girls should show a little spirit to boost the sale of these head ornaments. The boys created a demand for theirs. But there aren't quite enough bald heads yet.

## Justa Splash o' Dirt

The poem last week on the barbed-wire fence should have been dedicated to X. K. Campbell.

Boys, how does it feel to be rushed by a redhead? Bern Branum certainly believes in giving the boys a break. Or is it?

We know now where Johnnie Kitchen got his Platinum Blonde beauty—we saw him going into Helen's Beauty Parlor after the game with Daniel Baker. Why, Johnnie, how could you be so deceitful?

Jennie, the Gypsy girl, is hunting for Billy Allen.

Laurence Coulter nominated two girls for band sweetheart and had a hard time deciding which one to vote for.

We have been waiting for this dirt for a long time because it is on two of our model students. Bud Taylor and Lollie Botts were seen in the back of the chapel at 1:30 o'clock last Saturday afternoon. We leave the rest to your imagination, but we say, "Oh! Oh!"

Seen about the campus—Lou Blum-

A STORM AT SEA.  
It is evening on the coast.  
By the clouds, a storm is near.  
The trembling stars put out their lights.  
And hide behind the dark cloud curtains.

THE HAND I HELD.  
I held a hand the other night,  
A hand within my own.  
Oh, how it thrilled me!  
I was near the "larger one!"

Oh what a hand!  
I felt like I could sing!  
Because the hand I held,  
Was two and one and a thing!

### Luna Addresses Class

University Alumnus Discusses Conditions in Mexico.

E. G. Luna, director of Mexican missionary work in San Antonio and T. C. U. alumnus of 1930, addressed Dr. Edwin A. Elliott's economics class last Saturday on conditions in Mexico at the present time.

Luna stated that the United States has much to learn from his country regarding neighborliness and thrift, but that they have much to gain from us in the industrial field. A feature of the address was his interpretation of the Mexican system of choosing and disposing of presidents.

At the present time Luna is taking graduate work in the University of Texas, where he is continuing his study of economics. At graduation he plans to enter the Mexican consular service. His major studies in T. C. U. were sociology and economics.

Miss Judith Witherspoon spent last week-end at her home in Chatfield.

Miss Mary Helen Simms has transferred to T. C. U. from Hillsboro Junior College.

# Horned Frogs Meet Razorbacks in Conference Opener Tomorrow

## Porkers Likely To Fill Air With Forward Passes

### Will Strive to Avenge 40-to-0 Defeat Received in 1930.

## HOGS HAVE YOUNG TEAM

### Many Sophs on Arkansas Squad, While 13 T. C. U. Regulars Are Seniors.

By BEN BOSWELL.

Tomorrow afternoon at 3 o'clock on Frog Field, Coaches Francis Schmidt and "Bear" Wolf, will hurl their strongest combination against the University of Arkansas Razorbacks.

The Horned Frog coaches and players are set to begin the conference schedule with a victory. New offensive plays and defensive tactics have been carefully arranged to meet the varied Porker attack. If past performance means anything, the Hogs will fill the air with passes in an effort to avenge a 40-to-0 defeat handed them by the Frogs on their last appearance here in 1930.

It is true that the highly-touted sophomores that dominate the Porker team have not been so impressive in the first two games of the season. They have been tied once and beaten once by supposedly weaker teams. This does not mean that the Frogs will have easy coasting. It does mean, however, that they are capable of whipping the weaker Arkansas team.

The Frogs will be bigger and will have more experience, and then, they will be playing to make the last season for 13 of their regulars a successful one.

The play of several outstanding Frogs will be closely watched by critics of the Southwest. The play of Capt. Johnny Vaught will determine a lot as to the success of the Frogs. He is being pushed for all-American honors and should give the fans something to look at in the way of playing guard. Others in the line to bear watching are Howell, Evans and Townsend, all seniors.

The list of backs is headed by the one and only Red Oliver, who is playing the best football at present of any man in the backfield. He scored the lone marker that gave the Frogs a 7-to-0 victory over the Hogs last fall. Next to Oliver is Blannard Spearman, side-step and blocking artist of the Christian backfield. His play thus far has been a little below par, in comparison to his 1930 and 1931 performance.

