NO. 23

## Gough Oratorical Is Announced for Tuesday, April 3

Contestants Are Urged  
to Report at Once,  
Says Fallis.

### Tomlinson Chairman

Winner of First Place Will  
Receive \$25 and Medal.—  
2nd Prize Is \$5.

The twenty-first annual Gough Oratorical Contest will be held in the University Auditorium, Tuesday, April 3, according to Prof. Lew D. Fallis. "Seven students have announced their intention of entering the contest," Dr. Fallis said. "We would like to have all other entries in next week."

The contest is sponsored each year by Dr. R. H. Gough, who offers a prize of \$25 in cash and a medal to the entrant who delivers the best original oration. The winner of second place receives a prize of \$5, donated by the University.

The oratorical contest was the outgrowth of an annual debating contest originated in 1912 by Roy G. Tomlinson, then a student in the University. In 1914, Dr. Gough made it an oratorical contest and offered the \$25 first prize. Since that time he has offered the prize annually.

Tomlinson will act as chairman of judges of the contests.

First prize last year was won by Granville Walker. Paul Martin won second place, and Marion Hicks was third.

### Club Sponsors Rally

Timothy Group Will Be Host to  
Christian Endeavor.

The Tarrant County Christian Endeavor rally will be held at the University Christian Church Monday night under the sponsorship of the Timothy Club. This will take place instead of the regular meeting of the club. Hubert Stem is chairman.

G. L. Messenger will give the sermon, "The True Way of Life," at the Sunday night services of the Morning Christian Church directed by the club. Clinton Bradshaw will be chairman, Karl Parker will give the invocation, Bill Toland will read the scripture and Leon Berry will pronounce the benediction.

The Rev. J. Leslie Finnell spoke last Monday night at the regular meeting on "Baptism and the Lord's Supper."

Herman Pittman preached on "Inexhaustible Love" last Sunday night at the services of the Boulevard Christian Church, in charge of members of the club.

## Pianists in Recital Sunday Afternoon

Mrs. Meriwether Lewis Morley and Mrs. Patti Hightower Graham, pianists, will be presented in recital in the regular monthly musicale to be given in the University Auditorium at 4 o'clock Sunday afternoon by the T. C. U. Woman's Club.

Miss Jennie Hill Barrie, vocal interpreter and lyric soprano, will sing two groups of songs between piano numbers on the program.

Mrs. Morley and Mrs. Graham are pupils of Mickwitz. Miss Barrie, who sang at T. C. U. two years ago, is head of the Children's Workshop in Dallas, a school for children from 4 to 9 years old.

The pianists will play "Variations," by Sinding; "Flower Waltz," from the Nutcracker Suite, by Tchaikovsky, and "Espans," by Chabrier.

### Birthday Greetings to—

Saturday, March 17  
Albert Jones  
Helen Massey  
Karl Maxwell  
Wednesday, March 21  
Oras Elder  
Friday, March 23  
Mary Elizabeth Kellert  
Saturday, March 24  
William Ingram

## Younger Brown, Casper, Dietzel Will Carry On

There is a possibility of the Brown, Dietzel and Casper names remaining in T. C. U. for some time. If Carl Dietzel, brother of the famous Ad Dietzel, and W. T. Casper, brother of Charlie Casper, enter T. C. U. next fall, fans will forget that Ad and Charlie have departed. Vernon Brown, kid brother of Lynn Brown, has already started in his brother's footsteps and if the other two men enter Frogland a big story will be climaxed by these three boys.

Lynn Brown and Charlie Casper attended the same high school and played football together. They were students at Harlandale high in San Antonio. During this time Ad Dietzel was a student at St. Mary's Academy. Each year these three men would meet in both grid and basketball combat.

When these three boys left high school and came to college their brothers stepped into their shoes and carried on while the older boys were playing in college. Now these young men are preparing to enter college and carry on with the respective names. Like Charlie Casper, W. T. is a halfback. Young Dietzel is following in the footsteps of his famous brother by starring at an end position in football and at the pivot post in basketball. Vernon Brown, unlike Lynn, is playing halfback. Lynn was a star guard.

## Farewell Party To Be March 29

Organization to Honor  
Schmidt, Bear Wolf  
and Dutch Meyer.

The Fort Worth Junior Chamber of Commerce is sponsoring a farewell party for Coach Francis A. Schmidt in the Hangar of the Texas Hotel, Thursday evening, March 29. The affair will be at the same time honor Coaches L. R. Meyer and Raymond Wolf. Members of the Junior Chamber are making preparations to entertain 700 persons. Special rates will be offered T. C. U. students. A dance will follow the party.

Charlie Casper, who met with the organization yesterday, assured them that T. C. U. students would back them in their undertaking. Casper also stated that a special invitation would be extended to ex-students.

The regular cost per plate will be \$1.25, but student tickets will be \$1. The dinner admission and 50 cents will admit students to the dance.

It is the aim of the organization to say farewell to Coach Schmidt and at the same time welcome in Coaches Meyer and Wolf. A number of prominent coaches throughout the Southwest have been invited, according to officials of the organization.

## 'Pearl Buck, Novelist' Is Subject of Lecture

Dr. Rebecca Smith to Address  
Women's Group Thursday  
Evening.

Dr. Rebecca Smith will talk to the Women's Council of the University Christian Church, at 8 o'clock Thursday evening in the Brite College Chapel. Her subject will be "Pearl Buck, the Novelist."

The lecture will be open to the public. There will be an admission charge of 25 cents.

Dr. Smith will discuss Pearl Buck as an interpreter of the Chinese culture to the American people. Emphasis will be placed on her late books, according to Mrs. Gayle Scott.

After the lecture a social hour will be held honoring Dr. Smith. Mrs. Scott will introduce the speaker.

## To Talk Over Station KTAT

Miss Mabel Major will talk over radio station KTAT at 11 o'clock next Wednesday morning. Her subject will be "Plots, Past and Present."

## Glasgow to Enter School of Flying

Is One of 3 Out of 44 to Pass  
Entrance Examinations  
to Randolph Field.

