Band Members to Return From Big Springs Journey

Represent Fort Worth At Convention in West Texas.

Other Cities Visited

Final Preparation for Fiesta Music to Begin on Return of Musicians.

Twenty-five members of the Horned Frog Band, who have been in Big Spring since yesterday morning representing Fort Worth at the annual West Texas Chamber of Commerce convention, will return to the campus tomorrow and begin final preparations for the music to be furnished at the "Fiesta" tomorrow night, according to Prof. Sammis, director of the band.

The trip to Big Spring marks the fifth participation of the Horned Frog Band in West Texas Chamber of Commerce conventions. Among the other cities visited during the conventions in the past were El Paso, Abilene, Sweetwater and Lubbock. The band won first prize in concert competition at the convention held at Abilene three years ago.

Those making the trip are: Sproesser Wynn, Fred Smith, Jack Panter, Don Gillis, Melvin Diggs, Bob Spurlock, Frank Jones, Charles Caldwell, Raymond Michero, Johnnie Long, Lawrence Coulter, Dale Smith, Alto Tatum.

George Magoffin, Fritz Vasquez, Horace McDowell, Frank White, Ed Warren, Tom Fleming, Charles Oswald, Weldon Allen, Vernon Fenley, Raymond Lipscomb, Charles Braselton and Roy Bacus.

True to Get Ph. D. From California

Clyde Allen True, T. C. U. graduate and former instructor in the history department, will receive his Ph. D. degree from the University of California at Berkeley this spring. True used for his thesis, "British Commercial Activity in Mexico from 1830 to 1845," which is a continuation of the subject used by Dr. W. J. Hammond in writing his thesis.

True is at present assisting in the Bancroft Library at Berkeley. He received his A. B. from T. C. U. with a major in history in 1926 and his M. A. three years later. After teaching in Crosbyton a year, he returned to Texas Christian to become an assistant in the history department two years. Then he served two more years as a professor. True entered the University of California in 1932.

Wolfe Talks to Forum

Y.M.C.A. Hears Oil Man Discuss Economic Conditions.

Franklyn E. Wolfe, prominent Fort Worth oil man, addressed the Y. M. C. A. open forum on changing economic conditions at its regular meeting Monday night. Wolfe analyzed the present situation and interpreted it, emphasizing the position of youth in relation to improvement.

A discussion of the question was entered into by faculty members and students after Wolfe's talk. Prof. C. R. Sherer acted as chairman.

Among those present were Dr. Edwin A. Elliott, Prof. Sherer, Dean L. L. Leftwich, and Jack Steele, who accompanied Wolfe, and Joe Carpenter, Nat Walls, Bryant Collins, Henderson Van Zandt, Gene Cox, Lee Glasgow, Paul Wassenich, John Terrell, Byron Buckenridge, Frank Valencia, Woodson Armes and Bud Taylor.

Dickey Asks Invitation, Cap and Gown Orders

Invitation orders with deposits must be in today, according to Billie Dickey, senior class president. This is also the last day for measurements for cap and gowns.

Members of the senior class were guests last night of Mrs. W. H. Barksdale, class mother, at a picnic at the Armour Camp at Lake Worth.

Students Opposed to Co-ed Yell Leaders

Almost Unanimous Vote Cast Against Topic Raised by Pickett.

Student opinion apparently is decidedly against the appointment of girls as assistant yell leaders, Tom Pickett, head yell leader for next year, said this week.

According to Pickett, who last week requested students to express their opinions on the question, both boys and girls have been practically unanimous in their condemnation of the idea.

Several students have term the employment of girl yell leaders "high schoolish." Alf Roark, former president of the student body, said this week that Saratoga High School has girl yell leaders, which is reasonable enough, he says, for T. C. U. not to have them.

Trips to Europe Offered Students

Excursions With Expenses Paid Prizes in Contest.

In face of statistics gathered in a national survey showing that only one out of eight members in the class of 1933 will be able to secure self-supporting jobs, the National Student Federation of America and the International Student Service in offering a summer tour of Europe with all expenses paid to the college man or woman who presents the best plan for the organization of unemployed college graduates for constructive public service.

The two winners of this national contest will enjoy six weeks of their summer vacation in Swiss, Austrian, Dutch or Welsh student camps, will visit European capitals and will be entertained by students and public leaders. The trip is scheduled in order that an opportunity may be given to study Europe's answer to the problem of unemployed youth.

Those interested in entering this contest may refer to the bulletin board in the Main Hall, where the rules of the contest are posted in full.

There is no limit on the number from any college that may submit plans, provided all plans submitted appear in the college paper.

Plans are to be submitted by June 1 to the National Planning Committee for Unemployed College Graduates.

Clarence Crotty Elected President

After two plays had been presented in the auditorium Friday evening before members and guests of the Dramatic Club, Clarence Crotty was elected president of the organization for next year.

Other officers elected were: Vice-president, Miss Bernice Armstrong; secretary-treasurer, Miss Elizabeth Cuthrell, and business manager, Dean Harrison.

The second of the annual series of burlesques presented by the Dramatic Club will be given the evening of Friday, May 19. After the burlesque, the club will give a banquet at the Worth Hotel, where installation of the new officers will take place.

Professor and Student Artists Exhibit Work

Miss Sarah Smith, senior in the art department, has a canvas on exhibition in the Texas Art Show at the Carnegie Library, and Prof. S. P. Ziegler has two canvases on exhibition.

The exhibition was opened to the public Wednesday night and will remain open a month. Miss Smith will open an exhibit of her paintings Sunday, May 21.