John Kitchen, the only man in the starting backfield who is not a senior, will be starting the first major game of his varsity career. This triple-threat fullback should be a great help to the Frog backfield, as he is the best passer of the lot.

Starting at quarter will be Buster Brannon. It will be hard for him to show the form tomorrow that he showed against the L. S. U. Tigers because his injured ankle is still badly swollen.

For the Hogs, Capt. "Bull" Erwin in the line and Murphy and Rees in the backfield should be outstanding.

The coaches of both schools have announced their starting line-ups, though both are subject to last-minute changes.

Lon Evans was chosen sheriff; Lee Bassinger, bailiff; Miss Bennie Sue Ratliff, matron, and Bud Taylor, judge.

## BEN'S BARQUE

By BEN BOSWELL.

Tomorrow's game in the Frog Stadium marks the opening game of the current Southwest Conference season for the Frogs and the Razorbacks. The last time the Hogs were here, they went back home under a stinging 40-to-0 defeat at the hands of a sophomore team. The results of that game did not truly show the genuine strength of the Porkers, because the heat was terrific, something to which they were not accustomed.

All that took place in 1930. Last year in the cool Ozarks, the Frogs, a junior team, were lucky to win a slow 7-to-0 game.

This year finds the tables reversed from what they were in 1930. The Hogs have many sophomores on their team and the majority of the starting Frogs are seniors. What will the outcome be?

The work of Joe Coleman in the Daniel Baker game about ended Coach Schmidt's worries for a quarter for next year. Joe weighs about 160 pounds now and by next year should be nearing the 170 mark. He is an excellent runner, passer and punter.

With this season and spring practice ahead of him for experience, he should about fill the bill next fall.

What is wrong with the Porkers? Once more, and for the last time, I say that nothing is wrong. They just got off on the wrong foot. Two years ago Texas University lost unexpectedly to the Rice Owls, then a comparatively weak team. The next Saturday the Longhorns ripped to pieces one of the best teams that Southern Methodist had. The Steers went wild and whipped the Ponies 25 to 0. My prediction is that the Ponies of Southern Methodist will turn the dope-bucket wrong side out by beating the Owls tomorrow. Should the Owls win, just forget I said anything about it.

The Polliwogs of Texas Christian will put a 100 per cent bald-headed team on the field Oct. 20, when they meet the Weatherford College Kangaroos.

If Buster Brannon and Madison Pruitt play in tomorrow's game, both will be doing so under great handicap. The boys have been suffering from badly sprained ankles. It is hoped that they will not be re-injured, as they have chances to be all-conference men, and the missing of one or two of the conference games would practically eliminate them from the list of candidates.

It may be of interest to a few to know that Marc Boswell, who was a candidate for the 1931 Frog Varsity and who was forced to quit because of a life-long affliction of heart trouble, is now a member of the United States Marine football team of Quantico, Va.

Three attacks of inflammatory rheumatism caused this trouble. The first attack came at 7 years, the second at 13 and the latest and worst at 17.

Following the suggestion of a Marine officer who told him that the regular work would cure him Marc joined the Marines last January. Apparently, the work there has turned the trick. A recent examination failed to show any signs of his former trouble. The team on which he plays right tackle, will play in Dayton, Ohio, tomorrow.

The general impression is that the Daniel Baker player who was injured late in last week's game suffered a broken leg. Some even said that it was broken in three places. I went to see him at the hospital that night. X-ray pictures showed no signs of a broken bone. A severe lick that he received on the muscle of his thigh left the leg paralyzed for a few hours. The distortion of the leg muscle made it appear to be

## Frogs Beat Hill Billies 55 to 0

### Spearman and Oliver Star on Offense for T. C. U.

By JOE SARGENT

Displaying more hustle and punch than they have showed in any other game this season, the Horned Frog gridders took the Daniel Baker Hill Billies to a 55-0 cleaning Saturday on Frog Field in their last game before the opening of the conference season.

