Lester Selected As All-American On Major Teams

Frog Center Named by A. P., I. N. S., N. Y. Sun and C. B. S.

Eligible Next Year

Johnny Vaught Only Other Toad to Receive Nation-Wide Recognition.

Darrell Lester, stalwart center of the Horned Frog eleven for the past two years, has been named on several of the principal all-American teams picked recently by expert observers of football throughout the Nation.

One of the first mythical elevens of the season, picked by the New York Sun, recognized Lester as the outstanding center in the country by placing him on the first team. This verdict has since been confirmed by both the Associated Press and International News Service, both of these organizations conceding Lester to be the class of America's crop of football centers.

Lester was also named on the all-American eleven announced on the Columbia Network and selected by Eddie Dooley, former all-American quarterback from Dartmouth.

The Associated Press all-American story carried the following comment on Lester:

"For the vital role at center the all-American spot goes to Darrell Lester, 215-pound powerhouse of the Texas Christian line which upset Rice. Lester stood out like a lighthouse all season, even when the Frogs were losing. He carried a terrific charge and outranked a group of fine pivots in the Southwest, including Coates of Texas, Arthur of Rice and Newby of Arkansas."

Lester is the first T. C. U. player in history to make the International News Service all-star team. In 1932 Johnny Vaught, Frog guard, received all-American recognition on several teams, among which was the New York Sun and A. P. selections.

The Big Jacksboro product has also been placed on the all-Southwest Conference eleven, by sports-writers, coaches and players. He has one more year of eligibility for T. C. U.

This Tux Problem

The dance next Saturday night is to be a formal affair for everyone. The occasion demands formality during the early part of the evening, and it has been decided that the entire evening shall be in keeping with the first part.

Christmas time always brings forth scores of formal occasions for the college and university sets. And every year hundreds of fellows begin to worry where the necessary attire, otherwise known as a "tux" is coming from. About this time of the year, many of them vow to write to Ole Santa for the desired present.

In previous years tuxedos were classed as luxuries. Only executives, officials and faculty members owned them. Some few boys really possessed one. Today the story is different. With our present social life what it is, a tux has become a necessity.

Each year 35 or 40 boys in the Men's Glee Club make an extended tour throughout the Southwest. All of these boys must wear formal suits. Some of them never have occasion to have them on again during the year. But the suits are necessary because of the type of program they present.

Fraternity men, in most cases, own a tux because many of their affairs demand the use of them. Since our school is free of Greek letter societies, the number of tuxes on this campus is limited. A tux is still a luxury to some of the boys.

Those who do not own a tux are those who do not have occasion for them. Everyone can not own a suit that is used only once or twice during the year. But everyone who would know the meaning of the word formal, could arrange to borrow, rent or "get" one for affairs that stress formality such as the one next Saturday night does.

So, fellows, rack your brain, stimulate some earnest thought on the matter, and get a tux for Saturday night. Yet's carry out the formal atmosphere to the letter and make our one "big" affair a complete success!

Huey Acts Again!

One of the best college publications in the South has been killed by suppression. That paper is The Reveille, student body publication at L. S. U. in Baton Rouge, La.

The staff of the paper rebelled against some of the acts of Kingfish Huey Long, who says that he has only an educational interest in the university, and set about to give its opinion of the highly publicized senator through the news columns.

Officials of the school, subject to the power wielded by Long, refused to allow any destructive criticism of Long's policies to appear in The Reveille. The staff was told it must accept censorship or resign. Twenty-six students resigned. Some of this number have been expelled from the institution. Still others have refused to withdraw their names from the petition advocating a complete death of The Reveille.

The Tulane Hullabaloo, student newspaper, commenting on the case says: "The editors of The Reveille have labored for the advancement of the interest of L. S. U. Their efforts count for nothing. They roused the ire of a 'higher and mightier' power, and out they go."

Because the high-minded students who were seeking the best for their school were intelligent enough to see the control that is rapidly becoming vested in the Long machine, they were ousted.

This controversy will surely leave its sting on the university. A blow such as the school has received will be hard to take. Huey Long stepped into the limelight again at the wrong time. He missed his cue, and thereby spoiled what had been, heretofore, an elaborate display of "Long's Home-Owned University."

T. C. U. Scores Again

The T. C. U. campus has become a virtual governmental recruiting ground.

Last week the third member of the faculty was granted leave of absence by the University to accept a governmental position. Prof. J. W. Ballard, head of the business administration department, left for Washington, D. C., Thanksgiving Day to join the review board of the Federal Home Loan Bank.

Besides being a recognized authority in his particular field, Prof. Ballard is one of the most popular faculty members on the campus.

Last year Dr. Edwin A. Elliott and Dr. Raymond Welty were appointed to key positions with the N. R. A. This governmental recognition speaks well not only for the individual professor but for the University as a whole.

Air Your Views

Maybe you think about as much action is coming out of the Student Council as emerges from a George Bernard Shaw play. Perhaps you think that some officer or group of officers is not representing the student body. Or again, you may feel that some change in the policy of the University would benefit the whole student body.

Purely altruistic thoughts, all of them. Granted that you have a grievance. Now, what are you going to do about it? Are you going to carry your grievance around with you, telling it to friends in your immediate circle, finally forgetting the matter altogether? If you take some other course of action, you are, indeed above the average.

Just because you are dissatisfied with things as they are going, you are not necessarily branded as a griper. If something is wrong and you are instrumental in correcting the evil, you have performed a service.

How many times have you grumbled and growled about something amiss on the campus? Now, how many times have you made a determined effort to correct the evil? Don't let your "kick" smoulder and finally die out. Place it before the whole student body. Write a letter to the Skiff Open Forum.

Don't assume the attitude that your pleas will be disregarded—that they carry no weight. As long as you have something to say you will be read. Single complaints can bear much weight. As John R. Tunis points out, individual complaints have been responsible for some of the greatest material progress in America. A "kick" coming from an obscure customer once caused a complete revision in the policy of a nation-wide hotel chain.

