

THE SKIFF

Entered as second-class mailing matter at the postoffice in Fort Worth, Texas. ERNESTINE SCOTT Editor-in-Chief EDWIN W. VAN ORDEN Business Manager

To the New Corp of Officers

In this issue The Skiff is happy to announce the student body officers for next year. Congratulations, 1933-34 officers! We rejoice with you in your success.

The students are looking to you to further the work begun by the student body organization this year for a bigger and better University.

You have of necessity been backed by a large number of students. However, do not let that stand in the way of your performing impartially the duties of your office.

In Honor of Mother

"Whatever ye would that others should do for your mother if she were left destitute, do ye even so for other mothers and dependent children, millions of whom today, through unemployment and other causes beyond their control, are suffering, and some of them are dying, for lack of the simple necessities of life."

That is the way The Golden Rule Foundation is asking that Mother's Day, which comes the 14th of this month, be observed throughout the United States this year.

This resolution calls for the people of the United States to express their love for mother by sending her a card, telegram, or another type of message, but in place of sending expensive flowers, books, candy and the like, to make contributions, in honor of our mothers, through our churches or other fraternal and welfare agencies, for the relief of the many mothers and children who are suffering for the dire necessities.

Our mothers, generous souls that they are, will appreciate our remembering them with the smallest token. And they will at the same time be glad that son or daughter has also been thoughtful of some one else's mother.

What Could Be Fairer?

This week Dean Sadie T. Beckham began the privilege of leaving the lights on all night in Jarvis Hall, with the provision that the girls turn out their lights at 11 o'clock.

Nothing could be fairer than this proposition. Each girl should consider herself responsible for seeing that the dean's wishes in this matter are carried out and that no abuses of the privilege occur.

The lights are being left on as a matter of trial. If the dean finds it necessary to return to the old practice of turning off the lights at the switch in her office, no one will be to blame but the girls themselves.

Play Baseball!

If it were not for the publicity in The Skiff and the downtown papers, few University students would know that the baseball season for T. C. U. has long been in full swing.

There is little support of this athletic activity as of all other spring sports. The only thing that can be attributed to it is "spring fever."

Now let's help the Frogs win a baseball championship. They can win only by good playing, and the support of the student body.

Graduates Organize

Though these last few weeks of University life for the seniors should be ones of happiness, there is a cloud over their horizon. It is not to cast gloom or pessimism over them that these words are written, but the seniors are the students who are soon to face reality.

It is a known fact that unemployment is still great despite all efforts being made by the national administration to alleviate such conditions. Unemployment has made no exceptions. It has caught lawyers, engineers, doctors, teachers, highly trained business men—all unorganized to combat the organized agencies of retrenchment.

However, there is on foot a movement for the organization of college graduates for the purpose of trying to influence social legislation, to win industrialists over to a program of planned industry, to gain unemployment insurance, to force the government to provide work, rather than give to charity.

Seniors may join by affiliating themselves with a college chapter such as the Harvard or Columbia one, or by associating themselves with a regional group such as the New York organization.

OPEN FORUM

Dear Editor: Old white-headed leadership of this great nation has failed us. We must find new leaders who are progressive in their policies. We have in this nation resources which would make everyone happy if we would apply them in such a way as to have a fair distribution of them.

You and I live in a land of the majority and not of the money minority. This is something that will not be accomplished under the type of leadership which we now have.

I will admit that this problem of distribution is not an easy one to solve. It can only be solved by a group of energetic and patriotic men who are not thinking of their own selves above the masses.

As a remedy I suggest that President Roosevelt give Congress until June 1 either to give this country the laws it needs or else let the President declare martial law and draft the wealth of this nation so that people may have their daily bread in other ways than begging.

We have got to get the most out of life while we live here and even if the President must declare martial law I would be one to back him so that the coming generation will be a healthy one. I issue this ultimatum to Congress and the State Legislatures that the youth of this nation will not accept the leadership of old men unless they show a drastic change in their type of work which they do at the capitals.