Prof. Ashburn Makes Address

Prof. Karl E. Ashburn of the department of economics spoke before the adult Sunday School class of the Arlington Heights Christian Church Sunday morning on "Our Present Economic Order and Christianity."

To Be Pastor

Perry Gresham, who is to become pastor of the University Christian Church in the fall. He is a candidate for a Bachelor of Divinity degree from T. C. U. in June.

Hutton Suggests Way to Get Grades Early

Says Leaving of Postcard Will Give Time for Registration in Summer School.

In an effort to help those students who are in doubt about passing courses in the spring semester and who desire reports of grades in time to complete registration for summer school, Registrar S. W. Hutton suggested recently that the student leave the teacher an addressed postcard so that the grades might be mailed home.

"If no other provision is made," Hutton said, "the first record of grades will be sent home in the student record book as soon as all the grades have been received in the registrar's office. I suggest the above procedure to accommodate those students who may need to take summer school work in order to complete courses failed in the regular session."

Senior Exams to Begin on May 22

The week of May 22 has been set as the date for senior examinations, Registrar S. W. Hutton announced yesterday.

"The senior examinations are to be given at the discretion of each teacher," Hutton said. "The deadline for all senior grades to reach the registrar's office is noon Monday, May 22."

According to the registrar, students other than seniors who are in classes with seniors will take their examinations at the regular examination time, the week of June 1, as will all August seniors.

No one will be permitted to take an examination earlier than the scheduled time, Hutton said.

Faculty Works Listed

Catalog of Material Published Before 1921 on File.

In the faculty card catalog labeled "T. C. U." in the Mary Coats Burnett Library is listed the material that was published by the faculty members of T. C. U. before 1921. Since that time the files have not been kept.

Twelve members of the present T. C. U. faculty had contributed to the collection before that time. They are Prof. J. W. Ballard, Dr. E. A. Elliott, Dr. W. J. Hammond, Dr. Gayle Scott, Prof. E. W. McDiarmid, Dean Colby D. Hall, Prof. R. A. Smith, Dr. Rebecca Smith, Prof. W. M. Winton and President E. M. Waits. The material included such articles as Dr. Winton's "Significance of Venoms," Dr. Rebecca Smith's pageant, "Following the Lone Star," and Prof. McDiarmid's poem, "Saviors of God."

Rev. L. D. Anderson Is Speaker

Rev. L. D. Anderson, pastor of the First Christian Church in Fort Worth, spoke to the freshman-sophomore chapel Monday in the absence of the Rev. Harry Knowles of Houston, who was originally scheduled to speak.

Horoscope Tells On Students Who Hide Romances

Practically everybody's "going" astrological, so here are the futures of some T. C. U. students as read through the medium of horoscopes and stars:

An Oppose Mars reading for Miss La Verne Brunson in April says: "Your best judgment will go in hiding during this most adverse transit. To women, this aspect sometimes brings marriage or a love affair." La Verne, why didn't you tell us—?

For Charles E. J. Finklestein Hanna there is an April reading in Conjunct Jupiter: Be very careful of what you say to and about people and your friends at this time; your tongue is very apt to cause you trouble." Hanna, haven't we always told you to talk less and think more?

Miss Helen Pannill has an April reading in Square Saturn: "A peculiar aspect, sudden and unexpected events will happen. This is apt to be either a romantic or adventurous period." Helen, please be careful; you're so young and impulsive!

Oppose Uranus has for Bill Gonder in April: "Be very careful of your comments regarding other people at this time; some one will tell them what you say and cause trouble if you don't keep quiet. If you do not curb your tongue while this aspect lasts you will get into serious trouble." Be careful at those rehearsals, Bill; there's a mean look in your eye.

For Laurence Coulter, Conjunct Mercury has the following remark: "Literary matters, affairs having to do with correspondence and writings, will not prosper. You should take advantage of any opportunity to advance yourself." Your open forum letters amply prove the first, and it's unnecessary to tell Coulter to do the last.

Hannah Ann House, here's yours for Sextile Neptune in April: "It is a good transit for finances, social affairs, the starting of a new business or other venture and for asking favors." Hannah Ann, if you've been wanting something of Mrs. Beckham, now's a good time.

Trine Venus says to Owen Lipscomb in April: "Live, love and be happy. During this or any other transit you aren't capable of anything else." Ah, Owen, your career lies in Hollywood or on the Florida beaches. Whattaman!

Dr. Elliott Speaks To Dallas Alumni

Dr. Edwin A. Elliott was the principal speaker at a meeting of the T. C. U. Luncheon Club of Dallas Wednesday, May 3.

The Dallas club has pledged \$1000 to the T. C. U. Ex-Students' Loan Fund and has already paid \$300 of the amount, according to George Graham, secretary of the T. C. U. Alumni Association.

"This group," Graham says, "has been one of the pioneers in the efforts of the Alumni Association to aid students in a financial way."

Jarvis Light Privilege Extended Another Week

The plan for extension of light privileges in Jarvis Hall has proved almost entirely satisfactory, Dean Beckham said at a parlor meeting in the dormitory Sunday night.

In order to see if full co-operation by the girls can be secured, the plan has been extended for another week. The plan is to leave the lights on in the dormitory all night in case of illness. Each girl is required to turn out her light at 11 p. m., but if she wishes to study longer, she may, by getting permission from Dean Beckham, leave her light on longer.

Three Years of A's

Miss Thelma Breithaupt of Mexia, who will receive her Master of Arts degree in June, has made A in all of her work for the last three years.

