## All-Campus Team Picked in Football

By Walter Pridemore.  
An all-campus tag football team has been selected by the managers and captains of the teams, the Skiff and the athletic director.

The two end positions were filled by a unanimous vote for Ray Wester and Buck Roberson, both Juniors. Orville Paty, Senior guard was the other unanimous choice.

Sonny Osier, Freshman, Byrum Saam, Junior, and Don McLeland, Sophomore, won the back positions by a large majority.

The closest vote was between Jim Young and Bobby Bass, both Sophomores, for guard. Young won by two votes.

The team selected is as follows: Ends Roberson and Wester; guards Paty and Young; center, Bruce Scafford; quarterback, Saam; halfbacks, Osier and McLeland.

## Go to Your Classes, Or Get Double Cuts!

Students are admonished to attend classes today and tomorrow, and Monday and Tuesday following the Christmas holidays.

"Double cuts will be given for absences on these days," Dean Colby D. Hall says.

School will close for the holidays at 1 p. m. tomorrow and reopen at 8 a. m. Monday, Jan. 6.

## Frosh Lettermen Given Free Trip To New Orleans

The T. C. U. freshman football players need no longer envy the S. M. U. frosh players. The Polliwogs, too, are going to see their varsity brothers play on New Year's Day.

Plans were announced Tuesday by Amon G. Carter at the 14th annual Lions Club "Frog Day" luncheon whereby the 28 freshmen who lettered will be enabled to make the trip to New Orleans.

A committee has been formed to obtain Frog fans who will sponsor the trip of one or more players. The cost has been set at \$35 per player.

A number of sponsors have already been obtained. The committee is composed of Dr. Webb Walker, A. L. Shuman, Raymond E. Buck and Carter.

## Frogs Pick Team From Opponents

While en route to San Francisco to play the Santa Clara Broncos, the Frogs had time to pick an all-opponent team.

Arguments as to the ability of the opponents flew thick and fast, but finally they came to these decisions:

The end positions belonged to Howell of Arkansas and Tipton, S. M. U.; the best tackles are Spain, S. M. U., and Baker of Centenary; Wetzel of S. M. U., and Gilmore of Arkansas were the best guards; and Harmon of Tulsa U. got the center position.

In the backfield Wallace of Rice, Finley and Wilson of S. M. U. and Pitner of A. & M. got the call.

However, after the Santa Clara game, the Frogs picked Bassi, a guard, and McGee, a tackle. The T. C. U. player showed bruises and bumps as evidence of these two Broncos' ability.

## English Class Gives Play

### Miss Sherley Entertains Students With Banquet Afterwards.

A dramatization of the Norman-French metrical romance "Sir Gawain and the Green Knight" was presented Monday night in Jarvis Hall by the sophomore English class of Miss Lorraine Sherley. The play was written by Miss Marjorie Young, a member of the class.

A hollydecked, medieval mead hall, sedges on the floor, smoked banners, stained glass windows and roast pig reflected the Christmas spirit of the Middle Ages.

A banquet followed the play in Norman-French fashion, and the guests ate the three course feast with their fingers as was the medieval custom.

The windows were decorated to represent stained glass by Eugene Haley.

The table appointments and menu were arranged by Earl Nichols and the costumes by Miss Eugenia Chapell both of whom have made a special study of medieval customs.

## 10 Grid Games Yearly, New Rule

### Conference Limits Football Tilts for the Southwest.

A rule limiting member football teams to 10 scheduled games a year was passed Saturday at the Southwest Conference meeting held in Dallas.

Prof. E. W. McDiarmid, president of the conference, said that exceptions could be made to post-season games. It was also announced that Rice and S. M. U. will come back into the baseball league. Arkansas will be the only Southwest Conference member not in this race.

The representatives voted to allow competition between the freshman basketball teams of the conference schools. The number of games has been cut down to eight, four of which may be in the conference.

