Men's Glee Club Leaves Thursday For 9-Day Tour

Texas Composers' Assn. Will Hear Group April 5.

11 Towns on Tour

Program Includes Classics, Folk Songs, College Hymns and Various Solos.

The Men's Glee Club will leave in a chartered bus early Thursday morning for Coleman where at 8 p. m. it will present the first concert on its nine-day tour of West Texas. The glee club will return to Fort Worth April 12.

About twenty concerts will be sung by the club during the nine days. Programs will be presented in 11 towns. The towns to be visited are Coleman, Ballinger, San Angelo, Mertzon, Sterling City, Abilene, Sweetwater, Lubbock, Plainview, Snyder and Breckinridge.

Group to Sing at Music Convention.

The most important appearance of the club will be made in San Angelo next Saturday night when it sings for the Texas Composers' Association at the State Convention of Federated Music Clubs. W. J. Marsh, director of the glee club, will have charge of the composers program.

The program for the concerts will be featured by Wagner's "Battle Hymn" from "Rienzi," and "Oh, Hail Us Ye Free," by Verdi. "The Captain of the Ben-ma-cree," a descriptive song of the sea written by Marsh, will also be featured.

Prof. Keith Mixson will travel with the club as piano soloist and accompanist. Elton Beene will appear as trumpet soloist. Raymond Steward, Harley Patterson and John Crawford will be vocal soloists.

Various Selections on Program.

Other numbers on the program are: The T. C. U. "Alma Mater Hymn"; an arrangement of "Home on the Range," by David Guion; "The Rosary," by Nevin; "On Wings of Song," by Mendelssohn; "Sanctus," by Gounod; "Thanks Be to God," by Dickson; "Dear Land of Home," by Sibelius; "Out of the Night," by Ellis-Nash, and "Rose of My Heart," by Lohr.

A group of specialty numbers, including "Grandfather's Clock," by Work-Parks; "White in the Moon the Long Road Lies," by Fox; "Hands Across the Table," a popular selection; "Mandy Lou," a love song by Work, and a medley of college fight songs will complete the program.

Study Club Donates \$10 to T. C. U. Library

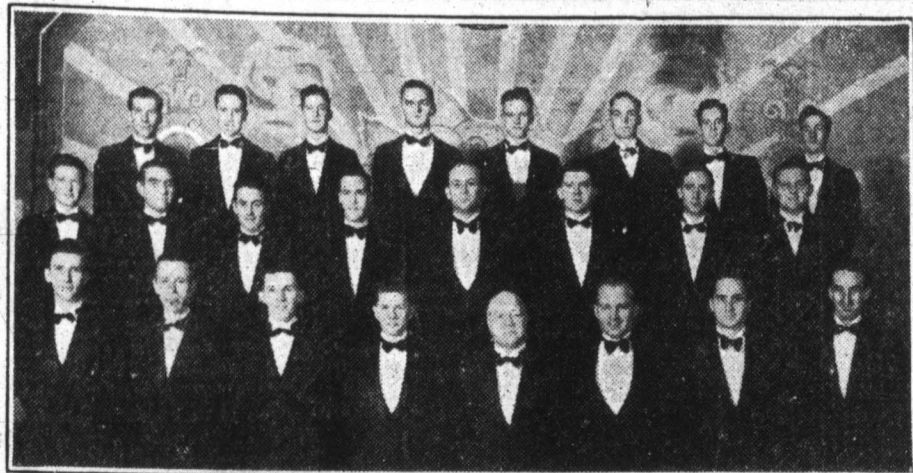

The book department of the University Place Study Club recently presented the Mary Coats Burnett Library with a gift of \$10, to be used for the purchase of books. Mrs. E. I. Conkling is president of the club.

This is the second donation the library has received from the club, which presented a similar gift last year.

All-School Dance Tomorrow Night

Freshman Class Will Sponsor Affair in Gym.

An all-student dance, which is being sponsored by the class of '38 and the Student Council, will be held tomorrow evening in the Basketball Gymnasium.

At a meeting of the class Wednesday the following committees were announced: Floor committee, Lawrence King, Charles Mosshart, John Gardner and William Dingledebe, and decorations committee, Misses Mary Beth Holmes, Sara King and Margaret Hall, and George Dunlap, Mason Mayne, Bobby Bass, George Beavers and Grover C. Lee. Mosshart, vice-president, presided. Jack Langdon, student body president, presented details of the dance to members of the class.

Cast Is Selected For "Applesauce"

"College Prom" to Be Presented at Next Meeting of Dramatic Club.

The cast of "Applesauce," a play to be presented by the Dramatic Club in April, has been announced by Miss Bernice Armstrong. Members of the cast are: Miss Mary Corzine, Miss Helen Adams, Mrs. Lorena Shaw, Cleve Bachman, Waller Moody, Elmer Seybold and Billy Gilliland. Miss Madalyn Whitener will direct the play.

"College Prom," an original play written by Grover C. Lee, and revised by Elizabeth Bryan, will be given at the next meeting of the Dramatic Club April 5. Those appearing in the play are: Miss Ruth Connor, Miss Helen Adams, Jimmy Lore, Joe Brown, George Beavers and Tom Pickett.

Dean Hall to Atlanta

Will Attend Called Meeting of Graduate Schools in Region.

Dean Colby D. Hall will leave Thursday for Atlanta, Ga., where he will attend a called meeting April 6 of the graduate schools in the territory of the Southern Association. President P. H. Few, president of Duke University, will preside at the conference.

On April 12 and 13 Dean Hall will attend the annual meeting of the Association of Texas Colleges at the Baker Hotel in Dallas. He will address the assembly at the opening session on "The Application of the New Principles of Accrediting to the Association of Texas Colleges, Based on the North Central Report." As chairman of the committee on standards and classification, he will make his annual report.

To Talk on "Funerals"

The Rev. Perry E. Gresham will speak to members of the Timothy Club at 7 o'clock Monday evening on "Funeral Conducting." An undertaker will assist him in illustrating the regular equipment necessary to the service.

Bandsman Bacus Forced to "Tell It to the Judge"

Even the Horned Frog Band is not immune from the curse of receiving traffic tickets.

