Mr. William Holden,
Executive Vice President,
Fort Worth Chamber of Commerce,
Fort Worth, Texas.

Dear Bill:

I have been informed that the Texas delegation in Congress adopted a Resolution to be sent to Air Secretary Harold E. Talbott and the Air Force Academy Site Commission stating that all sections of Texas would be behind any site selected in this State for the Academy. Being anxious to assist in any way, I immediately dispatched a telegram, a copy of which is hereto attached, to say officially on behalf of the State that we are all of one mind; we want the Academy to be placed in Texas.

With my warmest regards and very best wishes, I am,

Sincerely yours,

/s/ Allan

Allan Shivers.
