Miss Campbell Polls 235 Votes To Win Position

Students Indorse Other Candidates and Amendment.

Olin Jones Ineligible

New Officers to Be Installed at Senior Day Exercises Last of May.

Polling 253 out of the 355 votes cast in the student body election held in chapel Wednesday, Miss Ruth Campbell defeated Miss Loraine O'Gorman for secretary-treasurer of the student body for next year.

Student body officers who entered the race unopposed and who were merely endorsed by the students Wednesday are: President of the student body, Melvin Diggs; vice-president of the student body, Dick Simpson, and editor of The Skiff, Raymond Michero. The amendment to the student body constitution, which changes the time of the general election from the first week in May to the first week in April, was ratified 317 votes to 37.

Because Olin Jones, the only nominee in the race for head yell leader, was found ineligible, that office will be filled at a special election to be held in May, Jack Langdon, president of the student body announced.

The officers will be officially installed at the Senior Day exercises, which are held each year during the latter part of May.

The votes in Wednesday's election were counted by Councilmen Hubert Stem, Gail Walley, Clarence Crotty, Anna Byrd Wallace and Langdon.

Social Committee To Appeal to Clubs

Organizations to Be Asked to End Meetings on Week Nights by 11 O'clock.

It was decided to make an appeal to the student body organizations to bring social meetings held on week nights to a close by 11 o'clock, at a joint meeting of the social calendar committee and members of the Student Council recently, Dean Sadie T. Beckham, committee head, said today.

"This is merely an appeal at this time, for we have not passed any regulation or ruling for the remainder of the school year. In view of the fact that so many of the clubs 'drag' out their business part of the programs and thereby demand several hours of the students' time, we decided to appeal to the organization heads, and ask them to discontinue as early as possible on week nights," Mrs. Beckham said.

This appeal is in accordance with the ruling which has been adopted to be effective next year, whereby no social meetings of student body clubs will be allowed during the week. All social functions of these groups will be scheduled on the week-end and will end at 12 o'clock.

Cumtux Deadline 12 O'Clock Friday

200 Copies of Literary Publication to Be Distributed.

Cumtux, T. C. U.'s new literary quarterly, will go to press next week. Students who have material suitable for publication are urged to turn it in to one of the staff members before 12 o'clock noon, next Friday.

The magazine was scheduled to appear March 15, but had to be postponed. The staff has worked hard to make this new magazine possible, and we believe when Cumtux appears it will be a real asset to T. C. U. and the student body," says Grover C. Lee, managing editor.

Only 200 copies will be printed. It will contain 30 or 40 pages and will sell for 25 cents a copy. Copies can be secured by signing subscription pledges that will be circulated next week.

Cumtux will be composed of short stories, sketches, poems and essays written by T. C. U. students. The selections appearing in the publication will remain a secret until the magazine is published. Members of the staff are Miss Nina Whittington, Miss Elizabeth Bryan, Everett Gillis, B. M. Williams, Miss Marjorie Sewall, Miss Rosemary Collyer and G. C. Lee.

Men's Glee Club Drops Studies To Start West Texas Excursion

With last-minute preparations finished and everything set to go, 27 members of the Men's Glee Club appeared at the arch bright and early yesterday morning to board the bus waiting to carry them on their nine-day tour of West Texas.

Studies were temporarily forgotten by the singers, probably not to be thought of again until they return to the campus April 12. They all hope that the awakening on their return will not be too sad. Manager Patrick Henry, Jr., announced before the club left.

When this paper appears the group will probably be in San Angelo, where at 8 o'clock tonight they will sing before the convention of the Texas Federation of Music Clubs. The first concert on the tour was presented last night in Coleman.

Newly-Elected Student Leaders

These four students, chosen in a general election held in chapel Wednesday morning, will lead the T. C. U. student body next year. They are: President of the student body, Melvin Diggs; vice-president of the student body, Dick Simpson; secretary-treasurer of the student body, Miss Ruth Campbell and editor of The Skiff, Raymond Michero.