Hays Bacus was made a firm believer in this fact one night last week when he drove the truck carrying the band to the Fat Stock Show. A conscientious young officer of the law in discharge of his duty, presented Bacus with one of the slips when he stopped the truck on the wrong side of the street in front of the Coliseum.

Bacus was reluctant to take the ticket at first, saying that he had stopped to let some of the bandmen unload their instruments. The officer soon convinced him that it would be best for him to take the ticket and tell the story to the judge.

So it seems that the Horned Frogs Band has a traffic ticket on its hands.

Group to Attend Speech Tourney

Two boys' debate teams, a girls' debate team, two orators and an extemporaneous speaker will represent the University at the Pi Kappa Delta Speech Tournament to be held at Waxahachie next Friday and Saturday, according to Dr. Allen True.

The debaters who will make the trip are Miss Mamie Snodgrass, Miss Robbienn Robbins, J. B. Trimble, W. A. Welsh, Charlie Weaver and Harry Roberts. Granville Walker and J. W. Sprinkle will represent the University in oratory. Miss Snodgrass will enter the extemporaneous speaking contest, Dr. True said.

The question that will be debated is: "Resolved: That the nations should agree to prevent the international shipment of arms and munitions."

Prof. Lew D. Fallis will also attend the tournament.

Mrs. Cahoon, Rodier Judge Music Contests

Some of Winners at Sweetwater Are Pupils of Ex-Student.

Mrs. Helen Fouts Cahoon and Bill Rodier acted as judges in voice and violin contests in the district meet held by the Federated Music Clubs at Sweetwater. The winners of these contests will represent the district in the state meet at San Angelo next week.

Among the contestants in the district contest were some of the voice pupils of Miss Dorothy Clancy of Wink, a former student in T. C. U. and pupil of Mrs. Cahoon and Prof. Claude Sammis. Miss Clancy's pupils won several places in the contest, Mrs. Cahoon said.

Jon Miller of San Angelo, whose mother is an ex-student, was one of the winners in the contests. Young Miller will come to T. C. U. to study under Francis MacMillan, noted American violinist, when he conducts his course here later in the spring.

Dr. Harry Bone Is Campus Guest

Noted Psychologist Is Speaking to Student Groups Today.

Dr. Harry Bone, psychologist and lecturer, who is making a series of lectures in the Southwest to Y. M. and Y. W. C. A. groups, will speak on the campus today.

The first appearance of Dr. Bone will be at 11 a. m. in the University Auditorium. At 2 p. m. he will hold a round-table discussion in Brite Clubroom. He will lecture in Brite Clubroom at 8 p. m.

Dr. Bone has just returned from Paris, France, where he received his D. D. at Sorbonne University. His thesis was written on racial prejudice. Dr. Bone has studied under Otto Rank and assisted him at the Psychological Center in Paris. He has been executive secretary at Psychological Center and will teach there this summer.

He was local-director and interpreter of a group traveling in Europe under the auspices of the American People's College of which Mrs. Hazel Tucker was a member.

Plans Are Completed For Brite Ordination

Services Will Be Held at University Church Sunday Morning.

Plans for the spring ordination service of Brite College of the Bible, which will be held at the 11 o'clock worship hour Sunday morning at the University Christian Church, have been completed.

Dean Colby D. Hall will give the charge to the candidates, who are Arle Brooks, Sam Marcos; Chester Crow, Hyde Park Church of Austin; Oliver Harrison, Harlingen; Fred Miller, Ennis; Otto Nielsen, University Church of Fort Worth; Fred Vasquez, Mexican Christian Church of San Antonio, and Paul Wassenich, Park Street Church of Beaumont.

The confessional will be led by Dr. W. C. Morro, the presbytery, composed of President E. M. Waits, Dean Hall, Dr. Clinton Lockhart, C. W. Harrison of Gainesville, E. H. Yiser of Austin, E. T. Cornelius of San Antonio, S. W. Hutton and Patrick Henry, Sr., will be in charge of the laying on of hands.

The ordination prayer will be delivered by Dr. Morro. Dr. Lockhart will also offer a prayer. The scripture will be read by Prof. Lew D. Fallis. Mrs. Helen Fouts Cahoon will sing. The ordination sermon will be delivered by the Rev. Perry E. Gresham.

Miss Donaho Chosen For Drake Contest

Several pictures of Miss Johnnie Mae Donaho, junior from Grandview, have been submitted to the Drake Relays committee for competition in the contest being held in colleges in all parts of the United States to select a queen to reign at the annual Drake Relays, to be held in Des Moines, Ia., April 26 and 27.

Changes Adopted In Requirements For TCU Degrees

Will Go Into Effect at Beginning of Fall Semester.

Bible Hours Reduced

Physics 27, Chemistry 11 and 34, Physical Education 11 Will Be 6-Hour Courses.

Several far-reaching changes have been made in the University's curriculum and requirements for degrees, according to an announcement this week from Dean Colby D. Hall's office. The changes will be effective beginning next fall, the announcement said.

"A new course, Physical Education 11, will be inaugurated next fall, chiefly for freshmen and sophomores. It will be a six-hour course and will include two hours of recitation and three hours of laboratory work per week. The course will count as a regular subject and will satisfy the two-year physical education requirement," Dean Hall said. "We are offering this course as a basis for physical education majors and as preparation for teachers in the elementary grades."

New Foreign Language Ruling. The foreign language high school entrance requirement has been done away with.

Those who intend to major or minor in general science for the A. B. degree will be required to take six hours in each of the four sciences and math, and a second year in any two of the foregoing. Certain courses in education will be required also.

The following changes have been made in general requirements for the A. B. degree: Three hours of either psychology or philosophy instead of six; six hours of Bible instead of nine, three hours being an advanced course; and eight-hour courses in physics 27, chemistry 34, and chemistry 11 have been changed to six-hour courses. Home economics 13 and 14 may be taken in junior and senior years without discount.

Concerning the new B. S. degree, Dean Hall said: "The T. C. U. faculty is still convinced that the science degree should refer to science. But in order to conform to the better understood language, we have decided to make the degree conform to the more general one."

Commerce Major to Get B. S. "Beginning with the 1935-36 session, those who major in the departments of education, physical education, commerce, home economics, or a three-year combination with M. D. or LL. B., will receive the B. S. degree. No foreign language will be required for this degree.

