## Bring your little goblins to Colby Hall's annual trick-or-treat event

FOR THE 30TH CONSECUTIVE YEAR, Colby Hall will host a safe, secure Halloween party Oct. 29 for faculty and staff children nine and under, accompanied by an adult.

It is traditional for Colby residents to go all out, both in decorating the hall for Halloween and dressing up to greet trick-or-treaters as they go door-to-door getting candy. There also will be a "Haunted House" in the basement and a bounce house outside on the lawn. Party planners are planning on 500 visitors this year.

All faculty and staff should have already received a printed invitation via interoffice mail and should bring it along to the party. Families should plan to arrive according to the first letter of their last name, using the following schedule:

A-F 6 p.m.  
G-L 6:30 p.m.  
M-R 7 p.m.  
S-Z 7:30 p.m.

The timetable will not be strictly enforced, but is used to reduce waiting time and help with crowd control. For more information, call Colby Hall at ext. 7881.

In addition to this traditional campus event for children, this year marks a new effort especially for the children of Rise School. Julie Graver, chair of the Staff Assembly community service committee, has arranged a special trick-or-treat event at 2 p.m. the same day at Colby for its little neighbors at Rise School. ♦

## New options for tickets to basketball, baseball

TCU FACULTY AND STAFF ARE currently able to purchase a reserved season ticket for football for \$50 and, in addition, receive a general admission pass to all other on-campus athletic events. This option will remain in place for those wishing to purchase under this plan.

Athletics has recently created a second option to give faculty and staff the opportunity to purchase reserved season tickets at men's basketball, women's basketball and baseball games, in addition to the football reserved season ticket option already offered. This option is offered to better meet the needs of those wishing to have a reserved seat at these events. This option is available, as the current one is, to all those family members living in the household of a faculty/staff member. The details:

Football Reserved Season Ticket - \$50  
Men's Basketball Reserved Season Ticket - \$50  
Women's Basketball Reserved Season Ticket - \$50

Baseball Reserved Season Ticket - \$50

If three of the above four reserved season ticket packages are purchased, the fourth package is free. For example, if you purchase football, men's basketball and women's basketball reserved season tickets,

the baseball season ticket is free.

This option also was created in anticipation of future sell-out games where general admission pass holders may be turned away, if general admission sections are full. This option gives faculty and staff the opportunity to purchase a reserved seat for non-football venues at a significantly reduced price.

If you have questions or would like to purchase one or more of these packages, please call the ticket office at ext. FROG. The ticket office, located in Daniel-Meyer Coliseum, is open each weekday from 8:30 a.m. to 5 p.m. ♦
