Board of Trustees Announces New Suits—Expected For Aggie Tilt.

Miss Helen Moody, junior, was re-elected sweetheart of the Horned Frog Band Tuesday afternoon. Miss Moody is the first person ever to have been chosen by the band for more than one year. This will be her third term.

An honor student, Miss Moody is also active in student life. She has twice won popularity pages in the Horned Frog. She served as T. C. U. representative to the All-collegiate Circus in Dallas in 1934. She has also been active in the Bryson Club and the W. A. A.

Miss Moody was first elected band sweetheart in November, 1933, when Miss Christine Ackers was married to Gene Cagle and retired as band sweetheart.

The band will be soon outfitted in new uniforms, according to an announcement made Friday by the Board of Trustees of the University. The uniforms have been ordered and are expected to be here in time for the football game with Texas A. & M. College, Oct. 19. With a few minor changes, the new uniforms will be of the same pattern as the present, white trimmed in purple.

Get Copies of The Skiff At Designated Hours.

A number of students were seemingly bewildered at the new method of distribution inaugurated last week by The Skiff. Accustomed to going to the old Skiff boxes and grabbing a handful of papers, letting all but one fall to the floor, some were surprised to find that the paper last Friday was being passed out, one copy to a person.

This new system serves a two-fold purpose. First of all, it is in direct accordance with the faculty's present campaign to keep the halls clean. Comparatively few papers were left strewn about the hallways after distribution last week.

Secondly, it decreases materially a great waste in papers which has always prevailed because of negligence. The waste, when considered for a period of 36 weeks, amounted to a decided financial loss for The Skiff.

In the future a table will be provided from 11 a. m. until 1 p. m. on Fridays in the main hall of the Administration Building. Delays may occur from time to time when the paper is late in coming off the press, but under ordinary circumstances, it will be ready for distribution by 11 a. m.

Students who are unable to obtain their copies on Fridays may get them Saturday morning by applying either at the office of The Skiff in the balcony of the University Auditorium or at the Journalism Office in Brite College.

Each student is entitled to one copy of every week's issue of The Skiff. The staff wishes to urge students to obtain their papers at the designated hours, in order that they will not miss any issues.

"Happy Days" Are Here for Band.
When that Horned Frog Band marches onto the field between halves of the T. C. U. - A. and M. game, the members will be stepping a little higher and playing a little louder to show their appreciation to the T. C. U. Board of Trustees, who last week voted to purchase 53 uniforms.

The old uniforms, which have traveled many thousands of miles in the years they have been used and which one Houston sports writer called gray last year without realizing they were supposed to be white, will be laid aside. And with the donning of the new spotless white uniforms with their royal purple braid, it is hoped that the Horned Frog Band will go forth with renewed spirit to win more friends for T. C. U.

May that be the band's way of expressing its thanks to the trustees for the new uniforms.

A Barn Or a Decorated Gymnasium For Dancing?
The value of money to some students is low. The value of school property is still lower.

At the close of the spring semester last year the band box at the Basketball Gymnasium was decorated, rather expensively, by the Student Council. It was thought by members of the council that the students would respect this decoration and it could be used again this year. During the summer the element known commonly among the dormitory boys as the "local rats" invaded the place and destroyed the decorations. This destruction was not altogether the fault of kids that play around the campus and enter any building they see fit. Certain students on the campus are habitual pilferers of signs, notices, decorations and any other school property they want to decorate their rooms.

The cry was sounded by members of the decorations committee last week that the gymnasium be decorated for the Freshman Prom. The Student Council refused to expend the money until some permanent decoration could be devised. The result was that the building was partially decorated.

The dance schedule of the University shows approximately 20 dances during the year. If we are to have a nice place in which to dance, the students must respect the decorations and cooperate to see that they stay put.

Hey, You, Gimme This And Do That.
"Hey, you!" This was not a senior calling to a freshman, but a student addressing a teacher who was trying to help him with a lesson.

The boy happened to be a freshman who probably thought he was showing his complete lack of awe of teachers, but in reality he was only being crude and showing a complete lack of manners. College students are entirely too independent nowadays to be expected to gaze at professors with solemn wonder. Nevertheless, a little courtesy is expected and appreciated.

Then there are those students who are respectful to their elders, but who are never polite to other students. They use a continuous flow of "gimme this" and "do that" without the slightest hint of a "thank you" or "please."

Good manners have helped many a person to secure a job, get business, or even get a date. It doesn't strain the vocal organs to add "thank you" or "please," and it certainly would be much easier on them to keep the voice down a little lower than the neighbor's radio. Nothing so marks an uncouth person as a loud, discourteous voice.

Will Rice Take Football Title?

Writers Dope T. C. U. and S. M. U. to Tie for Second.

The Rice Owls will win the 1935 football championship of the Southwest Conference.

At least that's what the sports writers of this section say. Asked to predict the order in which the seven Southwest Conference teams would finish the season, the sports writers climbed aboard the Rice bandwagon with such a unanimity that the Owls led the field by a wide margin.

T. C. U. and S. M. U. tied for second-place honors. The Texas Longhorns ran a strong fourth. Then, bringing up the rear, came Texas A. & M. for fifth place, Arkansas for sixth, and Baylor for the cellar position.

