Dear Mr. Carter:

As Centennial plans are getting well under way, I wish to call to the minds of those on the various committees who are most interested in the welfare of this event, my work in connection with Centennials and celebrations of this nature.

I am a native of Texas, and have been a resident of Dallas for 17 years. In that time I have produced and directed some of the largest Pageants in the Southwest, as well as in the United States in general. Conceiving, directing, and producing has been my work for 15 years. Some of the Pageants are listed below, which I have directed in this State. There are many other events, but too numerous to mention.

1. Rotary International in Dallas-1929.
2. State Fair of Texas Pageant--four consecutive years.
3. Fort Worth Fat Stock Show--three consecutive years.
4. West Texas Chamber of Commerce Pageant--three years.
5. Valley Mid-winter--two years.
6. Canal Irrigation Pageant in Eagle Pass.
7. Washington Birthday Celebration in Lorado.

I would be most grateful if you would keep me in mind in reference to the Pageant activities of the Centennial. I can furnish references from men connected with every project that I have been engaged in.

Thanking you for your kind consideration,
I am

Very truly yours,