Championships in the Southwest Conference for 1935 were awarded to the following: Basketball, Rice, S. M. U., and Arkansas, tied; track, Texas University; baseball, Texas University; tennis singles, Rice; tennis doubles, Texas; swimming, Texas; golf, Texas; cross country, Texas; football, S. M. U.

A new set will be designed and painted at the club's "back-stage" party Jan. 10 in the Auditorium. All members are invited.

## First English Bible Dedicated To King, But Had No License

In the city of Antwerp 400 years ago the Bible was first printed in the English language by Jacob Van Meteren.

The irony of this, Miles Coverdale's Bible, is that Tyndale, who started a translation of the Bible was martyred in Meteren.

It is based largely upon the "Latin Vulgate and German Version." Its chief merit is its pure strong English idiom, sometimes quaint, but generally musical. It influenced greatly the authorized edition of King James in 1611.

## Trimble and Poll Debate With Baylor

### Subject Contested is "Resolved: That Roosevelt Should Be Re-elected."

J. B. Trimble and Richard Poll, members of the Frog Forensic Fraternity, debated with Warner Evans and Richard Sanders, Baylor University debate team, last night before the Roosevelt Democrat Club at the Texas Hotel. The question debated was, "Resolved: That Roosevelt should be re-elected." The Frogs debated the negative and Baylor the affirmative.

The members of the F. F. F. entertained the Baylor team with a dinner.

Harry Roberts and Truitt Kennedy debated Jim McGoodwin and John Stephens, Texas University debate team, last Sunday night before the Young People's Association of the Trinity Episcopal Church. The question of debate was, "Resolved: That the production of cotton should be controlled by the Federal government."

## WSM Air Theater Will Honor T.C.U.

WSM, Nashville, Tenn., "campus theater of the air," will honor T. C. U. for the third consecutive year at 9:30 o'clock tonight. The station broadcasts over a frequency of 650 kilocycles.

T. C. U. was one of the first schools honored by the station and has continued on the selected list for three years.

Mrs. Gayle Scott, Dr. Allen True and Prof. J. Willard Ridings compiled material this summer which will be used on the program.

## McDiarmid to Go to N. C. A. A.

Prof. E. W. McDiarmid will represent the Southwest Conference at the annual meeting of the National Collegiate Athletic Association to be held in New York from Dec. 26 to 28. McDiarmid is president of the Southwest Conference.

## Discusses Modern Drama.

Members of Sigma Tau Delta met Wednesday night in Brite Club Room and discussed the modern drama, "Riders to the Sea," by J. M. Synge, was read at the meeting.

## Orders Pour in For Bowl Ducats

### Only Tickets Available For Students Are \$2 Seats.

Two thousand of T. C. U.'s tickets to the Sugar Bowl game at New Orleans had been disposed of yesterday afternoon, and the stadium and other offices where tickets are being sold were swamped with applications for the remainder of the 3,000 allotted the University, a report from the athletic department said.

Special student tickets to the game went off sale Monday afternoon. The only tickets available for students now are the \$2 end zone seats, Bear Wolf, athletic director, announced.

The entire 60-piece Horned Frog Band will go to New Orleans for the game, Wolf announced. Definite details concerning the band were incomplete, but arrangements are being made to send the band members in busses.

The football team will leave Fort Worth on Sunday night, Dec. 29, arriving in New Orleans Monday morning. They will leave New Orleans on the night of Jan. 2.

The Horned Frog Band will present a drill during the half at the game featuring the theme of Texas under six flags. It is understood that the S. M. U. band will present a similar drill in the Rose Bowl, and these two drills will open the Texas Centennial celebration in 1936.

## Tag Football Title Won by Sophomores

### Game Is Disputed, But Juniors Drop Protest to Avoid Disturbance.

The intramural tag football championship went to the Sophomores last Friday as they defeated the Juniors 18 to 13 in a heated battle. The old rivalry between the teams flared up, and no holds were barred in the battle.