All of the first four teams (Rice, T. C. U., S. M. U. and Texas) received votes as potential championship winners. And many of the sports editors prefaced their selections with remarks to the effect that any one of the four could come through to win the flag, much depending upon team spirit, injuries and the fortune of the gridiron warfare.

Several ventured the prediction that there will be no undefeated and

OPEN FORUM

Dear Students: The construction of the Greater 1936 Horned Frog is being held up, temporarily because you are not having your pictures made. Out of a freshman class of approximately 250 members, less than 15 per cent have had their pictures made. In numbers this total is 26. This is a very low per cent for such a large class, and if it isn't increased some 50 per cent in the near future the frosh class will have the smallest representation in the book, rather than the largest which it usually has.

Upperclassmen, begin having your pictures made at once and take a couple of freshmen with you. You know the value of the yearbook to the University and students as well, and should realize that the pictures of the publication are all-important. The book usually has around 4,500 pictures in it. Co-operate with the staff of the Horned Frog.

Summer Laziness Hangs On; Students Like Skiff Feature

BY ROSEMARY COLLYER.

Now that the first week has passed with its excitement of meeting old friends and making new ones, we have at last settled down to the old grind again. That summer laziness is hard to lose.

As many of you know, we have a new addition to The Skiff this year; and it seems to meet with the approval of the majority of the campus. Did Johnnie Mae Donohoe seem to make the reception of the Collegiate Digest a sure thing. If there are any people on the campus from Missouri I wouldn't know—then of course seeing is believing. Here are a few of the remarks which have been made.

Miss Mabel Major, of the English Department—"I think it's keen!" The following remark is characteristic of Prof. E. W. McDiarmid to those who know him. "If I'm to be quoted, guess I should be dignified; otherwise, I enjoyed it very much."

Now for some of the students' opinions. Miss Helen Moody—"It is very interesting, because it lets us know what the rest of the colleges are doing." Miss Ruth Connor—"I think it adds a lot to The Skiff." Taldon Manton—"I think it's a good idea." L. D. Meyer—"I liked it very much. It's a swell idea."

These and many others are well pleased. From time to time, there will be other pictures in it of T. C. U. campus activities.

It looks like another interesting week-end. We can all dress up in the new fall outfit and go to the football game tomorrow afternoon and then go to the Student Council dance in the Basketball Gymnasium. Our dances are easy on the pocket-book, there is plenty of room to dance, and all of our friends are there instead of the many unfamiliar faces one sees at public dances.

The leaves of Turkish tobacco are strung one by one like beads (see how it is done in the picture). After the leaves are strung they are packed in bales (see picture)—sometimes as many as 80,000 leaves to the bale.

We have on hand at all times for CHESTERFIELD cigarettes upwards of 350,000 bales of Turkish tobacco...

The pleasing aroma and flavor of Turkish tobacco is almost necessary if you want a good cigarette.

Turkish tobacco is more costly when you take into account that you have to pay 35c a pound duty, but we have to have it to blend with our mild ripe home-grown tobaccos.

It helps make Chesterfields milder, it helps give them better taste. Just try them.

Outstanding .. for mildness .. for better taste

SHORTY SPORTS PLANTS

By CARL MAXWELL

Although the Frogs play the Denton Teachers here tomorrow, everybody connected with the squad is looking forward to the game with Arkansas next Saturday. If T. C. U. can get past this conqueror for the past two seasons, we will be well on the way to a successful season. The last year Francis Schmidt was here—1933—the Razorbacks turned back what later turned out to be the best offensive club in the conference. They lost only one more game—a heartbreaker—to Baylor, 7 to 0, after pushing the Bears around the Waco Park all afternoon. All other teams were defeated decisively.

Injuries to the squad this year are just half what they were last time last year. The '34 squad lost Dan Harston, senior fullback, before the first game and Melvin Diggs, end, in the first game. Drew Ellis, one of the most valuable linemen on the squad, is the only casualty of the year so far. Ellis injured his leg last week against Howard Payne and is walking with crutches. Drew says he won't be out more than a couple of weeks, though. Ellis plays both left guard and left tackle. Vernon Brown, and Harold McClure, halfback, are nursing knocked-down shoulders. Willie Walls, regular left end, did not play in Saturday's game because of an injured side. All of these "crips" are expected to be ready for Arkansas.

The highlight of Saturday's game was that freak play that ended up in four lateral passes. Even Capt. Lester handled the ball in the improvised bean-bag game. The Frogs don't have any plays as unorthodox as that one, but they do have one that calls for a forward pass and two laterals. When they practice it, it looks like the basketball team working out.

And by the way, six of the returning lettermen for this year's basketball team are on the football squad. Four of the football starters, Roach, Walls, Baugh and Lester, are also basketball starters. Vernon Brown and L. D. Meyer won basketball letters last year. Of these six, Walls, Lester, Baugh and Meyer have made it a grand slam and are also baseball regulars.

Two of the conference schools—Texas and Arkansas—open their grid schedules tomorrow. Texas opens against Texas A. & I. at Austin. Arkansas takes on the Kansas State Teachers at Fayetteville. Rice Institute meets L. S. U. in one of the most important games in the nation. Much interest is generated in this tilt, because both schools were prominently mentioned as opponents of Stanford in the Rose Bowl Classic. A tie with L. S. U. and a defeat by the Frogs dimmed Rice's chances last year. The tie with Rice and Huey Long held back the powerful Tigers. Both teams will see to it that there is no tie this year to stand in the way to fame.