"Those majoring in any of the natural sciences or any of the other academic departments will receive the A. B. degree, but must fulfill the foreign language requirement. "Those planning to teach may take either the A. B. or the B. S. degree. If the student chooses the A. B., he will have two majors, education and another, together with the foreign language. Fine arts and journalism students will take the A. B. degree."

Meliorists to Give "The Lord's Prayer"

Play to Be at 8:45 p. m. Sunday at University Christian Church.

The one-act play, "The Lord's Prayer," by Francois Coppee, will be presented at a meeting of the Meliorist Club at 8:45 o'clock Sunday night at the University Christian Church. The play is under the direction of Elmer Seybold.

The principal roles will be taken by Miss Francys Ballenger, Miss Virginia Shell, Miss Milli Fearis, Fred Vasquez, Vincent Ziegler and Morton Kline. Miss Mary Frances Hutton will furnish the music for the program.

Dr. Lord at Austin Meeting

Dr. John Lord is attending the Texas Conference on Social Welfare, being held in Austin today and tomorrow.

25 Years Ago Students Saw College Burn

Twenty-five years ago last Friday, March 22, T. C. U. students watched their Alma Mater burn to the ground down at Waco. There was much excitement that March night in 1910. The pride and joy of Waco citizens, 359 students, and about 25 University professors became a pile of ashes in less than one hour and forty-five minutes. The one lone building on the campus had met destruction, and Texas Christian University was near death. All that remained was about 50 volumes and some valuable records saved from the flames by students and neighbors who came to help fight the fire.

But that old fighting Frog spirit of which the present student body boasts, was in full swing that year. For the students bravely carried on in every available space in and around the disaster, in the dining room, private homes and the gymnasium.

By accounts taken from the files of The Skiff, we learn that when the officials of the University accepted the Fort Worth bid over the bids of Gainesville, Waco and Dallas, that "the student body gave 15 cheers for the 'Panther City' and eagerly awaited the move to the city." Dr. Clinton Lockhart was then president of the University.

Two floors of a building just a block from the Courthouse were rented by the University in September, 1910, and it was not until a year later that Jarvis Hall and the Administration Building were completed and T. C. U. opened her doors with 250 students. Later, in 1912, Goode was opened, with Clark being completed in 1913. Brite College of the Bible was built in 1914 and named in honor of L. C. Brite who had endowed the University in 1911. The most recent additions to the campus were the gymnasium in 1921, the Mary Coats Burnett Library in 1925 and the basketball gymnasium in 1926.

Welsh Is Winner Of Gough Contest

Klien, Lore Receive Second and Third Oratorical Awards.

W. A. Welsh was winner of the gold medal and \$25 cash prize in the Gough Oratorical Contest Wednesday night. Welsh won the awards with his oration on "America Stands Hesitant."

Morton Klein won the second prize of \$10 with his speech on "Patriotism—1935 Edition." James Lore won the third prize of \$5. His address on "Youth and War."

Other contestants were Louis C. Pitchford and George Cherryhomes. Pitchford spoke on "Youth Looks at the World." Cherryhomes' topic was the "Modern Family."

The prize for first place was awarded by Dr. R. H. Gough, sponsor of the contest. The second and third awards were given by the University. Dr. Gough acted as chairman of the contest and presented the awards.

Judges in the contest were Roy G. Tomlinson, E. C. Taulbee and Stewart Hellman. Tomlinson was chairman of the judges.

Opposition Scarce In Political Race Of Student Body

Diggs, Simpson, Jones, Michero Are Unopposed.

Election Wednesday

Miss O'Gorman and Miss Campbell Candidates for Secretary-Treasurer.

With candidates in every student body office but one—that of secretary-treasurer of the student body—unopposed, the tamest election in the history of T. C. U. politics is scheduled to come off Wednesday morning, if students vote for the adoption of an amendment to the student body constitution which calls for a change in the time of the general election from the first week in May to the first week in April.

Misses Lorraine O'Gorman opposes Miss Ruth Campbell in the race for secretary-treasurer of the student body, while students will scratch or endorse candidates in the remaining four offices. The candidates who enter the race unopposed are: Student body president, Melvin Diggs; vice-president of the student body, Dick Simpson; editor of The Skiff, Raymond Michero and head yell leader, Olin Jones.

"The proposed amendment to the constitution will appear on the same ballot and will be voted upon at the same time the candidates are considered," said Jack Langdon, president of the student body. "Students who are against the adoption of the amendment will not fill out the remainder of the ballot, and should the amendment fail to gain the sanction of the students, the whole election will be considered unconstitutional and will be conducted again during the first week in May, as the constitution specifies."

Short speeches will be given for each of the candidates in the race for secretary-treasurer before the election Wednesday.

Plans are being made to send the president-elect to the convention of the Southern Federation of College Students, which will be held in New Orleans, La., April 11, 12 and 13.

Marshall on Radio Hour

Will Speak at 4 P. M. Sunday Over Station KTAT.

Dr. Alpheus Marshall will be the speaker on the T. C. U. program over station KTAT at 4 o'clock Sunday afternoon. His subject will be "The Fight for Economic Security." Special musical numbers for the program are being arranged by Prof. Claude Sammis, who announces the program.

The first in the new series of Campus Varieties programs, which will feature some North-Texas college, will be dedicated to N. T. A. C. Grover C. Lee, director, has announced. The program, which presents talent from both T. C. U. and T. W. C., will be broadcast at 9 o'clock Sunday evening over station KFJZ.

To End War People Must Be Taught to Think

"War" has been defined in many ways. Some have said that war is like the rain; that it comes and goes in cycles. (Perhaps its comparison with the blasts of winter would be a more fitting analogy). Others have pounded their fists on the table and declared that war is nothing more than the inevitable product of human nature—"People just naturally like to fight." Still others have said that war is a necessary check on the follies of civilization. And some have gone so far as to say that war is necessary for the advancement of civilization. But all, with the possible exception of the munitions manufacturers, admit that war is plenty "Hell."

Whatever war may be among other things, it is one of the oldest institutions of mankind. And institutions, it has been said, are never anything but made-made. Why, then, cannot man unmake them? Surely, when a man builds a house, it takes him but a few minutes to raze it.