Lee Glasgow, T. C. U. senior, has passed the physical and psychological tests for entrance to the U. S. Government school of flying at Randolph Field, San Antonio, Tex. He will go there in July for instruction, according to reports received here from Barksdale Field, Shreveport, La., where Glasgow took the examinations. Glasgow was one of three out of 44 who passed the examinations, recognized as being the most rigid in the world.

He will enter the school along with several hundred others from all over the United States and territories.

The course takes one year and those who are graduated may either be commissioned in the U. S. Army or in the U. S. Air Corps Reserve.

## Glee Club Lists Songs for Tour

Numbers on Program to  
Be Divided Into  
Five Groups.

Four numbers to be sung by a massed chorus of men's glee clubs during the glee club convention to be held in Fort Worth May 4 and 5 will be featured in all of the T. C. U. Men's Glee Club concerts this season, according to the program announced this week by David Scouler.

Most important of the numbers is "The Lamp in the West," by Parker, the number to be used in the state glee club contest to be held in connection with the convention. The other three songs are: "White in the Moon the Long Road Lies," by Fox; "The Bellman," by Forsyth, and "Thanks Be to God," by Dickson.

Program in Five Parts.

The glee club's program will be divided into five groups. The first group, following the "T. C. U. Alma Mater Hymn," will include "Grant Us to Do With Zeal," by Bach, "At Parting," an ancient German love song arranged by Barthelmeow; "On Wings of Song," by Mendelssohn, and "The Chorus of Pilgrims," from Wagner's "Tannhauser."

The second group will consist of three folk songs: "The Sour Wood Mountain," a Kentucky mountain tune arranged by Marlin, "What Shall We Do With a Drunken Sailor," a sea chanty arranged by Barthelmeow, and "Roll, Jer'da, Roll," a negro spiritual.

The third group will include "Torch Dance," by German, and the latter three of the convention numbers. The fourth will include the contest number and "The Charge of the Light Brigade," by Bergen and Protheroe.

Fifth Group Medleys.

The fifth group, known as the "twilight group," will consist of two medleys, one a college medley and the other a group of modern numbers.

Scouler will be vocal soloist and Elton Beene will be trumpet soloist in the concerts. Miss Adeline Boyd will be the accompanist.

The club will present the second of its series of local concerts at 3 o'clock Sunday afternoon at the Chestnut Avenue Christian Church. The third concert will be presented at 8 o'clock Wednesday night at Boulevard Christian Church.

The club will leave Thursday afternoon on a three-day concert trip. It will present concerts in Mineral Wells, Wichita Falls and Henrietta.

## Comic Opera Cast To Meet Tuesday

The first meeting of the cast of "Just Us Nuts," T. C. U.'s second original comic opera, will be held in the University Auditorium Tuesday afternoon at 1 o'clock, according to Don Gillis, its author.

Nine of the fifteen members of the cast were chosen this week, Gillis said. Those chosen are: Raymond Steward, Miss Nina Whittington, Miss Millie Fears, John Knowles, Byron Smyth, Sid Lightfoot, Ronald Wheeler, Waller Moody and Everett Gillis.

## Chicago Educator To Lead Meeting Here Next Week

Texas Faculty Members  
to Discuss Morals  
and Religion.

### Sherer Is Chairman

Christian Association Council  
of Southwest Sponsoring  
Conference.

A Texas Faculty Conference on Moral and Religious values will be held on the T. C. U. campus March 23-25 under the auspices of the Southwest Council of Student Christian Associations, according to Prof. C. R. Sherer, chairman of the planning committee.

"The purpose of this conference is to secure the counsel of interested faculty members as to the best way to foster moral and religious values in Texas colleges and universities," Prof. Sherer said.

Dr. Henry Nelson Wieman of the University of Chicago, assisted by Miss Winifred Wygal, who has spent much time interviewing religious leaders in this country and abroad, will be the leader of the conference.

All Faculty Members Invited.

The meetings, which will be held in Brite College, are open to any interested faculty members. Prof. Sherer says it is hoped that at least five persons will come from each college and university in Texas outside of Fort Worth.

Dr. Wieman, leader of the conference, is now the professor of the philosophy of religion in the Divinity School of the University of Chicago. He is the author of "Religious Experience and the Scientific Method" and "The Wrestle of Religion With Truth." Miss Wygal is an executive in the student division of the Y. W. C. A.

The conference will be one of discussion. The following questions are to be considered: "The Relation of Science to Religion"; "The Relation of Religion to Morality"; "How Can Religious and Moral Interests of Students Be Reached on a Campus?"; "How Much Responsibility Should Faculty Members Take for Promoting Moral and Religious Values in the Classroom? In the College Community?"

Participating Schools Listed.

Schools which will send representatives to the conference, according to Prof. Sherer, are: Stephen F. Austin Teachers' College, Nacogdoches; Southwest State Teachers' College, San Marcos; Austin College, Sherman; Trinity University, Waxahatchee; Weatherford College; John Tarleton College, Stephenville; Simmons University, Abilene; Westmoreland College, San Antonio.

Texas Woman's College and T. C. U.; North Texas Agricultural College, Arlington; Gainesville Junior College; Southwestern University, Georgetown; Rice Institute, Houston; Sam Houston State Teachers' College, Huntsville; Texas Technological College, Lubbock; East Texas State Teachers' College, Commerce; Wesley College, Greenville; North Texas State Teachers' College, Denton; University of Texas, Austin; Daniel Baker College, Brownwood; Brownsville Junior College.

West Texas State Teachers' College, Canyon; Texas A. & M. College, College Station; Southern Methodist University, Dallas; Edinburg Junior College; Texas State College for Women, Denton; Texas College of Arts and Industry, Kingsville; Sul Ross State Teachers' College, Alpine; Texas School of Mines, El Paso; Abilene Christian College; Baylor College, Belton; Baylor University, Waco; and the following negro colleges: Prairie View, Texas (Tyler), Wiley (Marshall), Jarvis (Hawkins), Bishop (Marshall), and Sam Houston (Austin).

Library Has Language Magazine.

The Mary Coats Burnett Library now has the complete files of the Publication of the Modern Language Association since 1922. Dr. Rebecca Smith has been donating the publication to the library since that year.