The other teams of the conference have more warm-up games. T. C. U. meets the Denton Teachers. S. M. U. takes on Austin College. Baylor may have picked a tartar in the tough Hardin-Simmons Cowboys. Baylor and her star ball carrier, Lloyd Russell, looked good against the Southwestern Teachers last Saturday, but the Cowboys gave Texas Tech a battle, and this game may turn out to be anything but a breather.

"Dutch's" worries about future Frog football teams should be abated somewhat after the showing of the first year men Saturday. Lacey McClannahan, Alan House, Bob Harrell and Linnon Blackmon played nice games in the backfield. Aubrey Linne, Lincoln Walker, George Dunlap, Glenn Rogers and Mason Mayne bore heavy duty in the line. McClannahan was a demon on defense, intercepting three passes and backing the line like a wall.

DID YOU KNOW . . . that the Frogs outscored the other teams in the conference last Saturday, although they played every available man . . . that Howard Payne was undefeated since November, 1933, until Saturday . . . that the Frogs are said to have the best team since the 1922 edition that defeated every other member of the conference . . . that incidentally the Frogs are the only team to defeat every other member of the conference, and then only once . . . that important conference games are to be announced by Byron Saam, a T. C. U. junior . . . that Saam is the only basketball letterman not on the football squad . . . that the T. C. U. Rice

Denton Teachers To Play Frogs Here Tomorrow

Purple Squadmen to Be In Trim Condition for Contest

Ellis Unable to Play

Coach Meyer May Instruct Quarterbacks to Play Ground Game.

Tomorrow afternoon at 3 o'clock the Horned Frogs engage the North Texas State Teachers of Denton down at the Stadium. The last meeting of the two teams ended disastrously for the Teachers, the Frogs winning, 27 to 0.

Several members of the Purple squad who were on the crippled list last Saturday are expected to be ready to go against Denton. Willie Walls, Vernon Brown and Harold McClure were kept on the sidelines Saturday due to minor injuries, but will be in fairly good condition tomorrow.

Sophs to Get Chance in Tilt
Drew Ellis, versatile lineman, is definitely out of the football picture for at least a few weeks as a result of an injured leg sustained against Howard Payne. The absence of Ellis will give several sophomores a chance to see what they can do. Aubrey Linne, tackle, and "Bull" Rogers, guard, will see a lot of action in the game.

Solon Holt, right tackle, will start in the place of Wilson Groseclose, who hasn't practiced regularly because of the recent death of his brother. Groseclose has been a starter for two seasons.

Last year the Teachers were defeated by a dazzling aerial attack, and if last Saturday's game is any indication of what tomorrow will bring, the Frogs will fire another barrage of passes at them.

May Use Pass Attack
Coach "Dutch" Meyer may instruct his quarterbacks to remain on the ground in an effort to strengthen the Frogs' ground game, but if weather permits, the ball will be thrown frequently.

The first string line is expected to start the game, but the starting backfield may be made up of reserves. In the signal drills a combination of Brown at quarterback, Blackmon or McClure at right half, McCall at left half, and Roberts or McClannahan at fullback, has been looking good. A backfield made up of these men probably will start or get into the game early.

game will likely be broadcast over CBS, with Ted Husing at the mike . . . that the main objection to the powerful Rice Owls taking the conference crown again is the fact that no team has ever won the championship twice in succession.

Ben Boswell, giant tackle from 1930 to 1932, has returned to T. C. U. in the role of coach after playing professional football the past two years. Boswell is assistant freshman coach. He was named on the all conference teams of 1930 and 1932.

McCall

Scott McCall, junior and Horned Frog halfback, was one of the outstanding players in Saturday's game with Howard Payne College. Fully recovered from injuries which handicapped his playing last season, McCall flashed the type of classy football Saturday which brought him wide fame and all-state high school honors while a member of the Masonic Home team of 1932.

Frogs Intercept 8 Jacket Passes

Howard Payne Offense Increases Final Score 41-0.

Howard Payne's aerial attack kicked back on them Saturday. No less than eight Jacket passes found their way into the arms of Purple-Jerseyed players, three of which were returned for touchdowns. T. C. U. made six touchdowns, three of them under their own power, and the others as a result of Howard Payne's offense.

Vic Montgomery snagged one of the enemy passes in the second quarter and carried it over the goal behind the blocking of Tracy Kellow, who took out two men with one block. "Donkey" Roberts also was on the receiving end of a misdirected pass and carried it to the pay dirt. Walter Koach was one of the three Frogs who knocked a toss into the air while rushing the passer and made a touchdown run of 55 yards after catching the smothered ball.

Frog Defense Clicks
T. C. U.'s offense clicked three times for touchdowns and several times for sustained drives that were halted short of the goal line. Sam Baugh counted first for the Frogs on a lateral pass from Taldon Manton. The other two touchdowns were by the aerial route—the first, Baugh to Kline for about 30 yards and the second from Alan House to Scott McCall for the same distance.

