## Spring Pageant To Be Presented Tomorrow Night

Prof. Sammis to Direct Songs by Orchestra and Chorus.

Cast Is Announced  
Miss Virginia Bradford Will Depict Symbolic Figure to Open Affair.

Pantomiming the scene of famine and then plenty, the spring pageant, which is based on the story of Naomi and Ruth, will open at 8 o'clock tomorrow evening in the stadium.

Miss Virginia Bradford will depict the symbolic figure which will open the pageant. She will be featured with the six girls from the various physical training classes who were candidates with her for the symbolic figure.

Dean Colby D. Hall will read the scriptures before the pageant and between the acts, President E. M. Waits will be cast as the high priest who marries Ruth and Boaz in the closing scene of the pageant.

The cantata, "Ruth," by Alfred Gaul, will be sung during the presentation by a chorus of 12 voices. The T. C. U. Orchestra will furnish music for the pageant. Singers will be Miss Eleanor Bryan, Miss Evelyn Franklin, and Mrs. Annabel Hall Bailey, soprano; Miss Rita May Hall, Miss Marian Porter and Mrs. Margot Shaw Cox, alto; David Scouler, Raymond Steward and Kennedy Orr, tenors; G. L. Messenger, Hal Thompson and Nolan Havens, basses.

Singers to Be in Press Box  
The singers and the orchestra will be placed in the press box above the stadium and the music amplified over the audience.

Prof. Claude Sammis will direct both the chorus and the orchestra.

Miss Juanita Freeman will portray the character of Ruth in the pageant, and Jack Langdon will have the part of Boaz. Miss Florence Fallis will be Naomi, the mother-in-law of Ruth, and Miss Iris Hays will be cast as Orpha, Ruth's sister. Hersel Kinzy will be an Arabian overseer and Wilson Groselove will be next in kin to Ruth. Misses Judy Robertson and Lorraine Stakes will be two oriental dancers.

Maidens who will assist Miss Bradford in the introductory scene are Misses Margaret Hall, Frances Shear, Janet Jones, Forrest Rosenfield, Kathryn Swiley and Blossom Frederick.

Heralds, Flower Girls Named  
Misses Elizabeth Sayles and Hazel Wortham will be two heralds. Little Betty Jane and Virgil Lee Burgin will be the two flower girls for the wedding scene of the performance.

The first episode of the pageant following the introduction will portray the coming of Ruth, Naomi and Orpha to the scene of parting. Orpha returns to the land of Moab and Ruth and Naomi goes on to Naomi's home in Bethlehem.

The scene shifts to the market place at the gates of Bethlehem where oriental merchants are selling their wares. The two oriental dancers figure in this scene. Naomi is welcomed home by the wise men of Bethlehem. The episode ends with a prayer in which all the people in the market place participate.

The second episode opens with the reapers harvesting in the wheat fields near Bethlehem. The dew drops dance between the reapers. In this scene Boaz gives Ruth the permission to glean in the fields. After Ruth pantomimes (Continued on Page 3).

The race is resumed as Coach Clark sends out for sandwiches and coffee to serve the men at the next rest period.

The afternoon lengthens. Vargas gets a few miles ahead and stops for a nap. Langdon and the Mustang wake Vargas from his nap.

## The Last Round-Up

Two more weeks and the members of the 1934 senior class will sit down in some examination room and toil away at their last final exams. That will be their start toward the last round-up.

They will be heading toward the last round-up, toward that now close destination known as "life in general." They will pack away their books for the last time, for life won't be a routine of books and classes any more.

The seniors of '34 have been through the depression in an even manner. They have been in school and haven't had the worries of a senior class member of '29 or '30. Times have been rugged during these four years, but, after all, it has been much better to be in school during these four years than to have been out seeking employment. The suffering period which this country has been in has about passed the crisis and seniors this year will find a more pleasant world to face than did the graduates in '29 and '30.

## The Old Order Is a Railbird

Miserably defeated and "left out in the cold," the Old Order has managed to balance itself upon the fence—any fence—long enough at times to play the part of a political railbird.