The Juniors counted first on a pass from Jay Smith to Buck Roberson. Olin Jones caught a pass for the extra point. Don McLeland passed to Gilbert Bowden for the next score. The point was missed.

Two more Soph passes, Jim Young to McLeland and McLeland to Bowden, were made to account for 12 more points. Both tries for extra points, were missed. The Juniors then made their other touchdown on a pass from Ray Wester to Smith. The try for point was not good.

In the last quarter the Juniors made a touchdown which was called back. The officials, although not unanimously, ruled that Roberson, who threw the pass that resulted in the touchdown, had caught the ball on the ground.

The Juniors protested the game on the grounds that the catch had been legal, but dropped the protest later, in order to do away with the disturbance it had caused.

The Sophomores will be awarded silver footballs for having won the championship.

### Let's Accompany the Frogs To New Orleans

One of the main factors in the success of the Horned Frog football eleven this season has been the support which has been given the team by the student body as a whole.

The Horned Frogs have been accompanied on all of their previous out-of-town trips by large numbers of loyal T. C. U. students and supporters who worked nearly as hard in their way while in the stands as the players did on the field. In several instances a comparatively small group of T. C. U. supporters in a mass of several thousand fans at games have made more noise than all of the other thousands combined.

This spirit on the part of the supporters in the stands has been reflected in a greater spirit and fire in the players on the field.

With one of the highest ranking games in the nation's grid schedule at stake on New Year's Day, students should support the Horned Frogs at New Orleans more than ever before. A victory over L. S. U. in the Sugar Bowl would add the perfect finishing touch to an already successful season on the part of the Horned Frogs.

All T. C. U. students should do their bit toward making this victory for their alma mater a possibility by going to Louisiana and lending their support to their team in this all-important grid-iron classic.

### Looking Forward To the New Year

New Year's resolutions are made in a day and sometimes are broken in less time than that, but at least the good intentions that are expressed in them are worthwhile.

One does not often succeed by chance. In order to reach a definite goal one must sometimes give up other desirable things. The question, then, that one must decide is exactly what objectives he wishes to attain, and as the new year dawns, set forth to accomplish that end at all costs.

One may forget that promise to speak politely to dear Aunt Mae or to attend every class on time, but he should not let anything change the course toward the goal, whatever it may be.

### Success Deserves A Reward

Thousands of dollars have been made for Texas Christian University. Local, state, national and international publicity for the University has reached an all-high. Publicity and business for Fort Worth have been increased. What is the reason? The Horned Frogs football record of 1935. Twelve long hard games have been played with only one defeat and no tie games. What do the football men get for their efforts?

Professors should think of the days the players have missed when they get hard ideas in their heads as to grading the men strictly. Business men should do everything they can to help the Frogs get jobs when they get out of school, and last, but by no means least, the 1935 Horned Frogs should be given something for their efforts in putting Texas Christian University in fourth place football rating in the nation this year. All-American football players receive gold watches. Why shouldn't the Frogs receive something for their powerful results?

We think something should be done to reward the football players. It isn't every university in the country that can boast of a record like T. C. U. has this year.

# Santa Claus Is Coming So Hang Up Your Stocking

BY ROSEMARY COLLYER

The Popularity Rayue was certainly a huge success. People will gasp over the array of lovely gowns. I overheard several saying that it was almost impossible to choose two girls out of the class to receive a full page in the Horned Frog.

The night is drawing near when we will all hang up our stockings to wait for old Santa's coming.

If you are too grown up to hang up your stocking, then you just don't know what you are missing. Try it and you may be surprised.

One odd thing that has just occurred is the large number of Christmas parties being given this year and not one word has been said about taking care of a poor family.

It would seem that a campus of this size should be able to take care of a few of them with each class taking at least one. Of course it's just a thought.

## Princeton Prof. Tries to Collect

Works One Day for U. S. Finds Collecting \$18 Hard Going.