The Frogs' defense was especially impressive—allowing only two first downs, and these through the air. The Jacket backs were stopped at the line and sometimes before they got that far.

Many Subs Used
Every able bodied man on the T. C. U. squad was used in a constant stream of substitutes. Outstanding men for Howard Payne were Sunderman and Nunnally, who sparkled in the secondary, and O'Brien, center, who stood out in the Jacket defense. While the Frog backs could gain

Washer's Appoints New Representatives

Darell Lester, all-American center and captain of the 1935 Frog grid-iron warriors, has been appointed student representative by Washer Brothers for the school year of 1935-36. Tracey Kellow will act as his assistant.

Lester and Kellow will assist students in every way possible at Washer's. Other students who have held this office in the past are Cy Leiland, Charles Addington, Jack Langdon, Rainey Elliot, Norman Welsh and Lon Evans.

Code Published for Co-eds

A "Frosh Dictionary" and "A. B. C.'s for a Co-ed" are among the features to be found in the "Co-Ed Code," a small book published by the Associated Women Students of the University of New Mexico. The purpose of the code is to familiarize the freshman girls with the activities and rules of the University.

Rice-L. S. U. Game Grid Headliner

All Southwest Teams Will See Action This Week.

With every one of the seven member teams scheduled for action, the Southwest Conference this week gets the serious business of football well under way.

Easily the headliner of the week is the Rice-L. S. U. contest in Baton Rouge. Tied by the Tigers last year, the Owls will find the competition of 1935 just as strong, if not stronger, and it would not be surprising to find the Instituters removed from the undefeated class in this first major encounter.

T. C. U. takes on the Denton Teachers in Fort Worth. The Frogs had no trouble in winning, 27 to 0, last year. The Frogs are stronger, the Teachers are weaker.
Baylor meets Hardin-Simmons under the lights in Waco. The Bears managed to win from the Cowboys last season by only one touchdown (18 to 7) but they might make the margin a little wider this time.

The Mustangs should do just about as they please against the Austin College Kangaroos when the two clash in Dallas. Last year's score was S. M. U., 38, Austin 0.
Texas plays A. & I. in Austin, the game marking the first appearance of the Longhorns. The game is all Texas.

The Gorillas of Pittsburg (Kan.) Teachers will throw considerable strength against the Arkansas Razorbacks in Fayetteville and may spring some surprises against the unknown strength of the 1935 Hogs.
The Texas Aggies have the curtain-raiser for the week against the Sam Houston Teachers in Huntsville Friday night. The Aggies won last year 28 to 0. The stronger 1935 Farmers should repeat easily.

Slaughter Those Porkers, Frogs!

Students Will Vote Wednesday On Official Trip

Four Cities to Be Considered for Annual Excursion.

Rates Are Quoted

Schedules and Accommodations to Be Discussed at Chapel Hour.

Students will vote Wednesday morning in chapel on the destination of the official student body trip, Melvin Diggs, student body president, has announced.

Cities to be considered for this year's trip are Waco, Austin, Shreveport and New Orleans. Rates and train schedules to the various cities have been obtained and will be discussed at the chapel meeting.

The student body will sponsor a special train to the city decided upon. An official holiday is declared by the University for the day of the official trip each year.

Rates to the various cities quoted this week by railroad companies are as follows: Austin, \$3.15; Shreveport, \$3.65; New Orleans, \$8.45; and Waco, \$1.00. One hundred twenty-five reservations will be necessary in order to run special trains to any of the cities.

Complete schedules to the various cities had not been obtained this week. The Texas and Pacific Railway, however, has offered students a two-day lay-over in New Orleans in case this city should be chosen.

Since the game with Loyola in New Orleans Nov. 8 is a night contest, the special train would have to leave Fort Worth early Friday morning, allowing ten hours in which to reach its destination.

The special would leave New Orleans on the return trip Sunday night, Nov. 10, arriving in Fort Worth in time for students to attend classes Sunday morning. Students not wishing to stay in New Orleans for this entire period will be allowed to return to Fort Worth on regular trains leaving earlier.

Similar accommodations will probably be allowed to any of the cities to be considered.

Vesper Services To Start Sunday

Vesper services at the University Christian Church will begin at 5 o'clock Sunday evening. They will continue through the fall and winter months, states the Rev. Perry Gresham.

The message of this Sunday's service will be "An Evening Prayer." There will be special music.

At the 11 o'clock Sunday morning service the sermon will be on "From Force to Persuasion."

Dr. Combs and Mrs. Helen Fouts Cahoon are collaborating on a volume of Kentucky mountain ballads containing both words and music. They are making arrangements with the Schirmer Music Company for its publication.

Freshmen to Meet Monday

Members of the freshman class will meet at 10 o'clock Monday morning in the University Auditorium to elect officers and to select a representative to the Student Council, Melvin Diggs, president of the student body, has announced. Diggs has asked that all freshmen be present at this meeting.

Freshman Girl Realizes Dream In Movie Call

The dream of every girl came true Tuesday for pretty blond Mary Frances Roberson, freshman, when she was handed a telegram which summoned her to Hollywood for a screen test. The telegram was a personal request from Carl Laemmle, Jr., production chief for Universal Pictures.

