Seniors Think How About T. C. U.? Artists Needed. Mother's Day.

By Grace Maloney

Editor's Note: This column is written each week by different students or faculty members who are asked to present their viewpoints on any subjects which they see fit.

Seniors have a lot of time to think. For most of us, it is too late to reform and start doing all of the work we should have done during our four years, so we just think—of all the things we've done in T. C. U., the things we wish we had done—and secretly make plans for T. C. U.'s future.

Most of us, no matter how much we love T. C. U., realize that there are many improvements to be made. There are many things T. C. U. needs, but, most of all, she needs a fine arts building with an auditorium. A building of this kind would not only be beneficial to the fine art students, but also to those having classes in the Administration Building. It is very difficult to explain the interpretations of the Monroe Doctrine when someone is missing a high G in the room overhead, and advanced calculus is not easily adapted to the rhythm of "The Dance of the Fireflies." Campaigns have been conducted in the past to erect buildings on the campus. Why couldn't it be done again? Surely, there is as great a need for a fine arts building as anything else at T. C. U.

The Frontier Centennial will bring thousands of visitors to Fort Worth. They will learn much of the city and West Texas, but will they even hear of T. C. U.? That depends upon the initiative taken by the University. No one else is going to accept the responsibility of introducing T. C. U. to visitors. It is difficult to suggest just exactly what should be done; that would depend largely upon the arrangements that could be made with the exposition officials. Perhaps a booth or an exhibit would be the answer.

The lecture series for this year was very successful, especially if one considers that the plan was being tried for the first time in recent years. But, if possible, there should be a greater variety of entertainers presented next year, I think. The series might be rechristened "artists' series," and include musicians, authors, etc.

I do not recall the presentation of a single outstanding musician in the Auditorium in the four years that I have been in school. Many universities are able to secure roadshows, but that would be impossible for T. C. U. because of the small student body as well as the limited stage facilities, but would it not be possible to make some arrangements with the theater management to secure reduced prices for student tickets?

Few college students realize the sacrifices that are made by their parents to keep them in school. Sunday is Mothers' Day and affords an excellent opportunity for each of us to let our mother know that we really do appreciate all they have done for us. Mothers' Day would, I think, be a great deal more pleasant if we could approach it knowing that we had made every day her day.

Every time I go to another school I come back to T. C. U. just a little bit prouder of the atmosphere that prevails on the campus, of the friendliness among students, the absence of social cliques, sororities and fraternities, of the broadmindedness of the faculty and the administration, of the freedom of thought and social activities. Every day I am happier that I chose T. C. U. for my alma mater.

Kathryn Swiley Is Crowned Queen Annual May Fete

Ceremony Held in Rose Garden in Trinity Park.

Guests Read Poems

Woodland Sprights—Puck, Maid Miriam, Peter Pan, Titania—Portrayed.

Miss Kathryn Swiley, senior from Longview, was crowned "May Queen" in the annual Jarvis Hall May Fete, which was held at 6:30 o'clock this morning at the Rose Garden in Trinity Park.

The queen was crowned as she and her attendants floated on a barge on the swan pool. Senior girls who served as attendants are Misses Lois Atkinson, Johnnie Mae Donoho, Lucile Snyder, Doris Perry, Lula Delle Willoughby, Mary Elizabeth Roark, Mary Elizabeth Hardy, Willie C. Austin and Grace Maloney.

Mrs. Faye Yauger, author of "Planter's Charm," and Mrs. Fania Kreuger, who are guests in Jarvis Hall, read to the queen. Both the visitors have received national recognition as poets.

The following were costumed as woodland sprites for the fete: Jon Miller, "Puck"; Miss Billie Stoker, "Peter Pan"; Miss Helen Adams, "Maid Miriam"; Miss Helen Sheldrake, "Robin Hood"; and Miss Gay Welch, "Titania."

Coach Bear Wolf To North California

Mike Brumbelow May Fill Line Post Left Vacant.

Raymond R. (Bear) Wolf, varsity line coach and athletic director, will leave about 5 o'clock this afternoon for Chapel Hill, N. C., where he will take over the position of head football coach at the University of North Carolina.

