Glee Club Spring Tour Will Begin Sunday Afternoon

Men's Choral Group Will Be on Road for Twelve Days.

32 Persons to Go

Itinerary to Include Cities in Louisiana, South and East Texas.

The Texas Christian University Men's Glee Club will start on its spring concert tour through South and East Texas at 1 o'clock Sunday afternoon, and will be on the road until Wednesday, May 4.

A bus has been chartered to carry the 29 singers accompanied by their director, David Scouler, and Miss Adeline Boyd, accompanist, on the second concert tour since 1926. Albert Luper will accompany the group as violin soloist.

Plans for a tour through Oklahoma, Kansas, Missouri and Arkansas were abandoned because bus lines going into so many states made the transportation fee prohibitive. Buses going into different states are required to take out licenses for each state.

Program Has Variety.

Opening with a classical selection and concluding with a college medley, the program will offer a wide variety of musical entertainment. Such selections as "Hallelujah, Amen," Handel; "Tell Me Not of a Lovely Lass," Forsyth; and "Battle of Jericho" will be featured.

A special lighting arrangement will be taken along to be used in the twilight numbers, and a group of familiar arrangements including songs of colleges in the Southwest will make up the final number.

The first concert of the tour will be held in Cleburne at 3 o'clock Sunday afternoon, and at 8 o'clock Sunday night the club will sing in Waco.

Two Concerts in Houston.

Concerts will be sung during the week at Cameron, Taylor, Lockhart and San Antonio. Friday the club will sing at the St. Paul's Methodist Church in Houston, and Saturday night it will be presented at the Houston Heights Methodist Church.

Sunday the club will sing at Lufkin and Monday it will present a concert in Shreveport, La., which will be its only appearance outside the state.

New Flowers Being Planted on Campus

Shrubs and Trees Also Receive Attention of L. L. Dees, Supervisor.

The Texas Christian University campus, well known in Fort Worth for its attractive flowers and shrubbery, will be cared for this year as in the past. The many beds on the grounds are all being planted at the present time, and the hedges and shrubs are being trimmed.

L. L. Dees, supervisor of the campus, stated that 800 verberna plants will be put out this week in the beds in front of the Main Building and the library. Approximately 200 each of sweet silene and alcapa will also be set out in these beds. Twelve dozen roses were planted earlier in different beds.

Dr. W. C. Smith Names Courses

Three Announced—More to Be Given If Demanded.

Dr. W. C. Smith, head of the sociology department, announced Wednesday the summer session courses in sociology.

The Sociology of Education, three semester hours, will be given daily at 7:30 a. m. This course may be counted as sociology or education, and is accepted as a pre-requisite to all other courses in the department of sociology.

The purpose of the course is to define and illustrate fundamental sociological concepts and analyses and to point out the way in which sociology may apply its techniques to educational agencies, processes and objectives, that those engaged in them may better understand their task.

Anthropology, three semester hours, to be given daily at 11:30 a. m., requires as pre-requisite or concurrent the Introductory Sociology or Sociology of Education. This course concerns human origins and developments; racial differences as evidenced in mental capacity, language and social organization; problems arising out of racial and cultural contacts through missions, commercial relations and colonization.

The Community, three semester hours, to be given at 11 a. m. daily, has the same requirements as Anthropology. The Community is the study of the evolution, organization and problems of the community, both rural and urban, and the relation of the community to the personality development of the school child.

The Community or Anthropology will be given according to demand. A third course, at a different hour, will be arranged if there is sufficient need.

Dr. Smith Gives Varied Lectures

Dr. W. C. Smith of the sociology department read a paper in the sociological section of the Southwest Social Science Association in Dallas Friday.

The paper was entitled "The Teaching of Sociology in Sectarian Colleges and Theological Seminaries of the Southwest." Friday evening Dr. Smith gave an address at the Southwest Regional Conference of Social Workers in Fort Worth on "The Social Worker and Economic Readjustment."

Saturday morning he served as chairman of the sociology section of the social science meeting in Dallas, and that afternoon he gave an address at a meeting of the Vocational Teachers' Association in Fort Worth on "Some Sociological Aspects of Vocational Education."

Prof. Ashburn Is Named Director Public Relations

Texas Woman's College Elects Economist as Executive.

Dr. Brabham Praises

Duke Scholar to Assume Duties Next Fall at Neighbor Institution.

Prof. Karl E. Ashburn, member of the T. C. U. economics faculty for the past three years, will assume his duties next fall as director of public relations of Texas Woman's College, according to an announcement issued this week by President Tom W. Brabham of T. W. C.

As director of public relations, Prof. Ashburn will be in charge of the extension service, publicity, an economics class, contacts at Methodist Conferences, Methodist Churches, and local clubs. His work will be in an executive capacity under the direction of President Brabham.

Prof. Ashburn Is Duke Scholar.

Prof. Ashburn has received two degrees from T. C. U., an A. B. in 1926 and an M. A. in 1928. He is now preparing to take his Ph. D. final examinations at Duke University in Durham, N. C., next fall. As a graduate student in Duke University, Prof. Ashburn held two fellowships in economics in 1928-29 and 1929-30.

His doctor's thesis was written on "The Development of Cotton Production in Texas, 1821-1932." His research work was done throughout the southern states and in the Congressional Library in Washington, D. C.

Besides his teaching at T. C. U., Prof. Ashburn has been actively engaged in civic and pedagogical activities in the last three years. He is faculty sponsor of the T. C. U. Junior International Relations Club, member of the social life committee of T. C. U., director of the Fort Worth Junior Chamber of Commerce, secretary of the T. C. U. Chapter of the American Association of University Professors, and member of the Southwest Social Science Association, American Economics Association and American Association of University Professors.

Is Writer and Speaker. He has written articles on religious and economic subjects for the Nashville Advocate, Texas Advocate and Texas Outlook. During the past year he has made addresses over the radio and to various student, civic and religious groups.

His speaking dates in the near future are April 30, Men's Bible class of the University Christian Church on "Essentials of a True Christian" and May 9, Polytechnic Business Men's Club on "Our Present Economic Order."

Dates Are Announced

English Comprehensives to Be Given April 26-27.

The comprehensive examination for English majors will be given the afternoons of Wednesday, April 26, and Thursday, April 27, at 1:30 o'clock. Students should report to the English office at this hour. This is the second and last time the examination will be given during this college year.

The English department meeting will be held Thursday afternoon at 4 o'clock in the Jarvis Hall parlors. Mrs. Artemisia Bryson will present the results of a thorough study in which she has been engaged for some time, "The Arthurian Romance as an Indication of Changing English Attitudes." All English majors are expected to attend.

Dr. Rebecca Smith will speak today in Gainesville to the Friday Book Club on "Literature in the Southwest." Wednesday Miss Smith spoke to the Highmount P. T. A. on "Galsworthy."

Freshman Popularity Candidates

MYRTLE NELL TALIAFERRO

SARAH ORTH

These are the four most popular freshmen on the campus, according to the vote of their classmates. They are Misses Myrtle Nell Taliaferro and Mary Louise Hall, both of Fort Worth; Louise Watson, Dallas, and Sarah Orth, College Station.

Autogiro to Land On Frog Campus

William T. Campbell to Speak in Auditorium Wednesday.

A Coca-Cola autogiro airplane will land on the T. C. U. campus at noon Wednesday. The plane is piloted by William T. Campbell, who will give a talk on aviation in the auditorium from 12:15 to 1 p. m. His appearance on the campus is being sponsored by the department of physics.

Campbell has visited most of the colleges and universities of prominence in the East with his autogiro. He lands on the campuses and permits everyone to have a "close-up" of his machine.

Harvard University sponsored a flight by this plane during the eclipse of the sun last year, when Campbell took photographers up some 8,500 feet at Boston June 15, 1932. He also held the loop-the-loop record, with 151 loops. He has been flying since World War times, having had charge of Love Field at Dallas during the latter part of the war.

His lecture on flying, more particularly on the autogiro, will be free to all who care to attend. He will illustrate his talk with models of airplanes.

Band Drum Major Try-Outs at Noon

Try-outs for drum major of the Horned Frog Band during 1933-34 will be held at 12 o'clock today at the band house, according to Prof. Claude Sammis, director.

All men in the University are eligible for the office, and all interested in trying out are urged to be present at this meeting.

Roy Baeus and Weldon Allen have already expressed their candidacy for the honor.

Walker Wins Gough Oratorical Contest

Martin Takes Second Place and Hicks Third in Annual Forensic Meet.

Granville Walker, Bible student, won first place in the annual Gough Oratorical Contest held in the Auditorium Wednesday evening. The prize consisted of \$25 in cash and a gold medal presented yearly by Dr. R. G. Gough for the best oration of a T. C. U. student. Walker spoke on "Unchanging Values."

Paul Martin won second prize with his oration, "Return Democracy." Martin was given \$5 in cash by the faculty. Third place went to Marion Hicks, who spoke on "War—It Can and Must Be Prevented."

Other speakers on the program and their subjects were E. D. Fyke, "The New Frontier;" Tom Magoffin, "The Path to Peace;" Clayton McCutcheon, "An Appeal for Peace;" Roy O'Brien, "An Education for Living," and Henderson Van Zandt, who spoke on "A Collegiate View of the Rooseveltian Highway."

Judges of the contests were H. B. Brous, Charles G. Cotten, and O. T. Tomlinson.

Langdon, Kinzy Withdraw Names

Two Candidates for Student Offices Decline Nominations.

The withdrawal this week of Jack Langdon from the race for president of the student body and Hersel "Slim" Kinzy for vice-president has reduced the total number of candidates for student body officers for next year to nine. A run-off will not be necessary in any race, since there are now not more than two candidates for any office.

In a statement to The Skiff yesterday Langdon said that certain conditions had made it necessary to withdraw his name from the list of nominees. "However," he said, "I wish to express my thanks and appreciation to the students who showed their friendship and confidence in me by petitioning for my nomination."