Summoned to Washington last August to work for one day as a consultant for the National Youth Administration, Prof. George A. Graham of the Princeton University department of politics is still waiting for the \$18 in salary and expenses due him. His four successive attempts to collect it have been baffled by more red tape than even a professor of politics could believe existed.

On his return to Princeton after his day's service, Prof. Graham dutifully filled out his itemized expense sheet and sent it to Washington. Two weeks later he got a letter from the Comptroller General of the United States informing him that he had made several mistakes and must fill out a new account.

It seems that Prof. Graham had put down all his expenses when he should have lumped all his living expenses under a \$5 per diem account. He corrected the error and hopefully sent the corrected account back.

Two weeks later he received letter number two from the government. This time he had to put his initials over each of the individual items and add the exact time to the minute of his arrival and departure from Washington. Moreover, a correction he had made in ink was ordered changed to typewriting.

Another fortnight passed, and the long-suffering pedagogue was informed he would have to swear in as a government employe. Still game, Prof. Graham went to a notary public and took the governmental oath promising "to uphold and defend the Constitution." This done, another notice went off to the Comptroller, giving notice that WPA Adviser Graham had taken oath of office and was at last an employe of the government.

There the matter rests, but Prof. Graham knows better, by now, than to expect a check in the next letter from Washington.

## Jack Comes 800 Miles On \$15 To Go to T.C.U.

Roberts, a Kentuckian, Runs An Elevator in Medical Arts Building.

With only \$15 in his pocket and no sign of a job, Harry Roberts, new president of the Frog Forensic Fraternity, traveled 800 miles from his home on a farm in Kentucky to enter T. C. U.

A junior now, Roberts attended classes four months before he found a job running an elevator in the Medical Arts Building.

"It was a case of 'have to,'" Roberts declared.

This same determination and daring has marked Roberts' progress in college. He has been outstanding in class work. He is a member of the Student Council and president of the debating club.

His dashing manner and good looks have made Jack, as he is popularly known here, the idol of many feminine hearts. Jack is six feet two, has gray eyes with long lashes, and dark hair.

Why did he choose to enter T. C. U.?

"I'd heard a lot about T. C. U.," said Roberts. "You know, many of the teachers here came from Kentucky, mostly from Transylvania in Lexington. It seemed the logical place to go."

After graduating here, Roberts intends to go to law school at the University of Texas, majoring in international fields of diplomacy. At a government school in Washington he will finish his schooling, at which time he hopes to enter the foreign service.

A younger brother of Roberts' will enter the University two years from now.

# SHORTY SPORTS PLANTS

By CARL MAXWELL

The Frogs went back to football with a vengeance Wednesday. They've had a long lay-off, and some of the boys started out Monday afternoon to get their wind back. A campus wag said he was going out to see the "Air Circus" (puff, puff).

A few of the men are doing double duty. Five or six of the football players have been working out for basketball along with football practice for the Sugar Bowl game. Byrum Saam is the only basketball veteran who does not go out for football. Darrell Lester, Sam Baugh, L. D. Meyer, Willie Walls, Walter Roach and Vernon Brown are all basketball players who are tied up with our elongated football season.

Jay Smith, Bruce Scrafford, Saam and two players who have been released from the football squad for early basketball practice—Brown and Clifton Cowan—are working out regularly in the Basketball Gymnasium.

Well, we may be without a coach after Jan. 1. Looks as if T. C. U. is a stepping stone to success. Matty Bell, the Mustangs' mentor, resigned here when the A. & M. Aggies needed a coach. Then came Francis A. Schmidt, who reigned for five years until Ohio State landed him.

And now the Oklahoma Aggies are after "Dutch" Meyer. No one could blame him for accepting a better job. But then who could call Oklahoma A. & M. better than T. C. U.? It might pay more money, but it is a cinch that school is not as well known as T. C. U.

If "Dutch" does leave the Frogs, we wish him all the success in the world, and we know he would be going simply because he thinks it is best, and not because of any dissatisfaction with his present position.