If the tests come out all right, she will play opposite Pinky Tomlin in his third picture. Tomlin was found by Coy Poe, who is responsible for Miss Roberson's opportunity. Miss Roberson is a friend of Poe's.

Poe is a former T. C. U. student. He entered as a freshman in '25 and was elected band president in '26. Prof. Claude Sammis says Poe is a born promoter and it is not surprising that he is where he is today.

T. C. U. Graduates Get Scholarships

12 Studying on Higher Degrees With Grants From Universities.

Twelve T. C. U. graduates are attending various universities on scholarships this year. All but five graduated last June. Five are ministerial students and are attending the University of Chicago.

Fred Miller of Ennis and Oliver Harrison of Gainesville are in the Disciples of Divinity House of the University of Chicago.

Arle Brooks, whose field is social service, is also in the Divinity School. Hubert Stem has a work assignment and is attending the Theological Seminary at Chicago.

Harley Patterson, who majored in social science, is at the Theological Seminary.

Bill Morro is working on his doctor's degree in chemistry at the University of Iowa. He has an assistant in chemistry.

Heard Floore is working on a doctor's degree in law at Columbia.

Jo Brice Wilmet, who last year was assistant in the economics department here, is now majoring in commerce at the University of Louisiana.

Nat Wells, A.B., who attended Columbia on a scholarship through 1934-1935, has had his scholarship renewed and is still studying law at Columbia.

O. B. Jackson, 1934 graduate with B. S. degree in physics, was awarded a scholarship at California Institute of Technology, Pasadena, Cal., where he spent the session of 1934-35. He obtained his master's degree in physics in one year and has returned to California Institute of Technology as an assistant in the cyrogenic laboratory there, to continue work toward a doctor's degree in physics.

Reeder Shugart, who obtained his B. S. in physics in 1933, is also attending the California Institute of Technology on a scholarship for 1935-36. He has been working with the Geophysical Research Corporation in various states prospecting for oil-bearing structures using the seismograph. He has been granted leave of absence for the year.

Miss Sarah M. Smith, former student, has received a scholarship to the Pennsylvania Academy of Fine Arts this year.

Herman Is Not Mother of Family In Spite of Rumor; Waifs Adopted

Miss Nancy Barnes evidently prefers frogs, the Herman type, to husbands. She refused the plea to knit a sweater for one of the latter, because she is at present occupied knitting one for Herman I for the A. & M. game.

In spite of rumors to the contrary, Herman is not the mother of the nine waifs whom she, or he, is "mothering" at the present time. They were found on the track Monday and given to Herman to protect.

When a person, or object, as the case may be, becomes famous, someone immediately begins to pry into his private life. Herman and the children live in Room 211, Clark Hall. Caretakers Marion Parrish and Randolph Wright say that they are all exceptionally well behaved and seem to enjoy their sleeping quarters in a pastebord box on "Herman" Parrish's desk.

Their diet, which is procured by members of the club, which was organized Monday, and any other willing freshmen, consists of flies, ants and an occasional grasshopper. On Sunday they will have ice cream as a special treat.

For entertainment they will be taken to the midnight show at the

Registration Is Over; Office Force at Rest?

Students Have Erroneous Idea Concerning Drop Cards And "F" Grades.

Now that the worry of registration is over, the registrar's office has nothing to worry about except new students, drop cards, dropped students, making permanent cards, and giving general information.

Some students have the idea that they drop courses by just quitting. This is an erroneous idea, for any student wishing to drop a subject must go to the registrar's office and fill out a "drop card." At the end of the first six weeks of school, if a student is making a passing grade when the course is dropped it is counted neither for nor against him in figuring grade points. But if a failing grade is being made in the course, an "F" is recorded for the entire semester and counts one point off for each semester hour failed.

Registrar S. W. Hutton suggests that if the student is making no "F's" that he has nothing to worry about—unless he is making too many "D's."

40 Men Report For Glee Club

James Tribble Named President—Tour Is Discussed.

Forty men reported for the first meeting of the Men's Glee Club Wednesday night. James Tribble was elected president of the club by acclamation, and Clyde Allen was appointed secretary by director W. J. Marsh.

Dates for rehearsals were set at 12:30 p. m. on Mondays and Fridays and 6:30 p. m. on Wednesdays.

"A trip to Houston, back through East Texas to Texarkana and Hot Springs was discussed as the probable spring tour of the club," G. L. Messenger, business manager, said.

Waits to Speak on England

President E. M. Waits will speak to the Meliorist Club Sunday night on "Cathedrals in England." President Waits attended the world convention of the Christian Church this summer in England, and his talk will center on information gathered in England.

Jim Winton, junior in the University, was operated on for appendicitis Sept. 25 at the Methodist Hospital. He is reported doing nicely.

19 Students Preach In Nearby Towns

Bruce Banks, vice president of the club, preached and conducted a morning service at the meeting Monday night.

Contest Casts Are Selected By Directors

Freshman, Sophomore Plays Will Be Given Oct. 16.

Rehearsals Started

Skiff Files Show Frosh Have 1 Cup Lead-Over Sophs Since 1928.

Misses Elizabeth Bryan and Helen Adams, directors of the Freshman-Sophomore plays, respectively, have announced their casts, as selected from try-outs held last week, for the play contest to be held Oct. 16.