## 'Lightning' Produced In University Booth

Many Other Features on Display  
at T. C. U. Exhibit  
at Stock Show.

A streak of "blue lightning" from a Tesla coil, capable of producing 500,000 volts, is one of the features of the T. C. U. exhibit at the Southwestern Exposition, according to Dr. J. L. Whitman, chairman of the committee in charge.

The coil was built by two physics students, Richard Bruyere and Engle Ellis, according to Dr. Newton Gaines.

Other interesting exhibits at the booth include three chemical processes, foreign and English-language newspapers from the world over, a rare stamp collection, a variety of multi-colored chemicals used by scientists and a human skeleton from the biology department.

"The chemical processes," Dr. Whitman said, "are for purifying. One is by steam and the other by vacuum. The third part of the chemistry department exhibit is a process by which a scientist may determine the amount of fat in a given piece of food."

Students are invited to bring their friends and make the booth their headquarters, while at the Stock Show, Dr. Whitman said.

## T. C. U. to Hear Noted Alumnus

Dr. Guy Inman, Authority  
on Latin America,  
Here March 28.

Dr. Samuel Guy Inman, T. C. U. alumnus and counselor for 30 American Missionary Boards in South America, will be on the campus March 28 and will speak in chapel, according to President E. M. Waits. Dr. Inman will probably hold conferences with several clubs, President Waits said.

Dr. Inman, who is also a prominent writer and an authority on Latin American affairs, was an adviser to the American delegation at the recent Pan-American Conference held in Montevideo.

Dr. Inman's most recent article, "The New Deal at Montevideo," is published in The Nation.

Dr. H. C. Burgin, pastor of the First Methodist Church, will speak in chapel next Wednesday, according to President Waits.

Dr. Leslie Finnell, pastor of the Magnolia Avenue Christian Church, spoke last Wednesday on the subject "You Can if You Want To." The Horned Frog band played collegiate songs in the second part of the program.

## Wins Poetry Festival

Miss Cuthrell's Name Will Be  
Engraved on New Plaque.

The name of Miss Elizabeth Cuthrell will be the first to be engraved on a new plaque which will contain the names of all winners of T. C. U.'s annual Poetry Reading Festivals, the first of which was held Friday night in the University Auditorium.

Miss Cuthrell, a senior in the public speaking department, read "The Festival," by Harriet Munro in the festival. The name of the poem will be engraved on the plaque with her name. Each year the name of the winner of the festival will be added to the plaque.

Judges for this year's festival were Miss Opal Gooden, Miss Mabel Major and Miss Lorraine Sherley. William Henri Gonder acted as chairman.

## 'Y's' to Hear Last of Lectures on Russia

"Russia After the Revolution" will be the subject of Nicholas Wreden's third and concluding talk at a joint meeting of the Y. M. C. A. and Y. W. C. A. at 7:30 o'clock Monday evening in Brite Chapel.

Wreden has spoken on previous occasions to the "Y's" on "Russia Before the Revolution" and "Russia During the Revolution."

## 2 Snakes Solve Alcohol Problem In Biology Lab

In most biology laboratories  
snakes are preserved in alcohol.  
In the T. C. U. biology-geology  
laboratory the snakes preserve the  
alcohol.

Dr. Gayle Scott, professor of geology, says the snakes were placed in the alcohol to keep anyone from being tempted to use it for "beverage" purposes. For twenty years these two small snakes, known to present students at Bishop Cannon and Bishop Wilson, have upheld temperance. A pattern on the back of the head of Bishop Cannon forms a perfect woman's head.

The T. C. U. laboratory is one of the best equipped for elementary biological work in the country. The specimens in the museum connected with the laboratory come from all over the world; many of them are rare.

Two star fish in the museum are the only known specimens of their kind.

The T. C. U. museum has the two largest ammonites in the United States. The only one larger in the world is in the museum of the University of Berlin.

Dr. Scott and Marcus H. Moore, graduate geology student, found these two cephalopod shells in a search for fossils in the Rio Grande Valley about 27 miles from Eagle Pass on the Del Rio road. One of the shells, which probably measures four and one-half feet in diameter, weighs 795 pounds. It had to be brought to Fort Worth in pieces. Members of the department cemented it together again.

The territory around Fort Worth has furnished many of the specimens. Bones of ancient reptiles and teeth and bones of mammoths and elephants that roamed this country at one time have been added to the collection.

Incoming freshmen find the skeleton of a monkey and a man a center of interest. The two skeletons show the similarities and the difference between the monkey and man.

According to Dr. Scott, a four-legged chicken, a Siamese twin and a collection showing the development of the human embryo always attract biology students.

## Play to Be Given In Wichita Falls

First Christian Church  
to See "Mansions"  
Sunday Night.

"Mansions," one of the one-act plays which competed in the contest to choose a play to represent T. C. U. in the state tournament, will be presented at the First Christian Church in Wichita Falls Sunday evening, according to Clarence Crotty, president of the Dramatic Club.

The prize-winning play, "A Minuet," was put on twice this week, Crotty said. It was presented at a meeting of the Dana Press Club in Jarvis Hall Monday evening and at a meeting of the T. C. U. Mothers' Club yesterday afternoon.

Plans for the election of officers for next year were discussed at a meeting of the club in Room 304 yesterday afternoon.

## Miss Seidel Chosen Cotton Ball Envoy

Miss Mary Seidel will represent the University at the annual Texas A. & M. Cotton Ball, to be held in College Station April 6.

Miss Seidel was selected for the honor by the Student Council last Friday from a group of senior girls nominated by students.

During her stay at A. & M., she will be the guest of Miss Sarah Orth, former T. C. U. student. At the ball Miss Seidel will wear a dress made of cotton material.

## Student Council, Dean Colby Hall Answer Charges

Resolution Commends  
Freedom of Thought  
in T. C. U.

### Wassenich Explains

Roy O'Brien Signs Document  
Indorsing Open-Minded  
Policy of School.

Answering charges of "unpatriotic action" made by Blackstone Post of the American Legion and National Legion Commander Edward A. Hayes against the University and the International Relations Club in particular, three statements were issued at T. C. U. this week.