Out of The Past

By MARGARET BERRY

One Year Ago Today—Johnny Kitchen, Charlie Casper, and Bud Taylor were named on the Associated Press all-conference team.

The Popularity Revue carried out the idea of a Hollywood premiere and was hailed as the only full-dress affair of the school social calendar.

Dr. Edwin A. Elliott was appointed to an N. R. A. position.

Five Years Ago—Mrs. Induh Kim, Y. W. C. A. traveling secretary from Korea, complimented the University on its cultural and religious attitude.

Cy Leland was awarded the Houston Post-Dispatch loving cup for the most valuable Southwest Conference player.

Ten Years Ago—T. C. U. students were asked to lend a helping hand in the Near East Relief Fund.

The cross-word puzzle rage was sweeping the country, as shown by the number worked in classes.

This was a year of injuries for the struggling Frog eleven. The season record of injuries included six broken legs, three broken shoulders, two sprained knees, two ruptured kidneys, and a sprained ankle.

Fifteen Years Ago—

Two columns on the front page beamed the Frog 7-to-0 defeat at the hands of the big bad Baylor Bears.

There was no sports page in The Skiff and no mention of a mythical all-conference team, so evidently studies still preceded sports in student minds at this time!

"Gamecock" and bears a rooster as its emblem, crowing for a greater Carolina. Casey Stengel, manager of the Brooklyn Dodgers, failed to make the baseball team at the University of Wisconsin. The University of North Carolina is the oldest state university in America. Columbia University is the country's only national university.

Lariat 'Leven Lacks Lester; Likes Longies

A corsage of onions to the Baylor Lariat sports scribe who failed to include Lester on his all-conference team. . . . Oh, well, maybe that's the way he saw it. . . . Get C. H. Boyd, George Norris, and Bill Hudson to tell you about the barmaid who had them going in circles in a Dallas "restaurant." . . . Byron Buckeridge, frosh prexy, wore long underwear on the recent trip to Houston. . . . Margaret Anne Cogswell is developing quite a following. . . . George Dunlap turned his car over one day last week. . . . Miss Opal Gooden has enough personality for three persons. . . . It cost Fred Steen two milkshakes to have other senior class officers forget the barn dance idea. . . . Some of the beauty queens can't seem to make up their minds about their escorts. . . . There's quite a bit of rumpus about the formal dance after the revue. . . . Some of the students think they should be allowed to wear their own clothes to the affair. . . .

Dear Editor:

For many years it has been the custom of the T. C. U. student body to elect yell leaders. These three boys are not supposed to make school spirit by dancing around on the sidelines during a football game, but they are elected to lead practical yells which are the response of spirit which comes from within the individual.

May I take this opportunity to express my disgust for the three boys we have elected yell leaders this year? Unfortunately our football team has had an unsuccessful season; nevertheless, should our yell leaders fail to appear at the games and entirely disregard the duty to which

they were elected and for which duty they have finally received jackets for attempting to fulfill?

I feel that Tom Pickett, as head yell leader, owes some word of apology or explanation to the student body, the same student body that has elected him twice, in regard to his actions at the game this past Saturday.

The spirit was there as was illustrated by the attempts of students yelling to cheer our team to victory. Yes, the spirit was there, but where were the yell leaders?

yes, and
here's why—

We know that smoking a pipe is different from smoking a cigar or cigarette . . . and in trying to find the tobacco best suited for pipes . . .

We found out that the best tobacco for use in a pipe grows down in the Blue Grass Section of Kentucky, and it is called White Burley.

There is a certain kind of this tobacco that is between the tobacco used for cigarettes and the kind that is used for chewing tobacco.

This is the kind of tobacco that we use, year after year, for Granger Rough Cut. We got the right pipe tobacco, made it by the right process . . . Wellman's Process . . . we cut it right . . . rough cut.

The big Granger flakes have to burn cool and they certainly last longer, and never gum the pipe.

No Barn Dance for Seniors; Affair to Honor '35 Class

Attention, Seniors! And anyone else who cares to squander a few minutes of his most valuable time. But especially you seniors, 'cause tomorrow night is YOUR night.

Contrary to all such rumors as you have read, talked and listened to this week, the dance tomorrow night is to be a regular Student Council dance, honoring members of the senior class and the visiting Santa Clara team from the Coast. It WILL NOT be a barn dance! Regular admission charge of 40 cents a couple will be adhered to as usual.

Miss Edythe Black, Fred Steen and Lon Beavers have been scurrying about all week decorating our official "ballroom" in all sorts of novelty creations. The seniors are supposed to be all "aglitler" over the affair, if they're not it won't be the fault of the decoration committee. We can't tell the details, but we can tell you that it's going to be one of the most spectacular dances yet given on this campus.

So, come on out all you seniors, dignified or otherwise, and enjoy being in the limelight during the evening.

Was roaming around in Jarvis the other afternoon and was attracted by the scent of shellac originating from the north end of the first floor. Sure, you've already guessed it! I saw the new recreation room nearing a beautiful completion. The finishing touches are being rapidly applied each day and it won't be long now 'fore you, Jarvisites will be gliding gracefully across the freshly polished hardwoods.

The room will live through the years as one of your fondest memories of the good old school days. The dormitory girls and Mrs. Beckham are to be congratulated on their accomplishment. The room is a worthy contribution that will bring enjoyment to many for years to come.

Along! See you next week to give you some sidelights on our 17 popularity candidates, their gowns, accessories, music, etc.

Season's Finale For Frog Eleven To Be Tomorrow

Purples Face Strong Santa Clara Team in Last Game.

Broncs Arrive Today

Boast 7-to-7 Tie With Stanford Pacific's Representative in Rose Bowl.

By PAUL DONOVAN.

A colorful finale of the 1934 football season will be staged at 2:30 p. m. tomorrow on the Frog field when the Purple gridders meet the Santa Clara University eleven, one of the strongest teams on the Pacific coast.