But war, someone answers, is different from a house. A war is much larger than a house. It has taken many more hands to build the war. As an institution it is the product of many centuries of schemers and inventors. A man cannot set fire to a war.

Take a lot of houses, then. Take a whole civilization—that has involved centuries of work and of planning in its development. How easy it is for a few demagogues to get control of the mass of public sentiment and all but completely wipe out the civilization. In this instance, war is clearly the tool of certain big business interests.

Then, some would say, we must fight war with war. That was tried, to the regret of us all, not many years ago. But after it was all over, people began to wake up and say, "Alas—fooled again."

Wars are fought with guns, men, tanks, ships and so on. But war is brought on and made possible largely through the manipulation of propaganda. In other words, some one must pull the wool over the eyes of the "people" before a war can get under way. Now we are at the root of the matter. We cannot fight war. We must strive to prevent it.

Robert Maynard Hutchins, president of the University of Chicago, advanced the logical means of preventing war when he said, "If we develop an intelligent race of people, then we have the greatest security against war." Against-war propaganda will not do. The attitude brought about by the propaganda method can just as easily be swayed in favor of war by the same method. People must be taught to think—to analyze everything they read or hear—to regard all "friends of humanity," all propagandists, all oily-tongued politicians with a "cold and fishy eye."

So long as people are gullible, war will come and go—like the rain. But as soon as men learn to bridle their emotions with intelligence, then, and not until then, will war be a thing of the past.—Daily Texan.

Take the Stump, Mr. Politician, Or Else Take a Thumping

You will soon be asked to vote for your favorite candidates for offices in the student body, as well as editor of The Skiff, and head yell leader. It is obvious that each of these positions call for leadership, ability and progressiveness. The duties of the offices are numerous and necessarily demand a goodly portion of the students' time and thought.

Perhaps you have already indorsed your favorite by signing his or her petition. If you have signed a petition, then lend your support in other ways. Let's have a little "politicking." Get interested enough in your candidate to help make his or her election inevitable. Let's make it a race worth running. There'll be a field of favorites along with some "long shots." No one is certain of a victory until the last ballot is taken.

So cast about, look the "field" over, weigh the qualifications of each candidate, get behind one for each office, and give them the best "stumping" exhibition they've ever seen. It's make the campaign more alive; it'll entuse your candidate, stimulate similar action on the part of the opponents, and interest the student body.

Let's start politicking in full style!

Don't Take Dance Advertising Pleads the Student Council

Open house should be held in the dormitories at least once a week so that students could ascertain whether or not there was a dance on Saturday night. At least that is the consensus of the Student Council, which says that is where all the dance advertising is to be found anyway.

It seems that students with a flare for collecting—certain things at least—have brought down upon their heads the wrath of the chagrined council.

Said Student Body President Jack Langdon, "Placards advertising all-school dances seldom stay in the halls where they are placed more than a few hours at most. Students are welcome to the signs after the council has got the benefit out of them but not a minute before, and students who insist on pilfering them will be asked, in personal letters, to refrain from the practice. If students must have signs of this nature any councilman will be glad to furnish information as to where they can be purchased."

1935 Grid Season Will Bring Forth Stiff Competition

Four Elevens Loom as Chief Contenders for Honors.

T.C.U. With Leaders

Rice, S. M. U., Texas Are 3 Other Schools Which will Have Strong Squads.

By J. WILLARD RIDINGS

Director, T. C. U. News Service. What will the 1935 football season bring forth for the Southwest Conference?

Judging by spring practice reports, one might answer that at least four schools will have entries that are potential conference champions.

The Rice Owls will have most of their championship aggregation of 1934 back, thus presenting an experienced senior team with capable reserves from last year's varsity and freshman squads. The 1934 Owl eleven had little trouble in rolling up more than four times as many points as its conference opponents. The 1935 eleven should be at least as strong, probably stronger than the 1934.

13 Seniors on Owl Squad.

Not only will the squad have more than 15 seasoned senior stars, but Coach Jimmy Kitts, new on the gridiron at Rice last year, will have a group of men who know his style of play. Bill Wallace and John McCauley will be in the backfield, as will Harry Witt, Harry Fouke, Ray Smith, Buck Friedman and others. The forward wall will still present such men as "Red" Bale, Bobby Forbes, Rayburn Mays, John Franke and others.

At the University of Texas, Coach Jack Chevigny will also have a strong squad coming up in his second year at the helm. The Longhorns will have 15 lettermen back, a good supply of reserve material from last year, and several promising sophomores. The graduation loss of Co-Capt. Bohn Hilliard, all-conference half for three years, constitutes probably the greatest individual loss for the Longhorns. James Hadlock, 165-pounder, rugged, fast, a good passer and a fair kicker, is being groomed to fill Hilliard's shoes. Co-Capt. Charlie Coates at center and Phil Sanger and Jack Gray at the wing positions will also be sorely missed.

But, after all, rare indeed is the year when a coach does not have at least a few stellar players graduate. Texas will have plenty of experienced backfield material in such men as Irvin Gilbreath, Buster Jurecka, Ney Sheridan, Bill Pitzer, Charles Johnson, who will return as a candidate for quarterback after a year out of school, and a number of others. Except at the tackle positions, Coach Chevigny may have a little trouble in working out a satisfactory line, but not enough to give him any gray hairs.

Frogs Have 51 on Roster.

At Texas Christian, Coach Dutch Meyer will have the largest football squad that the Horned Frogs have ever known—51 players, including 23 lettermen, 10 squadmen and 18 up from the freshman squad. Only five men will be missing from the strong '34 squad. The big worry in the Christian camp appears to be the tackle positions, but with three senior lettermen, one squadman and three candidates from the freshman squad (to say nothing of shifts that might be made), the worry should not be a real major one.

Five lettermen will return for the end posts. Four veteran guards and Darrell Lester at center should make the middle of the line as strong as any in the loop. Sixteen backs, 10 of them lettermen, will leave few worries in the backfield. Included in this lot are such performers as Jimmy Lawrence, Dutch Kline, Taldon Manton, Sam Baugh and others. The Frogs, in 1935, will appear for the first time in a real traveling role, journeying to San Francisco for a game with the Santa Clara Broncos Dec. 7.