A Proclamation

TO THE STUDENT BODY OF T. C. U.: On April 12, seventeen years ago, the Congress of the United States declared existence of a state of war between the United States of America and the Central Powers of Europe. This declaration marked the beginning of American participation in that catastrophic delirium that seized humanity for four years—a struggle into which the manhood of civilization was ruthlessly thrust, to emerge wrecked in spirit, in physique, and in morality. And, WHEREAS, the various schools throughout the nation shall observe the twelfth day of April, 1935, as a day of dedication to World Peace to those American youth who gave their support and their lives to that struggle, and as a day of silent protest against any further attempts to enter this nation into any future struggle, NOW THEREFORE, I, Jack Langdon, president of the Student Body, by virtue of authority vested in me by one resolution of the Student Council, do proclaim April 12, 1935, to the Student Body of T. C. U. a day of dedication to international peace, and of silent protest against any attempt of this government to disturb the peace of nations. Given this fifth day of April, A. D. nineteen hundred and thirty-five. (Signed) JACK LANGDON, President of Student Body.

Plans for the Junior-Senior banquet will be discussed and committees appointed. Committees will also be appointed for the junior picnic, which will be held April 16.

"The meeting of the class Monday will be the most important one of the year and each junior is asked to be present at that time," Diggs said.

Sophomore Tests Are Announced For April 29, 30

Prof. Raymond A. Smith to Be in Charge of Exams.

List Will Be Posted

All Second-Year Students Are Expected to Participate

Dean Announces.

The annual nation-wide sophomore tests will be given to all sophomores in the University on April 29 and 30, according to an announcement this week from Dean Colby D. Hall's office. They will be under the direction of Prof. Raymond A. Smith.

The tests will be given along the same form as they have been for the past three years. All sophomores will be excused from all classes on these two days, and their class attendance will be credited by their presence at these tests. A list of all those expected to take the test will be announced soon on the bulletin board as well as in The Skiff, the announcement said.

Exams will be given in history, social science, foreign literature, fine arts, English usage, spelling, vocabulary, literary acquaintances, general science and general culture. The foreign language exams will be at a date to be announced later.

Juniors of this year who were not in the University last year will be permitted to take the test upon request, Dean Hall said. Their scores will be kept separate from the sophomore class.

"This test is purely objective in nature and will be used as a guide both by the student and the teacher as to the weaknesses in the student's work and knowledge. No individual is expected to answer all of the questions which will be given in the test," said Dean Hall. "The test is optional with all colleges and is given under the auspices of the American Council of Education in New York. Some 20,000 sophomores took the exam last year.

T. C. U. started the tests in 1932, although we had given a similar Pre-Junior exam since 1929. The advantage of the nation-wide test is that the students can get the same questions that are used all over the country and thereby compare results individually and as an institution on this wide scale."

Dr. Hammond also stated that he did not intend to let politics influence or interfere with his work in the University.

Students to Observe World Peace Day With "Silent Protests"

Jack Langdon, on behalf of the Student Council, issued a proclamation yesterday specifying that next Friday be dedicated to world peace.

As the text of the proclamation reads, this day is being set aside in colleges and universities throughout the United States as a protest against certain factions and individuals who, to further their private interests, would plunge the country into war.

The day is being characterized in many schools as a "nation-wide strike." As the day is to be observed in T. C. U., however, it is no way a "strike." The word has an unpleasant connotation. One usually associates with it violence, disorder, ill will and misunderstanding. All of these elements will be absent when the University observes World Peace Day Friday.

Students are not being asked to cut classes at any time to participate in any sort of demonstration, for the simple reason that there will be no demonstration.

Not the slightest spirit of rebellion against the University will be evinced. In fact, such a course of action is foreign to the spirit of the whole arrangement. Promulgators of the World Peace Day are making plans to bring a speaker to the campus for the occasion. The chapel exercise will be non-compulsory—no one will be forced to go. In fact students may disregard the whole thing if they desire.