Having brought their conference campaign to a close, the Frogs have

devoted the entire week to practicing for the Santa Clara game. Coaches Meyer and Wolf expect one of the toughest games of the year, and will call upon their full strength to combat the Broncs from California. It will be the Frogs' first test against a major sectional foe. Therefore the Purple mentors and players are anxious to gain a victory over their touted opponents.

The Santa Clara eleven has lost only one game this year, and they have to their credit a 7-to-7 tie with the powerful Stanford team, champions of the Pacific Coast Conference. The Broncs have ranked high on the west coast for the past few years, and this season they are rated as one of the strongest outfits in the country. They are coached by "Clipper" Smith of Notre Dame. Smith is assisted by L. T. Shaw, A. J. Ruffo and Joseph Paglia.

Coach Smith and a squad of 27 players will arrive in Fort Worth today in time for a work-out. He will have on hand a starting eleven that will average around 190 pounds and a select group of reserves for every position. Advance dope on the Broncs indicates that they play a wide open brand of football, featuring especially deceptive passes and end sweeps.

Coach Meyer will probably start the following line-up tomorrow:

Le, Walls; I, Truelson; Ig, Harrison; c, Lester; rg, Kellow; rt, Groseclose; re, Roach; qb, Capt. Coleman; lh, Kline; rh, Lawrence; and fb, Manton.

Donovan's DOPE

By PAUL DONOVAN.

WELL, it's over now and the Owls have won the crown, but we have the satisfaction of being the only team to beat the champions. What a game that was! Even if the championship had been at stake we could not have endured more agony than we all did in that last quarter while the Owls were pounding away at the Frogs and the minutes just refused to pass.

Whenever football is mentioned for years to come that Rice game will be talked over by all who were lucky enough to see it. Already countless stories have been written and told about it, and they will increase with the years. It stands out as the big thrill in football to those who sat in the stands and suffered happily through the struggle.

Such a game as that is good for the sport of football. It proved that we do not have to make a circus out of the game to make it interesting. It is generally believed that in order for football to be thrilling it must be made up of all sorts of passes; backwards, forwards, double, triple, etc. It's true that such an exhibition pleases the fans, but now we know that the real thrill comes when two teams play as evenly and ferociously as the Frogs and Owls did.

The only unpleasant feature of the game hardly needs mention now. Jimmy has already heard and read so much about the subject of socking officials that any further comment is unnecessary. Most of us feel the same way; why not leave it up to the authorities to settle it? Lawrence knows that he didn't do the right thing, and he has apologized. We agree that there should be a strict penalty for striking an official. We also contend that the authorities should consider the source of the trouble, the officiating itself.

There have been more complaints and criticisms of officials this year than we have ever heard before, for which there must be some cause. It is true that the officials can not possibly see and call every foul that is committed in a football game, but if observers in the press box can see the play the officials should be able to do so. Probably not so many times as the fans thought, but enough to justify a complaint.

The recent suggestion that a football commissioner be chosen for this conference seems a good one. The commissioner would be responsible for the officials chosen to call the games. He and his assistants would see to it that only the most competent men be entrusted with the job of officiating at the games.

T. C. U. also made the headlines this week when Darrell Lester was named on several all-American teams, notably the Associated Press eleven. If ever a player deserved the title of all-American it is Darrell. For two years he has been in the thick of the fighting for the Frogs, always alert, always hustling and always a little better than any opposition thrown against him. A whole column could be written about Darrell, but we will have to wait until another week. By next week he will have more honors bestowed on him, and will be in line for more congratulations.

Memories of the 1934 season: Sam Baugh's consistent and spectacular passing; Darrell Lester invariably shifting into the right spot to break up a play; Walter Roach knifing through the interference to make a tackle; Willie Walls pulling a pass out of the air; Drew Ellis and Solon Holt going into the game together and always playing good football; Jimmy Lawrence's running against Baylor and Rice; Taldon Manton breaking through the line for long gains against Texas; Wilson Groseclose playing hang-up football with a bunged-up face; Capt. Joe Coleman running a ball-carrier out of bounds, and others too numerous to mention.

It looks as if the "Fighting Irish" will be here tomorrow. The Santa Clara backfield includes such names as Salatino, Sobrero, Bosshardt and Falasci.

Miss Ruth Campbell spent the holidays in Troy as the guest of Miss Natalie Carter, an ex-student. Miss Mary Jarvis visited in Austin during the holidays.

15 Expected Out For Basketball

Truelson and Lester Only Two Regulars Back.

Fifteen cagers are expected to be on hand Monday afternoon when Coach "Dutch" Meyer launches the training season for the coming conference basketball campaign.

Capt. Judy Truelson and Darrell Lester are the only regulars from last year's champion team who will return to action. Lester was an all-conference center last year.

Most of Meyer's team will have to be molded from the group of sophomores coming up from last year's freshman team. Outstanding among the sophomores are Will Walls, Sam Baugh, Byrum Saam, Walter Roach, L. D. Meyer, Glenn Roberts and Vernon Brown. They will probably see much service before the season is over.

Others who are expected to report are Georg. Kline, Willis Cannon, Bob Stowe, Elmer Seybold, Bruce Scraft and Carsky Makarwich.

Although no practice games have been scheduled, Coach Meyer is making arrangements for some, and the team will probably be engaged in actual conflict before long.

Rice is expected to be the outstanding conference contender this year, having lost only one man from last year's team. S. M. U. will also be in the race with practically the same team she had last year.

The Frogs will meet Texas University in the conference opener, Jan. 7 in the T. C. U. Basketball Gymnasium.

Sharbutt Announcer On Columbia Network

Now Has Artists' Bureau Contract—Attended T. C. U. in '31 and '32.

With only three or four years of radio experience behind him, Delbert Sharbutt, T. C. U. student in 1931-32 and 1932-33, is now exclusive announcer for a number of commercial programs on the Columbia Broadcasting System.

Outstanding among the programs which he announces regularly is the program of dance music played by Isham Jones and his orchestra at 8:30 o'clock every Tuesday evening. Sharbutt's signature is "Del Sharbutt." This program can be heard

Cage Captain

Judy Truelson, senior, will lead the Horned Frog cagers in their 1934-35 campaign.

by Fort Worth listeners over KRLD, Dallas.