Bell to Direct Methodists.

For the first time in 15 years, the Southern Methodist Mustangs will have a new head coach. Madison A. "Matty" Bell, line coach for the Methodists last year and formerly head coach at A. & M. and T. C. U., has taken over the position made vacant by the move of Coach Ray Morrison to Vanderbilt. The Methodists will have a squad of approximately 40 men for the 1935 campaign, with 17 seniors, 8 juniors and 15 sophomores. Twenty-two of the 40 are lettermen.

Filling the places of such men as Capt. Ray Fuqua at end, Clyde Carter at tackle, Whitey Bacus at half, Goodwin Bray, at end, and others, is the biggest problem that Coach Bell

T. C. U.'s Early Athletic Teams Had Their Ups and Downs, Too

Records show that T. C. U.'s first inter-collegiate football game was played Dec. 7, 1896, and that her first basketball game dates back to Dec. 14, 1908. The first baseball game can't be traced back with quite so much ease, however. The great American pastime seems to have been indigenous to the University, because records show that the sport was going strong in Add Ran in 1895.

The first football game resulted in a victory for Add Ran, who beat the Toby's Business College team 8 to 6. The game was played on the campus of Add Ran, which had moved to Waco from Thorp Spring the year before. McLellen and Burger scored for Add Ran.

Iron Men on Team. The team was evidently composed of 11 iron men, because an account of the game in The Collegian, Add Ran magazine, said, "Our boys were in good shape and fought the game without calling on the substitutes."

Add-Ran played two more games that season, both with the Houston Heavyweights. The Christians lost the first 22 to 0 and the second resulted in a scoreless tie.

Football was thoroughly rooted by the beginning of 1896, and a regular coach, Joe Field, was secured the following year.

Cage Start Not So Good. Basketball had a less auspicious start in the University and little interest was manifest in this sport although T. C. U. won her first game. The Christian quintet was in a league composed of Baylor, Waco High

will have to solve. However, in Robert Wilson, J. C. Wetzel, Billy Stamps, Jackrabbit Smith, Maurice Orr and Bill Sanders—just to mention a few—he has players from which he can pick a starting line-up that should be the equal of any in the conference. Indications are, however, that his reserve material will have to be developed considerably to measure up to the standard.

Graduation Hits Arkansas. Faced with the loss through graduation of practically the entire starting line-up of 1934, the Arkansas Razorbacks will have to depend largely upon reserves and sophomores for the 1935 season. Among the men are such stars as Geiser, Jordan, La-Forge, Measel, Rucker, Spivey, and Harris. Twelve lettermen remain, however, as the nucleus for the 1935 Razorback entry, led by Co-Capt. Jack Newby, center, and Choice Rucker, half.

Coach Fred Thomsen has several men who should gain wide recognition, among them Newby, who gained much favorable mention last season; Rucker, a power in the backfield; Jack Haden, 220-pound tackle; and Bid Jeffries, half. The Razorbacks are likely to make a good showing in spite of their heavy graduation losses and may prove a stumbling block in the way of numerous championship aspirations.

Aggies to Be Stronger. The Texas Aggies should have a better football team in 1935 than they did in 1934. Considering the returning strength of other conference teams, though, it is not probable that the Farmers can materially improve their conference standing. Coach Homer Norton has had a season to instill his tactics in the Aggie-camp and, with a new staff of his own choosing, is hopeful of producing a far better team than last year. He will have enough returning lettermen to fill out exactly one team. Eight of these 11 were in the starting line-up in virtually all major games last season.

Sophomores are expected to lend more speed to the backfield, the lack of which was felt last season. Some improvement should be registered in passing, better blocking can be expected, and the punting will be on a par with the 1934 booting, which was good. Martin Lindsey, 225-pound tackle, and Johnny Morrow, rangy goal-kicking end, are probably the standouts among the sophomore recruits.

Line Is Problem at Baylor.

Whether Coach Morley Jennings' Baylor Bears can climb far out of the cellar position in which they finished the 1934 season is problematical. The Bears will have a most promising lot of sophomore material to strengthen their squad, but it does not seem likely that sophomore players can compete successfully against the more experienced line-ups of some of the other schools. Coach Jennings has a host of good backfield material, among which is Bob Masters, Lloyd Russell, Aubrey Stringer, Doc Henslee, Sonny Bartosh, Hal Finney, and others. If enough capable linemen can be developed for a sturdy forward wall, then the Bears may be really dangerous.

Baseball Title Up to Pitchers, Predicts Wolf

16 Candidates Out for '35 Varsity Diamond Team.

Jim Jacks Captain

Outfield Places Still Uncertain—Frogs to Play 12 Conference Games.

By JONES BACUS.

"If our pitchers come through, we'll be right up there in the conference race."

This is the prediction of Coach Raymond E. "Bear" Wolf, who is making his first appearance this season as baseball coach of the Horned Frogs. Sixteen men are reporting for the daily practice sessions, and the competition for regular berths is such that no "first" team can yet be named, although the opening date for the conference season—April 5—is near at hand.

Five Pitchers on Squad. Capt. Jimmy Jacks, Fort Worth, southpaw hurler and first baseman, heads the list of candidates. Other pitchers are Dan Harston, another left-hander; Darrell Lester, Bill Hudson, and Boaz Hoskins.

Jimmy Lawrence appears to have the first-string catching job sewed up. He lettered in the outfield last season but is performing in fine style in the backstop position. Relief catchers are Elmer Seybold and Aubrey-Linne. Linne, a sophomore, is also an outfielder and a good hitter.

At first base, Capt. Jacks will be seen as regular. Just who will relieve him when he takes his turn on the mound has not yet been determined. L. D. Meyer appears to have second base pretty well in hand, while Sam Baugh will probably get the call at the third sack. Taldon Manton will probably be regular shortstop.

1 Letterman in Outfield. In the outfield, Coach Wolf has

N. Y. COLLEGE ADOPTS NEW GRADE SYSTEM

Troy, N. Y.—Doing away with the alphabetical system of grading, professors and instructors at Russell Sage College for women gave out their first marks here recently under a new system which either passes, fails or conditions the students.