Wolf, who has been conferring with the college for several weeks, accepted Wednesday night after the S. M. U. baseball game. He will replace Carl Snively, who resigned to become head coach at Cornell.

Spring grid training under Wolf will start Monday at North Carolina. Dutch Meyer will finish out the season as varsity baseball coach here.

Although no official statements have been made, Mike Brumbelow, Frog grid star and captain in 1929, is believed to have the best chance at getting the post left empty by Wolf's resignation. Ben Boswell, tackle on the 1932 championship team, is also being considered.

Wolf's brilliant career as a line-coach began in 1927 as assistant freshman coach here at T. C. U. He was promoted to head line-coach in 1929, when Francis Schmidt replaced Matty Bell.

The combination of Schmidt and Wolf brought T. C. U. its first championship in football in 1929. They repeated the feat three years after their first year's success.

In 1934, Wolf was made athletic director as Meyer replaced Schmidt, who was made head mentor at Ohio State.

Wolf came to T. C. U. from North Side High School in 1924. He played freshman football that year and started his varsity career in 1925. Despite his light weight, he was one of the best guards in the conference and was elected all-conference in 1924, his last year.

Noted as Place-Kicker. He was especially noted for his place-kicking abilities. Several games were won by his educated toe. His most noted feat was a 43-yard goal kicked against Arkansas to give the Frogs a 10-7 victory.

Wolf played such good baseball at first base that he was given a trial by Cincinnati. He left at the end of his junior year for professional baseball but his career was brief because of a knee injury received in football. He came back to T. C. U. that fall to become assistant freshman football coach.

May Queen

Miss Kathryn Swiley reigned as "May Queen" in the annual Jarvis Hall May Fete held this morning at the Rose Garden in Trinity Park.

Words Fail Bear As He Bids T. C. U. A Fond Farewell

"The hardest decision I ever had to make," Bear Wolf commented yesterday on his accepting the head football coaching position at the University of North Carolina.

"I haven't got the words to say what I feel. It's tough having to leave not only the athletes, but the student body as a whole. But leaving the boys I have worked with on the teams is especially hard.

"However, T. C. U. will always hold a warm spot in my heart, and I'll always call Fort Worth home," the popular coach said.

"The opportunity came, and the difference was so great that I couldn't turn it down," he stated.

Wolf expressed his appreciation of the co-operation and good-will given him by T. C. U. during his days here.

Glee Clubbers Visit Death House At State Penitentiary

By RAYMOND MICHERO

A doomed man's expression of a faint hope of living and of his readiness to meet death in case his last hopes were shattered, presented a morbid, yet interesting, experience to several members of the T. C. U. Men's Glee Club Wednesday of last week as they were being shown through the state penitentiary at Huntsville.

The doomed man was Virgil Stalcup, convicted of the murder of Sheriff W. B. Arthur of Dickens County. Stalcup met death in the electric chair Sunday night.

Apparently a hardened criminal before his capture and sentencing, the prisoner had softened during his hours of confinement and had a copy of the Bible in his hands when the glee club members approached the death house. Stalcup quoted several passages from the Bible and referred to death as "life's greatest adventure."

From the door of the death house, the visitors went to the death chamber, in which Stalcup met his death, and in which Charlie Mosshart, a

glee clubber, was nearly frightened to death. Prison officials, who were acting as guides for the singers, asked for someone to sit in the electric chair in order that they might demonstrate how it was operated.

When they were finished with their demonstration, someone loudly whisked back a curtain behind the chair, an old trick which is pulled on all visitors to the chamber, but Mosshart evidently wasn't prepared. The curtain was one which hides the electrocutionist and the chair's fatal switch from the view of onlookers.

The trip through the penitentiary was one of a number of short excursions which were made points of interest by the glee club members on their recent ten-day tour of South Texas. While in Huntsville the club also visited the home of Sam Houston and the Sam Houston State Teachers' College. The San Jacinto Battle Grounds in Houston had been visited on Monday.

While in Huntsville this writer stayed in the home of one of the prison officials and had the unusual

experience of being waited upon at the table, and in the packing of his suitcase by prison "trustees." The trustees, usually prisoners with comparatively short terms, act as servants in the homes of the prison officials.

