

Camp Wharton near Gren
Dec. the 11th. 1862
Dear Sister

I have but little
to write to you this time though you
will hear of the battle of Oakland
in which this Regt. was the only ~~actions~~
on the part of the G. S. and the Kansas
Prairie Hawks on the part of the P. S.

In the first place; we started on
a Scout from our Camp on the
Hachie River for the purpose
~~after~~ ^{as} Brig^g of Fed^r Cavalry 3,000
and prevent them from getting possession
of Pandala a depot on the R.R. but they
their course toward Grenada still far
down the R.R. and on the South side of the
Busha River So it happened that they
start of us but we managed to get between
and Gren^r, but they got to within
of it. We then turned up the country in
pursuit of them riding all the first day
through the rain but the second day was
fair and clear. We marched ~~6 or 7 miles~~
to Oakland formed a line of battle and
rested till we got some potatoes & 3 bushels
leaving give out^d We then marched on
to Our Co^r and two others one from
and one from Whitfield's Regt.
the advance guard about 200 yds
loaded and then marched on.

Then marched 250 or 300 yds when
of our videts discovered the enemy
going up the hill and fired on them.
Here I had better state the order of
battle Col. Mabrys Regt had been sent
to the rear of the enemy while Whitfield
and Roffe were just behind the van-
guard the vanguard and Wht^o Legion
dismounted and charged them before
the 6th could get up. The Led⁸ give
a round and then run like turks
they did not get off without a round
now we drove them away from one
their batteries and took it they then
set another on us and Lt Col. Griffith
Brigadier^{ll} was forming us to charge
at which time he expected the 3^d to
charge on horseback in the rear but unfor-
tunately Lt Col. Hawkins just as we were
about come galloping from the left and
told Col. Griffith that they were flanking
us on the left with heavy columns of
infantry. Col. G. then ordered us to
our horses to ~~and~~ to retreat. We could
not bring off but one of the pieces of
artillery because part of the horses in
the other pieces were killed. The
fact that they were flanking us was
all we and if we had known it we
d have had one of the worst
reeds among the Led⁸ that was ever seen.

the fight we retreated 10 miles. The next morning we received no reinforcements and went back but they had taken a scat and left on double quick and we after pursuing them a short distance returned to camp to get rations for we had all ready been out 8 days on 5 days rations.

Nothing of importance has transpired since we came to camp. We are looking forward to go on another scout soon. It is reported that Gen. Los. E. Johnson is in Grenada and that he is to take command of this army. I have not heard from Guy since last spring. I do not know what to write to him. I have not heard from Baake but I have no doubt he is doing well. John is not well now, but he is improving. He has not been very sick myself and all the rest of the boys are in excellent health. The health of the Brig^g is very good.

Give my love to the family and relations and to yourself a portion. Give my love to Annie, Serena and Abigail.

Expect your letters thus. I B Love
from Grenada Mississippi care
of Capt Ross 6th Regt Texas
cavalry 1st Texas brigade army
of East Tennessee.

I have not received a
from you or any one else
months except the one I wrote to you
I cannot tell the reason for all
the rest of the company receive
them readily enough. The only
reason I can think of is you forget
to pay the postage. If it is not
paid I will not get them.

Write long letters and visit them
and tell others of the family
write. I have nothing to
to write ~~but~~ but remain
brother Sam.,