The new plan is part of a program to put more responsibility on the student. As a substitute for the usual A, B, C, system of grading, monthly conferences between the student and her instructors have been held. These conferences reveal the weaknesses of the student's work more directly than marks, help to develop the power of the student to evaluate her own work and assist her in forming effective study habits. J. L. Meador, president of the college, pointed out.

Frank Lozo, letterman; Harold Eulenwilder, Vic Montgomery, Will Walls, Joe Brown, in addition to Harston, who will see service in the outfield when he is not doing mound duty, and Lawrence who may be shifted from behind the plate on occasion.

The Frogs have played a number of games with Fort Worth independent teams and will open their collegiate competition here March 25 and 26 with the College of Marshall. The Sooner nine of the University of Oklahoma will meet the Frogs in Fort Worth Friday and Saturday, March 29 and 30, while the Christians will journey to Norman, Okla., for a return pair of games on April 1 and 2. Conference play then opens April 5 against Baylor in Waco.

7 Lettermen on '35 Track Team

Frog Cinder Artists to Enter Stock Show Meet Saturday.

By CARL MAXWELL.

Seven lettermen form the nucleus of Coach Mack Clark's 1935 track team. In the sprints Capt. Louis Pittman head a list of promising candidates. Bob Jordan, Mitchel McGraw and Bob Harrel round out the sprint squad. This group appears to be the strongest factor in upholding T. C. U. on the cinder paths this season. Coach Clark expects the sprint relay team that will be formed from these six men to bring in many points, although none of the six appears particularly strong in the dashes.

George Kline is the only letterman among the hurdlers, but Buck Roberson and Ed Pritchard, sophomores, probably will get a chance to prove their ability in the Stock Show Track Meet.

The middle distances are represented by three members of the squad. Dick Simpson, letterman, Glenn Roberts and Bob Harrel, will be entered in the 440 and 880-yard runs. Roberts was a star track man at Masonic Home and seems to be on the right "track" here.

Tony Vargas, who has lettered in the two-mile run, leads a group of four distance runners. Others are John Durrett, Ray Lipscomb and Elwood Maple.

George Magoffin and Sid Lightfoot are the candidates for the pole vault. In the weight division Clark is working Paul Hill and Judy Truelson, lettermen, and Cotton Harrison, sophomore. Truelson won his letter while a sophomore, but did not participate last year.

Coach Clark entered as many men as possible in the Stock Show Meet Saturday in order to test them in competition, and to seed out those he will take to Austin for a meet on March 30.

Seldom Make Grade

Frosh Who Start Out Strong Miss Phi Beta Kappa.

Ann Arbor, Mich.—Freshmen, who get off to a flying start in their studies, tend to slack off during the rest of their undergraduate years and fail to make Phi Beta Kappa, the goal of all studiously inclined undergraduates, a study made by the Michigan Daily, University of Michigan student paper, proves.

In the graduating class of 1931, out of 49 Phi Beta Kappas, only 20 had made first year honorary societies, and in the 1932 graduates, 26 out of 52 Phi Betes had been honored in their freshman year. In 1933 and 1934, 16 and 17, respectively, finished as they had started, out of a total of 46 and 36 for the two respective years who were awarded senior keys of scholarship.

Records of Phi Beta Kappa show that since 1924, 46 per cent of its membership are women. During the same period, women have constituted approximately one-third of the total university enrollment, giving one-third of the student body almost one-half of the honors.

PROFESSOR ADVOCATES FELLOWSHIP AID FUND

Chicago. — Proposing a two-year emergency fund of \$50,000,000 to be set aside by the federal government to provide temporary compensation in fellowships to outstanding college graduates, Anton J. Carlson, professor of physiology at the University of Chicago, emphasized the need for a practical policy of extending federal financed research in America in a speech here recently.

"A corps of scientific investigators engaged in research would enable any first class institution with a graduate school to do society a great deal of good," Prof. Carlson declared.

WHEN YOU FEEL "FED UP"...

GET A LIFT WITH A CAMEL!

"I'M SPECIALIZING IN HISTORY—French and English history," says Laurence Brewer. "In addition, I have a job in the library for four hours a day, and I also work up data and material for the debating team. I'll tell you—it keeps me going hard. I've got more work than time. When I'm hard pressed, smoking Camels is not only a pleasure—it's a help, too. For when I feel 'fed up'—and it seems as though my energy were all used up—I smoke a Camel and get a lift in energy. Camels have a swell, rich flavor; due, I presume, to the use of choicer tobaccos. I smoke as many as I want to—for Camels don't ruffle my nerves." (Signed) LAURENCE ALFRED BREWER, '37

"I'M AN ENGINEER—working on the San Francisco-Oakland Bridge. Before that, six years in the army taught me the value of smoking a Camel when 'below par.' I smoke all the Camels I want, too, without getting jumpy nerves. And Camels are mild and gentle to the throat." (Signed) RALPH A. TUDOR

"EVERY WOMAN prefers a milder cigarette. For years I've been smoking Camels because they are mild—and at the same time have a delightful rich flavor. I know these things don't just happen in a cigarette. There must be a reason, and I think it lies in the fact that Camels use finer tobaccos." (Signed) HELENE BRADSHAW

Miss Wieser Will Represent T. C. U. at Aggie Cotton Ball

BY KATHRYN EDWARDS.
A week from tonight the campus of Texas A. & M. College will take on added life in the form of gay colored frocks mingled with khaki uniforms, high-pitched voices resounding through a usual heavier toned hum and "la jeune fille" will be the toast of several thousand pairs of eyes. For it is next Friday evening that the fourth annual Cotton Style Show and Pageant Ball, sponsored by the Student Agronomy Society of A. & M., will take place.

"King Cotton" will be exemplified and exalted to the highest degrees. The huge gymnasium at Aggeland will be transformed into a snowy white field with large cotton bolls to be used in decorations, adding to the realistic effect of the affair. What with the lovely cotton formal to be worn by the co-eds, who will represent all the senior colleges in Texas, next Friday evening promises to be another successful glorification of the South's leading product.