If this be radical, make the most of it. This is a plea that all the people of this land be assured their daily bread and a high standard of living before June 1. Congress must remain awake while it is in session as it goes as individuals on the various golf courses. We want action for the benefit of all.

HINDU VAN ZANDT.

Dear Editor: It's being done. Spring is here, and the cities and villages all over the state are having clean-up, paint-up campaigns. Everybody is getting ready for the pleasant spring and summer seasons.

That gives us an idea. Why not a Campus Clean-up Week? Instead of the students who are hired to work on the campus doing all the work, why don't we all do something? Already the flower beds have been cleared and sodged, and the campus is being beautified.

All the dormitory students could clean the dust off the picture frames in the rooms, and dump the Christmas wrappings into the waste basket. Then everybody might agree not to throw trash in the halls, or candy wrappings on the campus.

There are many other things which might be done, little things to make the campus and its buildings more livable. At that, the idea of a campus clean-up week has some merits.—M. P.

### Miss Janelle Bush Is Queen At May Breakfast in Jarvis

Miss Janelle Bush, who was elected Queen of the May by the Jarvis Hall girls, reigned at a May breakfast given in her honor yesterday morning in the Jarvis Hall parlors. The breakfast marked the inauguration of an annual affair, which is to be held each year about May 1.

Miss Bush was attended by her duchesses, Misses Natalie Collins, Lucy Brown, Eloise Washburn, Lillian Muse, Mary Velma McCord, Bobbie Sue White, Annie Phares, Hannah Ann House and Frances Talbot.

Crowning of the queen preceded the breakfast, which consisted of strawberries, egg and parsley sandwiches, bacon, hot buns and coffee.

Rainbow colored paper streamers, which were hung from the ceiling lights to tables, were attached to May baskets filled with strawberries. Wild spring flowers formed the centerpiece for the four tables. Each girl received a small bouquet of the wild flowers.

Those attending the breakfast were Misses Lois Atkinson, Jourline Armstrong, Louise Watson, Mazelle Duckworth, Evelyn Goughly, Ilo Gaalema, Marion Honea, Florence Johnson, Mary Jo Merkt, Grace Maloney, Mary Elizabeth Roark, Pat O'Banion, Sarah Orth.

Winnie Powell, Hulda Lou Shumate, Elizabeth Sayles, Christine Ackers, Edythe Black, Phyllis Burnam, Lou Blumberg, Nine Whittington, Betty Davis, Elizabeth Hardy.

Ada Reed McGill, Mary Rowan, Gladys Simonson, Irene Van Keuren, Lollie Botts, Louise Briscoe, Virginia Bradford, Ruth Cowan, Elizabeth Cuthrell, Helen Shelburne, Evelyn Franklin, Natalie Gorin, Louise Glass, Elta Rose Franklin, Rebecca Graves, Georgia Johnson.

Eva Keeling, Margot Shaw, Eugenia Sharp, Mary Helen Sims, Mary Seidel, Judith Witherspoon, Katherine Ashford, Ada Assman, Reba Jo Curd, Maxine Edwards, Lucille Kennedy, Opal Longan and Ila May Nance.

Edwin W. Van Orden and William Anderson will leave Saturday afternoon for Denton to attend the annual C. I. A. Dance.

### Sophomore Class To Hold Party

The sophomore class will hold a party at the home of Miss Vera Connell on the Azle Road next Tuesday evening at 8:15 o'clock, according to Judy Truelson, vice-president of the class.

The party will include swimming, a hayride, bridge-playing and a picnic dinner.

According to Truelson, cars will be provided for all dormitory students wishing to attend. Girls in Jarvis Hall will be allowed to stay out until 11 o'clock.

The arrangements of the affair are in charge of Misses Margaret Day Trigg, Dorothy Deffebach and Christine Ackers, and Lon Beavers, and Truelson. The tickets are being sold for 25 cents each.

### Senior Class Girls In Style Revue

Misses Eloise Barksdale, Irene McCommas and Margaret Reeder will represent the T. C. U. senior class at a graduation revue and style show to be presented at Washer Brothers store at 10:30 a. m. tomorrow.