When a satisfactory move is made by the present government the railbird sees nothing and says nothing. But when the present government blunders, how the Old Order does howl and hiss!

First, the Old Order expounded at length concerning individual and industrial rights when it was apparent that the government would attempt to control industry. But this was a weak and underfed howl, and few heard.

Then came the news that Russia would be recognized. The Old Order predicted that Communism would engulf the United States within a short time. This has not come about, but America has enjoyed a boom in her export trade to Russia. This was political howling.

Then came the cancelling of the mail contracts. Out of a lethargy the vanquished foe leaped and perched upon the nation's highest fence—Washington. Howling and hissing of elephantine and megatherian dimensions took place. This was not exactly political howling because the Old Order had something to stand upon. But Roosevelt regained lost friends by reversing the order.

There have been numerous instances of political howling, but the latest to reverberate around the earth is the manufactured charge that the "brain trust" is conspiring against President Roosevelt. Of all the howling and hissing by the vanquished political foe, the latest seems to be the loudest and consequently the most absurd. This is pure political howling.

But the Old Order can not be blamed too harshly for its actions at times, because "anything is fair in love and politics." As it stands now, the Old Order will not have a firm plank in its platform for the 1936 election.

## What Happened to the Juniors?

What happened to the junior class this year, when petitions were being circulated for a student body president? That has been a question on the campus for the past three weeks. For the first time in many years a junior class did not have an entry in the presidential race.

It appears that there exists an unwritten law that a member of the junior class is to handle the office of student body-president the following year. This year the law was broken when a five-year student was elected to lead the T. C. U. student body for the coming school year of 1934-35.

The newly elected president, Jack Langdon, is fully capable of making a success of the office but that is far from being the question now in hand. Langdon has been here for four years and next year will be entering his fifth. Perhaps, as some say, it would have been foolish for a member of the class of '35 to enter the race with such men as Fred Miller and Langdon already entered, as both men are popular in student activities. That may be one reason why the juniors hesitated to nominate a member of their class.

This alibi can be made and stuck by, but that doesn't place a regular member of the class of '35 in the president's chair next year. The blame can be laid to no other source than the junior class as a whole.

What's wrong, juniors? Sophomores, don't let this happen next year.

## Poor Support

The Horned Frog track team made its last home appearance on Clark Field Saturday afternoon in a dual meeting with the S. M. U. Mustangs and all of thirty students turned out to support the wearers of the Purple and White. As they ran their hearts out, striving to bring a victory to the Frog fold, not a cheer nor a murmur came forth to urge them on. Instead of cheers there were sneers. Poor support and nothing else. Because the Frog thin-clads have not been championship contenders for the past five or six years, students stay home and read or go to town in place of turning out for a track meet.

Several years ago, when T. C. U. was represented by such track stars as Cy Leland and Red Oliver, as many as 100 loyal track-loving students would come out and support the efforts put forth by Coach Mack Clark. Those were the good old days when track really meant something to sports fans here and in this vicinity. Today a track meet means nothing, save to those taking part in it.

T. C. U. students have been widely known for the support given the Frog athletic teams in the past. Present-day students are allowing that tradition to die.

## Something Should Be Done

Something should be done about the road in the rear of the buildings. At the present time an automobile faces a hazard in trying to make the distance. Chug holes make up the surface. While improvements are being made on the road itself, something should be done about the parking problem.

Only about once each year is there any work done on this road. The work that is done at that time is good enough to last but three or four weeks at the most. After that the chug holes return. It is true that people don't have to drive over the road if they don't like the conditions, but that is hardly the fair attitude to take toward the problem. The road is there and is there for a driving purpose, so why not keep it in condition?

The parking problem should be bettered. There are too many cars parked around the main building sector of the road. There is a parking lot for cars just behind Jarvis Hall and there is no charge for the storage of a car on that spot. It would make matters much better if drivers of automobiles would use the parking lot in place of the narrow road.