Many "oh's" and "ah's" and other forms of approval are bound to be heard when "Miss T. C. U." is presented to the King and Queen of the Ball, for none other than the reticent charming-mannered Mary Virginia Wieser will answer to the call. After Anna Byrd Harness became Mrs. Jewell Wallace she, through a suggestion of her own, graciously turned the honor over to the second choice of the student body which was Mary Virginia. It's needless to tell you how thrilled "Wieser" was. And one of the biggest thrills is that her escort has already been selected for her and she has no idea of what a perfect choice was made when "he" was chosen. Known to many of us (some of us who used to play hide-and-go-seek, robber and police, etc) as "Jumbo," Carol Hoffmaster is now one of the high ranking seniors down at College Station, being captain of his company of coast artillery men. But not only is he the possessor of boots and a shining saber, he is blessed with good looks and a well-liked personality. So you see why Mary Virginia is eagerly anticipating next Friday.

Using good womanly intuition, she has selected blue as the color for her frock. It's made of point d'esprit and fashioned along simple lines with the off-the-shoulder neckline being edged with a detachable caplet of the finest ruffles ever. Rows and rows of these tiny ruffles will mark the hemline of a rather full skirt. The gown will be worn over blue taffeta. A corsage of blue flowers will be worn at the neckline and a tailored belt will mark the waistline. She will wear silver sandals and a pair of rhinestone bracelets will be her only accessories.

Roommate Maurine Rice and Isabel Ackerman are planning to accompany Mary Virginia who will leave early Friday morning by bus in order to arrive there in time to rehearse around 3 o'clock for the presentation at 8 o'clock that night. The girls plan to stay in Bryan and will remain over the week-end to attend the Corps dance which will be given Saturday night.

So next week-end will find many happy hearts with ecstasy running high for two of our fairer sisters, Mary Virginia at A. & M. and Mary Jarvis who'll be in Austin as the University representative to the Texas Round-Up. . . . But wait a minute, we'll tell you all about that event next Friday! Okay?

Dan Cupid Takes Toll From Students, Exes

Wedding bells are in continual motion for T. C. U. exes and alumni. During the past months, several announcements have come forth which are of interest to University students. Two of the more recent ones are concerned with Miss Jessie Dean Rippy, member of the present sophomore class, and Miss Sonia Gilula, student in the University last year.

Miss Rippy was married to E. B. Vaughn last month and is now at home to her friends at 3310 University Drive. She will continue her work in the University until June.

Miss Gilula's marriage will take place next month when she will become the bride of Marshall Travis of Tulsa, Okla. Miss Gilula will be remembered as one of the freshman popularity candidates of the Horned Frog last year. The couple plan to live in Tulsa.

Another marriage of interest to many is that of William Gonder, who was assistant in the public speaking department in 1933. He and Miss Vivian Henry of Fort Worth were married several months ago and are living on Cooper Street. Gonder is teaching public speaking and dramatics in night school at Central High School.

Frogs Will Meet O. U. Baseballers In 2-Game Series

Initial Tilt at 3 P. M. Today on T. C. U. Diamond.

Harston Will Hurl

Christians to Journey to Norman Monday and Tuesday for Return Series.

With the conference season due to open next week-end Coach Bear Wolf will send his Horned Frog nine into a series with the strong University of Oklahoma team today and tomorrow on the Purple diamond. The games will start at 3 o'clock.

Following the two games to be played here, the Frogs will jump to Norman where the series with the Sooners will be continued Monday and Tuesday. This will mean four games in five days for the Wolfmen, after which they will rest until Friday when they journey to Waco to meet Baylor in the initial conference game.

Games to Be Hard-Fought. The series with the Sooners is to be hard fought. The Oklahomans have been on a tour of the South, and although they lost two games to Texas University this week, they boast one of the strongest college nines in this section. The Frogs swept a series with the Sooners last year, but each game was close all the way.

Coach Wolf will probably rely on Dan Harston and Darrell Lester to shoulder the pitching burden today and tomorrow. Both the veterans have pitched brilliantly in their last two starts, and should be ready to go nine innings.

Hudson is Relief Hurler. Bill Hudson, most improved member of the staff, will be used in the relief role if needed. Jimmy Lawrence will do the catching for the Frogs.

The lineup and batting order for the Frogs in today's game will probably be: Harston, lf; Manton, ss; Capt. Jacks, lb; Meyer, 2b; Baugh, 3b; Walls, rf; Montgomery, cf; Lawrence, c, and Lester, p.

7 Out for Golf Team

Qualifying Round Scheduled for Wednesday Afternoon.

Qualifying rounds for positions on the Horned Frog golf team will be held Wednesday over the Glen Garden course, Capt. Jimmy Walkup announced this week. A practice match with Texas Military College will be played Thursday over the same course.

Those who will compete for places on the team are Capt. Walkup, Jack Panter, Frank Floyd, Loftis Stroud, Alvin Pace, Tom Pickett and Willie Walls. Panter and Capt. Walkup are the only lettermen returning.

Donovan's DOPE

By PAUL DONOVAN.

When a baseball team makes 52 runs in two games, that's news. When it's the home team that makes that number, it's more than just news. Anyhow, we know now where all that dust came from the other day. It was all kicked up by those Frogs circling the bases. Which brings to mind the story Bear Wolf tells of the freshman team he played on. In one game they played the opponents made so many runs that they wore the base paths down more every inning. By the ninth inning all you could see was the button on a player's cap as he circled the bases.

It's good to see the team showing so much offensive strength at this time of the season. It's a cinch they'll need plenty of it when the conference race starts. If you've been noticing what other teams in the league has been doing, you know that Texas beat Houston two games and A. & M. took the same number from Galveston. These are two of the strongest teams in the Texas League, and they have been working out for several weeks. So it means that the Southwest Conference will be as fast or faster than it ever has been.

The Frogs couldn't gain a victory over the Fort Worth Cats, but they made just as impressive showing as the Aggies and Steers by limiting the Panthers to two safe hits in nine innings, and only losing 4 to 3 because of too many walks. Capt. Jimmy Jacks and big Darrell Lester both showed the professionals some high class pitching that kept them guessing, and guessing wrong most of the time.

And the hitting star of the day was none other than Dan Harston, left-handed outfielder and pitcher de luxe. Harston scored one and knocked in two runs to account for all of the Frogs' scores. Always a steady hitter, Dan is most dangerous with men on base. He should be high in the conference batting standings this year. By the way, he made five nice catches in the Cat game too, which is a big day for any outfielder.