Although the Hill Billies are a light team, they held the Schmidtmen for the first ten minutes of the game. Then the Frogs began a series of marches down the field which continued practically unchecked until the end of the game. Red Oliver made the Purple's first touchdown with a 26-yard run, and Ben Boswell kicked goal for the extra point.

Oliver also started the second-quarter scoring. He went five yards through tackle for a touchdown, following a steady march down the field. Hubert Dennis kicked goal. Soon afterward, Oliver intercepted a Daniel Baker pass, the Frogs made a series of long runs, and Blannard Spearman got away for 36 yards and another touchdown. Dennis converted. As the first half neared its close, J. W. Townsend blocked a Billy punt, which the Frogs recovered, and the boys were nearing the Brownwood team's goal line when the half ended.

To open the third quarter the Hill Billies fumbled and Boswell covered the ball. The Schmidtmen then carried the oval to the one-foot line, where Spearman carried it over the goal standing up. After a few plays, Spearman received a Daniel Baker punt and returned it 65 yards for a touchdown. Dennis again made the extra point. The third and last touchdown of the third quarter was made by a long pass from Otha Tiner to Jack Graves, who received the heave five yards from the goal and went over the line, with a couple of Hill Billies clinging to him. Tiner kicked goal.

Coach Schmidt gave his reserves a chance in the last quarter and the Frogs did no scoring for the first ten minutes of the final period. Then Schmidt put in some of his first string, and Johnny Kitchen began the last scoring spree by ripping off a 30-yard run, from the 45-yard stripe to the 15. From there Oliver carried the ball to the 3-yard line, and Kitchen carried it over the goal. For the first time the Purple missed their try point.

The last touchdown of the game was made by Joe Coleman, sophomore quarter, who took the ball over the goal from the 5-yard line, after the completion of a sensational 35-yard pass from Kitchen to Jack Langdon. Coleman kicked goal.

## Harriers Report To Coach Clark

### Captain Chappell Only Letterman Returning to Squad.

Some ten men reported to Coach "Pasa" Clark last week and were issued equipment for the Frog cross country varsity team this year. To date only one freshman has reported for the marathon freshman sport.

With only one letterman, Robert Chappell, returning, Coach Clark will have to practically rebuild his 1932 team. Chappell, the only man ever to earn a cross country letter in T. C. U., is captain. Last year Chappell finished fourth in the conference meet at Dallas and is expected to finish much higher this year.

The following men have reported and have been issued equipment: Bill Anderson, middle distance star from the 1932 Frog track team; Jinx Powell, another middle distance star from Coach Clark's Frog track team; Wirth McCoy, two-miler last year; Ralph Brown, Paul Donovan, Boaz Hoskins and Fred Miller, baseball products of Dutch Meyer; Bill Barnes, and Henry Spencer.

Bob Mainard, the only frosh to report, has great possibilities according to Clark. He was a star half-miler in high school.

The Frog endurance men will encounter the Denton Eagles in a dual meet the latter part of October and will meet S. M. U. and Baylor before the conference meet in Houston.

## Frog Tennis Veterans Will Form Strong Team

With four veterans back, two sophomores and last year's intramural champion, T. C. U. should put out one of the strongest tennis teams in the conference this year.

The veterans are: Howard Walsh, Clyde Alexander, Charlie Williams, all of Fort Worth, and Billie Dickey

## Tilts of Classes To Open Tuesday

### Two Football Clashes Open 1932 Intramural Season.

Two games played Tuesday afternoon on the field south of the Frog Fieldhouse will open the 1932 intramural football season. The games will be played under the direction of Walter S. Knox.

The seniors and sophomores clash at 1:30 o'clock, and immediately after the game the juniors meet the freshmen. Each team will play six games during the season. Knox will appoint officials for the games. Graduate students will be permitted to play with the seniors because of the scarcity of men in that class.

The class of '33 has won the football championship for two straight years, and Howard Walsh, manager, says they are due to repeat. The '34 class finished second last year. All men are back this year. According to Bryant Collins, class manager, the seniors will not be in the race.

Miller Kelsey's '35 team finished in the cellar last year, but Kelsey says the intramural dope bucket is due for a turnover. Men of the class of '36 haven't had a chance to "show their stuff" yet, but John Knowles says his team will change the monotony of the losing streak the freshmen have had in the past.