## Elnor, Potsy, Maupin Rate Thingumbobs

This column is a nuisance, but it'll never be hard to write as long as people like Biscuit Bob of the Bewley Mills Bunch, sings sweet love songs like "Tiger Rag" to Elnor Evans in chapel. Was Elnor's face red? Her dress of crimson turned to a faint pink when it witnessed her scarlet complexion. . . . Joe Tills plugs along, day by day. . . . It seems that Potsy Waterman alias Bill de Vlaming, was nominated for social chairman of the soph class. Can you imagine the soph attending one of Potsy's Clark Hall parties. . . . Raymond Michero has good intentions. . . . Ben Boswell gets bigger every day. . . . Jack Langdon is for longer and better two-mile races. . . . The band boys will organize an association Monday night when they assemble in their Pullman for the purpose of chastizing any bandman who records the events of the trip in such a way that they might be published next week. . . . Will Nina Whittington ever live down that nutty role she had in that "nutty" comedy. . . . Lucille Hathaway is tiny. . . . Verna Berrong is stubborn. So are mules. . . . Wallace Myers will someday be a preacher. . . . The "T" party at Glen Rose will not be a Tea party. . . . the time of the year is coming when student begin to think up plausible excuses for the sorry grades. It's coming time to go home. . . . Mildred Mattison can turn up her nose when she takes a notion. . . . Say, Emma Louise Flake, tell us about your escapades as a Glee Club Member. . . . Maupin (pronounced moppin') Yates chatters. . . . the yeller extra will be on yeller paper. . . . Kathryn Edwards knows a good joke. . . . the most awful thing I know of at the present is final exams.

Dean Charles J. Adamec has resigned from the faculty of Knox College to accept the presidency of the University of Missouri.

## Amusement ABOUT TOWN

By ROY BACUS

Want the jitters? Just wander past the Palace theater and take a peek at that enormous black cat on the wall. His eyes blink at regular intervals. Karloff and Bela Lugosi's pictures stare at you. Then breeze up to the Palace tonight at midnight and see "The Black Cat." The only thing lacking is that today is not Friday 13. But it'll be creepy enough. Poe wrote the story, did he not?

The Hollywood today is broadcasting the story "Viva Villa." Villa was Mexico's bad man you know. Wallace Beery plays the part and that means action galore and fine acting on the part of Beery, As Villa, he knows no law. He loves, kills and dies.

The Majestic has adopted the two shows daily policy. Tomorrow brings "Good Dame," with Sylvia Sidney and Frederick March, and the "Mystery of Mr. X." Laughter and tears. March is a city slicker but he makes a perfect husband. The performance of these two actors in this picture was judged among the best of the month by Photoplay. Incidentally Beery for his "Viva Villa" performance is also honored as a best performer of the month.

The Worth's show for tomorrow is "The Trumpet Blows."

## RAMBLING in Skiff Files

By GRACE MALONEY

One Year Ago (May 12, 1933): The Rev. Perry Gresham was selected as pastor of the University Christian Church.

Twenty-five Horned Frog Band members returned from Big Spring. They accompanied the Fort Worth delegation to the convention of the West Texas Chamber of Commerce there.

The spring pageant, "Fiesta," was to be staged in the stadium May 13. The Horned Frog baseball team defeated the team from Baylor University, 9 to 2. They also defeated A. & M., 5 to 1.

Five Years Ago (May 15, 1929): Cy Leland defeated Claud Bracey of Rice Institute in the 220-yard dash. President E. M. Waits outlined T.

C. U.'s need for four additional buildings. He said that the University needed \$2,000,000.

A bronze horned frog on a five-foot pedestal was to be the gift of the class of '29.

The literary tuition at T. C. U. was changed from \$160 to \$200 a year.

Fifteen Years Ago (May 12, 1919): The T. C. U. baseball team had defeated every "big league" college team in Texas one or more times during the year.

Dr. W. B. Bizzell and Dr. J. G. Slaughter accepted invitations to deliver the commencement addresses.

TRAIN TOWN My town sits on a railroad track In careless indolence. It settled down on its grimy bed And it's been there ever since.