In addition to announcing, Sharbutt is doing production work and has signed a two-year contract with the C. B. S. Artists' Bureau.

His radio career began while he was a student in T. C. U. While in the University he was connected at different times with stations WBAP and KTAT.

When the Southwest Broadcasting Company network was organized in 1932, Sharbutt was given a position as announcer over KTAT. After a short time he was transferred to station KOMA, Oklahoma City.

Since then he has held position as chief announcer of station WJJD, Chicago, and as announcer for a regional network in Detroit.

After one audition he was put on the Columbia staff in Chicago. After a few weeks he was transferred to New York City, where he is now stationed.

While in T. C. U. Sharbutt was a member of the Horned Frog Band. He also took an interest in dramatics, appearing in one of the leading roles of "Moonlight Mesa," T. C. U.'s first original light opera.

S. M. U. Game Ends Conference Race

Frogs Win From Owls, Lose to Mustangs in Final Tilts.

A thrilling 7-to-2 victory over the Rice Owls and a 19-to-0 loss to S. M. U. brought to a close the Horned Frogs 1934 conference football campaign.

On Nov. 24 the Frogs met the champion Owls in Houston, and after four quarters of fierce football they emerged victors. It was the only game the Rice eleven lost all year. However, the Owls whipped Baylor the next week to win the championship, the first a Rice team has ever won.

Doped by most experts to lose by several touchdowns, the Frogs jumped into the lead in the opening minutes of the game and valiantly turned back every Rice threat during the remainder of the game. The Meyermen displayed the best football of the year against the Owls, every man on the team playing in spectacular fashion. There were individual stars among the Frogs, but it was the brilliant playing of the entire squad which brought the victory to T. C. U.

Frogs Score Early.

On their first offensive chance of the game the Frogs marched to a touchdown. The Owls had puffed over the goal line, giving the Meyermen the ball on their own 20-yard line. A series of reverses and off-tackle drives were immediately uncoiled, and the Owls found themselves being steadily pushed back by the force of the drives. Jimmy Lawrence and Taldon Manton were the principal ball carriers in the touchdown march. Lawrence himself gained 48 yards in four consecutive plays. It was he who scored the touchdown, and Manton who added the extra point.

The Owls came back fighting, and although they kept the ball the greater portion of the time, they didn't threaten seriously until the fourth quarter. In this final period they kept the ball in Purple territory practically every minute, but the only score they could make was a safety, and this a donation on the part of the Frogs.

With about five minutes left to play, the Purple took the ball on their own two-yard line. Instead of punting out against a stiff wind, Capt. Joe Coleman dropped back and grounded the ball behind the goal line, giving the Owls two points.

Owls Make Desperate Attempt.

Needing only one touchdown to win at this point, the Owls turned on all

the steam available, but even the brilliant running of Wallace and McCauley failed to penetrate the Purple defense. Walter Roach, Darrell Lester and Wilson Groseclose were the most consistent thorns in the sides of the Owls, but they were aided heroically by the entire Frog line.

The situation was reversed Saturday in Dallas when the Frogs ran up against an S. M. U. team at its best. Before the game was five minutes old the Mustangs had crossed the goal line twice for 12 points. Both of the scores came on long runs, the first by Whitey Baccis and the second by J. R. Smith, and both were made behind perfect blocking. A strong south wind, which made kicking difficult for the Frogs in the first period, paved the way for both S. M. U. scores.

Frog Punting Unsuccessful.

The Mustangs punted first, and the ball was killed on the one-yard line. Roach's return punt went only to the 22-yard line. From here the Ponies went across in two plays. It was the same story after the next kickoff. The Frogs received and were unable to kick out of their own territory. Smith galloped over from the 32-yard line.

The Meyermen had the advantage of the wind in the second and third quarters, but their offense failed to function against the fighting Mustangs. The final score was made in the last period when the teams changed goals again. Dutch Kline, Frog halfback, fumbled on his own 16-yard line, and the Mustangs recovered. Shuford, the Ponies' all-conference fullback, then took matters in his own hands, and in three plays added another touchdown. Orr converted to end the scoring.

Sophs, Juniors Beat Frosh and Seniors

Second-Year Men Still Hold First Place in Intramural Race.

Standings in the intramural tag football race were unchanged by this week's games, the Sophomores and Juniors, holders of first and second place, winning their games with the Freshmen and Seniors.

Both games were easy for the winners, the Sophs trouncing the Frosh 26 to 13 and the Juniors walloping the Seniors 40 to 7.

Byrum Saam, Frank Floyd, Ray Wester and Buck Roberson were outstanding for the Sophomores. Saam surprised the Frosh with four successive short passes in which he made both the throw and the catch. These resulted in one of the Soph touchdowns. Don McLeland, Bennett Rogers and Woodrow Lipscomb played outstanding games for the Frosh.

Ronald Wheeler was the mainstay of the Junior attack on the Seniors, making two touchdowns and scoring one point after touchdown. One of the touchdowns was the result of a brilliant 50-yard run. Jimmie Jacks, John Knowles, Louie Trainer and Orville Paty also played consistent games for the Juniors. Leonard Wallace and John Durrett were responsible for the lone Senior tally.

| Standings in the race are as follows: | | |
|---------------------------------------|-----|------|
| | Won | Lost |
| Sophomores | 7 | 1 |
| Juniors | 6 | 2 |
| Freshmen | 4 | 4 |

They ought to know—

MANY men of the South have been "in tobacco" for years—growing tobacco and curing it—buying it and selling it—until they know tobacco from A to Izzard.

Now folks who have been in tobacco all their lives, folks who grow it, know there is no substitute for mild ripe tobacco.

And down in the South where they grow tobacco and where they ought to know something about it—in most places Chesterfield is the largest-selling cigarette.

Frog Gridsters Pick All-Opponent Team

Wallace, Miller and Benton Are Unanimous Choices For Berths.