Dean Colby D. Hall said that he was astounded that the Legion would publish any insinuations against the name of the school without any investigation of the facts.

"One item only did they have and that an extreme statement of a student, quoted out of its connection in public print. That statement does not represent the attitude of the International Relations Club," Dean Hall said.

Wassenich Explains Statement.

The controversy began with a statement made by Paul Wassenich on a program sponsored by the International Relations Club at the Y. M. C. A. Older Boys' Conference Feb. 17, which the ex-service men regarded as unpatriotic.

In answering the charge, Wassenich pointed out that he meant no disrespect for the war dead and that he regretted having hurt anyone's feelings.

"The statements I made in no way involve the club but are my own personal statements," he continued.

Not wishing to take a stand in the controversy but desiring to express its views concerning freedom of speech at the University, the Student Council at a meeting March 9 drew up a resolution commending the policy of T. C. U. concerning freedom of thought.

Resolution Drawn Up.

The resolution, drawn up by a committee appointed by President Roy O'Brien and approved by the council, reads:

"The Student Council, the governing body of the Students' Association of Texas Christian University at Fort Worth, Texas, in session March 9, 1934,

Whereas:

"1. We deem freedom of thought and freedom of speech to be vital and fundamental requisites in any institution which has for its purpose the advancement of higher learning, and

"2. We indorse the present policy of Texas Christian University in that

(Continued on Page 3)

## Campus Calendar

Friday, March 16  
8:45 p. m.—Radio program over station KFJZ.  
Saturday, March 17  
8:45 a. m.—Southwestern Exposition Track and Field Meet, Clark Field.  
3:00 p. m.—Baseball game, T. C. U. vs. Wilmer-Hutchins, Frog baseball diamond.  
Sunday, March 18  
11:00 a. m.—University Christian Church service.  
4:00 p. m.—T. C. U. Woman's Club Musicales, Auditorium.  
4:45 p. m.—Broadcast of "Life of Christ" over station KTAT.  
7:30 p. m.—University Christian Church service.  
Monday, March 19  
7:30 p. m.—Joint meeting Y. W. C. A. and Y. M. C. A., Brite Chapel.  
Wednesday, March 21  
12:10 p. m.—Homeletic Guild meeting, Cafeteria.  
7:30 p. m.—Alpha Zeta Pi meeting, 3213 University Drive.  
Thursday, March 22  
6:30 p. m.—W. A. A. Progressive Dinner.

**Tomorrow's Track Meet**

High school and college athletes from all points of Texas and portions of Oklahoma and Arkansas will be on the campus tomorrow to participate in the twelfth annual Southwestern Exposition Track and Field Meet, which will be held on Clark Field.

Last year approximately nine hundred boys took part in the meet, and this year an equal number is expected. T. C. U. is host to these boys, and every student of the University should feel it his duty to make them feel at home.

Many of the athletes are high school boys looking for a college to attend next year. The Impression T. C. U. makes on them may decide whether or not they will enroll here. Students, let's make the athletes here for the track meet feel at home!

**Writing an Editorial**

"You write an editorial," says the editor in a Simon Legreeish tone of voice. So the best thing to do is to write an editorial. But what is there to write about that will be of interest to the students? Something that will cause them to read past the second line; that is what all editorial writers desire but few acquire.

There are several subjects which always look good in the editorial column of this paper, and which have been dished up repeatedly for the students to feast upon. For instance this editorial could be a lecture on "How to Study," a challenge to support the team, a treatise on the benefit of joining a club, or a plea to "Keep off the Grass." These subjects are all tried and true, but they are beginning to creak with age, so they will not be dragged out again.

Perhaps it would be much better to write a humorous editorial, something to amuse the students who chance to read it. What shall it be? The Three Little Pigs? Why is an "A" Student? Any of these have the possibilities; they need only a skilled writer to cultivate them.

There are many other subjects that might be used but none of them sounds very good now; so, Mr. Editor, you write this editorial yourself and see how you like it.

**What's in a Notebook?**

A notebook is a receptacle carried by most students for the keeping of class notes, friendly notes, love notes and no notes. It is a canvas on which amateur artists and cartoonists practice drawing professors, classmates and unmosaic designs. It is a storehouse for the safekeeping of reading lists, syllabuses, announcements, assignments, pictures, cards and other articles included in the itinerary of a college student.

The notebook is a collection of information gathered by the student in class, in the library, in the dormitory and in the bench by the band stand. It contains the public and private life of the student in many varied forms. It becomes fatter by the day and is never cleaned out; it is merely put away at the end of the year for future reference.

A student is known by the notebook he or she keeps. The scholar takes complete notes on lectures and readings; the "get-by" student writes notes to the student in the next seat about the date the night before, about that new blue dress with the white collar or about the latest heart interest. The average student very deftly mixes the two together and produces a notebook that is neither useful nor interesting. It is just a notebook.

**Magazines! Magazines!**

Instead of crying "old clothes, old shoes, old papers," the Mary Couts Burnett Library is calling "old magazines, old magazines."

In their relation to the academic phase of college life, lectures are important, examinations are useful, and new books are essential. And along with new books, magazines can also be ranked as essentials.

A magazine contains a full account of the important developments in its field. It might be called a specialized newspaper which uses only selective material. Magazines, when they are bound and preserved, are a record for future use.

Last year Mrs. J. E. Mothershead asked students and friends of the University for certain copies of magazines to complete the bound volumes in the library. The response with which her request was met prompted her to make a similar request last week.

In her request last week Mrs. Mothershead asked only for popular magazines, and she feels that students who have copies of the magazines needed will gladly be as responsive as were the students last year.

**Measurement of Success**

Last Sunday the pastor at the University church spoke on the distorted conception of success which many of us have. He explained that if we measured success by the size of the building which bears a man's name or the amount of money which his purse strings secure, then we are due for disappointment.

The sermon was timely in that we are preparing ourselves at this very time for the business world.

Let us learn, as one of our college lessons, that success in its fullest sense does not mean money and prestige but is that something which a man has achieved when he is happy. The sooner the students learn that the rich man is often a failure because his riches do not bring happiness, the sooner he will get on the right track and measure his success by a better standard.