Kinzy withdrew under similar circumstances and expressed his appreciation for the confidence of his friends in nominating him for vice-president of the student body.

Candidates now running for the various offices are:

- President of the Student Body. Roy O'Brien
- Bud Taylor
- Vice-President. Lynn Brown
- Bryant Collins
- Secretary-Treasurer. Miss Mary Jarvis
- Head Yell Leader. Freddie Miller
- Tom Pickett
- Editor of The Skiff. Miss Louise Cauker
- Joe Sargent

Candidates were presented to the junior-senior chapel group this morning. Monday they will be presented to the freshman-sophomore group and campaigning in chapel will begin. Chapel campaigning will be held on Wednesday and Friday also.

The election will be held in freshman-sophomore chapel Wednesday, May 3, and in junior-senior chapel Friday, May 5, according to Marion Hicks, president of the student body.

Dramatic Club to Give Play Tonight

A one-act play, "The Woman Who Understood Men," will be presented at 7:30 o'clock tonight in the University Auditorium by the Dramatic Club.

According to Miss Corinne Lewis, president, admission will be free and the public is invited.

The cast consists of Miss La Verne Brunson, Miss Lewis, Dean Harrison, Clarence Crotty and Miss Dorothy Caultkins.

After the play Miss Lewis will preside at a business meeting of the club.

Investigation of Faculty Changes Made This Week

Survey of University Economy Program Is Completed.

Three on Committee

Visiting Body Interviews Five Groups in Study of Conditions.

Three representatives of the American Association of University Professors were on the campus Sunday, Monday and Tuesday making a survey regarding the discharge of faculty members in the recent University economy move.

The representatives were Prof. A. Richards, University of Oklahoma; Prof. D. Y. Thomas, University of Arkansas, and Prof. William R. Arthur, University of Colorado.

The committee interviewed five groups in making the survey and took verbatim reports of each interview. The groups interviewed were: the University administration, several members of the Board of Trustees, a group of faculty members who will return next year, a group of faculty members who will not return next year and several prominent Fort Worth citizens.

This committee has no power of enforcement, but it presents its findings to the public and makes recommendations. A report of the results of the survey will be released in the near future. A full report will probably be published in the bulletin of the American Association of University Professors in June.

W. A. A. Officers at National Meeting

Miss Juanita Freeman, president of the W. A. A., and Mrs. Helen Walker Murphy, sponsor of the club and head of the woman's physical education department, represented T. C. U. at the National Athletic Conference for American College Women held at the University of Texas Monday through Wednesday.

This year was the first time the conference met in the South. Representatives from 40 colleges and universities over the country attended the convention. Miss Blanche Trilling of the University of Wisconsin and Dr. Goodwin Watson of Columbia University were the main speakers at the meet.

It was at the instigation of Miss Trilling that the first meeting of the Athletic Conference was held at the University of Wisconsin which later became a national organization, T. C. U. is not a member of the national organization but belongs to the State conference.

Curry to Wichita Falls

Will Attend Meeting of Texas Library Association.

Arthur R. Curry, librarian, will leave Wednesday to attend a meeting of the Texas Library Association in Wichita Falls, April 27-29.

Dr. W. J. Hammond of the history department will speak on "Libraries and the Texas Centennial."

Misses Evelyn Franklin and Natalie Gorin, student assistants in the Mary-Couts Burnett Library, have been invited to accompany Mr. Curry.

Prof. Ashburn Addresses Group

"The Need for a New International Philosophy" was the subject of a talk given by Prof. Karl E. Ashburn of the economics department Sunday evening at the Young People's Fellowship of the St. Andrew's Episcopal Church. Ashburn stated that the new philosophy should be based on Christian ethics rather than on national and imperialistic policies and profits, greed and deception. He also discussed the lives and policies of Mussolini of Italy, Stalin of Russia and Hitler of Germany, the three chief dictators of Europe.

THE SKIFF

Entered as second-class mailing matter at the postoffice in Fort Worth, Texas... ERNESTINE SCOTT Editor-in-Chief EDWIN W. VAN ORDEN Business Manager

Remember the Alamo!

April 21, 1836, more than eight hundred brave Texans prepared to establish their complete independence from Mexico as declared on March 2, 1836. The Texans, determined to avenge the terrible raids of the Mexicans at the Alamo and at Goliad, caught the enemy by surprise and won the famous battle of San Jacinto.

The system of special holiday programs, inaugurated at T. C. U. several years ago, permits a proper observance of these Red Letter Days in our calendar. We might each personally observe it by pausing long enough to ponder the debt we owe to those warriors of 1836.

Why Not at T. C. U.?

Anyone who has seen the Browning Collection that has been accumulated at Baylor University throughout the past several years through the efforts of Dr. A. J. Armstrong cannot help but wish that T. C. U. had some sort of a collection. Baylor has acquired world-wide fame all from this splendid collection.

The University of Texas, likewise has some good collections, the most famous one perhaps being the Wren Collection. The same library has a valuable collection of Texas and Mexican historical books. Graduate students from the Southwest who are working in this field spend a great portion of their time in the Texas Library.

T. C. U. does not have any very large collection, although it does have a fairly good start towards a collection of old Bibles. Among the oldest of these Bibles is a copy of the Bible Codex, Frederico Augustanus, that was printed in 1486. The library has a fine copy of the first folio of Stephenus that was printed in Greek in 1550.

The T. C. U. library is also starting another collection this year with the aid of the Southwestern Literature class that should become important. In the thesis room of the library this class and the Texas history class have collected a group of books and placed them on shelves in this room in order that those students can get them more easily.

T. C. U. therefore, has the possibilities of having some famous collections just as State and Baylor do now. Let's help the good cause along and get the ex-students as well as ourselves interested in making Mary Couts Burnett Library famous for something.

The T. C. U. Glee Club

Thirty members of the T. C. U. Glee Club and their director, David Schouler, and pianist, Miss Adeline Boyd, leave Sunday for the annual trip. The northern trip formerly planned for this year having been abandoned, since it was not possible to get a sufficient number of engagements at this time, the club will again tour Texas.

This organization should be given great credit for the work it is doing. It gives T. C. U. good publicity. Those in the club have devoted much time to rehearsals. This one week they are having rehearsals daily. In addition to the different practices that are necessary, the club has been generous in participating in various programs here at T. C. U.

We are proud of our Glee Club. If the tour this year is as successful as the one that was made last year, and there is every reason to believe that it will be, the name of the T. C. U. Glee Club should be fairly well established in the Southwest. Those in charge, including the director, the pianist, the officers of the organizations—especially the business manager—and the members themselves all deserve praise. We wish you the best of luck on your tour this year, T. C. U. Glee Club.

It Won't Be Long Now!

Another vacation is over. In fact, the last vacation is over. The 1932-1933 students must realize that the year is fast drawing to a close. Just when the freshmen have begun to get the drift of things around the campus, just when the sophomores have decided that there really isn't much difference between a "fresh" and a "soph," just when the seniors have begun really to get sentimental about the dear old Alma Mater, the school year hints that it is almost finished.

Easter vacation, somehow, is not the same as the others. Thanksgiving vacation to most people means a good football game preceded by pep meetings, "Ex" banquets and oftentimes all the usual homecoming ceremonies. Christmas vacation means a trip to home, parties, gifts and a noble intent to catch up on all that back work, notebook, term themes, etc. By the time Easter comes, however, it is spring. Easter vacation means one last good time. There are all sorts of house parties—and very little studying.

After Easter, the school year is one brief period of work, exams, graduation parties, class day exercises, Baccalaureate and Commencement. It won't be long now!

President Roosevelt has suggested Breckenridge Long as ambassador to Italy. Lucky for Mussolini that it wasn't Huey.

THIS WEEK

On Other Campuses—Four cities in the state of New York are establishing free colleges for the unemployed; 1,500 students have already been enrolled and a salary for the unemployed faculty members will be around \$15 a week. (About the average T. C. U. salary now). These plans were announced last week by the temporary relief administration of that state, which is working out the free college with the co-operation of the state department of education and officials of state universities. These free college centers will be in Buffalo, Albany, White Plains and Garden City.

Here's something new in applying for positions, though we won't guarantee satisfaction. The following application was sent by a Texas University graduate to a prominent Dallas business man: "My Dear Mr. Blank: If you can spare the time, would you mind dropping me a line and letting me know about the business conditions in and around Dallas and Fort Worth. Are there very many there out of employment? Do you think a young man with a high university education in the accounting line would have any chance for a job? I wish that you would call me up or come to see me the first time you are down this way again, as I suppose you some times are. And remember if I can ever be of any service to you, do not hesitate to call me up. I will be only too glad to accommodate you. With my very best wishes, I am..."

Butler University, Indianapolis, Ind., offers a formal "marriage course." The course has the definite aim of reducing the ration of one divorce to every three marriages. Dean Albert E. Bailey of that university says that the course will furnish a solution for the problems of the married students and let the unmarried ones know what to expect of matrimony. The psychological, physical, social and economic aspects of matrimony are shown in Butler's course. Then problems are discussed and the lectures are conducted in an informal manner. The course has aroused much criticism and is looked upon as a sensation with no practical value.

Prof. Ernest R. Groves of the University of North Carolina sociology department says that at present we have sufficient information emerging from various fields of science that have to do with human behavior to justify serious study of marriage by college men and women. A most insistent demand for this course came from the students and the alumni of Carolina and Prof. Groves' book, "Marriage," is widely read by all the students.

Chevalier Goes for the Babies in 'A Bedtime Story' at Worth Tomorrow

Maurice Chevalier goes in a big way for the babies, the one-year-old ones and not the feminine type, in "A Bedtime Story," which is booked for its opening performance in Fort Worth at the Worth Theater tomorrow to run through Tuesday. Chevalier sings a number of songs throughout the production.