Shriek of steel on heavy tracks Clamor of engines all day long My town looks up with sooty face As though to ask if they belong.

At night swift passengers clang through Like fire-mouthed dragons roaring by, But my town sits on a railroad track And winks a sleepy eye.

ARE YOU A HUMMING BIRD?

## It's irritating and it means... jangled nerves

Yes, it's irritating to listen to that constant, tuneless humming—and more than that, the humming is a sign of jangled nerves.

If you notice any of those tell-tale nervous habits in yourself—if you whistle through your teeth—juggle your keys—drum

on the table—then it's time to start taking care of yourself.

Get enough sleep—fresh air—recreation—and watch your smoking... Remember, you can smoke as many Camels as you want. Their costlier tobaccos never jangle your nerves.

# Miss Frances Talbot Is Queen of Jarvis Hall May Breakfast

By LOUISE CAUKER

So Little Lady Talbot was May Queen of Jarvis Hall's annual breakfast, Tuesday, by her eight maids, who then escorted her to the gay scene under the trees in Trinity Park.

The maids were chosen by selecting two from each class. Seniors were Misses Louise Briscoe and Rebecca Graves; juniors, Misses Gladys Simonson and Nina Whittington; sophomores, Misses Louise Watson and Elizabeth Sayles, and freshmen, Misses Mary Corzine and Helen Adams.

Robin Hood and Puck, in person, honored the feasters with their presence. Miss Isabel Ackerman impersonated the legendary hero of the forest in the traditional Robin Hood costume, and Miss Flora Marshall in a fanciful green costume played the part of Puck. Weldon Allen from deep within the woods furnished music with his clarinet.

A tree draped with colored ribbons became a may pole. Pastel colors and wild flowers decorated the tables. Miss Lorraine Sherley and Mrs. Elizabeth Shelburne supervised the affair. About eighty attended the breakfast.

Miss Elna Evans was ready to make her bow with the rest of the Chuck Wagon Gang group when applause rang out in chapel Wednesday as it never has before for a chapel program. Elna in a red dress on the front row of seats became very red indeed during the course of the gay program.

The unanimous opinion seems to be that Wednesday's was the best all-round chapel program ever put on in the University Auditorium as long as any of the present students can remember. The devotional was good. And the music was good. The fun was great. Hurrah for Sigma Tau Delta!

Miss Mildred Kelly, senior co-ed who is supposed to work in the registrar's office, doesn't really work there. She gets hungry and thinks of food, and is thus inspired to write menus such as the following:

"Invitation to a formal dinner given by the Registrar's Office Crew: Cream of Skiff Soup with String; Butter Wafers and Files; Delicious Transcript Salad with catalog dressing a la Lorraine; Roast Record Books; Mashed Faculty Bulletins; Buttered Blotters; Baked Chapel Excuses; Hot Rolls and Delicious Matriculation Marmalade; Points and Hours with Chocolate Sauce; Coffee with Permanent Files; after dinner speech by Irene Cassidy. R. S. V. P."

Six Become Members Of Alpha Psi Omega Misses Bernice Armstrong, Elizabeth Cuthrell, Frances Talbot and Corinne Lewis and Clarence Crotty and Dean Harrison have been admitted to membership in Alpha Psi Omega, national honorary dramatic fraternity, it was announced today.

Formal initiation for the members, who will form the Delta Upsilon chapter of the fraternity, will be held May 21.

Prof. Lew D. Fallis will be faculty advisor for the group. Officers will be elected after the initiation, Crotty said.

Parabola Will Have Picnic Thursday Senior members of Parabola are planning a picnic for the club Thursday evening. According to Miss Elna Winton, who is in charge of arrangements, the picnic will probably be held at Lake Worth.

Newton Bell and Gaines Sparks presented a program before members of the Penta Club at Polytechnic High School Tuesday evening. Their subjects were "Mathematical Recreations" and "Magic Squares."

The third recital of the series was given last Monday night when Miss Elizabeth Cuthrell read "Outward Bound," by Sutton Vane. Other readings in the group were given by Clarence Crotty and Miss Frances Talbot.