The casts are as follows: Freshmen players, Miss Hilda McKinley, Miss Peggy Leland, Bill Scott and Travis Griffin. George Beavers will be stage manager for the freshmen and Miss Mary Corzine will have charge of the costumes and make-up.

Sophomore cast, Miss Dorcas Richards, Miss Betty Buster, Herschel Gibbs, Bennett Rogers and Louis Pitchford. Elmer Seybold will be stage manager for the sophomores. Miss Flora Marshall is in charge of costumes and Miss Francys Ballenger, make-up.

Rehearsals for both plays began Monday.

According to the Skiff records, since 1928 the freshmen have a one-cup lead over the sophomores.

In 1928 the sophomores won the contest with the play "Grandma Pulls the String," directed by Miss Katharine Moore. During the dizzy days of '29 the freshmen rallied and took the cup in presenting, "The Man in the Bowler Hat," directed by Miss Hazel Carter.

In '30 the sophomores again won first honors, presenting "The First Dress Suit," directed by Miss Katharine Moore. The sophomores again won the cup in 1931 for the presentation of "The Eligible Mr. Bangs," directed by Miss Corinne Lewis and Miss Dorothy Conklin.

In 1932 the freshmen came out victorious with "The Trysting Place," directed by Miss Katharine Moore. This was the beginning of a three-year winning streak for the freshmen. They won in '33 with "The Wonder Hat," directed by Miss Bernice Armstrong, and won again last year with "God Winks," directed by Miss Madelyn Whitener.

In 1934 the freshmen again won the cup with "The Trysting Place," directed by Miss Katharine Moore.

This was the beginning of a three-year winning streak for the freshmen. They won in '33 with "The Wonder Hat," directed by Miss Bernice Armstrong, and won again last year with "God Winks," directed by Miss Madelyn Whitener.

"Y" Membership, Fund Drive Ends

The drive of the Y. M. C. A. and Y. W. C. A., or the Students' Christian Association, for membership and funds closes tomorrow. The drive began Monday and a goal of \$300 was set.

George Cherrymores and Miss Ann Cauer have been in charge of the campaign. They were assisted by Misses Lula Dell Willoughby, Dorothy Jones, Dot Candlin, Mable Jo Archer, Katherine Swiley and Marjorie Sewalt, Mrs. Martha Jane Nielsen, and Herman Pittman, Harold Rea, Joe Findley, Bruce Banks and Charlie Mosshart.

Mrs. Saunders to Speak

Music Club to Hear Chairman of Federated Group.

Mrs. J. O. Saunders, chairman of the Federated Music Clubs' contest committee, will talk to members of the T. C. U. Music Club on the purpose of the organization at the meeting at 2 p. m. Monday, reports Elton Beene, president.

Wayne Dunlap, winner in the first division of the National High School Trumpet Contest of 1935, will play a cornet solo at the meeting.

Two committees were appointed at the last meeting of the club. They are: Program committee, Miss Ruth Duncan, chairman, Herschel Gibbs and Miss Mary F. Hutton; social committee, Miss Lucille Snyder, chairman, Ellis Mercer and Miss Mary Frances Bibbs.

Girls Knitting, Dean Crocketing, Men Wondering

It seems that at least four girls may not get to attend the T. C. U. A. & M. football game just because they were a little too optimistic about their ability to knit a suit in three weeks. Misses Grace Maloney, Kathryn Swiley, Louise Watson and Flora Marshall, who started knitting suits last Friday, have made a solemn pact that they will not see the cadets make that famous "T" unless their suits are finished.

Knitting sessions are held at all hours daily in Jarvis Hall and a number of other girls have joined them—but they are not making any predictions as to when they will finish. Among the other knitters are Misses Dorcas Evelyn Richards, Virginia Ede, Virginia Simons, Barbara Ann Arnold, Dorothy Candlin, Elizabeth Moore, Joy Michie, Beulah Mae Miracle, Maxine Whitten and Rosemary Collyer.

Mrs. Sadie T. Beckham, dean of women, has asked to join the club which the girls are planning to organize. Crocketing is Mrs. Beckham's specialty and she has promised to do an inch of crochet around the bottom of the skirts for the girls who have not learned how.

B. C. B. to Hear 2 Noted Speakers

Dr. D. W. Morehouse, president of Drake University, will speak at the Brite College of the Bible Chapel at 10 o'clock Friday morning, Oct. 11.

Principal Main, president of the Bible College at Belmont, Australia, will speak at Brite Chapel Oct. 25. Main is a leader among the Disciples of Christ in Australia.

"These men are used in the Brite College Chapel because they are available on Friday," said Dean Colby D. Hall.

"All are invited to attend the Brite College assembly, because their personalities will be such as to interest the entire group of students and faculty," stated Dean Hall.

These men are available because the International Convention of the Disciples of Christ meets Oct. 15-20 in San Antonio, and they will be passing through Fort Worth.

Upperclassmen Asked to Have Yearbook Pictures Made.

"Upperclassmen may begin having their pictures made for the Greater 1936 Horned Frog at Orgain's Studio, 103 1/2 Sixth Street," says Jones Bacus, editor.

"With the exception of the students having their pictures made, the outlook for a great book is good. Loy McCarroll, business manager, has already received a letter of cooperation from the Retail Merchants' Association of Fort Worth and is selling advertising at a fast pace," Bacus said.