His women wait and wait for him to make his appearance, while all the time Chevalier, a Paris man-about-town, carefree and irresponsible, is encountering an amusing difficulty in caring for a waif he found abandoned in his automobile.

Others in the cast include Helen Twelvetrees, Edward Everett Horton, Adrienne Ames and Baby Leory, the year-old baby who won the role in the picture after competing with a thousand other babies.

At Lake Worth Casino. Opening the pre-season week-end engagements, Casino Park on Lake Worth will present Mike Child and his Phillips Fliers, nationally known radio and dance orchestra, tonight, Saturday and Sunday nights.

Jerry Sullivan, soloist and entertainer, and Glen Young, soloist and saxophonist, will be among the featured members of the Mike Child organization over the week-end. The Casino will be open each week-end from now until the full season opens, which will begin around May 10 or 20.

LITERARY GLEANINGS

COWTOWN. A sprinkling of houses on a rolling plain Where the seer grass browns from lack of rain, Where skies are never poetically blue But a smeary grey of the dulllest hue, Where men are brawny and cattle brown Is that the place they call "Cowtown"?

Why, no. In this place those drab grey skies Have a ragged border where towers arise. Progress teems on cattlepath streets; People are massed in the cities' heat; A garden spot of parks and trees, Libraries, theaters, and universities.

"Cowtown's the name," the cowboys say. "A city of culture," we call it today. And therein lies a strange new beauty Air that is clean with air that is sooty, Lands that are vast, yet crowded streets; Perfumed gardens, smell of meat. North, a crystal blue lake lies; Crudeness and culture hand in hand Is it waste or wonderland? —Nina Whittington.

OPEN FORUM

LET'S HAVE THE TRUTH In some recent publicity it was announced that Texas Christian University had found it necessary to reduce its faculty for the 1933-34 session by 13 teachers out of 77. That is the same, giving the benefit of the fraction, as 17 per cent of the present faculty.

The fact of the matter is that according to the official T. C. U. catalog there are not 77 members in the faculty, but 64, of whom 17 were dismissed. Accordingly, and still giving the benefit of the fraction, the per cent to be cut from the present roll will be 27 rather than 17.

Maybe the mistake was an accident, but care should be taken in giving out data to the public. The public wants the truth, and there's a good deal of difference between 17 per cent and 27 per cent.

L. H. T. T.

Dear Editor: Contrary to the common belief held that most college students' religion soon dies, my faith in the church had been growing rather than dying up until a recent Sunday morning. At the time communion was to be served, when the service is at a climax and we are nearest to our Master, a former student of Add-Ran was introduced and praised.

Of course, the man deserved praise and honor, but not when we are partaking of the Lord's Supper. I do not care if it had been President Roosevelt, he is just another man in the House of God. Let us hope that when we move to our new church, we shall have real worship services that are not interrupted with announcements and other unnecessary procedures that take our minds off true worship. —A Student.

Dear Editor: Some years ago a humanitarian who, out of the kindness of his heart, had always advocated vegetable diet for human beings because he could not bear the thought of killing a living creature was terribly upset when a noted biologist from India said that plants and vegetables, like animals, suffered great pain when mutilated.

This idea is not current, nor does it have the sanction of the greatest scientific minds of the day. So the idea of sparing the grass of the campus from the painful ordeal and slow death of being trod upon would be received with some scepticism by a group of people as sophisticated and enlightened as college students are supposed to be.

Even the sense of the artistic becomes a thing of minor importance when one's convenience is menaced. But there is one sure way to appeal to the University student—his pride in his school. No one particularly likes to look at a campus that is criss-crossed with paths. They disfigure the campus as much as an ugly scar would disfigure a person's face. Then, too, such paths might be an indication as to a lazy student body who do not have the energy to walk a few steps out of the way.

Dirt roads are virtually things of the past in metropolitan areas; keep to the pavement. Why make a crazy quilt out of the University campus? Keep off the grass.—S. C. C.

JUSTA SPLASH 'DIRT'

MILLI FERRIS seems to be making an ideal "French-steno" for the Horned Frog Office. Extra special: OWEN LIPSCOMB seems to have had quite a following Tuesday morning—but it happened to be dogs.

HUGH COX seems to have lost his power with MARGOT SHAW. She did not get in until Tuesday morning from a date Monday night—and she was not with HUGH.

And who drives the Ford coupe that was parked in front of CONSTANCE WYATT'S home MONDAY NITE—it was still there at twelve thirty—Better keep the shades down. DOROTHY CLARK says she only does things two ways—good and otherwise. . . well!

MARY BOWDEN would like for someone to take her "POSSUM" hunting some nite. (Pd. Adv.) Ask MARY LOUISE VEATCH and KAY BLALOCK what their dates did SUNDAY afternoon—and we don't want to slight TOM LOFFLAND—what did TUBB do?

And who were the two girls that were seen looking in the window of GOODE HALL one nite last week? —Mr. Dirt knows and will keep this to himself. (Good Turn No. 1.) We'd like to know what's caused the break-up between MARGARET HADLEY and ED FRITZ. They go around trying to make each other as jealous as possible. ED has been trying his hand with KATE FARMER and DOROTHY EZZELL, but with little success. And MARGARET is open for applications, boys.

JOE COLEMAN and SARAH ORTH resemble each other in one respect. Wonder what it is? Did you know that MARTHA WAIDE made C. C. CONVERSE get out of bed Easter morning and take her to a sunrise prayer meeting? Another proof that religion is based on love.

OLIVE WOFFORD wishes to announce that she will not give her piano recital Sunday—such power these A. & M. fellows do have over some women. CARL SAIN can really find the dark places at the proper time—at least he found one at the Bryson picnic.

COULTER is really scratched-up—and GEORGIE FRITZ has been taking Pasteur treatments—it's an old custom of hers; she branded me once. PAUL WASSENICH seems to be showing quite an interest in LIL' MUSE.

And if MARY ELLEN DAVIS does not stop running around with FLORIANE TURNER and DORIS ZWEIFEL, she is going to get as silly as they are. Someone should tell BUD TAYLOR the difference between a miss and a lady. He doesn't know. "Duck can't take it," said WILBYRD EDWIN IRVIN after a certain incident. The "Duck" wasn't the nickname for R. J. DUCKWORTH.

Miss Brunson, Marion Hicks Go Attend Round-Up Affairs

By LOUISE CAUKER.

Miss La Verne Brunson, junior co-ed, has been selected by the Student Council to represent T. C. U. in the annual Round-Up festivities Thursday, Friday and Saturday at the University of Texas. Marion Hicks will be her escort.

Miss Brunson, dark haired and hazel eyed, will wear a black and white triple sheer crepe frock to the dinner to be given Thursday evening in honor of the University of Texas sweetheart. The visiting sweethearts and their escorts from all the Southwest Conference schools will be honor guests. After the dinner a rehearsal for the formal presentation the following night will be held.

Ceremonies Friday begin with a dinner party, which is followed by the big event on the program—the Round-Up Ball, officially opened by a grand march. The sweethearts will be presented at the ball. For this affair Miss Brunson will wear a pink mousseline de soie evening dress trimmed in petals of darker pink and having a little muff of the darker petals.

For Saturday, the last day of the Round-Up, there is scheduled an old-fashioned barbecue for ex-students, mothers and dads. The sweethearts and escorts will be honor guests at this affair also. After the barbecue, visitors will attend a baseball game. For these activities Miss Brunson will wear a blue checked crepe frock.

The concluding event will be a review in pageant form of the past fifty years in University of Texas history. For the pageant T. C. U.'s representative co-ed will wear a dark blue taffeta sport dress.

Girls Visit Friends During Holidays

Three house parties were features of the Easter holidays for a number of dormitory girls of Texas Christian University. Other Jarvis Hall girls either visited in their own homes or with school friends.

Miss Christine Ackers entertained with a house party at her home in Abilene, honoring Miss Evelyn Clary, Gene Cagle and R. L. Trimble.

Miss Loraine O'Gorman entertained a group of dormitory girls with a house party at her home in Dallas. Those included in the affair were Misses Ada Assmann, Rebecca Graves, Ruth Cowan, Louise Glass, Janelle Bush and Hannah Ann House. Sunday several of the girls went to McKinney to be guests of Misses Bush and Graves for the remainder of the holidays. These were Misses House, Assmann and O'Gorman.

The following girls were guests of friends: Miss Natalie Collins in the home of Miss Lillian Muse, Dallas; Miss Elizabeth Henry, Miss Annie Phares, Dallas; Miss Maxine Edwards, Miss Lou Blumberg, Dallas; Miss Mary Jo Merkt, Miss Grace Maloney, Henderson; Miss Elizabeth Hardy, Miss Mary Seidel, Brenham; Miss Judith Witherspoon, Miss Nina Whittington, Yoakum; Misses Eva Keeling and Irene Van Keuren, the Rev. and Mrs. T. A. White, Dallas.

The following girls visited home during Easter: Misses Marion Honea, Cleburne; Faye Woodall, Mineral Wells; Ada Reed McGill, Bertram; Helen Woolery, Fort Worth; Lois Atkinson, San Antonio; Mary Velma McCord, Coleman; Natalie Gorin, Wichita Falls; Gladys Simonson, Denison; Frances Talbot, Dallas; Theo Smart, Menard; Edythe Black, Dallas.

Phyllis Burnam, Loveland, Okla.; Evelyn Goughly, DeLeon; Mozelle Duckworth, Olney; Mary Elizabeth Roark, Saratoga; Huldah Lou Shumate, Tioga; Reba Jo Curd, Wichita Falls; Sarah Orth, College Station; Louise Watson, Dallas; Pat O'Banion, Gorman; Elizabeth Sayles, Caldwell; Winnie Powell, Colorado.