The storm which swept cities along the Gulf of Mexico Monday night of last week found the glee club in the worst port in which to be during a storm—Galveston. Many of the singers slept through the storm without knowing what was going on, however, and did not learn of it until the next morning.

In Houston the glee club sang in the First Christian Church, of which Dr. Harry Knowles, father of John Knowles, is pastor. The boys enjoyed a night off in Houston Saturday and were free to take in the sights of the city. "Nuf sed."

While in Austin the glee club members were conducted over the campus of the University of Texas by Conrad Fath, manager of the Texas University Men's Glee Club. While on the

campus, they saw a number of T. C. U. exes, including Jack Langdon, Sid Lightfoot, Miss Natalie Collins, George Darr, Toll Underwood and many others.

The Glee Club concerts were well received in all of the cities visited, and in several of the smaller towns and in Galveston, one of the larger cities, musicians and others who heard the concerts said the T. C. U. Glee Club was the best ever to hit their towns.

Business Manager G. L. Messenger returned from the trip with a long, drawn look on his face because of the club's shortage of finances on the trip, but all in all the trip was a success. Incidentally, the business manager was not the only person who had financial difficulties on the trip. The club returned to Fort Worth early last Friday morning and during the past week has been preparing for its annual home concert, which will be held at 8:15 o'clock tonight at the Paschal High School Auditorium.

The Glee Club, under the direction of W. J. Marsh, will give the same program which it gave on its recent 10-day concert tour of South Texas, starting with the "Alma Mater Hymn," the club's first group of numbers will include "The Lost Chord," by Arthur Sullivan; "Ave Maria," by Arcadelt, and "Sanctus," from "St. Cecilia Mass," by Gounod.

Group to Sing Folk Song The second group will include "Wake Thee Now, Dearest," a Czechoslovakian folk song; "The Lotus Flower," by Schumann; "Bugle Song," by Arthur Foote, and "O Hall Us, Ye Free," from the first act of "Ernani," by Verdi.

The third group will start with a sea chanty, "High Barbary," by Arthur E. Hall. It will be followed by three negro spirituals: "Deep River," arranged by William Armes Fisher; "Zion's Children," arranged by H. W. Pierce, and "O! Religion Is a Fortune," arranged by Marsh.

Texas Songs are Included The latter part of the club's program will consist of a group of Texas songs; a group called "Tunes from the Shows," and a medley of college tunes. The program will end with "Texas, Our Texas," the state anthem, written by Marsh.

Raymond Steward and John Crawford are vocal soloists with the club. Miss Ruth Duncan will appear as violin soloist. Wayne Dunlap will present a group of trumpet solos. Miss Duncan and Prof. Keith Mixson will accompany the glee club at the piano. A quartet composed of Tom Black, first tenor; George Cherrymores, second tenor; Weldon Allen, baritone, and Messenger, bass, will also present a group of numbers.

Club Sings at C. I. A. The glee club presented a concert Wednesday night at The Texas State College for Women at Denton. They will present a concert at 7:30 p. m. Sunday at the East Dallas Christian Church.

The personnel of the club is as follows: First tenors, Clyde Allen, Black, Dunlap, Lee Romine and Steward; second tenors, Bruce Banks, George Cherrymores, George Graham, Charles Mosshart and Bill Whitehouse; baritones, Harold Atkins, Weldon Allen, George Beavers, Rawlins Cherrymores, Robert Hinds, John Knowles, Raymond Michero, Waller Moody, Charles Wilson and Vincent Ziegler.

### Bring Your Mother To Pageant

The historical pageant to be presented in the stadium tomorrow evening by the women's physical education department and Tarrant County school children will be the product of long hours of practice and planning.

The members of the pageantry class wrote the script which will be used. The dances are being directed by instructors in the physical education department. Majors in the department designed the costumes.

The finished product will be something both entertaining and worth while. Every student should attend and bring, if possible, his mother, for whom the entire production was planned and dedicated.

### Spring Fever Takes Toll

An annual class which arises at this season of every year is now waging on the campus and will probably grow more acute during the next few weeks, when students are endeavoring to catch up on back work and to prepare for exams. It is the battle of student versus spring fever.