The revue is to be presented in honor of both college and high school seniors of Fort Worth.

### Alpha Zeta Pi Plans Farewell Meeting

Alpha Zeta Pi, modern language fraternity, will hold its farewell meeting when it gives a picnic Wednesday evening at Lake Worth.

After a picnic lunch and an impromptu program, election of officers for next year will take place. The nominating committee appointed by the president, Miss Mary Louise Mobton, consists of Miss Natalie Gorin, Miss Martha Laura Rowland and Ed Fritz.

The final event will be the awarding of first and second prizes to the two members who have done the most for the fraternity this year. Cars will leave the arch at 5 o'clock Wednesday afternoon.

### Hammond Addresses Library Association

Speaks on Subject of Texas Centennial—Stresses Planning for Future.

Dr. W. J. Hammond of the history department of the University stated that most of the value of the Texas Centennial would be lost if the celebration looked only to the past and ignored the future at a meeting of the Texas Library Association in Wichita Falls last week-end.

The celebration should look and plan to the future, he said. Dr. Hammond delivered the principal address at the Thursday afternoon meeting of the association. His subject was "Libraries and the Texas Centennial."

Dr. Hammond also stressed the studying of the leaders of cultural movements as Texas heroes rather than the leaders of the destructive features of Texas history.

A resolution growing out of Dr. Hammond's address resulted in a recommendation by the association that a librarian be appointed by the governor to serve on the Centennial Committee, since the libraries will play a large part in the celebration.

Arthur R. Curry, librarian of the Mary Coats Burnett Library, Mrs. J. E. Mothershead, assistant librarian, and two student assistants, Misses Natalie Gorin and Evelyn Franklin, attended the meeting of the association.

### T. C. U. Students Win Fellowships

#### Shugart and Fitch Are Honored by Duke and Virginia.

Howard Fitch and Reeder Shugart, both Fort Worth boys and seniors in the University this year, have received fellowships from the University of Virginia and Duke University respectively.

Fitch is an assistant in the chemistry department this year. His fellowship from the University of Virginia is for 1933-34. He is a member of the Parabola, mathematics Club.

Shugart is at present an assistant in the department of physics, is a member of the Horned Frog Band and president of the Parabola. His fellowship is also for next year. From Fort Worth, he received a fellowship in chemistry from the University of Virginia for 1931-32. According to Prof. C. R. Sherer, head of the University mathematics department, Fitch made a fine record at the University of Virginia.

### 1933-34 Yell Leader Seeks Student Views

Co-eds Ask to Be Represented On Pickett's Staff of Assistants.

Should T. C. U. have girls or boys for assistant yell leaders?

This is a question which is likely to turn the porcupine hair of Tom Pickett, next year's head yell leader, gray if he doesn't get some help in settling the question.

Several students have requested Pickett to appoint two members of the fair sex as his assistants next year, but he doesn't know how the student body as a whole feels about the question.

So Pickett, in turn, has made a request. He has requested that every student interested express his opinion, either to the head-yell-leader-elect in person or in a short Skiff Open Forum letter.

# Frogs Down Steers to Take Lead in Conference Baseball Race

## Meyermen Defeat Dischmen 6 to 4 In Thrilling Fray

### Rally in Ninth Inning Gives Victory to Christians.

### Bears Beaten 3 to 2 Mustangs Trounced in Pair of Encounters, 8 to 6 and 5 to 3.

A thrilling 6-to-4 victory over the Texas Longhorns in Austin Tuesday gave the Horned Frogs undisputed possession of first place in the conference baseball race. The win over the Steers followed on the heels of a close 3-to-2 decision over the Baylor Bears and gave the Meyermen a record of 6 wins and 1 loss in the standing.

The Purple nine has three more games on the conference schedule. Tomorrow they journey to College Station to play the Cadets a return game. The final two contests will be played on the Frog diamond. Tuesday the Mustangs will furnish the opposition. The curtain will be rung down Thursday afternoon when the Meyermen face the Bears. The home games will begin at 3:30 p. m.

