Mr. Amon G. Carter
Fort Worth, Texas

Dear Mr. Carter:

You were certainly a most gracious host to the Air Force Academy Site Selection Board and to me. I thoroughly enjoyed the reminiscing and the excellent dinner at the Fort Worth Club. This fun and fellowship pleased me very much as did the beautiful pistol-lighter with which I have had much fun going "berserk" with my office assistants. I also want to thank you for including me as one of your guests and for the very comfortable room accommodations which I had at the Club.

I am sure that the Board was impressed with our Grapevine Site. Certainly it is my hope that this will be the site ultimately selected. Your good work will have assisted immeasurably.

Again may I thank you. With kind personal regards,
I am

Very truly yours,

Tom Finney