**Missing Copies—With Adjectives!**

A recent check-up of the library magazine files by Mrs. Mothershead revealed that scores of copies are missing. There is but one logical reason for this. Some students simply "walk off" with copies of magazines that belong to the permanent files. Some would call this practice thoughtlessness on the part of the student and others would say that those guilty knew no better. But some would say that the practice was abominable, detestable, odious, unforgivable, atrocious, absolutely unnecessary, and one-hundred per cent "ousy."

**How They Take Programs Told In Thingumbobs**

Boy, did the co-eds sit up and take notice when the band played the Aggie war hymn in chapel Wednesday! . . . what was Jimmie Jacks so tickled about . . . chapel notes in general: Izzy Ackerman chewed her gum viciously . . . James Lore studied . . . Helen Adams fiddled her fingers . . . Ben Sargent held his head and struggled in vain to keep awake . . . J. B. Donnelly told jokes . . . Mrs. Beckham looked serious . . . Linnon Blackmon dreamed . . . Gene Coleman assumed a Greek statue position . . . Fred Miller and Louise Cauker listened intently . . . Wendell Robbins was very much interested in a little red book . . . Freshman Green looked enormous beside Helen McKissick . . . Patsy de Vlaming was wounded by Ruth Connor and Polly Criner . . . Abraham Lincoln walked 42 miles in one day. It's a pity the art of thumbing wasn't known in those days . . . Oh, David, how does it feel to be interviewed over the radio . . . If Wallace Myers were appointed frosh coach he would have the whole darn football team calling hogs in a few years . . . Johnny Vaught is selling tickets in the nightclub box office at the Southwestern Exposition . . . A few Stock Show notes: Dr. Whitman patiently endeavoring to explain his chemical apparatus to a group of kids . . . Dr. Scott wandering around and gazing like a school boy . . . visitors in the T. C. U. booth resting their corns . . . The Horned Frog Band nonchalantly blasting out its collegiate hymns . . . Otto Neilsen being guest conductor for a number . . . Coach Schmidt closely watching the horse basketball and making notes of the plays! . . . Exposition fans

**Amusement ABOUT TOWN**

The picture at the Majestic is one of educational value. It was filmed in Iceland and the title of it is "S. O. S. Iceberg." The Majestic is also presenting a stage show. "I've Got Your Number" with Joan Blondell and Pat O'Brien is opening at the Worth. Hope Miss Blondell (who would like to change her stage name to Barnes) gives a good performance as in "Convention City." Stage show at the Worth. Feature entertainment is also being offered at the Southwestern Exposition and Fat Stock Show. That "horse basketball" takes on the characteristics of T. C. U. title tilt when it comes to spectacular roughness. Best performances of the month as selected by the Photoplay judges: Greta Garbo in "Queen Christina," Constance Bennett in "Moulin Rouge," Franchot Tone in "Moulin Rouge," William Powell in "Fashions of 1934," Dorthea Wieck and Alice Brady in "Mrs. Fan's Baby Is Stolen." We nominate for the longest title of the year, "Mrs. Fan's Baby Is Stolen." In general gazing at the biology laboratory's skeleton and wondering . . . Helen and Ossie and Mike . . . the enormous Clydesdale horses . . . Douglas Mitchell and Dorothy Lee riding in the fine horse division of the rodeo . . . the weariness of everyone after the performance.

**RAMBLING in Skiff Files**

By GRACE MALONEY

**One Year Ago (March 17, 1933):**  
 The name of John Greer, janitor, was the first entered in the race for student body president. Miss Natalie Collins was chosen as T. C. U.'s "Most Presentable Co-ed."  
 Los Hidalgos celebrated its fourth birthday with a progressive dinner. Clark Field was announced as the site of the Eleventh Annual Fat Stock Show Track and Field Meet. Blannard Spearman, Rex Clark, Charlie Casper and Capt. Otha Tiner were entered. "Red" Oliver and Cy Leland were also listed among the entries.

**Five Years Ago (March 20, 1929):**  
 More than thirty students in the University who had red hair said that having red hair was not so bad. Plans were being worked out for instituting a "Pre-Junior Achievement Test" system.  
 T. C. U. students began practicing for the annual spring pageant. The story was centered around Apollo and Diana.  
 Cy Leland won the 100-yard dash in the Fat Stock Show Track and Field Meet.  
 The Horned Frog baseball team won its initial practice game from the Frisco Railway team, 13 to 6.

**Fifteen Years Ago (March 17, 1919):**  
 T. C. U. received \$80,000 additional endowment in the final meeting

of the Men and Millions Movement, conducted by supporters of the University.

The Horned Frog track team won a loving cup in a track meet with Masonic Home.

Dr. Clinton Lockhart spoke in chapel on "Excavations."

The Walton Literary Society was admitted into the Texas Federation of Women's Clubs.

**NEW BOOKS**  
 By VERNA BERRONG

Robert Winston has published some recently discovered new material in his new biography, "Robert E. Lee."

Zane Gray's new book announced for publication is "Code of the West."

### Where Shall I Take Her? Answer Is Tivoli Theater!

By LOUISE CAUKER  
At last it's here! The solution to that problem that's been worrying you for the last several months: Where shall I take her tonight? What shall I do this afternoon? We've actually found the answer to that question. The Tivoli Theater!

Have you ever attended a six-day, six-night theater party? Here's your opportunity; grab it and rush him or her to the neighborhood theater on Magnolia Avenue for a happy afternoon or evening.  
The Y. W. C. A. is at the bottom of it all. Probably those girls want a little co-operation in the matter of entertainment. Anyhow, they're selling tickets to the Tivoli that will be good any time during the day or night, Sunday, Monday, Tuesday, Wednesday, Thursday or Friday.

On Monday, Wednesday or Friday nights a ticket will admit you to a double feature. The picture line-up appeals to the imagination. It couldn't be more romantic if the "Y" girls had ordered the features. "Right to Romance," "Chance at Heaven" and "Masquerade"! You could write several books with the inspiration in those titles, or you could develop a "swell-gent line" to hand her or him.