Spring fever has several peculiar ways of affecting its victims. Some it merely causes to dream and gaze blankly into space, expressionless and with the proverbial look of the "dying calf." The spring fever victim is characterized by a feeling of laziness and a desire to do nothing.

Some persons are merely affected mildly and soon recover. Others are affected to a greater degree and mentally drift away into the realms of what is commonly termed "love." They are soon completely overwhelmed by the powers of love.

There can be no hope for the victims of the latter form of spring fever. For they have lost not only their heads but their hearts as well. They sometimes recover, but all too often it is too late. They have "done went and done it."

Despite its dangers and its after-effects, spring fever is such a soothing, pleasant disease. It makes one feel his closeness to Nature and to realize and appreciate her many beauties.

But to the student it always presents an inevitable jolt. Sooner or later he regains consciousness and finds himself face to face with those horrible nightmares of a college education—exams and term papers. Then bedlam reigns.

### The Right Word In The Right Way

"Nice discernment of the best course of action under given conditions" is the definition of "tact" given by Webster.

Many people would define it as that sense of feeling which all people ought to have and few do have.

Tact means the valuable ability to say the right word at the right time in the right way.

More and more, college students thoughtlessly hurt the feelings of other people. A few say hateful things because they, themselves, derive a certain pleasure from it.

Many times, when there is a session in progress in someone's room, some person, desiring to attract attention and not knowing any other way to do it, says the tactless thing. This is unforgivable.

Everyone finds himself in an embarrassing situation some time. With a little thought the right words can be found and the situation is relieved. Everyone is happier and the person has gained in the estimation of the others.

### It's the Gypsy In Me

In every walk of life there are people who do small objectionable things that are not considered important. But the little things are still the ones that count in the long run. Here are some of the things that T. C. U. could well do without—

Yelling in the Cafeteria and dropping the silver just to hear it go bang.

Bragging about the number of clothes that you have and the price.

Doing the highland fling at 12 o'clock at night, so that the people in the room below can not sleep.

Boasting that you never study when you know every question that the teacher asks.

Eating lettuce with your fingers.

Booing at athletic games.

Telling the same exciting events over and over to the same people.

Eating sweets continually when you are fat.

Taking reserve books out of the library and keeping them out.

Smoking in the main hall to show your disregard for rules.

Giving people a whack on the back to see them jump.

It may be the Gypsy in you that causes you to do these things. Nevertheless, they are things that a university student can well do without.

## ALONG SHOW ROW

By RAYMOND MICHERO

A picture with one of the funniest scenes ever made in a movie will be brought back to Show Row Wednesday. It is "If I Had a Million." The Worth will break all precedent to bring this picture back, the first picture ever recalled for a second run at that theater. When Charles Laughton, a book-keeper for a large corporation, receives a million dollars, he immediately goes past secretary after secretary to the office of the president of his company, gives the president a big raspberry, turns and walks out, whereupon the audience falls out into the aisles.

The picture has a huge cast which includes Gary Cooper, George Raft, Joel McCrea, Jack Oakie, W. C. Fields, Charlie Ruggles, Mary Boland and many others. The Worth's regular attraction tomorrow will be "These Three," with Miriam Hopkins, Merle Oberon and Joel McCrea. The midnight show tomorrow will be "I Married a Doctor," with Pat O'Brien and Josephine Hutchinson.

Warner Oland returns to the Palace tomorrow in "Charlie Chan at the Circus," another of his famous detective portrayals. It will be followed Wednesday by "Man Hunt," with Ricardo Cortez and Marguerite Churchill. Next Thursday's feature will be "Every Saturday Night."

"Tough Guy," with Jackie Cooper and Joseph Calleia, will be the Tivoli's attraction starting tomorrow. It will be followed Sunday by "The Lady Consents," with Ann Harding and Herbert Marshall. Tuesday's picture will be "In Person," with Ginger Rogers and George Brent. "Behold My Wife," with Sylvia Sydney and Gene Raymond, will start Wednesday for three days.

The Parkway will offer "Next Time We Love," starring Margaret Sullivan for two days. "The Voice of Bugle Ann," with Lionel Barrymore and Maurine O'Sullivan, will be Monday's feature. It will be followed Tuesday by "Follow the Fleet," with Fred Astaire, Ginger Rogers, Harriett Hilliard and Randolph Scott. This picture will run three big days.