Clyde Johnson, Whitewright; Virginia Bradford, Mansfield; Louise Briscoe, Grandview; Mary Helen Sims, Hillsboro; Georgia and Florence Johnson, Pecos; Lollie Botts, Houston; Lucille Kennedy, Texarkana; Gemma Nunley, McGregor; Mary Rowan, Wharton.

Katherine Ashford, Wichita Falls; Margot Shaw, Amarillo; Lucy Brown, Gatesville; Jourdene Armstrong, Cisco; Evelyn and Elta Rose Franklin, Wichita Falls.

B. C. B. Is Planning to Hold Annual Picnic

B. C. B. will hold its annual picnic Thursday evening in Sycamore Park, according to Miss Elizabeth Henry, social chairman.

Cars will leave the arch at 5:30 o'clock. The committee in charge consists of Miss Eva Keeling, Arle Brooks, Albert Jones, Kenneth Martin and George Cherryhomes.

Miss Margaret Pennybacker, social worker among Fort Worth colored people, spoke at a meeting of the B. C. B. last week in Brite Chapel. Miss Pennybacker spoke on "Race Relations," and Roy O'Brien led an informal discussion on the topic.

Outcasts to Hold Outing at Lake

Members of the Outcast Club will meet at 2 o'clock Saturday afternoon at the home of Mrs. Artemisia Bryson, 2917 Princeton Street, where transportation for those who are attending the week-end outing at the Y. W. C. A. camp at Lake Worth will be furnished.

Those who are planning to attend have been requested to sign up immediately with Miss Leta Luyster or Mrs. Bryson. The camp is equipped with dishes and necessary cooking utensils. Bedding is the only article members are asked to bring.

Miss Mobley's Home To Be Scene of Tea

A formal tea will be given by Alpha Zeta Pi, modern language fraternity, Sunday afternoon from 3 to 5 o'clock at the home of the president, Miss Mary Louise Mobley, 2021 Windsor Place.

The affair will be in honor of prospective members, all of whom must be honor students in the language department. The fraternity's eight new members will be in the receiving line. They are Misses Helen Fellows, Fay Woodall, Mary Carter, Natalie Gorin, Helen Veatch and Dorothy Henderson, and Ed Fritz and Bob Stuart.

Press Club to Hold Picnic Tuesday

Members of the Dana Press Club will be guests of Colonel G. A. Holland at a picnic Tuesday evening at Camp Holland, Weatherford.

Cars will leave the arch at 4 o'clock Tuesday afternoon, according to Miss Ernestine Scott, president. Misses Louise Cozzens, Helen Puckett and Louise Cauker are in charge of arrangements.

A picnic lunch and an inspection of Colonel Holland's collection of historical objects are scheduled. On the grounds of Camp Holland is a cabin removed from an old-time ranch. The Colonel has also collected a number of relics connected with the famous Indian Chief, Quannah Parker.

Parabola to Have Picnic at Lake

The Parabola will give a Lake Worth outing tonight at 7 o'clock at the Y. M. C. A. camp.

A picnic lunch and bridge and other games are on the program. The party will honor prospective members. About 40 old and prospective members will attend.

The committee in charge of arrangements consists of Miss Dorothy McCann, Miss Mildred Kelly, Reeder Shugart and William Fellows, and Prof. and Mrs. C. R. Sherer.

Miss Assmann Declares Hitlerism Distorted

That German domestic affairs under Hitler are more peaceful than the newspapers portray was the declaration of Miss Ada Assmann, German transfer student in the University, before a meeting of the International Relations Club last night in Brite College clubroom.

Miss Assmann stated that the big advantage derived by Germany from her dictator is a new national unity and spirit, "I do not understand what Hitler wants to do with the Jews," Miss Assmann said. "He won't let them work and he won't let them leave Germany."

As to relations with other countries, Miss Assmann said Hitler deeply appreciates the reception his German movement received in Italy and is therefore very friendly to that nation. As far as France is concerned, he believes things may not be entirely hopeless, and he desires good business relations with Russia, though he does not like the Communist government.

After Miss Assmann's talk, a round table discussion was held. Present were Misses Hannah Ann House, Loraine O'Gorman, Louise Cauker, Assmann, Cora Lyle Ellis, Ruth Cowan, Evelyn Clary, and Louise Glass, and Gene Cagle, Stanley Cissna, Bill Gonder, Hubert Stemp, Arle Brooks, Nat Wells, Ed Fritz, R. L. Trimble, John Morris, Billie Dickey, Arturo Macias and Sankin Sano, and Drs. W. J. Hammond, W. C. Smith and L. D. Clubb.

Y. W. C. A. Discusses Foreign Affairs

A round-table discussion on "Foreign Affairs" led by Miss Louise Glass and a talk on "Germany" by Miss Ada Assmann constituted the program for the Texas Christian University Y. W. C. A. at a recent meeting in the girls' lounge in the main building.

Mrs. Mirth Sherer assisted in the discussion.

W. A. A. Members Attend Gym Party

Twenty-five members were present when W. A. A. entertained with a bridge and swimming party in the gymnasium last week. Misses Kay Prather, Juanita Freeman and Mary Sue Logan served bread and butter sandwiches, coffee and cakes to the guests.

Present were Misses Martha Anne Barnes, Virginia Cox, La Verne Brunson, Dorothy Kelly, Prather, Logan, Iris Hays, Alice Ledgerwood, Dorothy Luyster, Zelma Harris, Betty Davis, Mary Frances Umberhour, Marian and Elaine Meaders, Kathryn Swiley, Freeman, Loree Guhl, Gemma Nunley, Helen Estes, Millie Ferris, Frances Kesterson, Elizabeth Reeves, Katie Ruth Anderson and Ruth Beard, and Mrs. Helen Walker Murphy.

'Romeo and Juliet' Takes In Over \$60

According to latest reports, more than \$60 gross has been taken in from the sales of tickets to "Romeo and Juliet," the Shakespearean play which the Ex-Students' Association presented in the University auditorium on the evening of April 11 for the benefit of the student loan fund.

William Gonder played the role of Romeo and Miss Rebecca Graves took the leading feminine role.

Other T. C. U. students cast in the production were Robert Mitchell, Otha Tiner, Harley Patterson, Clarence Crotty, Sid Lightfoot, Sam Cotton, Stanley Cissna, Joe Findley, James Parrott, Charles Hanna, Roy O'Brien, Joe Brown, Miss Elizabeth Cuthrell and Miss Bernice Armstrong.

The stage crew consisted of Hanna, John Long, Dean Harrison, Arle Brooks, O'Brien and Kenneth Martin.

Ushers for the performance were Misses Natalie Collins, Margaret Harrison, Marguerite Bennett, Anna Byrd Harness, Helen Hall, Louise Glass, Mary Louise Hall and Nina Whittington.

Sigma Tau Delta Hear Music, Report

Frogs Will Meet Farmers Monday On Home Diamond

Purple Team Has .500 Average Following Pair of Tilts.

Mustangs Defeated

Ponies on Short End of 3-to-0 Score—Longhorns Down Meyermen 8 to 3.

The Horned Frog nine, with a record of one game won and one lost, will play A. & M. Monday afternoon at 3:30 o'clock on the Purple diamond. This will be the second home game for the Frogs.

A loss to Texas and a victory over the Mustangs in Dallas gave the Meyermen a .500 average in the conference standing. The Aggies are at present leading the chase with three victories and no defeats. They have served notice to opponents that they will be serious contenders for the flag.

Kinzy to Pitch.

The game Monday promises to be hard-fought from start to finish. The Cadets have a crew of dangerous hitters and a strong pitching staff. Captain Slim Kinzy will take the mound for the Purple in an attempt to silence the bats of the Aggies.

Today the Frogs are in Strawn for a game with the independent team of that town.

Kinzy completely baffled the Mustangs in Dallas Tuesday, to shut them out 3 to 0. Only four hits, all bingles, were allowed the Ponies. The Frog captain struck out eleven men, and only one man reached third base against him.

While the S. M. U. batters were being held in check, the Meyermen hopped on Reed for nine hits and three runs. The scoring began in the first inning when consecutive singles by Harston, Myers and Jacks produced a tally.

Jacks, Myers Lead Offense.

Jacks and Myers led the offense with two hits each, while the entire team looked good on defense. A new infield combination of Jacks on first, Walker on second, Taylor on third and Logan at short displayed a great deal of strength.

In the opening conference game against Texas the Frogs were on the short end of an 8-to-3 score. The contest was marked by ragged play on the part of the Meyermen. Several of the Longhorn runs resulted from mental errors by the Purple team.

The Steers collected ten hits off Kinzy, while Vernon Taylor, Texas twirler, limited the Frogs to five. The losers made five errors against four for the winners.

Frogs Down Graham.

McDowell and Van Viebig were the big guns for the Dischmen, collecting three hits each. Price followed with two.

In a non-conference game last Friday, the Purple nine took a close 8-to-7 game from the Graham Independents.

The Meyermen will play two conference games next week in addition to the Aggie game. Both will be against S. M. U. Wednesday the Frogs will journey to Dallas and Friday the two teams will meet on the T. C. U. diamond.

It will be a busy week for all conference teams. Today and tomorrow the Longhorns will be in Dallas for a series with the Mustangs, while at the same time the Aggies will be pitted against the Baylor Bears in Waco.

Vance Woolwine Made Head Coach

Vance Woolwine, former star Frog athlete, who received his degree last June, has been appointed head football coach at Sulphur Springs High School, it was learned this week.

Woolwine was a star quarterback on the Purple grid eleven for three years and was a member of the championship 1929 team. He was the regular first-baseman on the baseball team last spring. He was formerly backfield coach at the Sulphur Springs school.

Word has also been received of the appointment of Albert Acker to the position of head coach at Borger High School. He has been coaching at Olney the past few years. At Borger he succeeds Noble Atkins. Both Acker and Atkins were outstanding T. C. U. sports for several years.