This effort on the part of the Y. W. is to raise money for the completion of the \$500 budget they pledged for this year. Fifty per cent of the 25-cent price of each ticket goes to the "Y." At the bookstore or in the registrar's office you can buy a ticket, or several tickets, for this big all-week theater party, at which T. C. U. couples will be guests of honor—if they pay 25 cents per person. All "Y" members are peddling tickets, so just stop any girl who's rushing hither and thither with an anxious, pleading look on her bee-utee-full face.

If you buy a ticket and see a show and don't like it—Misses Marian Meaders (finance chairman), Rebecca Graves (treasurer) and Marion Honea (general red-headed nuisance) will receive complaints daily from 12 p. m. to 12 a. m.

We just happened to remember—you might like to know what all that \$500 is for. Speakers on the campus, delegates to the Hollister conference, and furnishings for the Y. W. Lounge will benefit from and be very thankful for any extra 25 cents you might possess or snatch next week.

### Birthday Celebrated By Los Hidalgos

Members of Los Hidalgos celebrated the fifth birthday of the organization with a progressive dinner last night. The first course was served at the home of Miss Maurine Justin, the second at the home of X. R. Campbell, the third at the home of Miss Judy and Weymon Roberson, and the fourth at the home of Miss Helen Vestch.  
Special entertainment was furnished the guests at each home.

### Mrs. Cahoon to Have Week-end Guests

Mrs. Helen Fouts Cahoon will have as her guests over the week-end Miss Roxie Grove from the music department of Baylor University and Miss Jennie Hill Barrie and Mr. and Mrs. W. A. Rinker of Dallas. Mrs. Rinker is president of the Mickwitz Club of Dallas.

### W. A. A. Makes Plans For Dinner

Members of the W. A. A. met in a business meeting Tuesday evening at the home of Miss Elaine Meaders to discuss plans for the spring progressive dinner which will be held at 6:30 o'clock Tuesday.

W. A. A. girls and their escorts will be guests in the homes of Misses Martha Collins, Mary Sue Logan, Sarah Jane Hurley and Willie C. Austin.

### Press Club Entertains C. I. A. Journalists

A group of 20 students from the C. I. A. Journalism department were guests of the Dana Press Club at a meeting Monday evening in Jarvis Hall parlors.

Pop Boone, Fort Worth Press sports editor, was the featured speaker of the evening with his anecdotes and reminiscences of newspaper experiences. Harley Patterson sang several numbers, accompanied at the piano by Miss Natalie Collins.

"A Minuet," prize winning play, was presented by Clarence Crotty, Miss Ruth Connor and Elmer Seybold, under the direction of Miss Bernice Armstrong. Miss Louise Cauker, press club president, presided during the evening.

Refreshments were served in buffet style to about forty-five members and guests with Miss Kathryn Edwards and Miss Merry Montrieff pouring coffee and tea. Others assisting in preparations for the evening were Misses Verna Berrong, Elna Evans and Grace Maloney.

### Sigma Tau Delta To Have Picnic

Miss Margaret Clements was appointed chairman of arrangements for the next meeting of Sigma Tau Delta, which will be April 4 in the form of a picnic, at the meeting of the club last Wednesday evening at the home of Dr. Rebecca W. Smith, 1424 Cooper Street.

Plans were made for the coming state convention of all chapters of Sigma Tau Delta to be held here, April 28. Misses Frances Hutchins, Evelyn Franklin and Fay Maberry were named on the finance committee. Other committees will be announced at a later date, according to Mrs. Irma Bell.

The business meeting followed a buffet supper served from a file-covered table centered with a mound of pansies. Silver appointments were used.

Members of the English staff assisted Dr. Smith in serving. Thirty guests.

### Two Programs Planned For Literature Class

Two special programs have been planned for the benefit of members of the class in Southwest Literature. Today at 10 o'clock in Room 301 David Scouler will sing ballads from Miss Mabel Major's collection of "British Ballads in Texas," and Dr. Newton Gaines will sing cowboy ballads.

Monday at 10 o'clock in Room 218 Miss Mary Witherspoon will tell the story of "The Legend of the Lady in Blue." Miss Eula Lee Carter will tell of seeing the religious fold drama, "Los Pastores" and S. A. Wall will sing Mexican folk songs. Guests will be welcomed at each of the programs, according to Miss Mabel Major.

### Miss Major Hostess To Poets' Club

"On Turning Old," a poem written by Miss Marie Hamlet, won first prize at the meeting of the Poets' Club last Monday night at the home of Miss Mabel Major, 1302 Pennsylvania Avenue.

Refreshments were served to 17 guests, including three honor guests from T. W. C.

### Alpha Zeta Pi to Meet With Miss Combet

Alpha Zeta Pi will have a meeting at 7:30 o'clock Wednesday evening at the home of Miss Margaret Combet, 3213 University Drive. The program is being arranged by Miss Maurine Justin.

### Scouler Will Sing Tonight at Club

David Scouler will appear as guest soloist of the Pro Arte String Quartet tonight when it presents its last concert of the season at the Woman's Club. He will sing a group of songs by Schumann.

### Parabola Members Visit Stock Show

Members of Parabola attended the Southwestern Exposition and Fat Stock Show last night. The party met at the home of Miss Mildred Kelly and went from there to the exposition.

### Houston Club Dinner Is Tonight, 8 P. M.

A dinner dance will be given by the Houston Club tonight at 8 o'clock at the Blackstone Hotel, according to Johnny Knowles, president. Plans for the affair were made at a meeting of the club Wednesday night at Jarvis Hall.

Miss Bernice Johnson spent the week-end at her home in Eastland.

### Charges Answered

(Continued from Page 1)

it permits and encourages such academic freedom, and

"3. Such academic freedom is not restricted by the laws of our Nation or State.

"The Student Council, the governing body of the Students' Association of Texas Christian University, resolves:

"Freedom for Best Interests."  
"1. That action on the part of any individual or group which attempts to discourage freedom of thought and freedom of speech in Texas Christian University is contrary to the best interests of the advancement of learning in that institution, and

"2. That the administration of Texas Christian University is to be highly commended for the attitude it has assumed in the encouragement of free speech among its faculty and students, and

"3. That the Student Council pledges its unceasing co-operation with the students, faculty, and administration in maintaining the present policy of academic freedom."