Library Committee Enumerates Rules

Present Regulations, With One Exception, Adopted for Next Year's Use.

With the exception of the rule concerning the checking out of reserve books, all of the rules used in the Mary Coats Burnett Library this year were adopted for next year's use by the library committee at the May meeting of the committee last Monday.

The suggestion is being considered that reserve books be allowed to leave the library at 5:30 o'clock in the afternoon and returned at 9 a. m. on the following morning. Faculty members have been requested to send in recommendations as to the time for checking these books out. This year the books have been checked out at 3 p. m.

At the present time persons outside of students and members of the faculty are permitted the use of the books in the library, but the practice has not been encouraged by the library committee. Next year these people who are not connected with the University will be issued borrowing cards and allowed the privilege of checking books from the library.

Next year the library will continue the practice of opening daily at 7:45 a. m. and closing at 10 p. m., with the exception of Saturday when the library will close at 3 p. m.

Continuing the practice used this year and in former years, a fine of 5 cents per hour will be assessed for reserve books which are overdue and 2 cents each day will be charged a student having a non-reserve book that has been issued for two weeks and has not been returned.

A student may be denied the use of the library for excessive noise. This rule is being enforced this year.

Senior Day to Be Saturday, May 27

Saturday, May 27, has been definitely set as the date for Senior Day, according to Miss Doris Sellers, secretary of the student body.

In outlining the program for Senior Day, Miss Sellers stated that the program would take place by the fountain in front of the library and the program would feature the installation of the student body officers for 1933-34, the burning of the books and the presentation and dedication of the yearbook by L. O. Dallas, editor.

The seniors will receive their books immediately after the dedication. The underclassmen will be issued books at the gym during the afternoon.

According to Frank Miller, president of the junior class, the junior-senior banquet will be held the night of May 27. An 11-piece orchestra will furnish music for the occasion. Marion Hicks, retiring president of the student body, said plans are being made to have this Senior Day—the second in the history of T. C. U.—very impressive.

Scholarship Granted To Robert Preston

Winner of Chicago University Award Will Work for Ph. D. Degree.

Robert Preston, graduate ministerial student of T. C. U., has been granted a scholarship by the Disciples Divinity House of the University of Chicago for one year beginning September, 1933.

Preston entered T. C. U. in 1928. He received his A. B. degree in 1932, and was awarded a fellowship in Greek. He has another year's work ahead for his B. D. after which he intends to work toward the degree of Ph. D. For the past two years he has made a straight A average in scholarship.

Preston is planning to enter the ministry. He has served as supply pastor at a number of Texas churches including Handley and Mineral Wells. He is the son of the Rev. Paul G. Preston of Indianapolis, Ind.

Profession Calls Neophyte Scribes

Student Journalists to Edit Fort Worth Press Tuesday.

Miss Ernestine Scott, editor of The Skiff, will act as editor of the Fort Worth Press when T. C. U. journalistic majors issue that paper as a field project Tuesday.

The Press will be issued by the students under the direction of Prof. J. Willard Ridings and Prof. Joseph B. Cowan of the University journalism department. Paul Martin will act as managing editor for the day and Sam Cotton will serve as city editor.

Other staff positions and the students who will fill them are: assistant city editor, Joe Sargent; rewrite editor, Miss Helen Puckett; sports editor, Charlie Casper; assistant sports editor, Paul Donovan; society editor, Miss Louise Calker; assistant society editor, Miss Ruth Morgan;

Courthouse reporters, Roy Bacus and Ben Sargent; City Hall reporter, Donovan; police reporter, Cy Leland; federal court reporter, Miss Elina Evans; Chamber of Commerce reporter, Miss Louise Cozzens; copy readers, Miss Ada Reed McGill, Rex Clark, Charles Dannelly and Edwin Phillips, and utility workers, Elbert Haling and Miss Maudellen Young.

The issuing of the Press is the last of a series of three field projects carried out by students of the journalism department this spring. The Mineral Wells Index and the Cleburne Times-Review were the other papers put out by the students.

Revival Replaces Fellowship Meet

The daily revival service with Dr. Harry G. Knowles preaching, will take the place of the University Religious Fellowship service Sunday evening, according to Dean L. L. Leftwich, chairman of the Fellowship committee.

The revival services are held each evening at 8 o'clock in the new University Christian Church. According to Dr. W. C. Morro, chairman of elders and deacons, attendance at the revival has been good, but students have not co-operated as much as was expected. Three new members have been added to the church since the revival started.

Dr. Harry G. Knowles delivers his sermons with the purpose of portraying what the ideals of modern living should be. Dr. Knowles is pastor of the First Christian Church of Houston, and speaks over the radio Family Hour every Saturday-evening.

Dr. Knowles' son Johnny, a freshman in Brite College, will make the fifth of a line of preachers.

Dr. Knowles will deliver the Mother's Day address in the freshman-sophomore chapel Monday morning.

"Moonlight Mesa" Is Presented

"Moonlight Mesa" was presented Wednesday night in Anna Shelton Hall at the annual banquet in observance of Music Week. Dr. H. D. Guelick and Dr. Rebecca Smith were in charge of the program.

Mothers Will Be Honor Guests at "Spanish Fiesta"

Pageant Will Be Seen in Stadium Tomorrow at 7 P. M.

No Admission Fee

Group of Mexican Children Will Perform National Dance of Mexico.

Mothers of T. C. U. and of Fort Worth will be honored at the pageant, "Spanish Fiesta," to be presented in the University stadium tomorrow evening at 7 o'clock.