A sweater will be given to the manager who has the greatest percentage of his class out to all the games. All intramural tennis singles entries have been asked to sign the chart on the bulletin board at the gym entrance by Tuesday. Play will begin the following week.

## Two Frog Backs Set Pace in Scoring Race

### Oliver and Spearman Make 18 Points in Season's First Games.

Richard "Red" Oliver and Blannard Spearman, speedy Horned Frog backfield stars, are leading the Southwest Conference touchdown parade with eighteen points each. Both have scored three touchdowns.

Spearman made all three of his markers in the Daniel Baker game last Saturday, and Oliver made his in the Denton-T. C. U. game and the Hill Billie game, scoring one marker against the Eagles and two against the Brownwood eleven. Spearman's 65-yard gallop Saturday was the outstanding run of any game played last week-end. Oliver's 80-yard jaunt against L. S. U. is the longest of the present season, although the Sorrell Top failed to score against the Tigers. Leading scorers in the Conference follow:

	Td.	Pts.	Tot.
Oliver, T. C. U.	3	0	18
Spearman, T. C. U.	3	0	18
Koy, Texas	2	2	14
Stafford, Texas	2	0	12
Biddle, Ark.	2	0	12
Pearce, Baylor	2	0	12
Krone, Baylor	1	2	8

of Houston. Judy Truleson of Dallas and Mark Hart of Cleburne are the sophomores, with Marion Hicks in the role of champion.

Light workouts are to be held from time to time this fall, according to Coach E. W. McDiarmid. Two matches will probably be arranged with S. M. U. later.

## With the Frogs

By CHARLIE CASPER

In keeping close check on the members of the Horned Frog football team we find many personal facts which have failed to come into the public's eye. Some of the recent happenings are:

Richard "Speedy" Allison played a great game at right tackle in the Daniel Baker-T. C. U. game last week, as did Lynn Brown at left guard.

Blannard Spearman and Red Oliver are the leading scorers of the conference now and should end the season that way.

Buster Brannon and Madison Pruitt, Frog stars who have been on the injured list for the past two weeks, are expected to be back in the starting line-up against the Hogs Saturday.

Coach Schmidt has adopted "kill Murphy" as his favorite slogan in preparing for the Porker game.

Bud Taylor and Doc Sumner, only injured players of the Frog-Hill Billie game, are both at work??? again. Taylor has a very slight limp, while Sumner carried around a dirty upper lip, or maybe the spot is a mustache. Anyway that is what Sumner intends it for, and Schmidt has named him "Mustachio" in honor of John Barrymore or Rin-Tin-Tin.

Most of the Frog football team suffered more jolts and knocks at the dance Saturday night than they did in the game. Any one of them will tell you what a "pugnacious" time they had.

Joe Coleman looked good in Saturday's game, as did Johnnie Kitchen in Sunday morning's paper. Both are expected to see much service in the Frog-Hog game.

Ben Boswell, superior sports writer, and possessor of the "Southwest's golden toe," will have a battle on his hands Saturday with Erwin, big Arkansas tackle. Both are touted to make the mythical all-conference team this year.

Lon Evans was all broken hearted Tuesday morning when he found out that his pals had chumped off and joined the Glee Club. "I could hardly believe such," says Lon, "but I had my suspicions about some of those guys all the time."

Among those musical gridiron aspirants who chose to mix football and music are: Bud "Bing" Taylor, Buster "Glee" Brannon, Johnnie "Vallee" Vaught, Ben "Caruso" Boswell, "Percy" Welsh and Ad Dietzel.

Foster Howell, Jack Shackelford, B. W. Spearman, Jewell Wallace, Flash Walker, Judy Truleson, Otha "Brakes" Tiner, Lucy Phelps, Dan Salkeld, Love Perkins, Jack Langdon, Jimmie Jacks, Dan Harston, Lee Bassinger, Woodson Armes, Hubert Dennis and Rex Clark could not be found around the library or in either of the dorms while the Glee Club was practicing and it is supposed that they too were giving their "musical cords" a tryout.

We should have one more "harmonious ball club" when the men do