Members of the Horned Frog football team this week voted on an all-opponent eleven made up of Southwest Conference players.

The following players were selected by the Frogs as outstanding in the conference at their positions:

Ends: Sanger, Texas, and Fugus, S. M. U.; tackles: Miller, Rice, and Benton, Arkansas; guards: Wetzell, S. M. U., and Spivey, Arkansas; center: Newby, Arkansas; quarterback: McCauley, Rice; halfbacks: Wallace, Rice, and Wolfe, Texas; fullback: Shuford, S. M. U.

The race for the center and quarterback positions proved to be the closest of all, with Newby winning by only three votes over Coates of Texas at center. McCauley nosed out Pearce of Baylor for the quarterback position by only one vote.

Three of the choices on the all-star team were unanimous; Wallace at halfback, Miller at tackle and Benton at tackle. Shuford, fullback, fell one short of joining the unanimous group.

Others who received votes for the mythical team were ends Rucker, Arkansas, and Stein, Rice; guards: Bale, Rice, and Simpson, Baylor; quarterback: Couser, A. & M., and Smith, S. M. U.; halfbacks: Hilliard, Texas, and Gore, S. M. U.

Sophs Will Meet Monday

Plans for a social to be given Jan. 5 will be discussed at a meeting of the sophomore class at 10 o'clock Monday in the Auditorium.

Hutton Leads Program

"How Our Bibles Came to Us," Topic at Wills Point.

Registrar S. W. Hutton conducted a special Bible program last Sunday morning at the First Christian Church at Wills Point.

The entire program was built around the address given by Hutton entitled, "How Our Bibles Came to Us." Biblical songs, readings and special Bible salutes were included on the program.

A display of 25 different types of Bibles including ones written in Yiddish, Greek, Latin, German and Anglo-Saxon was shown to the congregation. The oldest Bible on display was a Latin one published in 1491.

Hutton also conducted the devotional part of the program given at the meeting of the Van Zandt County Council of the Parent-Teacher Association in Wills Point Saturday morning.

Several State officers of the Texas Association were present. The guest speaker was Morgan Sanders who is a representative from the district in which Van Zandt County is a part, Hutton said.

Report of T. C. U. Well Received

Southern Association Is Invited to Fort Worth in 1936.

T. C. U.'s report to the Southern Association of Colleges and Secondary Schools last week was favorably received, according to Dean Colby D. Hall, who represented the University at the annual meeting in Atlanta, Ga.

Dean Hall was vice-president of the association during the past year, and also served as chairman of the committee on resolutions. He has served as chairman of the committee on standards for 12 years. At the recent convention he presided at the banquet program.

T. C. U. is a member of this association, which is the standardizing body for all colleges and universities in the South. T. C. U. is also on the approved list of the Association of American Universities, which admits only those colleges and universities which prepare properly for graduate work. There are only six Texas colleges on this approved list, Dean Hall reported.

Two Texas junior colleges were admitted to the Southern Association this year. They are: Paris Junior College and Schreiner Institute at Kerrville.

The Southern Association met in Fort Worth in 1928, the first and only time a meeting has been held west of the Mississippi. It has been invited here again in 1936, during the Centennial year, Dean Hall said.

Sports Scribes' Pre-season Dope Overlooked Rice

Late last August J. Willard Ridings, T. C. U. publicity director, asked Southwest sports writers to make a prediction as to how the seven teams would finish the 1934 football season. Some 50 sent in their selections.

The consensus pick and the actual order in which the teams finished is presented here side by side. The placing of Rice was the big error, but the list as a whole shows a rather remarkable pre-season evaluation of the conference strength. Four of the seven teams actually finished in the places assigned them in August.

Table with 2 columns: Pre-season Consensus, Final Standing. Lists teams like S. M. U., Texas, A. & M., T. C. U., Arkansas, Rice, Baylor.

Represent 39 Clubs

Five Students Head two Organizations Each—Many Hold Other Offices.

Students who are leaders in one club can usually be found on the roster and often in the list of officers of a number of other campus organizations. In other words, the majority of club presidents are "organizationites" in a big way!

Five prominent students on the campus hold the presidency of two organizations each. Weldon Allen is prexy of Los Hidalgos and the Men's Glee Club; Arle Brooks of B. C. B. and the Mellorists; Gaines Sparks holds the number one office in the Parabola Club and the Scholarship Society; Miss Kathryn Edwards is the leader of the Dana Press Club and the Outcasts, and Miss Anna Byrd Harness heads the Y. W. C. A. and is editor of the Horned Frog.

Other Heads Listed.

Campus Couples Create Classes In Coziest Cars

The winter course in campusology has begun since the arrival of Jack Frost, with nightly classes held in the individual classrooms-for-two parked in front of the library along University Drive.

The cold, wintry blasts from the north have driven the dormitory students from the cozy corners of the campus to the warmth and seclusion of the family wreck of some studious town student.

Some of the more enthusiastic campusologists have suggested that a drive be started for more and better shades on the windows of Fort Worth automobiles.

Tournament Will Be Held at Baylor in January.

Fallis to Be in Charge

Armaments Will Be Official Subject for Entries in Debate Section.

Prof. Lew D. Fallis has issued a call to all persons in the University interested in public speaking of any kind to try for the opportunity of representing T. C. U. in a public speaking tournament to be held at Baylor University in January.

"We would like to have a representation in the debating, extemporaneous speaking and reading divisions of the tournament," Fallis said. "We would like especially to enter a debating team if two persons could have the official Pi Kappa Delta subject on armaments prepared by that time."

Anyone taking part in the tournament will be given opportunity of entering Pi Kappa Delta, the national debating fraternity.

Granville Walker, winner of the Gough Oratorical Contest for the past two years, will probably represent the University in extemporaneous speaking.

Students interested in entering the contest are asked to see Prof. Fallis; Dr. Allen True or W. A. Welch as early as possible. Try-outs for the events will be held immediately after the Christmas holidays.