The recitals are part of the required work in the department's class in "Platform Art."

mimes her thanks to him this scene ends with a prayer as night falls.

Ninety-eight girls from the physical education classes will make the dancing and pantomime groups for the pageant, according to Mrs. Helen Walker Murphy who is directing the presentation.

These girls will represent the reapers, the men who are in the fields near Bethlehem; the gleaners, the women who come after the men to pick up the stray shocks of wheat; the 12 wise men, who are in the market place in Bethlehem; the people of Bethlehem who are in the market place to greet Naomi and Ruth; the oriental merchants of the village; and "dewdrops," who will appear in the scene with the reapers.

### Harston Elected To Sub-Captaincy Of '34 Grid Team

#### "T" Association Makes Plans for Final Initiation.

### 2 Netmen Admitted

#### Golf Team to Receive Letters for First Time in History of T. C. U.

Dan Harston, fullback on the football squad and southpaw pitcher on the baseball team, was elected by football lettermen Wednesday as sub-captain of the 1934 football eleven.

At the Wednesday meeting the "T" Association made plans for the final initiation of the year.

For the first time in the history of the school, members of the golf team will be awarded letters. Those who will be initiated into the group from the golf team are: Jimmy Walkup, Jack Panter, R. J. Duckworth and J. W. Thompson.

Ronald Wheeler, Harston and Willis Cannon, who have lettered in tennis, will be taken into the organization, as will Taldon Manton and Jimmy Stanton of the baseball team.

Those who have recently lettered in track who will be initiated are Tony Vargas, Charles Oswalt and Louie Trainer.

The committee in charge of the initiation is: Melvin Diggs, chairman; Dutch Kline, Jimmy Lawrence, Wilson Groseclose, Tracy Kellow, Tiny Godwin and Darrell Lester.

The date of the initiation will be announced later, Jack Langdon, president, stated. The officers for next year will also be elected at that time.

Coach Dutch Meyer was made an honorary member of the group at the last meeting. Meyer and Coach Wolf attended the meeting.

### Frog Baseballers End Season Today

#### To Meet Baylor Bears on T. C. U. Diamond—A. & M. Wins Championship.

The Horned Frog baseballers will end their season today in the second of a two-game series with the Baylor Bears here.

Darrell Lester pitched the Frogs to a 6-to-4 victory over the Bruins yesterday.

Coach "Dutch" Meyer has announced that he will put a team on the field today made up almost entirely of seniors. Boaz Hoskins, Frog speedball artist, will take the mound for the Christians. The only non-seniors on the diamond today will be Jimmy Jacks at the initial sack and Jimmy Lawrence in right field.

The Texas Aggies virtually cinched the conference championship by defeating the Frogs in College Station last Saturday. Jake Mooty, who was batted out of the box in Friday's contest, hurled the Cadets to a 6-to-4 victory Saturday.

The Meyermen handed the Aggies an 8-to-5 defeat Friday afternoon. Slim Kinzy twirled for the Christians, allowing but eight blows.

### Tennis Team in Waco

#### Frog Racquetters Participating in Conference Meet.

Judy Truelson, Mark Hart, Willis Cannon and Ronald Wheeler are in Waco today representing T. C. U. in the conference tennis meet. The tournament started yesterday and will last through tomorrow.

Every school in the conference has a team entered in the tournament.

Prof. E. W. McDiarmid's proteges lost a hard-fought meet to Texas University in Austin last Saturday. Although the final score was 6 to 0, the Frog netmen gave the Longhorn squad plenty of competition.

### T. C. U. Represented in Golf Tournament Here

With the exception of the University of Arkansas, every school in the Southwest Conference is represented in the conference golf tournament, being held in Fort Worth.

The tournament began yesterday and will be completed tomorrow. The matches are being played at Glen Garden Country Club.