A four-run rally by the Frogs in the ninth inning of the Texas game proved disastrous to the Dischmen after they had led for five innings. Captain Slim Kinzy was on the mound for the Frogs, opposed by Vernon Taylor, Longhorn ace. The lanky right-hander pitched air-tight ball with the exception of one inning, the fourth, when the Texans made all their runs.

The Purple nine took the lead in the first inning by scoring one run. No scores were made then until the fourth when the Dischmen bunched five hits for four runs. Kinzy tightened at that point and they never threatened seriously again.

Two hits, a walk and a sacrifice fly produced the second tally for the Frogs in the seventh. When the ninth opened, the fans began to file out of the park. Jack Graves led off with a single and the fireworks began. Taylor followed with a line hit and Kinzy was safe on a bunt. Graves scored when V. Taylor threw the ball wild. Logan walked. Donovan singled to center, tying the score. Kinzy was out at the plate on Walker's blow to the pitcher. Harston then singled, scoring Logan and Donovan. That ended the festivities. The Steers went out in order in their half of the inning after the first man had walked.

Ellis Taylor was the batting star of the day with three bingles. Graves and Harston collected two each.

In the Baylor game the day before the Frogs hit the ball hard and often enough to eke out the one-run victory.

Thursday and Friday of last week saw the Frogs taking two games from the Mustangs, the first 8 to 6 in Dallas and the second 5 to 3 here.

The other Purple victory was over the Aggies last Monday. The final score was 5 to 4. The winning tally came in the last of the ninth when Mitchell, Aggie shortstop, muffed Myers' grounder, Donovan scoring from third on the play.

## DONOVAN'S DOPE

By PAUL DONOVAN

That Texas game Tuesday will not be forgotten for many a day by the players and coaches of either team or by the fans either for that matter. It was a repetition of last year's affairs at Austin, when the Frogs scored two in the ninth to win but it was more decisive and demoralizing to the Longhorns who were quite sure that the "mediocre Toads" were soundly beaten.

Most of the spectators had left their seats and started toward the gate when the Meyermen came to bat in the ninth trailing by two runs. Many of them were still there when the teams left the park after the last out. They were trying to figure out what had happened in the previous few minutes.

When Ernie Koy struck out in the last of the ninth with a man on base the game ended right then although it was the first out. Slim derived so much pleasure out of that one feat that the next two men were practically out before they stepped to the plate. How he did whip that ball in there! It was the fourth consecutive win for Slim and he was better than in any of his previous games.

Right now the Frogs are in a most advantageous position. They are a full game ahead of the Steers and have only three more to go while the Longhorns have five more. If they can down the Aggies in College Station tomorrow they have an excellent chance to finish the season with nine wins and one loss. The two final games will be played on their own field and against comparatively weak teams.

There is not much danger of the team taking the games too lightly because they still remember the way the weak members of the loop knocked them out of the race last year. The Bears and Mustangs are both capable of playing winning ball against the Frogs. In fact, the Bruins old a verdict over the strong A. & M. crew.

Thus far the Meyermen have had more success in games played away from home than on their own diamond. Their one loss this year was on the home soil. Even in practice games they have been victorious on every road trip. Regardless of the outcome of the next three games the Frogs have proven a great surprise to most critics throughout the league. They were not conceded much of a chance of winning as many games as they have already. It was a sport writer on the Daily Texan who rated the Purple nine as mediocre. I don't think there is any need to argue that point with him now. Probably as surprised as any are the home-town papers.

At present the record of each conference team is as follows:

Team	W.	L.	Pct.
T. C. U.	6	1	.857
Texas	4	1	.800
A. & M.	4	3	.571
Baylor	2	3	.400
S. M. U.	0	8	.000

Two of Texas' remaining five games are with the Aggies and there is a possibility that the latter will take one of the contests. The two are age-old rivals and they always fight bitterly. So the schedule slightly favors the Frogs but every game will be a tough one for them with no chance for a let-up in their hustling play.