Harold Lloyd in "Milky Way," will be the Majestic's feature tomorrow. Adolph Menjou and Dorothy Wilson are also in the cast. "Love on a Bet," with Gene Raymond and Wendy Barrie, will be Tuesday's attraction. It will be followed Thursday by "The Three Musketeers," with Walter Abel and Paul Lukas.

### 2 Scholarships Offered

Insurance Man to Interview Students Wednesday.

Graduate students desiring to enter the field of life insurance may obtain personal interviews Wednesday with Homer G. Hewatt, general manager of the Northwestern National Life Insurance Company, in Dr. A. L. Boeck's office.

Two students will receive scholarships, with all expenses paid in the company's training school for insurance men, to be held in Houston, June 8-11. Any student who will be a graduate by this date is eligible. His major study is irrelevant. "Several positions are available in life insurance work," says Dr. Boeck. "A few are in Fort Worth."

Miss Florence Ackers spent the week-end at her home in Abilene.

## OPEN FORUM

(EDITOR'S NOTE: The opinions expressed in this column are the personal views of the writers and are not necessarily the policy of THE SKIFF. Students are invited to write to the Open Forum. Letters of more than 250 words are not accepted. Anonymous letters will not be published, but a writer's name will be withheld from publication if he so desires.)

Dear Editor:

It's the new-campus rule. We don't understand why university students aren't allowed to sit on the campus at night. It all began when all the benches were moved to the front of Jarvis. A little discontent was noticed then, but the students were able to understand after so long a time. Now it has come to the point where the students have to sign out "campus date" in order to sit on the campus, in front of Jarvis.

Maybe we are wrong, but until some explanation is given for this action we won't admit it. Is it because the university students of today aren't capable of being sociable without sitting under the watchful eye of the Administration? We hardly agree that this is the case. Even some of the faculty members will agree that the whole rule is "down-right silly. Is it because girls sign out "library" and then sit on the campus? If this is the reason whose fault is it?

Our social life on the campus has been increased through dancing being allowed on the campus and various additions to the social program. Why ruin the entire set-up by adding a rule that is absolutely unnecessary? Co-operation is essential to the success of any organization and we feel sure that the entire student body will be more than glad to co-operate with the Administration in anything they want to put over provided the students aren't looked up-

## School Daze—Parents Live Life of Students

At Harvard recently, the fathers and mothers of about 70 students spent four days earning what their sons college life was like.

While the students went on vacation their parents slept in their dormitory, ate in their dining hall and relaxed in the new gymnasium. They had two lectures a day by the professors—a general routine of their boys.

on as youngsters and treated as such. We suggest that the administration treat the students of the University as though they were students of a university and not as children.

This isn't meant as a complaint or as one finding fault with the policies of the administration, but as a question. Why are the students of Texas Christian University treated like a bunch of babies when they are in the final stages of preparation for life itself?

# PRIDE'S PRATTLE

By WALTER PRIDEMORE

The sports year on the T. C. U. campus is fast drawing to a close. This week-end marks the end of the season in three sports, track, tennis and golf.

The final competition in all three is in the conference meets.

Baseball won't be over for another week. The season is over for the Frogs next Friday when they play Baylor at Waco. In between that time they have a couple of non-conference games with O. U.

After that the campus will be without a sport for the first time since school opened last fall. The athletes will be able to use a little of their spare time in preparation for the approaching final exams.

If the Frogs don't put out all they've got in the conference track and field meet at Houston today and tomorrow it won't be Coach Puss Clark's fault.

A trip to New Orleans and a chance at the Olympic tryouts to be held there in the middle part of this month has been promised by Clark to all who show up well at Rice.

Pat Clifford in the hurdles and broad jump, Puss Erwin in the shot, and Rex Clark in the dashes are the most likely contenders. However, they will have to put out plenty before they will get a chance to go to Germany.

Next year's golf team has a couple of good prospects in Arthur Weir and Andrew Chilton. They have been working out in the golf class this spring under Bill Francis.