T. C. U. is being represented in the meet by Jimmy Walkup, Jack Panter, R. J. Duckworth and Jack Thompson.

## Burr-Head's SPORT GOSSIP

By CHARLIE CASPER

BY THE newspapers I see that Coach Francis Schmidt already has signed deed on all possessions in and around Columbus, Ohio. Gee, that guy is really going over up there. It's no surprise to me, though, for I expected it. He could sell himself to anybody in less time than it would take Jack Graves to break a girl's heart. By this time next year I expect that guy to be governor of the state of Ohio.

Must acknowledge a letter from Wade Hawkins, former Skiff sports editor, who is now director of physical education activities at the Whittier House in Jersey City, N. J. Hawkins was student manager of the Frog football team during his college career and introduced Coach Schmidt to the T. C. U. student body when he came here from Arkansas in 1929.

Two former Frogs have recently been elevated in the interscholastic coaching world here in the Lone Star State. Madison "Pap" Pruitt will head the coaching staff at Plainview high school next season and Buster Brannon will move up into the head coach's chair out at Dublin. Both boys made most impressive records while in school here and it is with great joy that we hear of their success. Both were successful in their first year as high school coaches and from all indications they are going even higher this year.

Walked into the cafeteria the other day and who do you suppose I saw? None other than Mrs. Beulah Boggess, former Jarvis Hall matron, and the unofficial mother of all Frog athletes. It's sure good to see you back, Mrs. Boggess, and we sincerely hope that your stay is a most enjoyable one. We have missed you this year and have wished many times you were back with us.

Did you read the Tuesday edition of the Fort Worth Press? Well, if you didn't, just tell yourself that

### 14 In Golf Tournament

#### Intramural Swimming Meet to Be This Afternoon.

Fourteen contestants are entered in the intramural golf tournament, which is being played at the Worth Hills Golf Course, Walter S. Knox has announced.

Contestants may play at the golf course for half price, Knox said.

Those entered in the tournament are: Jim Winton, Walter Roach, Weymon Roberson, Edmund Van Zandt, Richard Allison, Charlie Needham, Bill Walls, Jewell Wallace, Orville Paty, Alvin Pace, J. W. Harrison and John Knox Rhodes.

The intramural swimming meet will be held in the T. C. U. pool this afternoon.

you missed a great treat. The journalism classes were responsible for the Press's publication that day and they did a neat job in putting the paper out. The Sargent brothers were at the helm, under the directions of Mr. Ridings. Bacus was the Jack Gordon for the day and Lou Cauker doubled for the society editor.

There are reports that one Frog player will receive a tryout with a team in the Texas League this season. Won't mention the boy's name or the team, for it is a secret right now. Then, if the youngster didn't decide to take the tryout, I'd be talking out of school when I shouldn't. Things look rather prospective in that direction, so don't be surprised when you see this lad in the line-up.

The conference track and field meet comes off tomorrow in Dallas and I think I'll go over and see my old low hurdle record take a tumble.

There's a timber topper down at A.M. by the name of John Herring, who has been shooting at ole Burr Head's mark all season and something tells me that I'll be standing by when he sets a new one tomorrow afternoon. Naturally it will be tough to watch it go, but Herring is deserving of it so I won't fuss.

The Texas Longhorns loom as heavy favorites to cop the meet. They are the defending champions this year and

### Frog Tracksters To Go to Dallas

#### Register First Victory of Season in Meet With S.M.U.

Still somewhat elated over their decisive victory over the S. M. U. Mustangs last week, several members of the Frog track team will journey to Dallas today for the preliminaries of the Southwest Conference track and field meet which will be held at the Methodist institution over the weekend. The Frogs won their first dual meet of the season last week from the Mustangs with a 79-69 score.

George Kline and Louie Trainer garnered most of the points for the Frogs in the Pony mele, with Tony Vargas, Bill Anderson and several others contributing enough markers to roll up a large score for the Christian thinly clad. Vargas easily won the two-mile run, but was obliged to stay in second position as Charles Oswalt raced to victory in the four lap.

Kline won both hurdle events and the shot-put to carry off scoring honors for the day. Trainer won both dashes and ran the last leg of the 440-yard relay. It was his stirring finish that put the Frogs out in front in the shorter relay.