**Dickey Requests Cap and Gown Size Orders**

All seniors who did not have their sizes taken for caps and gowns at a meeting of the class in the auditorium this morning may have the measurements made in the Horned Frog office from 12 to 12:15 p. m. daily, according to Billie Dickey, president of the class.

Dickey has announced that all orders for caps and gowns must be by Tuesday. The cost will be \$1.75 each, payable when the gowns arrive. Orders for invitations were also taken at the class meeting this morning.

## Frog Tracksters Defeat Teachers Casper Scores in Five Events to Lead in Point-Making.

Elated over their 72-63 victory over the Denton Teachers here Monday, the Horned Frog tracksters settled down to serious work Tuesday preparing for their final meets of the season. They meet the S. M. U. Mustangs in Dallas Monday in their final competition before the conference meet, which will be held in Austin the following Friday and Saturday.

Led by Charlie Casper, who scored 20½ points, the Frogs galloped off with more than a moral victory in Monday's melee. Casper won the high and low hurdles, the broad jump, tied for first in the pole vault and won second in the high jump.

The Christians' sprint relay team lost its final race of the season Monday when the quartet failed to click as they have in the past. The mile relay team also took second to the Teachers in a grueling contest.

Captain Otha Tiner, star Frog quarter miler, scored an unexpected victory in the 440-yard dash by defeating Jack Hayes, star Eagle middle-distance runner.

Judy Truelson displayed great form in the discus by defeating J. D. Moore, T. I. A. A. winner in that event last year, by more than three feet. This is Truelson's first year, both on the squad and with the discus, and each performance shows marked improvement.

Jewell Wallace served advance notice to javelin throwers of the southwest Monday that he will be in the thick of the fight for honors in that event by tossing the spear 185 feet. Rex Clark won both the century and furlong but at the same time showed signs of needed improvement before he is ready to take a shot at the big guns of the conference.

The Frogs will enter their meeting with S. M. U. Monday as favorites. The Ponies upset the dope sheet and eked out a victory over the Frogs in a three-way meeting here some

## "T" Association to Present Short Plays Skits Will Be Seen Tuesday Evening, May 23, in Auditorium.

The "T" Association will present a number of "skit plays" in the auditorium Tuesday night, May 23. The skits are under the direction of Miss Katherine Moore, and all members of the organization will take part in one or more of the numbers. The proceeds of the plays will be used for the annual spring entertainment staged by the lettermen each year.

The initiation of the new members will not take place until after the Southwest Conference track and field meet which will be held next weekend. The "kids" day will take place on the following Monday or Wednesday. The exact day will be announced as soon as Johnny Vaught and the social committee can arrange a suitable date on the social calendar. Some 18 or 20 men will be welcomed into the association at this time.

## Frog Netters to Meet Mustangs Wednesday

The Frog tennis team will meet the S. M. U. Mustangs in Dallas Wednesday afternoon in a return match. The Pony netters hold a decision over the Purple team this year.

In their other conference match the Frogs downed the Baylor team 3 to 2. These two schools will meet again on May 13. The Texas Longhorns come here for a match with the McDiarmidmen May 17. The conference tournament will be played on the T. C. U. courts May 18, 19 and 20.

Misses Mary Velma McCord and Elita Rose Franklin visited friends and relatives in Austin over the week-end and attended the Round-Up.

Miss Marian Pace, former university student from Cleburne, visited Miss Lucy Brown this week.

Misses Opal Longan and Rebecca Graves visited in McKinney Saturday.

## Sumner Awarded Free-Toss Trophy

Wendell "Doc" Sumner was awarded the Horned Frog trophy for the best free-throw record made during the past cage season. Sumner dropped 33 of the 42 gift shots through the basket for an average of .780. This mark was exceptionally high for the number of attempts.

Elbert "Flash" Walker, Sumner's forward partner, won this award last year with a mark close to the one made this season. Walker ran Sumner a close race for honors this year but fell short in the closing games. The trophy is a silver basketball mounted on a pedestal.

## Chapel Groups Hear Dr. Albert W. Palmer

Dr. Albert W. Palmer, president of Chicago Theological Seminary, spoke to the freshman-sophomore chapel Wednesday on "Religion as a Heritage and an Adventure." He was presided by Dr. W. C. Smith of the sociology department.