Mothers of T. C. U. students have been invited to spend the week-end in the dormitories and to attend the pageant tomorrow evening. The "Spanish Fiesta" will celebrate Music Week as well as Mother's Day. Admission will be free and the public is invited, according to Mrs. Helen Walker Murphy, pageant director.

Mexican Children to Dance. A feature of the production will be the performance of Mexican dances by a group of Mexican children. Frank, Joe, Betel and Mary Reyero will demonstrate the jarabe, the national dance of Mexico. Lola Garcia will offer a solo dance, and Frank Reyero will perform the Mexican tango. Rafael Ybarra, a student in the Polytechnic High School who has entertained many of the campus clubs, will play several guitar numbers.

Instead of printed programs carrying the story, William Henri Gonder will read the story through loud-speaker facilities furnished by radio station KFJZ. Music will be furnished by the Horned Frog Band, under the direction of Prof. Claude Sammis. The Men's Glee Club will sing one number, "Chinita," with David Scouler directing. The popular fox trot, "Fiesta" by Walter G. Samuels and Leonard Whitecup, will be the theme song.

Spanish Numbers Listed

Another Spanish number to be used in the suite, "La Feria," by P. Lacombe. The first and third parts of the suite, respectively entitled "Los Toros" and "La Zarzuela," will be heard. "La Paloma," the well-known serenade by Yradier, and "Rosita," another serenade by Paul Dupont, will be used for Mexican folk dances, both mass and solo types.

"Mazaniella," from A. G. Robyn's comic opera, "Jacinta," and J. Brahms' "Hungarian Dance" (No. 5) will conclude the Spanish music. The "Chicken Reel," from an arrangement of "Twelve Reels and Rigs" by L. O. de Witt, will be played for an old-fashioned dance by cowboys and Mexican señoritas.

Tango Dance Is Feature. Doc Sumner and Miss Dorothy Kelly will dance a tango, Sumner playing the part of a Mexican señor from whom the American cowboy, (Continued on Page 2)

President Names Faculty Groups

Dr. Edwin A. Elliott, Prof. Raymond A. Smith, Prof. E. W. McDiarmid and Dr. Raymond L. Welty were elected by the faculty last week to assist President E. M. Waits in appointing faculty committees for next year.

This committee was selected by a popular vote of the members of the faculty and the appointment of the various campus committees has been made by the four elected and President Waits.

However, the names of the various committees were not available at the president's offices yesterday morning and the results of the appointments will not be released until they are announced in the regular edition of the University catalog.

Committees to be made up by appointment are those of athletics, chapel program, chapel attendance, classification and curriculum, entrance examination, faculty meeting program, honor, library, pre-junior, public speaking, publication, recommendation of teachers, social calendar, student employment, student government and personnel, student societies and student advisors.

A Self-Made Team

The students probably do not know it but a real baseball team has represented T. C. U. in the Southwestern Conference this year.

If ever a team could boast that it was self made, Coach Meyer and his boys have that right. At least the student body has contributed nothing in the way of encouraging support.

T. C. U. has made an enviable record in the Southwest this year, and all due credit should go to Coaches Schmidt, Wolf, Meyer and Clark and the boys.

Senior Day

From all indications the day of days for the seniors will be Saturday, May 27.

Senior Day was innovated last year with such success that it has now become a precedent. Senior Day is now a permanent fixture unless some drastic change is made.

Fine as the activities of senior day were last year, this year's master of ceremonies and committee in charge might profit by some of the mistakes that would necessarily be made in inaugurating such a program.

Praise for the Voters

The officers elect have been praised. Why not give a little credit to the voters. Without intelligent voters, a group can scarcely hope for intelligent leaders.

A "new deal" or rather "another deal" has been made politically on the T. C. U. campus. This does not mean that the present leaders have been unsatisfactory.

The election was carried on quietly, efficiently and without malice or the customary baiting that characterizes politics on other campuses and in real life.

The T. C. U. student body has shown intelligence in the selection of its student body officers. Very often the natural leaders of a student body are never elected to office.

Obligations Are Obligations

Executives of the Horned Frog Staff have announced that no annual will be issued to any member of a club if that club has not paid for its page in the year book.

Most clubs meet this expense by means of dues collected from its members. Even if a member of a club has paid his dues, he will not receive an annual until the club's obligation has been fulfilled.

A Home for the University Church

The University Christian Church has a new home. This building is a \$63,000 brick, steel, and concrete monument to the industry of a devoted church group that has worked for this goal for at least a dozen years.

It was a happy crowd, the largest, incidentally, that has attended the University Church for many days, that listened to the devotional services last Sunday.

The change of meeting places is a happy one. And, though God can be worshipped at any time in any place, there are places where the building and the general atmosphere contributes more to a devotional attitude, and the new University Church is such a place.

Don't Blame the Editor

The editor, who, in this case, happens to be Miss Ernestine Scott, is always the one who is called in and, behind closed doors, told what and what not to print in The Skiff.

Miss Scott is not to be held responsible for last week's issue of The Skiff, nor this week's, nor next week's. The journalism seniors are having a try at editing.

From last week's Skiff—Rev. Perry Gresham called to be pastor of University Church. Dr. Morro preached on "Have Faith in God."

OPEN FORUM

Unemployed to Organize.

Replies to a nation-wide questionnaire sent out by the National Student Federation show that unemployment among college graduates of last year is less than 20 per cent, and indications hold that of the 140,000 graduates this June not more than \$5,000 will be successful in finding gainful employment.

It is a sad state of affairs when a student has spent years of his life in preparation for a responsible position only to find a "No Help Wanted" sign stuck in his face everywhere he goes looking for work.