Miss Annie Phares spent the week-end at her home in Dallas.

Miss Marion Honea spent the week-end at her home in Cleburne. She had as her guest Miss Louise Glass.

Mrs. R. H. Maloney and son, Harry, of Henderson were the week-end guests of Miss Grace Maloney.

Not like others..

Even so.. you can say  
Chesterfields are  
"not like others"

NO two people in the world look alike... act alike. So it is with tobacco... just like folks.  
No two leaves are the same.  
And it's the same with cigarettes... no two brands are alike.  
Furthermore, not only are the tobaccos different, but the way the tobaccos are handled is different.  
This, you can understand.  
You know just as well as we do that no two manufacturers use the same kinds of tobaccos, or blend them or cross-blend them or weld them together in the same manner.  
We do everything that science knows and that money can buy to make CHESTERFIELD as good a cigarette as can be made.  
We hope you like them. They are "not like others."

the cigarette that's Milder  
the cigarette that TASTES BETTER

### 1000 Tracksters Will Be in Meet Here Tomorrow

Frogs Will Enter 22 Men in Fat Stock Show Classic.

### Clarkmen Ready

Event Is Biggest of Its Kind in Country—Cinder Path Is in Good Condition.

By CHARLIE CASPER

The stage is set and the gun and starter are waiting for the arrival of more than one thousand college and high school athletes for the annual Southwestern Exposition Track and Field Meet, beginning here tomorrow morning and lasting throughout the day.

Coach Ernie Hjertberg, Rice Institute track and field mentor, has been named referee of the meet. Coach Clyde Littlefield of Texas University will act as head starter. Members of the T. C. U. physical education classes will aid in conducting the meet.

Coach Mack Clark announced yesterday that 16 T. C. U. varsity men would be entered in the respective events. Capt. Jinx Powell, Bill Anderson, Robert Chappell, Tony Vargas and James Simpson will be entered in the middle distance races. George Kline, Louie Trainer, Herman Pittman and Sankin Sano will be entered in the shorter races. Paul Hill, Jewell Wallace, George Magoffin, Sid Lightfoot, Russell McConnell, Judy Truelson and Bud Taylor will represent the Frogs in the field events.

**Frosh Have Formidable Team**  
Coach Clark will also enter a formidable freshman team in the melee. John Durrett, Mitchell McGraw, Cotton Harrison, Gene Huddleston, Elmer Helbing and Bill Walls will represent the first-year entries. Several more frosh are likely to be entered at the last minute, according to Coach Clark.

The Purple cinder mentor has been putting his men through stiff practices for the past three weeks and announced that he believed them to be ready for the best the other schools could offer. The Frogs will be especially weak in the shorter races for the first time in the history of the school. There is no Cy Leland nor Red Oliver to carry on for the Purple and White. Trainer, freshman sprint star of two years ago, is back in school but has not reached his peak as yet. In the other events Coach Clark's charges can match strides with the best in the conference.

**Rice Mentor to Be Referee**  
The referee of the meet tomorrow is one of the foremost authorities on track in the country. For many years Coach Ernie Hjertberg has been dean of Southwest Conference track mentors. He at one time coached the Olympic team from Sweden. He is leaving Rice next season to accept a position with the New York Athletic Club.

The cream of the high school and college athletic crop will don their spikes tomorrow morning to take a shot at some of the records now held by former Texas athletes. Many athletes who set marks here while in high school will be here tomorrow shooting at records set by college men before them.

This meet is the biggest of its kind in the country. Since the Texas, Rice and S. M. U. relays have been suspended, the Stock Show meet is the largest in the Southwest. The track is in good condition and records should be established during the meet. Bleachers have been erected for the spectators that will take care of approximately five hundred fans.

### To Be Radio Speaker

Miss House to Talk Over KFJZ at 8:45 P. M. Tonight.

Hannah Ann House will speak on "Woman Faces the Business World" at 8:45 o'clock tonight over station KFJZ. Miss House, who received her degree from T. C. U. last June, is a graduate student in the University.

"The Sermon on the Mount for the Men on the Street" will be the subject of Dean Colby D. Hall's lesson Sunday afternoon at 4:45 o'clock over station KTAT.

Clarence Crotty directed the one-act play presented last night over station KFJZ by the Dramatic Club.

### Brite College Group To Hear Myron Hopper

Myron Hopper, national director of the United Christian Missionary Society, who is now holding conferences in various cities of Texas, will discuss "Work With Young People" at the meeting of B. C. B. next Thursday night in Brite Clubroom.

Pat Henry, Jr., preached on "Christ and the New Deal" at the last Wednesday night services of the Union Mission, which was directed by members of the club.

## Burr-Head's SPORT GOSSIP

By CHARLIE CASPER

THE Junior Chamber of Commerce has laid plans for a gala farewell party for Coach Francis Schmidt to be held at the Texas Hotel March 29. The organization has spared no expense in arranging this affair and is heavily depending on T. C. U. students to help make the affair a success. Reductions in plate charges have been secured for students. It was my pleasure to sit in at their meeting Tuesday noon and I mean to tell you that they are going about this thing in a big way. Let's all get a ticket and bid Coach Schmidt good-by in a big way.

Everything is practically set for the big Exposition track meet here tomorrow. There will be many strange students on our campus this afternoon and tomorrow morning, and it's up to us students to see that they are properly entertained. Some of them will be looking the place over for the purpose of coming to school next year . . . others will be just looking around. Regardless of what they are doing, let's do our part to make their stay here a pleasant one.

Through the efforts of the City of Fort Worth, the cinder oval on old Clark Field is once more in shape and many records should topple when the aggregation of track stars toe the marks in the final races tomorrow afternoon.

Ablene Christian College and Texas University are due to stage a two-way battle for team honors in the college and university division. I kinda look for old San Antonio to come through in the high school section. Thomas Jefferson High School of the Alamo City won the high school portion of the Laredo meet and I believe that they will repeat that feat here tomorrow.