DONOVAN'S DOPE

By PAUL DONOVAN

The Frog baseball representative was a big disappointment to the fans in the opening game against the Longhorns. Even the most ardent supporters don't begrudge the opponents an occasional victory over the home team when said victory is well-earned, but they are quick to lose patience and interest in a team dropping a game in the manner the Meyermen did the Texas contest.

The Steers got away with everything in the book and topped it off by stealing home with apparent ease. The five physical errors committed by the Purple are not so bad; it is the mental miscues that really hurt.

I don't mean to say that the Frogs would have won if they had played faultless ball, because many of the Texas runs were the result of clean hits. But, the contest would have been a great deal more interesting without the mental lapses.

The infield has caused Coach Meyer no end of worry since the first day of practice. Several changes have been made since that first day and no combination has functioned to suit him. It looks now as if he has at last found the strongest foursome in the bunch. Jacks, Walker, Taylor and Logan at first, second, third and short, respectively, were used against S. M. U. Tuesday and won the approval of the mentor.

Wallace Myers is now the regular catcher and he is doing a good job of it. He has a good throwing arm and the needed strength to receive the shots of Kinzy for nine innings. And, if you don't think that takes strength and endurance just try it some time.

Speaking of Kinzy, it looks like the big captain is in for another big year. He was not in form for the Texas fray and many feared that he had lost his effectiveness, but he showed Tuesday against the Mustangs that it was just a temporary loss. By holding the Ponies to four hits and no runs Slim gained his first shut-out in conference baseball.

The odds are decidedly against the Frogs winning the championship against such teams as the Longhorns and the Aggies, but judging by the improvement they have shown in the past week it is a safe bet that they will not be beaten again by as large a score as Texas made against them.

It will be "homecoming day" for three of the Aggie regulars when A. & M. and T. C. U. meet here Monday. Bob Connelly, third baseman; Jake Mooty, second baseman, and Bill Sodd, center fielder, all hail from Fort Worth and will be out to display their talents to the home folks. Reports from College Station reveal that these three are the big guns in the Aggie attack.

An old T. C. U. custom lives on. For the past several years the Frog track teams have boasted an outstanding dashman. This spring it appeared that the custom would become a memory, but the prospects for a continuation of the tradition for several more years are much brighter now. All this is leading up to the fact that Rex Clark has recently stepped into the shoes of Leland, Oliver, et al.

Rex recently ran the century in 9.8 in a meet and ran a dead heat with Goddard of Baylor. He later beat the Bruin star in the 220. His showing has caused a rise in the Frog track stock.

And, it may surprise some to know that T. C. U. has a strong contender for the conference golf championship. He is Jimmy Walkup, local munny star, who is playing his first year of collegiate golf. He has been prominent in tournament play throughout the state for several years and has won many tournaments with consistently low scores. Competition will be unusually keen this year with such players as Dennis Lavender, state champ, and O'Hara Watts, conference king, entered. It will take some sub-par golf to beat these boys.

Frog Tracksters To Run Saturday

Triangular Meet With Bears and Aggies to Be Here.

Fresh from their excellent showing in the triangular meet with the A. & M. Cadets and the Baylor Bears, the Horned Frog tracksters will tangle in a second triangular meet beginning at 2:30 tomorrow afternoon when they compete with the S. M. U. Mustangs and the Bruins on old Clark Field. The Frogs will enter the melee as favorites to cop the top position.

Coach Clark is counting heavily on Rex Clark to come through with a victory in the dashes. He will encounter stiff competition in these events from Dave Goddard, star Baylor sprinter, who used to push Cy Leland in the short races, and Belcher of S. M. U.

Lucy Phelps, star member of the Frogs' sprint relay team, who pulled a muscle in his leg during the Frog-Eagles meet in Denton two weeks ago, is slowly rounding into shape again and may be ready tomorrow. In the event Phelps is unable to run either Captain Otha Tiner or Herman Pittman will take care of the lead-off position.

There is doubt whether or not Robert Chappell, star middle distance star, will run against the Ponies and Bears tomorrow because of a pulled muscle received Tuesday. Jinx Powell, who has been out for the past week with a severe cold, may be able to enter the melee tomorrow.

Jewell Wallace will be the Purple's best bet for high point honors in the hurdles and field events. Wallace will replace Casper in the hurdles, since Casper is in San Antonio

Frogs Playing Dallas Golf Match Scheduled to Last Throughout Day.

The Frog golfers are in Dallas today for a match with the Mustangs over the Dallas Country Club course. Play began at 9 o'clock this morning and will continue throughout the day.

The Purple team dropped their first match of the season to the S. M. U. foursome in Fort Worth. Jimmy Walkup, Frog leader, won the only match of the day for the T. C. U. team when he beat Alex Hickey, 6-5.

Other results were: O'Hara Watts beat Jack Thompson, 5-4; Lewis Becker downed Jack Panter, 7-6 and Marvin Jones defeated Guy King, 5-4. Becker and Jones beat Thompson and King, 9-8 and Panter and Walkup lost to Lavender Hickey 3-2 in doubles play.

Spanish Class Hears Discussion on Chile

Miss Berta Ward, student in the Baptist Theological Seminary, visited Miss Eula Lee Carter's elementary Spanish class Saturday morning, April 8, and told the students facts about her native country, Chile. Many questions concerning the country and its customs were asked by members of the class.

attending the Fiesta Track and Field meet there and may be unable to return in time for the meet. Bud Taylor and Lynn Brown will be entered in the jumps and discus. Clark will defend his honors in the broad jump. There is a possibility that B. W. Spearman will also be in competition again after a month's rest cure. S. M. U. will reign supreme in the field events with Bud Sprague tossing the shot put and discus close to record distances.

Cage Rules Are Revised for '34

Nine Minor Changes in Laws Outlined by Coach Schmidt.

Nine minor changes were made in the basketball rules at the recent meeting of the National Basketball Rules Committee in New York, according to Coach Francis A. Schmidt, member of the ruling body.

All changes were either a modification or clarification of the existing rules, Coach Schmidt explained. No radical revisions were made in the old rules, the purpose of the action this year being to effect a more uniform interpretation of the rules, the Frog mentor added.

At the conclusion of the meeting Coach Schmidt was reappointed to the executive committee of the National Basketball Rules Committee and National Basketball Officials Association.

The following are the rule changes as enumerated by the Purple coach:

1. A player may re-enter the game two times instead of one as formerly.
2. All courts must have a front and back court. On courts 75 feet and over there must be a center division line. Courts less than 75 feet must have a 40-foot front court.
3. A tie ball shall not be called until players have had an opportunity for one "tug" at the ball.
4. An out-of-bounds ball must be handled by the official.
5. A slight rewording of the rule concerning the player getting rid of the ball in time when he receives while in rapid motion.
6. Any player in the pivot post must not hold the ball more than three seconds. The new rule refers to any man regardless of his position.

Coach Takes Positions Schmidt to Teach at Schools Out of State in Summer.

Coach Francis A. Schmidt has announced his acceptance of positions with two athletic coaching schools this summer.

The Purple mentor is to teach basketball at a school to be conducted in Hot Springs, Ark., from July 31 to Aug. 12. At this same session Howard Jones of Southern California and Heartley Anderson of Notre Dame will head the football department, and Clyde Littlefield of Texas will teach track coaching.

From Aug. 28 to Sept. 2 Coach Schmidt will lecture on football coaching methods at the Gustavus Adolphus College in St. Peters, Minn.

Four Baseball Games Played

One game Tuesday and three Wednesday marked the week's play in the intramural baseball schedule. The first half closed this week. Play in the second half will open next week.

The old "three-second rule" referred only to a man standing with his back to the basket.

7. The ball can be returned to the back court now only by the first man receiving the ball.

8. An offensive player touching the ball on the edge of the basket shall not be deemed to have interfered with the ball unless he touches the basket or any part thereof.

9. In all games played by quarters the ball shall not be returned to the center at the beginning of each period. The team which has possession of the ball at the end of the quarter shall be given the ball out of bounds at the beginning of the following quarter.

Prof. Pickerill Accepts Position In Indianapolis

Will Become Director of Religious Work in Two States.

Duties Begin June 1

Graduate of Transylvania Came Here in 1926 to Instruct Bible Classes.

Prof. H. Lynn Pickerill, head of the department of religious education, will become director of religious education in Indiana and Michigan when he leaves June 1 to accept a position in the educational department of the United Christian Missionary Society at Indianapolis. The Christian Church has its headquarters in that city.

Prof. Pickerill received his B. A. and B. D. degrees from Transylvania and is doing graduate work at the University of Chicago. He came to T. C. U. in 1926 as professor of Bible. For the past five years he has been head of the religious education department, one of the largest departments in the Brite College of the Bible. There has been a 30 per cent increase of students there this year. In 1929 Prof. Pickerill became director of religious education in the University Christian Church. He is widely known throughout the United States and Canada for the work that he has done in connection with the young people's conferences.

At Indianapolis he will be responsible for the complete educational programs of the Christian Churches in the two states.

Ever smoke "whittle" tobacco?

Well... here it is... already whittled FOR you. Granger Rough Cut is tobacco whittled right... that's one reason why it burns so slow and cool.

WHEN we started to make Granger Rough Cut we knew that fine tobacco burnt hot because it burnt so fast. It kept your pipe hot. You could hardly hold your pipe in your hand, it got so hot at times.