There is just as much need today for physicians, doctors lawyers, mechanics, engineers, architects, etc., but the problem is that agencies that could alleviate these conditions are doing nothing.

The Association of Unemployed College Alumni affords a wonderful opportunity for these unfortunate graduates to organize and bring about effective means of lessening unemployment among the youth of the nation.

Vandals.

The word vandal suggests the depredations of the barbarian tribes of that name on the works of art and literature of Ancient Rome.

Books were attacked long before the occurrence of printing to prevent criticism or the advancement of ideas not analogous to accepted doctrines and dogmas. Descartes burned a book he had written, "On the World," after Galileo was imprisoned for differing in his teachings from Aristotle and Moses.

One of the most complete annals of history left by an ancient civilization was destroyed by the Jesuit priests when they brought Christianity to the Aztecs because the records contained the rituals of a pagan religion. Today the Nazi regime in Germany is purging the libraries, both public and private, of "un-German influences."

The depredations mentioned above were instigated by intolerance. In our own library there exists a very real vandalism overlaid by different motives. Headless and thoughtless mutilation accounts for a significant loss, but the greater loss is the result of pure and simple theft.

Last week one young man was observed to have cut half a page from one of the most widely read and incidentally most expensive magazines in the library. Perhaps it did not occur to him to transcribe the passage on paper, so that others might be able to read the article intact.

In the last two years books costing the University more than \$2000 have

Frankie Masters and His Orchestra To Appear at Worth for Four Days

Frankie Masters and his orchestra will appear in person at the Worth Theater Saturday for four days. In addition to the orchestra the team of Fawn and Jardon, Vivian Janis and Harvey Bell, are featured in a floor show.

THIS WEEK

On Other Campuses—

Who in your opinion are the five greatest characters of history? students at Rice Institute consider Napoleon, Lincoln, Christ, Caesar and Wilson as the five greatest characters of all times and ages.

Selections of student body for other members of the mythical group include Washington, Pasteur, Shakespeare, Mussolini, Marx, Franklin D. Roosevelt, Aristotle, Jefferson, Franklin, Edison and Mohammed.

The naming of Christ as one of the five greatest characters of history was evident in the replies of 43 members of the student body, while the selection of Caesar by 41 students places the Roman warriors in the mythical list of historical greats as conceived by the Rice student body.

Students at Iowa State College for men prefer to date girls who drink beer, a recent questionnaire circulated by a church dignitary revealed. As for the women, 60 per cent said that they would date men beer drinkers.

If enough interest is evinced by Baylor University students, a full holiday will be given them on May 3 when the college celebrates its annual anniversary day. Last year only a half holiday was given to the student body.

Football was abolished this year at Long Island University, New York, in favor of horseshoe pitching; and football rules of Yugoslavia have been changed to prohibit jumping on an opponent with both feet.

"The Kiss Before the Mirror" is an additional attraction at the Worth Theater. Music seems to have at last found its place in pictures and is very impressive in the dramatic scenes. Nancy Carroll seen in the feminine lead, sings the song entitled "A Little Bit of Love." It will be remembered that Miss Carroll sang quite a bit in the early days of the "theme song" pictures, but in "The Kiss Before the Mirror" it is her dramatic ability which is featured far more than the musical.

"The Warrior's Husband" opens at the Hollywood Theater Saturday for four days. Elissa Landi takes the lead as an old fashioned Amazon in which she is co-starred with Ernest Truex. She is a sister of Hippolyta, played by Marjorie Rambeau, queen of the Amazons and incidentally is the commanding general of the army. Women will particularly laud over this fact.

This hilarious comedy, which may no doubt will see as a subtle satire directed at the modern woman who insists on "wearing the pants" literally instead of figuratively, deals with the troubles of things. It should be good.

"Bondage," with Dorothy Jordan, opens for three days starting Wednesday, May 17th.

been carried away from the library without being checked out and never returned. This represents not only a material loss to the University but also a loss to other students, for many of the books can not be replaced. In one instance, a volume of a 10-volume set which can be bought only in sets of 10, at a cost of approximately \$100 was taken.

Obviously—at least we hope so—these depredations have been made by a very small minority of the student body. There are certain students who like to think of themselves as highly sophisticated and would boast to their friends—if they have any—of such feats. Others are cases for the psychiatrist. Assumptions as to the mode of disappearance are hypothetical, but the fact remains that they are gone.

In the majority of university libraries students are not allowed access to the books at all; in others only by pass and under strict observation. Students are allowed unrestricted liberties in our library, but if this honor system is to remain existent the students themselves must act to end a deplorable and disgraceful condition that casts a stigma on the students body as a whole. We can not express further liberties when we abuse the ones we have.—S. B.

Modern Language Fraternity Gives Founder's Day Picnic

Alpha Zeta Pi honorary modern language fraternity, held its farewell meeting when it gave the annual Founders' Day picnic, honoring old members, at the Brooks Morris camp on Lake Worth Wednesday evening. Twenty-two persons attended the meeting.

After a picnic lunch, election of officers for next year was held. The new officials are: President, Miss Louise Cauer; vice-president, Miss Helen Fellows; corresponding secretary, Miss Natalie Gorin; secretary-treasurer, Miss Helen Veatch; program chairman, Miss Maurine Justin, and social chairman, Miss Dorothy Henderson.

Miss Mary Louise Mobley, retiring president; Miss Annabel Goldthwaite, retiring corresponding secretary, and John Hammond, retiring program chairman, were in charge of arrangements for the picnic. The nominating committee consisted of Miss Martha Laura Rowland, Miss Gorin and Ed Fritz.