"And what good will the observance of the day do?" you ask. It may have no far-reaching results. Nations will not stop arming, nor will the munitions manufacturers alter their nefarious practices in the least. That much is certain. If Duce isn't expected to detach his eyes from Abyssinia and Herr Hitler isn't expected to make Boy Scouts out of his army. The two dictators will probably never know that T. C. U. dedicated a day to "silent protest against war."

The whole thing just shows that college students—the ones who would be most vitally concerned in the event of another world conflict—are doing some thinking.

Club Meetings Should Close By 11 o'clock

With the inauguration of a new social policy this year, have come many new problems to the social committee and to members of the Student Council. Most of these difficulties have arisen from the dances and each time the social committee has met the situation to the satisfaction of everyone concerned, especially those connected with the University. And that's the group the new policy was adopted for in the beginning.

Now that dance problems have been settled, a new question has appeared. That is the question of lengthy club meetings during the week. The committee has again dealt with the situation wisely and fairly. They have issued an appeal to the student organizations asking them to dismiss the week-night meetings by 11 o'clock. The committee has not demanded that the meetings be closed at that hour, but they have merely requested it, leaving the gratification of this request up to each particular group. Next year, however, a new policy will be adopted whereby all social meetings of clubs will beg even on week-ends only.

The decision of the committee in dealing with the present situation is commendable and warrants your whole hearted support and observation. Let's show them that requests can be as effective as commands by discussing our club business, having our fun, and closing by 11 o'clock.

Congratulations Are in Order To New Campus Leaders

Congratulations are in order to Melvin Diggs, Dick Simpson, Miss Ruth Campbell and Raymond Michero, who'll guide the destinies of the student body next year.

The officers were elected a whole month earlier than usual this year. They will meet with the present Student Council for the remainder of the year and will be thoroughly conversant with the workings of the student government. The new social policy has created many difficult problems on the campus. The officers will be thoroughly prepared to meet these problems squarely when they take their office next fall.

In spite of the fact that the election created little interest this year, students could not wish for a more efficient group of leaders.

You've assumed a great real of responsibility, officers, so good luck and congratulations.

7 Students to Attend Journalism Congress

Seven students are planning to attend a meeting of the Southwestern Journalism Congress, which will be held on the campus of L. S. U., Baton Rouge, La., April 12 and 13.

The group, which will leave here Thursday morning, will include Misses Kathryn Edwards, Grace Maloney and Dorothy Luyster, and Ben Sargent, Paul Donovan, Paul O. Ridings and Jones Bacus. They will be accompanied by Prof. and Mrs. J. Willard Ridings. Prof. Ridings is secretary of the Congress.

Students at the University of Santa Clara are preparing for a minstrel show to be presented April 26. It is the first one to be presented on the campus within the past decade.

The opera "Carmen" was presented by University of Oklahoma students Monday. The cast included 12 and a chorus of 50.

A freshman at Loyola University, who was not able to take notes as fast as a biology professor gave

them, brought a stenographer to class.

Last year the honor system in the College of Arts and Sciences at Tulane University was abolished. Recently, however, the members of a language class passed a resolution forbidding the writing of English translations in books. Students report cheating on examinations, a trial is held, and those found guilty of violating the gentleman's agreement are dismissed from the university.

Two hundred and seventy students will be awarded degrees in June at the University of Arkansas.

The girls' debating team of S. M. U. defeated the girls' team from the College of the Pacific, Stockton, Cal.

MILDNESS! "Every woman prefers a milder cigarette," says Miss Helene Bradshaw, an enthusiastic horsewoman. "Camels are the only cigarette I've ever found that is mild—and pleasing to your throat."

HEALTHY NERVES! "I've smoked Camels for 14 years, without a sign of upset nerves," says Bill Horn, former Gold Cup winner and outstanding figure in American motorboat racing. "I like Camels and they like me."