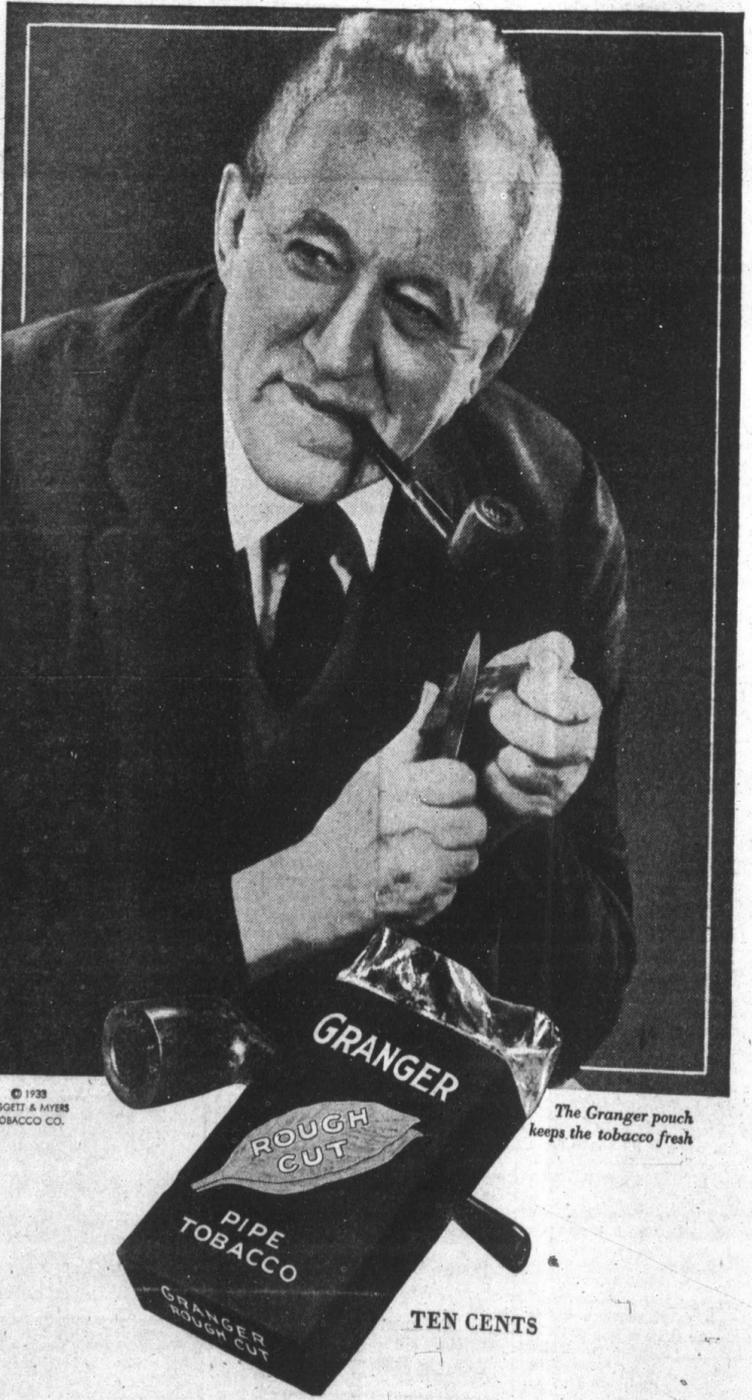

Then we remembered that some folks back yonder used to "whittle" their tobacco. So we made GRANGER just like "whittle" tobacco — "Rough Cut." It smokes cooler and lasts a lot longer. And also, you'll find it never gums the pipe.

So far, so good. Now we wanted to sell this tobacco for 10c. Good tobacco—right process—cut right. It was a question of how to do it for the price.

So we put GRANGER in a sensible soft foil pouch instead of an expensive package, knowing that a man can't smoke a package. We gave smokers this good GRANGER tobacco in a common-sense pouch for 10c.

GRANGER has not been on sale very long, but it has grown to be a popular smoke. And there is this much about it—we have yet to know of a man who started to smoke it, who didn't keep on. Folks seem to like it.

The Skiff Rated All-American in National Contest

Paper Receives Honor for Third Consecutive Year.

Editor Is Praised

News Coverage, Editorials and Typographical Make-up Complimented.

For the third consecutive year The Skiff has been rated as all-American by the National Scholastic Press Association, according to word received from the association this week by Miss Ernestine Scott, editor.

All-American is the highest of five ratings by which college newspapers are classified. The association, which has headquarters at Minneapolis, Minn., classified 741 papers of which number only a small percentage were rated all-American.

All issues of the paper for this year up to Feb. 1 were studied in making the classifications. The Skiff scored 855 out of a possible 1000 points. Last year the paper scored 825 out of a possible 1000 points.

The Skiff first received all-American rating in 1931, when Jay Williams was editor. Last year, under the editorship of Laurence Coulter, the paper again received the honor. In 1930, when Miss Pauline Barnes was editor, the paper was classified in the second division of rating, that of first class.

The association complimented Miss Scott on the paper's news coverage, editorials and typographical make-up. A plaque denoting the paper's rating will be sent to The Skiff by the association in the near future.

Receives Rotarian Post

Col. E. R. Bentley, '15 Alumnus, Given Florida Nomination.

Lieut. Col. E. R. Bentley, a T. C. U. graduate of 1915, was recently nominated district governor of the thirty-ninth district of Rotary International, which includes Florida.

In the past Col. Bentley has served as department commander of the Florida American Legion. He held this position during 1931. He is now head of the Florida State Bar Association and has been serving in this capacity since 1929. He has been practicing law in Lakeland, Fla., since 1925.

While at T. C. U., Col. Bentley was director of public relations and was in charge of the Ex-students' Association.

Dr. Brabham Lauds

PROF. KARL E. ASHBURN.

The Skiff received a letter yesterday from President Tom W. Brabham of Texas Woman's College commenting on the appointment of Prof. Karl E. Ashburn as director of public relations of T. W. C. The letter read as follows: "We are very happy to announce that Prof. Karl E. Ashburn is to be associated with Texas Woman's College during our next school year. Prof. Ashburn will be directly under the president of the institution as head of the Department of Public Relations. I have felt the need of such a person during the last two years, and Prof. Ashburn, because of his many qualifications, was selected from among the hundreds of applicants for the place. I predict a bright future for him in this field."

Summer School To Begin June 6

Sixty-Seven Different Courses Will Be Offered.

Sixty-seven different courses will be offered in the summer term of T. C. U. which will be held this year beginning June 6 and ending Aug. 8, nine weeks, according to the Summer Term Bulletin. The term will be undivided.

The faculty for the summer session will be composed of 35 members. Several of the courses offered will be in graduate work.

Courses will be offered in the following departments: Bible, biology and geology, business administration, chemistry, economics, education, English, government, history, mathematics, modern languages, philosophy and psychology, physical education, physics, public speaking and sociology.

Courses will also be offered in the School of Fine Arts.

A feature of the summer session this year will be a series of weekly twilight assemblies in front of the arbor on Friday evenings. In case of rain the assemblies will be held in the auditorium. Musical entertainment and speakers on varied subjects will feature the meetings.

Welty Makes Speech

Talks on Dictators at Open Forum—Is Last Meeting.

Prof. Raymond Welty spoke to the Fort Worth Open Forum at the Woman's Club Tuesday evening on "The Rise of Dictatorships."

Prof. Welty said that the United States as well as Italy and Germany was under a dictatorship. The only difference is that Congress may at any time remove the dictatorship from President Roosevelt.

"I see no reason to be alarmed that America will become a dictatorship like Germany and Italy as long as we have freedom of speech and of the press. With these two in action, no dictator can last long," explained Welty.

This was the closing meeting of the forum until next fall. Other faculty members who have spoken at the forum are Dr. Edwin A. Elliott and Dr. W. J. Hammond.

Observer Finds Exams Bring Out Individual Traits of Students

There is no time when individualities are so completely expressed as just before and during examination. We are accustomed to think of the T. C. U. student as a type, a pretty good sort it is true, but differing a little from his fellows. Examinations, however, bring out a variety of types, each reacting to the experience in a quite different way.

First, and fewest, is the "Always Prepared" type. Its representatives belong to the Scholarship Society, write themes two weeks ahead of time and do library work long before the zero hour. They make an average of A and talk of graduating summa cum laude.

They are so few in number that envious contemporaries do not put poison in their breakfast food, although they are tempting to do so when they hear the chirp, "Oh, I wrote my theme during the holidays" or "Why I read that book when it was first assigned."

Last-Momenters Large Group. In contrast there is the frantic "At-the-Last-Moment" type. This group is much larger than the afore-

mentioned. The Last-Momenters are those who storm the library trying to check out reserved books, stay up all night writing themes and consume enormous quantities of coffee in order to stay awake long enough to read the text. It is interesting to note that this group contains many of the campus leaders who play football, edit student publications or head clubs. In fact they take part in every University activity except that of studying. Perhaps the business of being a man (or a woman) about the campus is sufficient enjoyment in itself to make up for all the scrambling, headaches, worries and fears. It is hard to say.

Then there is the "Professional Passer." This type passes its ex-

Freshman Classes Meet Sept. 18 and Others Day After.

Thursday, Sept. 14, will be the opening date for the 1933-34 session of T. C. U., according to announcement by Dean Colby D. Hall. The 1934 commencement exercises will be held Monday, June 4, 1934.

Important dates in the calendar for 1933-34 are as follows:

First meeting freshman classes, Monday, Sept. 18.

First meeting all classes, Tuesday, Sept. 19.

Thanksgiving holidays, Nov. 30 to Dec. 4.

Christmas holidays, Dec. 20 to Jan. 2.

Final examinations for fall semester, Jan. 24 to 30.

Spring semester classes begin, Jan. 31.

Easter vacation, March 30 to April 2.

Spring final examinations May 31 to June 6.

Glee Club Goes to San Antonio Today

Will Sing at Houston Methodist Church Tomorrow.

Today the Men's Glee Club of Texas Christian University will journey to Houston from San Antonio to sing the seventh concert on their second spring concert tour. Tomorrow night the club will sing at the Houston Heights Methodist Church.