Those present were Misses Rowland, Fellows, Goldthwaite, Justin, Virginia Greer, Gorin, Henderson, Alice Ledgerwood, India Leach, Thelma Moore, Myrtle Bell, Carroll, Veatch, Mary Carter, Nancy Gately, Ethel Reed, Mary Frierson and Mobley, and Hammond and Fritz, and Misses Virginia Bales, Adelle Clark and Beattie Plummer Ellis.

Officers Elected At W. A. A. Camp

Sun-tans and plenty of exercise were the ruling fashions when members of the W. A. A. held camp Saturday and Sunday at the Y. W. C. A. Camp on Lake Worth.

Officers for next year elected at the camp are: President, Miss Olive Wofford; vice-president, Miss Juanita Freeman; secretary-treasurer, Miss Milli Fearis, and sponsor, Mrs. Helen Walker Murphy. The various sports managers will be appointed at the annual banquet to be held May 18, according to Miss Freeman, retiring president.

The camp program included swimming, ping pong and bridge Saturday afternoon and a treasure hunt that evening. At the Sunday morning breakfast the officers were elected, while the afternoon was devoted to swimming, horseback riding and rowing.

Those who attended the camp were Misses Fearis, Wofford, Loree Guhl, Eda Mae Tedford, Margaret McIntosh, Florence Johnson, Willie C. How to have a sunny personality

Isn't it a fact that your college friends who are happy and cheerful are those who enjoy good health?

Poor health is mirrored in your manner to other people. Too often, lack of personality can be traced to common constipation. It may sap your vitality and enthusiasm.

Just eat two tablespoonfuls daily of Kellogg's ALL-BRAN. This delicious cereal promotes regular elimination. ALL-BRAN supplies "bulk," vitamin B and iron. Ask that it be served at your fraternity house or campus restaurant.

The most popular ready-to-eat cereals served in the dining-rooms of American colleges, eating clubs and fraternities are made by Kellogg in Battle Creek. They include Kellogg's Corn Flakes, PEP Bran Flakes, Rice Krispies, Wheat Krumbs, and Kellogg's WHOLE WHEAT Biscuit. Also Kaffee Has Coffee—real coffee that lets you sleep.

Parabolians Hear Radio Technician

Austin Stanton of the T. C. U. Radio Laboratories was the special speaker at a meeting of the Parabolians last week in the Main Building.

Miss Glass Elected Y. W. C. A. President

Miss Louise Glass was elected president of the Y. W. C. A. for next year when the organization met Monday night in the girls' lounge. Other officers elected were vice-president, Miss Anna Byrd Harness; secretary-treasurer, Miss Loraine O'Gorman.

Mrs. H. L. Pickerill spoke at the meeting on "Building a Personality." Personality, she said, is something different from physical appearance. Sources for building a personality, as listed by the speaker, are associations, environment, religion, education, books, poetry, and contacts with great personalities.

Prof. Karl E. Ashburn Aids Charity Campaign

Prof. Karl E. Ashburn of the economics department is director of the Junior Chamber of Commerce and is a member of the committee in charge of the Used Clothes Campaign the organization is conducting.

The purpose of the campaign is to get 100,000 articles of clothing. The campaign will last through May 22. Ashburn stated that there will be a school day designated, and that students and faculty of T. C. U. will be notified so they will be able to contribute their part to the cause.

Miss Lou Blumberg spent the weekend at her home in Dallas.

Plans to Tour Mexico

Dr. Hammond to Explore West Coast This Summer.

Dr. William J. Hammond announced his tentative plans for the summer a hiking tour of the west coast of Old Mexico with Dr. Riley Aiker, formerly of the Spanish department of this school, and present professor of Spanish in the Emporia State Teachers' College of Kansas. They plan to leave during August and return some time during September.

Dr. Hammond stated that he and Aiker had already made four similar trips and had covered practically all of Mexico on foot. They both pass as Mexicans, though Hammond said his limited use of the language often forced him to assume the roll of a deaf mute to conceal his nationality. Few roads exist in this part of Mexico so hitch hiking is out of the question, but tramping is so enjoyable that the professors plan to stay at least a month.

Registrar Asks Return Of Student Grade Books

All student record books which are still out should be returned to the office of the registrar at once, S. W. Hutton, University registrar, said this week.

Hutton pointed out that if the record books were not in the office at the close of school, the students would receive no grades other than those received directly from the teachers.

Frogs Defeat Bears to Cinch Tie for Conference Baseball Title

Meyermen Down Baylorites 9 to 2 In Season's Final

Farmers and Mustangs Fall Before Purple Onslaught.

A.&M. Beaten 5 to 1

Harston and Taylor Star on Offense as S. M. U. Is Trounced 8 to 0.

Led by Captain Hersel "Slim" Kinzy, Coach Dutch Meyer's Horned Frog baseball team defeated the Baylor Bears 9 to 2 on the Frog diamond yesterday to cinch a tie for first place in the Southwest conference baseball race and bring to a close the most successful diamond season in the history of the University.

Texas University, the other team in the running for the flag will now have to win the four remaining games on their schedule, two with A. & M. and two with Baylor, to tie the Frogs. If the Longhorns drop a game the Frogs will be champions.

In yesterday's game Kinzy struck out thirteen men and batted in five of the Meyermen's runs.

The seventh and eighth victories on the Frogs' slate were at the expense of the Aggies and Mustangs. The Cadet game was played Saturday at College Station with the Purple emerging winners by a 5-to-1 score.