ENERGY! "As a master builder, I have learned that any work requiring 'push' just naturally calls for Camels," comments Frazier Forman Peters. "Camels always give me new energy when I'm feeling listless."

FLAVOR! "It's been thrilling to have a part in the vast enterprise of building Boulder Dam," says Erwin Jones, Boulder Dam engineer. "Plenty of strain. Many long hours of exhausting work—that's the lot of an engineer on this job! A recent check-up shows that most of us here at Boulder smoke Camels. Man, what a swell flavor Camels have! Mild, cool, mellow! You can tell they are made from choice tobaccos, too, because they don't get 'fat' or tiresome in taste when you smoke a lot."

VALUE! "I've seen how Camels are manufactured," says Charley Belden, who runs the big Pitchfork ranch in Wyoming. "They are made from costlier tobaccos. No wonder Camels have such a rich, cool flavor!"

Miss Mary Jarvis Goes To Austin for Roundup

BY KATHRYN EDWARDS.

Miss Mary Jarvis left yesterday morning with her mother, Mrs. Van Zandt Jarvis, by motor for Austin where today and tomorrow Mary will enjoy the numerous elaborate affairs to be given in connection with the fifth annual Texas Roundup on the campus of the University of Texas.

Representing T. C. U., Mary will be presented tonight with the other University representatives, Bluebonnet Belles and the Round-up Sweetheart. Bryant Collins, our own alumnus and last year's senior class president, who is now a first year man in the law school and a member of Chi Phi, will escort Mary who has been chosen to accentuate her olive skin and ash blondness by wearing a pale apricot-color silk net. The dress is fashioned with a tight-fitting bodice to the knee-line where fullness is gained by the use of three graduated tiers, the one forming the hemline falling into a slight train. Over the square cut-neckline, which is lower in the back, is worn a short cape made of three tiers and tied with a tafteta bow of two shades of blue. Her shoes will be apricot, and she will carry a bouquet of talisman roses tied with blue ribbon. For jewelry, she will wear rhinestone clips in her hair as well as rhinestone ear rings.

But tonight is just one of the many affairs Mary will enjoy during the celebration. Last night all of the representatives were guests at S. R. D. (Scottish Rite Dormitory to some) for dinner after which rehearsal for tonight's revue was held in Gregory Gym. This morning a breakfast was to be given at one of the hotels for the visitors. At noon today various fraternity houses will honor the girls, who will take part in a parade through the city this afternoon. Then the climax of today's activities will take place tonight with the crowning of the Sweetheart.

Tomorrow's schedule seems to be just as full as today's, however, for another luncheon, football game and dance is to be given for the honorary guests. The dance tomorrow night in the Union Building will be given by the Order of San Jacinto as their tribute to the Sweetheart and all her maids.

While in Austin Mary and Mrs. Jarvis are registered at the Stephen F. Austin Hotel.

Harston Slated To Pitch Opener In Bruin Series

Team Playing Baylor in Waco Today and Tomorrow.

Squad at Full Power

Bear Nine Announces Strong Defensive and Offensive Outfit Ready.

Dan Harston, stellar southpaw, has been named to face the Baylor Bears in the conference curtain raiser today. Coach Bear Wolf announced before he loaded his squad on a Waco-bound bus. Capt. Jimmy Jacks or Darrell Lester will toe the mound tomorrow in the final game of the series.

After dropping three out of four games to Oklahoma, Coach Wolf drove his charges hard this week in preparation for the Baylor series. Long periods of batting and fielding practice were taken by the Frogs under the supervision of Coach Wolf. The Purple mentor expressed satisfaction with the showing of the Frogs in the Oklahoma series, but he is anxious to add a polish to their attack.

The entire squad will be at full strength for the Bruin series. Boaz Hoskins, right-handed pitcher, is again ready to take his turn on the mound after being on the injured list for several weeks. Hoskins pitched a masterful game against the Bears last spring, and he may get another chance at them.