This week the club has been presented in concerts in Cleburne, Waco, Cameron, Taylor, Lockhart and San Antonio. Sunday they will present a concert in Shreveport, La., which will be their only appearance outside of the state.

Accompanied by David Scouler, director, and Miss Adeline Boyd, accompanist, 29 members of the glee club are making the trip. Albert Luper is accompanying the group as violin soloist.

Haling Chosen by Western Electric

Elbert J. Haling, 1932 graduate of T. C. U. and student assistant in the department of journalism last year, has been named Texas sales representative by the Western Electric Company to handle the company's newly-issued vacuum tubes for amateur radio operators.

Haling has been an amateur radio operator for 13 years and has written a number of articles on radios, airplanes and electricity since his graduation from T. C. U. He is operator of station W5HY from his home in Fort Worth.

Dr. Ben D. Wood Is Banquet Speaker

Columbia Professor Will Speak at Final Faculty Meeting.

Dr. Ben D. Wood of Columbia University, director of the Co-operative Test Service, will be the principal speaker at the last faculty meeting of the year, the annual banquet, Monday evening, according to Dean Colby D. Hall.

The banquet will be held in the University dining room and will begin at 6:45 o'clock. Dr. Wood will lecture in the University Auditorium at 8 o'clock. His lecture, which will be illustrated with slides, will be on the subject of nationwide tests.

The Co-operative Test Service, which is financed by the Carnegie Foundation, has charge of the nationwide sophomore tests which were taken by T. C. U. second-year students last week.

Dean Hall has invited Supt. W. M. Green of the Fort Worth Public Schools and members of the faculties of Texas Woman's College and the Baptist Seminary to attend the lecture.

Members of the University faculty have been requested by the dean to return in their reservations for the banquet to Dr. M. D. Clubb as soon as possible. The lecture in the auditorium will be open to all who wish to attend.

Rev. G. A. Wall Will Speak Here

The Rev. G. A. Wall, pastor of the Mexican Presbyterian Church of Fort Worth, will be the speaker at the University Religious Fellowship service in the University Auditorium at 7 o'clock Sunday evening.

The Rev. Wall will talk on "Some Adjustments That Mexicans Living in the United States Have to Make." Wall is a T. C. U. graduate, having obtained his B. A. degree here. He received his B. R. C. from the Presbyterian Theological Seminary in Austin, and is now working on his doctor's degree at the Fort Worth Baptist Seminary.

Wall served in the World War. He is intimately associated with the Mexicans in Fort Worth and is able to give real light on their situation here.

Paul Donovan, president of Los Hidalgos, which is sponsoring the program, will preside at the meeting.

Palmer Will Be Here

Speaker, Author to Make Three Addresses on Campus.

Albert W. Palmer, president of the Chicago Theological Seminary, will be on the campus Wednesday to make several addresses.

Palmer will speak to the freshman-sophomore chapel Wednesday on "Religious Problems of the Present Day." At 11 a. m. he will talk to Dr. E. A. Elliott's Labor Problems Class on "Labor Conditions in Hawaii." That afternoon at 1:30 o'clock he will address a combined Y. W. C. A. and Y. M. C. A. forum in the amphitheater.

According to Dr. W. C. Smith, Palmer has announced his desire to confer with students interested in theological training. For several years Palmer was minister of the Central Union in Honolulu, Hawaii. While there he took active part in the live issues and questions of the day. Palmer is the author of one book, "The Human Side of Hawaii," and is writing another, "The Oriental in America," which will be the mission study book for 1934. He will discuss plans for this book with Dr. Smith.

Miss Kelley in Radio Recital

Miss Mary Carolyn Kelley, pianist and student in the School of Fine Arts, will play a group of selections on a radio program of the Fort Worth Woman's Club over station KFJZ Wednesday at 11:30 a. m.

Six Candidates Now in Races as Campaigning Waxes Hotter; Three Officers to Be Chosen by Voting

Miller's Withdrawal Gives Pickett Position as Head Yell Leader—Miss Jarvis to Be Secretary-Treasurer.

With six candidates now in races for student body offices, campaigning waxed hotter this week as the election days, Wednesday, May 3, and Friday, May 5, draw near.

The withdrawal of Fred Miller from the race for head yell leader this week gave the office to Tom Pickett, unopposed.

Miss Mary Jarvis was unopposed for the office of secretary-treasurer of the student body.

Two candidates are now running for each of the three remaining offices. Candidates are: For president, Bud Taylor of Austin and Roy O'Brien of Denver, Colo.; for vice-president, Bryant Collins of Mathis and Lynn Brown of San Antonio; for editor of The Skiff, Joe Sargent and Miss Louise Cauker, both of Fort Worth.

Candidates Will Speak.

Five-minute campaign speeches were given in freshman-sophomore chapel Monday, and eight-minute speeches were given in junior-senior chapel today. Five-minute speeches will again be given in chapel Monday.

At a meeting of candidates last week the office-seekers agreed on several campaigning points. They agreed to use no paint for sidewalk signs but to use whitewash only, to place no signs in chapel and that signs could be used freely in the halls of the Main Building and in the dormitories. They also agreed on the length of the campaign speeches.

Campaign headquarters of each candidate issued statements this week setting forth the qualifications of their candidate.

Statement for Bud Taylor. Bud Taylor's managers say, "We fully realize there are many complex and difficult problems that will confront T. C. U.'s student body in 1934. In view of that fact, T. C. U. needs a man to serve in the capacity of student body president who can gain and hold the confidence of the students—a man who can command and obtain the fullest co-operation on every undertaking, work constructively and co-operatively with the administration and uphold the rights and wishes of the students—every phase of activity."

Statement for Roy O'Brien. Roy O'Brien's managers say, "Roy O'Brien, candidate for the office of student body president, possesses certain qualifications which ideally fit him for that position. During the past three years he has participated in many and varied campus activities."

Statement for Lynn Brown. Lynn Brown's managers say, "Lynn Brown is a man of high character and ability. He has been a member of the International Relations Club, a member of the Dramatic Club, in which capacity he has had leading parts in some half-dozen plays during his school career, a member and past president of the Timothy Club and at the present time is serving as president of the B. C. B. organization."

Statement for Joe Sargent. Joe Sargent's managers say, "Joe Sargent is a man of high character and ability. Frogs Will Meet Farmers Monday On Home Diamond

Purple Team Has .500 Average Following Pair of Tilts.

Mustangs Defeated

Ponies on Short End of 3-to-0 Score—Longhorns Down Meyermen 8 to 3.

The Horned Frog nine, with a record of one game won and one lost, will play A. & M. Monday afternoon at 3:30 o'clock on the Purple diamond. This will be the second home game for the Frogs.

A loss to Texas and a victory over the Mustangs in Dallas gave the Meyermen a .500 average in the conference standing. The Aggies are at present leading the chase with three victories and no defeats. They have served notice to opponents that they will be serious contenders for the flag.

Kinzy to Pitch.

The game Monday promises to be hard-fought from start to finish. The Cadets have a crew of dangerous hitters and a strong pitching staff. Captain Slim Kinzy will take the mound for the Purple in an attempt to silence the bats of the Aggies.

Today the Frogs are in Strawn for a game with the independent team of that town.

Kinzy completely baffled the Mustangs in Dallas Tuesday to shut them out 3 to 0. Only four hits, all singles, were allowed the Ponies. The Frog captain struck out eleven men, and only one man reached third base against him.

While the S. M. U. batters were being held in check, the Meyermen hopped on Reed for nine hits and three runs. The scoring began in the first inning when consecutive singles by Harston, Myers and Jacks produced a tally.

Jacks, Myers Lead Offense.

Jacks and Myers led the offense with two hits each, while the entire team looked good on defense. A new infield combination of Jacks on first, Walker on second, Taylor on third and Logan at short displayed a great deal of strength.

In the opening conference game against Texas the Frogs were on the short end of an 8-to-3 score. The contest was marked by ragged play on the part of the Meyermen. Several of the Longhorn runs resulted from mental errors by the Purple team.

The Steers collected ten hits off Kinzy, while Vernon Taylor, Texas twirler, limited the Frogs to five. The losers made five errors against four for the winners.

Frogs Down Graham.

McDowell and Van Viebig were the big guns for the Dischmen, collecting three hits each. Price followed with two.

In a non-conference game last Friday, the Purple nine took a close 8-to-7 game from the Graham Independents.

The Meyermen will play two conference games next week in addition to the Aggie game. Both will be against S. M. U. Wednesday the Frogs will journey to Dallas and Friday the two teams will meet on the T. C. U. diamond.

It will be a busy week for all conference teams. Today and tomorrow the Longhorns will be in Dallas for a series with the Mustangs, while at the same time the Aggies will be pitted against the Baylor Bears in Waco.

Conference Standing.

Team	W.	L.	Pct.
A. & M.	3	0	1.000
Texas	1	0	1.000
T. C. U.	1	1	.500
Baylor	1	1	.500
S. M. U.	0	4	.000

Vance Woolwine Made Head Coach

Vance Woolwine, former star Frog athlete, who received his degree last June, has been appointed head football coach at Sulphur Springs High School. It was learned this week.

Woolwine was a star quarterback on the Purple grid eleven for three years and was a member of the championship 1929 team. He was the regular first-baseman on the baseball team last spring. He was formerly backfield coach at the Sulphur Springs school.

Word has also been received of the appointment of Albert Acker to the position of head coach at Borger High School. He has been coaching at Olney the past few years. At Borger he succeeds Noble Atkins. Both Acker and Atkins were outstanding T. C. U. sports for several years.

DONOVAN'S DOPE

By PAUL DONOVAN

The Frog baseball representative was a big disappointment to the fans in the opening game against the Longhorns. Even the most ardent supporters don't begrudge the opponents an occasional victory over the home team when said victory is well-earned, but they are quick to lose patience and interest in a team dropping a game in the manner the Meyermen did the Texas contest.