The Mustangs won the mile relay, but only after Robert Chappell had pulled a muscle. Robert Wilson, of the Mustang team, won the broad jump with a leap of 23 feet, 5 inches. Anderson was close on his heels with almost a 23-foot jump.

Coach Mack Clark has not definitely decided on which men he will enter in the meet tomorrow. He is certain of sending George Kline, Louie Trainer, Jewell Wallace, Robert Chappell and Bill Anderson. These men have been the most consistent point-gatherers for the Purple runners this season and the Purple mentor is expecting them to gather many points in the coming meet.

The Texas Longhorns loom as heavy favorites to cop the meet. They are the defending champions this year and

### Christian Gridsters End Practice Session

#### Needham, Green and Lawrence Score in Intersquad Tilt; Score Is 14 to 7.

Coaches Dutch Meyer and Bear Wolf brought their spring football session to a close Wednesday afternoon by staging a practice game between the veterans and the first-year men. The freshmen won 14 to 7.

Charley Needham and Clovis Green scored for the winners and Jimmy Lawrence tallied for the losers. Bob Jordan kicked the extra points for the frosh and Capt. Coleman converted after touchdown for the veterans.

The freshmen jumped into an early lead when Needham grabbed a basket pass intended for Lawrence and ran across the goal line standing up. The varsity team came back a few minutes later and marked up six points as a result of Lawrence's 80-yard run from an intended punting play. Late in the last quarter Sandy Hagler, stellar first-year pivot man, blocked a varsity punt and Green fell on the ball across the goal line for the winning touchdown.

The vicious line plunging of Donkey Roberts and the consistent line play of Cotton Harrison, Walter Roach, Green Hagler, Drew Ellis, Solon Holt and Needham was well worth watching. The fine defensive play of Sam Baugh and Scott McCall brought smiles to the faces of the Frog mentors. Wilson Groseclose and Tiny Godwin played a bang-up defensive game for the losers. The offensive play of Jimmy Lawrence proved that he has lost none of the zip that he had last year.

appear to be even stronger this season. The Texas Aggies have been up in the running all year and may give the Longhorns a hot race for points.

Due to lack of material, the Frogs aren't expected to be real contenders for the championship but will be up in the first division. Bad breaks have hampered the Frogs all season and will serve as further disadvantages in the conference gathering.

### T. C. U. Has Now Won 44 of 55 Games

T. C. U. has the best record in the Southwest Conference in athletics for the past five years. In that time the Horned Frog football team has won 44 out of 55 games played. The Christians, in conference competition, have won 22 games, lost five and tied two for a percentage of .793 for the five seasons.

During this period the Frogs have won two championships in football, two in basketball and one in baseball. The Christians finished first in the grid race in 1929 and 1932 and second in 1930 and 1931. No championship was awarded in 1933, but T. C. U. finished unofficially in a tie for second place.

In basketball the Frogs have won 41 conference games and lost 12 in the five-year period. They have rolled up 2,247 points to 1,833 for

their opponents. The Christians won the conference championship in 1931 and 1934 and finished second in 1932 and 1933.

"Dutch" Meyer, head varsity football and basketball coach next year, brought to T. C. U. her first conference baseball championship last year.

Coach Meyer, who for the past 10 years has taught the fundamentals of football and basketball to freshman athletes, succeeded Francis Schmidt as head coach at the University. Meyer-coached freshman teams have made records rivaled only by records made by the varsity.

Coach Raymond "Bear" Wolf, who moulded the famous T. C. U. line, will take over the duties of varsity baseball coach next season. He will also retain his duties as line coach.

WHERE THE RARE WINES come from they know that the two most important things in wine-making are the selection of the grapes and the long years of ageing in the wine cellars.

IT'S VERY MUCH THE SAME in the making of a cigarette. You have to get the right tobaccos, then put them away to age and mellow in wooden casks.

You can't make a good cigarette like Chesterfield in a day. It takes over two years to age the tobaccos for your Chesterfields—but it adds something to the taste and makes them milder.