SHORTY SPORTS PLANTS

By CARL MAXWELL

Although the Frogs play the Denton Teachers here tomorrow, everybody connected with the squad is looking forward to the game with Arkansas next Saturday. If T. C. U. can get past this conqueror for the past two seasons, we will be well on the way to a successful season. The last year Francis Schmidt was here—1933—the Razorbacks turned back what later turned out to be the best offensive club in the conference. They lost only one more game—a heartbreaker—to Baylor, 7 to 0, after pushing the Bears around the Waco Park all afternoon. All other teams were defeated decisively.

Injuries to the squad this year are just half what they were this time last year. The '34 squad lost Dan Harston, senior fullback, before the first game and Melvin Diggs, end, in the first game. Drew Ellis, one of the most valuable linemen on the squad, is the only casualty of the year so far. Ellis injured his leg last week against Howard Payne and is walking with crutches. Drew says he won't be out more than a couple of weeks, though. Ellis plays both left guard and left tackle. Vernon Brown, and Harold McClure, halfback, are nursing knocked-down shoulders. Willie Walls, regular left end, did not play in Saturday's game because of an injured side. All of these "crips" are expected to be ready for Arkansas.

The highlight of Saturday's game was that freak play that ended up in four lateral passes. Even Capt. Lester handled the ball in the impromptu bean-bag game. The Frogs don't have any plays as unorthodox as that one, but they do have one that calls for a forward pass and two laterals. When they practice it, it looks like the basketball team working out.

And by the way, six of the returning lettermen for this year's basketball team are on the football squad. Four of the football starters, Roach, Walls, Baugh and Lester, are also basketball starters. Vernon Brown and L. D. Meyer won basketball letters last year. Of these six, Walls, Lester, Baugh and Meyer have made it a grand slam and are also baseball regulars.

Two of the conference schools—Texas and Arkansas—open their grid schedules tomorrow. Texas opens against Texas A. & I. at Austin. Arkansas takes on the Kansas State Teachers at Fayetteville. Rice Institute meets L. S. U. in one of the most important games in the nation. Much interest is generated in this tilt, because both schools were prominently mentioned as opponents of Stanford in the Rose Bowl Classic. A tie with L. S. U. and a defeat by the Frogs dimmed Rice's chances last year. The tie with Rice and Huey Long held back the powerful Tigers. Both teams will see to it that there is no tie this year to stand in the way to fame.

The other teams of the conference have more warm-up games. T. C. U. meets the Denton Teachers. S. M. U. takes on Austin College. Baylor may have picked a tartar in the tough Hardin-Simmons Cowboys. Baylor and her star ball carrier, Lloyd Russell, looked good against the Southwestern Teachers last Saturday, but the Cowboys gave Texas Tech a battle, and this game may turn out to be anything but a breather.

"Dutch" worries about future Frog football teams should be abated somewhat after the showing of the first year men Saturday. Lacey McClannahan, Alan House, Bob Harrell and Linnon Blackmon played nice games in the backfield. Aubrey Linne, Lincoln Walker, George Dunlap, Glenn Rogers and Mason Mayne bore heavy duty in the line. McClannahan was a demon on defense, intercepting three passes and backing the line like a wall.

DID YOU KNOW . . . that the Frogs outscored the other teams in the conference last Saturday, although they played every available man . . . that Howard Payne was undefeated since November, 1933, until Saturday . . . that the Frogs are said to have the best team since the 1932 edition that defeated every other member of the conference . . . that incidentally the Frogs are the only team to defeat every other member of the conference, and then only once . . . that important conference games are to be announced by Byrum Saam, a T. C. U. junior . . . that Saam is the only basketball letterman not on the football squad . . . that the T. C. U.—Rice

Denton Teachers To Play Frogs Here Tomorrow

Purple Squadmen to Be In Trim Condition for Contest

Ellis Unable to Play

Coach Meyer May Instruct Quarterbacks to Play Ground Game.

Tomorrow afternoon at 3 o'clock the Horned Frogs engage the North Texas State Teachers of Denton down at the Stadium. The last meeting of the two teams ended disastrously for the Teachers, the Frogs winning, 27 to 0.

Several members of the Purple squad who were on the crippled list last Saturday are expected to be ready to go against Denton. Willie Walls, Vernon Brown and Harold McClure were kept on the sidelines Saturday due to minor injuries, but will be in fairly good condition tomorrow. Sophs to Get Chance in Tilt

Drew Ellis, versatile lineman, is definitely out of the football picture for at least a few weeks as a result of an injured leg sustained against Howard Payne. The absence of Ellis will give several sophomores a chance to see what they can do. Aubrey Linne, tackle, and "Bull" Rogers, guard, will see a lot of action in the game.

Solon Holt, right tackle, will start in the place of Wilson Groseclose, who hasn't practiced regularly because of the recent death of his brother. Groseclose has been a starter for two seasons.

Last year the Teachers were defeated by a dazzling aerial attack, and if last Saturday's game is any indication of what tomorrow will bring, the Frogs will fire another barrage of passes at them.

May Use Pass Attack

Coach "Dutch" Meyer may instruct his quarterbacks to remain on the ground in an effort to strengthen the Frogs' ground game, but if weather permits, the ball will be thrown frequently.