Prof. Fallis has requested that students interested in entering the Gough Oratorical Contest, to be held in the spring, see him as soon as possible and start working on their orations immediately.

Internationalists Show Activities In Big Scrapbook

A scrap book kept by members of the International Relations Club as a record of last year's activities shows why the club is often known as the most active on the campus.

Clippings on all the events of the year reveal that the convention at Little Rock, with Miss Louise Cauker and Nat Wells as delegates, and the press fight between members of the club and the American Legion were the high points of the year's activities.

The beginning of the Youths' Forum program over KFJZ which is being presented this year also marked a forward step for the club.

A group of Internationalists sent letters of protest to Arthur Brisbane who had been filling his column with war propaganda and a telegram to President Franklin D. Roosevelt asking him to send Norman Davis and Miss Woolley back to the Geneva Peace Conference.

The Star-Telegram conducted a series of interviews with T. C. U. students asking them questions on current problems. Internationalists interviewed were Roy O'Brien, Nat Wells, Fred Cassidy and R. L. Trimble.

Important speakers on programs sponsored by the club included Dr. Karl Ashburn of S. M. U. and Ernest Uiberall, Austrian scholar and student of the University of Vienna.

Miss Lou Blumberg, student of T. C. U. last year, was elected president of the Southwest Conference of International Relations Clubs at the Little Rock Convention. Since she did not return to school this year, Hubert Stem was elected to take her place. The convention of the club this year will be held at T. C. U. in the spring.

Prof. Charles R. Sherer will act as master of ceremonies and Ronald Wheeler and his Varsityians will furnish music for the gala occasion.

Revue Is Not Formal

"You do not have to dress formally to attend the revue; so please don't stay away if you don't have access to a tuxedo," pleads Miss Anna Byrd Harness, Horned Frog editor.

Tickets to the revue may be purchased from members of the Horned Frog Staff for 25 cents. A group of professional entertainers will be presented during the intermission.

Coaching Shake-up at T. C. U. Is Year's Biggest News

The shakeup in the T. C. U. coaching staff following Coach Francis Schmidt's resignation in March was one of the biggest stories that appeared in The Skiff during 1934, a resume of the year's activities on the campus shows. The Frogs' winning the basketball championship for the second time in the University's history also brought forth much comment on The Skiff.

The account of T. C. U.'s first dance last May and Darrell Lester's being named all-American were other high spots in the year's news. The story that called for most comment in the downtown papers was the American Legion-International Relations Club controversy in March. Here are some of the things 1934 brought forth:

January: Joe Coleman and Rex Clark are named captain and sub-captain of the 1934 Horned Frog grid team.

February: Francis S. Harmon, international Y. M. C. A. secretary speaks. "Frogs' Fun Farce" held. Charles Morris made T. C. U. field representative. Twenty students attend International Relations convention in Little Rock, Ark. Students get F. E. R. A. work.

March: Judy Truelson and Darrell Lester made captain and sub-captain of 1935 Frog basketball team. Freshman President evades would-be abductors at annual banquet. Southwest Exposition track and field meet is held. Richard Allison and Wallace Myers make all-conference basketball team.

April: Miss Mary Seidel represents T. C. U. at A. & M. Cotton Ball. Miss Juanita Freeman attends Texas Roundup at T. C. U. representative. Dr. Raymond Welty accepts position with N. R. A. Men's Glee Club leaves for a 12-day tour. Sigma Tau Delta holds district meeting on campus. Nation-wide sophomore tests are held. Sherwood Eddy speaks in auditorium. Dr. Allen True takes over history classes of Dr. Welty. North Texas Student Conference meets on campus. Howard Grubbs is named freshman coach. "Just Us Nuts," original comic opera by Dan Gillis is presented. Student election held.

May: Spring pageant is held. First annual Journalism Day is held on campus. "Yellow Peril" makes initial appearance. David Scouler, director of Men's Glee Club, is granted leave of absence. Students announce plans for the summer.

June: Lester is first sophomore to letter in three major sports. Dr. L. N. D. Wells addresses graduates. The Rev. J. William Stevens is baccalaureate speaker.

September: Students dance at annual Freshman Prom. Four new members are added to T. C. U. faculty. Miss Helen Moody re-elected band sweetheart.

October: T. C. U. program presented over station WSM. Houston is chosen for official student body trip.

November: Baylor student body comes to T. C. U. Recreation room in Jarvis Hall started. Homecoming Day brings many exes back to campus. Texas beats Frogs 20 to 19. December: Horned Frog popularity revue is held. Prof. J. W. Ballard granted leave of absence. Frogs beat Santa Clara.

Season's Finale For Frog Eleven To Be Tomorrow

Purples Face Strong Santa Clara Team in Last Game.

Broncs Arrive Today

Boast 7-to-7 Tie With Stanford Pacific's Representative in Rose Bowl.

By PAUL DONOVAN.

A colorful finale of the 1934 football season will be staged at 2:30 p. m. tomorrow on the Frog field when the Purple gridgers meet the Santa Clara University eleven, one of the strongest teams on the Pacific coast.

Having brought their conference campaign to a close, the Frogs have

devoted the entire week to practicing for the Santa Clara game. Coaches Meyer and Wolf expect one of the toughest games of the year, and will call upon their full strength to combat the Broncs from California. It will be the Frogs' first test against a major intersectional foe. Therefore the Purple mentors and players are anxious to gain a victory over their touted opponents.

The Santa Clara eleven has lost only one game this year, and they have to their credit a 7-to-7 tie with the powerful Stanford team, champions of the Pacific Coast Conference. The Broncs have ranked high on the west coast for the past few years, and this season they are rated as one of the strongest outfits in the country. They are coached by "Clipper" Smith of Notre Dame. Smith is assisted by L. T. Shaw, A. J. Ruffo and Joseph Paglia.

Coch Smith and a squad of 27 players will arrive in Fort Worth today in time for a work-out. He will have on hand a starting eleven that will average around 190 pounds and a select group of reserves for every position. Advance dope on the Broncs indicates that they play a wide open brand of football, featuring especially deceptive passes and end sweeps.