With Harston on the mound Coach Wolf will be forced to make a change in his regular line-up and batting order. Harston's place in left field will be filled by Willie Walls, hard-hitting sophomore. Vic Montgomery, speedy center-fielder, will be moved to the lead-off position in the batting order in place of Harston.

Advance reports from the Baylor camp indicate that the Bears have both a fine defensive and offensive team. Their pitching department has been the weak spot in their early games, but they have several capable flingers ready for action today and tomorrow. Today's starting pitcher has not been named as yet.

While the Frogs and Bears are battling in Waco, Texas and A. & M. will be playing in Austin. The latter two are favored to fight it out for the championship, therefore much depends on the outcome of their series.

The Frogs' batting order and lineup today will be:
Montgomery, cf.
Manton, ss.
Jacks (c), 1b.
Meyer, 2b.
Baugh, 3b.
Lozo, rf.
Walls, lf.
Lawrence, c.
Harston, p.

Donovan's DOPE

By PAUL DONOVAN.

It is high time that T. C. U. won another conference championship in some sport. The basketball title of 1934 was the last to come our way, and we are not used to waiting that long between honors.

Baseball is our strongest hope to bring a championship this spring, and it wouldn't be a bad bet to gamble a little on the Frogs coming in first. The T. C. U. entries in the other sports do not seem to have more than an outside chance. Spring has always been a lean season for Frog athletic teams. There are usually individual stars in track, tennis and golf, but team strength is ever lacking. Then, too, competition is always so great in these sports that it takes more than a few good men to win.

Jimmy Walkup, playing his third year on the golf team, should be heard from in the conference meet. His game has been improving steadily, and he is ranked as one of the outstanding young golfers of this section. Hard luck and a few close decisions put him out of the running last year. He is confident of making a better showing in May when the conference meet is scheduled to be played.

In tennis there are four lettermen and a sophomore star on the team. It gives the Frogs a team that is capable of upsetting some of the more highly favored contenders. Don McLeland, the newcomer on the team, has shown that he is able to hold his own with the most of them. Big Judy Truelson should be an improved player this year, and should deal opponents a little misery himself. Mark Hart, Ronald Wheeler and Atys Gardner are the others on the team. They make the Frogs stronger than usual on the court, but they have a tough fight ahead of them.

Coach Poss Clark is handicapped in track by lack of material. It takes plenty of man-power to build a track team, so Poss can not be expected to get any place with the small squad he has to work with. It so happens that when other teams in the conference are stronger than ever the Frogs are weaker than usual.

To get back to baseball, there is no question about the Frogs having a strong nine, but it is hard to tell right now about the other schools. The way Texas and A. & M. have been knocking over Texas League teams is enough to throw a scare into Coach Bear Wolf and his boys, but I don't think it has. They are not getting cocky, but they feel that they are ready for any team that comes along.

By the way, some of these boys are going to be heard from in the baseball world before long. Jimmy Jacks and Dan Harston will finish this year, and it is a cinch that they will be watched by big league scouts this spring. They have already attracted attention by their playing. The Chicago White Sox are known to have an eye on Dan. They asked for information about him last spring.

Jimmy Jacks has more than an even chance to get a contract this year. If he continues to hit like he has been lately he will be in demand when he completes the season here. He attracted attention last summer playing in West Texas.

Speaking of hitters, I hope everyone noticed that Jimmy Lawrence got four for five last Saturday against Oklahoma. If you haven't congratulated him yet it's still not too late, he says. He's going to be hard to get from now on.

Frog Nine Loses Three O. U. Games

Lester Brings Victory to Christians in Initial Fray.

After taking the first game of the series from Oklahoma University the Horned Frog nine dropped three straight contests to the same team. By gaining the edge in the series the Sooners avenged their loss to the Purple nine last year.