Kinzy was in great form for the fray, allowing the Farmers but two hits, both singles. The lone enemy run was not earned. It came in the first inning after a walk, a sacrifice and an error. After that the Frog captain was never in danger.

While the Aggies were being held in check the Meyermen were hopping on the deliveries of Jake Mooty for a total of 11 hits and five runs. One run was scored in the fourth, three in the seventh and one in the eighth. Kinzy was also a big factor in the run-getting with a single and double which drove in two runs.

The win over the Mustangs came Tuesday on the Purple diamond. The final score was 8 to 0. It was the eighth consecutive victory for the Frogs and the ninth consecutive loss for the Ponies.

Jacks started on the mound and proved effective, holding the Mustangs for five innings. He was relieved at this point by Dan Harston because of a sore arm. The south-paw slants of his room-mate continued to baffle the Dallas crew, who collected only five hits.

Harston and Taylor were the big guns in the Purple offense, the former collecting four singles and the latter driving out a homer, triple and single.

The first Frog tally came in the second and the others followed in rapid succession. Five of the eight were bunched in the third round.

Tennis Tournament To Begin Thursday

The conference tennis tournament will open Thursday on the courts of the Meadowmere Country Club, according to Coach E. W. McDiarmid, and will continue for three days. The finals will be played Saturday afternoon.

Tomorrow the Frog netmen will invade Waco for a return match with the Baylor team. The Purple team defeated the Bears in the previous match.

Wednesday the McDiarmidmen dropped their second match to the Mustangs in Dallas. The score was 5 to 1, Mark Hart winning his singles match to gain the lone point for the Frogs.

The final match before the conference tournament for the Purple will be played Wednesday on the T. C. U. courts against the Longhorn team.

The Frogs will be represented in the conference play by Howard Walsh, Marion Hicks, Judy Truelson and Hart. Last year's champion, Jake Hess of Rice, is not back this year and a bitter battle is expected to be waged for the single crown. Among the leading contenders will be Doc Barr of S. M. U., Quinn Connelley and Wilbur Hess of Rice and Karl Kamrath and Hal Surface of Texas.

Geology Thesis to Be Published

Dr. and Mrs. W. L. Moreman, members of the T. C. U. science department, spent the early part of the week in Austin arranging for the publication of Dr. Moreman's thesis. It is to be published by the Texas State Bureau of Geology.

DONOVAN'S DOPE

By PAUL DONOVAN

The record made by the Frog nine this year is little short of remarkable when considered from all sides. In the first place, as has always been the problem here, there was such a small number of men reporting that it looked like an impossible task for Dutch to mould a winning team. There are exactly thirteen men on the squad now.

Still another disadvantage faced by the Purple crew this season was the too short training period allotted them before they played their first conference game. The weather and economical reasons combined to keep them from really having time to round into shape.

Also, the constant shifting of the infield by the coach up to and including the first Texas game made critics feel that the Frogs would be troubled all year with the infield. Dutch admits that he experimented more this year than ever before in his coaching years. It goes to show that it pays to make all possible tests before making a decision.

The disastrous loss to the Longhorns, instead of breaking the morale of the team, showed the Frogs their mistakes and made them eager to correct them. They have gone on to win all their games since that one. On top of that the Purple team has come from behind to win most of their games in the last innings.

To the strong right arm of Slim Kinzy goes most of the credit for the showing of the team. He has been invincible since the first game. He is by far the best pitcher in the conference and it is a safe bet that he will be grabbed by some professional team when he finishes school.

Coach Dutch Meyer deserves more praise than I can hand him for his efforts with the team. During the long practice sessions he works just as hard and long as any of the players. He more than deserves to win the championship this year because of his years of hard work with baseball teams here under the existing conditions.

Honorable mention goes to Ellis Taylor, third baseman, for his phenomenal batting. Up to the last Baylor fray the Cleburne product was hitting at a .560 clip, which is hitting in any man's league!

It is out of the hands of the Frogs now and up to the Aggies to put us on the throne. The Cadets and Steers tangle today and tomorrow in an all-important series. The Aggies have expressed their determination to keep the Longhorns from copping the flag by beating them in one of the games and they have our prayers and best wishes for success.

The Texas boys also have two contests remaining with the Baylor Bears and judging by their previous showing against the Bruins they will have hard sledding sweeping the series.

Only tennis and golf remain on the Frogs' sport calendar after this week. Baseball closed yesterday and the conference track meet is being held today and tomorrow in Austin. Incidentally, several Purple tracksters are due to be heard from in that final meet.

The netmen aren't conceded a chance in the tennis tournament against the strong Rice, Texas and S. M. U. teams, but the Frogs have one bet in the golf meet next week. Jimmy Walkup has a good chance to win or place in the field which includes O'Hara Watts, Dennis Lavender and other experts.

And so in closing the best of luck to the T. C. U. track men in Austin. May they win many first places and break a few records. And more power to the Aggie baseball team. We are pulling for you to whip those Steers.

Clarkmen Leave For Austin Meet

Tilt Likely to Be Hot Among Rice, Texas and A. & M.

Coach Mack Clark and his thinly-clad tracksters left here Thursday afternoon for Austin where they will vie with other athletes of the Southwest in the annual Southwest Conference track and field meet. Coach Clark admits that his cohorts have little chance at winning the conference title but he expects several to come through for many points in the running events. The Frogs are weak in the field but should make up that weakness in the dashes and middle distance races. The meet will likely be a three-way battle between Rice Institute, Texas A. & M. and the University of Texas.