Coch Meyer will probably start the following line-up tomorrow:

Le, Walls; lt, Truelson; lg, Harrison; c, Lester; rg, Kellow; rt, Groseclose; re, Roach; qb, Capt. Coleman; lb, Kline; rh, Lawrence; and fb, Manton.

Donovan's DOPE

By PAUL DONOVAN.

WELL, it's over now and the Owls have won the crown, but we have the satisfaction of being the only team to beat the champions. What a game that was! Even if the championship had been at stake we could not have endured more agony than we all did in that last quarter while the Owls were pounding away at the Frogs and the minutes just refused to pass. Whenever football is mentioned there comes that Rice game will be talked over by all who were lucky enough to see it. Already countless stories have been written and told about it, and they will increase with the years. It stands out as the big thrill in football to those who sat in the stands and suffered happily through the struggle.

Such a game as that is good for the sport of football. It proved that we do not have to make a circus out of the game to make it interesting. It is generally believed that in order for football to be thrilling it must be made up of all sorts of passes; backwards, forwards, double, triple, etc. It's true that such an exhibition pleases the fans, but now we know that the real thrill comes when two teams play as evenly and ferociously as the Frogs and Owls did.

The only unpleasant feature of the game hardly needs mention now. Jimmy has already heard and read so much about the subject of socking officials that any further comment is unnecessary. Most of us feel the same way; why not leave it up to the authorities to settle it? Lawrence knows that he didn't do the right thing, and he has apologized. We agree that there should be a strict penalty for striking an official. We also contend that the authorities should consider the source of the trouble, the officiating itself.

There have been more complaints and criticisms of officials this year than we have ever heard before, for which there must be some cause. It is true that the officials can not possibly see and call every foul that is committed in a football game, but if observers in the press box can see the play the officials should be able to. Several times this year they didn't do so. Probably not so many times as the fans thought, but enough to justify a complaint.

The recent suggestion that a football commissioner be chosen for this conference seems a good one. The commissioner would be responsible for the officials chosen to call the games. He and his assistants would see to it that only the most competent men be entrusted with the job of officiating at the games.

T. C. U. also made the headlines this week when Darrell Lester was named on several all-American teams, notably the Associated Press eleven. If ever a player deserved the title of all-American it is Darrell. For two years he has been in the thick of the fighting for the Frogs, always alert, always hustling and always a little better than any opposition thrown against him. A whole column could be written about Darrell, but we will have to wait until another week. By next week he will have more honors bestowed on him, and will be in line for more congratulations.

Memories of the 1934 season: Sam Baugh's consistent and spectacular passing; Darrell Lester invariably shifting into the right spot to break up a play; Walter Roach knifing through the interference to make a tackle; Willie Walls pulling a pass out of the air; Drew Ellis and Solon Holt going into the game together and always playing good football; Jimmy Lawrence's running against Baylor and Rice; Taldon Manton breaking through the line for long gains against Texas; Wilson Groseclose playing bang-up football with a bunged-up face; Capt. Joe Coleman running a ball-carrier out of bounds, and others too numerous to mention. It looks as if the "Fighting Irish" will be hers tomorrow. The Santa Clara backfield includes such names as Salatino, Sobrero, Bosshardt and Falaschi.

Miss Ruth Campbell spent the holidays in Troy as the guest of Miss Natalie Carter, an ex-student. Miss Mary Jarvis visited in Austin during the holidays.

15 Expected Out For Basketball

Truelson and Lester Only Two Regulars Back.

Fifteen cagers are expected to be on hand Monday afternoon when Coach "Dutch" Meyer launches the training season for the coming conference basketball campaign.

Capt. Judy Truelson and Darrell Lester are the only regulars from last year's champion, who will return to action. Lester was an all-conference center last year.

Most of Meyer's team will have to be molded from the group of sophomores coming up from last year's freshman team. Outstanding among the sophomores are Will Walls, Sam Baugh, Byrum Saam, Walter Roach, L. D. Meyer, Glenn Roberts and Vernon Brown. They will probably see much service before the season is over.

Others who are expected to report are George Kline, Willis Cannon, Bob Stowe, Elmer Seybold, Bruce Seraford and Carsky Makarwich.

Although no practice games have been scheduled, Coach Meyer is making arrangements for some, and the team will probably be engaged in actual conflict before long.

Rice is expected to be the outstanding conference contender this year, having lost only one man from last year's team. S. M. U. will also be in the race with practically the same team she had last year.

The Frogs will meet Texas University in the conference opener, Jan. 7 in the T. C. U. Basketball Gymnasium.

Sharbutt Announcer On Columbia Network

Now Has Artists' Bureau Contract—Attended T. C. U. in '31 and '32.

With only three or four years of radio experience behind him, Delbert Sharbutt, T. C. U. student in 1931-32 and 1932-33, is now exclusive announcer for a number of commercial programs on the Columbia Broadcasting System.

Outstanding among the programs which he announces regularly is the program of dance music played by Isham Jones and his orchestra at 8:30 o'clock every Tuesday evening. Sharbutt's signature is "Del Sharbutt." This program can be heard

by Fort Worth listeners over KRLD, Dallas.

In addition to announcing, Sharbutt is doing production work and has signed a two-year contract with the C. B. S. Artists' Bureau.

His radio career began while he was a student in T. C. U. While in the University he was connected at different times with stations WBAP and KTAT.

When the Southwest Broadcasting Company network was organized in 1932, Sharbutt was given a position as announcer over KTAT. After a short time he was transferred to station KOMA, Oklahoma City.

Since then he has held position as chief announcer of station WJJD, Chicago, and as announcer for a regional network in Detroit.

After one audition he was put on the Columbia staff in Chicago. After a few weeks he was transferred to New York City, where he is now stationed.

While in T. C. U. Sharbutt was a member of the Horned Frog Band. He also took an interest in dramas, appearing in one of the leading roles of "Moonlight Mesa," T. C. U.'s first original light opera.