The first string line is expected to start the game, but the starting backfield may be made up of reserves. In the signal drills a combination of Brown at quarterback, Blackmon or McClure at right half, McCall at left half, and Roberts or McClannahan at fullback, has been looking good. A backfield made up of these men probably will start or get into the game early.

Mrs. Murphy to Chicago

Mrs. Helen Walker Murphy left today for Chicago to attend the annual Recreation Congress sponsored by the National Recreation Association. The congress opens Monday and lasts through Wednesday. It will be held at the Sherman Hotel.

Game will likely be broadcast over CBS, with Ted Husing at the mike . . . that the main objection to the powerful Rice Owls taking the conference crown again is the fact that no team has ever won the championship twice in succession.

Ben Boswell, giant tackle from 1930 to 1932, has returned to T. C. U. in the role of coach after playing professional football the past two years. Boswell is assistant freshman coach. He was named on the all conference teams of 1930 and 1932.

McCall
Scott McCall, junior and Horned Frog halfback, was one of the outstanding players in Saturday's game with Howard Payne College. Fully recovered from injuries which handicapped his playing last season, McCall flashed the type of classy football Saturday which brought him wide fame and all-state high school honors while a member of the Masonic Home team of 1932.

Frogs Intercept 8 Jacket Passes

Howard Payne Offense Increases Final Score 41-0.

Howard Payne's aerial attack kicked back on them Saturday. No less than eight Jacket passes found their way into the arms of Purple-jerseyed players; three of which were returned for touchdowns. T. C. U. made six touchdowns, three of them under their own power and the others as a result of Howard Payne's offense.

Vic Montgomery snagged one of the enemy passes in the second quarter and carried it over the goal behind the blocking of Tracy Kellow, who took out two men with one block. "Donkey" Roberts also was on the receiving end of a misdirected pass and carried it to the pay dirt. Walter Koach was one of the three Frogs who knocked a toss into the air while rushing the passer and made a touchdown run of 55 yards after catching the smothered ball.

Frog Defense Clicks

T. C. U.'s offense clicked three times for touchdowns and several times for sustained drives that were halted short of the goal line. Sam Baugh counted first for the Frogs on a lateral pass from Taldon Manton. The other two touchdowns were by the aerial route—the first, Baugh to Kline for about 30 yards and the second from Alan House to Scott McCall for the same distance.

The Frogs' defense was especially impressive—allowing only two first downs, and these through the air. The Jacket backs were stopped at the line and sometimes before they got that far.

Many Subs Used

Every able bodied man on the T. C. U. squad was used in a constant stream of substitutes. Outstanding men for Howard Payne were Sunderman and Nunnally, who sparkled in the secondary, and O'Brien, center, who stood out in the Jacket defense. While the Frog backs could gain

Washer's Appoints New Representatives

Darrell Lester, all-American center and captain of the 1935 Frog gridiron warriors, has been appointed student representative by Washer Brothers for the school year of 1935-36. Tracey Kellow will act as his assistant.

Lester and Kellow will assist students in every way possible at Washer's. Other students who have held this office in the past are Cy Leiland, Charles Addington, Jack Langdon, Rainey Elliot, Norman Welsh and Lon Evans.

Code Published for Co-eds

"A Frosh Dictionary" and "A. B. C.'s for a Co-ed" are among the features to be found in the "Co-Ed Code," a small book published by the Associated Women Students of the University of New Mexico. The purpose of the code is to familiarize the freshman girls with the activities and rules of the University.

almost at will, Kline was especially effective—averaging over 10 yards a try. Lacey McClannahan, sophomore fullback, intercepted three passes and also stood out in the offense. Charlie Needham, end; Kellow and Wilber Harrison, guards, and Darrell Lester, center, turned in stellar games in the line.

Rice-L. S. U. Game Grid Headliner

All Southwest Teams Will See Action This Week.

With every one of the seven member teams scheduled for action, the Southwest Conference this week gets the serious business of football well under way.

Easily the headliner of the week is the Rice-L. S. U. contest in Baton Rouge. Tied by the Tigers last year, the Owls will find the competition of 1935 just as strong, if not stronger, and it would not be surprising to find the Institutters removed from the undefeated class in this first major encounter.

T. C. U. takes on the Denton Teachers in Fort Worth. The Frogs had no trouble in winning, 27 to 0, last year. The Frogs are stronger, the Teachers are weaker.

Baylor meets Hardin-Simmons under the lights in Waco. The Bears managed to win from the Cowboys last season by only one touchdown (18 to 7) but they might make the margin a little wider this time.

The Mustangs should do just about as they please against the Austin College Kangaroos when the two clash in Dallas. Last year's score was S. M. U., 38, Austin 0.

Texas plays A. & I. in Austin, the game marking the first appearance of the Longhorns. The game is all Texas.

The Gorillas of Pittsburg (Kan.) Teachers will throw considerable strength against the Arkansas Razorbacks in Fayetteville and may spring some surprises against the unknown strength of the 1935 Hogs. The Texas Aggies have the curtain-raiser for the week against the Sam Houston Teachers in Huntsville Friday night. The Aggies won last year 28 to 0. The stronger 1935 Farmers should repeat easily.