Keep your eyes on the college quarter-mile race between Cox and Edwards of Texas, Green of A. C. C. and Red Atkins of A. & M., for it's scheduled to be a bugger. Too, watch this boy Forrest Wilson from Texas University, for he can truly step over those high hurdles.

A great race is due to be staged between Reeves and Carr from Schreiner Institute. I saw both of these boys run a 9.5-second century in the prelims of the International Olympics recently and they should be able to repeat that on this track tomorrow. These two boys will tangle with Wallender, Texas, and Helbing, T. C. U. frosh, in the special 100-meter event. Red Oliver won this event twice and is co-holder of the 10.5 second record with Glass of Oklahoma A. & M. This mark may take a tumble.

There's a boy by the name of Watkins from out at A. C. C. who will be here for the meet to thrill you in the high jump. He did better than six feet at the Laredo meet and wasn't extended. In the event some other good jumpers are here, he'll go plenty high.

The meet should be a good one all the way around, for there'll be some good boys here to shoot at the marks now standing.

Here's about the best non-scoring record I have ever heard of . . . Allegheny College of Meadville, Pa., failed to score a single point during the past football season. Page Ripley, for that's one he overlooked. This information was passed on to me by Roy Muck, a graduate of that institution. Boy, was he mortified when the news reached him?

Mrs. B. W. Corzine of Sabinal and Mrs. J. D. McMahon of San Antonio are the guests of Miss Mary Corzine this week.

### Baseball Leaders

Coach Leo "Dutch" Meyer (left) and Capt. Elbert "Flash" Walker will attempt to lead the Frog baseball team to its second conference championship this season. The Frogs will open their conference schedule against Texas April 6.

### Pond Work Postponed

"Waiting for Warmer Weather," Says Mrs. Mothershead.

"We are waiting for the weather to become warmer before we go on with the work on the fish pond," Mrs. J. E. Mothershead, chairman of the committee in charge of beautifying the pond in front of the library, said this week.

"Boxes in which the lilies will be planted have been completed by Mr. Dees, and are ready to be filled with dirt," Mrs. Mothershead added. "We hope to have the lilies and fish in the pond by April."

G. W. Cunningham, B. B. A., '27, M. A. '28, has promised to donate the fish for the fishpond. Mr. Cunningham, who lives on a ranch near San Antonio, promises that the fish will be large and would qualify for any "fish tale."

### Baseball Team Will Play First Game Tomorrow

Christian Nine to Meet Wilmer-Hutchins High School.

### Frogs Look Good

Meyer Says Squad Showing Up Better Than Last Year's Aggregation.

By BEN SARGENT

The Frogs baseball team will play its first game of the season at 3 o'clock tomorrow afternoon when it meets the Wilmer-Hutchins High School on the T. C. U. diamond.

The Christians have been going through a series of intensive drills the past week and are showing up better than they did last year, according to Coach Dutch Meyer. The team has played a series of intrasquad games the past week.

Coach Meyer this week expressed satisfaction on the way the team is shaping up. He is especially pleased with his pitching staff. With Hersel Kinzy, stellar twirler from last year's championship team, coming into form rapidly and two southpaws, Jimmy Jacks and Dan Harston, showing up better than they did last year, Coach Meyer feels rather secure in that department.

The third sack will be ably handled by either Frank Lozo, letterman last season, or Taldon Manton. Spec Logan and Jimmy Lawrence are carrying on a hot battle for the short stop position.

Capt. Flash Walker is almost sure

### Spring Practice To Begin April 9

Spring football practice will begin April 9, according to Head Coach Dutch Meyer.

"Every man who is a candidate for the 1934 football team is expected to report," Meyer said. "Practice will begin promptly at 2 o'clock and end promptly at 4 o'clock."

Meyer stated that the spring training will be held on the practice field at the stadium.

to get the second baseman's job. Paul Donovan and Jack Graves, both lettermen, are almost cinches to hold down center and right field. Aubrey Linnie, transfer student, is offering Harston no little competition in the left garden. Wallace Myers, veteran of two seasons, will play at the catchers position.

Next week the Frogs will tackle Vincent Devaney's all-stars. Two games with Oklahoma University are slated for later in the month, according to Meyer.

The probable starting line-up in tomorrow's game will be: Donovan, center field; Walker, second base; Harston, pitcher; Myers, catcher; Jacks, first base; Linnie, left field; Graves, right field; Manton, third base; and Logan, short stop.

The Frogs will open their conference season here April 6 against the Texas Longhorns.

### 2 Frogs Placed, On Coaches' Team

Allison and Myers Are on First, Lester on Second Squad.

Richard Allison, T. C. U., and Jack Gray, Texas, forwards; Joe Merka (Capt.), A. & M., center; Wallace Myers, T. C. U., and R. T. Eaton, Rice, guards, constitute the all-Southwest Conference basketball team for 1934, as selected by the conference coaches. Announcement of the selection was made this week by Coach Francis Schmidt, secretary of the coaches' association.

Allison and Gray were unanimous choices of the coaches for the forward positions. Merka lacked one vote of being a unanimous choice, and he received that vote for the second team. All of the conference coaches participated in the voting, according to Schmidt.

On the second team the coaches placed Baccus, S. M. U., and Moody, Arkansas, at the forward positions; Lester, T. C. U., center; and Parks, Baylor, and Wilkins, A. & M., guards. Baccus received one vote for the first team and six for the second.

Scattered votes gave honorable mention to Walker and Kinzy of T. C. U.

### Intramural Baseball, Tennis Begin Monday

Competition in the intramural tennis doubles will begin Monday, according to Walter S. Knox. Entries closed this week and pairings have been made.

Baseball will also begin in the intraclass league Monday if the weather is favorable, Knox said.

College careers are carved with

## VITALITY

COLLEGE honors, on the campus and in the classroom, usually go to the energetic men. Their enthusiasm and good spirits are founded upon good health—and regular habits.

Too frequently, undergraduates permit vitality to be sapped by common constipation. This ailment can be corrected by eating a delicious cereal.

Tests show Kellogg's ALL-BRAN provides "bulk" to promote regularity, as well as vitamin B and iron. Two tablespoonfuls daily are usually sufficient. Ask that it be served at your fraternity house, eating club or campus restaurant.