The four-game series opened on the Frogs' diamond last Friday. In the initial fray, Darrell Lester, ace right hander of the Purple staff, pitched the Wolfmen to a 4-to-3 victory over the Oklahomans. The game was decided in the eighth inning, when L. D. Meyer slashed a home run into left field with Taldon Manton on base. These two runs put the Purple in the lead, a lead which they held until the end. The four-base blow was the second of the day for Meyer, marking him as the batting star of the day.

In the second contest played on Saturday the Sooners scored 15 runs in the first three innings off the pitching of Dan Harston and Bill Hudson. This lead proved too great to overcome, but the Frogs made a determined bid before losing out 19 to 14 in the end. Jimmy Lawrence garnered four hits to lead the Purple attack.

The scene shifted to Oklahoma for the last half of the series. Extremely cold weather greeted the teams as they opened activities Monday. Capt. Jimmy Jacks took the mound for the Wolfmen and pitched airtight ball all

Three Teams Tied In Baseball Race

Frosh Beat Seniors 12 to 10—Sophs Defeat Juniors 19 to 6.

The Seniors, the Sophomores and the Freshmen are all tied for first place in the intramural indoor baseball tournament as the result of games played Wednesday afternoon.

The Freshmen defeated the Seniors 12 to 10 and the Sophomores beat the Juniors 19 to 6 to give the latter team undisputed possession of the cellar position. Jay Smith, Solon Holt, Walter Roach and Cotton Harrison contributed home runs in the Sophomore's hitting bee. The Juniors had a 5-to-0 advantage over the winners in the second inning, but Saam, Soph hurler, pitched air-tight ball after relieving Frank Floyd.

Standings in the race are as follows:

	Won	Lost	Pct.
Seniors	2	1	.750
Freshmen	2	1	.750
Sophomores	2	1	.750
Juniors	0	3	.000

the way. With the score tied at 2-all in the ninth inning, Hunter drove a home run into left center to swing the game in favor of the Sooners. One runner was on base at the time, making the final score 4 to 2.

Lester was nominated to stop the Oklahomans in the final game of the series. He was greeted with a bevy of base hits that put the opponents in front. This time the Wolfmen lost by a 14-to-7 score.

Triangular Meet To Be Tomorrow

S. M. U., N.T.S.T.C., T.C. U. to Enter Track Contests Here.

The Horned Frog track team will vie with teams from S. M. U. and North Texas State Teachers College in a triangular meet, tomorrow afternoon on the Purple field. It will be the first home meet of the year for the Frogs.

Coach Poss Clark has devoted long hours during the week in the hope of finding a strong aggregation to place on the field tomorrow. Several of the Purple candidates have improved steadily since the season opened, so Coach Clark is confident of garnering a number of points against the Eagles and Ponies. Both the latter teams are rated above the Frogs in strength at this stage of the year, but the latter are determined to push their opponents for honors.

In the sprints the Frogs will be represented by Capt. Louis Trainer, George Kline, Herman Pittman, Bob Harrell, Bob Jordan and Mitchell McGraw. A sprint relay team of Capt. Trainer, Kline, Pittman and Harrell is expected to make a good showing tomorrow.

Others who are expected to wear the Purple in tomorrow's meet are Buck Roberson and Ed Pritchard, hurdles; Dick Simpson and Donkey Roberts, middle distances; John Durrett and Tony Vargas, distances; Judy Truelson, Paul Hill and Cotton

Roberts was the only Frog to gain points in the recent Stock Show meet. He placed third in the 440-yard against a field of strong contenders. Dick Simpson, veteran runner, has been entered in the one-mile run tomorrow instead of the 880-yard dash which he usually runs.

There's something about a Chesterfield

There's one thing I especially like about Chesterfields—entirely aside from the fact that it's a milder cigarette—and I've heard a number of people say the same thing... While I'm smoking Chesterfield I

never get little crumbs of tobacco in my mouth—the tobacco doesn't spill out and that adds a lot to my pleasure of smoking them... I notice more and more of my friends smoke Chesterfields.