According to Francis, the boys have been burning up the local links. Both have been shattering par on the Glen Garden, Colonial Hills and Worth Hills courses. Weir is a freshman and Chilton is a mid-year transfer from N. T. A. C.

Chilton is also a tackle on the gridiron, having played at R. L. Paschal and at N. T. A. C. He will be out for freshman football this fall.

The Frog batters are still continuing to wear the ball out. Most of the hitters have raised their averages in the last few games. L. D. Meyer has led in the rise. From .382 he rose to .435, to take the lead in clouting. He is also leading in homers with three.

Will Walls' percent has soared from .357 to .385 in the last three games. Harold Fullenwider has been hitting in the last few games, too. He has come up from .000 to .214.

The greatest drop was made by Jim Lawrence, .400 to .340.

Fullenwider has finally won his "T." He has been the regular right fielder for the last four games. This was Fully's last chance, as he graduates this year. Although he is too light to do much good at football, Fully came out for four seasons in an attempt to make his letter. This is his fourth season of baseball, but he has his letter at last.

Besides Fullenwider, there are five other diamond men playing their last games for T. C. U. Lawrence, Seybold, Hudson, Lester and Manton will represent T. C. U. for the last time next Friday against Baylor.

The losses are light in the other spring sports. Rex Clark is the only senior on the track team. He has been a consistent winner in the sprints and has brought the Frogs needed points in the broad jump.

Tennis loses its senior captain, Ronald Wheeler, and Gene House. House is only a junior, but will go to a medical school next year. All the members of the golf team will be back next year.

Senior Caps, Gowns Ready

Seniors can now order their caps and gowns from Stafford-Lowdon, according to W. A. Tunstall. The price is \$1.75.

## Frogs to Meet Oklahoma Team In 2-Game Series

### T. C. U. to Journey to Norman for Monday, Tuesday.

### Stands 3rd In Race

### Baseballers Win 8 to 3 From S. M. U.—Split Even With Baylor.

Resting in third place in the conference race after winning two out of the last three games, the Frogs journey to Norman, Okla., for a two-game series Monday and Tuesday, in an attempt to revenge a couple of defeats handed them by the University of Oklahoma Sooners earlier in the season. The Frogs have only one more conference game, with Baylor next Friday in Waco.

The Frogs won from S. M. U. 8 to 3 Wednesday and split the Baylor series last week, losing the first 7-5 and winning the second 13-6.

### Led 6 Runs in First

The Frogs got to Gilker, S. M. U. pitcher, for six runs in the first two innings, a lead that was more than enough to win. Two more tallies were added in the ninth, to bring the total up to eight.

The best the Mustangs could do off Aubrey Linne was to get 10 scattered hits and one run in the third and two in the ninth. Linne struck out six and walked two.

L. D. Meyer, Frogs' leading batter, collected four hits out of five trips to the plate. The triumph gave the Frogs a clean sweep of the Mustang games for the season. T. C. U. opened the season with a pair of victories over the Methodists.

### Bears Win in 1 Inning.

In the first Bruin game Linne was touched for only seven hits, while his mates collected 12 off "Jelly" So-Relle. However, the Frogs' lack of ability to bunch the blows and the big inning for the Bears cost T. C. U. the game.

The fifth inning, in which Baylor got four runs off one hit, proved the difference. Linne walked Marstella and Russell, and the bases were loaded when Hensley's bunt was safe as Roach errored. Lee, Bear third-sacker, doubled to empty the sacks, and later scored on a couple of in-field plays. Another run in the ninth brought their total up to eleven. The Frogs kept hammering away at the Bear lead, getting two in the seventh and one in the eighth, after scoring one each in the first and second. However, they went out in order in the ninth to end the game.

### Second Game Slug Fest.

The second game was a slug fest, with both clubs using a brace of hurlers. Bill Hudson started for the Purple, but was relieved by Sam Baugh in the fourth with the Frogs trailing 5-2.

Hudson cut the opposing batsmen down for the first three frames, but six singles in the fourth brought Baylor five runs.

Baugh stepped in and held the Bears to one hit and one unearned run for the rest of the game.

The Frogs got to Alston and Duecy for 17 blows, including homers by Meyer and Will Walls. "Tillie" Manton collected a triple and a double and Meyer got a pair of doubles as well as his circuit blow.