The Steers got away with everything in the book and topped it off by stealing home with apparent ease. The five physical errors committed by the Purple are not so bad; it is the mental miscues that really hurt.

I don't mean to say that the Frogs would have won if they had played faultless ball, because many of the Texas runs were the result of clean hits. But, the contest would have been a great deal more interesting without the mental lapses.

The infield has caused Coach Meyer no end of worry since the first day of practice. Several changes have been made since that first day and no combination has functioned to suit him. It looks now as if he has at last found the strongest foursome in the bunch. Jacks, Walker, Taylor and Logan at first, second, third and short, respectively, were used against S. M. U. Tuesday and won the approval of the mentor.

Wallace Myers is now the regular catcher and he is doing a good job of it. He has a good throwing arm and the needed strength to receive the shots of Kinzy for nine innings. And, if you don't think that takes strength and endurance just try it some time.

Speaking of Kinzy, it looks like the big captain is in for another big year. He was not in form for the Texas fray and many feared that he had lost his effectiveness, but he showed Tuesday against the Mustangs that it was just a temporary loss. By holding the Ponies to four hits and no runs Slim gained his first shut-out in conference baseball.

The odds are decidedly against the Frogs winning the championship against such teams as the Longhorns and the Aggies, but judging by the improvement they have shown in the past week it is a safe bet that they will not be beaten again by as large a score as Texas made against them.

It will be "homecoming day" for three of the Aggie regulars when A. & M. and T. C. U. meet here Monday. Bob Connelly, third baseman; Jake Mooty, second baseman, and Bill Sodd, center fielder, all hail from Fort Worth and will be out to display their talents to the home folks. Reports from College Station reveal that these three are the big guns in the Aggie attack.

An old T. C. U. custom lives on. For the past several years the Frog track teams have boasted an outstanding dashman. This spring it appeared that the custom would become a memory, but the prospects for a continuation of the tradition for several more years are much brighter now. All this is leading up to the fact that Rex Clark has recently stepped into the shoes of Leland, Oliver, et al.

Rex recently ran the century in 9.8 in a meet and ran a dead heat with Goddard of Baylor. He later beat the Bruin star in the 220. His showing has caused a rise in the Frog track stock.

And, it may surprise some to know that T. C. U. has a strong contender for the conference golf championship. He is Jimmy Walkup, local munny star, who is playing his first year of collegiate golf. He has been prominent in tournament play throughout the state for several years and has won many tournaments with consistently low scores. Competition will be unusually keen this year with such players as Dennis Lavender, state champ, and O'Hara Watts, conference king, entered. It will take some sub-par golf to beat these boys.

Frog Tracksters To Run Saturday

Triangular Meet With Bears and Aggies to Be Here.

Fresh from their excellent showing in the triangular meet with the A. & M. Cadets and the Baylor Bears, the Horned Frog tracksters will tangle in a second triangular meet beginning at 2:30 tomorrow afternoon when they compete with the S. M. U. Mustangs and the Bruins on old Clark Field. The Frogs will enter the melee as favorites to cop the top position.

Coach Clark is counting heavily on Rex Clark to come through with a victory in the dashes. He will encounter stiff competition in these events from Dave Goddard, star Baylor sprinter, who used to push Cy Leland in the short races, and Belcher of S. M. U.

Lucy Phelps, star member of the Frogs' sprint relay team, who pulled a muscle in his leg during the Frog-Eagles meet in Denton two weeks ago, is slowly rounding into shape again and may be ready tomorrow. In the event Phelps is unable to run either Captain Otha Tiner or Herman Pittman will take care of the lead-off position.

There is doubt whether or not Robert Chappell, star middle distance star, will run against the Ponies and Bears tomorrow because of a pulled muscle received Tuesday. Jinx Powell, who has been out for the past week with a severe cold, may be able to enter the melee tomorrow.

Jewell Wallace will be the Purple's best bet for high point honors in the hurdles and field events. Wallace will replace Casper in the hurdles, since Casper is in San Antonio

Frogs Playing Dallas

Golf Match Scheduled to Last Throughout Day.

The Frog golfers are in Dallas today for a match with the Mustangs over the Dallas Country Club course. Play began at 9 o'clock this morning and will continue throughout the day.

The Purple team dropped their first match of the season to the S. M. U. foursome in Fort Worth. Jimmy Walkup, Frog leader, won the only match of the day for the T. C. U. team when he beat Alex Hickey, 6-5.

Other results were: O'Hara Watts beat Jack Thompson, 5-4; Lewis Becker downed Jack Panter, 7-6 and Marvin Jones defeated Guy King, 5-4. Becker and Jones beat Thompson and King, 9-8 and Panter and Walkup lost to Lavender Hickey 3-2 in doubles play.

Spanish Class Hears Discussion on Chile

Miss Berta Ward, student in the Baptist Theological Seminary, visited Miss Eula Lee Carter's elementary Spanish class Saturday morning, April 8, and told the students facts about her native country, Chile.

Many questions concerning the country and its customs were asked by members of the class.

attending the Fiesta Track and Field meet there and may be unable to return in time for the meet. Bud Taylor and Lynn Brown will be entered in the jumps and discus. Clark will defend his honors in the broad jump. There is a possibility that B. W. Spearman will also be in competition again after a month's rest cure.

S. M. U. will reign supreme in the field events with Bud Sprague tossing the shot put and discus close to record distances.

Cage Rules Are Revised for '34

Nine Minor Changes in Laws Outlined by Coach Schmidt.

Nine minor changes were made in the basketball rules at the recent meeting of the National Basketball Rules Committee in New York, according to Coach Francis A. Schmidt, member of the ruling body.

All changes were either a modification or clarification of the existing rules, Coach Schmidt explained. No radical revisions were made in the old rules, the purpose of the action this year being to effect a more uniform interpretation of the rules, the Frog mentor added.

At the conclusion of the meeting Coach Schmidt was reappointed to the executive committee of the National Basketball Rules Committee and National Basketball Officials Association.

The following are the rule changes as enumerated by the Purple coach:

1. A player may re-enter the game two times instead of one as formerly.
2. All courts must have a front and back court. On courts 75 feet and over there must be a center division line. Courts less than 75 feet must have a 40-foot front court.
3. A tie ball shall not be called until players have had an opportunity for one "tug" at the ball.
4. An out-of-bounds ball must be handled by the official.
5. A slight rewording of the rule concerning the player getting rid of the ball in time when he receives while in rapid motion.
6. Any player in the pivot post must not hold the ball more than three seconds. The new rule refers to any man regardless of his position.

Coach Takes Positions

Schmidt to Teach at Schools Out of State in Summer.

Coach Francis A. Schmidt has announced his acceptance of positions with two athletic coaching schools this summer.

The Purple mentor is to teach basketball at a school to be conducted in Hot Springs, Ark., from July 31 to Aug. 12. At this same session Howard Jones of Southern California and Heartley Anderson of Notre Dame will head the football department, and Clyde Littlefield of Texas will teach track coaching.

From Aug. 28 to Sept. 2 Coach Schmidt will lecture on football coaching methods at the Gustavus Adolphus College in St. Peters, Minn.

Four Baseball Games Played

One game Tuesday and three Wednesday marked the week's play in the intramural baseball schedule. The first half closed this week. Play in the second half will open next week.

The old "three-second rule" referred only to a man standing with his back to the basket.

7. The ball can be returned to the back court now only by the first man receiving the ball.

8. An offensive player touching the ball on the edge of the basket shall not be deemed to have interfered with the ball unless he touches the basket or any part thereof.

9. In all games played by quarters the ball shall not be returned to the center at the beginning of each period. The team which has possession of the ball at the end of the quarter shall be given the ball out of bounds at the beginning of the following quarter.

Prof. Pickerill Accepts Position In Indianapolis

Will Become Director of Religious Work in Two States.

Duties Begin June 1

Graduate of Transylvania Came Here in 1926 to Instruct Bible Classes.

Prof. H. Lynn Pickerill, head of the department of religious education in Indiana and Michigan when he leaves June 1 to accept a position in the educational department of the United Christian Missionary Society at Indianapolis. The Christian Church has its headquarters in that city.

Prof. Pickerill received his B. A. and B. D. degrees from Transylvania and is doing graduate work at the University of Chicago. He came to T. C. U. in 1926 as professor of Bible. For the past five years he has been head of the religious education department, one of the largest departments in the Brite College of the Bible. There has been a 30 per cent increase of students there this year.

In 1929 Prof. Pickerill became director of religious education in the University Christian Church. He is widely known throughout the United States and Canada for the work that he has done in connection with the young people's conferences.

At Indianapolis he will be responsible for the complete educational programs of the Christian Churches in the two states.

Ever smoke "whittle" tobacco?

Well... here it is... already whittled FOR you. Granger Rough Cut is tobacco whittled right... that's one reason why it burns so slow and cool.

WHEN we started to make Granger Rough Cut we knew that fine tobacco burnt hot because it burnt so fast. It kept your pipe hot. You could hardly hold your pipe in your hand, it got so hot at times.

Then we remembered that some folks back yonder used to "whittle" their tobacco. So we made GRANGER just like "whittle" tobacco — "Rough Cut." It smokes cooler and lasts a lot longer. And also, you'll find it never gums the pipe.

So far, so good. Now we wanted to sell this tobacco for 10c. Good tobacco—right process—cut right. It was a question of how to do it for the price.

So we put GRANGER in a sensible soft foil pouch instead of an expensive package, knowing that a man can't smoke a package. We gave smokers this good GRANGER tobacco in a common-sense pouch for 10c.

GRANGER has not been on sale very long, but it has grown to be a popular smoke. And there is this much about it—we have yet to know of a man who started to smoke it, who didn't keep on. Folks seem to like it.