The Horned Frogs scored a decisive victory over the S. M. U. Mustangs in Dallas when they left the Ponies in Dallas on the short end of an 86 to 51 score. Charlie Casper was high point man with a first in the high and low hurdles, second in the broad jump and a tie for second in the pole vault and high jump, for a total of 18 markers. He also ran on the winning sprint relay team. B. W. Spearman won the high and broad jump. Spearman should come through for a second place in the conference meet tomorrow.

The Frog sprint relay team looked more than satisfying in Monday's meet, turning in the time of 43.3 seconds for the distance.

Intramural Season Nears Completion

Senior A Team Defeats Grads—Swimming Meet to Be Held Tuesday.

Upsets galore marked Tuesday's play in the intramural indoor baseball league when the senior "A" team nosed out the grads and the frosh eked out a victory over the strong junior ten.

Both games were marked by long drawn-out tight play. The senior grad game went through 11 tireless innings and only after the star hurler, Bear Wolf, of the grad ten left did the fourth-year men manage to push over the winning run. Marion Hicks, star hurler for the seniors, pitched a fine ball game for the winners and tied the score in the seventh frame by stealing two bases. Wolf held the seniors hitless for 10 innings and when he was forced to withdraw from the meleé Walter Knox, relief twirler for the grads, allowed the last year men to get next to him for the winning run in the first half of the tenth frame.

While the seniors and the grads were tugging away for victory, the juniors and the frosh were also having one of these extra inning battles. This game went 11 innings. The juniors jumped into a lead in the second frame but the lead was not enough to keep the freshmen from catching them. The two battled nip and tuck through the tenth inning when the cost, junior errors led in a frosh run that spelled defeat for the first half champs.

The battle for the second half hon-

Golfers Practice For Tournament

The Frog golfers have been busy the past week preparing for the conference tournament next Thursday, Friday and Saturday over the Glen Garden course. A match will be played with the Texas team Wednesday at the same course.

Teams from S. M. U., Rice, Baylor, Texas and T. C. U. will tee off Thursday in the qualifying rounds of the conference tourney. Opening matches will be played the next day with the finals scheduled for Saturday.

The Purple team will be led by Jimmy Walkup, local ace, who holds a verdict over Dennis Lavender, star Mustang player. Other members of the Frog team will be Guy King, Jack Thompson and Jack Panter.

O'Hara Watts of S. M. U. is the defending champion.

ors now lies between the two senior teams. The winner of the first half will meet the juniors to determine the intramural championship. The play-off will be held sometime during the latter part of the month.

Progress has been slow during the past week in the tennis doubles tournament play. Doc Sumner and Buster Brannon, last year's winners, advanced into the fourth round this week by defeating Milton Holloway and Rex Clark. Six teams composed of Sumner and Brannon, Logan and Clark, Walker and Collins, Wright and Leet, Graves and Donovan, and Gardner and Sigmon now remain in the tournament.

"T" Association To Present Skit

Athletes Will Be Cast in Tuesday Night's Production.

The "T" Association "skit plays" will be presented in the auditorium Tuesday night, at 8 o'clock, according to Johnny Vaught and J. W. Townsend, who are assisting Miss Katherine Moore in arranging the production. The different parts were handed out to the members of the organization this week and the first practices were held Wednesday and Thursday nights.

Every member of the association will have a role in the production, which promises to be one of the best since Raymond "Bear" Wolf and Mack "Boss" Clark presented "The Shooting of Dan McGrew" here in 1927.

The initiation of the new members will be held Monday night, May 21. The names of the track, baseball and tennis lettermen are pending at the present time and should be ready within the next week.

Secretary Townsend requests that all incoming members see him and pay the initiation fees (\$1) before that date. No men will be initiated until the fee has been paid, according to Townsend.

Miss Pat O'Banion spent Friday and Saturday in Denton.

Misses Judith Witherspoon and Helen Woolery visited in Dallas over the week-end.

Franklyn Wolfe Will Make Address Sunday

Franklyn Wolfe, local business man who has addressed the Fort Worth Open Forum and several T. C. U. clubs, will give a fifteen-minute talk at the Arlington Heights Christian Church Sunday evening. An open forum will be held after the talk, and all T. C. U. students have been invited to attend the meeting.

GRANGER

"WELL, it's like this. Back in the old days, when men wore high hats and frock coats, they had plenty of time to think things out, and they had sense, too. They used to sit down on a log and take the time to whittle their tobacco from a plug, to be sure of having a cool smoke.

"In those days, a man named Wellman, right here in Quincy, Ill., made about the best tobacco you could get. He knew how to keep the flavor fine and mellow.

"Well, sir, the people who make this Granger Rough Cut acquired Mr. Wellman's method, and they must have known how the old boys used to whittle their tobacco to make it smoke cool. Yes, sir, this Granger is the real stuff. The same mellowness and fine flavor that Wellman used to hand out to his friends. And it's whittled into big shaggy flakes all 'ready for the pipe. 'Rough Cut' they call it—'cut rough to smoke cool' is the best way I can describe it.

"Regardless of price, Granger is about the best pipe tobacco I ever smoked. That's why I smoke it, and that's why they call it America's Pipe Tobacco, sir."

Now we wanted to sell Granger for 10¢. It was just a question of how to do it for the price. So we pack Granger in a sensible foil pouch instead of an expensive package, knowing that a man can't smoke the package. We give smokers this good

GRANGER tobacco in a common-sense pouch for 10¢.

GRANGER has not been on sale very long, but it has grown to be a popular smoke. And there is this much about it—we have yet to know of a man who started to smoke it, who didn't keep on. Folks seem to like it.