Ten hits were bunched in the fifth and sixth frames to account for as many runs by the Frogs.

## McBride, Floyd to Go To Golf Tournament

### No. 1, 2 on Links Team to Participate in Last Match of Season.

Jim McBride and Capt. Frank Floyd, Nos. 1 and 2, respectively, on the Frog-links team, will represent T. C. U. in the conference golf tournament to be held today and tomorrow at the University of Texas in Austin. Both McBride and Floyd have been shooting par and sub-par golf during the matches this season and are likely to win places in the tournament.

The conference tournament will be the last competition for the Frogs this season.

## Three Teams Tie For First Place

### Senior Game Forfeited to Sophs—Juniors Beat Frosh.

### FINAL STANDINGS

Team	Won	Lost	Pct.
Juniors	4	2	.666
Freshmen	4	2	.666
Sophomores	4	2	.666
Seniors	0	6	.000

Three intramural baseball teams ended up in a tie for first place Wednesday as the Seniors forfeited to the Sophomores and the Juniors licked the Frosh 8 to 1, in the last scheduled game.

Last week the Freshmen took the lead by getting two forfeits in a scheduled double header with the Seniors while the Sophs and Juniors split a twin bill.

However, their defeat at the hands of the Juniors and the Senior's forfeit to the Sophs threw the race back into a three-way tie.

The team managers will be called together by Prof. Prouse to decide how the tie shall be played off.

With the effective pitching of Solon Holt, the Juniors breezed in ahead of the Frosh Wednesday. Holt allowed only seven hits.

The Juniors collected 11 blows off Tom Thannisch and Carrol Adair. Eight errors cost the Frosh heavily.

The first-year men scored their only tally in the second. Aldrich singled and went to third on Daniel's bingle. He tallied on Kent Cole's long fly.

They threatened again in the fourth when John Hall, Fouts White and Adair singled, and Leo Crockett got on an error. However, put-out on second and third kept them from making any runs.

The Juniors scored two in the third, four in the fourth and two in the sixth. Errors accounted for most of the runs in the fourth. Bruce Scrafford led in hitting with two doubles and a single out of three at-tempts.

## Frog Tracksters Have Final Meet

### Purple Has Last Chance in 2-Day Conference Event at Rice.

The Frog tracksters close their season with the conference meet at Rice today and tomorrow. All seven South-west Conference schools will be represented.

Texas will be the overpowering favorite, with its array of stars. A. & M. will probably be the second choice. Eliminations will be run off today and the finals tomorrow.

The Frogs won their first victory of the season Friday against S. M. U., 85 1/2 points to 48 1/2.

T. C. U. took 10 firsts. Rex Clark won both dashes; "Donkey" Roberts captured the 440 and 880; Buck Robertson took the high hurdles; Pat Clifford won the low hurdles; "Puss" Erwin led in both the shot and discus; Clifford won the broad jump, and Erwin, Bob Harrel, Clifford and Clark took the sprint relay.

Clark was high-point man with 14 1/2. Besides winning the dashes he was second in the broad jump and was a member of the relay team.

George Dunlap was second in the javelin throw and in both hurdle events. Robertson was second in the pole-vault and was tied with Clifford for second in the high jump.

## Home Ec Girls Plant Pansy Bed, Beautify Jarvis

That colorful bed of pansies in front of Jarvis Hall which you have all been exclaiming over is the result of a Home Economics Club project.

Miss Bonnie Enlow, sponsor of the club, donated the seeds, which were first planted in a cold frame in January and transplanted by the girls.

This beauty spot contains some "loyal" flowers of purple and white, and the velvety pansies are a favorite on the campus.

Dr. Newton Gaines has the best invention—by keeping a small bottle of water in his topcoat-pocket and letting the pansy stems extend to it from his button-hole. A. J. Speece is the bottle maker.

Some of the plants have been sold and others are being used as center-pieces at teas and luncheons.

## Oscar Wilde Play Is Well Received

### Miss Rowland Gives Outstanding Performance in Role of English Woman.

By Elizabeth Bryan

The most outstanding performance of the season of the Dramatic Club was given Tuesday evening by Miss Mary Agnes Rowland in the role of an English woman in the presentation of Oscar Wilde's play, "The Importance of Being Earnest."