Ab Curtis, a Fort Worth athletic official, will hold down one of the four officiating jobs in the Rose Bowl. Ab is considered, by those closely connected with football and basketball, as one of the best referees in the country. Coaches and players say he knows the rules backwards. And local fans are apt to agree on that "backwards" part. They call him "Blind Ab"—but the Rose Bowl officials know what they are doing; so the fans must be wrong.

Field goals have been the only method of scoring in the two past T. C. U. - L. S. U. games. Ben Boswell kicked one to beat the Tigers 3 to 0 here in 1931. And Boswell and Jack Torrence, big Tiger tackle, both booted one in a night game the next year to deadlock the battle 3 to 3. Spectators thought the Frogs had won the game on another attempted field goal—again from the toe of Boswell. The officials were divided in their opinions, and the score board stuck up the 6 to 3 sign, but finally it was ruled out, and the game ended in a tie.

If the game is close enough this year to put a premium on the three-point place kicks, look out, L.S.U.! The Frogs have a bunch of place-kickers from away back there. Roach, Manton, Montgomery, McCall and Meyer can boot field goals with anybody.

### Melolist Club to Hold Next Meeting Jan. 12

## Line-Ups Named For Bowl Game

### Mickal, L. S. U., May Not Play—3 All-Americans to Meet.

L. S. U.	T. C. U.
Tinsley	L. D. Meyer
Helveston	Drew Ellis
Brown	Cotton Harrison
Stewart	Darrell Lester
Carroll	Tracy Kellow
Rokus	Wilson Groves
Barrett	Walter Roach
Reed	Sam Baugh
Seago	Dutch Klipke
Fatharee	Jimmy Lawrence
Crass	Talton Manton

These are the probable starting line-ups that will face each other on New Year's Day in the Sugar Bowl at New Orleans.

Abe Mickal, star quarterback of the Tigers, probably will not see action until later in the game. Mickal has been troubled with a last year's grid injury and has seen little action this year. He made a great reputation as a passer last year, and if he gets into the Sugar Bowl classic a merry aerial battle is expected between him and the Frogs' Sam Baugh.

L. S. U. has a powerful offense built around single wingback formations. They have an unbelievable scoring record in their games this year. They were beaten only once—that one time by Rice, 10 to 6—but it must be said that this was the Tigers' opening game of the season, while the Owls had already been baptized into competition. And the Tigers ended their regular season by walloping Tulane 41 to 0.

Three all-Americans will meet in the game. Gaynell Tinsley, left end for L. S. U., has been picked on almost all the mythical elevens. Darrell Lester and Sam Baugh are the Frogs' all-American players.

Coach "Dutch" Meyer started the Frogs' training for the game Wednesday afternoon. Jimmy Lawrence and Rex Clark, halfbacks, are expected to be ready to play after staying on the sidelines when T. C. U. played Santa Clara.

## Educators Against U.S. in Olympic Games

### 40 College Presidents in 27 States Sign Request for Withdrawal.

Forty American educators, presidents of colleges in 27 states, have joined in a request to the Amateur Athletic Union of the United States and the American Olympic committee for withdrawal of American participation in the 1936 Olympic games in Berlin.

Announcement of the educators' stand was made by Frank Kingdon, president of Dana College, Newark. It was accompanied by a statement setting forth reasons for requesting American withdrawal and signed by the forty college presidents.

"It is our considered judgment," the statement says, "based upon the record of events that have transpired in Germany for the past two and a half years, that the inequalities and discrimination practiced against Jews, Catholics, Protestants, labor, Masons and all independents are perpetuated in the field of sports and in the Olympic games.

"We believe further that these games are being used by Nazi Germany as an instrument for the propagation of her ideals, which represent the destruction of democratic and progressive society . . .

"We believe that the Americans should refuse to take part in the games, and that such refusal will serve to elevate and preserve sport and the sporting spirit."

Miss Marguerite Jordan spent last week-end at her home in Lufkin.