S. M. U. Game Ends Conference Race

Frogs Win From Owls, Lose to Mustangs in Final Tilts.

A thrilling 7-to-2 victory over the Rice Owls and a 19-to-0 loss to S. M. U. brought to a close the Horned Frogs 1934 conference football campaign.

On Nov. 24 the Frogs met the champion Owls in Houston, and after four quarters of fierce football they emerged victors. It was the only game the Rice eleven lost all year. However, the Owls whipped Baylor the next week to win the championship, the first a Rice team has ever won.

Doped by most experts to lose by several touchdowns, the Frogs jumped into the lead in the opening minutes of the game and valiantly turned back every Rice threat during the remainder of the game. The Meyermen displayed the best football of the year against the Owls, every man on the team playing in spectacular fashion. There were individual stars among the Frogs, but it was the brilliant playing of the entire squad which brought the victory to T. C. U.

Frogs Score Early. On their first offensive chance of the game the Frogs marched to a touchdown. The Owls had punted over the goal line, giving the Meyermen the ball on their own 20-yard line. A series of reverses and off-tackle drives were immediately uncoiled, and the Owls found themselves being steadily pushed back by the force of the drives. Jimmy Lawrence and Taldon Manton were the principal ball carriers in the touchdown march. Lawrence himself gained 48 yards in four consecutive plays. It was he who scored the touchdown, and Manton who added the extra point.

The Owls came back fighting, and although they kept the ball the greater portion of the time, they didn't threaten seriously until the fourth quarter. In this final period they kept the ball in Purple territory practically every minute, but the only score they could make was a safety, and this a donation on the part of the Frogs.

With about five minutes left to play, the Purple took the ball on their own two-yard line. Instead of punting out against a stiff wind, Capt. Joe Coleman dropped back and grounded the ball behind the goal line, giving the Owls two points.

Owls Make Desperate Attempt. Needing only one touchdown to win at this point, the Owls turned on all

the steam available, but even the brilliant running of Wallace and McCauley failed to penetrate the Purple defense. Walter Roach, Darrell Lester and Wilson Groseclose were the most consistent thorns in the sides of the Owls, but they were aided heroically by the entire Frog line.

The situation was reversed Saturday in Dallas when the Frogs ran up against an S. M. U. team at its best. Before the game was five minutes old the Mustangs had crossed the goal line twice for 12 points. Both of the scores came on long runs, the first by Whitey Baccus and the second by J. R. Smith, and both were made behind perfect blocking. A strong south wind, which made kicking difficult for the Frogs in the first period, paved the way for both S. M. U. scores.

Frog Punting Unsuccessful. The Mustangs punted first, and the ball was killed on the one-yard line. Roach's return punt went only to the 22-yard line. From here the Ponies went across in two plays. It was the same story after the next kickoff. The Frogs received and were unable to kick out of their own territory. Smith galloped over from the 42-yard line.

The Meyermen had the advantage of the wind in the second and third quarters, but their offense failed to function against the fighting Mustangs. The final score was made in the last period when the teams changed goals again. Dutch Kline, Frog halfback, fumbled on his own 16-yard line, and the Mustangs recovered. Shuford, the Ponies' all-conference fullback, then took matters in his own hands, and in three plays added another touchdown. Orr converted to end the scoring.

Sophs, Juniors Beat Frosh and Seniors

Second-Year Men Still Hold First Place in Intramural Race.

Standings in the intramural tag football race were unchanged by this week's games, the Sophomores and Juniors, holders of first and second place, winning their games with the Freshmen and Seniors.

Both games were easy for the winners, the Sophs trouncing the Frosh 26 to 13 and the Juniors walloping the Seniors 40 to 7.

Byrum Saam, Frank Floyd, Ray Wester and Buck Roberson were outstanding for the Sophomores. Saam surprised the Frosh with four successive short passes in which he made both the throw and the catch. These resulted in one of the Soph touchdowns. Don McLeland, Bennett Rogers and Woodrow Lipscomb played outstanding games for the Frosh.

Ronald Wheeler was the mainstay of the Junior attack on the Seniors, making two touchdowns and scoring one point after touchdown. One of the touchdowns was the result of a brilliant 50-yard run. Jimmie Jacks, John Knowles, Louie Trainer and Orville Paty also played consistent games for the Juniors. Leonard Wallace and John Durrett were responsible for the lone Senior tally.

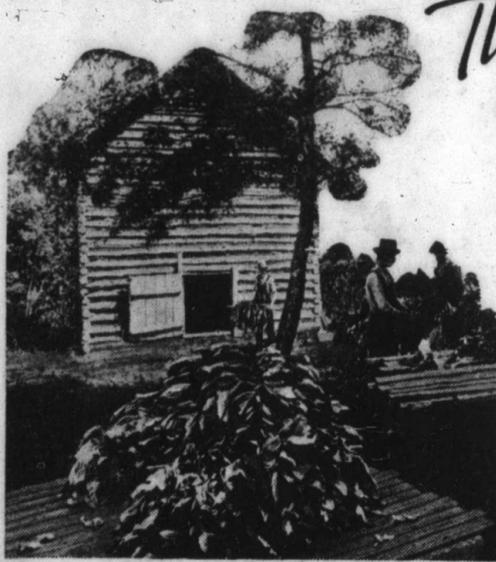

Standings in the race are as follows:

| | Won | Lost | Pct. |
|------------|-----|------|------|
| Sophomores | 7 | 1 | .875 |
| Juniors | 6 | 2 | .750 |
| Freshmen | 4 | 4 | .500 |
| Seniors | 0 | 8 | .000 |

Harvesting tobacco and packing it in the barn for curing—and (below) a scene at a Southern tobacco auction.

MANY men of the South have been "in tobacco" for years—growing tobacco and curing it—buying it and selling it—until they know tobacco from A to Izzard.

Now folks who have been in tobacco all their lives, folks who grow it, know there is no substitute for mild ripe tobacco.

And down in the South where they grow tobacco and where they ought to know something about it—in most places Chesterfield is the largest-selling cigarette.