Much praise should go to Louis Pitchford for his portrayal of Algernon, a young English chap, who had no money but plenty of position.

Charles Wilson presented an interesting character in the role of "Earnest," to whom the question of his name, parents, etc., was vitally important.

Miss Helen Adams was lovely as Gwendolin, the young lady with whom Earnest was in love.

The surprise of the evening came with the performance of Joe Frederick as Dr. Chausabel, a middle aged English parson with an eye for the spinster, Miss Prism, played by Miss Dorothy Jones.

Miss Millie Ferris was charming as the naive young girl of 18.

George Cassidy's smoothness as the butler in the London bachelor establishment of Algernon was superior to the characterization of the butler in the country home of Earnest, played by Truett Kennedy.

## 5 Will Go to S. M. U. To Tennis Tourney

### Doubles Team; 4 Singles Players to Play Last Time for Season.

T. C. U. will be represented by four singles players and one doubles team at the conference tennis tournament at S. M. U. today and tomorrow.

The singles players are Don McLeland, Gene House, Bill Whitehouse and Ronald Wheeler. House and Bobby Bass will compose the doubles team. This tournament will complete the season's competition for the Frogs.

All of the conference schools except Arkansas will be represented.

T. C. U. repeated its victory over S. M. U. last week in the same manner that it won the first from the Mustangs. The score was 3-3, but the Frog No. 1 doubles team won over the Methodist top doubles combination, giving T. C. U. the match.

McLeland won the only Frog victory in the singles. He and Wheeler took the deciding doubles match, and House and Bass won in the No. 2 doubles match.

Miss Jo Ann Montgomery was the guest of Miss Mabel Jo Archer in Granbury the past week-end.

Miss Grace Maloney spent the week-end at her home in Henderson.

# 'Jumbo' to Take Back Seat After Pageant Tomorrow

BY ROSEMARY COLLYER

Billy Rose's great show, "Jumbo," couldn't possibly have anything on the latest show of Mrs. Helen Walker Murphy, "The History of Tarrant County," which will have its premier tomorrow night in the Stadium. The spectacle this year promises to be more colorful than anything Mrs. Murphy has yet produced. When we hear the word "pageant," we immediately begin to see all sorts of gorgeous colors swaying to music that is both majestic and rhythmic. This particular pageant will reveal processions of Indian braves, pioneers, cowboys, and dancers of all sorts. In times past the pageants at T. C. U. have had very little musical accompaniment, little dancing and no choral singing. The singing was introduced last year and was the last of the three to be introduced.

I strongly suspect that the audience will be unable to restrain itself when the several hundred voices burst into the catchy strains of "Get Along Little Dogie," "Turkey in the Straw" and "O, Suzanna." These are the ones that make you want to sing too. There are many other songs also. Among them is the hauntingly beautiful "Home on the Range" and "Oh, Bury Me Not on the Lone Prairie."

For some reason, when Mrs. Murphy called for volunteer pioneers, none came forward. She first gives the students their preference, according to class, and then appoints the remaining cast as she sees fit. I suppose that some of the students resented having to dress as pioneers but wanted to have the more colorful costumes of the cowgirls and some of the other costumes. At any rate, they finally had to be appointed.

Speaking of the costumes, the students all make their own and that is no mean job. I know. This particular pageant is going to be especially interesting for Mrs. Murphy has secured about three hundred real honest-to-goodness cowboys from Aze for the evening. They will be led by that gridiron cowboy, for which The Skiff will probably be hung, Darrell Lester.

As you all know, Miss Mable Jo Archer has the feminine lead in this pageant. She will be "Miss T. C. U." The solo-dancers for the evening promise to be very entertaining. We all know the dancing of the Robersons, Judy and Mary Frances, as well as that of Misses Martha Ceil Graves, Tommy Gracey and Elberta Peach.

It would completely give the entire plan of the entertainment away if more were said. The only thing to do is come and see it with your own eyes while it is free. Some of these days someone will get the brilliant idea to charge admission and then the stampede would start.

Congratulations in advance, Mrs. Murphy, upon your superb adaptation and management of this historical pageant.