Even if Harston doesn't make the all-conference baseball team this year, he is sure to make the all-American picnic club. He got off to a flying start the other night by making a string of weiners longer than he is disappear in three minutes. It wasn't magic either. He is ready to go out again any time, you bring the hot dogs.

For some reason or another last week-end was another homecoming for T. C. U. The campus was full of ex-students from all over the state, most of them being athletes now coaching. Just to name a few, we saw Hubert Dennis, Wallace Myers, Lynn Brown, Buster Brannon, Jack Graves, Bryant Collins and many others. Graves, by the way, sponsored the picnic mentioned above. He's still the same Jack Graves.

Slim Kinzy was back again last week too. This time though he was in a Dallas baseball uniform. He pitched against Fort Worth and made a good showing during the time he worked. His arm appears to be strong again, and he is confident of having a good season with Dallas.

Frogs Win Tilts With Marshall

Purples Are Defeated 4 to 3 by Fort Worth Cats.

Two overwhelming victories over the College of Marshall climaxed the activities of the Horned Frog nine during the past week. In other games the Purple lost to the Fort Worth Cats 4 to 3 and downed the Greyhound Bus team 8 to 2.

The series with the Marshall nine was played on the Frogs' diamond Monday and Tuesday. In the opening game, the Wolfmen unleashed a hitting attack that netted them 24 runs before the game ended. The final score was 24 to 1. Dan Harston, southpaw, and Bill Hudson, right-hander, divided the mound duty for the Frogs. Harston allowed two hits in seven innings. Hudson allowed two in two innings. L. D. Meyer led at bat with four hits.

Second Game Is Repetition. The second game of the series was a repetition of the opener. The big Frog bats pounded out a 28-to-2 verdict over the Marshall nine. Capt. Jimmy Jacks pitched air-tight ball for the Wolfmen, allowing only one safe blow in seven innings. Hudson again finished the game. The entire Frog team hit well, collecting a total of 22 safeties.

With Bill Hudson in rare form, the Frogs had little trouble trimming the Greyhound nine 8 to 2. The losers could garner only two hits off the deliveries of Hudson, senior squadman who has developed into a regular twirler this spring. Capt. Jacks led the Purple at the plate with a home run and a single.

Facing their stiffest competition of the spring training season on Thursday of last week, the Wolfmen dropped a 4-to-3 contest to the Fort Worth Texas League team. Lester and Jacks held the opponents to two hits, while their team mates were gathering seven, but too many walks proved costly to the Frogs.

Cats Scoring Winning Run. After the Purple had tied the count in the seventh on Harston's timely drive into centerfield that scored two of his mates, the Cats loaded the bases and scored the winning run on a walk issued by Jacks.

Harston and Baugh led the Frog hitters with two each. Meyer blasted a triple to left-center for the longest hit of the day.

Seniors Beat Sophs To Take Cage Lead

Freshmen Defeat Juniors by 12 to 11 Count in 9-Inning Fracas.

The Seniors took a firm hold on first place in the intramural indoor baseball tournament Wednesday afternoon by trouncing the Sophomores 17 to 3. The Freshmen defeated the Juniors 12 to 11 on the same afternoon after playing two extra innings in a scheduled seven-inning game.

The Sophs got off to a good start and were leading the Seniors 3 to 2 at the end of the fifth inning. They went cold in the sixth, however, and the Seniors piled up 12 runs in that inning.

The Seniors had a far better team than the Sophs. Most of their power lay in the pitching arm Charlie Sanders, their pitcher, whose fast ball had the Sophs completely baffled. Sanders further contributed to his team's victory by contributing two four-base wallops. Judy Truelson also connected for a circuit blow in the Seniors' hitting spree.

The Fresh-Junior game was closely contested throughout with both teams being evenly matched. The game was tied at 11 to 11 at the end of the seventh. The Frosh made one tally in the ninth to untie the score and win the ball game.

Woodrow Lipscomb hit a home run for the Frosh. Bobby Stowe and Dutch Kline knocked homers for the Juniors.

Line-ups for the games were as follows: Fresh—Lipscomb, c; Don McLeod, p; George Dunlap, 1b; John Gardner, 2b; Lawrence King, 3b; Bobby Bass, ss; Nez Hallet, lf; Adrian Reed, cf; and Jack Tittle, rf. Substitute, Joe Logan.

Juniors—Melvin Diggs, 1b; Manuel Godwin, c; Orville Paty, ss; Kline, p; Ben Bussey, 2b; Stow, 3b; Ronald Wheeler, rf; John Knowles, lf; Tom Pickett, cf; and David Hickey, rs.

Sophs—Buck Roberson, ss; Jay Smith, 2b; Ray Wester, 1b; Wilbert Harrison, cf; Walter Roach, p; Vernon Brown, c; Jimmy Parks, lf; Byron Saam, 3b; Alan House, 1s, and Frank Floyd, rf.

Seniors—Donovan, 2b; Coleman, lf; George Williams, c; Sanders, p; Oliver Harrison, cf; Truelson, 1b; Bill Zeloski, 3b; Don Smith, ss; Ed Bryan, rf; and Fred Smith, ss.

Standings in the race are as follows:

	Won	Lost	Pct.
Seniors	2	0	1.000
Sophomores	1	1	.500
Freshmen	1	1	.500
Juniors	0	2	.000

Mythical Term Awards Position To Outlaw Cager

Three Sophomores, one Senior, and one Outlaw received places on the all-intramural basketball team announced this week by Prof. Tom Prouse.

Aubrey Linne, Outlaw, and Jimmy Jacks, Senior, received the forward positions. Ray Wester, lanky Soph star, won the center position. Wilber Harrison and Buck Roberson, both Sophs, won the guard positions.

Honorable mention was given to Paul Donovan, Senior, and Tracey Kellow, Junior, at forwards; Glenn Roberts, Soph, at center, and John Kitchen, Senior, Joe Brown, Senior, Orville Paty, Soph, and Drew Ellis, Soph, at guards.

Prouse announced that an all-intramural track meet will be held within the next few weeks. He requested that managers and captains of the class groups be looking over their prospects and hand in their entries for the meet.
