Dear Mr. Carter:

On behalf of National Air Transport and Col. Henderson and myself, personally, I wish to thank you for the editorials that have recently appeared in your publication. These were not only excellently written but were well calculated to carry the points that you have so generously stressed for these many months.

I also wish to thank you for the telegraphic request for a statement upon the completion of our first quarter operations. This we gladly complied with, as you have already noted.

Yours very truly,