At 11 o'clock he addressed a combination of classes in the auditorium on "Labor Conditions in Hawaii." At 1:30 o'clock he led an open forum sponsored by the Y. M. C. A. and the International Relations Clubs. He also conducted several informal discussions in Clark Hall and about the campus.

## Frosh Netmen Down Randolph

The freshman tennis team defeated the Randolph Junior College team 5 to 1 on the Frog courts Friday. It was the second victory for the Frogs over the Cisco players. The first-year men swept the singles matches but dropped one doubles match to the visitors. This match brought the freshman season to a close.

Miss Marian Pace, former university student from Cleburne, visited Miss Lucy Brown this week.

Misses Opal Longan and Rebecca Graves visited in McKinney Saturday.

## Intramural Baseball Enters Second Round

Senior A and Juniors loom as favorites—Progress Slow in Tennis.

Intramural baseball entered into the second round yesterday, with the senior A and juniors looming as favorites in the second round games. The juniors won the first half of the race with the senior A's close on their heels. The winner of the first half and the winner of the second half will meet in a two-game series the latter part of May to determine the intramural champion.

Progress in the tennis doubles play has been exceptionally slow this year and Walter S. Knox, director, has requested that all entrants get their matches off on time or forfeit their chances. Doc Sumner and Buster Brannon loom as favorites to retain the championship, which they won last year. Such teams as Gardner and Sigmon, Graves and Donovan, Wright and Leet, Dickey and Clark, Fritz and Grove and Logan and Clark are showing great form in the early games.

The annual intramural swimming meet will be held May 16 beginning at 3 p. m. To date only one entrance blank has been checked in, that being Roland Balch. The following events will be held: fancy diving, 40-yard free style and back stroke, 100-yard dash, both free style and back stroke and the relay. Both individual and team points will be counted.

## Teachers Go to Meet

Misses Smith, Major, Spragins Attend Conference.

Dr. Rebecca Smith, Miss Mabel Major and Miss Lida Spragins attended the conference of university and college English teachers held in Austin, Thursday, Friday and Saturday.

Dr. R. H. Griffith, professor of English in the University of Texas, called the conference together and the organization was made a permanent one. They were also present at a tea given by Mr. and Mrs. Malcolm Reed of Austin in honor of Mrs. Helen Fouts Cahoon.

## Neff and Wood to Speak to Seniors

President Pat M. Neff of Baylor University, former governor of Texas, and Dr. H. T. Wood, pastor of the First Christian Church of Wichita Falls, have been chosen as the commencement and baccalaureate speakers, respectively, for the graduation exercises of this year's senior class. President E. M. Waits announced this week.

Dr. Wood will deliver the baccalaureate sermon Sunday morning, June 4, and President Neff will speak Monday evening, June 5.

## Joe Brown Is Batting .417

Joe Brown, who is ineligible for baseball at T. C. U. this season, is one of the three leading hitters in the Fort Worth Munny Twilight League. Brown has a batting average of .417.

Don't Wait Till JUNE Get Your "Diploma" Today!

This is not the diploma you're going to get in June... it's the debutante member of Vanity Fair Underwear.

It's the first thing of its kind made of silk tulle, along with that marvelous gift to girls, Laxtex. But, believe it or not, with its all silk swank; you can enjoy the luxury of wrapping a "Diploma" around your tummy by coming across with three dollars.

# Something to Say

not just saying something

A friend of CHESTERFIELD writes us of a salesman who had "something to say"

"I dropped into a little tobacco shop, and when I asked for a pack of Chesterfields the man smiled and told me I was the seventh customer without a break to ask for Chesterfields. 'Smoker after smoker,' he said, 'tells me that Chesterfields click... I sell five times as many Chesterfields as I did a while back.'"

Yes, there's something to say about Chesterfields and it takes just six words to say it—"They're mild and yet they satisfy."

they Satisfy

Wherever you buy Chesterfields, you get them just as fresh as if you came by our factory door
